C. I. F. SOUTHERN SECTION
OLYMPIC ATHLETES

Southern California is traditionally proud of her reputation for turning out more and finer athletes in the field of sports than any other section of the United States. In the area of Track and Field, this seems to have been particularly true. Without fear of contradiction, we somewhat boastfully report that no less than 18 students or former students of C. I. F. Southern Section schools represented the United States Olympic team in international competition at the Olympic Games this past summer. We know of no other area in the United States which can even come close to this outstanding achievement.

Graduates of the following high schools represented the United States Olympic Team: Beverly Hills High School, Covina High School, El Segundo High School, Fullerton High School, Hoover High School, Glendale, Huntington Beach High School, La Jolla High School, Polytechnic High School, Long Beach, and Wilson High School, Long Beach.

As a recent luncheon given by the Helms Athletic Foundation to honor all Southern California participants in the Olympic Games, the C. I. F. Southern Section had an opportunity to take a picture of these outstanding young men and women athletes. We are pleased to publish this picture.

There are two boys who were not able to be present at the luncheon. They are James Morris, of El Segundo High School, who is serving in the U. S. Navy and is now stationed off Korea; and Peter Stange, also of El Segundo High School, who was still in Europe when the picture was taken. Both Morris and Stange participated on the Olympic Water Polo team, coached by Urban Stari of El Segundo High School.

PASO ROBLES WINS NORTHERN GROUP, BRAWLEY MC-EAGAN SOUTHERN GROUP FOOTBALL CHAMPIONSHIPS

Brawley High School of the Imperial League, and Paso Robles of the San Luis Obispo League are receiving congratulations for winning the Southern and Northern Group C. I. F. football championships, respectively, for 1952. Although Brawley trailed Laguna Beach, 6-0, at halftime, in one of the closest games of the season, the Wild cats came back strong in the 3rd and 4th quarters and defeated the Pala Verde 21-6. Paso Robles High School has won the Southern Group football championship for two consecutive years, having gained top honors in 1951 with a 9-7 victory over Citrus High School. Four leagues entered their champions in the Southern Group playoffs. In first round games, Laguna Beach defeated Chula Vista of the Metropolitan League, 14-7; Brawley won by Chino of the Tri-County League, 33-12; Paso Robles High School, co-champions with Ventura High School in the 1951 Northern Group playoffs, successfully defended its title when it defeated the Pala Verde 20-0 in the championship playoff game December 5, at 8 o'clock at Paso Robles before a capacity crowd. Six leagues entered their champions in the Northern Group playoffs. In first round games on November 28, 21, Barrow of the Desert-Ivy League, defeated the Parachute League champion, Point Loma of the Pebble Beach League, 35-6. Mira Costa of the San Diego High School, Pioneer League titlist, was turned back by Brawley 21-7. In second round competition played Thanksgiving Day, Palo Verde defeated Barstow, 33-7, while Carlsbad, Tri Valley League entrants, lost to Brawley, 21-17. The Commissioner of Athletics is pleased to report that the post-season playoff games of all the schools were conducted on a friendly and cooperative basis. The hospitality extended by the home schools to the visiting teams surpassed that which has been given in the past. It is a tribute to Paso Robles High School that they seem able to make their visiting teams thoroughly at home trips to Paso Robles even though the Paso Robles football team displayed superiority in every contest all season long. Chula Vista and Laguna Beach expressed great pleasure over their excellent showing with the result that future schedules between the two schools seem quite likely.

CONGRATULATIONS, PASO ROBLES HIGH SCHOOL! Congratulations, Brawley High School!

WRESTLING COACHES MEETING

To be held at the Annual San Diego High School Novice Invitational Wrestling Tournament.

WRESTLING COACHES MEETING

To be held at the Annual San Diego High School Novice Invitational Wrestling Tournament to be held January 17, 1953, the C. I. F. Southern Section wrestling coaches will be attending a planning meeting to be held at 11:00 A. M. on the same date.

It has been tradition for all wrestling coaches to attend this planning meeting to discuss arrangements for the C. I. F. Divisional and Championship wrestling events held the latter part of February and the first of March. Last year, the coaches were urged by the C. I. F. that the 1953 Wrestling Championship events be held on February 28 and on March 7. Preliminaries will be held on February 28 at San Diego HS, El Centro HS, Redondo HS, and Whittier HS. The Final meet will be held at San Diego Vocational HS, but the event will be held in the Diego Hoover HS gym on March 7.

Coach Reardon of the San Diego HS say there will be a luncheon for all those planning to attend the January 17th meeting. We would appreciate it if all the wrestling coaches attending would indicate attendance at or absence from the planning meeting, so that Coach Crosby can plan for the food needed.

The C. I. F. Office hopes that a goodly percentage of wrestling coaches will find it possible to get to San Diego on January 17. We hope that plans can be formulated for the conduct of the Divisonal and Championship events at that time. Please mark January 17, 1953, in your calendar and set aside a red pencil as reminder of the San Diego Wrestling Tournament and Planning Meeting.
