RE: 2018 CIF SOUTHERN SECTION/FORD FOOTBALL CHAMPIONSHIPS

DATE: OCTOBER, 2018

As in the past years, in an effort to control costs, the Football Playoff Handbook will be available on our website at www.cifss.org on October 23, 2018. It is our intent that the following information will be useful prior to the availability of the handbook.

The 2018 Football Playoffs will be conducted in 13 playoff divisions. Schools have been placed in their divisions based on the new competitive equity format. (refer to Blue Book rule 3319) All divisions will be 16-team brackets.

NUMBER OF ENTRIES: (11-MAN FOOTBALL)

In all divisions leagues with:
4 or 5 team leagues - are guaranteed two possible entries
6 or 8 team leagues - are guaranteed three possible entries
9 or more -team leagues - are guaranteed four possible entries.

(Blue Book Rule 3319.5) Leagues are guaranteed their appropriate number of entries into the Southern Section Championships, per current Southern Section Blue Book Rule 3314, with the exception of football. In football, League Champions will have first priority, followed by 2nd place teams, 3rd place teams and so on from each league. Once the total number of guaranteed entries from each league are submitted, the At-Large Selection process outlined on page 3 of this publication will be used to select at-large teams to fill any byes in the draw, or to eliminate teams from the draw, in order to create a 16-team bracket for each division.

Freelance teams will be placed in appropriate divisions and will be considered for the playoffs along with the other at-large entries in those divisions that have at-large openings. For a freelance school to be considered for the playoffs they must have a record of .500 or better and fill out an at-large form on www.cifsshome.org as their entry.

AT-LARGE ENTRIES:

By action of the CIF-SS Council, byes should be filled in all brackets, for all sports, by either at-large or free lance applicants. This gives your league the opportunity to submit an additional entry for possible consideration into the playoffs. **Please read the enclosed "Filling of Playoff Byes" bulletin carefully**, and if you have any questions, feel free to call us for clarification.

Your League Coordinator needs to be aware of your school's intention. Make sure you contact them to make them aware of your intent to file an At Large Petition. They should also know if you have no interest in consideration. **The cifsshome electronic 11-Man At-Large Entry must be in our office by 11:00 p.m. Friday, October 26, 2018.**

11-MAN FOOTBALL AT LARGE SELECTION

The 11-Man Football At-Large Selection Committee will meet on Saturday, October 27, 2018 in the C.I.F. Southern Section office to select the at-large teams. This committee is comprised of one member from the CIF-SS Executive Committee, an administrator at-large, a representative from the Football Coaches Advisory Committee and one football coach at-large. It is to be understood that no person will serve on the committee whose team is in contention for one of the at-large berths. The following criteria and procedures will accommodate this policy:

(1) Leagues will have the option of entering an at-large team for consideration should they desire. Leagues will utilize the same guideline of designating a No. 1 entry, a No. 2 entry, or No. 3 entry. In the event there is a tie for the at-large team, the league must specify which school will be submitted as the at-large entrant.

(2) All entries, including at-large must be submitted to the CIF-SS office by 11:00 p.m., Friday, October 26, 2018.

At Large teams must have a .500 record or better for their complete schedules to be considered. A tie will count as a ½ win and ½ loss as the criteria for .500 or better record. (A record of 4-4-2 would be considered as qualifying). In the sport of football, in order to alleviate byes, if there are no .500 teams entered or all .500 or better teams have been taken, then the next best record as submitted by leagues will be taken. However, no team under .500 will be placed until all .500 at-large entries have been placed.

(3) Schools who are being submitted as an at-large entry, MUST submit to the CIF-SS office by 11:00 p.m., Friday, October 26, 2018, all data regarding games played during the season. Under the "Teams" tab in www.cifsshome.org the complete schedule and results should be inputted, and further background information the Selection Committee should be apprised of, in determining the teams which will be selected for the filling of byes.

(4) The Selection Committee, with the full support of the CIF-SS Football Coaches Advisory Committee, will utilize the following criteria in its selection process for at-large teams with each category below having the specific weight listed:
The Selection Committee will also use the following criteria for elimination-teams where the total number of guaranteed entries exceeds the bracket size.

(a) Head-to-head competition of teams under consideration (4 points)
(b) Overall strength of the league from which the team is entered based on the end of season rankings (1 point)
(c) Overall win-loss record (1 point)
(d) Strength against common opponents (1 point)
(e) Strength of schedule (2 points, using overall win-loss record of opponents)
(f) Free lance teams will be part of the pool for the filling of at-large berths
(g) In case of a statistical tie after all the above criteria has been considered the committee shall break the tie.

(5) The At-Large Selection Committee will meet in the CIF-SS Office on the Saturday afternoon of the weekend in which the playoff draw is to be finalized. The administrator so designated from the CIF-SS Office for Football shall act as a resource person and chair the meeting.

Leagues are guaranteed their appropriate number of entries into the Southern Section Championships, per current Southern Section Blue Book Rule 3314, with the exception of football. In football, League Champions will have first priority, followed by 2nd place teams, 3rd place teams and so on from each league. Once the total number of guaranteed entries from each league are submitted, the At-Large Selection process outlined in the Football Playoff Bulletin will be used to select at-large teams to fill any byes in the draw, or to eliminate teams from the draw, in order to create a 16-team bracket for each division.

NOTE: (11-Man Football) If two or three automatic entry teams from the same league are tied at the end of league competition, and are in different playoff divisions, they may all carry the same designation into their respective playoff division. For example, if School A and School B tie for their league's championship, and are in different playoff divisions, they can both be designated as League #1 in their respective playoff divisions. However, leagues may not exceed their total allowable guaranteed entries regardless of what playoff division those schools would enter. In this instance, you would let us know in the entry notes that there was a tie within the guaranteed entry.

VIDEO EXCHANGE

There shall be a mandatory exchange of four game videotapes between the competing schools. Each coach will have his choice of any four of his opponent's game videotapes which may include the most recent game. These original copies of videotapes shall be unedited and shall include all plays as originally videotaped. In addition to the mandatory exchange, it shall be permissible for either coach to secure from other sources, any game videotape of his opponent that he may desire to view for the purpose of preparing for his next playoff game. If a school entering the playoffs has not videotaped any of its games, it should communicate that fact to the Commissioner, prior to the beginning of the playoffs.

It is mandatory that coaches exchange game film electronically or bring their videotapes with them to a mutually agreed upon site on the day the initial pairings are announced. All subsequent exchanges will take place at a mutually agreed upon location by Noon, the day after each playoff game. The coaches shall return the tapes to one another the night of their playoff game.

Any violation of the mandatory videotape exchange rule (refusal to cooperate) should be reported at once to the CIF-SS office. Such violation may subject a team to disqualification from the playoffs.

Suggested Guidelines for Video Taping

A. Taping should be from a height of 30' or higher.
B. Video tape should include the entire contest.
C. Video taping should start before the snap/kick and continue until the play is over. The camera should not continue to run when the play is dead.
D. Picture should be clear and numbers of players readable.
E. Picture should include enough players on both teams to recognize offensive and defensive formations. The camera should follow its own team during kick plays.

TIE-BREAKER SYSTEM

The “25-Yard Tie-Breaker System” is authorized for use in the Southern Section for playoffs as follows:

1. Respective leagues have the option of adopting the plan for use
2. If adopted, all ties within league must be resolved with the “25-Yard Tie-Breaker System”
3. If adopted, the plan may be used for the V, JV or Frosh/Soph levels, or any combination of
4. By mutual consent, the plan may be used for non-league contests
5. The “25-Yard Tie-Breaker System” will be used for all CIF-SS playoff contests
6. May not be used beyond the last allowable playing date to determine entry into the playoffs

TIE GAMES

The twenty-five yard line tiebreaker system will be used in all divisions and all games, **(including finals)**, of the CIF Southern Section football playoffs, when games end in regulation time with the score tied. Although the ball will be placed on the 25-yard line for tiebreakers, we will adopt the National Federation 10-yard tiebreaker rules, with the exception that teams will be able to make first downs. Because of concerns regarding inconsistency WE WILL NOT BE USING NCAA RULES. Complete details for the 10-yard line tiebreaker are listed on pages 84 and 85 of the 2018 National Federation Official High School Football Rules. This will apply to all playoff games including the championship games.

HOW THE TIE-BREAKER WORKS

If the score at the conclusion of regulation play is tied, there will be a timeout. The captains of the two squads will meet at midfield, with the officials, for a flip of the coin. The winner of the toss will have the option to defend a goal or to determine possession.

Then, each team will have the opportunity to score from the 25-yard line and the team which outscores the other in the "overtime" session will be the winner, following the rules of football.

For example, the team on offense first will have one series of downs in which to score a touchdown (and try to kick for a one-point conversion or a run-pass for a two-point conversion) or kick a field goal. The other team will have one series of downs in which to equal, or surpass, the points scored by the first team. If the second team on offense does not equal or surpass the first team on offense, the first team on offense wins. If the second team scores more points than the first team, the second team wins. If the second team scores an equal number of points, the whole procedure is repeated until a winner is determined.

If either team has a pass intercepted, or fumbles and loses possession, the ball will be blown dead immediately, its series of downs comes to an end, regardless of what down (No. 1, No. 2, No. 3, or No. 4) the interception or fumble occurs.

If the score remains tied after each team has been given one series of downs in an overtime period, then the procedure shall be repeated with other overtime periods until a game winner is determined. In this case, there shall be an intermission of two minutes. At the subsequent meeting of teams captains, the loser of the overtime coin toss will be given first choice of the options. If additional overtime periods are required, then first options will be alternated with no coin toss.

CHAMPIONSHIP CONTESTS SCHEDULE

Division 1- Friday, November 23, 2018, Time 7:30 p.m. – Cerritos College

Division 2 through 13 will be announced on Saturday, November 17th. Games will be played on either, Friday, November 23, 2018 or Saturday, November 24th at 7:30 p.m.

This schedule is made to alleviate the conflict of all championship games being played on the same day. It is hoped that advanced planning will assist and accommodate students, as well as respective communities involved.

SEMIFINAL CONTESTS:

All divisions will play their semifinal contests on Friday night, November 16.

GAME BALL:

Please be advised that the Spalding football has been designated as the official ball for all playoff games. The Southern Section office, along with Spalding, will be providing schools with footballs for the championship games only.

STATE REGIONAL FOOTBALL GAMES

On Friday November 30, 2018 and Saturday, December 1, 2018 there will be a Northern and Southern State Regional Football Games.

STATE CHAMPIONSHIP BOWL GAMES

On Friday, December 7, 2018 and Saturday, December 8, 2018 there will be five State Championship Bowl Games played at Cerritos College and various sites under the management of the C.I.F. State Office. For information on these contests, go to the C.I.F. State website at www.cifstate.org.

Mercy Rule

A mercy rule will be in effect for all football contests in the C.I.F. Southern Section, which includes pre-season games, league games and playoff games, including Championship Finals. This means that if one team has a lead of 35 points or more at the end of three quarters, there will be a running clock for the 4th quarter until the end of the contest. If schools wish to invoke a running clock prior to the start of the 4th quarter, they can do so by mutual agreement of both schools. I have attached the relevant rule to this memo, so you can see the details.

This item has been approved for statewide adoption, for both regular and post-season contests. This is in accordance with NFHS Football Rules 3-1-2 and 3-1-3.

1. Prior to the 4th Quarter, by mutual agreement of the opposing coaches and the referee, a *"running clock"* may be used if the point differential between the two teams reaches 35 or more;

2. If at the start of the 4th Quarter or at any time during the 4th Quarter, the point differential is 35 or more points, a running clock shall be used for the reminder of the contest;

3. Once the *"running clock"* is in effect during the 4th Quarter, it shall remain in effect for the balance of the contest, even if the team that is behind subsequently scores to make the deficit less than 35 points;

4. The *"running clock"* will be administered as follows:
   A. The game clock will start with the snap or legal touch of a free kick on the first play following the establishment of the pertinent point differential, and continue to run uninterrupted when:
      - A 1st down is awarded to either team, including following a change of possession;
      - The ball or runner is out-of-bounds;
      - A legal or illegal forward pass is incomplete;
      - A play results in a touchback;
      - An inadvertent whistle occurs;
      - During all penalty enforcements.

   B. The game clock shall be stopped for:
      - A score (including touchdown: try; field goal; safety);
      - The free kick following a fair catch or awarded fair catch;
      - A charged team time-out;
      - A coach-referee conference;
      - An official's time-out (injury; equipment; 1st down measurement; other, as required);
   C. Following a stoppage for any reason in B. above, the game clock will start when the ball is next:
      - Marked ready-for-play; or
      - Legally touched on the free kick following a score, a fair catch or awarded fair catch

FOOTBALL PUBLIC ADDRESS
ANNOUNCER GUIDELINES

The following information is provided for the benefit of the public-address announcer at your home playoff games: this capsule summary was developed by the late John McDonough and has been found to be very useful to our member schools.

PRE-GAME PREPARATION

1. Go to the official's dressing room or see the officials on the field. Get the proper pronunciation of their names and the positions they will work.

2. Go over the referee's signals with him and ask for any instructions he might have. It is up to you to interpret his signals to the crowd. If you have a person on the sidelines relaying information to you, explain this to the officials, so they can forward information about unusual rulings to you.

3. Go to each team and be sure you have the correct numbers and names of the players.

4. Be sure you have the proper starting line-up for each team. Coordinate the announcing of the starting line ups with any other pre-game activities (playing of the National Anthem) so that the game will start on time.

5. Check the accuracy of any information about the visiting team you plan on using before the game, or at halftime, with someone from that team. You should have done this for your own team during the week.

6. Always start your program by welcoming the crowd and introducing yourself. Example: "Good evening, ladies and gentlemen, welcome to Memorial Stadium, this is Earl Richard, your game announcer."

7. Give the line-ups at a moderate pace – not too fast, but especially not too slow. Start with the left and go across the line, then the running backs, receivers, and quarterback.

8. After you give the line-ups, give the names of the officials in this order – Referee, Umpire, Head Linesman, Field Judge, Back Judge.

9. Give the winner of the toss and the options the captains chose.

10. If the national Anthem is used, invite the crowd to sing. For example: "Ladies and Gentlemen, would you please rise and join our director Al Rhienke and the Eagle Band in singing our National Anthem."

<u>SPORTSMANSHIP ANNOUNCEMENT</u>

LADIES AND GENTLEMEN, CIF SOUTHERN SECTION PLAYOFF CONTESTS ARE CONDUCTED UNDER THE STRICTEST CODE OF GOOD SPORTSMANSHIP…THE OFFICIALS ARE NEUTRAL MEN, REPRESENTING THE COMMISSIONER, AND ARE SELECTED BECAUSE OF DEMONSTRATED ABILITY…SPECTATORS ARE ENCOURAGED TO SUPPORT THEIR OWN TEAM, AND ARE REQUESTED TO DISPLAY PROPER SPORTSMANSHIP WITH RESPECT TO THE OPPOSING SCHOOL AND THE OFFICIALS…THE CIF SOUTHERN SECTION THANKS YOU FOR YOUR SUPPORT OF HIGH SCHOOL ATHLETICS…

Drones

Drones are not allowed during any 11 or 8-man football contests at all levels. Although there is not an actual State CIF rule against the use of drones, the FAA (Federal Aviation Administration) in its June 21st, 2016 Summary of Small Unmanned Aircraft Rule states "Small unmanned aircraft may not operate over any persons not directly participating in the operation." Based upon this federal ruling the CIF State Office has instructed our section to deem it a safety hazard and to not allow drones.

A Drone flying to get pregame images for a later TV broadcast well before the start of a game and the arrival of the crowd would be an example of a drone flight within the FAA rules and outside of our concern for safety.

CHAIN CREW:

Personnel assigned to the chain crew, responsible for marking downs and distances on the field, shall be responsible adults at all CIF-SS football playoff games.

WHEN CAN A BAND PLAY?

While there is no specific rule cited in the 2018-2019 National Federation of High Schools Football Rule Book, or in the 2018-2019 C.I.F. Southern Section Blue Book regarding this issue, the standard procedure for football contests, as interpreted by this office and the California Football Officials Association is as follows:

A band can play during a contest, but only during breaks in the action. For example, between plays, during timeouts, between quarters, half-time, and so on. If a band is playing during the game, it is considered unsportsmanlike conduct by the team whose band is playing. The playing of music during the game can be a distraction to the competing teams, and the officials, and can result in placing teams at an advantage or disadvantage as a result. It is the expectation of the C.I.F., and the game officials, that the administration of the offending school will make sure that the band adheres to this standard. If the playing of music during game action continues, then the officials have the authority to penalize the offending team 15 yards for unsportsmanlike conduct, each and every time it happens.

GAME SUGGESTIONS

1. Remember, you are NOT a radio announcer and should not give a play-by play account of the game. This is an insult to the intelligence of the spectators. In a normal game you will be speaking about 25 percent of the time and be QUIET about 75 percent of the time. The crowd came to see the game, not to hear your opinions about it.

2. Give the down and distance before each play. Simply say, "Third and eight on the Homestead 42."

3. When the ball is snapped, do not say, "Jones has the ball and is going around left end." Again, you are insulting the intelligence of the spectators. Merely give his name – "Jones is the ball carrier."

4. When the play is over, give the name of the man, or men, who made the tackle, and set up the down and distance again.

5. After a long run, pass, or kick, give the total yardage, but make no comment. Such comments as "What a beautiful run" are in bad taste. The crowd can see that it was a good run and as a PA announcer you must be 100 percent impartial.

6. NEVER try to outguess the officials. If you think you see a foul, do not mention it. The chances are you will be wrong. If one of the officials throws a yellow foul marker, simply say, "There is a flag on the play." Then wait – do not try to explain the foul. When the referee gives his signal, interpret it to the crowd. Get a copy of the rulebook or a program, which has the signals. If it is an unusual play, the arrangements you made prior to the game will get this information to you to pass on to the spectators.

7. Never use the names of officials during the game. You should read their names prior to the game. Do not say, "The foul was called by Head Linesman Jones" or "Referee Smith is explaining the foul to the Captain Brown".

8. Never comment on the fouls that are called, or the work of the officials, whether you think it is good or bad. This is a good way to start a riot.

9. Never comment on the sportsmanship, or play, of either team, or either coach. This, too, is a good way to start a riot.

10. Never designate the player who committed a foul. You probably will be wrong anyway, and this type of announcement tends to make the game get out of hand.

11. If a player is injured, give his name. You are not a doctor, so do not try to diagnose his injuries. If you get a later report on the player's condition, give it with no comment. Never try to explain how a player was injured. This can be misconstrued by the crowd as an unsportsmanlike act on the part of an opponent and cause an unfortunate situation.

12. If the crowd starts to boo the visiting team, or the officials, to an extreme degree, say, "Ladies and Gentlemen, these people are our guests tonight, let's treat them as such."

13. A few minutes before the end of the game, preferably during a time out, thank the people for coming, announce convenient routes for leaving the stadium and remind them to drive carefully on the way home.

In summary, the public address announcer just covers the facts of the game, as impartially and objectively as possible. You should not give opinions of your own because the spectators are present and should be free to form their own opinions. A radio announcer gives his opinions because the listener is seeing the game through his description, but you are a public address announcer, and this is a totally different art.

Additional directions on accessing CIFSSHOME are included in this document.

TV/Web/Radio Rights: Any TV or streaming webcast (video or audio) or radio transmission of a CIF-SS playoff or championship event requires a contract and rights fees through the CIF-SS office prior to the contest. The only 'exceptions' are: Games broadcast via Fox Sports West, Fox Sports Prepzone or the NFHS Network.

'Official' Championship Souvenirs: The exclusive vendor for CIF Southern Section Championship souvenirs (t-shirts, scarfs, pins, beanies, hats, etc…) is our long-time partner *CIF T-shirts*. These are the official items sold each year per sport. You are likely familiar with their annual shirts at the finals. You can order team and individual items through them at **www.ciftshirts.com**.

Official Ball Required: Only the approved official ball in each ball sport may be played by either school during CIF-SS playoff contests. Violation of this rule will result in loss of your next home playoff game. The current Official Ball list for each sport is included and available at www.cifss.org in the "Resources" drop down. This policy has been in effect since 2002.

Gatorade Only: Only Gatorade jugs, cups, bottles, ice chests may be used or visible during any CIF-SS playoff contest. (No Powerade, Body Armor, etc). The only acceptable alternative is a plain-wrap or Igloo labeled products. This rule does not apply to the actual liquid distributed to athletes. This policy has been in effect since 1995.

CIF-SS on Souvenirs: The 'CIF Southern Section', 'CIF-SS', 'Southern Section' and 'CIF' marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners, by doing business with a CIF-SS licensed vendor. **Schools may only use the CIF Southern Section marks on apparel and other souvenir items exclusively through ciftshirts.com. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship Final.** A list of the currently licensed vendors for these products is included and regularly updated on www.cifss.org.

Please note: The use of only "CIF" is strictly prohibited per the State CIF registered trademark. The "CIF", is not just the CIF Southern Section. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

<u>Host Site Requirements:</u>

Playoff Tickets: (This pertains to revenue sports of basketball, football and volleyball): It is mandatory to sell tickets for admission to all CIF-SS playoffs and championship contests. Use of the CIF-SS provided tickets is desired, if possible logistically, for audit, cost and sponsorship reasons. A Ticket Board(s) is included. Refer to the Ticket Handlers and Financial Clerks memo included with your tickets for additional information.

CIF-SS/FORD Banner: It is a requirement of each host school (including off-site) that the CIF-SS/Ford Championships banner be displayed at every playoff home game in football and the gymnasium sports post football season (or on the electronic signage where schools/venues do not display banners).

Gatorade: It is a requirement of each school use only Gatorade product/jugs/cups/squeeze bottles during CIF-SS championship events. No other competitive product shall be used. Water can be placed in Gatorade merchandise.

PA Announcements: As host of a CIF-SS playoff contest, the CIF-SS announcements take precedence over the host school's messaging and must be read in entirety at each playoff contest. Home schools are the host of a CIF-SS event in the playoffs. For contractual requirements, please read all the provided PA's each contest.

Media Credential Access: Accredited working media should be given admission to all playoff games by showing their CIF-SS Press or Photo credential.
