OFFICIATING TEAM GAMES
The Southern Section of Athletics, during the month of February, attended a meeting of the Desert-Inyo League at Inyo-Kern, and a meeting of the San Luis Obispo League at San Luis Obispo.

These distant leagues have the same problems that are common to the leagues located nearer the metropolitan center. They discussed schedules, playing fields, C. I. F. rules, league rules, trophies, and especially officials for their team games.

The officials in these distant leagues are not full of go-forward, basketball, and track officials. Quite the reverse seems to be the condition that is most common. Well trained, hustling officials do not exist in anything in like sufficient numbers to meet the demands.

The C. I. F., Southern Section, office has been sending to several regions examination questions and other educational material prepared by the officials associations which meets in Los Angeles. This school year this material has gone to the two leagues mentioned above. This material has served a purpose, and, in neither of these distant leagues do they have an officials association that is well organized to get the full value from the examination papers and other aids.

In the Southern California Officials Association which meets in Los Angeles, they have developed good leaders and good organizers and the educational work is on a high order. If a member takes the course offered by the football or basketball association and passes the examination with a good grade and shall cannot do a good job of officiating, he just hasn't got it in him to be an official. He had better write from the work.

The outlying leagues will have to develop leadership and organizing ability among their members and in that way put over a good educational program. It has taken the Los Angeles association more than a decade to build up what it now has in the way of an educational program. The result in a fine list of splendid officials, makes the set-up entirely worth while.

Contents With Los Angeles City
At the Council meeting of February 1, Mr. Van Patten was instructed to negotiate with the L.A. City Section of the C.I.F., looking to the arrangement of inter-sectional contests between champions of the L.A. City Section and the C.I.F., Southern Section. Mr. Van Patten reported that he had talked with the L.A. City Schools and a tentative plan had been agreed upon which would lead to contests in gymnastics, swimming, tennis, golf, and baubseball. He reported also that the athletic committee of the Los Angeles County Board of Education had approved the proposals.

It was moved by Mr. Konold and seconded by Mr. Hayhurst that the report be approved and the arrangements of further details be left to Mr. Van Patten. Carried.

The practice of changing the order of events in the final meets will be discussed at the next Council Meeting.

Division Meet Regulations
Mr. Van Patten submitted the following points of importance regarding qualifying boys for the final meets:

The Executive Committee directed that these facts be published in the Monthly Bulletin and that copies be submitted to the school bulletins and that they be supplied to the leading officials at the divisional meets.

C.I.F., SOUTHERN SECTION TRACK RULES

Who May Compete in Divisional Meets
Each of the nineteen leagues in the C.I.F., Southern Section may qualify three (3) boys for each event on the track and field program. Free lance schools may compete in some qualifying meet approved by the Commissioner of Athletics.

Who Qualifies for the Final Meet
TRACK EVENTS: In the sprints and hurdles, the winner in each of the five divisional meets qualifies for the final meet. Three others are chosen for sprints and hurdles on the basis of the time made in the divisional meets. For all other races, eight boys are chosen on the basis of the time made in the relay meets only seven teams will be chosen for the finals.

FIELD EVENTS: Eight boys are chosen in each event for the finals on the basis of height or distance made in the divisional meets.

Very Important
Every boy who gets into the finals, except the winners in the sprints and the hurdles, gets his chance in the finals on the basis of what he does in the preliminaries. If he is not chosen in each event to compete in the finals by the track committee, his name will be chosen on the records made in the divisional meets. In the relay only seven teams will be chosen for the finals.

THE COMMITTEE OF THE SOUTHERN SECTION CERTAIN THAT HIS BOYS UNDERSTAND THAT IN THE DIVISIONAL MEET THEY ARE COMPETING AGAINST ALL THE BOYS OF SOUTHERN CALIFORNIA.

For Example: A boys at the San Diego Division meet is representing the entire 440 yard race and there may be eight other boys in Southern California who may be the best 440 yard runners of the San Diego race. The San Diego boy should give his all to make sure that he will be among the first eight.

In the high jump and pole vault when a boy has won either of these events in the divisional meet must continue until he is eliminated. He is competing against boys in the other four divisional meets.

Ties for Places
Wherever ties in time, height, or distance qualify more men than the number authorized, the men tied are to qualify in the order of their placing on the Tuesday preceding the finals or forfeit their right to the place.

Class B and Class C Tennis
An Entry Blank for the Class B and Class C Tennis Championship Tournament must be returned to the C.I.F. Office by Wednesday, April 9.

Gymnastic Meet
The gymnastics championship meet will be held at the Beverly Hills High School on Saturday, May 3. The preliminaries will be held at 2:00 P.M. The finals will be held in the evening starting at 7:30 P.M. Entry blanks will be sent to all schools April 21.

Orange League Sportmanship:
Each year the Orange League awards a permanent trophy to the school displaying the sportsmanship by the combined football and basketball season. Three students and one faculty member of the opposing school act as judges using the following rules:

(1) No encouraging either between players.

(2) Cooperating with the officials.

(3) No leaving the bleachers and going on the playing field.

(4) NoRecord-keeping in the sands.

(5) No throwing of missiles in the stands.

(6) No drowning out of opponents yells or songs.

(7) No invading of opponents bleachers.

(8) No railing of officials, players or individuals.

At the end of the season the faculty representative of the school in which the score is the lowest decides the score for the season and make the award. Valencia High School of Placentia, was presented with this trophy by the February 24th meeting. The schools truly believing that they are building an Orange League. They have reason to proud of this achievement. Congratulations Valencia.

Sanctioned Events
All schools are reminded that no athletic event is open for competition to boys from our high schools unless it is sponsored by one of our member schools and sanctioned by this office.

We have no control over the activities of the Colleages, 20-30 Clubs, Junior Chamber of Commerce, etc. and boys from our schools may not compete in activities that are managed by such organizations unless some one of our member schools acts as sponsor.

Activities open to the schools of a single league and sponsored by one of our member schools need no sanction.

Inter league activities must be approved by the C.I.F., Southern Section Office. The C.I.F. Office is responsible for seeing that these activities do not interfere with each other.
FOOTBALL BYE DATES
The following schools have football bye dates which they wish to fill for the 1947 football season. When a school fills a date, please notify this office that we may take the date off of the list.

PROPOSED PLAN FOR TENNIS TEAM PLAY IN ALL LEAGUES OF THE C.I.F., SOUTHERN SECTION

1. Each Coach is professionally obligated to play his players in positions directly related to his ability as indicated by “Continuous Single Ladder” throughout the season.

2. Teams are to consist of nine players.

3. The “First Doubles” team must be chosen from the within the first five players on the continuous ladder.

4. The “Second Doubles” team must be composed of players whose number ratings on the ladder when added together are not less than the average of the numbers of the “First Doubles” team.

5. The team scoring is as follows:
   - Total possible points: 69
   - Points necessary to win: 35
   - First singles winner: 10
   - Second singles winner: 9
   - Third singles winner: 8
   - Fourth singles winner: 7
   - Fifth singles winner: 6
   - First doubles winner: 15
   - Second doubles winner: 14
   - Total: 69

6. Eligibility lists are to be exchanged between competing schools prior to the team schedule, with the players listed in the order in which they are rated currently on the “Continuous Singles Play” ladder.

7. Matches are not to be forfeited. The absence of a player or players on the day of a match is handled by substituting the next player below his rating and elevating each other player below until each match is qualified to be played on the same basis as stated in No. 1, No. 3, and No. 4.

8. All competitive sports the Coach is expected to field the best team of eligible contestants that he has at his disposal on that day.

Note: A careful check of the scoring plan will indicate that it is necessary for at least five (more than half) of the players to win their matches in order to win the team contest. This eliminates the “jockeying process,” as the strength of the team must be played at the top in order to win.

PROTECTION MAY COST MORE
Due to the fact that doctors’ fees under the Industrial Accidents Commission were raised about 20 per cent November 1, 1946, the C.I.F. Protection Fund may run behind some for the school year 1946-1947. Doctors charge the C.I.F. Protection Fund fees that are charged by the Industrial Commission.

The Board of Directors of the C.I.F. Protective Fund will determine at their May 31 meeting at Visalia how the probable shortage in the Fund will be met.

TRACK AND FIELD IN 1947
NATIONAL RECORD: Only one national high school record was established last year. This was the shot put and the new record holder is John Helwig of Mt. Carmel Catholic High School of Los Angeles, California. His new record is 59 feet 5 1/2 inches. Except for John Helwig, no new names were added to the list of record holders for the decade 1940-90.

CROSS COUNTRY: This year’s sectional meet will be held on December 13, 1947, at the Los Angeles Athletic Club, 614 South Hope Street, Los Angeles, on Monday, December 14, 1947, at 6:30 P.M.

Mr. Van Patten stated that it was probable that the C. I. F. play-off games in football could not be finished in time to have the winner play the L. A. City team.

It was moved by Mr. Sloan and seconded by Mr. Hayhurst that the intercity contract be set for the L. A. Coliseum on December 13, 1947, and that all details of the game and the methodologies of the teams be left to Mr. Lopez and Mr. Van Patten to plan and present to a later meeting. Mr. Hamilton called for a roll call vote. The motion was carried unanimously.

It was moved by Mr. Hayhurst and seconded by Mr. Houston that Mr. Lopez and Mr. Van Patten be authorized to sign a contract for the L. A. Coliseum for December 13, 1947, for the game.

Mr. Van Patten announced that the intercity gymnastics meet would be held at the Hollywood High School on Friday, May 9, and that the intercity swimming meet would be held on June 15, at which the L. A. Swimming Stadium will be available. Mr. Lopez will manage these two activities.

Mr. Van Patten stated that the baseball plans were only tentative at this time and no announcements were ready yet.

The price of admission to the gymnastics, swimming, and baseball games was discussed and the length. It was moved by Mr. Reeves and seconded by Mr. Houston that the price of admission be set at 90 cents for adults and 30 cents for pupils, subject to the tickets be divided 50-50 between the C. I. F. and that the sale of student tickets end with the lunch period the day of the contest or on Friday before the contest on the Saturday. Carried.

It was informally agreed that Mr. Lopez and Mr. Van Patten could ask for another meeting of the two committees when in their judgment one was necessary.

The joint meeting adjourned at 6:45 P.M.
