2. TRANSFER OF STUDENTS AFTER DISCONTINUATION OF SPORT.

The Executive Committee discussed the need for a written policy governing the eligibility of students who apply for a transfer when the school which they are attending discontinues or deactivates a particular sport. The Committee moved, seconded, and passed to recommend to the Council that a by-law be added to the CIF, SS, Blue Book to address the future policy that when a sport is discontinued a boy must attend the nearest possible public or private school that offers that sport in order to continue to be eligible for interscholastic athletic competition. In all cases, his eligibility must be approved by the Executive Committee. The Commissioner of Athletics was directed to prepare an appropriate recommendation regarding this matter for presentation to the Council.

3. MULTIPLE CAMPUS, ARROYO GRANDE HIGH SCHOOL

The Executive Committee received a request from Arroyo Grande High School for permission to continue to operate from a multiple campus organization. This was granted for one principal for interscholastic competition during the 1971-72 school year. The Committee moved, seconded, and passed to approve this request, with the Commissioner of Athletics directed to prepare recommended guidelines for this type of school organization for presentation to the Council.

4. GOLF TOURNAMENT, GARDEN GROVE HIGH SCHOOL

In accordance with the recent decision of the CIF, SS, Council to increase the team tennis playoffs from two to three divisions of schools beginning a new tournament, the Commissioner of Athletics approved the breakdown of the state into five groups. At this time, the CIF, SS, Division II and III AAAAA and AAAA divisions recommended and presented by the playoff committee (NOTE: These divisions are listed in detail on page 6 of this year's CIF, SS, Blue Book) will be used for the upcoming season, with the openings being filled first with championships from the southwest and second with interscholastic athletic activities.

7. USE OF SCHOOL ATHLETIC EQUIPMENT AT SUMMER CAMPS

An inquiry was received concerning the use of high school athletic equipment by boys who are attending summer camps. Specifically, the question was a summer football, where it was necessary for a boy to either provide or rent a full line of football equipment in order to participate in "contact" instruction. The Executive Committee discussed this matter and expressed the opinion that such districts cannot legally permit the use of equipment such as this for school related or sponsored activities. In order to provide protection to schools, the committee agreed to the following guidelines:

- No renting or selling of any equipment, or use of school athletic equipment.
- Schools are responsible for the safety of their equipment.
- Schools are responsible for the care of their equipment.

SONORA TOPS CENTRAL AA CHAMPIONSHIP

The AA championship game of the Southern Section in which Sonora Central defeated 7-1-62 featured teams with similar statistics.

9. JUNIOR CAMPIONSHIP

The Junior Campion, a highly skilled high-school defensive center had nine points and eight rebounds at half, but also four fouls. He sat out most of the third period but put 20 points on the board before retiring with 5:18 left in the game. Meyer, later named the division's Player of the Year by the United Savings-Helena Athletic Foundation, ripped in 18 of his 27 points during the second half and totaled 16 boards for the game. He was 13 or 19 from the field.

Central won the board battle 47-38, but Sonora forced the Spartans into 13 turnovers, while committing only six.

CHAMINADE UPSSETS BRETHREN, WINS 'A DIVISION CROWN

Junior center Craig Hunter gave Chamitaide Prep of Canoga Park the impetus it needed and the Eagles made most of it, gaining a stunning 74-32 double overtime upset of top-seeded Montholme of Paramount in the A division finals. Chamitaide's 6-3 John Hensley had 28 points, 12 rebounds and numerous games on the afternoon and was at his best in the second half, hitting 16 of his 32 field goals. It was then, too, that Brethren, 29-1 for the season going in, lost its first two points in the two-point halftime lead they had gained.

The shooting percentages turned around in the second half and that's when the Eagles took over. They outscored the Warriors 14-8 in the final quarter, to tie it at 1 in the end. Early in the game, Brethren had grabbed a 10-2 lead and had 17 points on the board before Chamitaide got its tying points from Larry Putnam on a follow shot with only 2 seconds remaining in regulation time.

Neither team scored a field goal in the final 7 minutes and 30 seconds, neither were attempted. The deciding points, appropriately, were a pair of free throws by Brethren's Paul Bob (6-6 from the free-throw line to the all-team tournament) with 57 seconds left. Chamitaide scored its first lead in the overtime with 10 seconds left, but freshman center Mike Hassen missed a 2-point shot before the buzzer.

Hunter's older brother Brad had 14 points and Ham/Ham coaching standout Greg led Brethren with 15 before he left his final personal. Dan Swanberg of Brethren was also an All-Tournament favorite for the losers.

It was then it was the Warriors' lowest point total all season. Chaminaide, which managed to tie Harvard for the Southern Section championship with a final regular season one-point victory, became the 6th Olympic League team in the last seven years to capture the A division title. The Eagles scored 1972 Harvard, which also scored an upset, handling Trona its first loss of 1970 and oddly enough, by the same 54-52 tally.

THE NORTHERN LEAGUE

The Santa Barbara County League has noted the CIF, SS, that it will take a year off from any midseason high school, as it does not offer a new lineup. CIF, SS, will consist of five teams next school year, as Dos Pueblos and San Marcos leave the fold. The circuit will be known as the "Northern League."

San Gabriel Captures CIF Soccer Championship

San Gabriel High School completed a 19-1-3 season March 12 at South Torrance, enroute by John Wilde, captured the 1971 CIF, SS, soccer championship 3-1 over San Gabriel.

San Gabriel, which had won the Valley League title, appeared only to have lost to Torrance in pre-season tournament (the game was actually a 1-1 tie, but was decided on penalty kicks). San Gabriel led 16th straight and succeeded Torrance in CIF title.

The Mats were never in trouble, as halfback Jesse Ramirez scored on a Penalty kick in the third minute. Forward Jaime Breaux made it 2-0 early in the fourth quarter and went Pedro Landin, on a beautiful scissors kick, tied it later in the final stanza. Cathedral, Western League winner, scored on a boot by Angel Velazquez after San Gabriel had established the 3-0 lead.

Coach Wilde pointed to his defense as the difference in the game. “We had the speedy halfbacks, Ramirez and Miguel Lopez. San Gabe held Cathedrals to a goal and an assist. In a recent CIF scoring, record this season with 62 goals, or 1 point in each of those games, the best for the CIF in 1972 season, only its third in the sport, too. All those mentioned to below are those who have just three seniors, only one of whom starts. San Gabriel, which started in a victory last year and is 29-2-2 over the last four years.

In a preliminary game for third place, Keppel and South Torrance battled to a scoreless tie. Keppel’s star was to have been played San Gabriel for the title, but they were injured. Keppel was discovered that Dominguez, who had already forfeited nine games precluded from playing. A player who was too old, was using an ineligible player. Cathedral, which had lost to Dominguez 2-0 in the semifinals, was then selected to move into the title game, and South, in third place, on the CIF round, was selected to play Keppel in the preliminary game.

pressed on over this intervention use of Courtyard Cards, and requested that the Committee investigate the possibility of using a different method of card play (i.e., plastic or nylon) that could not be easily duplicated. In addition, it was recommended that in future each member school should also include two Courtyard Cards each year for the principal and the official administrator of the principal’s choice. These cards would be non-transferable. The Committee noted that the Courtyard Card which is normally sent to the Athletic Director at each school should be discontinued. This card is used chiefly for the announcing of game times and other events. The Committee post tend to also encourage abuse and indiscriminate distribution. It was agreed that gathering had reached the point where it should be placed on an era basis with rules which were also included so that all member schools would honor requests for scoring.

It was moved, seconded and passed to direct the Committee to prepare a preliminary corporate recommendations for presentation to the Council.
