PRESIDENT'S MESSAGE

School
&
Athletic
Administrators

By Sr. Cheryl Milner, President
CIF-SS Executive Committee

FOR SCHOOL SITE ADMINISTRATORS: In my limited experience, December and January are difficult months. It seems that something about winter creeps into our consciousness. It is a dark, dull and difficult time of year.

New Year's resolutions bring new hope. With the highs and lows of the previous months, January brings new hope and new possibilities. As leaders of schools, we remind ourselves that we set the tone that creates the "message" within our schools. My New Year's resolution is to keep the BIG picture in focus. Regarding athletic programs, we set the tone by working with our Athletic Directors. Let's keep the CIF-SS motto in mind: "Academics-Integrity-Academics". The challenge is to keep all three components in balance.

As Principal, you are extremely important! Your voice matters! Set the tone through your athletic administrators and challenge them to communicate the appropriate priorities to the coaches.

FOR SITE ATHLETIC ADMINISTRATORS: You are very important! You are also more likely to read this column and this bulletin than anyone else at your school. That is hopeful!

Having finished the fall season you are now halfway through the winter season. There have been successes and disappointments. There have been coaches that exceeded your hopes and there are coaches that were enormous disappointments. You are a key factor in creating the tone for every aspect within the athletic program within your school community.

Every season of sport is unique. As the administrator responsible for the athletic program within your school, I ask that you

CIF-SS COUNCIL MEETING MINUTES October 22, 2009

1. OPENING BUSINESS

A. Call to order by Sr. Cheryl Milner, President of the Council

B. Pledge of Allegiance

C. Roll Call

D. Adopt Agenda – Action - It was moved, seconded and approved to adopt the agenda.

E. Approval of Minutes

1. Council – Minutes of the April 21, 2009 Meeting – Action - It was moved, seconded and approved to accept the council minutes from April's meeting.

F. Special Award Presentation to Camp Manzanar presented by Dr. John Dahlem, CIF Southern Section Historian

G. Special Presentations – Sr. Cheryl Milner introduced presenters and recipients of the Distinguished Service and Hall of Fame Awards.

2. PUBLIC HEARING SESSIONS

A. Recognition of anyone wishing to address the Council. Speakers must limit their remarks to three minutes. - John Palarz (Calabasas High School Basketball Coach) and Lori Solon (parent from Calabasas High School) addressed the council. Calabasas would like to stay in the Miramonte League as travel constraints, minutes missed from school which will impact academics, and limits on league play (as other school's don't have lower levels) were all concerns for Calabasas.

3. ACTION SESSION

A. STATE FEDERATED COUNCIL

1. Master Plan for the Addition of State and Regional Championships – Action/Executive Committee Supports - Moore League went on record as not supporting State and Regional Championships until the state financially supports the expense in taking teams to these events. It was moved and seconded to support STATE351. The motion was passed 47 to 24.

2. ~~Bylaw 600, Competition on an Outside Team Revision – Action – Item pulled by CIF State office.~~

3. Bylaw 32, Allied Organization Membership Revision - Action/Executive Committee Supports - It was moved, seconded and passed to support STATE354.

4. ~~Bylaw 310, Contact Time Limitations (Proposed New Bylaw) – Action – Item pulled by CIF State office.~~

5. Bylaw 3101, Wrestling 40-Match Rule Revision - Action/Executive Committee Supports - It was moved, seconded and passed to support STATE355.

6. Request for CIF to "Pilot" a Three-Year Study to allow use of the A-11 Offense - Action/Executive Committee Does Not Support - It was moved, seconded and passed to NOT support STATE358.

7. NFHS Sanctioning Policy Change – Action - It was moved, seconded and passed to support STATE370.

B. SOUTHERN SECTION

1. Proposal from Badminton Advisory

SOUTHERN SECTION MARKETING UPDATE

ACADEMIC AWARD ENTRIES DUE MARCH 10

The annual CIF Southern Section-TOYOTA Academic Awards are fast approaching. Any team with a 3.0 GPA is eligible to enter. The 56 winners (23 sports divided by 1501+ and 1500-) will be honored prior to the Angels baseball game on April 27th. Last year more than 1,400 entries were received.

If you need to find the entry forms on the CIFSS web site, go to the AWARDS drop down at www.cifss.org

ANNUAL BALL SURVEY UNDER WAY

One last reminder that the annual Ball Survey is underway and past due. This is critical information as we work with our ball vendors and evaluate the success of our required ball program. These surveys also can trigger rights fee bonus payments if necessary percentages are reached.

Should you need a copy of the survey form, please contact Greta in the CIFSS office and she can email one right away.

CIF-SS WEB SITE A FIRST YEAR SUCCESS

One year after re-launching our Southern Section web page, www.cifss.org, the results indicate the new design has been a huge success. Visits are up: 2,200,000 page visits (up 100%) by 370,000 unique visitors (up 67%).

From a design perspective, we have actually improved the ease of using the site. By switching to a drop down menu design, the average number of pages per visit is down by 82%. This indicates that visitors can find the information they desire much quicker and without having to search the entire site.

On Football Pairings Day, the web site included a live web feed of all the brackets with interviews with coaches and press comments. Over 2,000 unique viewers tuned in during the web cast.

Another improvement is the IN THE PRESS section that now automatically displays all the daily newspaper high school sports stories from the twelve different Southern Section newspapers. This is part of the Section's continuing effort to make www.cifss.org the first stop for information about high school sports in Southern California.

- **DROP DOWNS** now enable our schools users and the general public fans to find all the information they seek directly from the front page. No more split admin and fan sites nor should you have to click more than twice to reach any information.

- **SOUTHERN SECTION NEWS** lists all the updated information coming from the Southern Section.

- **IN THE PRESS** is your source for 'all' newspaper coverage of HS sports throughout the section. Still a slight work in progress as we add more newspapers, our goal is to provide you a web site where you can find all the HS news from the LA Times and OC Register to the San Luis Obispo Tribune and San Bernardino Sun. This feature 'auto fills' as stories are posted so check every day!

- **BOTTOM QUICK LINKS** will also directly take you to all the CIF-SS forms, sport previews and bulletins, as well as the Gatorade Sports Science Library and the on-going archive of past Southern Section News.

INTERNET EXPLORER 7: If you are having trouble with some features then be sure you have updated your Internet Explorer browser to 7.0.

While change does require a brief adaptation period, we are confident you will find the new site much easier and more informative.

COMMISSIONER'S CORNER

Our
Corporate
Connection

**By James Staunton, Ed.D.
Commissioner of Athletics**

CIF Southern Section enjoys a very lucrative relationship with a number of our corporate partners. Every year, the Section receives income from these partners to support the office and reduce school contributions through dues and fees. However, the issue of whether our Section member schools support these corporate partners remains a concern.

Few people realize that the relationship between the Section and business entities stretches back to 1915! Back then the F.B. Silverwood Clothing Company sponsored the 1915 CIFSS Track and Field meet. Their logo can be found on the program cover (those remaining few). Periodically, company logos appeared in championship programs and in the Rule Book. From 1949 to 1959 the Helms Bakery provided office space for the Section at no charge.

In 1979, the CIFSS Bulletin (this very publication) contained a long article discouraging corporate ties because it smacked of professionalism. In 1981, however, the Section signed its first corporate sponsorship with Dr. Pepper for the sum of \$30,000. In the 29 years since, corporate support has grown to \$600,000 per year. During the last 9 years Toyota, our title sponsor has contributed nearly 1,650,000 to our Support budget category. This, as they say, is serious money. The Section is especially proud that the ratio of money spent on corporate support to the dollars earned is very low. Our auditors are especially impressed with that accomplishment.

What do our schools get for that support money? Relief. We have made the point in our programs to educate parents on the proportion of money the office receives from our schools relative to the amount we receive from gate receipts and corporate support. In any given year, our schools account for only 11% of our income; the rest comes from the conduct of our championships and our sponsors. If it
See **COMMISSIONER** on page 15.

RULE REVIEW

Student
Council

By Kristine Palle
CIF-SS Assistant Commissioner

This year the CIF-SS has started a Student Council. Inspired by many current state associations, its inception took place at the inaugural meeting on October 12, 2009 in conjunction with the Athletic Administrators Committee. Schools such as San Dimas, San Marcos, Poly Pasadena and St. John Bosco sent representatives to come together to dialog about high school sports from the perspective of the student athlete.

When asked about CIF, student-athletes were surprised to learn it's an organization. There's a feeling from youth that CIF is a place you go, an event, at the end of the season. If your team is really strong, you may make it there. Students were exposed to the idea of "the organization" and what it is that CIF does for them. They were surprised to hear it is a Principal's organization that does everything from regulating conduct and rule adherence to organizing the playoffs.

The most impactful activity thus far was the discussion on the value of high school sports. Each and every student-athlete involved described a unique way that their involvement in athletics has and continues to affect their lives. Here are a few:

- Athletics is an opportunity for all high school kids, not just the elite.
- Athletics inspires your passion to represent your school.
- Athletics keeps many kids academically focused and motivated.
- Athletics keeps kids busy and out of trouble. After school there isn't time or energy for much else.
- Athletics are where students meet lifelong friends.
- Athletics can be a stepping stone for some to attend college whereas for others it may be their last chance to play sports; both very meaningful.

See **RULE REVIEW** page 15.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING - August 20, 2009

This meeting of the CIF Southern Section Executive Committee was called to order at 1:00 p.m. by President Sr. Cheryl Milner. All members were present with the exception of Susie Arce, Barrett Luketic, Carter Paysinger, Larry Satterfield and Reggie Thompkins.

1. OPENING BUSINESS

E. Adopt Agenda – It was moved, seconded and approved.

F. Approval of Minutes – It was moved and seconded to approve the minutes of the May 20, 2009 Executive Committee meeting. The motion was passed.

G. Communications to the Executive Committee – There was a special thank you and congratulations to Dr. Gary Smidderks for his 23 years of service on the CIF Southern Section Executive Committee.

2. **PUBLIC HEARING SESSION** – There were no outside parties wishing to speak at the meeting.

5. NEW BUSINESS

A. Request from Glendora High School regarding Re-Leaguings – Kelly Bruce, Principal, and Mike Le Duc, Assistant Principal, spoke to the committee about the re-leaguings appeals going before Council in October. Mr. Bruce stated his school wishes to go back to where they were originally placed.

Proposition A would include them in the new Baseline League. He wants the proposal to go back to the original formula with modifications. There was no vote at the Executive Committee meeting regarding this appeal. It will go to Council in October.

B. Round Table discussion of Re-leaguings and Area Placement – After discussing the concerns about Area Placement and Re-leaguings, it was determined to discuss the following at the Executive Committee meeting on September 30, 2009:

1. Criteria for Area Placement – Requests out of the area

2. Language on #3 Appeals Procedure at Council

Sr. Cheryl also recommended the Commissioner and staff bring ideas of revamping Area Placement to the next meeting.

6. CLOSED SESSION (2:35 p.m. – 3:20 p.m.)

A. Review Employee Handbook Recommendations – It was voted to approve the changes in the CIF Southern Section Employee Handbook. There was also discussion on the Commissioner's goals and the evaluation of the past year's goals.

7. REPORT SESSION

A. President's Report – Sr. Cheryl Milner attended the NFHS Summer Meeting that was held in Chicago. The session on cardiac arrest was very interesting. The high point for her was the Hall of Fame dinner.

B. Treasurer's Report – Jim Monico read the treasurer's report and the end of year report. The end of the year report will be discussed further at the September 30th meeting.

C. Commissioner's Report – The NFHS Summer meeting was very valuable. We are committed to communicate with our schools better through Twitter and Facebook and by going live on our web site. The Student Forum is an idea he learned at Section meetings. He sent a brief message to JSerra regarding their

media release and received a very strong and immediate reaction from their president. They responded a second time and explained the situation and asked to have it resolved amicably. Dr. Staunton responded stating this media release should not have been released; it should have been vetted prior to release.

D. Executive Committee Member Reports
Steve Miller stated there are rumblings in the parochial areas about more parents are making choices to leave private schools.

Wendy Doty still sees inappropriate behavior from coaches. Her district continues to work with coaches for improvement in behavior.

Rainer Wulf also enjoyed the NFHS meeting; it was a very professional event and he encourages everyone to attend.

Rob Wigod thanked everyone for the fall workshops. They reached approximately 130 – 150 athletic directors. This was the best attendance so far. There is an additional workshop scheduled in the Southern Section office on August 26th. There will also be two new administrator workshops on September 17 and September 23 at 8:30 a.m. Contact Susan Miller to sign up.

Scott Raftery stated eleven appeal hearings have been scheduled in our office as of today. Many hardships seen this year are related to financial issues.

Mark Rose stated it will be an interesting year with budgets. Many athletic directors have lost secretaries and sports. It will be challenging this year.

Jerry Halpin discussed a transfer eligibility issue he had at his school with a student who lived in Yorba Linda and attended Brea Olinda where he was not eligible. However, he would have been eligible at a private school. He also asked if Rule 205 is a State bylaw or a Southern Section rule. With budgets as they are, is there another way to allow eligibility. Suggestions were probation as an incoming freshman. It is a district issue involving the number of probations a student may have. He also asked how the relegating voting will take place at the October Council meeting. Dr. Staunton replied he and staff will prepare the ballots. They will call by area and vote for their area only. If the first proposal fails to receive a majority of votes, they will vote on the other proposals. This procedure will be put on our web site.

Ray Moore thanked Kristine Palle, Rob Wigod and Sharon Hodge for coming to his area. He also stated his area has had a large turnover in athletic directors and next year's budget is very dire and there may be changes next year because of it.

Sue Kuwabara attended a conference where they are looking to force a constitutional convention to talk about gerrymandering and term limits. The next meeting of her task force is September 16, 2009. All of the state Commissioners will attend. Ray Johnson set an email to everyone and received a lot of feedback regarding CIF equity, CIF organization and communication unity and focus of the CIF mission.

Bill Dabbs attended two very good sessions at the NFHS meeting. One was on the cardiac See **MINUTES AUGUST** page 14.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING - September 30, 2009

This meeting of the CIF Southern Section Executive Committee was called to order at 1:00 p.m. by President Sr. Cheryl Milner. All members were present with the exception of Janet Berardi, Wendy Doty, Larry Satterfield and Gary Smidderks.

1. OPENING BUSINESS

E. Adopt Agenda – It was moved, seconded and approved.

F. Approval of Minutes – It was moved and seconded to approve the minutes of the August 20, 2009 Executive Committee meeting. The motion was passed.

2. **PUBLIC HEARING SESSION** – There were no outside parties wishing to speak at the meeting.

5. NEW BUSINESS

A. Request for Appeal of Sanction by JSerra High School – Jim Staunton stated there was an electronic blog in the Orange County Register inviting athletes to JSerra. The principal accepted the decision to sanction any water polo athlete until the Executive Committee meeting of today. Unfortunately, Mr. Talarico's wife had a medical emergency and he was unable to appear before the committee. They will appeal the sanction at the next Executive Committee.

B. Recommendations for Re-Leaueing Procedures at October Council – Jim Staunton stated all ballots will be taken by area. The original proposal will be voted on. If there is not a consensus, they will then vote on the additional proposals. If there is still no consensus, appeals will be accepted and the criteria addressed. A motion will be accepted to hear the appeal by the league. If the motion is accepted, it will be discussed. If the appeal is approved, it becomes the area's final re-leaueing. In the case of multiple appeals, Sr. Cheryl will ask all to speak. She will then ask for a motion to approve an appeal as stated by the maker of the motion. If the original proposal from the area is not approved, then a paper ballot will be used to vote on additional appeals. If none of the alternate proposals reach a majority or a tie, the proposal will be sent back to the area for reconsideration. A majority means a majority of the available votes in the area.

The January meeting of the Executive Committee will discuss re-leaueing procedures for the futures.

Glendora High School brought a concern to Jim. Guy Roubian met with them but neither of the appeals being presented are their appeals. Glendora would like a third proposal for the Mt. SAC area which would be on Proposal A and would move them from the Baseline League to the Sierra League.

C. Membership Request – Providence Hall – After discussion, it was moved, seconded and approved for membership in the 2010-2011 school year, in the Small Schools Area as a freelance school with a full unrestricted membership.

D. Governance Committee – Sue Kuwabara attended another meeting for this task force on September 16th. They brought in their lobbyist and attorney to talk about the appeals and the cost of them. There were reports from all of the Commissioners. The task force members were divided into committees and she will be on the Section Configuration/

Association vs. Federation Committee.

Another discussion centered around how the press relays only bad news about CIF rather than good news. They will meet again on November 3 in Ontario after the State Federated Council meeting.

Jim Staunton also attended the meeting to talk about our Section. The sub-committees being formed are improved communication, size and configuration and rule consistency.

Sr. Cheryl would like the minutes of the Governance Committee added in our Executive Committee Meeting packets.

E. Review of Transfer Cases and Decisions – Scott Raftery reviewed the sample cases. He stated there are many fifth year requests and financial transfers; 80% are financial and 15% are fifth year.

Jim Staunton stated last year, we did well with the hearings but this year has shown an abrupt change. He asked if there was a change in the feeling of athletic directors at the schools. He also needed to know if this issue needs to be brought to the membership.

Earl Haugen recommended we ask the State office to find out why they are being denied but he also stated that Blue Book rules and procedures need to be followed. Bill Dabbs stated we need to be aware of the rules and follow the Blue Book. Sue Kuwabara stated inconsistency in decisions will bring more attention by the legislators. Guy Roubian recommended the panels need to justify the decisions based on the criteria of the rules.

F. Report on National Federation Section 7/8 Meeting – Jim Staunton stated he heard a report from the Arizona Association. They created a television outlet and they archive all sport championships. They will ask parents to send in videos that will be uploaded. Grand Canyon College has underwritten this program. Jim would like to start a similar program in the Southern Section.

Bill Dabbs attended a session about the national championships, the large number of them and that they are trying to get NFHS to take charge of these. Next year's 7/8 meeting will be held in Boise, Idaho. The summer meeting will be held in San Diego. The Southern Section has forwarded the nomination of Janet Evans to be inducted into the National Hall of Fame.

G. Current Sanction on Schools – Part of Jim Staunton's goals is to put all sanctions up on the Southern Section website. He discussed the Alemany High School and how all of their transfers will now be reviewed due to an open house for new students.

St. Bernard's girls basketball issues started at St. Mary's Academy where the coach was dismissed. This coach also practiced during the dead period. The consequences for this are that he will now be held out of practice until January 1, 2010.

JSerra had 9 instances of bad paperwork. Kristine Palle said they were confused about Valid Change of Residence. Kristine offered to go to the school to assist with paperwork but they declined her offer. Jim also stated we have evidence that contact was made with local water polo players who were encouraged

See **MINUTES SEPTEMBER** page 15.

OFFICIALS' WHISTLE

Expect
the
Unexpected

By Bill Agopian
CIF-SS Officials Liaison

Like all others in educational and other industries, officials are required to attend specified trainings. For officials, this may include testing, physical evaluation, on court/field evaluation, and other items such as inspection of uniform. The purpose of these training events is to better prepare officials for game situations and related game experiences that include pregame and post game matters.

'Expect the Unexpended' is partly the model that officials work with. There are always predictable plays and game situations. The mark of a top level official is one who can deal with the unexpected. As a school administrator, it is to your advantage to limit those unexpected events to game situations. This means that items such as greeting of the officials, handling administrative tasks related to officials and getting to game time with the least amount of the unexpected makes for a better contest. With that done, you can shift your focus to how the game is administered.

In evaluating officials, there are a number of common denominators, including:

- How the official handles pressure situations
- Physical condition
- Communication skills
- Knowledge of rules
- Use of proper signals
- Being in proper position
- Teamwork
- Great judgment

Your input to the local Assignor is vital. Regardless of the sport, it is important for your programs and coaches to have the officials who best meet high standards of evaluation. While not every call is going to go your way, having officials who are on the high end of qualities listed above makes it more likely for positioning and judgment to give quality results.

The level of high school play and the level of high school officiating, in all sports, are constantly improving. The role of the school and coach can help to make sure that path of improvement continues.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING November 4, 2009

This meeting of the CIF Southern Section Executive Committee was called to order telephonically at 1:30 p.m. by President Sr. Cheryl Milner. All members were present with the exception of Barrett Luketic and Guy Roubian.

1. OPENING BUSINESS

E. Adopt Agenda – It was moved to allow JSerra's item to be read at the time they enter the meeting, seconded and approved. It was moved to approve the agenda, seconded and approved.

F. Approval of Minutes – It was moved and seconded to approve the minutes of the September 30, 2009 Executive Committee meeting. The motion was passed.

H. 2008-2009 Auditors Report – Jim Monico moved to accept the report as it was submitted. The motion was seconded. Lee Meech and Wayne Choo read the report. It was a clean report with the exception of the fund status of the retirement plan. Lee Meech stated the Southern Section is part of a large pool with Cal PERS. It is not something the Southern Section is not doing. Sue Kuwabara requested copies of the report be sent to all Executive Committee Members. Mitch Carty stated he will email it. The motion to approve the Auditors Report was approved. Mitch also thanked Carmoody and Meech as this is their last year of service to the Southern Section.

I. Communications to the Executive Committee – Joe Beltran of Time Warner Cable spoke about his new program titled, High School Sports Rewind. It will have segments that focus on high school students and air from Ventura to Orange County on Channel 101 on Tuesdays and Wednesdays. Each week they will feature students on the field and off and their goal is to promote positive behavior. They need help in identifying outstanding students and asked for CIF's help.

4. NON-ACTION ITEMS

B. State Federated Council Non-Action Items

1. Legal Expenses, 2004-2009 – There has been a very large increase in legal expenses for the 2008-2009 school year and because of this there may be an increase in money that schools will have to pay in order to cover the increased cost of litigations.

2. Transfer Eligibility Data, 2007-2008 – Bill Dabbs discussed the number of transfers and the comparison statewide. For the Southern Section, the number of transfers has increased significantly.

3. CIF Appeal Panel Data, 2007-2009 – This year there are more decisions being reversed. Dr. Staunton feels the hearing panels are very sympathetic to the state of our economy.

5. NEW BUSINESS

A. Governance Committee Report – Sue Kuwabara stated the committee is looking at association vs. federation. The CIF State office will ask the National Federation to poll state federations about their organizations and the general cross over categories. Several concerns are that the legislators are becoming more involved and that we are up for re-authorization in 2011. The legislative body votes on whether CIF may continue. The normal term of authorization is for five year, ours was for seven years. It is vital we keep our ability to control athletics. One of our biggest problems is the legislature not being able to give out new mandates at the school sites or districts. In 2011, we will turn over and there will be many new legislators who are not familiar with CIF, therefore, we are taking a look at associations and federations and how sports are funded.

Gary Smidderks stated the Sections are composed of radically different structures in terms of the way we do business. The Southern Section assumes the entire state operates similarly to what they do. The Southern Section represents about 40% of the student population yet the voting ability is only twice the votes. This is a vulnerability. The legislature cannot do much now because of the money situation. They are

looking at ways to appear good compared to CIF because parents approach legislators for help and their hands are tied. The different operating processes of the Sections are a vulnerability and there currently is no hierarchy in our federation either. To clarify the differences in association vs. federation, one governs from the bottom up and the other governs from the top down. Gary's feels we should reduce our vulnerabilities. Another possibility being looked at is the four section model: Los Angeles, Central, Northern, and Deep South.

Sue Kuwabara stated there has been no decision made yet. They are discussing what makes a federation vs. association run. Mr. Smidderks stated they are also looking at how different states operate such as New York and Texas. He feels this issue will not go away but the better informed we are, the better plans we can make. The state commissioners have been very professional about this subject and are willing to move in a unified direction. Sr. Cheryl asked to have a report on the Governance Committee Meeting minutes included in the January Executive Committee meeting. Bill Dabbs encouraged everyone to read the information about the Governance Committee in their meeting packets.

B. Appeal of Sanction by JSerra High School. Joining the meeting were Frank Talarico, President, Tom Waszak, Principal, and Jim Hartigan, Athletic Director. Jim Staunton reviewed the sanction applied to JSerra High School. A new member of the JSerra staff may have violated the bylaws. The principal of JSerra informed him that this new member had sent emails to two students asking them to participate in water polo and because of this they received two sanctions. First, girls water polo would not be allowed into playoffs. Second, the athletic department will be under sanctions and if any other violation of the bylaws occurred, that sport would not be allowed into playoffs.

COUNCIL MINUTES

(Continued from page 2)

Committee on Bylaw 1404 Maximum Team Contests to be presented by

Bob Colera - Action/Executive Committee Supports - It was moved, seconded and passed to support SS357.

2. CIF Southern Section Releaguings

a. Citrus Belt Area – Action - It was moved (Southwestern League) and seconded (Mojave River League) to pass SS361 with a supporting vote of 10-1-0 to follow.

b. Coast Area – Action - It was moved (Bay League) and seconded by the Pioneer League to pass SS362 with a supporting vote of 3-0-1 to follow.

c. Desert Area – Action - It was moved (Desert Mountain League) and seconded (High Desert League) to pass SS363 with a supporting vote of 4-0-0 to follow.

d. Foothill Area – Action - It was moved (Almont League) and seconded (Del Rio League) to pass SS364 with a supporting vote of 9-0-0 to follow.

e. Mt. SAC Area – Action - It was moved (Baseline League) and seconded (Mt. Baldy

League) to pass SS365 with a supporting vote of 6-1-0 to follow.

Appeals were presented by Judy North (Principal of South Hills High School) and Kelly Bruce (Principal of Glendora High School). It was moved (San Antonio League) and seconded (Del Rio League) to support the configuration in the packet titled "Mt. SAC Releaguings 2010-2014 (May 20, 2009) Alternate Proposal as Approved by Executive Committee" (yellow sheet in council packet). It was defeated 27-37-5.

f. Northern Area – Action - A point of clarification was made that Carpentaria should be listed in the Tri-County League. It was moved (Channel League) to support SS366. There was no second. A new motion was made (Marmonte League) and seconded (Frontier League) to deny SS366. Motion for denial was supported 8-1-0.

Appeals were presented by David Hess (Athletic Director, Ventura High School), Kirk Miyashiro (Principal of Oaks Christian High School) and Larry Edwards (Athletic Director at Calabasas High School). "Proposal E" (blue sheet) was distributed by Ventura High School. This proposal was also supported by Calabasas.

A motion was made (Channel League) and seconded (Coast Valley League) to support "Proposal E". The motion was supported 41-21-9.

g. Orange County Area – Action - A point of clarification was made that Santa Ana was missing from the Orange League. A motion was made (Empire League) and seconded (Freeway League) to pass SS367 with a supporting vote of 12-0-0 to follow.

Appeals were presented by Bob Parrish (Assistant Principal from Brea-Olinda High School), Sean Boulton (Principal from Laguna Hills High School) and Paul Saviallno (Principal of Western High School). There was not a motion to carry any of the appeals forward.

h. Parochial Area – Action - It was moved (Del Rey League) and seconded (Camino Real League) to pass SS368 with a supporting vote of 7-0-0 to follow.

i. Small Schools Area – Action - It was moved (Big Sky League) and seconded (Alpha League) to pass SS369 with a supporting vote of 13-0-0 to follow.

4. NON-ACTION SESSION

A. STATE FEDERATED COUNCIL - There
Continued on next page

MINUTES NOVEMBER

(Continued from previous page)

Frank Talarico described the new programs his school has put in place. They want to be more transparent to CIF. They now require all coaches to attend training sessions and any coach who fails the test will be suspended from coaching without pay for one week. A second violation will cause the coach to be terminated. Also, Julie Swail-Ertel will not be the water polo coach for the 2009 season. Dr. Staunton stated that without Julie Swail-Ertel coaching water polo, he will lift the water polo sanction and allow the current players the possibility of playoffs. However, if there is another action similar to this, swift action will be taken. He will also work with Mr. Talarico on policies for coaches.

6. REPORT SESSION

A. President's Report – Sr. Cheryl Milner had no further comments but asked Dr. Staunton to discuss the re-leaguing process.

B. Treasurer's Report – Jim Monico read the treasurer's report. He stated we are solvent and will move forward.

C. Commissioner's Report – Dr. Staunton relayed the Russell Otis trial decision. In regards to re-leaguing, he stated the Northern Area may appeal in January. Proposal E was approved by Council and this included a ten team Marmonte League. He wrote a letter and advised the Marmonte League to appeal under Bylaw 1111.4, to the State. A re-leaguing procedures committee will meet on December 2nd, at 10:00 a.m. He also stated fall playoffs will be starting in the next few weeks.

D. Executive Committee Member Reports
Bill Dabbs asked if everyone was aware

are no State Federated non-action items at this time.

B. SOUTHERN SECTION

1. Proposal from Football Advisory Committee regarding Rule 1917.1(2) – "0" Week Contests to be presented by

Tony Barile – Discuss - This proposal would allow teams with a zero week game to still have an interscholastic scrimmage. This will not have an effect on the start of fall practice.

2. Proposal from Basketball Advisory Committee regarding Rule 3200.10 to be presented by Richard Wiard – Discuss - The Basketball Advisory Committee would like to continue its playoff grouping process. Currently it is defined as a "pilot" program which will end this year. The pilot process currently being used for grouping will become permanent in the sport of basketball only.

3. Proposal from Girls Volleyball Committee regarding Rule 2904.1, 2904.2, 2906 and 2908 to be presented

By Lynsey Mikhail – Discuss - This item was pulled and will be addressed at the next council meeting.

5. NEW BUSINESS

A. Governance Task Force Report by Gary Smidderks - This is a committee that is looking at how the CIF (all 10 sections) conduct business. Where have we been, where are we now and where are we going are all issues being addressed. Their goal is to get consistency across the state to create a more cohesive and unified association which will allow CIF to

of the issue brought by the Marmonte League. They want to have two five-team leagues for football and not one ten-team league. For change to occur, they need to bring a suggestion to the Executive Committee.

Jim Monico thanked Rob Wigod for attending the Paramount Rotary meeting.

Ray Moore thanked the staff for the Champions for Character luncheon and suggested the Ethics in Sports Committee add Debi Weiss.

Mark Rose attended the Champions for Character luncheon and commended staff on the day. Regarding re-leaguing, he would host a meeting of the people in the Northern Area but asked for suggestions on a procedure to follow.

Kristine Palle had the first meeting with students and talked about athletic issues they encountered. Topics also included their impressions of CIF and what we do. She said they were overwhelmingly in support of CIF. They plan to meet again in January.

Thom Simmons encouraged the committee to forward names of student for awards.

Jim Staunton stated the January meeting will be at the Hotel Angelino in Los Angeles on the weekend of 15-17.

There being no further business, the meeting adjourned at 3:20 p.m.

continue its practices without legislative directives as this principal's organization is most versed in what is best for its constituents. The objective is to do things better across the board such that we can continue conducting business status quo with the current sections (or modifications thereof) being considered.

6. REPORT SESSION

A. President's Report - Sr. Cheryl Milner - The releaguing process will be reviewed while fresh in everyone's mind. We will be looking at ways to improve the process from start to finish.

B. Commissioner's Report - Jim Staunton - The principals in charge of the area placement and releaguing were commended for their oversight of the process. Mention was made at how many schools were appropriately placed in the process. Congratulations to all.

C. Treasurer's Report - Jim Monico - The organization had a good year in sports income. Major medical saw a 12% increase from 07-08 and will be up again in 09-10. Investments didn't lose money in 08-09 but did see declines in return. Sports fees were solidified at \$50 per sport offering with those fees being due by October 1 of each school year. A final audit report will be presented at the November 4th Executive Committee Meeting.

7. ADVANCE PLANNING

A. Dates

1. November 4, 2009 - CIF Southern Section Executive Committee Meeting, CIF Southern Section Office, Los Alamitos, California

2. January 16, 2010 – CIF Southern Section Executive Committee Meeting

8. ADJOURNMENT

RICK NEUHEISEL SPEAKS AT 34TH ANNUAL FOOTBALL PRESS CONFERENCE AND LUNCHEON

University of California at Los Angeles Head Football Coach Rick Neuheisel was the keynote speaker at the 34th Annual CIF Southern Section-Toyota Football Championship Press Conference and Luncheon held on Monday, December 7.

Neuheisel, in his second year at the helm of the Bruins, was named UCLA head football coach on Dec. 29, 2007. The 48-

year-old Neuheisel has 23 years of NFL and college coaching experience, with 20 of that on the collegiate level.

The luncheon was held at The Grand in Long Beach. This was the first time Neuheisel has spoken at the luncheon.

"We were thrilled to have Coach Neuheisel continue in a long string of outstanding speakers at our press luncheon," said CIF-

SS Commissioner of Athletics, Dr. Jim Staunton. "Coach Neuheisel brought a lot of enthusiasm and excitement that the student-athletes really appreciated."

Neuheisel, 46, spent the 2005-07 seasons as an assistant coach for the NFL's Baltimore Ravens. He served as quarterbacks coach in 2005 and 2006 and in January of 2007, was promoted to See **FOOTBALL CONFERENCE** on page 16

MINUTES SEPTEMBER

(Continued from page 5)

to transfer to JSerra. JSerra will do an audit of all fall sports for one month. If the player is not eligible they will forfeit. If the audit is not proper, they will not go to playoffs. We are proceeding slowly and if necessary there will be consequences.

We have received calls from a reporter regarding Dominguez High School and Russell Otis. There may be issues with ineligible players. Dominguez has had their previous sanction removed but we may have to sanction again if hard evidence comes forward.

6. CLOSED SESSION (4:20 – 4:30 p.m.)

It was moved to accept the commissioner's evaluation and seconded. The motion was approved.

7. REPORT SESSION

A. President's Report – Sr. Cheryl Milner stated she reported her information during the meeting.

B. Treasurer's Report – Jim Monico read the treasurer's report. He also stated the auditor's will be at the November 4, 2009 meeting to give their 2008-09 report. Dues for this year are \$50/sport and need to be received by October 1.

C. Commissioner's Report – Jim stated a lot of attention has been brought about by the re-leaguings proposals and appeals. In January, he proposed that Rob Wigod, Bill Daggs, Reggie Thompkins, Steve Miller and Ray Moore form a committee and look at ways to improve the process. Jim will also report in January about where we stand with our debt load regarding retirement funds.

D. Executive Committee Member Reports Earl Haugen – thanked the office staff for their hard work and continued dedication.

Susie Arce – The Ventura Star did a nice article on the people involve in CIF sports. Many people in the county have commented on it and were happy to see positive things happening.

Reggie Thompkins – Complimented Ray Moore on Vista Murrieta High School and stated his school wants to replicate it.

Mark Rose – Thanked Rainer Wulf for coming to the north and appreciated the great job he did. The Champions for Character Luncheon will be held on October 22 and needs as many Executive Committee members present as possible.

Scott Raftery – The volleyball committee may request to move the ending date up by a few days and bring the date of first competition up as well.

Thom Simmons – We are planning a page on the web site for our own television. It will be SSTV. We are trying to archive many different things and will also start webinars for the assistant commissioners. We are talking to Vootage for help in making it look professional. The Southern Section is also on Twitter and Facebook. Please update your scores. Lacrosse is now in 75 schools for the boys and are therefore 39 schools short of having playoffs.

Rainer Wulf – He has been to schools for parent seminars and is preparing a letter on Pursuing Victory with Honor and how we educate the schools. Rainer is happy to go to any school for a seminar.

Rob Wigod – There has been discussion about officiating and that several states have full time office people working with officials. This is being considered and discussion continues. The April meeting of the Executive Committee will take place on Tuesday, April 20th.

Carter Paysinger – Discussed concerns with coaches having practices offsite and the liability of the school district.

Ray Moore – Asked to have an advertisement from Alemany added to the next meeting so guidelines can be made on how schools may advertise.

Barrett Luketic – Complimented the sanction information and their location on the website.

There being no further business, the meeting adjourned at 5:10 p.m.

were not for corporate income, the burden would fall on our schools. What school would like to contribute an additional \$1,060 per year to the Section Office, just to keep it functioning? What school could? Of course there is the option of raising ticket prices to championship events, but we have always tried to keep those low to accommodate parents and families.

In return for this support, the Office asks athletic directors to do two things: hang corporate banners and read ads. Not much to ask. Unfortunately, we often hear from various corporate offices that a representative went to a championship game and saw no signage representing his company, and heard no announcements. The Office can only do what it can to respond and promise it won't happen again.

We are at the mercy of our school people in the field; either they help us meet our corporate commitments or we lose our corporate support. The matter is very simple. We have promised Spalding their ball will be played in championships. Still we receive reports of ball violations. We write contracts promising to show banners in our school venues, yet we hear from corporate people that there were no banners. It is not like we do not notify our schools. Every year we send letters to our schools remind them of their responsibility.

It is no secret these are difficult financial times. If our members hope to enjoy the economic benefit from our corporate partners (many of whom are also feeling the economic pinch) we need them to make the minimal effort to expose the name of those companies who believe in high school athletics and give them the support they have paid for. Superintendents, principals we need your help. Survey your venues and ask if Southern Section signage should be hanging. Tell your athletic directors the consequences of failing to meet our commitments.

The formula for success here is very simple: hang banners and make PA announcements and save your school \$1060 every year. It is not much to ask. It is a small price to pay.

PRESIDENT

(Continued from page 2)

remember the motto of your CIF-SS: "Pursuing Victory with Honor!"

I challenge you to keep this message at the core of your daily conversations. Whether you are talking to a coach of a very successful program or one who was a disappointment, check your message to him/her with the core values of Pursuing Victory with Honor.

As we members of CIF-SS go forward in 2010, let's work together as Principals and Athletic Administrators to draw upon our basic guiding messages: "Academics-Integrity-Athletics" and "Pursuing Victory with Honor".

RULE REVIEW

(Continued from page 4)

- Athletics builds leadership qualities, character and responsibility.
- Athletics gives the message that no individual is bigger than a team.
- Athletics motivates kids to strive to be on top.
- Athletics give the opportunity to play with classmates and age appropriate groups.
- Athletics helps with the stresses of being a teenager.
- Athletics teaches commitment and helps kids grow more mature.

The student-athletes didn't stop there. They were extremely aware that the skills they learn in their playing fields will translate into skills that will help them later on in life. Their message was clear, it was strong and it was united despite the very different schools each student-athlete represented.

I know this is a time of budget cuts and sacrifice at our school sites. When I look at the return on our investment in athletics compared to its cost, it's absolutely worth it!

TEAM TENNIS

(Continued from page 12)

Quarterfinals: Arlington 13, Crossroads 5; Buckley 14, San Jacinto 4; Linfield Christian 14, Westminster 4; Viewpoint 15, Aquinas 3.

Semifinals: Buckley 9, Arlington 9 (80-73); Viewpoint 11, Linfield Christian 7.

Final: Viewpoint 10, Buckley 8.

offensive coordinator/quarterbacks coach. With the Ravens, he worked with quarterbacks Kyle Boller, Steve McNair and, most recently, 2006 Heisman Trophy winner Troy Smith.

From 1999-2002 Neuheisel served as head coach at the University of Washington. Neuheisel led the Huskies to a record of 33-16 (.673) and four bowl games (one Rose Bowl, two Holiday Bowls and one Sun Bowl). His Pac-10 record was 23-9 (.719) and Washington won one league title and finished second twice in those four seasons.

From 1995-98 he was head coach at the University of Colorado. Neuheisel won 33 of 47 games (.702) and won all three bowl appearances. In his final season, Colorado finished 8-4, including a 51-43 victory over Oregon in the Aloha Bowl, and the Buffaloes

ranked 13th nationally in total defense that year.

Neuheisel spent the 1994 season as a Colorado assistant coach under Bill McCartney after going to CU from UCLA.

Neuheisel spent six seasons (1988-93) as an assistant coach at UCLA.

The Bruin head coach also played some professional football. In 1987, he played in three games with the San Diego Chargers. He also spent two seasons (1984 and 1985) in the United States Football League (USFL), playing with the San Antonio Gunslingers.

Neuheisel began his collegiate career at UCLA (1979-83) as a walk-on, holding for place kicker John Lee, and earned the

starting quarterback job during his senior season (1983). He led the Bruins to the Pac-10 title after a 0-3-1 start, earning honorable mention All-Pac-10 honors while setting a then-NCAA record .926 completion percentage in a 27-24 victory. That mark is still a UCLA record.

In his final game as a Bruin, he overcame food poisoning to lead UCLA to a 45-9 victory against Illinois in the 1984 Rose Bowl. He was named the game's MVP after throwing for 298 yards and four touchdowns. In 1998, he was inducted into the Rose Bowl Hall of Fame for his efforts.

Neuheisel earned his Bachelor's degree in Political Science in 1984. In 1986, while he was tutoring Aikman as a volunteer, he attended law school at USC and earned his degree in May of 1990.
