needs to be consistency throughout the Section, and with this in mind, the chair appointed a committee to include Ray Morris, Debra Bradley, Doree Clack and CIF-SS Administrators Bill Clark, Karen Helferty and Associate Commissioner Dave Crowley. They will meet this summer, with a report to the Executive Committee in August.

10. STRATEGIC PLANNING UPDATE — Dr. Ken Cunn gave a brief overview of the progress of Strategic Planning at the State level, which in recent months included a number of surveys to be completed and returned to the State CIF Office.

11. MARKETING MANAGEMENT COMMITTEE UPDATE — Dr. Gary Smith, director of Marketing, gave an overview of the progress of the marketing management program that is now underway with the Sports Marketing consultants.

12. ORANGE COUNTY SECTION UPDATE — Todd Jacobson reviewed with the Committee the ongoing work in Orange County with reference to the development of a new Section, with the next meeting set in Orange County for May 18 to review draft of the constitution and bylaws.

13. DIVISION I FOOTBALL GAME UPDATE — Administrator Bill Clark announced that Chris Thomas, Director of Marketing, is continuing discussions with KCOI to televise Division I football championship games live in lieu of the LA City/Southern Section Reebok Bowl which has been discontinued.

14. SOUTHERN SECTION NATIONAL FEDERATION SUMMER MEETING REPRESENTATION — As a cost-saving measure, it was reaffirmed by the Executive Committee that there will be a reduction in the number of members attending the National Federation summer meeting. As voted on at an earlier meeting, the president, one executive committee member, the commissioner and one assistant commissioner will attend the National Federation, in addition to the president-elect who will attend the summer prior to his/her term of office.

15. LYNNWOOD HIGH SCHOOL GIRLS BASKETBALL REQUEST — Following discussion, it was moved, seconded and passed to approve a request from the State CIF, to allow Lynnwood High School to participate in an international basketball tournament in Greece. It should be noted that Lynnwood HS, due to their outstanding basketball season, culminating in the State Division I Championship, has been invited by the National Federation and USA Basketball (National Governor Body for Basketball in the U.S. to represent the United States in the International Schools Federation 1993 Basketball Tournament, to be held in Athens, Greece. Lynnwood will be the only girls’ team from the U.S. participating in this event and will represent the Section, the State, their community and the U.S. in this tournament. It should be noted that this is the first time that the United States had participated in this event since 1985.

16. AREA PLACEMENT APPEALS — Ray Flores, Principal of Charter Oak HS and representing the principals of the Mt. San Antonio Relocating Area, appeared before the Committee to appeal the decision of the Relocating Committee’s placement of Duarte HS in the Mt. San Antonio Area for the purposes of relocating. Gary Jones, Duarte HS Athletic Director and Paul Castilla, speaking for the San Gabriel Valley League and the Football Area, spoke in support of the placement of Duarte HS in the Mt. San Antonio Relocating Area. Following discussion, it was moved, seconded and passed (by a vote of 10-2) to sustain the action of the Relocating Committee’s placement of Duarte HS in the Mt. San Antonio Area.

17. DELINQUENT FINANCIAL REPORTS — The administrative staff reviewed with the Committee concerns relative to the escalating number of financial reports that are long overdue in revenue-producing sports. This presents a great impetus not only on the Section but on member schools involved in revenue sports in these contexts. Following discussion, it was moved, seconded and passed that after a reasonable request from the Commissioner’s Office, schools that continue to be delinquent with financial reports will not be allowed to play home games during the playoffs for the upcoming season of sport. It should be noted that this would apply to all revenue-producing sports. As part of this proposal, there are currently seven schools still delinquent in the sport of basketball for the current season, and if financial reports are not filed by these schools by the date of the next Council meeting (April 29), they will not be allowed to host a home game next season.

18. NEW MEMBERSHIP — It was moved, seconded and passed to approve membership for Yucaipa Junior High School as an associate member, beginning with the 1993-94 school year. Additionally, it was moved, seconded and passed to table the membership request for Vasquez High School (Acton) until more information is available. There being no further business to come before the Committee, the meeting was adjourned at 6:25 p.m.

COMMISSIONER'S CORNER

By Stan Thomas
Commissioner of Athletics

Cost containment continues to be the number one priority in the CIF Southern Section. As we review the past year, the message is a familiar one from the constituents that California public education is suffering serious financial problems. Perhaps it is the realization that we cannot continue operating in our current fashion.

Dr. Robert Parker, past CIF Southern Section State President, and I have met with several superintendents throughout the state in each of these meetings it has been expressed that the Southern Section needs to pay very close attention to geography as it relates to the sport play-offs in the three seasons of sport. We are extremely sensitive to initial pairings in our playoff arrangements.

The thought of canceling, or not participating in State playoffs in its current format. However, concern on the part of the superintendents remains steady as it relates to expediency of Sections and State interscholastic athletics.

Corporate monies are becoming more difficult to obtain. Reebok has indicated its agreement with the State and Pepsi Cola is currently negotiating for less money. M & P Marketing has not produced, as of this writing, any dollars for the State CIF. However, it is hopeful that their organization will have success in the near future as they have been working diligently to acquire accounts and ultimately reduce their costs, saving our schools valuable dollars.

Further, it has been discussed by the CIF Southern Section Executive Committee, principals and superintendents to reduce the number of contests in our playoff structure. To some degree this is counter productive if we were to consider football and basketball which help to defray the overall cost of our athletic programs.

Reducing the number of non-revenue producing sports could be considered as something that would be viable in reducing costs, i.e., transportation, salaries, etc. See COMMISSIONER'S CORNER page 7.

MINUTES OF THE EXECUTIVE COMMITTEE

June 18, 1993

The June meeting of the CIF-SS Executive Committee was called to order by President Dr. Gary Smidtke at 1:45 p.m., on Friday, June 18, 1993, at the CIF-SS Office. All members were present with the exception of Father William Biedendieck, Frank Cano, Dr. James Fleming, Bill Franklin, Don Hagen, Edna Herrin, Donn Clackad, Maureen Sorensen and Andy Patterson.

1. PRESIDENT'S UPDATE - Dr. Gary Smidtke reviewed with the Committee the arrangements for the upcoming August Executive Committee Meeting. Dr. Smidtke announced that Scott Cathcart for his years of service to the CIF-SS and wished him success in his new position at CSULB. He also noted that Scott's retirement will be replaced. Commissioner Thomas will be assuming Scott's duties assisted by Rhonda Frazier and Denise Thomas. Dr. Smidtke announced Don Hagen, Citrus Bowl Representative, is taking a new position out of the Southern Section creating a vacancy on the Executive Committee. After discussion, Dale Mitchell, Principal of Chino High School, was voted to complete Don Hagen's term of office. Dr. Smidtke announced the status of the State Track Meet and the results of the recently completed Superintendents' Playoff Survey. Finally, Dr. Smidtke made arrangements for the upcoming January Executive Committee Meeting. Following discussion it was determined the meeting would be on a Monday night only and would be held on January 22, 1994.

2. COMMISSIONER'S UPDATE - Commissioner Thomas and Dr. Bob Parker discussed the history and current status of AB 375. Commissioner Thomas discussed his concerns that the Sunset League Playoff Entry Proposal and its potential affect on football entries. Following discussion the Executive Committee recommended that Commissioner Thomas inform superintendents regarding the ramifications of the above proposal. He also reviewed a request for waiver of the summer dead period restriction so as to permit to Board approved summer school classes which conclude during thehashdead period. Following discussion, it was moved, seconded and passed to grant the Commissioner authority to approve such requests. Additionally, Commissioner Thomas reviewed the ending of spring sports, status of the CIF-SS Golf Tournament, Orange County Relaying and the Canadian H.S. player eligibility. The motion was seconded and Cal's was voted to complete Don Hagen's term of office.

3. GIRLS' ATHLETIC DIRECTOR REPRESENTATIVE UPDATE - Donna Gutierrez presented a concern regarding confusion over CIF-SS track entry forms and asked for a clarification in the future. Following discussion, background and information on groups opposed to AB 375.

4. TREASURER'S REPORT - Tom Triggs provided an update.

SPORTSMAN AND HERFF-JONES SUPPORT CIF ACTIVITIES & EVENTS

As the 1993-94 school year begins, the CIF-SS is proud to have the continued support of Herff-Jones and the opportunity to welcome aboard a new corporate sponsor in Sportmart.

It gives me great pleasure to be working with such outstanding companies as Sportmart and Herff-Jones," said Stan Thomas, CIF-SS Commissioner of Athletics.

Their concern to support the student/athletes of today is indeed refreshing in this hard economic time period. I salute their efforts and strongly encourage personnel of member schools to utilize these fine organizations when purchasing goods and services," said Thomas.

Sportmart is currently in the first year of a one-year agreement. They will be recognizing and promoting several events, as well as individual or team events. Sportmart will provide money to schools acting as being cut. Sportmart is proud to lend a helping hand by returning value to the CIF-SS schools.

For an entire year, schools can collect Sportmart receipts and earn free team equipment for their athletic departments. Sportmart customers, "and we will continue to service our loyal customers," said Jim Peters, Senior Vice President of Merchandising for Sportmart.

Once again, Herff-Jones will be the "Official Awards Company of the CIF Southern Section." Specializing in school products for all schools (class rings, announcements, caps and gowns), Herff-Jones will manufacture all of the CIF Southern Section plaques and medals and retain exclusive rights to utilize the CIF Southern Section logo on championship rings.

THE CIF-SS 1993 ADMINISTRATORS SYMPOSIUM

scheduled for October 27
has been changed to Wed., Feb. 2, 1994.
Information will be forthcoming.

NEW ORIENTATION WORKSHOPS TO BE HELD

The CIF-SS will be conducting orientation seminars for principals, assistant principals, athletic directors, or any other staff members who are involved in managing a member school’s athletic program.

The purpose of these orientations will be to review CIF rules and regulations with an emphasis on eligibility, communication and sportsmanship. In addition, there will be a question and answer time regarding CIF programs and events. The workshops will be regionally located. New principals and athletic administrators are strongly urged to attend.

More information will be forthcoming.

By Dean Crowley
Assistant Commissioner

The area of eligibility is one that continues to require an on-going and effective evaluation by school administrators. Again this year, we will continue our series of orientation questions which deal with various aspects of CIF Southern Section rules. At times these rules may cause confusion due to their uniqueness.

1) TRANSFER ELIGIBILITY QUESTION: What is the status of a student athlete who transfers from school A to school B without a charge of address?

ANSWER: The student's eligibility would be governed by the provisions of Rule 213 Transfer Eligibility. Eligibility would be granted to an athlete where there is unrestricted based upon participation (at any level) the previous 12 months. It should be noted that a form 213may be submitted and approved prior to competition.

2) LAW GUARDIAN QUESTION: What is the status of a student who transfers from school A to school B and now assumes a "new" legal guardian?

ANSWER: The student is ineligible in school Bin that he/she has not made a permanent change of residence with the individuals they were residing with the previous year while attending school A. (Rule 213 would apply in no case where this student is allowed to compete.)

Under no condition is a student automatically eligible when a new legal guardian is appointed. In all cases of guardianship, any consideration for eligibility must be approved by the CIF-SS office under State Southern Section Rule 213.

It should also be pointed out that parents and, at times, school officials are confused between the terms legal guardianship and letters of guardianship or custody. In most instances, the latter two are easily obtained and are generally considered for a temporary period of time. Thus, there is need for an administrative review by the CIF-SS office in all cases dealing with a charge of guardianship.

3) CONTINUATION SCHOOL TRANSFER

OFFICE OUTLOOK
KEEPING THE COMMUNICATION LINES OPEN

Hello, and welcome back to another exciting school year!

Don't let this year hold many new challenges for all of us and perhaps by implementing some good solid teamwork, we can all work together to improve through those tough projects. We cannot stress often enough the concept of "networking" your way through a problem. It takes but a few minutes to pick up the phone and call our office or another athletic department to ask for some assistance. Someone will have the key to resolving your dilemma. The big "C" word – COMMUNICATION – is the real key for all of us to stay on top of things. We can never OVERCommunicate. Keep our phone number handy at all times, and don't hesitate to call us – our job is to help you as much as we can!

We combined your input and suggestions with our goal to cut costs as much as possible, and we devised some new concepts for our new school year:

...In the area of telecommunications, we've converted our present telephone system to cellular phones and a central computer system which will permit us to utilize our current lines more efficiently and economically. We will no longer maintain the "714" lines. All lines will now respond to the current "911" number: 860-2414. Our FAX will remain as it currently is: 310-865-1692.

...The CIF-SS Blue Book will have a new look this year! It is coming to you in the form of a loose leaf binder, and in the future, you will receive updated pages only for insertion in the binder...

The CIF-SS Directory will be printed in October (rather than August) in order to compile as much current information as possible before printing.

...Award winners for this year will be followed: Champions, Blue Ribbon schools and championship patches; runner-up teams will receive a plaque and medals; individual winners will receive medals for placement.

The CIF-SS Bulletin will be published three times (rather than the current four), in September, October, and November.

See OFFICE OUTLOOK page 19.

CIF-SS STAFF SUBJECT CONTACT DIRECTORY

The following list is provided to members schools and other interested parties as a reference to chapter phone numbers and for correspondence on specific subjects to the CIF Southern Section office during the 1993-94 school year.

The CIF Southern Section Office phone number is (310) 860-2414 and the FAX is (310) 860-1692. The mailing address is P.O. Box 468, Camarillo, CA 93010, the street address is 10911 E. Arista Blvd., Camarillo, CA 93010.

Please direct specific questions accordingly...

RULE REVIEW

(Continued from page 33)

QUESTION: What is the eligibility status of a student who is enrolled at a continuation school and/or a transfer from another school?

ANSWER: A student who is enrolled at a continuation school or is enrolled at another school, including a transfer from another school, to represent his/her school of record. The student must compete and/or practice with the original school of attendance.

When the student returns to the original school of record from the continuation school the student would be immediately eligible, provided the criteria pertaining to scholastic eligibility, attendance, age and semester eligibility are in place. (See Rules 203, 204, 190 and 204)

If the same student transfers from the continuation school to the original school of attendance within 12 months of the original school of attendance, the student would fall under Transfer Rule 213.

and would have/ restricted / unrestricted eligi- bility based upon participation the previ- ous 12 months.

RECIPE FOR DISASTER
Female Athletes with Eating Disorders Face a Triad of Trouble

Dana Scarmen
Pittsburgh Post-Gazette
(Reprinted by permission of the Pittsburgh Post-Gazette)

Since the passage of Title IX in 1972, there's been an increase in the number of females who participate in high school and college sports. For the majority, participation has been a positive thing. It has promoted physical fitness and healthier lifestyles. But for some female athletes, the pressure to excel has put them at risk for three medical problems: eating disorders, bone deterioration and the absence of menstrual periods. The condition is called the Female Athlete Triad. During the past year, it has received a great deal of attention from the American College of Sports Medicine in Indianapolis and from sports medicine professionals.

Aaron Silverman, a Pittsburgh Post-Gazette sports writer, has interviewed many female athletes who have dealt with eating disorders and the potential health risks associated with them. His article, titled "RECIPE FOR DISASTER: Female Athletes with Eating Disorders Face a Triad of Trouble," explores the complexities of eating disorders in female athletes and the challenges they face in maintaining a healthy lifestyle.

The article highlights the need for awareness and support in addressing eating disorders among female athletes. Silverman discusses the physical and psychological impacts of these disorders and the importance of promoting a healthy approach to sports and fitness.

The article concludes with a call to action, encouraging athletes, coaches, and administrators to take steps to ensure the well-being of female athletes, emphasizing the need for education and support systems to prevent and address eating disorders effectively.

The article is a valuable resource for those interested in understanding the challenges faced by female athletes and the steps that can be taken to support their health and well-being.
High School Athletics Says Goodbye to Veteran Official

Earl Engman, longtime coach and official in several sports in Orange County, died June 21 at age 69. He had been hospitalized for cancer. Engman, one of the most recognized track and field officials and meet managers in the CIF Southern Section, served as a teacher and coach in the Santa Ana Unified School District for 38 years. In addition, he served as vice principal at Saddleback High School from 1983 to 1989.

During his career, Engman coached both football and track and field at various schools. He was named All-CIF first team track and field varsity team in 1994.

Janes Heads to UNC

With An Amazing Track Record

Closing out her spectacular high school career, Marion Jones, of Thousand Oaks, was named Cal-Hi Sports State Girls Athlete of the Year for the third consecutive year. In addition, she was named the Gatorade National High School Track and Field Girls Athlete of the Year for the third straight time. Earlier this season, she became the first woman in CIF Southern Section history to break 2:00 in the 400 meters.

Janes will attend the University of North Carolina this year on a basketball scholarship and will run track for the Tar Heels as well.

San Marino Student Chosen as a CIF Scholar-Athlete of the Year

Steve Park, of San Marino High School, has helped his school to maintain both basketball and football, while maintaining a grade point average of 4.46. Park was one of 555 candidates nominated for the state CIF award that honors students who maintain a 3.7 or better GPA and have 2 years participation in varsity level sports.

In basketball, hitting at 380, this season helped his team to capture the 2A division title as a junior. He was named first team all-Rio Hondo League that year as well.

In football, he also had the honor of being named Rio Hondo League Defensive Back of the Year. In addition, he was chosen as his team’s Most Valuable Player and saw his team reach the Division VIII finals. Park was named All-CIF first team varsity as well.

In addition to his athletic success, Park has been honored as a National Merit Finalist, Boys State Representative and a Smith Rock Award recipient. He will major in chemistry or biology at Stanford this year.

Esperanza Takes Several 1992-93 Championship Titles

Winning the Southern Section Division III title in baseball marked Esperanza’s fifth section crown of the 1992-93 school year. The Aztecs had captured previous titles in football (co-division champions with La Habra), water polo, boys soccer, and, more recently, boys’ volleyball. Esperanza also placed second in Division I-A girls cross country, second in Division II girls track, and third in Division II boys’ track.

Consequently, Esperanza was named the Boys Team Winner of the Cavalcade of Champions award program for the 1992-93 school year.

TWO NEW MEMBERS JOIN THE CIF SOUTHERN SECTION EXECUTIVE COMMITTEE

Two new members were elected to the Executive Committee at the April meeting of the Council. Dr. Richard Tucker was elected as the new Desert Area Representative and Fr. Robert Gallaher was elected as the Parochial Area Representative.

Dr. Richard Tucker, Principal of Bishop Amat, is a graduate of Carlsbad High School.

Master's in his 1963. Athletics have been a dominant factor in my life, my education, my career inspiration, and a faithful source of personal motivation,” he said. “As a school administrator, I appreciate the role of athletics in the school may even be more than I did as an athlete or a coach. I’m still swayed by the magnitude of the Southern Section’s operation, but I’m anxious to contribute where my knowledge and experience can be utilized through its support of our athletic programs. Dr. Tucker and his wife, Darlene, have two sons, Bob and Darryl.

DONN CICKLARD

Gallaher was named the principal of St. Paul High School in September, 1986. During the six years he has lived at St. John of God Rectory in Norwalk. Over the last seven years, he has had a different number of different affiliations with the CIF Southern Section as League President and on the Area Placement Committee.

In addition, Donn Cicklard was elected as Boys’ Athletic Director Representative. Cicklard was named previously in an article in the Winter 1992 Bulletin... at the time he was appointed to the same position.

MELTCHILL APPOINTED AS CENTER BELT AREA REP

Dale Mitchell, Principal of Central (Corona) High School, was appointed as the new Center Belt Area Representative to the Executive Committee at the June 18 meeting. He will complete Don Hagen’s term of office, which was vacated after Hagen accepted a new position out of the Foundation.

Mitchell has served as principal of Centennial High for three years (this being his fourth) and as Center Belt Area Relating Chairperson for the last three years. Prior to that, he acted as principal of Barstow High School for three years and assistant principal for four years at Carlsbad High School in the San Diego Area.

FR. ROBERT GALLAHER

Fr. Robert Gallaher, Principal of St. Paul High School, was born in November 1946 in Los Angeles. He was raised and attended elementary and high school in the San Fernando Valley. After attending the Archdiocesan College and Seminary, he was ordained a priest for service in the Los Angeles Archdiocese by Cardinal Timothy Manning in May, 1973. His responsibilities for the first ten years of priesthood were primarily to different parishes in the Los Angeles area.

In February, 1984, he was assigned to Bishop Amat High School in La Puente as a religion teacher and administrator. Father

Herff Jones continues to support the annual CIF-SHS Athletic Symposium, golf tournament, and overall printing needs.

"Recognition, Education and Motivation are the goals of Herff Jones Inc.," said Steve Forell, Area Manager of Herff Jones. "Our association with the CIF Southern Section provides an avenue for us to support these goals. Our medals, plaques and championship rings create a sense of pride for the participants in CIF Southern Section sports that they will carry with them all of their lives. Our representatives feel a great deal of pride in being part of the achievement of these student/athletes. We look forward to many years of sharing these memories through our support of student athletic programs in the CIF Southern Section," said Forell.

The CIF-SHS would like to extend sincere thanks to all of our sponsors and wish everyone a very successful 1993-94 school year.
