COMMISSIONER'S CORNER

RECALLING OUR BASIC IDEALS

By Stan Thomas
Commissioner of Athletics

In the day-to-day management of CIF Southern Section affairs, it seems, there really are very few new problems. Time and again, we have grappled with cases in eligibility enforcement, the releguing process and contest incidents. Conversely, there really are very few innovative solutions or original ideas to solve or avoid these problems, either. A cursory glance at past issues of the CIF-SS Bulletin will bear me out on this point.

Very seldom do any of us, as administrators, coaches or officials, take the time to consider our heritage — the very ideals upon which this 78-year old organization was built — when dealing with our problems. All too often, we ignore that original idealism and the simple reasons that led to the establishment of the CIF Southern Section. Simply put, we sometimes have as much need for looking back at our accomplished history as we do for looking to the future.

From where does our heritage stem? Please allow me to refresh your memory . . .

Just after the turn of the century in Southern California, there existed some geographically-based leagues, formed to promote athletic competition among area schools. These leagues were more or less informal, with no constitutions or by-laws. Eligibility rules had not yet been heard of, and all too frequently, young men and boys wound up playing in games for schools they did not attend. School administrators took no part in the management of these contests. The lack of administration and organization under such a loose setup provided for a great many disputes, leaving the average high school principal with little reason to support the cause of interscholastic athletics.

However, the argument for pursuing the establishment of a well managed and highly-organized athletic program for

EXECUTIVE COMMITTEE MINUTES February 20, 1991

The February meeting of the Executive Committee of the California Interscholastic Federation Southern Section was called to order by Dr. Tom Jacobson at 9:10 a.m. on Wednesday, February 20, 1991 at the CIF-SS Office. All members were present with the exception of Cynthia Grennan and Andy Patterson.

1. PRESIDENT'S UPDATE — Dr. Tom Jacobson discussed with the Committee the CIF-SS spring and summer Executive Committee meeting dates. Additionally he reviewed with the Committee the recently passed amendment to Article 7 by the CIF-SS Council with reference to no more than two members from an area serving on the CIF-SS Executive Committee. It should be noted that all present members on the Executive Committee would be permitted to complete their current term of office.

2. COMMISSIONER'S UPDATE — Commissioner Stan Thomas reported on the recent meeting of the Nominating Committee and announced the retirement in June, 1991, of Mike Shanahan, the Northern Area Representative to the Executive Committee. The Commissioner also updated the Committee on an incident involving a game official, the death of an Agoura High School wrestler, eligibility concerns and an update of the Montclair Prep investigation, with a hearing set for the very near future.

3. GIRLS ATHLETIC DIRECTOR UPDATE — Sheri Ross, Girls Athletic Director Representative, discussed with the Committee a national fund raising promotion co-sponsored by the State Athletic Directors Association, the National Athletic Directors Association and the National Federation of State High School Associations.

4. BOYS ATHLETIC DIRECTOR UPDATE — Rich Ramirez, Boys Athletic Director Representative,

expressed concern due to the State financial deficit and the impact it will have on athletic programs, thus requiring athletic administrators to rely more on community support.

5. TREASURER'S REPORT — Ken Gunn, Treasurer, reviewed with the Committee the final football report and the 1991-92 proposed budget.

6. NEW MEMBERSHIP — It was moved, seconded and passed to approve membership for Grace Brethren (Simi Valley) and Cathedral City High School. No action was taken at this time on the request of Rancho Vista High School.

7. APPROVAL OF 1991-92 MEETING DATES — Following discussion, it was moved, seconded and passed to approve the calendar meeting dates for the 1991-92 school year as presented to the committee and noted.

8. AREA PLACEMENT APPEALS — (A) SAN GABRIEL VALLEY LEAGUE — COAST AREA APPEAL: Mr. Ed Harcharik, Principal of Warren HS, appeared before the Executive Committee to appeal the decision of the Releguing Committee recommending the placement of Cerritos HS and Gahr HS in the Foothill Area. Also speaking in opposition to the Releguing Committee's decision were representatives of Dominguez, Downey, Lynwood and Paramount High School — all members of the current San Gabriel Valley League. Gary Smutz, Principal of Cerritos HS, reviewed rationale for Gahr and Cerritos requesting placement in the Foothill Area. Following discussion, a motion to place Gahr HS and Cerritos HS back in the Coastal Area was approved. (B) PALO VERDE HS APPEAL: Dave Hansen, Principal of Palo Verde HS, appeared before the Committee requesting placement in the Citrus Belt Area see EXECUTIVE COMMITTEE page 16

CORPORATE

GATORADE AND FORD MOTOR CO. CONTINUE SPONSORSHIPS

The CIF Southern Section salutes Gatorade Thirst Quencher and the Ford Motor Company for their continued efforts in the support of the CIF-SS athletic program.

Gatorade, "The Official Thirst Quencher/Sport Beverage of the CIF Southern Section," has generously provided attractive coolers, cups and product mix to CIF-SS finalists since 1983.

"Gatorade is quite proud of its longtime association with the CIF Southern Section, and we are pleased to continue our support of its fine efforts," said Greg Via, Senior Manager of Sports Marketing for the Quaker Oats Company, maker of Gatorade Thirst Quencher. "The CIF Southern Section, whose activities benefit so many young athletes each year, is an important association for Gatorade. We are pleased that Gatorade's support helps the CIF-SS continue to provide the youth of California with the quality sports opportunities they deserve."

The Ford Motor Company has been a loyal CIF-SS corporate sponsor since 1984, with the Ford product designated as "The Official Car of the CIF Southern Section." Bob Harner, Ford's Western Regional Public Affairs Manager, has been instrumental in the initiation and co-sponsorship (with the California Angels) of the popular CIF-SS Academic Awards Program, which each year brings special recognition to well over 1,000 CIF-SS student-athletes for outstanding effort in the classroom.

secondary schools would be heard. Why? Because it was sound educationally.

To generate support, it was proclaimed that the purpose of interscholastic athletics was to teach morals and values that would help students to become more successful in later life. It was also surmised that athletics could instill the concepts of teamwork, dedication, discipline, self-confidence and the work ethic. These ideals were not the idle rhetoric of political campaigners, they were the heart-felt feelings of innovative and caring professional educators.

Early attempts at organizing high school sports in Southern California met with failure, due to constant dissatisfaction and non-cooperation. In 1912, Mr. Seth F. Van Patten, a long-time proponent of high school athletics, moved from South Pasadena High School to Los Angeles High

"Ford values its seven-year association with CIF-SS sports and outstanding student-athletes," says Harner. "The most rewarding experience has been the presentation of the Academic Awards each year. Maintaining good scholarship, along with athletic achievement should be the foundation of any program and we commend the CIF-SS for its efforts along those lines."

The CIF Southern Section is indeed fortunate to have the support of corporate sponsors such as Gatorade and Ford in the conduct of its daily activities.

"For many years, Gatorade and Ford have provided outstanding support to the student-athletes of our member schools," points out Stan Thomas, CIF-SS Commissioner of Athletics. "Their continued involvement demonstrates a sensitivity to the success of our youth. We commend their efforts and encourage personnel of our member schools to patronize these fine organizations and all CIF-SS corporate sponsors."

Gatorade and Ford are joined by CIF state-wide sponsors Reebok and Pepsi-Cola, along with the California Angels, College Prospects of America, Conlin Brothers Sporting Goods, the Herff Jones Company, Jack-In-The-Box, SportsChannel of Los Angeles, Sunny Delight Citrus Punch and Wilson Sporting Goods, as members of the CIF Southern Section Corporate Team.

and was elected president of the Los Angeles County League. That year, the Los Angeles Y.M.C.A. had tried its hand at running the high school track championships with little success, initiating further unrest among the schools.

The track championships were always a live topic at the L.A. County League meetings, and in a particularly stormy session early in the 1912-13 school year, a motion was made for the president to file a number of complaints with the Y.M.C.A. regarding the event. Van Patten bluntly refused this motion, and stated categorically to league representatives that "if they did not have enough guts to run the meet properly themselves, they did not deserve a championship meet."

Compton High Principal W. R. Moberly, who had made the original request, asked to make a substitute motion. He moved that the high school leagues of Southern

RULE REVIEW

SUMMER RULES REVISITED

By Dean Crowley
Associate Commissioner

The spring season of sport is winding down, signaling the fact that the close of the 1990-91 school year is not far off. As has become an annual occurrence in this column, it is time once again to remind member schools of the rules and regulations governing summer competition.

For those who have not followed the action of the Council this past year, it may not be known that the August 1 "dead period," as previously approved by the membership, has been set aside for the upcoming summer and will not be in place. The tabling of the proposal was initiated by an appeal from the cross country coaches association, which asked that further study be taken concerning the issue.

The original proposal would have eliminated all contact with athletes and any competition between August 1 and the official opening date of the fall-sport practice session. By direction of the Council, the CIF-SS will form a committee to review the impact the proposed dead period will have on CIF-SS athletics and specific sports programs.

Therefore, summer regulations for 1991 will mirror those already in place. The following review of summer regulations will serve as a reminder for member-school administrators and coaches . . .

When summertime athletic activity is to be conducted by Southern Section schools, the school involved MUST ESTABLISH appropriate rules and procedures regulating the establishment, implementation, maintenance, monitoring and accountability of each athletic activity.

This continued interpretation from the past three summers will permit member schools to use equipment, uniforms, facilities, utilities, etc. for summer activity with the APPROVAL OF THE PRINCIPAL ONLY.

Please note CIF-SS Blue Book rules 1423 (football); 1512 (track and field/cross country); 1610 (swimming and diving); 1710

CIF SOUTHERN SECTION COUNCIL MINUTES

March 14, 1991

The March meeting of the CIF Southern Section Council was called to order by Dr. Tom Jacobson at 9:05 a.m. on Thursday, March 14, 1991 at the Sequoia Athletic Club in Buena Park. All leagues were present with the exception of the Hi-Lo League.

1. MINUTES — It was moved, seconded and passed to approve the minutes of the CIF-SS Council meeting of January 17, 1991 as mailed to the Council; and the minutes of the CIF-SS Executive Committee meeting of January 20, 1991 as distributed to the Council.

2. PRESIDENT'S UPDATE — President Tom Jacobson commended Associate Commissioner Dean Crowley and the CIF Southern Section staff for the very successful CIF-SS Symposium held in February; extended congratulations to the eight schools representing the Southern Section in the State Basketball Championships in Oakland, March 15 and 16; and called to the attention of the group a new agenda item entitled "Public Input" which was implemented in keeping with the Brown Act requirements and will permit members of the public sector to address the Council on various subjects if they so request.

3. COMMISSIONER'S UPDATE — Commissioner Stan Thomas addressed the Council on the improvement in the area of sportsmanship exhibited over the past season of sport, and encouraged schools to continue their efforts in this very vital area, particularly with the current baseball season which in the past has elicited a number of ejections due to unsportsmanlike conduct; suggested the possibility of a four-year relegating cycle in lieu of the two-year cycle now being used, and asked leagues to think about this for future discussion and possible consideration; and reminded leagues that negotiations with officials will be forthcoming at the conclusion of the current contract and suggested that discussions at the league level begin on this topic.

4. TREASURER'S REPORT — Treasurer Ken Gunn reviewed with the Council the proposed 1991-92 budget which will be an action item at the April meeting of the CIF-SS Council.

5. WINTER SPORT UPDATE — Associate Commissioner Dean Crowley presented a report on the basketball season just completed and the upcoming State Basketball Championships in which eight Southern Section teams will participate; Administrator Karen Hellyer gave an overview of the soccer program and championships; and Administrator Bill Clark reviewed the wrestling championships.

6. SEASON OF SPORT COMMITTEE REPORT — Ron Barney, Chairman of the Season of Sport Committee, reviewed the recent meeting of the Committee, and stressed that Principals must approve all summer activities scheduled for their school, and that summer pay for coaches can be provided through school budget, ASB or district budgets, but cannot be provided by booster clubs. He reviewed the R and R week concept as approved by Southern Section Council, and noted that the Committee recommended that the summer dead period scheduled to begin August 1, 1991 be left in place for this year and then reviewed and evaluated for future use.

7. BLUE BOOK COMMITTEE REPORT — Mr. Bruce Kitchen, Chairman of the Blue Book Committee, presented a report of the meeting of that committee on February 5, 1991 and recommendations that included not recommending an additional scrimmage to the football season of sport; recommendation that

Dr. Hanford Rants, State CIF Consultant for Foreign Exchange, make a presentation to the Council with regard to foreign exchange programs/students.

8. FOREIGN EXCHANGE PROGRAMS — Dr. Hanford Rants, State CIF Consultant for Foreign Exchange, reported on problems related to foreign students and foreign exchange students and their initial entry and eligibility status in CIF-SS high schools. He asked that leagues review his report, discuss, and make recommendations for resolution of this growing problem.

9. STATE CIF REPORT — Dr. Robert Packer reviewed action items passed at the February State Federated Council Meeting that included: (1) Alternative language for Article 3, Sections 8020, 8021, 8022 (Title V), *Nondiscrimination in Intramural or Interscholastic Athletics*; (2) CIF Bylaw 523 (Sex Equity); (3) Special team trophies will not be awarded to top schools with under 1,000 enrollment in track and wrestling; (4) Not to adopt National Federation option regarding wrestlers with long hair; (5) Modification of bylaws 212(c), 1402, 401, 702, 1000, and 1001; (6) Expand Girls' State Volleyball Championships to five divisions; (7) Multi-campus relationship between El Sereno and Mira Loma high schools.

10. STATE CIF PROPOSED ACTION ITEMS — Dr. Robert Packer presented to the Council various items that will be voted upon at the May, 1991 meeting of the CIF-SS Council, thus requiring action by the Southern Section Council at their meeting of April 25, 1991:

- (a) State CIF Budget
- (b) San Diego proposal for two new weight classifications in wrestling (96 and 235 lbs.).
- (c) Southern Section proposed modification of CIF Article 8, Section 80 (nomination of executive committee members).
- (d) Commissioners' Committee recommendation that current school year C-BED figures be used for state basketball playoff divisions rather than figures from previous years, effective 1991-92.
- (e) Modification of Bylaw 214 (transfer eligibility) which would eliminate Bylaw 221.
- (f) Modification of Bylaw 215 (hardship waiver)
- (g) Recommend language for post injunction remedies.
- (h) Central Coast Section proposed modification of Bylaws 600 and 601 (outside competition).
- (i) Los Angeles City Section request for a waiver of Bylaw 517(d) (season of sport) to allow them continued participation in State Basketball and Wrestling Championships should the LAUSD adopt a 90/30 calendar.
- (j) San Diego Section proposed modification of Bylaw 202 (eight semester rule).

11. NOMINATION COMMITTEE REPORT — George Giokaris, Chairman of the Nominating Committee, reviewed recommendations for representatives on the CIF-SS Executive Committee. The following names were placed in nomination:

COAST AREA:

Ken Crowe, Principal, Inglewood HS
Maureen Sanders, Principal, Paramount HS

NORTHERN AREA:

Ron Barney, Principal, Nordhoff HS
Don Bathgate, Principal, Camarillo HS
Debra Bradley, Principal, Cabrillo HS
Dave Jackson, Principal, Royal HS

This is a non-action item and will be voted upon at the April 25, 1991 meeting of the CIF-SS Council.

12. ARROWHEAD LEAGUE WRESTLING PROPOSAL — Mr. Jeffrey Roberts of Calvary Chapel HS, presented a proposal requesting a CIF-SS dual meet championship in the present wrestling divisions 1A, 2A, 3A and 4A.

This is a non-action item and will be voted upon by the Council at its meeting of April 25, 1991.

13. SUNSET LEAGUE FOOTBALL PROPOSAL — Mr. Gary Ernst, Principal of Huntington Beach High School, presented a proposal from the Sunset League to allow for a scrimmage after 10 days of practice in the sport of football, in addition to ten (10) games (rule 1415).

This is a non-action item and will be voted upon by the Council at its meeting of April 25, 1991.

14. SUNSET LEAGUE CALENDAR PROPOSAL — Mr. Gary Ernst, Principal of Huntington Beach High School, stated that the proposal as previously presented be withdrawn by request of the Sunset League.

15. SEAVIEW LEAGUE SUMMER DEAD PERIOD PROPOSAL — Mr. Duffy Clark, Principal of Tustin High School and President of the Seaview League, and Mr. Tom Coffey, Cross Country Coach of Tustin High School, presented a proposal to set aside the August 1 Summer Dead Period that would begin August 1, 1991, and if the proposal passes, to form a committee to review the implications of the summer dead period and its impact upon all sports sanctioned with the CIF-SS. Following discussion, it was moved, seconded and passed to approve the proposal.

16. AREA PLACEMENT APPEALS 1992-94 RELEAGUING CYCLE — Dr. Tom Jacobson advised the Council of the background and process for hearing the following appeals. Additionally, Mr. Mike Phillips, Chairman of the Releaguings Committee, presented background data to the following releguing appeals which were heard by the Council: (1) **PALO VERDE HIGH SCHOOL** — David Hansen, Principal of Palo Verde HS appealed the decision denying Palo Verde HS placement in the Citrus Belt area for the 1992-94 cycle. Following discussion, a motion to support the appeal was defeated by a vote of 34-26.

(2) **GAHR HIGH SCHOOL/CERRITOS HIGH SCHOOL** — Gary Smutz, Principal of Cerritos High School and Nadine Baretto, Principal of Gahr High School, appealed the decision of the Executive Committee returning Gahr and Cerritos high schools to the Coast Releaguings Area after the Releaguings Committee had recommended placement in the Foothill Area. Following discussion, a motion to deny the appeal was approved.

(3) **MATER DEI HIGH SCHOOL** — Father John Wehling, President of Mater Dei High School and Principal Lyle Porter appeared before the Council to appeal the decision of the Releaguings Committee and the Executive Committee which sustained the placement of Mater Dei High School in the Parochial Area rather than in the Orange County area for releguing purposes. Following discussion, a motion to deny the appeal was defeated by a vote of 32-28.

(4) **SERVITE HIGH SCHOOL/ROSARY HIGH SCHOOL** — Fr. Patrick Donovan, Principal of Servite High School, and Katherine Hennigan, Principal

North — "Alternative Offenses".

The full-day event (8 a.m. — 4 p.m.) will also include a Continental Breakfast and luncheon. Current SCIBCA members will be admitted free of charge, but must pre-register by mail. Non-members may attend for a cost of \$20, which will also provide a full membership in the SCIBCA and all

cial, or duly-licensed community organizations such as the Department of Parks and Recreation, etc. It must be understood that coaches may not be paid directly by special interest groups, individuals, parents or booster clubs.

It should further be noted that Senate Bills 19 and 1533 direct the CIF to conduct the business of interscholastic athletics. It is not noted in this legislation that athletics are discontinued during the summer months. Therefore, we have a dilemma. It is the belief of our section officers that in order to comply with our legislative mandate, state by-laws and section rules and regulations, that administrators (specifically superintendents and principals) are

The SCIBCA has also announced plans for its third annual Summer Classic Tournament, slated for July 19, 20 and 21. The tournament field will consist of 128 high school teams and will be conducted in a four-region, single-elimination format at eight sites. There will be no entry fee for teams with coaches who belong to the SCIBCA. Non-members will be charged a \$50 entry fee.

accountable for summer programs in their respective districts or schools.

Remember that CIF-SS member schools may not start summer competitive activities until such time as the current school year is completed and the school is closed for the summer. The only exception to this rule would be the Watts Summer Games, sponsored by the Los Angeles Junior Chamber of Commerce. The Watts Games are scheduled to begin the weekend of June 22-23.

If you should have any further questions or concerns regarding summertime competition or school-sponsored athletic programs, please feel free to contact any administrator at the CIF-SS Office.

SARRI, GILL PASS AWAY

Two of the outstanding coaches in CIF Southern Section history, Uhro Sarri of El Segundo High School aquatics fame and Compton Centennial track and field coach Bill Gill, have recently passed away.

Sarri, who coached the Eagles to no less than 12 CIF-SS water polo titles and six boys swimming crowns during his outstanding career, died December 29, 1990 at Westwood Veterans Hospital after a long battle with Alzheimers Disease. The former US Olympic coach was honored at a special rededication ceremony for the reconditioned Uhro Saari Swim Stadium of El Segundo on April 6.

Gill, a resident of Seal Beach, was hired at Centennial High in 1953 by then-athletic director and former CIF-SS Commissioner Ken Fagans. He coached the Apache cindermen to three state championships (1953, '61, '68) and five Southern Section crowns (1954, '55, '61, '67, '68) and tutored such stars as 7-foot-high-jumper Charlie Dumas, sprinters Ken Dennis, Preston Griffin and Edesel Garrison and hurdlers Ken Thompson and Paul Lowe.

CIF-SS SCHOOLS CLAIM SIX STATE BASKETBALL CROWNS

The CIF Southern Section was well represented in the 1991 CIF/Reebok State Basketball Tournament, placing a total of 37 teams into the tournament (18 boys and 19 girls teams), of which eight went on to win regional championships and six to capture coveted state crowns.

Southern Section representatives to win state championships at Oakland included: Tustin (Boys Division II); Estancia (Boys Division III); Ribet Academy (Boys Division V); Brea-Olinda (Girls Division II); Palos Verdes (Girls Division III); and Santa Maria St. Joseph (Girls Division IV).

In the boys competition, Tustin, which completed the season with a 31-4 record under coach Tom McCluskey, defeated Danville San Ramon, 66-54, for the State Division II crown. Estancia, which had lost to Pomona in the Southern Section Division III-AA title match, rebounded to win it all in State Division III, finishing with an 82-72 win over Fremont Washington. Coach Tim O'Brien's Eagles wound up 29-5 on the year. In Division V, tiny Ribet Academy of La Canada (enrollment 91) became the smallest school in history to capture a state basketball title, as coach Mike Miller's Fighting Frogs outlasted San Francisco University, 70-65. Ribet completed the season with a record of 33-2.

In the girls competition, Brea-Olinda made its third-straight appearance in a state final after choosing to move up to Division II. Coached by Mark Trakh, the Lady Cats defeated Hayward Moreau, 54-46, to finish the year with a sparkling 34-1 mark. In Division III, Palos Verdes routed Healdsburg, 58-42, to complete the campaign with a season record of 33-2. The game marked the second state title-game appearance in the past four years for coach Wendell Yoshida and the Lady Sea Kings. Santa Maria St. Joseph won the Division IV crown in a thrilling 46-41 overtime win over San Rafael. Directed by coach Ed Torres, the Lady Knights completed their championship season with a 28-5 mark.

Additional Southern Section teams to reach the state finals included Oxnard Santa Clara, which dropped a 62-45 decision to Hayward in Boys Division IV, and Inglewood Morningside, which fell to Berkeley, 76-50, in the Girls Division I final.

Southern Section regional finalists included: Santa Barbara (Boys Division I); Artesia (Boys Division II); Ventura (Girls Division II); Pomona (Boys Division III); Lompoc (Girls Division III); Morro Bay (Girls Division IV); Rio Hondo Prep (Boys Division V) and Mission Prep (Girls Division V).

CIF-SS WRESTLERS PERFORM WELL IN STATE MEET

The CIF Southern Section was represented by a total of 78 wrestlers hailing from 51 member schools in the CIF/Reebok State Championship Meet, held at the University of Stockton's A.G. Spanos Center.

In the competition, three CIF-SS athletes were able to win championships in their respective weight classifications, including: Tony Okada of Anaheim Savanna at 135 pounds; Scott Chapman of Rim of the World at 140 pounds; and Rod Luddington of Victor Valley at 152 pounds.

The Southern Section had six additional wrestlers reach the championship match (from a field of 32) in their respective weights, including: Phil Sanchez of El Rancho at 103 pounds; Robert Enriquez of Santa Fe at 119; Jorge Ruiz of Coachella Valley at 130; Ronnie Long of Temecula Valley at 145; Adimu Madyun of Canyon Springs at 160; and Chuck Burns of Santa Monica at 189.

In the team scoring, Rim of the World was the top finisher among Southern Section schools with 52 points (6th place), followed by Canyon Springs with 40 (10th), Savanna with 36.5 (13th) and Santa Monica and Victor Valley with 30 (tied for 18th). Clovis High of the Central Section won its second straight title and a record fifth all-time with a point total of 88.5.

MONDAY, MAY 25, 1992 — First day of allowable practice for various sports
Summer Dead Period: August 1 through 25, 1991

During the specified "R and R" (Rest and Recreation) periods, no after school activity is permitted on the high school campus or other facility with the exception of those schools still entered in the post-season playoffs for the just concluded season of sport. This would be interpreted as the varsity level team in that specific sport only.
This is to include all activities such as conditioning, ten-day tryout period, weightlifting, chalk talks and/or films, "open gyms" and the opening of practice for any season of sport.

NATIONAL FEDERATION FOOTBALL RULES COMMITTEE
ADOPTS REVISIONS FOR 1991 CAMPAIGN

Goal posts in high school football will remain at a distance of 23 feet, 4 inches apart as result of action by the National Federation Football Rules Committee at its January 5-6 meeting in Hilton Head, South Carolina.

The NCAA adopted the 18 feet, 6 inch distance (effective with the 1991 season) used by the National Football league; however, high schools will continue to use the wider goal posts.

The committee did make an exception, however. If high school games are played on collegiate or professional fields, the narrower goal posts will be used.

"There was little if any sentiment to narrow the goal posts," said Dick Schindler, assistant director of the National Federation and editor of the high school football rules, "but this action allows the high school game to be played on the fields which have the narrow goals."

In another move to make the game of football as safe as possible, the committee altered Rule 3-5-8, which will not allow an "unconscious or apparently unconscious" player to return to play without written authority of a physician.

Previously, an injury serious enough to require stoppage of the clock required the player only to be replaced for one down. The game officials will be responsible for determining "unconscious or apparently unconscious."

"The issue of player safety always has been No. 1 with the Football Rules Committee, and this is another example of that concern," Schindler said. "Unless a physician authorizes the athlete to return, he simply may not. The outcome of the game is of no consequence when it comes to the welfare of any player."

Sportsmanship was emphasized by the rules committee as well. Beginning this fall, any player who swings or kicks at an opponent, regardless of whether contact occurs, will be disqualified from the contest.

Added as disqualifying fouls to Rule 9-5-1 were intentionally attempting to strike an opponent with the fist, locked hands or elbow. Contact in any of these situations does not have to occur to bring disqualification.

"The entire issue of sportsmanship — the taunting and baiting by players — is of great concern," Schindler said. Striking and kneeling have always been disqualifying fouls, but swinging and missing or kicking at but missing were not. The committee believes both acts are serious enough to warrant ejection."

Following is a summary of the other major changes approved by the National Federation Football Rules Committee:

Rule 9-4-5: Any player or non-player who intentionally contacts an official shall be disqualified.

Rule 1-3-1c: The one-inch half stripes on the ball may be either white or yellow. Previously only white stripes were allowed. The yellow color no longer needs to be fluorescent.

Rule 1-3-4: Other 10-yard measuring devices with visible line-to-gain markers will be permitted instead of the traditional chains, providing the device is checked for accuracy by the game officials.

Rule 9-6-1: Participation after being out-of-bounds during the down applies only to the offensive players during a scrimmage down and to the kickers during a kick.

Rule 9-8-3 Penalty: The first violation of the team box rule now will be a warning instead of a penalty. The second violation carries a five-yard penalty, and any subsequent violations will be a

15-yard penalty.
Rule 7-1-4: The restricting on tilting the ball no more than 45 degrees by the center has been deleted.

Rule 3-1-4: If a game is interrupted, it must be continued from the point of interruption. If it is not continued, the final score stands unless there are conference, league or state associations rules that apply.

Rule 3-4-3: On all free kicks, the clock shall start when the kick is touched, other than first touching.

As it does every year, the rules committee identified three subjects as Points of Emphasis for 1991. Player safety was selected No. 1, followed by the combined subject of sportsmanship, ethics and integrity, and No. 3, positions of players at the snap.

More boys participate in football than any other sport in high school. According to the Sports Participation Survey of the National Federation, 947,757 boys participated in the sport last year.

NATIONAL FEDERATION
FOOTBALL RULE REVISIONS FOR 1991

1-2-7f Note	The use of collegiate or professional fields may require the utilization of goals the dimensions of which have been established by the respective collegiate and professional rules codes (18 feet, 6 inches).
1-3-1c	Permits the one inch half stripes to be either white or yellow and deletes the word "fluorescent."
1-3-4	Deletes the requirement that other measuring devices must be "federation committee approved."
1-3-4	In addition to the traditional chains, other 10-yard measuring devices with a visible line-to-gain indicator will be permitted following a check for accuracy by the game officials.
2-1-5	When an airborne player makes a catch, forward progress is the furthest point of advancement after he possesses the ball and is contacted by a defender.
3-1-4	Specifies that if a game is interrupted and is not continued from that point, the final score stands unless there are conference, league or state association rules which apply.
3-4-3	On all free kicks the clock shall start when the kick is touched, other than first touching.
3-5-8	An unconscious or apparently unconscious player, as determined by the game officials, may not return to play in the game without written authorization from a physician.
7-1-4	The stipulation that the ball could not be tilted more than 45° by the snapper has been deleted.
9-5-1; 9-8-1	Added the words "examples are, but not limited to" in order to include all additional unsportsmanlike acts not specifically listed.
9-5-1d,e	Added intentionally kicking at or attempting to strike an opponent with a fist, locked hands or elbow as disqualifying fouls. Contact in such situations does not have to be made.
9-6-1	Unless blocked or pushed out-of-bounds, no player of A or K shall participate by touching the ball or hindering an opponent after having been out-of-bounds during the down.
9-7-2 Exp	Legal batting of a grounded scrimmage kick by K may occur only in or beyond the neutral zone.
9-8-3 Pen	A team now shall receive a warning for violating the team box rule. A second violation will be a 5-yard penalty, and any subsequent violations will each be 15-yard penalties.
9-4-5	Any player or nonplayer who intentionally contacts an official shall be disqualified.
6-Man Football	At least three Team B players shall be within five yards of its free kick line. After the ball is ready and before the snap, each player on Team A must momentarily be within 12 yards of the spot of the snap.

which was previously denied by the Releaguings Committee. Dale Mitchell, Principal of Centennial HS; Rick McCliman, Principal of Twenty-nine Palms HS and President of the DeAnza League; Bob Jones, Principal of Beaumont HS; Alex McConahay, Principal of Banning HS; Mary Lou Grimmett, Principal of Aquinas HS; and Phil Hamilton, Principal of Big Bear HS, all spoke in opposition to the placement of Palo Verde HS in the Citrus Belt Area. Following discussion, it was moved, seconded and passed to deny the request of Palo Verde HS for placement in the Citrus Belt Area.

(C) PAROCHIAL SCHOOLS' APPEAL: Lyle Porter, Principal of Mater Dei HS; Katherine Hennigan, Principal of Rosary HS; Msgr. Michael Harris, Principal of Santa Margarita HS; and Father Patrick Donovan, Principal of Servite HS, appeared before the Committee appealing the decision of the Releaguings Committee which rejected their request for placement in the Orange County Releaguings Area.

Bill Goodman, Angelus League President and Principal of St. John Bosco HS, spoke in support of the parochial schools wishing to be placed in the Orange County Releaguings Area. Also speaking in support was Mary Ellen Rausch, Principal of Bellermino Jefferson HS. Speaking in opposition to the placement of the four parochial schools in the Orange County Area were David Larsen, attorney representing the Orange County public school principals; Bill Brand, Principal of Trabuco Hills HS and representing the Pacific Coast League; Tom Anthony, Principal of Capistrano Valley HS and representing the South Coast League; George Giokaris, Principal of Sunny Hills HS and representing the Freeway League; Bob Mesa, Principal of Rancho Alamitos HS and representing the Garden Grove League; Gary Ernst, Principal of Huntington Beach HS and representing the Sunset League; and Jim Ryan, Principal of Foothill HS and current Orange County Releaguings Committee Representative.

Following discussion, a motion to approve the appeal of Santa Margarita HS was approved.

Following discussion, a motion to approve the appeal of Mater Dei was defeated.

Following discussion, a motion to approve the appeal of Servite and Rosary High Schools was defeated.

track and field championships, managed by Van Patten and run by personnel from the member schools, was a rousing success. The CIF Southern Section was born, and Seth Van Patten went on to manage 39 consecutive championship meets.

The organization struggled through many hard times in the years to come, enduring the wars, the depression and many internal upheavals. Through it all, the administrators who donated their time to administer the activities of the organization maintained its effectiveness and growth by continuing to strive for the original values and ideals.

Take just a moment, if you will, and remember back to the day you made the decision to enter into a career in education. Honestly now, what was your true motive for seeking such an assignment? I'd be willing to bet that most of you did it for idealistic reasons. Probably because you liked kids and felt you had something significant to contribute. That you could make a difference.

A transfer-eligibility case that recently withstood the entire state appeals process — a process, mind you, that each of our member schools bought into when they became members — was overturned by a judge when attorneys took over and the case went to court.

It is very possible that if we are losing control of the destiny of interscholastic athletics, it's because we've lost our memory or lost our resolve . . . because we've forgotten our purpose and sight of why we got into education in the first place — to make a positive difference in the

character of kids by unashamedly teaching morals and values.

The very essence of the CIF-SS is for the member schools themselves to guide the course of the organization. I urge member-school administrators to take a look back at the idealistic commitment they made when they chose education as a career. At the same time, I urge them to consider the heritage of the CIF Southern Section and work as members in good standing to uphold the tradition of values and high ideals for which it stands.
