SWIM PRELIMS, FINALS SET AT BELMONT PLAZA OLYMPIC POOL

Utilizing a new system of qualifying swimmers for the CIF, SS, prelims, the 1969 CIF, SS, prelims and championship meet will be held at the beautiful Belmont Plaza Olympic Pool, site of the 1968 CIF, SS, Water Polo Championships and 1969 CIF, SS, Swimming Relays.

Under the new qualifying system, swimmers were given the opportunity of meeting pre-established qualifying standards in any dual, invitational or league meet after April 1, providing there were three watches timing his lane.

Entry cards, similar to the cards formerly used to place boys into the prelims from league meets, were sent to each school, and swimming coaches are reminded that these cards must be in the CIF, SS, office no later than 4:30 p.m. on Monday, April 28.

The swim prelims will be held on Saturday, May 3, 1969, at the Belmont Plaza facility beginning at 12:30 p.m. Diving prelims and semi-finals are scheduled for the Belmont Plaza pool on Saturday, May 3, beginning at 10 a.m.

The 1969 CIF, SS, Swimming Championships will be held at Belmont Plaza on Friday evening, May 9, beginning at 7:30 p.m.

SITES SET FOR CIF, SS, TRACK PRELIMS, FINALS

Sites for the 1969 CIF, SS, track prelims, semi-finals and championship meets have been established, and track coaches are asked to note them for future reference.

Four sectional meets will be held on Saturday, May 10, at Westminster, Chaffey and Long Beach Millikan high schools and at Sentinel Field in Inglewood, hosted by Morningside High School.

From the prelims, athletes will qualify into one semi-final meet, to be held on Friday evening, May 16, at Cerritos College.

CALENDAR OF EVENTS

MAY

- 2 Gymnastics prelims at Lakewood and Baldwin Park HS
- 3 Swimming prelims at Belmont Plaza Pool, Long Beach
B & C tennis tournament at Santa Ana HS
- 9 Swimming championship at Belmont Plaza Pool, Long Beach
Gymnastics championship at San Gabriel HS
- 10 Track & field prelims at Westminster, Chaffey, L.B. Millikan HS; Sentinel Field (Inglewood)
B & C tennis tournament at Santa Ana HS
- 13 Large school tennis play-offs begin
- 14 B & C tennis tournament at Santa Ana HS
- 16 Track & field semi-finals at Cerritos College Stadium
Baseball play-offs, first round—all divisions
Small school tennis play-offs begin; second round, large schools
- 20 Baseball play-offs, all divisions
Tennis team tournament, both divisions
- 23 Track & field finals, Cerritos College Stadium
Baseball play-offs, all divisions
Tennis tournament, both divisions
- 26 Golf team tournament
- 27 "AAAA" & "AAA" baseball play-off semi-finals
"AA" & "A" baseball championships
Team tennis championships, both divisions

JUNE

- 2 Individual golf tournament at Monticito CC
- 3 "AAAA" & "AAA" baseball championships
- 4 Individual tennis tournament
- 6-7 State Track Meet at UCLA
- 7 Individual tennis tournament

The 1969 CIF, SS, Championship meet is scheduled for Cerritos College Stadium on the following weekend, Friday night, May 23.

From the CIF, SS, championship meet, top varsity finishers will qualify for the 1969 State CIF Track Meet, to be held at UCLA on Friday and Saturday, June 6-7.

CIF, SS, BASEBALL CHAMPIONS TO BE CROWNED IN FOUR DIVISIONS IN 1969 PLAY-OFFS

With an added play-off division because of an increased number of leagues in 1969, four CIF, SS, baseball champions will be crowned when play-off action ends on May 27 and June 3.

In the "AAAA" and "AAA" divisions, first and second-place teams from each league will be placed into the 32-team draw for action which gets underway on Friday, May 16.

"AA" and "A" leagues will send only their league champion into the 16-team play-offs, which also begin on Friday, May 16.

In the "AAAA" and "AAA" divisions, outright league champions and co-champions will automatically be placed into the draw, along with second-place teams from leagues which did not have co-champions.

After these teams have been placed, teams which tied for second place in their league would also be considered for play-off entry, providing there is space left in the draw. Under no circumstances will third-place teams be considered for entry.

In the "AA" and "A" divisions, outright league champions will automatically be placed in the draw, along with qualified free-lance entries. If space still exists, teams which tied for their league championship would then be considered for entry into the play-offs.

Play-off dates for "AAAA" and "AAA" divisions are May 16, 20, 23, 27 and June 3. "AA" and "A" play-off dates are May 16, 20, 23 and 27.

1969 Baseball Play-Off Groupings

"AAAA" — Bay, Channel, Citrus Belt, Coast, Del Rey, Foothill, Freeway, Moore, Pacific, San Gabriel Valley, Sierra, Sky, Sunset and Whitmont.

"AAA" — Angelus, Camino Real, Crestview, Garden Grove, Golden, Irvine, Ivy, Montview, Pioneer, San Antonio, Santa Barbara County and Suburban.

"AA" — Chaparral, Desert-Valley, Frontier, Hacienda, Imperial Valley, Orange, Rio Hondo, Santa Fe, San Luis Obispo (Major), and Tri-Valley.

"A" — Academy, Arrowhead, Condor, De Anza, Delphic, Desert-Inyo (Major), Desert-Inyo (Minor), Hi-Lo, Mountain-Desert, Olympic, Pinon, Preparatory, San Luis Obispo (Minor), Tri-County.

**MINUTES OF CIF, SOUTHERN SECTION, EXECUTIVE COMMITTEE
APRIL 19, 1969**

The April meeting of the CIF, SS, Executive Committee was called to order by Chairman Steve Miletich at 9:00 a.m. on Saturday, April 19, 1969, at the Spa Hotel in Palm Springs.

The following members were in attendance: Chairman Miletich, vice principal, Beverly Hills HS; Richard Spaulding, principal, Buena Park HS; Keith Lee, principal, Yucca Valley HS; Keith Gunn, principal, Victor Valley HS; Rev. John J. Reilly, principal, Mater Dei HS; Lou Joseph, principal, Desert HS; Claud Hardesty, principal, Santa Barbara HS; James Faul, principal, Workman HS; Alex Alexander, principal, Indio HS; Art Hobson, assistant superintendent, Whittier UHSD; Rev. Thomas Kiefer, principal, Bishop Amat HS and Commissioner of Athletics, Ken Fagans.

1. APPROVE MINUTES — It was moved, seconded and carried to approve the minutes of the Special Executive Committee meeting of February 14, 1969, as published in the March 1969, Monthly Bulletin.

2. APPLICATION FOR MEMBERSHIP—It was moved, seconded and carried to recommend to the Council that the Rexford School of Beverly Hills and La Sierra HS of the Alford District be admitted to membership and the Woodruff Jr. HS of Downey and Auburndale Jr. HS of Corona to Associate membership in the CIF, Southern Section.

3. TRANSFER OF MEMBERSHIP—The Alpaugh High School, which is currently a member of the Central Section of the CIF, has re-

quested permission to join the Southern Section so that they may become a member of the Tri-County League and participate in the league's interscholastic athletic program. Because Alpaugh is located near the area of the Tri-County League schools, it was moved, seconded and carried to recommend to the Council that approval be given to Alpaugh High School's application for membership in the CIF, Southern Section.

4. BENNY FRIEDMAN SUMMER FOOTBALL CAMP—The Committee was informed that the Benny Friedman Quarterback Camp, formerly held during Easter vacation, was to be conducted this year during the month of July, at the California Lutheran College in Thousand Oaks. Article XLII, Section 35, would prohibit any boy with remaining high school football eligibility from attending this camp without loss of high school eligibility.

Mr. Friedman indicated that personal problems in connection with his former situation at Villanova Prep School made it necessary for him to hold the camp during July. He requested the Southern Section to waive its rule for this year only, so that the high school boys from our member schools could attend this camp without loss of eligibility.

The matter was thoroughly discussed and it was the feeling of the committee that exceptions could not be made to this rule, particularly when they applied to commercial ventures. It was, therefore, moved, seconded and carried to deny Mr. Friedman's request to waive our out-of-season football practice rule in order to permit Southern Section boys with remaining eligibility to attend.

5. REDONDO VS. MIRA COSTA TRACK PROBLEM—The Vice Principals of Mira Costa and Redondo High Schools requested a waiver of Article XLVIII, Section 3, in order to permit Redondo High School to engage in one dual track meet in excess of the permitted number. The committee discussed the situation thoroughly and it was their opinion that this was a league problem and that CIF rules could not be waived under the circumstances. It was therefore, moved, seconded and unanimously carried to deny Redondo High School's request to schedule an additional dual track meet.

6. LIMITATION ON NUMBER OF CONTESTS IN SANCTIONED TOURNAMENTS — The Commissioner reported that many baseball and basketball tournaments are now being conducted on a round-robin basis, which means that in some cases participating schools are competing in

seven contests in one tournament. Many tournaments are guaranteeing that each participating school will get to play at least three games.

It was the feeling of the group that many tournaments were now being arranged in such a manner that schools would be playing an excessive number of contests. It was suggested that a rule change be proposed to the Council which would make it necessary to charge each school in a tournament with the minimum number of contests played by participating schools.

It was moved, seconded and carried to direct the Commissioner to place this matter on the agenda of the May 3rd Council meeting, and to draft a proposed rule to cover the situation.

7. REPORT OF SPORTS REGULATIONS COMMITTEE — Chairman Steve Miletich reported that his committee was proposing changes in out-of-season practice rules governing individual sports. He indicated that some modification should probably be made in the team sports, but the pressing issue at this time was to secure action on out-of-season practice in individual sports.

The recommendations of the committee were then discussed in detail with the group. The Executive Committee registered approval with all of the recommendations, but felt that in the sport of swimming and water polo we should combine the two under the heading of Aquatics Program. Because in most cases the same boys participate in both water polo and swimming, under the same coaches, it was felt that the combined seasons should extend from the day after Labor Day until the date of the CIF Championship Swim Meet in April.

It was moved, seconded and carried to direct the Commissioner to amend the sports regulations committee's report to the Council to provide for an aquatics season instead of a separate water polo and swimming season.

7. ADMISSION CHARGES FOR CIF BASKETBALL AND FOOTBALL PLAY-OFFS—Current admission prices for basketball and football play-offs were reviewed. In general, it was felt that admission prices were satisfactory, but in some cases they were less than that being charged in our leagues. After a thorough discussion of the situation, it was moved, seconded and carried that the following changes be effected for 1969 football and the 1970 basketball play-offs:

General admission prices for all football play-off games will be \$2.00; general admission prices for all single basketball play-off games to be \$1.50; general admission prices for double

(Continued on Page 3)

header basketball games to be \$2.00; student pre-sale tickets for single football and basketball games to be \$0.75; student pre-sale tickets for double-header basketball play-off games shall be \$1.00.

9. COSTA MESA HIGH SCHOOL APPEAL — Mr. Frank Lopes, Principal, Mr. Bob Hunter, Athletic Director and Mr. Don Utter, Swim Coach at Costa Mesa High School, appeared before the committee requesting a modification or clarification of the recent penalty assessed against Costa Mesa High School swimmers.

At a Special Meeting of the Executive Committee, held on February 14th, evidence was presented which indicated that some members of the Costa Mesa swim team had violated CIF, SS, rules regarding out-of-season practice. The committee, at that time, ruled that any Costa Mesa swimmer who was in regular attendance at the Coast Clippers Swim program would be barred from invitational and CIF, SS, competition during the 1969 season.

After discussing the situation with the Costa Mesa representatives, it was the opinion of the Executive Committee that the ruling made at the February 14th meeting still stood. In other words, it is up to Mr. Lopes to determine those boys who were in regular attendance, and to declare them ineligible for the CIF Championship Swim Meet.

10. COACHES EJECTED FROM ATHLETIC CONTESTS — At the present time the CIF, SS, has a rule which provides that a team must forfeit a baseball game any time the coach is ejected from a game for unsportsmanlike conduct. Our Area Commissioners and various officials' associations have recommended that this rule be adopted by the CIF, SS, for all sports. They feel that it has worked very well in baseball, and that it would do a great deal to improve matches conduct in other sports if the ruling was adopted by the CIF, SS.

There was a great deal of discussion concerning this matter, and there were many different views presented. Although the committee, by a vote of 6 to 5, took action to recommend its adoption by the Council, it was the feeling of all concerned that the issue was important enough to be referred back to the leagues for study. It was, therefore, moved, seconded and carried to direct the Commissioner to place the item on the agenda of the May 3rd meeting of the Council for special action by the Council.

11. PROPOSED WORKSHOP ON CONTROL OF ATHLETIC CONTESTS—At the February 14th meeting of the Executive Committee,

Dr. Richard Perry of USC appeared before the committee to seek assistance in developing a two day intensive workshop dealing with the specific problems involved in the administration of interscholastic athletic contests. He presented his proposal in writing and asked the CIF, SS, for some financial assistance.

The matter was discussed thoroughly by the committee, and in light of problems that have been occurring in connection with many of our interscholastic athletics contests, it was the unanimous opinion of the committee that we should offer to assist Dr. Perry in this worthy project.

It was moved, seconded and carried that we recommend to the Council that the CIF, Southern Section, render financial assistance not to exceed \$2,000.00, and that a committee be appointed to work with Dr. Perry and his group in setting up the program for the workshop.

12. MORNINGSIDE VS. LONG BEACH POLY BASKETBALL PLAY-OFF PROBLEM—During the recent basketball play-offs many problems developed at the conclusion of the Morningside-Long Beach Poly play-off game, held at Inglewood High School on March 4, 1969. The Commissioner thoroughly investigated the problem and secured written reports from the game officials and administrators from both schools. All correspondence pertaining to the situation was read to the committee.

After discussing the incident, it was moved, seconded and carried that copies of all communications relative to the Morningside vs. Long Beach Poly situation be mailed to the superintendents of both the Inglewood and Long Beach School Districts, so that they would be aware of the problem.

13. BASEBALL UMPIRES' FEES —Our present officials' fee schedule provides that in a two man baseball game, the plate umpire is to receive \$16.00, with the base umpire getting \$14.00. When only one man umpires a game he receives \$16.00. It was the recommendation of the Commissioner that when one man umpires a baseball game he should receive a higher fee than that paid to men working a two man game.

After some discussion it was moved, seconded and carried that Article XXXIII, Section 8, Paragraph C, be amended to provide that the umpire of a one man game be paid \$18.00 for "A" games, and \$16.00 for "B" games.

14. COMMISSIONER'S REPORT—The Commissioner reported that communications had been received from certain coaching associations rec-

ommending changes in the sports of wrestling and cross country. The wrestling coaches were interested in changing the present wrestling season so that practice would begin on January 5th instead of on November 15th. They also recommended that varsity matches consist of 3 two minute periods, freshman matches to consist of 3 one minute periods, and junior varsity matches to consist of 3 two minute periods, except where leagues take action to limit junior varsity matches to 3 one minute periods.

The cross country coaches submitted a recommendation calling for the holding of the CIF Prelims and Championship meets on Saturdays instead of on week days.

All of the above recommendations were thoroughly discussed and received the approval of the Executive Committee. No official action was taken, however, as it was felt that the recommendations, although coming from certain coaches groups, did not reflect the opinions of all of the coaches in the Southern Section. The Commissioner was therefore, directed to prepare a questionnaire listing in detail the specific proposals. This questionnaire to be distributed to the Athletic Directors in schools fielding cross country and wrestling teams, in an effort to find out how our coaches feel about these proposals. If the majority of coaches are in favor of the proposals, our By-laws would then be amended accordingly.

15. COACHES' HANDBOOK — The Commissioner reported that many states have developed small handbooks in which are listed all of the pertinent regulations pertaining to particular sports. Many of the coaches at the present time, are unable to secure copies of the current Blue Book for study, and as a result there are many violations of existing regulations governing the conduct of particular sports. It was the recommendation of the Commissioner that a sports regulations handbook be developed for distribution to all coaches of all sports in the CIF, SS.

16. SCHOLASTIC ELIGIBILITY—A committee member requested a clarification of Article X, Section 3, as it pertains to scholastic eligibility. A discussion of this rule brought out the fact that the present wording of this rule is difficult to interpret because many courses now give two or three semester units of credit instead of five units. Mr. Hardesty was asked to study this problem and submit a proposal to amend this section so that it would be easily understood and apply to the present situation.

(Continued on Page 4)

GAMES WANTED

CIF, SS, EXECUTIVE MINUTES

(Continued from Page 3)

17. **ELIGIBILITY CASES** — In accordance with Article XI and its applicable sections in the current Blue Book, the residence rule was waived to grant immediate eligibility to Joe Barry of Workman High School, Larry Allen of Fontana HS, Sam Wiley Jr. of Garey HS and Steve Gasca of Yucca Valley HS. A waiver of the residence rule was denied in the case of Warren Schlott of Walnut HS.

After reviewing the facts in each case it was moved, seconded and carried to deny a waiver of the age rule in the case of Terry Lamb of Bolsa Grande HS and Don Carnine of Up-land HS.

After studying the transcript involving the attendance of Ed Parker of Temple City, it was the ruling of the committee that the boy will have completed his eight semesters of opportunity for athletics as of the close of the current semester.

18. **SAN BERNARDINO PROBLEM**—A problem has developed in the San Bernardino City Unified High School District which will delay the opening of the new Cajon High School, for at least one year. Because of this the District is asking for an extension for one year, their authority to make certain exceptions to our residence rule for junior high school graduates in order to achieve ethnic balance. It was moved, seconded and carried that the permission granted to the San Bernardino Unified School District to deviate from the residence rule in certain instances be extended through the 1969-70 school year.

19. **CROSS COUNTRY**—A representative of the Bay League requested that all leagues with eight or more member schools be permitted three entries into the CIF, SS, cross country prelims, with those leagues having six or fewer teams being limited to two entries. It was moved, seconded and carried that this request be denied.

The Orange County Coaches recommended that the 1969 CIF, SS, Cross Country prelims and finals be conducted on Saturdays. It was moved, seconded and carried that the 1969 CIF, SS, preliminary meets be held on Saturday, November 22, with the championship meet being conducted on Saturday, November 29.

There being no further business to come before the committee the meeting was adjourned at 4:45 p.m.

Respectfully submitted,
J. KENNETH FAGANS,
Commissioner of Athletics
