SUBJECT: Location & Format for CIF Swimming and Diving Championships

DATE: JANUARY, 2016

I am pleased to announce the continuation of last year's format and location for our 2016 CIF Southern Section FORD Swimming and Diving Championships. We are truly fortunate to be hosting our event at the Riverside Aquatics Complex on the campus of Riverside Community College. This facility was a recent renovation project on campus and a joint project with the city of Riverside. It is one of the most state of the art facilities in the country. A 65 meter pool, Riverside boasts an Olympic style venue complete with an Olympic dive tower and 2 additional 25 yard pools on site. If you'd like to see the layout, visit http://riversideaquaticscomplex.com/.

We accept 36 qualifiers into the preliminary events with the top 18 returning for consolation and final heats (9 in each). We will award points for the top 18 swimmers and divers (top 8 will receive medals). The format of Championship Finals will be the following:

200 Medley Relay 200 Free 200 IM 50 Freestyle 100 Butterfly 100 Freestyle 500 Freestyle 200 Freestyle Relay 100 Backstroke 100 Breaststroke 400 Freestyle Relay

Please note the dates for all divisions of swimming/diving located in your preview. The City of Riverside will be helping with hotel "group rates" to assist those coming from out of town. More information will follow.

CIF-SS SWIMMING & DIVING ADVISORY COMMITTEES

The CIF-SS is continuing to utilize the concept of advisory committees for virtually all of the sports. The role of the advisory committee, comprised of coaches in their respective sports and an administrator from the CIF Office, may or may not include the following:

- 1. Meetings
- 3. Recommendations for procedural changes
- 2. Recommendations for playoff sites
- 4. Recommendations for rule changes6. Assistance to coaches and/or officials organizations

- 5. Evaluation of sport season
- 7. Liaison between coaches and the CIF-SS office

We urge that if you have suggestions or questions, please make use of this excellent channel of communication and pass along suggestions to one of the committee members. We will be meeting on a regular basis during the current swimming season and your items will become part of our agenda.

GUIDELINES FOR SUBMITTING 2016 VERIFICATION CARDS

You have received verification cards for the 2016 season (cards were distributed to a league officer at the CIF Council Meeting on January 27). These are the <u>ONLY</u> cards that will be accepted for entry into the championships. Coaches <u>MUST</u> complete the cards accurately and completely if they are to be accepted for the 2016 preliminary meet.

In the VERIFICATION portion of the card, all information must be filled in completely. It is important that the card is verified with officials and/or meet manager and coach's signatures.

The CIF-SS will not be responsible for swimmers disqualified from competition because of mistakes, lack of information, lack of proper signatures, and incomplete cards.

In DIVING, coaches are reminded that completed qualifying diving score sheets properly signed must accompany the CIF Southern Section Championship entry.

WHEN A COACH SIGNS THE VERIFICATION CARD AND OFFICIAL ENTRY SHEETS, HE/SHE IS VERIFYING THE AUTHENTICITY OF THE CARD.

Coaches are reminded that a swimmer may qualify for CIF-SS championship swim meets if he/she equals or betters the time standard for the event for that division <u>IN ANY CIF-SS SANCTIONED DUAL, TRIANGULAR, OR INVITATIONAL MEET.</u>

Swimmers may not qualify in any competition designated as a time trial. This means that swimmers <u>NOT</u> entered in an event <u>MAY NOT</u> fill lanes in order to swim for a qualifying time.

If additional cards are needed, email Brenda Bomgaars (brendab@cifss.org) at the CIF-SS Office.

25 Swimming Verification Cards for Boys (Green) and 25 Swimming Verification Cards for Girls (Yellow), have been provided to your school along with the 2015-2016 Swimming & Diving NFHS rules book.

ENTRY RULES (National Federation Rule 3)

<u>RULE 3, SECTION 1, ART. 1</u> ... "In championship meets, each team shall be permitted a maximum of 4 entries in an individual event and 1 team in a relay event."

<u>RULE 3, SECTION 2, ART. 1</u> ... "A competitor shall be permitted to enter a maximum of 4 events, no more than 2 of which may be individual events. Prelims and finals are considered one meet."

RULE 3, SECTION 2, ART. 3..." **In championship meets and other multiple team meets,** a competitor officially becomes a participant in and individual event when the official entry card or form bearing the name of the event, competitor's first and last name, coach's signature (where applicable), school name, and submitted time, if one exists, is delivered to the meet director, or meet's director's designee, at the specified time and place.

In relay events, 8 individuals may be designated, and it shall not count as an entry unless the competitor actually competes in the event. Any of these 8 individuals may swim in finals provided he/she does not exceed the permitted entries for the meet. Only the 4 swimmers declared on the event entry card which shall be submitted at a specified time and place prior to the start of the event are permitted to report to the blocks and compete."

- 3. Rank within the top 36 divers of the division based on the "Consideration Score" with the "Automatic D.D". "Consideration Score" with "Consideration D.D." will not qualify for entry.

TO ENTER AS CONSIDERATION...Diver can submit <u>one 11-DIVE Contest Sheet</u> for <u>CONSIDERATION</u> with their highest scores from an 11 dive contest,(<u>score over 225 (Boys) or 250 (Girls) points</u>). Divers in the consideration category will be ranked based on that score.

For invitational meets, 3-meter diving will no longer be allowed for those schools which have diving pools with a water depth of 12 feet or less. League Championship meets must be conducted on 1m boards ONLY. 1-meter and/or 3-meter diving will continue to be an event in our CIF Southern Section Championship meet. Attached are the Diving Tables for both 1-meter and 3-meter diving. Additional copies can be downloaded from <u>www.mvndive.com/highschool</u>. REMINDER: 3 meter diving will be permitted at CIF sanctioned Invitational and CIF-SS Championships only.

*If you are gaining entrance via a Consideration D.D., you <u>MUST</u> have the Automatic Qualifying Score

For the 2016 CIF Southern Section Swimming and Diving Championships there are both automatic (AUTO) and Consideration (CON) standards. Swimmers/ Divers who achieve the automatic standard will be entered in that event. Additional entries will be based upon the consideration standards that will be used to fill up the remaining spaces to a maximum of 36 participants.

AUTO QUALIFYING POINTS for CHAMPIONSHIPS FOR ALL DIVISIONS requires the divers to compete at a satisfactory level to automatically qualify. They may AUTO qualify with (1) one 11- dive contest score. The point qualification is based on satisfactory performance with minimum automatic or consideration D.D. requirements for optional and required dives. (See qualification points required per division).

Diving is an event of swimming, and as such, should be viewed by schools in the same manner as the other events in the swimming program. Team points for an individual placing in diving are the same as in swimming. It has come to our attention that some schools that could offer diving to their athletes are choosing not to do so. Typically, the reasons for not offering diving are the lack of a proper facility and/ or a qualified coach. In trying to promote diving throughout the CIF-Southern Section, we would encourage all of our member schools to give interested student athletes an opportunity to compete in this event. If facilities are available, either at the school site or off-campus, and a qualified coach can be secured, the CIF Southern Section strongly supports any efforts that can be made to increase the number of schools and student/athletes participating in diving.

If competition is taking place with 2 **CONCURRENT** judging panels, a diving official must be assigned to each panel to properly view violations such as balks, incorrect dives, breaks in position, etc.

CIF-SS SWIMMING GUIDELINES

BLUE BOOK

Coaches are advised to review the Swimming & Diving Section of the 2015-2016 Blue Book, Article 260 beginning on page 212 and Officials Fees on page 150.

RULES

All swimming and diving competition in the Southern Section will be conducted under National Federation rules unless otherwise provided herein.

MAXIMUM TEAM CONTESTS

A swimming team will be permitted to compete in no more than 12 meets total during the season (this includes dual, triangular meets, and invitationals). There is no limit to the number of invitationals a team may enter (not to exceed 12 meets total during the season). The league championship meet and the CIF Southern Section championship meets are not considered part of the charged limits.

OUTSIDE COMPETITION

<u>Unattached</u> competition is permissible for a student during the season of sport provided the student enters in the individual sports of badminton (singles and doubles), cross country, golf gymnastics, skiing, swimming and diving, tennis (singles and doubles), track and field (including unattached entry on relays) and wrestling.

Each CIF Section may grant approval, upon individual petition, for an athlete to travel to a foreign country to participate in national or international competition sanctioned by the governing body for that sport in the United States and the international governing body. Written permission must be obtained **PRIOR** to competition.

RULE 2613 PLAYER CONDUCT

Any player ejected for any reason, or any player who leaves the confines of the bench or team area during a fight that may break out, or has broken out, shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest.

LEVEL OF COMPETITION

No student shall participate in more than one level of competition in the same sport on the same day. Exception: Divers may dive at the varsity level and swim at lower levels. Diving is only scored at the Varsity level.

MAXIMUM ATHLETIC CONTESTS IN ONE DAY

No team member will be permitted to enter two different meets on the same day.

INCIDENT REPORTS

All incidents, injuries, or disruptions, regardless of the degree of seriousness involved, should be reported to insure accurate records in the event that further problems develop. The completed report is to be submitted in CIFSSHome.

COACHING

Only school-authorized coaches will be permitted to coach at prelims and finals of the CIF Southern Section Swimming and Diving Championships.

125.1 COACH EJECTION - Upon ejection, the head or assistant coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. The next contest may not be a forfeited, postponed or canceled game. A second ejection will constitute a two-contest suspension and a third ejection will cause suspension for the remainder of the season. A coach who was ejected from the previous contest, who, knowingly or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of that contest.

QUESTION: What is meant by attendance at a contest?

ANSWER: Attendance is defined as being present at the team bench/area, inside a gymnasium, stadium or playing area. Students ejected from a game in progress should remain under supervision of school staff. The intent of this rule is that the ejected person is not in attendance at the contest.

125.2 FAILURE TO COMPLETE A CONTEST - When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court, or field, it is MANDATORY that the Principal notify the CIF-SS office within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

QUESTION: How serious is such action?

ANSWER: It has been the position of the CIF-SS Executive Committee to expect the <u>building</u> principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties

SUPERVISION OF ATHLETES ALL Athletes must have a certified supervisor in order to compete

The Southern Section Office has experienced a problem which has perpetuated itself over the years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs. The situation relates to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 309 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code Title V and CIF By-Law #506A and B. (Additionally, refer to Rule 123.)

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

- A. Certificated personnel
- B. Certified Coaches (certified credentialed coaches)

C. Non-certificated temporary coaches (certified walk-on coaches.)

(It should be noted that schools representing the same DISTRICT might send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. *GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS.* This also applies to parents who are the student's private coach but are not under contract to the member school.

PLEASE NOTE, THIS RULE WAS REVIEWED BY THE STATE CIF OFFICE, ITS GENERAL COUNCIL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 309, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

SUBJECT: Aquatics Legislation – Certification

DATE: January, 2016

Just a reminder that the following legislation took effect January, 1991:

Section 116033 of the Health and Safety Code reads as follows:

Persons providing aquatic instruction, including, but not limited to, swimming instruction, water safety instruction, water contact activities, and competitive aquatic sports, at a public swimming pool shall possess an American Red Cross Emergency Water Safety Course certificate, or have equivalent qualifications, as determined by the state department. In addition, these persons shall be certified in standard first aid and cardiopulmonary resuscitation (CPR). All of these persons shall meet these qualifications by January 1, 1991. Persons, who only disseminate written materials relating to water safety, are not persons providing aquatic instruction within the meaning of this section.

The requirements of this section shall be waived under either of the following circumstances: (a) when one or more aquatic instructors possessing the American Red Cross Emergency Water Safety Course Certificate or its equivalent are in attendance continuously during periods of aquatic instruction, or (b) when one or more lifeguards meeting the requirements of Section 116028 are in attendance continuously during periods of aquatic instruction.

<u>Please Note</u>: The Emergency Water Safety certificate is no longer offered by the American Red Cross. The legislation above has not been revised, despite numerous requests from water safety people around the State, and it is not clear what the "state department" has established as equivalent qualifications.

It is strongly recommended that <u>all</u> coaches enroll in the Safety Training for Swim Coaches course currently offered by the American Red Cross, as an interim solution to the missing EWS certificate. Not many ARC Chapters offer the class, so you may need to do some investigating to locate one that does. The Long Beach Chapter has offered the class as recently as spring 2003, so that might be a good starting point for you.
