

2014-2015 BADMINTON

SEASON PREVIEW

Again this year, special emphasis is to be placed upon our Code of Ethics. It is requested that school administration, coaches and athletes make a special effort to review our Code this year in an effort to re-dedicate ourselves to our founding principles.

CODE OF ETHICS

IT IS THE DUTY OF ALL CONCERNED WITH HIGH SCHOOL ATHLETICS:

1. To emphasize the proper ideals of sportsmanship, ethical conduct and fair play.
2. To eliminate all possibilities which tend to destroy the best values of the game.
3. To stress the values derived from playing the game fairly.
4. To show cordial courtesy to visiting teams and officials.
5. To establish a happy relationship between visitors and hosts.
6. To respect the integrity and judgment of sports officials.
7. To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.
8. To encourage leadership, use of initiative and good judgment by the players on a team.
9. To recognize that the purpose of athletics is to promote the physical, mental, moral, social and emotional well-being of the individual players.
10. To remember that an athletic contest is only a game - not a matter of life and death for player, coach, school, officials, fan, community, state or nation.

**GOOD SPORTSMANSHIP, ETHICS AND INTEGRITY!!!
"YOU MAKE THE DIFFERENCE!!!"**

SPECIAL BLUE BOOK RULES OF INTEREST

125.1 – COACH EJECTION – Upon the ejection of a coach from any CIF-SS contest, it is the responsibility of the principal of said school to file a letter of explanation with the CIF Southern Section Office which includes the circumstances surrounding the matter and what action the principal has taken to prevent a recurrence. Said correspondence is to be filed within THREE school days of notification of the ejection. Additionally, upon ejection, the head or assistant coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. A second ejection will constitute a two contest suspension and a third ejection will cause suspension for the remainder of the season.

125.2 -- FAILURE TO COMPLETE A CONTEST -- When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court or field, it is MANDATORY that the CIF-SS Office be notified by the Principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

QUESTION: How serious is such action?

ANSWER: It has been the position of the CIF-SS Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties.

1410. PLAYER CONDUCT RULE -- Any player who is ejected for any reason shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest.

Any player whose conduct merits ejection from a game by an official for fighting or assaultive behavior shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. After the suspension from play, the student may only return after certification by the school principal that the student(s) has completed a conference with a school administrator. The appropriate form indicating the completion of the conference must be filed with the Section office prior to rejoining the team.

Any player who leaves the confines of the bench or team area during a fight that has broken out or may break out will be ineligible for the team's next contest. After the suspension from play, the student may return only after certification by the school principal that the student(s) has completed a conference with a school administrator. The appropriate form indicating the completion of the conference must be filed with the Section office prior to rejoining the team.

In the case of any suspension from play, the next contest may not be a forfeited, postponed or canceled game.

A second ejection from a game or contest for fighting or assaultive behavior will cause suspension for the remainder of the season. A player who was ejected from the previous contest, who knowingly, or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of that contest.

E) OTHER POINTS OF INTEREST --

1) LEVEL OF COMPETITION -- No student shall participate in more than one level of competition in the same sport on the same day.

2) MAXIMUM ATHLETIC CONTESTS -- All interscholastic contests are to be arranged in such a way that no student shall take part in more than two athletic contests in any one day.

SPECIAL NOTICE

SUPERVISION OF ATHLETES

The Southern Section Office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs.

The situation relates mostly to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 309 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code Title V (By-Law 506.A) or Bylaw 506.B. (Additionally, refer to Rule 123.)
The supervisor must remain in attendance at all times.

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

A. Certificated personnel

B. Certified Coaches (certified credentialed coaches)

C. Non-certificated temporary coaches (certified walk-on coaches)

(It should be noted that schools representing the same DISTRICT may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its= member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS. This also applies to parents who are the student=s private coach but are not under contract to the member school.***

PLEASE NOTE, THIS RULE WAS REVIEWED BY BOTH THE STATE CIF OFFICE, IT=S GENERAL COUNSEL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 308, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

TEAM FORMAT

1. A team will be composed of the following: 2 girls' singles; 2 boys' singles; 2 girls' doubles teams; 2 boys' doubles teams; and 3 mixed doubles teams. Traditional scoring will be used. A player may only play in two events in any competition.
2. All singles players will be ranked 1-2; doubles teams 1-2; and mixed doubles 1-2 and 3. All players must be ranked before play begins and no substitutions or change in position will be allowed once one competition begins. Substitutions can only occur due to injury and in the first match played by the injured player. The substituted player must be a player on the team roster submitted that day. The injured (replaced) player may not return to the competition that day. A different player may replace the injured player in their second event so long as no player competes in more than 2 events and that the injury occurred only in the first match played in by the injured player. Otherwise no substitutions shall be allowed. If a player/pair cannot compete, the point is awarded to the other school.

SPECIAL NOTE: COMPLETE ROSTERS LISTING ALL PLAYERS IN THEIR POSITION ON THE TEAM WILL BE EXCHANGED BY COACHES PRIOR TO THE START OF ALL GAMES. ROSTERS MUST INCLUDE FIRST AND LAST NAMES AND GRADE LEVEL.

3. Round robin competition will be used for singles, doubles and the 1 and 2 in mixed doubles. Each singles player will play a two-out-of-three game match against all other singles players. Boys and Girls doubles, as well as Mixed number 1 and 2 will play the same format against doubles teams. In mixed the number 3 will play only one match.

4. One point is awarded for each match won. Total of 21 points.

POINT BREAKDOWN:

Mixed doubles 1 pt. each	5 points
Girls singles 1 pt. each	4 points
Boys singles 1 pt. each	4 points
Boys doubles 1 pt. each	4 points
Girls doubles 1 pt. each	4 points

TOTAL POINTS - 21

5. Order of play:

Round 1	Round 2	Round 3	Round 4	Round 5	Round 6
<u>Mixed Doubles</u>	<u>Singles</u>	<u>Doubles</u>	<u>Singles</u>	<u>Doubles</u>	<u>Mixed Doubles</u>
1 - 1	1 - 1	1 - 1	1 - 2	1 - 2	1 - 2 #3
2 - 2	2 - 2	2 - 2	2 - 1	2 - 1	2 - 1

SPECIAL NOTE: If court and opponents are available, next round play begins.

6. Players will receive a minimum of ten (10) minutes rest between matches.

SPORTSMANSHIP

THE INFLUENCE OF THE COACH

The coach is in a better position to have a positive influence on the youth of a community than any other member of the faculty. He/She has an obligation to develop a personality and character which are above reproach. The example set by the coach is of extreme importance. The character-building potential of athletics is closely related to the character of the coach.

Athletics furnish a setting for the demonstration of attitudes of players which are a direct reflection of the coach. It takes self-discipline on the part of the coach to always let reason, rather than emotions, guide conduct. To build the correct pattern for your athletes, give the following points your attention:

1. Watch your language. Obscenity and profanity have no place on the bench, in the dressing room, or, in fact, in your vocabulary. Additionally, racial or ethnic comments will never be condoned.
2. You can explain defeat, but do not alibi for it.
3. Do not gloat in victory; this is even more offensive than the alibi.
4. Do not challenge the decision of officials.
5. Do not lose your temper, because with it will go your poise.
6. Organize your work well in advance, make a work schedule and carry it out effectively.
7. Do not try to take unfair advantage of the rules.
8. Give opportunities to your players for leadership.
9. The coach's job is to develop the individual players and the team into a unit which can give a performance approaching their maximum ability as individuals and as a team. This must be done within the best meaning of the word **SPORTSMANSHIP**.
10. SPORTSMANSHIP - PRIORITY # 1

GOOD SPORTSMANSHIP, ETHICS AND INTEGRITY!!!

"YOU MAKE THE DIFFERENCE !!!"

SANCTIONED EVENTS IMPORTANT REMINDER

For those schools hosting sanctioned events, please review Rule 702. In particular, please be aware of the fact that all sanctioned events are to be administered by the sanctioning school and not outside groups. Management and control of all finances connected with the activity shall remain with the host high school, league or CIF Section. The interpretation is that all entry fees must be handled through student-body funds under the administration of the principal of that school.

In addition, please send a copy of all draw sheets to Steve Mekna, Long Beach Poly High School within one week following the event. Please include first and last names, school and score for all participants. This information will be used for seeding purposes in championship competition.

Badminton as a CIF SS Team Sport

Consider adding the CIF Sothern Section sport of Badminton for the following reasons.

A CO-ED team makes the sport half the cost when taking into account coaching, transportation and gym time compared to two separate teams and seasons for boys and girls!

No officials, so no added costs!

It is among the top 4 sports in the world and thus is a natural fit for schools of all ethnic populations!

With college teams and clubs on the rise throughout the country, your schools team members will have ample opportunity to continue competing after high school!
