## PRESIDENT'S MESSAGE

### HOT TOPICS

#### By Earl Haugen, President CIF-SS Executive Committee

Hot topics abound these days as I wind down my tenure as CIF Southern Section Council President.

Transfer eligibility, state bowl games, private school versus public school issues and the Association Rule have the whole section a buzz.

So, let's take these one-by-one:

#### NEW TRANSFER RULE

The new transfer rule seems to be an early success. Statistics presented at the California State Athletic Directors Association Convention this past April shows 94% of all 207A transfers have been approved. Why not 100% you ask? Grades and discipline problems account for the other 6%.

Also, 94% of all hardship transfers have been approved for either limited or full participation. There have been only 13 Rule 510 denials statewide to date.

Of the 60 appeals heard to this point, 42 of the various section commissioner's decisions have held-up (70%) with only 18 cases overturned (30%). Of those, one appeal went to court where the case dismissed by the presiding judge.

All sections are to be commended for an outstanding job so far.

#### CIF STATE BOWL GAMES

On the CIF State Bowl game front it was announced that the games would continue to be contested right here in our backyard at the Home Depot Center. Assistant Commissioner Rob Wigod and his staff do an outstanding job of serving in event management roles at the games and we can all be proud of that.

The State Office also announced that the games would expand from three to five with an "Open" division and a "Small Schools" division. This will provide additional and more competitive games to this exciting event.

#### PUBLIC VS. PRIVATE

What was expected to be the biggest issue at the April Council Meeting did not come about.

The Century League, which had proposed separate playoff divisions for public and private schools, decided to withdraw their proposal at the meeting.

The Century League is to be commended for doing so as their decision comes along with the agreement that the Commissioner of Athletics will get both sides to a table and discuss the problems that have brought us to this point.

It is my sincere hope that the problems public and privates have can be remedied and the Southern Section will continue to provide the best that high school athletics has to offer.

## CIF-SS COUNCIL MEETING MINUTES January 17, 2008

### 1. OPENING BUSINESS

B. Pledge of Allegiance - Shirley Frazier was recognized for her dedication to the Southern Section office and invited to lead the Pledge of Allegiance

D. Adopt Agenda - Moved, seconded and passed to adopt the agenda.

E. Approval of Minutes - Moved, seconded and passed to adopt the minutes.

### 3. ACTION SESSION

#### A. STATE FEDERATED COUNCIL

1. Proposal for CIF State Football Championship Bowl Games

The Moore League recognized and applauded Rob Wigod for his efforts in the championship football events. An inquiry was made into the financial support by the state for teams involved in the State Bowl events (players, cheerleaders, band, and tall flags). In addition what was the revenue in previous bowl events? Schools are concerned that with the financial burden they incur, being chosen for a bowl game isn't something a school may look forward to. The office reported the state revenue is down \$30k from the last year's bowl games. There is much money coming from TV revenue, however ticket sales were down.

Financial support from the state is given for 75 members of a team. It was also reported that the first few years of the pilot State Bowl was an exploratory effort by the State office in terms of financial potential. The Southern Section intends to review the state's financial support for the teams involved in order to encourage Southern Section teams' involvement. The income for the state bowl was approximated at a little over \$300,000.

The CIF-SS football advisory supports the

5-division move.

It was also asked if the 5-division format would be organized by enrollment. The "feature game" format was described as bringing the top two teams (regardless of division) together and determining the other four games by enrollment.

Location and organization of dates for this event have not been finalized.

It was moved and seconded to adopt the 5-division format with only 9 votes in opposition.

2. State CIF Constitution and Bylaws – Revisions to Bylaws – Article 23 and 34

It was moved and seconded to approve State Item 295. Motion carried with no opposition.

#### B. SOUTHERN SECTION

1. Proposal from Lacrosse Advisory Committee to extend season of sport to be presented by Jerry Chabola - An amendment was made to the lacrosse proposal for the first contest and scrimmage dates to align with baseball and softball. It was moved, seconded and approved to accept the amendment.

There will be a qualification process for the lacrosse event.

The lacrosse proposal was moved, seconded and approved with only 8 votes in opposition.

### 4. NON-ACTION SESSION

#### A. STATE FEDERATED COUNCIL

1. Clarification of CIF Bylaw 207.B(5)d

#### B. SOUTHERN SECTION

1. Proposal from Boys and Girls Basketball Advisory Committee to revise Bylaw 3200 and 3214

Over the course of 6 months a basketball ad hoc committee (within the basketball advisory committee) explored a "competitive equity" model

## MARKETING UPDATE

### MARKETING BRINGS MUCH NEEDED FINANCIAL RELIEF FOR SOUTHERN SECTION MEMBERS

As we approach the end of the 2007-08 academic year, budgets are being prepared (and sadly cut in many places) for the new athletic seasons. The CIF Southern Section operation continues to do as much as possible to keep our as much of 'your' student money on campus rather than paying increased dues. The Southern Section has not raised the per-student-fee since the mid-80's (unlike your utility, gas and insurance bills). This has been accomplished in large part by committing to our marketing and sponsorships programs.

For the 2007-08 school year, our sponsorship efforts alone will generate over \$600,000. That is a 275% increase from the 2000 school year when we were raising \$160,000. We have successfully done this without excessive intrusion to our schools and asking that you hang 'one' full time banner for our title partner.

What does this sponsorship income mean to your school? If we did not have sponsorships, the CIF-SS members schools would:

- face a potential \$1,025 per school fee increase, or
- face a potential 75¢ per student fee increase (approx. \$750 to a school of 1,000 students up to \$3,750 to our largest schools)

We greatly appreciate the support of those member schools that have posted those red banners the last seven years at all football games and in permanently in their gymnasiums. Our sponsors do see them on TV and in the papers. Likewise, it is your reading our PA's, prominently using orange Gatorade jugs and complied with the mandatory ball policy that have made our efforts 'to save you money' successful.

Through your school's support, we are able to keep as much of your ASB money as possible on campus for other much needed student

#### McDavid Renews as CIF-SS Partner

The 570 CIF Southern Section member schools will continue to have access the best in high performance protection products and apparel from our newest partner, McDavid. As a Supporting Partner, McDavid will provide our members with unprecedented access to its industry-leading line of products and apparel.

McDavid's HexPad technology delivers super lightweight and breathable protection to absorb and dissipate impact. The unprecedented combination of comfort and protection provided by McDavid HexPads is currently used by over 50 percent of the professional football and basketball teams.

McDavid products provide specialized protection for basketball, volleyball, baseball, softball and their full football pad line.

This new agreement provides the CIF-SS and McDavid with the opportunity to achieve the mutual goal of promoting safer competition and protection for the student-athletes.

You can learn more about McDavid at [www.mcdavidusa.com](http://www.mcdavidusa.com) and watch for additional materials coming soon identifying where you can acquire McDavid protective products for your athletes.

A CIF-Southern Section partner since 2006, we thank McDavid for extending their partnership through 2011 and encourage our member schools to protect your student-athletes by recommending McDavid protective products.

## COMMISSIONER'S CORNER

### Where Have All the Principals Gone?

**By James Staunton, Ed.D.  
Commissioner of Athletics**

This spring we saw several surprising votes at Southern Section Council. The Association Rule was abolished after 32 years in the Blue Book. A league also proposed, for the first time in our history, that Southern Section segregate private member schools from public schools for our championships. A sports advisory committee forwarded five proposals to Council for consideration.

Every year Southern Section Council entertains a variety of motions on the conduct of our rules as prescribed in our Blue Book. The focus and tenor of the discussions on those proposals has changed. Why? We are missing principals.

When I first came to Council as a league rep, there were 15 fewer leagues than now. Representing those leagues was a cadre of principals who had made their way through the ranks going from coach to athletic director to administrator. It was a familiar career path. That career path has changed. Our principals are more focused on curriculum and instruction than ever. Principals are busier than ever. They are accountable to School Boards for student growth and change. Their jobs are tied to student test scores. High school athletics is down their list of priorities.

This is a shame for sports management. The familiar refrain from the CIF office traditionally was, "we are a principal's organization." That can no longer be said. With the rise in the number of small schools, the preoccupation of our principals, the additional duties tied to the job we are now led by people in a variety of job descriptions. The backbone of the organization is the athletic director.

Is this a bad thing? No. Athletic Directors are passionate about high school sports are devoted to their schools and love athletics. They are much more aware of the nuances of playoff groupings, divisional placement, eligibility and sport specific rules.

But who will maintain the principal's perspective? Who will figure the financial implications in a proposal? Who will express the needs of the Superintendent?

See **COMMISSIONER** on page 5

## ELIGIBILITY WORKSHOPS PLANNED

The CIF Southern Section Office will be shipping fall packets to individual schools in an effort to facilitate the distribution of materials in a more timely manner. In light of this change, the fall workshops that have been conducted over the past several years, in conjunction with the distribution of packets, will have a different format. At your request, office staff will come out and conduct an in-service on eligibility, new rules and other pertinent topics. A minimum of 30 attendees will be required in order for a workshop to take place. We will also hold a special in-service for the Athletic Secretaries in your area, in conjunction with the workshop, if a guarantee that at least 20 secretaries/financial clerks will be involved. Please contact the persons listed below to reserve your place at a workshop in your area.

## PRESIDENT

(Continued from page 2)

### ASSOCIATION RULE

Or the lack of it now. In an historic vote the Council voted 41-37 to remove Bluebook Rule 313. In my more than 30 years of education and coaching I have only ever known the rule to exist. I know the same holds true for all of you.

This vote fundamentally changes the way we have been doing business for a long time in this section. The close vote indicates one undeniable truth... there is a good argument for both sides of this rule.

Arguments can be made that the rule gave kids and coaches a break so that they would not get burned out. There are also those who believe with the removal of this rule the multi-sport athlete is over. Some will insist that we are handing athletics over to the club programs with this decision and some coaches will be forced to increase their work load.

Others will tell you that the rule gives hiring freedoms back to schools. They will tell you that outside season coaches they open their gyms and fields to will now be employees and not parents. Arguments will be made that the limitations on salaries imposed by this rule will now be lifted. Inner-city coaches will tell you a level playing field will now exist for kids who could not afford clubs or private instruction.

All of these are good arguments and valid points and we know we will have at least one year to see just what side has the strongest case.

All of these changes present this organization with an exciting time in its history. It is my belief that, no matter what, this is the best high school sports organization in the country run by men and women with only the best interests of kids.

It has been my extreme pleasure to have been a part of it for more than a quarter century. Please continue to remember that what you do matters.

All the best to you and good luck in the future!

## COMMISSIONER

(Continued from page 3)

Without hearing from principals (from schools large and small) we miss significant help. Ten years ago, the Section Council consisted of 72 leagues. 38 principals, about 52% of the votes, represented those leagues. Today, we have 85 leagues and 5 at-large voting representatives. Of this total group, only 31 are active principals, or 34%: a significant decline in only ten years. Compare that to fifty years ago, when principals cast 95% of the votes! Our principals are vanishing. This trend is reflected state wide if my fellow commissioners are accurate in their assessments.

We recently asked Council for volunteers to serve on a Public/Private committee to explore the problems associated with combining the two groups in championship play. We planned on a committee of 16 people. We received three volunteers from the principal's level.

We are an active participative organization. We need the expertise and the participation of every level of school administration. Without thoughtful insight from principals, we cannot serve our students and deal with the interference of club sports, aggressive coaches and student "agents."

Getting our principals back will be tough. We now see a new breed of school administrator, responsible for a significant curricular agenda. We need Superintendents to cultivate those individuals willing to serve on Council and on our committees. CIF Southern Section has enjoyed great leadership. Active participation by school administrators is necessary to give balance and thoughtful consideration to our governance.

# MINUTES OF THE EXECUTIVE COMMITTEE MEETING

## January 19, 2008

This meeting of the CIF Southern Section Executive Committee was called to order at 8:35 a.m. by President Earl Haugen. All members were present with the exception of Chris Bowles, Wendy Doty, Jerry Halpin and Reggie Thompkins.

### 1. OPENING BUSINESS

E. Adopt Agenda – It was moved, seconded and approved to adopt the agenda and move New Business item 5C to the beginning of the meeting.

F. Approval of Minutes – Minutes of the December 4, 2007 Executive Committee Meeting – It was moved, second and approved.

### 2. PUBLIC HEARING SESSION

There were no members of the public in attendance; the agenda was posted.

### 5. NEW BUSINESS

C. CIF Southern Section 2008-09 Budget Draft – The 2008-09 budget draft was presented by Shirley Frazier. Thom Simmons discussed the LA84 awards (formerly known as All CIF Awards). Earl asked for Thom to make a presentation on these awards at the next Executive Committee meeting. Jim Staunton also asked the area representatives to contact the schools in their area who have not paid their dues.

The lacrosse proposal approved at the January 17, 2008 Council meeting was also discussed. Because of the amendment made at the meeting, many teams' first contest would not be in line with the proposal that was passed. Thom presented several options. After discussion, it was moved, seconded and approved to allow the Commissioner of Athletics to give special dispensation to the lacrosse teams and allow the first contest to be on February 25, 2008. This approval is for the 2007-08 school year only.

### 3. ACTION ITEMS

#### A. State Federated Council Action Items

1. Bylaw 206 Residential Eligibility – After discussion, it was moved, seconded and approved to support this proposal.

2. Bylaw 510 Undue Influence – After discussion, it was moved, seconded and approved to support this proposal.

#### 3. ACTION ITEMS Continued

#### A. State Federated Council Action Items

3. Bylaw 805 Any Gift or Total of Gifts - After discussion, it was moved, seconded and approved to support this proposal.

4. Bylaw 1200 CIF Approved Sports – After discussion, it was moved, seconded and approved to take no position on this proposal.

5. Bylaw 306 Independent Study/Home School Programs Revision – After discussion it was moved, seconded and approved to support this proposal.

6. State CIF Constitution and Bylaws Revisions to Article 23 and Article 34 – After discussion, it was moved, seconded and approved to support this proposal.

### 4. NON-ACTION ITEMS

#### A. State Federated Council Non-Action Items

The following item was discussed:

1. Clarification of Bylaw 207.B(5)d

#### B. Southern Section Non-Action Items

The following item was discussed:

1. Proposal from Boys and Girls Basketball Advisory Committee to revise Bylaw 3200 and Bylaw 3214.

### 5. NEW BUSINESS

A. 2007-08 CIF Federated Council Weighted Votes – Sr. Cheryl Milner discussed this item.

B. CIF State 2007-08 Budget Draft – Sr. Cheryl Milner discussed this item. It is the adjusted budget with year-to-date figures. Earl Haugen stated the state office has restructured. John Tarman has retired and Roger Blake is now an associate director. John Tarman's position, which has been filled, has been redesignated as a financial position.

C. This item was discussed in the beginning of the meeting.

D. 2008-10 Playoff Groupings Timeline – Review of Procedures – Jim Staunton asked all area representatives to talk with leagues in their areas to ensure the 2008-10 Playoff Groupings forms are returned to us on time.

E. Shadow Programs – These programs were discussed. It was recommended to add a Question and Answer section to the Blue Book giving guidelines to schools on conducting a shadow program. It was also recommended to add information about shadow programs into the newsletter the Commissioner mails out.

F. Formation of Veterans Committee – John Dahlem recommended the Section add four to five people per year into the Hall of Fame and make it a "true" Hall of Fame. There are many people deserving of recognition and asked all committee members to look for people from their areas qualified to receive this award. Jim Staunton would like to have a committee added to the Blue Book to address these awards.

### 6. REPORT SESSION

A. President's Report – Earl Haugen discussed the meeting with Mater Dei High School and special ticket prices. They have agreed to suspend this practice and send a letter to that affect. No penalty will be incurred. Earl also praised the office staff for their work during the fall playoffs.

B. Treasurer's Report – Bill Dabbs stated the audit was approved and we are in good financial shape. Membership dues are 97% received. T-shirt sales have also increased.

C. COMMISSIONER'S REPORT – Jim Staunton contacted Crespi High School about a report of possible undue influence and an incident during the state football championship game against Long Beach Poly High School. He will send a letter asking for a formal response. After discussions with Rob Wigod, a more formal statement will be added on sportsmanship criteria and suitability of teams representing the Southern Section at state competitions.

### D. MEMBER REPORTS

Susie Arce asked if any other districts purchased other coaches' training programs. Guy Roubian and Janet Berardi discussed their districts' programs. Susie attended the Oaks Christian/Nordhoff game and stated it was done very well.

Larry Satterfield went to the Eastern Conference championship game where Palm Desert played J. W. North.

Sue Kuwabara stated the Orange County Superintendent announced all schools will have to have a qualified audit.

Debi Weiss will be presenting Pursuing Victory with Honor at the Activities Director meeting.

Mark Rose said he would like to have a golf tournament in the northern area. Jim directed him to Tony Diaz, Oxnard Union High School District, about getting a tournament started.

Rob Wigod stated the April Executive Committee Meeting will be on April 16<sup>th</sup> at Angel Stadium in Hall of Fame meeting room. He also thanked all of the Executive Committee for their presentations during playoffs. He also commended Kristine Palle and Scott Raftery for their jobs as new assistant commissioners.

Thom Simmons congratulated John Dahlem for his work on the history of CIF.

Scott Raftery gave the number of ejections in boys and girls soccer. He also stated they are discussing the possibility of doing away with ties at the regional tournaments. He also stated he is very happy to be a part of the team.

Kristine Palle stated the boys Water Polo Masters did not do very well financially. For the girls, they plan to use four high school sites for the first day and she will send managers to each site to handle potential problems. The second day will be held at Woollett. She explained the reason for the increased expenses this year and will do what she can to reconcile the financial burden.

Jim Monico discussed his feelings about the teleconference and Earl stated they are considering using this format more often.

Ray Moore went to the Citrus Hill/San Jacinto game and enjoyed his role. The field was in great condition. He also asked the committee to review the senior citizen prices for playoff tickets.

There being no further business to come before the Executive Committee, the meeting adjourned at 1:50 p.m.

SUBMITTED BY:  
PATRICIA SCHMIDT  
EXECUTIVE SECRETARY

APPROVED BY:  
JAMES STAUNTON, Ed.D.  
COMMISSIONER OF ATHLETICS

## RULE REVIEW

### ASSOCIATION RULE

By Kristine Palle  
CIF-SS Assistant Commissioner

Now that the historical vote to reverse the association rule has been concluded and we now enter into a new chapter in CIF Southern Section athletics, I wanted to give you a little information on what this all means.

So, with the help of Rob Wigod and the other administrators we came up with some answers to some frequently asked questions. I hope this helps and, as always, should you need any additional help please feel free to call us.

#### Frequently Asked Questions

As I'm reaching my one year anniversary with the organization I've reflected on some of the most frequently asked questions by our membership. The depth of the CIF-SS Constitution and Bylaws seems endless with its many layers and stipulations. Don't be overwhelmed! The CIF-SS staff is more than happy to assist you in all your Blue Book interpretation needs.

#### What is a valid change of residence?

One would think "valid change of residence" speaks for itself; however there are some details that factor into a valid move determining eligibility. The most obvious caveats of a move includes the entire family unit's relocation (not just the student athlete and a parent). If a student athlete lives with mom, dad and a sibling, a valid change would include the relocation of all the family members who resided together when the student initially established their high school eligibility.

#### Misconception

The most common misconception we see regarding a valid change of residence are the cases when the receiving district allows for "open enrollment". If your district allows students to choose any school within the district he/she moved into be aware their eligibility is affected. Even though some districts allow for "school choice", a student-athlete's athletic eligibility rests with the high school whose attendance boundary he/she resides in. If high schools A, B, C, and D are all within the same school district and a student residentially belongs to high school A, that athlete is not varsity eligible at high schools B, C, and D.

#### Who does the association rule prevent me from coaching?

Most have a good grasp on the notion that a coach can not coach their own athletes in the off-season (summer not included). However, remember this is an "association rule", not a coaching rule. This rule applies to all students within your high school and isn't gender or sport specific.

## CIF-SS TEAMS CLAIM STATE BASKETBALL TITLES

-recaps written by Clay Kallam

#### DIVISION IV BOYS

##### CAMPBELL HALL (No. Hollywood) def. ST. MARY'S COLLEGE (Berkeley) 83-61

Freshman Austin McBroom had 30 points, seven assists as three steals as Campbell Hall of North Hollywood downed St. Mary's of Berkeley, 83-61, to win its third boys' Division IV state title in the past four years.

The Vikings (31-5) led by 31 points late in the third quarter, but St. Mary's (33-2) went on a 21-2 run to get within 12. McBroom countered with a three-pointer, and the Panthers never got any closer. Senior Jrue Holiday finished with 19 points, 11 rebounds and four assists for the winners, and Dallas Rutherford scored 20.

Chris Brew led St. Mary's (33-2) with 16 points, and Dominique Lee added 15 points and 15 rebounds, but the Panthers couldn't stay with high-flying Vikings. The score was tied at 13 in the entertaining, up-and-down game, but Campbell steadily extended the lead until St. Mary's made its late charge.

Southern California teams have now won 16 of 21 Division IV boys' championship games; Campbell Hall is undefeated in the state finals, winning in 2005, 2007 and now, 2008.

*Sportsmanship Award: Keegan Hornbuckle, Campbell Hall; Aalim Moor, St. Mary's*

#### DIVISION II GIRLS

##### ARCHBISHOP MITTY (San Jose) def. MIRA COSTA (Manhattan Beach) 59-49 OT

Lindsay Leo had 17 points as Archbishop Mitty of San Jose outlasted Mira Costa of Manhattan Beach 59-49 in overtime, and won the girls' Division II state championship for the second straight year.

Classye James had 10 for the Monarchs (22-11), including a clutch three-pointer as the shot clock was running down in overtime, and Hannah Stephens added 12.

Mikah Maly-Karros topped Mira Costa (28-7) with 20 points before fouling out. Megan Richardson had 15, plus 11 rebounds, for the Mustangs, who controlled the game for much of the first half.

Mitty trailed by 10 with 15 seconds to go in the second quarter, but went on a 22-4 run to take a 38-30 lead with 7:27 left in the game. Mira Costa battled back, even though both Maly-Karros and point guard Kylie Nakamine fouled out in the last four minutes. Richardson became the go-to player, and scored four points in the final minute to send Mira Costa into overtime for the fourth straight game. The Mustangs won all three Southern California playoffs in overtime and needed three extra periods to beat Ayala in the regional finals and advance to the state championship game for the first time.

The final dagger for Mira Costa, which has beaten Mitty for the state volleyball championship the last two seasons, was a banked-in 30-footer by Ariel Castillo as the shot clock expired in the final minute of overtime.

The Mustangs hurt themselves at the foul line, going just 13 of 23, and also got little from their bench.

Not only did the starters score all the points, they took every shot for Mira Costa.

The state championship was the fourth for Mitty in eight tries, and gives Northern California a 14-13 edge in girls' Division II title games.

*Sportsmanship Award: Keri Stephanoff, Mira Costa; Ashley Watson, Archbishop Mitty*

#### DIVISION II BOYS

##### MATER DEI (Santa Ana) def. ARCHBISHOP MITTY (San Jose) 65-53

Andy Brown scored 13 of his 18 points in the fourth quarter as Mater Dei of Santa Ana outlasted Archbishop Mitty of San Jose, 65-53, to win its second straight boys' Division II state championship.

David Wear added 14 for Mater Dei (35-1), which was ranked 13th in the nation and sixth in the state by Rivals.com, and Gary Franklin had 10.

Collin Chiverton scored 17 for Mitty (32-2), which was ranked sixth in the country and first in the state. Drew Gordon had 16 points and 12 rebounds for Mitty, and Eric Andoh scored 12.

Chiverton was one of three players who fouled out in a game that had no real rhythm due to 52 total fouls, 49 free throws, three technicals and one intentional foul.

Mater Dei jumped out to an 8-0 lead, and though Mitty managed to get within three a couple of times, a 6-0 run in the last 1:24 of the second quarter gave Mater Dei a 34-24 edge at halftime. Mitty shot just 25% from the field in the first two quarters but stayed in the game by making 12 of 13 from the foul line.

Mater Dei maintained that 10-point lead going into the fourth quarter, but Andoh caught fire, scoring seven points in the first 1:39 — and when Chiverton converted a steal into a spectacular reverse, no-backboard layup, Mitty pulled within two, 45-43, for the first time since the first minute. Gordon then followed his own miss to tie it, and the game see-sawed back and forth until the final minute, when Mater Dei took control.

This was Mater Dei's 11th trip to the state finals, and its seventh title. Mitty is 0-2. Southern California has a 19-7 advantage in boys' Division II championship games.

*Sportsmanship Award: Andy Brown, Mater Dei; Chris Weber, Archbishop Mitty*

#### DIVISION V BOYS

##### BRANSON (Ross) def. RENAISSANCE (La Canada) 40-33

Curtis Elijah scored 11 points, including the first five of the fourth quarter, to spark Branson of Ross past Renaissance of La Canada, 40-33, in the boys' Division V state title game.

Oliver McNally added 10 for the Bulls (32-3), who won their third straight California championship in coach Jonas Honick's final game after 26 years at Branson.

Josh Thomas topped the Wildcats (27-4) with 11 points and Tremaine Tatum had 10. Renaissance, a school with 105 students from kindergarten through 12th grade, was making its first appearance in a state title game.

Branson led by only three with 1:28 remaining the third quarter, but then held Renaissance without a basket for the next 7:03. Elijah opened the fourth quarter with a high-arching three-pointer that just beat the shot clock, and then added a layup with 6:12 left to put the Bulls up 36-26. Neither team could score for the next 3:47, and by then, it was too late for the Wildcats to make up the 10-point deficit.

The win gives Northern California an 12-9 edge in D V boys' championship games.

*Sportsmanship Award: Justin Cook, Renaissance; Kalome Akhile, Branson*

# MINUTES OF THE CIF-SS COUNCIL MEETING March 6, 2008

### A. STATE FEDERATED COUNCIL

There are no State Federated action items at this time.

### B. SOUTHERN SECTION

1. Proposal from Boys and Girls Basketball Advisory Committee to revise Bylaw 3200 and 3214 - It was moved and seconded to pass the proposal from the Basketball Advisory Committee to revise Bylaw 3200 and 3214. There were only 13 in opposition.

## 4. NON-ACTION SESSION

A. STATE FEDERATED COUNCIL - The state items were not discussed individually (in the interest of time). Council members were given an opportunity to ask questions or request clarification on any that weren't clear.

1. Bylaw 206 Residential Eligibility
2. Bylaw 510 Undue Influence
3. Bylaw 805 Any Gift or Total of Gifts
4. Bylaw 1200 CIF Approved Sports
5. Bylaw 306 Independent Study/Home School Programs
6. 2008-2009 CIF State Projected Budget
7. Championship, New Events Committee –
  - a. CIF SoCal Regional Boys Volleyball Championship
  - b. Trans-bay Competition
8. 2008-2010 CIF State President-Elect Nominees
9. 2008-2009 CIF State Executive Committee Nominees
10. Section Determination of Placement of Schools
11. Bylaw 207 Transfer Eligibility Revisions - (This document may be amended prior to April Council Meeting)
12. Bylaw 205.B.3 Grading Period Revision
13. Bylaw 209 International Students

### B. SOUTHERN SECTION

1. Proposal from Century League to revise Bylaw 3214 Number of Team Entries (excluding football and wrestling) into Playoffs to be presented by Greg Bowden - This proposal allows for a 4th or a 5th place team to be able to petition for an "at-large" playoff opportunity this giving more schools a playoff bid. It is thought that many leagues have extremely competitive 4th and 5th place teams who may be able to withstand the competitive equity within playoffs.

2. Proposal from Century League to revise Bylaws 3200.1 and 3200.2 All Playoffs Managed by Commissioner – Public-Private Playoff Separation to be presented by Jerry Halpin - This proposal requests the separation of public and private schools within the playoff structure. CIF-SS office put together some statistical data involving playoff wins and the split between public and private entities. Membership wise there is approximately a 60%-40% split (public to private). The Commissioners office will be

preparing more information for review. Some of the rationale for the proposal described inequities such as a private school's ability to give financial inducement, the private's nonexistent boundaries of attendance and state of the art facilities which are beyond the means of most public schools.

The Commissioner explained under the current state by-laws if litigation were to be brought against the CIF-SS, the state would not cover any legal fees.

3. Proposal from Golden League to revise Bylaw 3205 Commissioner Determines Playoff Sites – Formation of CIF Championship Site Committee to be presented by Eric Riegert - Representative to present was absent from council. Item tabled for next meeting.

4. Proposal from Marmonte League to revise Bylaw 1912 Length of Quarters – Freshmen Football - Request that the length of quarters for freshmen football be changed from 10 minutes to 12 minutes respectively. The executive committee has not reviewed this item so there is no position at this time.

5. Proposal from Girls Water Polo Advisory Committee - to revise Playoff Handbook Seeding Rule to be presented by Jason Rosenthal - This proposal requests that there be a straight 1-16 seeding for playoff bracketing in the sport of water polo thus eliminating the current system that keeps teams from the same leagues meeting until the semi-finals.

6. Proposal from Girls Water Polo Advisory Committee to eliminate Bylaw 313 Association Rule to be presented by Jason Rosenthal - This proposal requests elimination of the association rule. Justification includes leaving the coaching in the hands of the trained and certified educators. In addition, schools will be able to get more qualified coaches as personnel would not be limited to high school or club exclusively.

7. Proposal from Gold Coast Athletic Conference to revise Bylaw 3214.2 Number of Team Entries into Playoffs to be presented by Bryan Weaver - Implementation would allow a team with less than a .500 record to apply for playoff opportunities to fill byes. Many teams who schedule top teams in head to head play preseason may not have an impressive win loss record, but may be viable teams. Changing by-law 3214.2 to read "all sports" instead of the current practice which allows this in football only.

8. Southern Section Proposed Budget, 2008-2009 to be presented by Bill Dabbs - Line item of the budget including the financial outlook for 2008-2009.

9. Nominees for Executive Committee, 2008-2009 to be presented by Sr. Cheryl Milner - The nominees for next year's Executive Committee were recognized. No nominations were brought to the floor (opportunity was given).

10. Proposal from Girls Water Polo Advisory Committee to revise Bylaw 3203 and 3204 Playoffs and Home Team Advantage to be presented by Scott Hinman - This proposal allows for higher seeded teams to maintain home games throughout the playoffs. Planning

## OFFICIALS' WHISTLE

Playoff  
Time

By Bill Agopian  
CIF-SS Officials Liaison

Regardless of the sport, more is expected of the officials during playoff time. Coaches, players and fans expect the "best officials" or the "best crew" for their game.

As we look at Southern Section contests, we see games that are more visible-televised contests and games/matches played before standing room only crowds. These are games with a high level of pressure and accountability.

As much as it is in our interest to identify and utilize the skills of our best, top-rated officials, it is equally important to focus on those contest that are the majority of our activities- the games with a lower profile. Very few contests are televised. Far more prevalent is the game that is played in the mid-afternoon.

The challenge to making our games better officiated is to improve the quality of officiating at the lowest level of play. If we make the 3pm game on Thursday better we also positively impact the Friday night 7:30pm game!

As the skills of both players and officials are enhanced, games move to that higher level. In addition, the benefit of providing a more quality product is realized by players, coaches and spectators.

The challenges to officials groups remain one of recruitment, training and retention. The product of the officials' group efforts is what our schools receive as service to its students.

Teamwork is what makes a school program successful. Teamwork between officials groups and member schools help to deliver quality athletic contests to all players, coaches, fans and officials.

Proper training and development should not be limited to only the best officials- it should be a practice that impacts all officials at every level of play.

**COUNCIL - JAN. 17**

(Continued from page 2)

to evolve the way playoff grouping is conducted. The request is for a "pilot" program was proposed to organize the initial playoff groupings by enrollment (per individual school). Movement would then occur based on a four year history of playoff success earning each school points toward an upward or downward move to a more/less competitive division. The goal is to maintain about 49 schools per division. This proposal also eliminates the "12 win clause" unique to basketball. The committee believes this speaks to the individualism of each school and grouping them as such. It was reiterated that the committee unanimously supports the proposal.

The major concern seems to be a way to maintain balance (in regards to the number of teams per division) when continually there will be teams "moving up" to higher divisions after successful seasons. In addition there were inquiries into what would happen to the schools that may make the playoffs from year to year however do not advance in the playoffs? What happens to those teams in the middle? A comment was made regarding playoff consideration. If you are continuously a 5<sup>th</sup> or 6<sup>th</sup> place team in a league, moving down a half division for playoff groupings may not alleviate the competitive equity concern within a division because a 5<sup>th</sup> or 6<sup>th</sup> place team wouldn't qualify for playoffs so their competitive equity placement would be erroneous. Another potential concern was that a school could only move a total of two divisions higher then go back to their original enrollment position once the four year cycle repeats itself.

A. This space intentionally left blank.

B. 2007-08 CIF Federated Council Weighted Votes - Sr. Cheryl Milner - Federated Council weighted votes were looked. It was asked what the formula is for determining the number or weighted votes any certain section can secure. It was determined there is no formula. There is however the premise that no one section could carry enough votes to control the Federated Council.

**STATE BASKETBALL**

(Continued from page 6)

**DIVISION III GIRLS**

**SACRED HEART CATHEDRAL (San Francisco) def. MAGNOLIA (Anah.) 48-33**  
Kamilah Jackson scored 17 points and grabbed 17 rebounds as the No. 1 team in the nation, Sacred Heart Cathedral of San Francisco, won its third straight girls' Division III state championship by defeating Magnolia of Anaheim, 48-33.

Jasmine Jackson, Kamilah's sister, had 13 points for the Irish (33-0), as did Tierra Rogers. The Irish finished the year with a 56-game winning streak.

Brianna Colon led Magnolia (27-7) with 11 points, as the Sentinels battled the nation's top-ranked team on even terms through most of the game. After falling behind 5-0, Magnolia took its only lead of the game at 15-13, and was within four going into the fourth quarter.

But Kamilah Jackson, playing with four fouls, had four points in the first minute of the final quarter, and the Irish pulled away from there.

Kamilah Jackson's 17 rebounds tied a girls' Division III state finals record.

The physical, defense-first game was heavy on fouls and free throws. Four Magnolia starters fouled out, and Sacred Heart Cathedral converted 24 of 34 free throws.

No other Northern California team has finished the season number one in the nation.

*Sportsmanship Award: Latrice Henderson, Magnolia; Jazmine Jackson, Sacred Heart Cathedral*

**DIVISION III BOYS**

**SANTA MARGARITA (Rancho Santa Margarita) def. SACRAMENTO 72-55**

Klay Thompson tied a California state finals record with 37 points, and set another with seven three-pointers, as Santa Margarita of Rancho Santa Margarita beat Sacramento 72-55 to win the boys' Division III state championship.

Thompson tied the Division III record for most points with 37, though Tracy Murray holds the overall record with 64 for Glendora (Division II) in 1989. The seven three-pointers, however, is the most by any player, male or female, in any division in a state championship game.

Thompson was seven of 11 from beyond the arc and 14 of 22 overall en route to his 37 points for the Eagles (30-5). Zack Zaragoza had 13.

Chase Tapley also had a spectacular game, scoring 35 points for the Dragons (30-4). At one point, Tapley had 32 of his team's 42 points, and single-handedly kept Sacramento in the game. He was 14 of 30 from the floor, and added nine rebounds.

The Eagles, though, led tip to horn, and though the Dragons made several spirited runs, they were never able to get within 10.

The win gives Southern California a 14-12 advantage in Division III boys' championship games.

*Sportsmanship Award: Jason Pancoe, Santa Margarita; Travon Abraham, Sacramento*

**DIVISION I GIRLS**

**POLY (Long Beach) def. BERKELEY 55-31**

Jasmine Dixon scored 17 points to lead Long Beach Poly to its third straight Division I girls' basketball championship as the Jackrabbits downed Berkeley, 55-31.

April Cook added 12 for Poly (30-2), ranked second in the country by Sports Illustrated, and Thaddesia Southall had 10. Both Cook and Southall are sophomores, and Dixon was the only senior starter for Poly.

Camila Rosen led Berkeley (30-4) with 15 points, but the Yellowjackets were stymied by Poly's harassing defense.

Berkeley stayed with Poly for the first five minutes, but a 22-3 run blew the game open. With a 35-17 lead heading into the third quarter, the Jackrabbits came out flat, and didn't score for the first 4:58 — but the Yellowjackets had managed only five points during that span. Then Poly finished the quarter with a rush and led by 21 heading into the final period.

Poly's girls were the only ones from Southern California to win a 2008 state championship, and Northern California schools have a 65-56 overall edge in girls' titles, even though Southern California teams have won 18 of the 26 Division I championships.

*Sportsmanship Award: Brittany Wilson, Long Beach Poly; Camila Rosen, Berkeley*

**DIVISION I BOYS**

**McClymonds (Oakland) def. DOMINGUEZ (Compton) 73-54**

William Cherry had 19 points, eight assists and four steals to lead McClymonds of Oakland past Dominguez of Compton, 73-54, and win the boys' Division I state championship.

Damon Powell scored 18 points for the Warriors (32-0), who were ranked 19th in the nation by Rivals.com prior to the game, and Damaris Sims had 16. Powell punctuated his scoring with several thunderous dunks, and both Sims and Cherry completed more than one acrobatic attack on the basket.

Jordan Hamilton led Dominguez (32-3) with 20 points, including two NBA-distance three-pointers, but the Dons shot just 32 percent from the field, and allowed Mack to hit 47 percent of its attempts.

The game was the last one for McClymonds coach Dwight Nathaniel, and also was redemption for the Warriors, who scored just 29 points in the state final a year ago. They matched that total in the second quarter, in the midst of a 10-0 run that put the Oakland school ahead for good.

Mack extended the lead to eight at the start of the third quarter, and then used an 8-0 run at the beginning of the fourth period to build a 57-43 cushion. The Warriors then pulled away down the stretch to win their first state championship.

Counting all boys' state championships, Southern California has a 28-11 edge over Northern California; tracking just the modern version, the margin is 21-7.

## RULE REVIEW

(Continued from page 6)

### Misconception

The most frequent violation is that where a coach of a boys' sports will coach and one or all of the girls' players of that same sport in the off season. For example, the boys' high school soccer coach is affiliated with a club where he coaches high school aged girls from the same high school. Remember, no member of your athletic staff may have off season contact (association) with any athletes that have remaining eligibility at your high school. The football coach can not take the girls'

soccer team to an exhibition match in April as this is considered association.

### When can I take my dead period?

A school's dead period is considered 21 consecutive days off any time between your last day of school or June 13<sup>th</sup> (which ever is sooner) and August 24. Each school reports their dead period (per sport at all levels) to our office by sending in the survey school's received from our office in the fall packet. If you need this form you can download it on our web site. Under the forms link the title is "Declaration of Summer Dead Period 2008".

### Misconception

Many think a dead period must occur at either the beginning of the end of summer. As long as your 21 days are consecutive, it can fall anywhere within the designated dates including the middle of summer. In addition, the dead period can vary by sport.

If you need clarification on these common misnomers or any other information, please contact the CIF office as our staff is always available for our membership.

## COUNCIL JAN. 17 (Continued from page 9)

### 6. REPORT SESSION

A. President's Report - Earl Haugen - Congratulated CIF-SS as well as State Championships in all sports. The financial health of the section is stable. Revenue is down for some sports and up for others. The Commissioner and Assistant Commissioners were commended for the work they do. Schools were commended for their efforts in encouraging and completing the coaches' education training and their pursuit of "Victory with Honor".

B. Commissioner's Report - Jim Staunton -

Staff was commended on the successful completion of fall sports and the work going into the championships. The issue of "sportsmanship" was brought to light as schools represent the section at Championship events. "Sportsmanship" will be added to criteria for the selection process of advancement to regional and state championship events. Pat Schmidt and Shirley Frazier were recognized for their hard work, efficiency and organization in the office. Tony Diaz was recognized for his work in the "Champions for Character" banner that will now hang in the CIF-SS office.

C. Treasurer's Report - William Dabbs - Successful audit, CIF-SS was recognized as a

financially sound organization. 97% of schools have paid dues. Financial reports for all the fall sport championships had not been completed to date as the CIF-SS is still waiting on reports from a few schools in volleyball and football. More information will be available at a later date once those reports are completed.

# WINNERS OF THE 2007-08 CIF SOUTHERN SECTION ACADEMIC AWARDS

The winners of the annual CIF Southern Section Academic Awards program were announced at CIF-SS headquarters on April 14.

The team awards, based on a cumulative grade point average, are awarded in 22 sports. To be considered, teams must have a minimum 3.0 GPA average (4.0 scale) in college-prep courses in the first semester of the 2007-08 school year. The highest team GPA in each sport determines the winner. Schools are divided into two enrollment categories, 1500 and above and 1499 and below. The team with the highest GPA in each enrollment category for each sport receives the award.

The first place teams receive a banner to commemorate their achievement. All teams who participate receive Academic Award certificates for their student athletes.

Each CIF-SS member school is entitled to name a male and a female "Student-Athlete-of-the-Year" as well. Recipients of the individual awards must be seniors that have maintained a minimum of a 3.5 GPA (4.0 scale) in college-prep courses over the past three years, in addition to earning a letter in at least one varsity sport and participating in extracurricular activities ( music, drama, service groups, etc.).

See **ACADEMIC AWARDS** page 19.

## COUNCIL MARCH

(Continued from page 7)

in term of officials, transportation, etc. would be facilitated as well as the well performing teams getting rewarded for their success.

### 5. REPORT SESSION

A. President's Report - Earl Haugen - Attention was called to the "Champions for Character" nominations with the deadline being extended until May 15th.

B. Commissioner's Report - Jim Staunton - The Commissioner reiterated the need for "Champions for Character" nominations and encouraged the support of the "Champions for Character" golf tournament. Council was informed there were 6 student-athletes declared ineligible this far for "following a coach" and encouraged membership to understand the bylaws relating to such. Attention was brought to the outrageous number of soccer ejections (with gross misconduct and straight red cards being the majority). The office will be looking into some varying penalty phases that will be brought to the council for review.

C. Treasurer's Report - William Dabbs - Fall financials are complete. There are a small number of schools who haven't paid their dues. Winter financials are still being compiled with more information coming at the next meeting.

### TEMECULA VALLEY FINISHES 10th AT STATE WRESTLING

Clovis High School of Clovis (CS) racked-up 118.5 points on the way to claiming their state best eighth team title in school history. Gilroy of the Central Coast Section took second with 113.0. Temecula Valley finished 10th in this years tournament as the highest ranking team from the Southern Section. It was the Golden Bears fifth-consecutive Top-20 finish in the state tournament. The Southern Section had one individual champion. Vinny Pisani from El Modena High School claimed the title in the 135-pound. Southern Section schools also had 30 other wrestlers place in the Top-8 at 13 different weights. This was the fourth year the tournament was held at Bakersfield's Rabobank Arena after being held at The Spanos Center on the campus of the University of the Pacific since 1988 (15 years).
