2016-17 BOYS AND GIRLS CROSS COUNTRY GROUPINGS/DIVISIONS

Each Section will determine the divisional placement for its schools who qualify for the state cross country championships and is required to submit the placement of schools into the five divisions to the State CIF Office no later than October 1. CIF member schools will be required to participate in the division that has been established by their respective Section. Sections may use their own established criteria to determine placement of teams in the five divisions based on the following guidelines:

STATE CIF GROUPINGS

Division I	**As determined by Section**
Division II	**As determined by Section**
Division III	**As determined by Section**
Division IV	**As determined by Section**
Division V	**As determined by Section, but enrollment may not exceed 600**

CIF-SS GROUPINGS **- Final 10/25/16**

Division 1	**2500 and above**
Division 2	**2499 - 2080**
Division 3	**1460 - 2079**
Division 4	**601 - 1459**
Division 5	**600 and below**

*** The CIF-SS Cross Country divisions are based on CBED information from the 2015-2016 year. When the CBED information for 2016-2017 has been submitted to CIF-SS and the State Department of Education, any school that incurs a gain/loss in enrollment of a minimum of 15% in the current year will utilize the new CBED data for placement into division. Reporting of the information to the State Department of Education occurs prior to October 1st each year. Final divisional placement for each school will be determined once this information has been received and compiled.* ***The enclosed divisional breakdowns are FINAL.***

REMINDER: By action of the CIF-SS Council at the March 23, 2000 meeting, no schools will be allowed to compete outside of their enrollment based division.

NOTE: CBED information has been analyzed and division placement adjusted.
