

# C. I. F., SOUTHERN SECTION

# MONTHLY BULLETIN

Vol. 7

APRIL, 1944

No. 5

## MINUTES, EXECUTIVE COMMITTEE MEETING, MARCH 22, 1944

The Executive Committee met in the C.I.F. Office at 3:30 P. M. on March 22, 1944. The members present were:

Mr. Hamilton, Harvard School, President  
Mr. Bergstrom, El Monte High School  
Mr. Fischer, Chaffey High School  
Mr. Hayhurst, Hoover High School  
Mr. Veenker, Santa Monica High School  
Mr. Thompson, Claremont High School,  
President of the Council  
Mr. Van Patten, C.I.F. Office.

## ELIGIBILITY CASES

A Covina High School baseball player, because of an attack of infantile paralysis, did not complete fifteen units of work last semester. Could he be allowed to coach from first base or from third for his school team?

Rule (4), page 33, forbids.

A group of El Monte High School boys, without their high school's approval, played a game of basketball with an army camp team on Mar. 7.

Rule (j), page 14, and Rule (2), page 17, make them ineligible for track.

## ATHLETIC INJURY STUDIES

Mr. Van Patten stated that the Los Angeles City Supervisor of Interscholastic Athletics is to have a form printed on which the C.I.F. Athletic Protection Fund Office has agreed to summarize by schools the injuries reported during the 1943-1944 school year.

It was moved by Mr. Bergstrom and seconded by Mr. Hayhurst that Mr. Van Patten be instructed to secure a supply of the forms and arrange with Mr. Ingham to furnish reports to C.I.F., Southern Section, schools who are members of our Athletic Protection Fund. Carried.

## INVITATIONAL TOURNAMENTS

Mr. Van Patten reported that his office had had a request that day (March 22) from the Municipal Recreation Department of the City of Pomona asking to stage a boxing and wrestling match in which high school boys may take part, also a request to revive the Pomona Baseball Tournament which was not held last year. He stated that he had had no opportunity to check the requests and therefore no recommendations to submit. He suggested that the questions involved be left to Mr. Fischer, Mr. Thompson and the C.I.F. Office with power to act. There being no objections the President ruled that the suggestions be approved with the instruction that the committee keep definitely in mind that any

invitational activity in which boys from our schools take part must be sponsored by one of our member high schools, and that our State Council has ruled against interscholastic boxing contests.

## SANTA BARBARA TEAM TENNIS

Mr. Van Patten reported that the Santa Barbara High School has arranged team tennis matches with Compton, El Monte, Mark Keppel, and Santa Ana high schools. Santa Barbara wishes to know under what conditions its team may enter the team tennis play-off matches. It was moved by Mr. Fischer and seconded by Mr. Hayhurst that if Santa Barbara wins the four matches listed above that the question of their entering the play-off matches be left to Mr. Van Patten with power to act. Carried.

## IMPERIAL, SOUTHERN, AND VICTORY LEAGUES' TRACK ENTRIES

Mr. Van Patten reported that he had had letters which indicated that some of the schools in the three leagues in San Diego and Imperial Counties may ask to have some outstanding boys entered in the Final Track Meet on May 27. There being no objections the President ruled that the question be left to the Track Committee with power to act if and when performance records are submitted by the league representative.

The Track Committee consists of Mr. Badenoch, Mr. Hamilton, and Mr. Hayhurst.

## APPROVAL OF TRACK ENTRIES

It was moved by Mr. Bergstrom and seconded by Mr. Fischer that the Track Committee meet in the C.I.F. Office on Monday, May 22, at 2:00 P.M., to approve the list of competitors for the Final Meet of May 27, 1944. Carried.

## FINAL TRACK MEET

Mr. Van Patten stated that the Los Angeles City Section of the C.I.F. had replied to the request of the C.I.F., Southern Section, for an invitational track meet on June 3 between Los Angeles City winners and C.I.F., Southern Section, winners to the effect that the Los Angeles City transportation problems are so acute that they do not think it wise to attempt to stage on two successive week ends, big events in the Los Angeles Coliseum. The Los Angeles schools proposed that for this year the C.I.F., Southern Section, bring its final meet to the Coliseum on May 27, and the two final meets be run jointly and be made a gala all day affair.

Mr. Van Patten reported also that the Coliseum Commission had placed the sum of \$2500.00 at the disposal of the Southern California Com-

High School

Seth F. Van Patten, Commissioner of Athletics

mittee for the Olympic Games, to underwrite the expenses of one big track and field meet in the Coliseum for this track season. He said that the Olympic Group had decided that the two big high school finals would furnish the best meet available for this season, and they proposed the following plan.

That from the \$2500.00 on hand all expenses of the two high school meets, such as Coliseum rentals, medals, and trophies be paid.

That an advance sale of tickets be put on in the high schools competing and that the C.I.F., Southern Section, and the C.I.F., Los Angeles City Section, be allowed to retain the moneys from this advance sale.

That committees for handling all details of the meet be approved by the two high school groups.

It was moved by Mr. Bergstrom and seconded by Mr. Hayhurst that the proposals of the Los Angeles City high schools and the Southern California Committee for the Olympic Games be approved and that Mr. Van Patten and the track committee handle all details for the C.I.F., Southern Section. Carried.

**SWIMMING ENTRY FEES**

The Final Swimming Meet which was set to be held in the Beverly Hills High School plunge has had to be changed to the Compton Junior College pool. This change will probably eliminate most of any gate receipts. The twenty-five cent entry fee will not pay the cost of medals and trophies. It was moved by Mr. Bergstrom and seconded by Mr. Hayhurst that the entry fee for this year be made fifty cents per boy per event. Carried.

**GYMNASTIC MEET**

Mr. Van Patten recommended that the Gymnastic Meet for this year be held at the Mark Keppel High School gymnasium on Thursday, April 27. It was moved by Mr. Fischer and seconded by Mr. Hayhurst that the recommendation be approved. Carried.

**BUDGET REPORT**

The Council at its meeting on February 5, 1944, directed the Executive Committee to recommend a budget for the year 1944-1945.

Mr. Van Patten presented the summary of expenditures and receipts for the calendar year 1943 that follows.

**C.I.F., SOUTHERN SECTION,  
EXPENDITURES FOR THE CALENDAR  
YEAR 1943**

Office help .....	\$ 279.35
Council and Executive Committee	
Mileage .....	132.46
Salary (S. F. V. P.) .....	1,691.40
Postage .....	120.00
Mileage (S. F. V. P.) .....	88.40
Telephone .....	216.81
Office supplies .....	58.85
A. A. U. membership .....	10.00
Southern California Football Association (Instructional material for two years) .....	50.00
Printing .....	207.73
Ribbons (Western Badge Company) ..	213.39
Medals and trophies (Hollywood Trophy Co.) .....	378.57
Tennis balls .....	59.33
Track (El Monte Divisional Meet) ..	38.05
Wrestling .....	22.50
Golf .....	7.50
Bond (For S. F. V. P.) .....	5.00
U. S. Internal Revenue .....	147.21
<b>TOTAL .....</b>	<b>\$3,726.55</b>

**C.I.F., SOUTHERN SECTION,  
RECEIPTS FOR THE CALENDAR  
YEAR 1943**

Dues .....	\$2,250.00
Track .....	400.00
Swimming .....	100.00
Wrestling .....	30.00
Tennis .....	60.00
Gym .....	15.00
Interest .....	30.00
Basketball .....	115.00
Baseball .....	20.00
<b>TOTAL .....</b>	<b>\$3,020.00</b>

It was moved by Mr. Hayhurst and seconded by Mr. Bergstrom that we recommend to the Council that the Annual Dues for the year 1944-1945 be set at 5c per A.D.A. and that the minimum dues for any school be \$10.00. Carried.

It was the belief of the Executive Committee that the increased Annual Dues plus what may reasonably be expected from play-off games of football next season will provide enough money to meet the expenses for the year, cover the deficit, restore the Commissioner of Athletics to his former salary, and possibly add a small amount to the reserve.

### THE NEXT COUNCIL MEETING

Mr. Thompson, President of the Council, discussed with the Executive Committee the time and place for the next meeting of the Council. It was decided to call the meeting at 9:00 A. M., Saturday, May 27, 1944. Mr. Van Patten was directed to arrange for a meeting place if possible at the University of Southern California. The early hour was agreed upon in order that Council members may see as much as possible of the all day track meet.

The meeting adjourned at 5:40 P. M.

### TOPICS OF DISCUSSION

Two topics which will be brought to the attention of the Council on May 27 were discussed at some length. They were: Municipal recreation projects as related to schools. Disorderly tendencies among spectators at high school athletic contests.

### INGLEWOOD GOLF TOURNAMENT

The eighth annual Inglewood High School golf, driving, and putting tournament will be held on the Inglewood Country Club Links on Monday, April 17, 1944. Mr. William J. Worthington of the Inglewood High School is the Tournament Manager.

### FOOTBALL GAME WANTED

The Redondo High School has an open date in its 1944 football schedule on October 6. Any school wishing to receipt for a good vigorous practice tussle on that date should contact Mr. Hobart Uhls, Director of Athletics at Redondo High School.

### THE PHYSICAL FITNESS PENTATHLON PERFORMANCE REPORTS

For general information in regard to the C.I.F., Southern Section, Physical Fitness Pentathlon for the 1944 season, Principals and Directors of Physical Education are referred to the enclosed copy of a Special Bulletin sent out from the C.I.F., Southern Section, Office on February 18, 1944. A sample of the Physical Fitness Pentathlon Award and a copy of the Performance Report were sent with the Special Bulletin of February 18.

With this Bulletin more copies of the Performance Report are enclosed. They are in three colors: White, pink, and green. To facilitate handling the necessary tabulation work in the C.I.F. Office, Principals are asked to report Class A boys' performance on the white sheets, Class B boys' on the pink sheets, and Class C boys' on the green sheets.

For the Class A boys whose performances are reported on the white forms, the age, height, weight, and exponents need not be given.

For the Class B and Class C boys, the age, height, weight and exponents **MUST** be given. The age should be given as of September 1, 1943.

Give the boys' ages in years and months (16-5 will be interpreted to mean that the boy was sixteen years and five months of age on Sept. 1, 1943). The height and weight should be given as it was recorded in either September, 1943, or February, 1944.

Any school that is fortunate enough to have an artistic penman among its members may elect to have the Certificates of Award sent without being filled out. If the Awards are filled out at the C.I.F. Office it will be done with a typewriter. When Performance Reports are sent to the C.I.F. Office any school that prefers to fill out the Awards for its boys is asked to so notify the Commissioner of Athletics.

Performance Reports must be mailed (Post Marked) not later than April 22, 1944. Be sure they are addressed to the C.I.F. Office, 1955 Fremont Avenue, South Pasadena.

**IMPORTANT:—EVERY SCHOOL MUST REPORT THE NUMBER OF BOYS IN THE SCHOOL WHO WERE SCORED IN THE FIVE EVENTS IN THE PENTATHLON.**

### PHYSICAL FITNESS DIRECTORS

The State Department of Education, the National Office of Education, the Army, the Navy, the Marines, and the Air Force are all urging high schools to stress physical fitness for all of our boys.

The Man Power Commission and the Selective Service are taking our trained physical educators as fast as they can get them.

Everybody is agreed as to the absolute necessity of physical fitness for all men who go into any branch of the combat service.

How can our high schools solve the problem of fitting our boys for active duty on the combat front as they graduate?

It cannot be done by turning the job over to our women teachers. It cannot be done by the aged, infirm, and effeminate among our men teachers.

We believe the interests of our boys, and the effectiveness of our combat services would be best served by returning as many as practical of our trained physical educators to the high schools. If these men were kept in the army training camps until they had earned a commissioned officer's rating, and had become indoctrinated with the best that has been learned about physical fitness, and were then returned to their schools as commissioned officers, in uniform, we believe the question of physical fitness for our boys would be well on the road to solution.

### FINAL SWIMMING MEET CHANGED

It has been found necessary to change the location for the Swimming Finals, set for Saturday, May 13, 1944. Instead of being held in the Beverly Hills High School pool, the meet will be at the Compton Junior College pool.
