West Torrance Takes Wrestling Championship

SOUTH BAY SCHOOLS DOMINATE 1974 MEET

With three individual champions, including 148 lb. Ted Kelley, voted "Outstanding Wrestler," West Torrance HS easily outdistanced all opponents in compiling 56 points to win the 1974 CIF-SS Wrestling Championships at Marina HS in Huntington Beach February 23. The strength of South Bay schools in wrestling was apparent as Mira Costa HS (39½), North Torrance HS (38½), Torrance HS (26½), and Redondo HS (19) finished in the next four places.

In addition to the 148 lb. division, West Torrance, coached by Kent Wyatt, captured the 130 lb. crown (Mike Kinane) and the 168 lb. (Brian Holecheck). No other school took more than one individual championship. The first five finishers in each weight division qualified for the State CIF Wrestling Tournament held at California State University @ Hayward.

CIF 60 YEARS OLD

March 28, 1974, marks the sixtieth birthday of the California Interscholastic Federation. It was on March 28, 1914, that the statewide organization for the administration of high school athletics was formed. The Southern Section became an official part of the CIF at that time although it had conducted a championship track meet for Southern California high schools in 1913 and was operating independently in a semi-official status prior to 1914.

SCHOOLS TO INDICATE CHOICE FOR GIRLS' INTERSCHOLASTIC ATHLETICS

March 15, 1975, is the deadline for all CIF-SS schools to indicate participation or non-participation in the CIF-SS Girls' Interscholastic Athletic Program for the school year 1974-75. By decision of the CIF-SS Council at its January 31, 1974, meeting Commissioner J. Kenneth Fagans was directed to solicit signed declarations from principals of all member schools.

In a special notice dated February 11, 1974, the Commissioner outlined the responsibilities, advantages, and disadvantages for each of the two choices available to the schools. It was pointed out that if a school chooses to participate, it must abide by all rules, procedures, and policies of the CIF-SS from July 1, 1974 until June 30, 1975. Schools who choose **not** to participate must wait until July 1, 1975, to enter the program should membership later be desired.

1973-74 CIF-SS EXECUTIVE COMMITTEE: (Back Row L-R) Claire Van Hoorebeke, Anaheim HS Athletic Director; Louie Joseph, Canyon HS (Villa Park) Principal; James Faul, Wilson HS (Hacienda Heights) Principal; Reverend Alexander Manville, Bishop Garcia Diego HS Principal; Tony Balsamo, Apple Valley HS Principal; Ted Gossard, Aviation HS Principal; J. Kenneth Fagans, CIF-SS Commissioner; and Alex Alexander, Desert Sands HS Principal. (Front Row L-R) Ferren Christensen, Huntington Beach UHSD Administrator; Dr. Hanford Rants, Gahr HS Principal and CIF-SS Treasurer; Steve Miletich, Beverly Hills HS Assistant Principal and CIF-SS Council President; Dr. Richard Cordano, Arcadia HS Principal and CIF-SS Council Vice President; Roger Weeks, Sierra HS Principal; and Dr. Lowell Jackson, Centinela Valley UHSD Superintendent.

MINUTES OF CIF-SS COUNCIL MEETING
January 31, 1974

The regular winter Council meeting of the Southern Section of the California Interscholastic Federation was held Thursday, January 31, 1974, at the Rodger Young Center in Los Angeles.

The meeting was called to order at 10:05 a.m. by Council President Steve Miletich, Assistant Principal, Beverly Hills High School. Representatives from all but the Golden, Pacific, and Preparatory Leagues were present. Approximately 50 guests were in attendance.

1. **APPROVAL OF MINUTES:**

A. It was moved, seconded, and passed to approve the minutes of the Council meeting of September 20, 1973, as published in the October, 1973, "Monthly Bulletin."

B. It was moved, seconded, and passed to approve the minutes of the Executive Committee meeting of November 7, 1973, as published in the December, 1973, "Monthly Bulletin."

C. It was moved, seconded, and passed to approve the minutes of the Executive Committee meeting of January 17, 1974, as presented in writing and reviewed by the Commissioner.

2. **SANCTIONED EVENT COMMITTEE REPORT:** Roger Weeks, Whitmont League Representative and Chairman of the Sanctioned Event Committee, reviewed recent CIF-SS legislation with regards to the maximum number of athletic contests permitted teams in water polo, basketball, soccer, baseball and volleyball tournaments. The committee, after several meetings, formulated a tournament format designed to provide participation within reasonable limits. Action on the proposal was to be taken at the May Council meeting after Council members received direction from their leagues.

3. **RELEAGUING:**

A. It was moved, seconded, and passed to approve the action of the Arrowhead League in its unanimous decision to accept Lutheran High School of LaVerne and Lutheran High School of Orange as additional members effective July 1, 1974.

B. It was moved, seconded, and passed to approve the unanimous request of the Mission Valley League to permit Monrovia High School to remain as a member of the league for the school year 1974-75.

C. Dr. Larry Lucas, Principal of Huntington Beach High School, appeared before the Council to review the rationale for the request of his school, approved unanimously by the new Empire League, to switch with El Modena of the new Century League. Further discussion revealed that such a switch was no longer desired by El Modena. After further discussion, it was moved and seconded to approve the switching of Huntington Beach High School in the Empire League with a school in the Century League. The motion was defeated.

With the resolutions of the Monrovia and Huntington Beach questions, all recommendations of the out-going Releaguing Committee originally presented to the Council on September 20, 1973, thus became finalized.

4. **STATE COMPETITION IN SWIMMING AND WATER POLO:** Terry Sayring, Secretary of the Southern California Water Polo and Swimming Officials Association appeared before the Council to encourage support for State Championship Tournaments in swimming and water polo. Although discussion on this topic at the September 20, 1973, meeting of the Council was tabled until the January meeting in order to permit the League Representatives time to discuss the proposal with member schools, it was moved, seconded, and passed to refer the proposal again to the leagues with a vote to be taken at the May Council meeting.

5. **TREASURER'S REPORT:** Dr. Hanford Rants, Principal of Gahr High School and CIF-SS Treasurer, made a brief financial report. Although the percentage of net profit allocated to the CIF-SS from football playoffs was greater this past year than in previous years, the amount actually received was approximately $7,500 under the budgeted income figure. Expenses were higher than during previous years because of the girls' program and increased cost of awards among other items. Suggestions for greater income from playoff were solicited. It was the consensus of opinion that increased admission prices would not be advisable at this time, but that there was a possibility of scheduling football playoff games on both Fridays and Saturdays in order to attract fans more than once on a weekend. It was also pointed out that revenue increases when playoffs begin the week before Thanksgiving Week.

6. **GARDEN GROVE LEAGUE REQUEST:** The Garden Grove League, due to an increased awareness of the present financial status of the CIF-SS, withdrew its request for financial assistance to teams traveling to state championship interscholastic athletic events.

7. **TEAM CHAMPIONSHIPS IN WRESTLING:** Joe Merlo, Principal of Sonora High School and Orange League Representative, proposed that the CIF-SS provide for wrestling team playoffs in 1974-75 in addition to the present provision for individual championships. Such a format would be similar to that now utilized for tennis. During the ensuing discussion it was pointed out that the proposal would cause difficulty in providing time for all necessary qualifying meets. It was moved, seconded, and passed to refer the proposal to individual leagues for action at the May Council meeting.

8. **MAXIMUM CROSS COUNTRY MEETS:** Jack Barton, Principal of El Monte High School and Mission Valley Representative, proposed that the maximum number of cross country meets in which a school may enter (regardless of the number of its entries at any meet) be increased from 11 to 13. It was felt by the Mission Valley League that there should be more opportunity for schools, especially those in 8-team leagues, to participate in sanctioned cross country meets. After discussion, it was moved, seconded, and passed to table the subject until the May meeting to permit discussion within the leagues.

9. **GIRLS' ATHLETICS:** Alex Alexander, Principal of Desert Sands High School, and Chairman of the Girls' Athletic Advisory Board, gave a brief history of past Council, Executive Committee, and Girls' Athletic Advisory Board discussion and action relative to girls' athletics. He then formally presented two options forwarded to the Council by the Executive Committee for the administration of girls' interscholastic athletics in the CIF-SS for the school year 1974-75. PLAN I provided for **mandatory** membership in the girls' program for all member schools while PLAN II provided for **optional** membership. The responsibilities, advantages, and disadvantages in each plan were reviewed and discussed.

COUNCIL MINUTES

(Continued from Page Two)

Dick Spaulding, Principal of Buena Park High School and Freeway League Representative, presented a proposal by his league that would permit leagues and free lance high schools to administrate all girls' interscholastic activities other than CIF-SS sanctioned events and playoffs. The Commissioner then informed the Council that the State Federated Council had ruled the previous weekend that schools who wish to participate in the CIF Girls' Interscholastic Program must do so for all sports and abide by the CIF rules. This decision would prevent the CIF-SS from adopting the Freeway League's proposal.

After further discussion, a motion to adopt Plan I (membership obligatory) was defeated 22-21 on a roll call vote by leagues (four of the 47 leagues being absent at the time of voting). Following additional discussion, it was moved, seconded, and passed by voice vote to adopt Plan II (membership optional), effective September 1, 1974. A further motion to present the Freeway League proposal to the June State Federated Council Meeting with CIF-SS recommendation for approval was defeated by a voice vote.

10. **HICKS ELIGIBILITY APPEAL:** Mrs. Margaret Hicks appeared before the Council to appeal the decision of the Executive Committee denying waiver of the transfer rule for her son, Richard Hicks, presently in attendance at Paraclete High School. After a chronological review of the matter by the Commissioner and thorough discussion, it was moved, seconded, and passed to uphold the action of the Executive Committee.

11. **LAFFERTY ELIGIBILITY APPEAL:** Mr. Richard Lafferty (father) and Mr. Jack Dunster (real estate agent) appeared before the Council to appeal the decision of the Executive Committee denying waiver of the transfer rule for Tom Lafferty, presently in attendance at Wilson High School of Long Beach. Also appearing was Larry Rossi, Moore League Representative and Physical Education Consultant for the Long Beach Unified School District, who presented background information on the case. After thorough discussion, it was moved, seconded, and passed to uphold the action of the Executive Committee in denying athletic eligibility at Wilson HS and to approve athletic eligibility at Milikan High School should Tom Lafferty return this school year.

12. **MAXIMUM INDIVIDUAL ATHLETIC PARTICIPATION:** Thomas E. Byrnes, CIF-SS Administrative Assistant and member of the Classification Committee, reviewed the existing possibility of the abuse of our classification system by some high schools whereby athletes could be indiscriminately switched among several levels of competition in the same week. This practice would enable students to compete more frequently than the rules intended. Four suggested means by which such athletic participation could be limited were presented to the Council to take back to their respective leagues for discussion and direction. Action is planned for the May Council Meeting.

13. **CONDOR LEAGUE DISSOLUTION:** The Commissioner briefly reviewed certain problems of small private schools in the CIF-SS that preceded the request of the Condor League to be dissolved. Because an insufficient number of schools in the Condor League wished to remain in the CIF-SS, it was moved, seconded, and passed to accept letters of resignation from Dunn, Laguna Blanca, Midland, and Ojai Valley Schools; to dissolve the Condor League, and to place Cate School, St. Anthony's Seminary, and Thacher School in the free lance classification — all action effective immediately.

14. **TRACK PLAYOFF DIVISIONS:** Following last year's format of placing leagues into 4A, 3A, and 2A divisions for track & field participation, the 1974 proposed groupings were presented to the Council by the Track Committee for consideration. It was moved, seconded, and passed to approve the proposed alignments as presented. (See list elsewhere in this issue.)

15. **NOMINATING COMMITTEE REPORT:** Chairman Joe Deal, Principal of South Hills High School and Sierra Representative, presented the following recommendations of the Nominating Committee:

A. Amend Article V, Section 2, of the CIF-SS Constitution to read, "The Council President shall serve for two years and may not succeed himself. The Vice-President of the Council who has served two years in a satisfactory manner shall qualify for the Presidency. The duties of the President shall be such as usually appertain to the office, and he shall serve also as Chairman of the Executive Committee."

B. Place Ted Gossard, Principal, Aviation HS; Dr. Lowell Jackson, Superintendent, Centinela Valley District; and Louie Joseph, Principal Canyon HS (Orange); on the May ballot for the office of Council Vice-President.

C. Place Ferren Christensen, Guidance and Special Services Administrator, Huntington Beach Union High School District; and Arthur North, Assistant Superintendent, Santa Barbara District; on the May ballot for the office of State Federated Council Representative.

D. Place Gene Knott, Vice-Principal, Ramona HS; and Ted Smith, Vice-Principal, Hemet HS; on the May ballot for the office of Eastern District Representative to the Executive Committee.

E. Place Brother Hilary Deering, Principal, Pater Noster HS; and Bruce Keuning, Principal, Valley Christian HS; on the May ballot for the office of Los Angeles County Representative to the Executive Committee.

The proposed amendment will be voted upon at the May, 1974, Council meeting. Should it pass, Dr. Richard Cordano will move from the office of Vice-President to President. Should the amendment fail to be passed by the Council, nominations for President would be taken from the floor. No other nominations being made for the other offices, it was moved, seconded, and passed to close nominations for Vice-President, State Federated Council Representative, and the two positions on the Executive Committee.

16. **ENERGY CRISIS:** Chairman Steve Miletich reported that the State Federated Council took no action regarding the energy crisis at its meeting January 18-19, 1974, feeling that due to differing conditions among the many school districts statewide, regulations on fuel expenditures and maximum traveling distances might be inappropriate at this time. League Representatives were asked to report in writing to the Commissioner's Office what their league and/or schools are doing in regards to the energy crisis. A full report could then be compiled for dissemination to the news media and the member schools.

17. **AMERICAN FIELD SERVICE:** The American Field Service has a domestic program for selected high school students in the United States. Because the CIF-SS Constitution Bylaws do not presently incorporate this particular program in permitting athletic eligibility for AFS students, it was moved, seconded, and passed unanimously to amend Article XI, Section 1-C, of the CIF-SS Constitution Bylaws, to provide residential athletic eligibility for students who are members of the Domestic Program of the American Field Service.

18. **OXNARD HS REQUEST:** Discussion was held on the request of Oxnard HS to schedule a dual swim meet with a local AAU team. Due to the energy crisis, the school had been unable to fill its swimming schedule with member schools who were within maximum traveling distances dictated by district fuel allocation. It was moved, seconded, and passed to deny the request.

There being no further business to come before the Council, the meeting was adjourned at 3:40 p.m.

INAUGURAL GIRLS' INVITATIONAL GYMNASTIC MEET WELL RECEIVED

Thirty-four girls from eighteen Southern Section high schools participated in the CIF-SS Girls' Invitational Gymnastic Meet held February 21 at Fullerton JC. An enthusiastic crowd of over 300 paid admission amply demonstrated the growing interest in girls' gymnastics throughout the Southland.

Gymnasts from Agoura to Costa Mesa demonstrated their skill and technique on the Uneven Bars, Side Horse Vault, Balance Beam, and Floor Exercise. CIF-SS medals were awarded for 1st, 2nd, and 3rd places. The entire meet was videotaped by KNBC-TV and aired on Channel 4, Saturday, February 23, as part of the "Prep Sports World" Series.

Because of the positive response from competitors, coaches, and those watching in person or at home, this event may become an annual affair. Credit for countless hours of preparation for the meet is due Joanne Pasquale, Girls Gymnastics Coach at Sonora HS, and her fine crew of teachers and students from that school.

DECISION FOR CIF-SS GIRLS' INTERSCHOLASTIC PROGRAM DUE MARCH 15

Reminder is made here that the deadline for all CIF-SS schools to indicate participation or non-participation in the 1974-75 CIF-SS Girls' Interscholastic Athletic Program is March 15, 1974. Principals are to complete and mail the appropriate form by this date.

STATE TRACK MEET

The first-year format for girls in the State Track Meet will be as follows: Each section will be permitted one entry per event. There will be no heats or trials for girls; competition will be in the finals only. Because the San Francisco Section is not participating this year, there will be 9 entries in all girls' track and field events.

Girls' events will be interspersed throughout the meet and will include the 100, 220, 440, 880, Mile, 80 yd. Hurdles, 440 Relay, 880 Medley Relay, 8 lb. Shot Put, Long Jump, and High Jump. Medals will be awarded for 1st, 2nd, and 3rd places.

It should be noted that **all** CIF rules must be observed by all participants, including eligibility, age, physical exam, and outside competition. No girl will be permitted to qualify for state competition who has not met all CIF rules.

Q & A BOX
This Month's Subject: CIF-SS RECORDS

Q — Who compiles CIF-SS records in the sanctioned sports?
A — The CIF-SS Office.
Q — How is this data compiled?
A — From authenticated information received from school authorities.
Q — Where may these records be found?
A — In the "California Interscholastic Federation — Southern Section Press Guide and Record Book."
Q — How are these record books obtained?
A — Free copies are sent to all member schools at the beginning of each school year. (Due to printing costs, the 1973-74 edition was not published; however, all new records will be reflected in the 1974-75 edition.) Additional copies may be purchased for $1.00 each.
Q — Will records be maintained for girls' athletics?
A — Yes. The information will be as complete as the CIF-SS Office is able to obtain.
Q — How many sports will be covered?
A — Eventually all sanctioned sports. At present there are 13 such sports for boys and 9 for girls.
Q — Who has the longest field goal in CIF-SS football?
A — Jim White of Barstow HS — 58 yards.
Q — Who has passed for the most career touchdowns?
A — Pat Haden of Bishop Amat HS (La Puente) — 82.
Q — Who has scored the most career points in basketball?
A — Mark Wulfemeyer of Troy HS (Fullerton) — 2,608.
Q — What school has scored the most points in a basketball game?
A — Aquinas HS (San Bernardino) — 138.
Q — Who has the fastest 200 yard freestyle swim?
A — Tim Shaw of Wilson HS (Long Beach) — 1:40.7 (set last year as a sophomore).
Q — Who has the best high jump among CIF-SS athletes?
A — Dwight Stones of Glendale HS — 7′ 1½″.

1975 WRESTLING DATES CHANGED

All schools are hereby notified that the date for the 1975 CIF-SS Wrestling Sectionals has been changed to February 22 and that March 1, 1975, is the new date for the CIF-SS Wrestling Championships. As stated in the 1974-75 CIF-SS Playoff Calendar, published in the January, 1974, "Monthly Bulletin," this change would be in effect should the 1975 State Wrestling Tournament be moved one week later. This was done at the request of the Southern Section, and the above dates for 1975 are now official.
