He also brought up the point that the boys from Santa Barbara League had attended tryouts. One ran in the 100 yard dash, but the other did not run in the 220.

It was moved, seconded, and carried that we extend a vote of thanks to Santa Ana for the efficient manner in which the meet was being conducted.

The Secretary reported that the Schools of San Louis Obispo County wished to enter the C. I. F. It was moved, seconded, and carried that Mr. Owens of Oxnard and Mr. Westcott of Santa Ynez be a committee to investigate and report back.

The question was brought up by Football Manager Moore in reference to the Bishop--Gardena Game that the officials had never been paid.

It was moved, seconded, and carried that we pay the officials out of the C. I. F. funds--that the Bishop bcy be allowed to enter this meet--and that the treasurer present the bill to Bishop, and that Bishop be suspended from the C. I. F. until bill is paid.

It was moved seconded and carried that the So. Cal. Swimming be held at Long Beach the fourth Saturday in May.

It was moved, seconded, and carried that the annual meeting be held the fourth Saturday in May at Long Beach at 9.00 a.m.

Fred Johnston; H. J. Moore; and G. M. Green were appointed a committee to revise the order of dives in Swimming and report back at the next meeting.

C. B. Collins reported the following ruling:

Ruling by C. B. Collins

A boy has been in school eight semesters, some of which have been in night school. Is he eligible:

Ruling: A semester at night school counts as attendance the same as in a day high school unless concurrent with day school attendance when it would not count.

Submitted to the Council of the C. I. F. for approval.

Disapproved as contrary to a previous ruling.

Statement of Fact

A boy played in school "B" in the spring semester of 1922 as a sixth semester man. He removed to Manhattan, Kansas with his mother in September, entering a high school and making satisfactory passing grades. On the last day of the fall semester of 1922 he enrolled in school "B". His father has at all times maintained his residence here in California in "B" district. His mother is now and since September has been living in Manhattan, Kansas.

Action by Imperial Valley Interscholastic League, Apr. 26, 1923:

A motion that Paul Post be declared eligible to participate in athletic contests for this semester was carried by a vote of four to two.

A motion that our representative request a ruling on the matter was unanimously carried.

Action by the Council of the C. I. F.: Actions of Imperial League sustained.

Statement of Fact.

Throughout the school year 1921-1922 a certain boy in school "C" was reported as being born on 4/18/02. This year he is reported as being born on 4/18/03, and has been played since 4/18/23.

The explanation given is that the boy was born in Mexico; that the certificate of birth is not available or possibly not even obtainable; that in order that he might enter the United States Navy he gave his age as one year more than it actually is; that when he entered school "C" last year he gave the same date of birth as to the Navy officials, not thinking of how it would affect his standing now.

The further statement is made that an older brother secured his release from the Navy on showing that he had entered by falsely stating his age. A letter has been written to the Navy Department requesting information but has not yet been received.

Original eligibility lists hold until legal evidence to contrary is submitted.
