CIF-CHAMPIONS 1961-62

CHAMPION CHAFFEY BASKETBALL TEAM

The championship Chaffey HS squad is shown just after winning the CIF, SS basketball Championship from Arcadia HS 55-51. Co-captains Steve Beucker and Bill Nafael are in center holding beautiful CIF, SS trophy. Coach Jim Blake and Principal Ernie Payne are standing right with Commissioner Ken Fagans on the left.

CHAFFEY TIGERS WIN CIF, SS "AAA" CAGE CROWN

Co-Captain Steve Beucker, the tournament’s most valuable player, lifted Chaffey HS to its first CIF, SS "AAA" basketball championship in three decades on Saturday, March 10, as the Citrus Belt League champs took the measure of Arcadia, 55-51, before a turnover crowd of 3,279 bowling fans.

Chaffey is an outstanding team and strongly deserves to be called tops among the 32 outstanding teams that qualified for the play-offs. The Tigers are solid at every position and, although lacking in height, make up for it with a strong bench. In spite of the relatively close score at the finish, Chaffey appeared far superior to the tired Apaches. Nevertheless, it was Arcadia that made Coach Jim Blake’s team hustle at the finish.

Showing the kind of balance it takes to win a tournament of this kind, Chaffey’s three frontliners each scored 12 points in the finals. Doug Balcom hit 19 for Arcadia to capture high point honors for the game.

The game was fairly close for the first half but then Chaffey opened up a 45-31 lead shortly after the fourth quarter got under way. It appeared as that stage that it was all over but the shouting. The Arcadia boys were not dead yet, however, and they continued to battle back to close the gap to four points on successive field goals by Balcom and a free throw by Mike Fields. With 2:08 remaining, Chaffey’s once imposing 14-point lead had been reduced to just two field goals.

It was then that Gary Spencer, perhaps the most underrated player on the team, took control
of the situation. He drove for two points and hit a one-handed push shot for another pair and a Chaffey victory.

Chaffey's victory closed out its slate with a 28-3 record, including five tough tournament games with an unscored, an unscored, bad enough, poor enough despite the loss in the finals. It won its first 14 playback contests in doubles over-time, knocking off top rated Anaheim in one of them. They showed plenty of hustle on Saturday, but not enough to overtake Chaffey.

The consolation game involving Glendale and L. B. Poly was a real thriller with the Dynamites taking advantage of their superiority in height to capture a 71-59 victory, which earned them the third place trophy. In the semi-finals Glendale knocked off Chaffey 63-61, and Arcadia's Cinderella team defeated L. B. Poly 65-56.

All of the prep sports writers in attendance were asked to submit a vote for the outstanding player of the tournament and when the ballots were counted, big Steve Brucker of Chaffey edged out his even bigger John Block of Glendale. This was a most deserving honor because without the play of Brucker's and shooting of Brucker, Chaffey could not have captured top team honors in this year's play-offs.

There were 1000 people in evidence throughout the play-offs which were one of the most successful ever staged by the Southern Section. After overrunning Long Beach City College, we have now reached the stage where L. A. State College will no longer hold the spectators that want to edge out their even bigger John Block of Glendale. This was a most deserving honor because without the play of Brucker's and shooting of Brucker, Chaffey could not have captured top team honors in this year's play-offs.

Problem Resolution

ROY SAARI SMASHES NATIONAL SWIM RECORD

Roy Saari, a member of the Southern California Track Starters Association was stopped in Los Angeles for a minor traffic violation and it was discovered that he had a compartment full of his car's 32 caliber small arms pistol and a box of blank service ammunition. He was not intended to use to start a high school track meet. It appears that this pistol was not registered and was in violation of the State's Firearm Law. Roy Saari of Los Angeles.

In order to resolve this problem considerable correspondence has taken place between our local officials associations and the Fire Prevention Engineer of the Public Safety Section of the City of Los Angeles. We would like to reproduce a letter received from the L. A. Fire Department for the information of all concerned.

"Gentlemen:

In reply to your request, this letter will be an authorized letter for your information or organization, who have proper identification showing current membership, to purchase, transport and use, within the city of Los Angeles, blank cartridges to be used in connection with athletic and sports events, as provided by Section 12761 of the California Health and Safety Code.

"No starter shall have within his immediate possession any 32 caliber small arms pistol or blank cartridges. Said blanks shall be kept within his immediate control and are not to be used for any other purpose than in connection with said athletic or sports events.

"Be further advised that all starter pistols are to be used only for the purpose of starting, serial number and are to be recorded with the Bureau of Criminal Identification and Investigation in Sacramento, California. An unregistered, unregistered gun is classified by the State Health and Safety Code (Fireworks Law) as "Dangerous Fireworks." Therefore, it is subject to seizure and destruction and the possessor is liable to fine or imprisonment. At any time subsequent to April 13, 1962, Fire Chief will seize such guns when and if found and prosecute the one in possession.

"Your cooperation and compliance will be appreciated.

Very truly yours,

William L. Miller

"Fire Chief"

At the moment this is only a problem in the city of Los Angeles and our member schools located in this city should comply with the ruling if they have any blank pistols used in practice or practices meet in swimming and track. We have not heard that Los Angeles and other events in Southern California are attempting to enforce this state law.

1962 STATE HIGH SCHOOL TRACK MEET TO BE HELD AT NIGHT

Whitehall Stadium, the site of the CIF, SS office that the 1962 California High School Track and Field Meet, scheduled for Modesto on Saturday, June 2, will be conducted under tight security. Preliminaries will get under way at 7:00 P.M. with the finals beginning at 7:00 P.M.

The Commissioner is looking into the possibility of the CIF, Southern Section providing free transportation to this meet for our qualifiers by chartering a bus. The CIF, SS, if need-
NEW CIF, SS "A" BASKETBALL CHAMPION CROWNED

After winning, which featured three straight CIF, SS Small School basketball championships, the Saints of Santa Clara HS in Oxnard were finally dethroned by the band of Arrows from Laguna Beach 58-54 in a pressure-packed championship played before an overflow crowd of 1,400 in the Fillmore Union High School gymnasium.

The loss not only ended the Saints three-year reign, but it also brought an end to a pair of win streaks. They had won 16 consecutive CIF, SS play-off games and their last 14 wins of the season. Their defeat for the championship but they took it well and were the first to congratulate their opponents.

With only one senior on the Laguna Beach starting five, it appears that Coach Ed Bowen's beach city crew is going to be tough to beat for the next few years. They are a well-coached outfit and never give up. They are led by a red-headed guard named Ron Lutz, who is one of the most phenomenal shooters ever seen in high school circles. He scored a total of 26 points for his night. The rest of his baskets were made from as far out as forty feet. He takes a great many shots but his percentage is good and he seldom misses by far.

The Saints started out with a strong shooting attack and their defense was very good. Saint center Jerry Vinson led the first quarter attack with six points and eight rebounds. Laguna was cold against their first basket until five minutes and 20 seconds of the period had elapsed. At this stage of the game it appeared that Santa Clara was well on its way to its third consecutive championship.

As the second period opened, Santa Clara hit a cold streak and Laguna found the range. The Saints shot six of eight in the first minute and the game was tied 30-26. The Arrows took the lead for the first time 39-38, late in the third quarter. From then until the end the game was neck and neck, with neither team gaining an advantage.

In the fourth period, which was a far better fighting game than the third, Laguna was out to score first, but two points of the period tied the game back to 3 points. The Arrows led the game back to 3 points, and then traveled to and out with no two points remaining a Santa Clara player intentionally fouled a Laguna player for a two shot foul. Anderson calmly stepped to the free throw line and made both of them to sew up the first CIF, SS basketball championship in the history of Laguna Beach HS.

Lou Cevianovich, the losing coach, wasn't too disappointed in his team's performance, but felt that in spite of hitting 2 of 8 free throws, his team hit on the free throw line was the big difference. His team hit on only six of eighteen while Laguna recorded 18 out of 27 tries. Many of Santa Clara's misses came in the last half on the first try of one and one. Coach Ed Bowen of Laguna praised his young cagers for their "terrific season".

Jim Mercer and Steve Mleich, two Pacific Coast Conference officials, declared that their officiating of the game did an outstanding job in a difficult situation. With the gym filled to capacity the noise was deafening and many times the officials' whistle could not be heard. The players, coaches and spectators, however, exhibited great sportsmanship at all times and the contest was a credit to all concerned.

Eighteen small school quintets entered the 1962 basketball play-offs and although there were distance problems with many schools having to travel many miles for contests, everyone was well pleased with the program and is looking forward to the 1963 play-offs.

Results of all games played follow:

**FIRST ROUNDS:**

Santa Tern 40; Fillmore Central 58
**CHAMPIONSHIPS:**
Laguna Beach 58; Santa Clara 54

COORDINATED EFFORT NEEDED IN SCHEDULING GYM MEETS

The unprecedented and rapid growth of the sport of girls basketball in Southern California has made it exceedingly difficult for schools to secure competent men to hire as judges for dual competition. It appears that the majority of schools conduct their meets on the same days, which aggravates the situation.

Mr. Guy Wrunker, Supervisor of Athletics for the L.A. City Schools, in an effort to relieve the situation, has designated this office that in 1965 his schools will schedule all dual gymnastics meets on Thursday, and all girls basketball and tennis meets on Wednesday. This in mind we are asking all Southern Section schools, when arranging their 1963 gymnastics schedules, to conduct all meets on any day except Thursday. This will enable judges to work for L.A. City schools on Thursday and save the needs of our schools on other days.

We are confident that all of our coaches will cooperate in this joint venture, which I am certain will greatly benefit all concerned.
WHO LETS THE GAME GET OUT OF HAND?

It is not unusual for the State Office to receive reports from coaches and athletic directors to the effect that the officials "let the game get completely out of hand." Each time such a report is received we wonder whether the officials should be called upon to accept the entire responsibility. Who is really letting a game get out of hand? Who is held responsible for unsportsmanlike conduct? SP or this particular group? On this basis Association rules are quite clear. It is the responsibility of the schools and the school representatives to maintain the highest ethics of good attitudes and good sportsmanship. The officials can only inflict penalties, and, when occasion demands, eject players from the game. This authority is not always enough to insure sportsmanlike attitudes.

To be sure, a competent official, one who has the knowledge and the courage to call a game the way it should be called, can sometimes by the sheer force of his personality keep the game from becoming a brawl. Yet, there are situations where a coach must intervene. As soon as a coach sees one of his players lose his temper or otherwise conduct himself in an unsportsmanlike manner, he should replace this player at the first opportunity. This should be done, not only for the possibility of gaining a decision, but because a player in this state will seldom play good ball and may cause his team to be penalized. Quite often a conference with the coach will cause the disturbed player to settle down and regain his composure, a condition in which he might be permitted to return. If, thereafter, his conduct has not improved, he should be withdrawn permanently.

No coach has a right to expect an official to serve as a disciplinarian. Instilling right attitudes and controlling the emotions of players under his direction remains the coach's prime responsibility and his greatest privilege.

This matter of keeping a game under control is the joint responsibility of the coach and the officials. The responsibility thus places coach and official on the same side. Any actions on the part of a coach which would indicate to the spectators that he must "defend and protect" his players against the officials is looking for, though often hidden, a cheap sym pathetic role, which may be furthered, inciting a riot. The official who is inconsistent, hesitant, inefficient and lacking in courage, increases the problem of the coach as he tries to keep his players on an even keel. With coach and official presenting a united front and giving the impression of working toward a common goal, no game should ever get out of hand.

Back row: Dave Tollefson, Asst; Coach; Dave Birmingham; Bob Bonshem, Head Coach.

SOUTH TORRANCE HS WINS CIF, SS WRESTLING CHAMPIONSHIP

A new power emerged in Southern California prep wrestling circles as South Torrance HS amassed a total of 48 points to capture the CIF, SS Wrestling Championship in a meet held before 1,300 rabid fans at Hawthorne HS, Friday, March 2, 1962.

Coach Bob Bonshem brought only four boys to the finals but they came through like true champions to take one second and three first place medals to account for their winning total of 48 points. A tie occurred for second place team honors when Simi and Upland each scored 29 points. As is the custom in CIF, SS championship activities, duplicate awards are always given, so both of these fine teams will each receive a second place trophy.

dick Tamber and Dave Birmingham of South High, who were the winners in the 195 lb. and heavyweight class, respectively, had the unusual distinction of completing the entire season without losing a match. Other boys who also went undefeated for the season included Wyone of Simi in the 138 lb. class; Murant of Santa Monica in the 112 lb. class; and Monkawa of Simi, the Japanese national champion in the 113 lb. class. This is a tremendous achievement for these boys and there is no question but that we will hear more from them as time passes.

Bob Anderson and Dennis Adbury aided South High's cause as they took a first and second place

in their respective divisions. Only one 1961 champion was able to repeat in the same weight class and that was Martinez of Upland, who captured the 103 lb. title for the second consecutive year. Wyone of Simi won the championship in the 133 lb. class last year and this year moved up a weight class to capture the 138 lb. title.

Forty-four schools were represented in this year's finals with 11 of them scoring points. All of the participating teams were well pleased with all phases of this year's wrestling program and they join in congratulating the 'champs' in this point to all of the meet managers and school administrators who contributed so much of their time and energy to assure the success of the prelims and the meet proper.

The prelims were held on Saturday, February 24, at Whittier and Aviation FHS with Bill Vincent and Vic Lopez serving as managers of their respective meets. Dean Burchett assumed the position of supervisor for the Whittier meet and kept things moving along with a minimum of confusion. Otto Plummer served in the same capacity for the preliminary meet at Aviation FHS.

The Championship meet at Hawthorne HS was a well organized activity due to the planning by Otto Plummer, who served as tournament director. A tasty meal was served in the school cafeteria for all contestants just prior to leaving the campus to seek sustenance. The Hawthorne High School's Victory Queen and her court of beautful princesses were on hand to present the winners with their well deserved medals.

A meeting of league wrestling representatives is planned in the near future for the purpose of reviewing the 1962 season and formulating plans for the 1963 CIF, SS wrestling program.

The results of the Championship meet and points scored by each team follow:

PROBLEMS IN COUNTRY AND TRACK FIELD

Reports have reached this office that many state interscholastic coaches are violating CIF, SS rules and regulations in the conduct of their interscholastic track and cross country programs. We realize that many of these infractions occur because of a lack of knowledge on the part of the coach and/or lack of cooperation from the particular sport. This is no excuse, however, as the rules are clearly stated in the Blue Book. Whenever there is a question as to the proper interpretation, coaches should contact the Commissioner for such information.

Partly concerned we are listing the following violations with an explanation of the proper ruling covering each situation:

1. In a dual cross country meet a coach permitted an ineligible boy to enter the race without counting his points. Such behavior is not permitted at CIF meets.

RULING: An ineligible boy may practice or work out with a high school squad but he may not take part in any capacity in an interscholastic athletic contest. He has not earned the right to compete even though his points were not count and no coach has the right to permit this to happen.

2. In a dual track meet a coach permitted a boy who had just completed an 880 yd. event to enter the mile as an unattached individual with no points counted. Such practice is not permitted at CIF meets.

RULING: Contestants may compete in only one of the 440, 880 and mile events. Entering a boy in both the 880 and mile run even though his points did not count in the second event would be a violation of the spirit of the rule and will not be count.

3. A coach ran a boy as a Class B entrant on Tuesday and then on Saturday of the same week he entered him in the open division of an invitational meet. This is not permitted in CIF meets.

RULING: A boy may not compete in two classifications in the same calendar week. An open division event can only be considered Class A, because varsity boys are eligible to enter.

SPRING FOOTBALL PRACTICE

All collegiate coaches are reminded that there has been a change in CIF, Southern Section regulations governing the conduct of spring football practice in high member schools. For detailed information we would like to refer each coach to Articles XXXII, XXXIII, XXXIV and XXXV of the Blue Book in the 1961-62 Blue Book. All coaches should acquaint themselves with these regulations and if any questions arise, it is suggested that you phone the Commissioner prior to May 1.

In connection with spring football practice, a question has already arisen as to whether or not it would be permissible for boys to wear a regular home team uniform during the practice period. Although this would be protective equipment, a decision has been made to permit boys to work out in the home team uniform if they so desire. Because the rule requiring the wearing of a mouth protector in football games is a new one, we feel that spring practice would provide an excellent opportunity for boys to accustom themselves to the wearing of this new protective device.

MUIR HS GYMNASIUM TIES WORLD RECORD

Steve Leidner, a senior at Muir HS in Pasadena, tied the world's record in the Rope Climb when he recorded the fantastic time of 2.8 seconds in an invitational meet held at El Rancho HS on March 16, 1962. It was an unbelievable performance that left the capacity crowd in attendance stunned for a brief moment. Leidner broke into tremendous applause for this fine young gymnast.

One idea as to the magnitude of this performance may be gained when one stops to consider that the CIF, Southern Section, record is 3.3 seconds. Although this will not count as a new CIF, SS record because it was not made in either the prelims or finals of our championship meet, there seems to be little doubt that a new record will be established at our preliminary meet scheduled for May 11, 1962.

Fourteen schools competed in this great invitational meet held at El Rancho HS under the management of Coach Tom Eads. Baldwin Park High School's fine squad took top team honors by scoring 311 points. Host El Rancho scored 29 points to take rum-up honors and Lakewood HS finished third with 14 points.

EXPERIMENT BEING MADE WITH LEAGUE BASEBALL SCHEDULES

It has always been a goal of the Southern Section to arrange league baseball schedules to provide for two rounds of each school meeting every other week and at least one school once in the first round and once in the second round. During the past two seasons the school will meet two different opponents in the same calendar week. This presents a problem for the coach who has one outstanding pitcher. He must decide in which game he will start his ace hurler. Coaches many times save their star pitcher to hurl against particular opponents. Usually, the break of the schedule oftentimes has a major effect on determining the final outcome.

In an effort to reduce this unfair situation, the Bay League has arranged their 1962 baseball schedule to provide that a team will meet each opponent twice in the same calendar week with both games being scheduled on a Tuesday and Thursday. This makes it possible for all the schools to meet each other in the same week and will complete the competition between the two schools for the season.

The new plan of scheduling has merit and should tend to reduce some of the inequities that always seem to crop up in the accepted type of scheduling. It will be interesting to get the reactions of the Bay League baseball coaches at the conclusion of the season relative to this revolutionary plan that has been initiated.

NEW CIF, SS DIVING CHAMPION IN ACTION

A new CIF, Southern Section, diving champion was crowned at the finals of the Championship Swimming and Diving Meet held at Beverly Hills HS, Friday, May 4, when Larry Anderson of Garden Grove HS, dethroned the defending champion, Jack Fury of Mater Dei HS.

The capacity crowd was treated to a superb exhibition of diving as the six boys prep divers in Southern California performed in a flawless manner. The two Orange County boys battled throughout the competition but Anderson had a perfect night and scored 391.80 points to his opponent's 362.40. They proved to be the best out of a field of nearly forty prep divers who began the competition at Beverly Hills on Wednesday, May 2.

During his rather brief career, the new CIF, SS Diving Champion has accumulated many honors in competition with the best divers in the country. In 1961 he was fourth in the tower competition in the National AAU Diving Championships and sixth in the 3 meter springboard competition.

This year young Anderson captured the Garden Grove Interscholastic Diving title, won the Sunset League crown and took ninth place in the Senior National AAU Indoor Swimming and Diving Championship at Bartlesville, Oklahoma. Only a junior, we look for Anderson to repeat again next year as CIF, SS champion and in two years he will be one of the top diving honors in the Olympic Games to be held in Tokyo, Japan.

C.I.F., SOUTHERN SECTION MONTHLY BULLETIN

Vol. 25
MAY, 1962
No. 9

MINUTES OF EXECUTIVE COMMITTEE MEETING APRIL 9, 1962

The meeting was called to order by Mr. Keith Gunn, Chairman, at the CIF, Southern Section Office, at 1:30 P.M., on Monday, April 9, 1962. Members present included Messrs. Winston Nelson, Asst. Supt. of Schools of Pomona; Frank O. Hopkins, Superintendent of Schools at Brea; Marion Hyas, Vice Principal of Harvard School; Harold Wester, Vice Principal of Hawthorne HS; Robert D. Ashton, Assistant Superintendent of Schools for the Exeter District; John R. Taylor, Principal of Northhoff HS; Arthur T. Hobson, Principal of California HS; Charles Ronin, Vice Principal of Redlands HS; and Kenneth Fagans, Commissioner of Athletics.

1. It was moved, seconded and carried that the Minutes of the January 12, 1962, Executive Committee meeting, be approved as published in the February, 1962, Monthly Bulletin.

2. It was moved, seconded and carried that the Executive Committee recommend to the Southern Section Council that Laura HS of Anaheim and the Marian Colbert School of Los Angeles be accepted as regular members of the CIF, Southern Section.

3. After a review of the baseball schedule of Needles HS, it was moved, seconded and carried that in order to qualify for the 1962 "AA" baseball play-offs, Needles HS must win all but three of the following eight games on their schedule: March 23, Basic; March 25, Green Valley; March 28, El Rancho; April 7, Palo Verde; April 13, Boulder; April 14, Twentynine Palms; April 18, Gorman; and April 27, Barstow HS.

4. After a review of the baseball schedule of Savannah HS, it was moved, seconded and carried that in order to qualify for 1962 "A" baseball play-offs, Savannah HS must win all but three of the following eight games on their schedule: March 28, El Rancho; March 31, Chino; April 10, Elsinore HS; April 13, Mater Dei HS; April 17, Santiago HS; April 19, Magnolia HS; April 26, Mater Dei HS; and May 4, Sevco HS.

5. An invitation for four SS Class A, B, and D Diving Championships at Bartlesville, Oklahoma. Only a junior, we look for Anderson to repeat again next year as CIF, SS champion and in two years he will be one of the top diving honors in the Olympic Games to be held in Tokyo, Japan.
