

GIRLS GOLF STRENGTH OF LEAGUE 2014

UPDATED: 10.16.14

Each year, Team Divisionals will be composed of leagues using the factors of competitive equity and geography for placement into each division. There will be a strong effort to ensure that every Team Divisional Championship will have a balanced number of leagues in each one.

The competitive equity of each league will be determined by giving each league a strength rating based on points accumulated by golfers from each league who qualified for Team and Individual Golf Championships in the previous year.

Geography may come into play, when appropriate, in an effort to try and place leagues.
