Be advised this is not a complete document; it does not discuss all rules and regulations. Coaches are reminded they need to refer to the Blue Book and to discuss issues with their athletic administration.

Once again, welcome to the 2018-2019 boys' water polo season!

2018-2019 WATER POLO COACHES ADVISORY COMMITTEE

The CIF Southern Section is continuing to utilize the concept of coaches' advisory committees for all sports. The role of the advisory committee may or may not include the following:

- Meetings
- Recommendations for playoffs sites
- Recommendations for procedural changes
- Recommendations for rule changes
- Evaluation of sport season
- Assistance to coaches and/or officials organizations
- Communications between coaches and the CIF-SS office
- Management/Supervision at Championship Events

The Coaches Advisory Committee is made up of member coaches and an administrator from the CIF-SS office staff. Coaches selected for the committee provide a cross-section of the organization and are selected based upon geographic, as well as competitive divisions. Should you have suggestions or questions regarding water polo competition, please make use of this excellent channel of communication; it is provided to serve your interests. The committee will meet on a regular basis during the season and your items will become part of our agenda.

WEEKLY POLL

The Southern Section will publish weekly rankings for each of the seven water polo divisions throughout the 2018-19 season. Rankings will be determined from input provided by member school coaches and distributed to over 250 media outlets. Determination of the weekly divisional polls shall be the responsibility of the Water Polo Coaches Advisory Committee members. The CIF-SS office will utilize the rankings as criteria for formulating playoff brackets.

Listed on the next page are the members of the CIF-SS Water Polo Coaches Advisory Committee responsible for notifying the CIF-SS office of the weekly poll. It is important for coaches to report their information at www.cifsshome.org on a daily basis. Please note, this is a coaches' poll and no students or parents are involved. The CIF-SS office will send the coaches' poll as part of our media mailing.

It is important that coaches enter results in CIFSSHome following each game and email poll changing results to the committee members named on the dates (Sundays) listed below:

BLUE BOOK RULES - SPECIAL POINTS OF INTEREST

ACCOUNTABILITY RULES

RULE 125.1 COACH EJECTION - Upon the ejection of a coach from any CIF Southern Section contest, it is the responsibility of the principal of said school to file a letter of explanation with the CIF Southern Section Office which includes the circumstances surrounding the matter and what action the principal has taken to prevent a recurrence. Said correspondence is to be filed within THREE school days of notification of the ejection. ADDITIONALLY, UPON EJECTION, THE EJECTED COACH SHALL BE DISQUALIFIED FROM PARTICIPATING IN THE REMAINDER OF THE GAME AND WILL BE INELIGIBLE FOR THE TEAM'S NEXT CONTEST. A SECOND EJECTION WILL CONSTITUTE A TWO CONTEST SUSPENSION AND A THIRD EJECTION WILL CAUSE SUSPENSION FOR THE REMAINDER OF THE SEASON.

RULE 125.2 FAILURE TO COMPLETE A CONTEST - When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court or field, it is MANDATORY that the CIF Southern Section Office be notified by the principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

QUESTION: How serious is such action?

ANSWER: It has been the position of the CIF Southern Section Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties.

QUESTION: What if the head coach is red carded and there is not an assistant coach on the bench?

*ANSWER: A district/school employee that holds **ALL coaching certifications** ("Coaches Education Training", CPR, First Aid, Sudden Cardiac Arrest, Concussion Training and anything else required by the district/school board specifically for coaches) may supervise the remainder of the game. If there is not a person holding the aforementioned credentials, the game will be terminated at that point). Teachers, administrators and other district personnel cannot fill this role unless they hold ALL necessary coaching certifications.*

RULE 514 - TOBACCO PRODUCTS PROHIBITED

The use of tobacco products in conjunction with any CIF Southern Section athletic contest is prohibited. This would include all those involved in the contest including players, coaches and officials.

RULE 3101 - OFFICIAL NATIONAL FEDERATION AUTHENTICATING MARK

Only balls with the National Federation authentication mark shall be used in the sports of baseball, basketball, field hockey, football, soccer, softball, volleyball and water polo. (February 1999 Federated Council; revised to include lacrosse November 2000 Federated Council.)

RULE 3109 - SUMMERTIME RULES

3109.1 With the exception of the summer dead period, until the beginning of the first official starting date for fall sports, there shall be no restriction on high school coaches working with high school students registered and/or attending their respective high school or entering them in summer competition, provided approval is received from the school principal.

QUESTION: Who may participate in high school summer athletic programs approved by the principal?

ANSWER: Only students registered for the upcoming school year in grades 9 through 12. Additionally, it would be a violation to allow elementary students (8th grade and below) to participate with the high school team. For students enrolled in more than one school, all summer practice and competition must be confined to one school.

3109.2 High schools may sponsor sport camps and/or allow non-school sponsored sport camps to use their facilities.

- * High school students and individuals from the general community can attend.
- * The high school name, nickname and identifying marks can be used in the title and/or promotion of the camp.
- * The principal of the high school must give permission for the camp to take place; non-school sponsored camps must secure a facility permit for use of any facilities and equipment.
- * The camp must comply with all CIF rules, including those pertaining to undue influence and dead period.
- * Non-school sponsored camps should provide required liability insurance for the use of any school facilities.

3109.3 A summer dead period must be declared by the school principal for all sports. The dates of the dead period must be forwarded to the Southern Section Commissioner. The dead period must be the same for all levels and must be three (3) consecutive weeks between the end of school or the last Friday in May, whichever is first, and the last Monday in August. No class could be offered which could circumvent the rule. There are no exceptions to the summer dead period. During the dead period, weight lifting ONLY would be permitted. No running or other type of conditioning would be allowed. Special nationally recognized programs in various sports that require a national or regional championship format, such as Bobby Sox Softball, American Legion or Mickey Mantle Baseball, etc., would be allowed to continue, until completion, during the dead period.

RULE 3111 - LEVEL OF COMPETITION

No student shall participate in more the ONE level of competition in the same sport in the same day.

RULE 3117 - PLAYER CONDUCT RULE

Any player who is ejected for any reason shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. A second ejection will constitute a two contest suspension and a third ejection will cause suspension for the remainder of the season.

QUESTION:	What happens when a student engages in Fighting/Assaultive Behavior during an athletic contest that is not observed by game officials?
ANSWER:	In cases when a student engages in Fighting/Assaultive Behavior that is not observed by game officials, it is the expectation of the CIF Southern Section Executive Committee that the building principal of the school involved will impose a minimum one-game suspension for the students who commit such offenses.

NOTE: In water polo, subsequent game suspensions are for reportable offenses. Contact the Southern Section office (not the official) if there is confusion regarding a subsequent game suspension such that no forfeitures result from ineligible players.

Any player whose conduct merits ejection from a game by an official for fighting or assaultive behavior shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. After the suspension from play, the student may only return after certification by the school principal that the student(s) has completed a conference with a school administrator. **The appropriate form (Post Ejection – Return to competition form) indicating the completion of the conference must be filed with the Section office (by uploading the form to misconduct in CIFSSHome). The School must also indicate the date(s) of the contest in which the player will not be in attendance in the “School Action” portion of the misconduct prior to the athlete rejoining the team.**

A second ejection from a game or contest for fighting or assaultive behavior will cause suspension for the remainder of the season. A player who was ejected from the previous contest, who knowingly, or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of that contest.

Any player who leaves the confines of the bench or team area during a fight that has broken out or may break out will be ineligible for the team's next contest. After the suspension from play, the student may return only after certification by the school principal that the student(s) has completed a conference with a school administrator. **The appropriate form (Post Ejection – Return to competition form) indicating the completion of the conference must be filed with the Section office (by uploading the form to misconduct in CIFSSHome) prior to rejoining the team.**

CIF-SS WATER POLO GUIDELINES

The Following points of emphasis should be reviewed by coaches, staff and players regarding CIF Southern Section rules and regulations as published in the CIF-SS Blue Book. This list is not all-inclusive; it highlights key areas.

MAXIMUM TEAM CONTESTS

1. A water polo team is permitted to play no more than twenty (28) contests during the season. One game scheduled with alumni and/or faculty will not count toward the allowable number of contests.
2. A team may play three regular games in one day in a tournament on a non-school day, provided one hour has elapsed between the finish of one contest and the beginning of the next contest.
3. An individual student may not participate in more than three tournaments during the season without permission from the Commissioner. Via written request, a program may apply for a dispensation to this rule for the 2018-2019 season.

END OF COMPETITION

All league competition for entries must end on or before the Thursday prior to the first playoff date. Schools may compete until Saturday in non-league contests and/or tournament play. **LEAGUE ENTRIES ARE DUE AT 11:00 P.M. ON THURSDAY EVENING, ANY COMPETITION TAKING PLACE AFTER ENTRIES ARE DUE WILL NOT BE CONSIDERED IN THE SEEDINGS.**

TOURNAMENTS

For those schools hosting sanctioned events, please review the 700 series. In particular, please be aware all sanctioned events are to be administered by the sanctioning school and not administered by outside groups. The interpretation is that all entry fees must be handled through student-body funds under the administration of the principal of that school.

LENGTH OF QUARTERS

The length of quarters for water polo games shall be seven minutes for varsity games, six minutes for non varsity. Schools can mutually agree to shorten games. (Approved April 2002, CIF-SS Council)

GAME BALL

The KAP7 105 NFHS is the official boys' water polo ball of the CIF Southern Section and must have the NFHS authenticating mark stamped on it. **The KAP 105 NFHS ball must be used in all playoff games.**

OUTSIDE COMPETITION BY AN INDIVIDUAL DURING THE SEASON OF SPORT

A member of a high school water polo team may not, during his season of sport, compete for an outside team in the sport of water polo. A season of sport (see CIF-SS Blue Book Rule 504) is defined as that period which begins with a student's first interscholastic competition (non-league, tournament or league game) and ends with that student's last interscholastic contest (tournament, non-league or CIF-SS playoff game). If an athlete has been selected for an ODP event/ tournament, permission must be obtained by the association office prior to the event.

SCOUTING PROHIBITION - PRACTICE SESSION

Scouting of any type that would include personal viewing, written notes, audio tape, motion pictures, video reproduction and/or any other type of reproduction such as still pictures, etc., shall not be taken in any sport of a member school's practice sessions by anyone without written consent of the participating school(s). An interscholastic scrimmage is not subject to this rule.

Q & A - What is allowed with regard to scouting a contest?

There will be NO restrictions on the part of member schools regarding the filming/video-taping of any contest. Host schools will maintain game management rights and responsibilities.

OFFICIALS

It is required that:

1. When contacted by the official at least 24 hours in advanced, the host school will have available someone who will handle the needs of the officials assigned to the contest. This should include but not be limited to facility orientation, locker room assignment and parking.
2. The officials' locker rooms are open at half-time and immediately after the game.
3. At the completion of the contest, the officials' locker and dressing facilities remain secured for at least 20 minutes. Coaches and other school officials should not enter an officials' dressing area for the purpose of complaints.
4. Coaches should not approach or confront the officials at the completion of a contest.
5. Coaches and school officials should not make public statements to the news media criticizing officials.
6. School officials must be alert to potential problem situations and provide security for officials to and from their dressing facilities and to the parking area after the contest when necessary.
7. Athletic administrators convey to the coaching staff that any problems regarding officiating be handled first through the Area Officials' Liaison and second by the CIF-Southern Section Office, if it is serious in nature.
8. A representative from the host school shall handle financial matters prior to the start of the contest.
9. The participating schools should enforce the principles of Pursuing Victory with Honor and the education code with regards to fan and spectator behavior. Schools are strongly encouraged to remove and sanction any spectator who engages in abusive verbal or physical behavior or who uses profanity.
10. Schools not in compliance with numbers 1-9 will be reported to their Area Liaison by the officials association within five (5) school days. Regardless of the infraction, the contest will be played.

2018-2019

ALL CIF SS WATER POLO SELECTION PROCESS

The coaches meeting to select the All CIF team will take place on specified dates after the CIF-SS Championship event. Sites and times are determined by each respective division and are posted on the water polo page of the CIF-SS website. CIF SS will promote this in the season previews, playoff materials, distribute to schools via email and by posting to the public website.

All schools earning entry into the CIF SS playoffs are eligible to vote in their division (these are teams that qualify out of their leagues as automatic qualifiers OR are entered as part of their respective division's 16 team or 32 team playoff bracket; one vote per school). Wild card game participants DO NOT receive voting privileges unless they win their play in game to become part of the 16/32 team bracket. A coach or coach's representative from each school must be present to nominate and vote. **Coaches may not send their nominees with other coaches or representatives from other schools.** Absentee votes will not be considered. Non qualifying playoff teams and teams losing wild card games can nominate players, but do not receive voting privileges. Coaches may not nominate players with any season-ending conduct issues (2 "flagrant misconducts" or 3 "misconducts").

A player and coach of the year will be selected for each respective division. "CO-PLAYERS OF THE YEAR" WILL BE CONSIDERED, however you may not exceed the prescribed number of allotments for first team. For "Co-Players of the Year" to be awarded, an exact tie in votes must occur. A division may not give that honor to the two players receiving the most votes respectively (again, votes must be tied). There is a total of 14 players that will receive "All CIF" honors (1 MVP and 13 additional players or 2 MVPs and 12 players). "Co-Head Coaches of the Year" will only be considered if a school recognizes two individuals as "Co-head Coaches; an assistant coach cannot be included. "Second" and/or "Honorable Mention" teams do not receive certificates from CIF (they may be by the coaches' association) and are not released by the CIF office to the media.

Coaches will nominate players (in the order they would have them considered) to be voted on by their division. You may nominate and vote for your own players.

No more than 7 players from any one school may be represented in their division.

Divisional representatives must submit their list of names and team designations to the CIF-SS office within five days of selection. It is up to each division to make sure all names are spelled correctly with school of attendance and grade provided. This information will be released to the media via the CIF office and should not be shared with recipients, parents, or media prior to the CIF press release.
