PRESIDENT'S MESSAGE

Looking
Toward A
New Year

By Sr. Cheryl Milner, President
CIF-SS Executive Committee

As the beginning of a new school year approaches, I would like to suggest a focus for the CIF Southern Section's agenda.

First we will be challenged with the final steps in the re-leaguering process. No, it isn't over yet! Last year several appeals were made and decisions were given. Now the membership (Council) will hear the last round of appeals. This is a very difficult and important stage to go through successfully. Hopefully we can serve the schools and our students well while giving our best professional wisdom to the appeals that will be presented.

Once we complete the process for the 2010-2014 re-leaguering, your Executive Committee intends to tackle the whole process for the next cycle. We all agree that something needs to be done—before the memory of this past year fades. We want you to be part of the new rules proposed for the Blue Book. Every aspect of the process needs to be reviewed, from area placement to appeals!

Please start generating ideas and proposals at your league meetings. We want the ideas to work through the channels of communication that exist within our organization. Hopefully you will keep your representative on the Executive Committee informed of your best ideas.

We have a great organization when we balance the interest of our school with the good of the total organization. There are times when this balance is very challenging, but we must do so in order to accomplish great things for the students we serve.

I wish you the best as you begin the new school year. When we keep the students at the center of our decisions we are at our best!

MARKETING UPDATE**YOUR 2009-10 FALL PLAYOFF CHECKLIST**

Here is a quick guide to make your fall playoffs year a little easier:

TV & Radio:

- Remember all TV and radio rights are contracted through the CIF-SS office. This includes Local cable during the playoffs. Any questions, contact Thom Simmons at the CIF-SS office immediately.

Championships banner requirement:

- Your school is required to display a red CIF SOUTHERN SECTION - TOYOTA CHAMPIONSHIPS banner at every home football game and all events in your gymnasium. This is the 9th consecutive year with this requirement and we are still chasing some schools that have not complied. If you need an '9th' banner, please contact our office and we can send another.

Gatorade ONLY at playoff games (home and away):

- Gatorade is now in their 29th consecutive year as a Southern Section sponsor.
 - Only orange Gatorade jugs, green Gatorade bottles and green Gatorade cups may be used at any Southern Section playoff event.
 - If you are a non-Gatorade sponsored school, you are required to use unsponsored jugs, cups and bottles during the playoffs.

Official ball rule — be sure to play the right ball:

- We begin our 8th year with the 'Official Ball' program. In the playoffs, ONLY the officially approved brand/model of ball may be played.
 - If your team does not provide the correct ball, when the CIF-SS receives information about your violation you will subsequently lose your next opportunity to play a home game... this season or next season if you are eliminated prior to the penalty being imposed.

Here is the list of balls:

- Football: Spalding ball with NFHS ; any model with NFHS stamp
- Volleyball: Spalding with NFHS stamp in these models: TF5000, TF3000, TF1500
- Boys Water Polo: Mikasa W6000.

Last minute need? A reminder that Sport Chalet Team Sales stocks every CIF-SS mandatory ball. If you happen to be short at the end of the season, Sport Chalet Team Sales can get you the balls needed within a day at 800-250-4923. If you forget, this info is also on the last page of the Blue Book.

Tickets:

- We provide you all playoff tickets to save you money and to advertise SPORT CHALET, the long time ticket back sponsor offering a 10% discount on any product for sale. Since the largest numbers of tickets are used at the holiday period during football, this is a great discount for your fans. Just visit our office and we can get you all the 'free' tickets you need for the playoffs in every sport.

PA Announcements:

- This is a big deal... for both the Southern Section and the CIF State marketing efforts.
 - You are required to read the CIF-SS PA Announcements in every playoff game... ahead of your own announcements. You are 'hosting' a CIF-SS event.

Your help is critical in keeping the nearly \$1 million raised by the CIF Southern Section and CIF State office that obviously saves your school money that would otherwise be charged to your school.

Thanks and good luck in the playoffs this fall!!!!

COMMISSIONER'S CORNER

The
Re-Leagu
Cycle
Ends

**By James Staunton, Ed.D.
CIF-SS Commissioner of Athletics**

This October Council meeting will mark the end of re-leaguering. The process began in September 2008 with the requests from schools for area placement.

Throughout the course of the school year nine areas defined their league configurations and ultimately placed 573 schools. From this group of schools, thirteen submitted appeals contending that their placement was not appropriate because of geography, size of school or competitive equity. Two panels heard the appeals: some were granted others were not.

Throughout the course of these procedures our schools were directed to the Bluebook, which defines the procedures in place to address a grievance related to re-leaguering.

Presently, we are now at step four under Re-leaguering Appeals Procedures:

"The original area proposal and any alternatives recommended by the Re-leaguering Committee or Executive Committee shall be voted upon at the October (October 22, 2009) Council meeting. The procedure for voting will be: (1) the original area proposal will be voted upon first and must secure a majority vote for passage (a tie vote would not be considered as passage); (2) in the event step #1 is not accomplished, then any alternate proposal recommended by the Re-leaguering Committee or Executive Committee will then be voted upon. (For purposes of developing a working proposal, a tie vote on the alternate proposal ONLY would constitute passage.) Only league representatives from the area

RULE REVIEW

**CIF-SS
Platform of
Schedule Star
is here!**

**By Kristine Palle
CIF-SS Assistant Commissioner**

The CIF is excited to announce the implementation of the CIF-SS Platform by Schedule Star. Many schools have been taking advantage of this on-line athletic management program for years and its time we followed suit. We are excited to work with Schedule Star starting fall of 2009.

What is Required From all Schools?

If you're new to Schedule Star, the plan is to start small and grow from there. Starting fall of 2009, the minimum requirement for all schools is to enter their directory information, identify their sport offerings, pay yearly dues, and provide contact information for all administration, athletic directors and coaches. This information will be electronically inputted (by your school) directly into the CIF-SS platform. In addition, it is mandatory that schools enter and update (if needed) their varsity schedules and regularly update scores. All schools will be expected to do the aforementioned prior to September 1 (spring sports schedules can be entered up to October 1st). This process replaces the old format of sending forms with contact information to the office. We will still print the "Directory of Member Schools" however the electronic process allows the data to be continuously updated and maintained such that the most current information is always available.

What is the cost?

There is no cost to schools for the CIF-SS platform which will house the information previously described. If your school site opts to take advantage of the full Schedule Star membership, you will be able to do so at a discounted rate. Previously a single school membership was approximately \$250 per year respectively. Schedule Star is offering a discounted rate of \$200 to all Southern Section schools. In addition, the CIF-SS will pay \$100 toward that amount to offset the initial cost which means for this year a school can enjoy full Schedule Star capabilities for a one year fee of only \$100. To take advantage of this reduced rate, you must sign up prior to October 1st

WILLIAM RUSSELL, LEGENDARY CIF COMMISSIONER PASSES AWAY

William Russell, 94, passed away peacefully in his home on Sunday, August 9. Bill Russell was born in St. Louis in 1915. His father's job with Missouri Life Insurance Company required the family to move frequently around the western states, so young Russell attended 11 different elementary and junior high schools by the age of 13. The family had moved to Santa Barbara just as the Stock Market crashed in 1929, the insurance company went bankrupt and the Russell family started their life in Santa Barbara. Bill attended Santa Barbara High School, graduating 1932 at the age of 16.

Russell wanted to continue with his education at Santa Barbara State College (which later became UCSB) but the Great Depression took precedent. He had to quit school to help his family through hard financial times.

Bill returned to college on the Riviera Campus in 1938, excelling as an athlete. During his college career he lettered in baseball his sophomore year and basketball all 3 years. He served as Captain of the basketball team and, coached by Willie Wilton, took SB State College to win the State Basketball Conference Championship for the first time. Bill participated in Santa Barbara City Recreation League activities for approximately 15 years. He served as President of the Men's Sports League in the 1930s. He played catcher for the "Candy Kids" softball team for 10 years, sponsored by D. F. Joehnck.

In 1939, Bill married Dorothy Poole, whom he originally met on a blind date during Old Spanish Days Fiesta five years earlier. Dorothy, a Santa Barbara native, had graduated from Santa Barbara State College and became employed there in the Art Department immediately after graduation.

Russell graduated with honors from Santa Barbara State College in 1940 and was accepted to Boalt Hall Law School at Cal Berkeley. However, the war broke out and those plans changed. In 1941, the President of the College had asked Russell to apply as Graduate Manager of Athletics and Student Activities for UCSB. Accepting this position, Russell decided to remain in Santa Barbara due to imminent war development. He served in this position from 1941-50, with time out for 3 years of war service.

Russell served with the American Red Cross (1942-1945) in Alaska. He worked with military outposts installed to protect the U.S. from invasion through Russia and China. He remembered temperatures of 100 degrees below freezing and days when the sun only rose for a very few short hours. As an amateur photographer, he captured images of Eskimos hunting seals, family igloos, and startling Alaskan terrain.

Upon return from service to his Graduate Manager position with UCSB, Bill also served as Ticket Sales Manager and Supervisor of Park Personnel for the Santa Barbara Dodgers Baseball Team in the 1940s. He was a member of the Junior Chamber of Commerce, and he coached the Rotary Club-sponsored youth baseball team for 3 years in the S B City Recreation Department Youth League, sponsored by C. James Anderson. He served as announcer of the Easter Relays in the 1940s.

California Interscholastic Federation - CIF

From 1950-54, Russell was employed as Commissioner of the C. I. F. (California Interscholastic Federation) Southern Section, making athletic rules and policies for boys' interscholastic sports in order to accommodate the huge baby boom population flooding California's schools.

In 1956, he was given the job as State Commissioner of Athletics for the CIF and Executive Secretary of the non-profit CIF Protection Fund, affordable insurance for athletic participation. He served in this position until retirement in 1980, spending his years broadening the scope of team play from the traditional football, basketball, baseball, track seasons to create team play in swimming, volleyball, gymnastics, golf, and in mountain areas, skiing and ski jumping, and even surfing in coastal areas.

Russell served on many state and national sports committees:

- National High School Track and Field Rules Committee 1953-79; Chairman 1957-79.
- NCAA Track and Field Rules Committee 1958-73.
- Advisory member – High School Football Rules Committee 1954-1980.
- Member Executive Committee for Southern California Committee for the Olympic Games, 10 years.
- Member Executive Committee of the U. S. Track and Field National Hall of Fame, 2 years.
- Member – Executive Committee – National Federation of State High school Athletic Associations – 1972-75.
- Member – Board of Directors – Southern California Tennis Association 1951-1980.
- Member – Tournament Committee and Rating Committee – Southern California Golf Association; member SCGA Board of Directors 1981-92.

4. NON-ACTION SESSION

A. STATE FEDERATED COUNCIL

1. Master Plan for the Addition of State and Regional Championships – Discuss - The state needs to get in compliance with the opportunities available for boys’ and girls’ sports. The support material shows the order that those championships will take effect.

2. Bylaw 600, Competition on an Outside Team Revision – Discuss - This will eliminate all competition, practice and tryouts with an outside team during the season of sport (in that sport). CIF State feels that Olympic Development Programs are encroaching on high school sports.

3. Bylaw 32, Allied Organization Membership Revision – Discuss - Allied Organization Membership Revision requires that business be conducted in an open manner similar to what is required of CIF under the Brown Act.

4. Bylaw 310, Contact Time Limitations (Proposed New Bylaw) – Discuss - This limits contact to 18 hours per week (3 hours per day) maximum (taken from the NCAA model). This time frame does include game time. This is geared to limit practice sessions (not an all day tournament or meet). Concerns were raised with the enforcement of this. Coach’s education covers safe contact and some feel there isn’t a need for limitation. It was mentioned that the NCAA model wasn’t effective as coaches are conducting “voluntary” (but really mandatory) practice sessions. While the sentiments of safety were shared among all, questions were raised regarding research that links extensive high school practice time with injury. There was a concern that the multisport athlete’s ability to practice may be affected. Clarification is needed in terms of the “athletic period” minutes counting toward the 3 hours. In addition, there was a sentiment that this may encourage a Saturday practice as that would be the only way to get 18 hours (without exceeding 3 a day) in the case of game film review or any other additional needs that couldn’t be completed during the week due to the limitation.

5. Bylaw 3101, Wrestling 40-Match Rule Revision – Discuss - Does not allow an athlete to exceed 40 matches in a season.

B. SOUTHERN SECTION

1. Proposal from Badminton Advisory Committee on Bylaw 1404 Maximum Team Contests to be presented by Bob Colera – Discuss - Badminton would like consideration for 20 allowable contests in alignment with lacrosse, soccer, water polo, etc. This sport requires no officials; cost would be minimal.

5. NEW BUSINESS

A. Governance Task Force Report by Gary Smidderks - Ray Johnson and Sue Kuwabara (CIF-SS Representatives): Are governance and structure helping or hindering our mission as a governing body? The committee is exploring what CIF can do to get ahead of the

issues such that legislature doesn’t attempt to affect CIF’s ability to govern. The representatives are asking that council think about three things: 1) What is it that CIF does well? 2) What does CIF need to improve on? 3) What should the task force focus on? These questions will be sent to the administrators via email to be taken back to their meeting in May. The focus must be to continue to see the mission of education to include athletics.

B. CIF Southern Section Platform by Schedule Star Presentation - Starting Fall 2009, all schools will be receiving a free, minimum membership to Schedule Star Schools will be required to enter directory information and sport offerings. If schools so choose, they may purchase a Schedule Star membership at a reduced rate (TBD) for use with schedules, officials requests, rosters etc. CIF will be working with Schedule Star to interface our sites such that we can be more efficient in our member services. The reduced rate offering is somewhere in the \$200 range.

6. REPORT SESSION

A. President’s Report - Sr. Cheryl Milner - See nomination information for the character awards that are in the council packet. In addition, please be aware of the flyer which was at your place setting for the Golf Tournament to support this event.

B. Commissioner’s Report - Jim Staunton - The Commissioner thanked the re-leaguing chairs from all areas. The task is difficult and large. Those that took on that responsibility are greatly appreciated. John Costello, Director of Marketing, is in the process of renegotiating contracts with FOX. Currently there is not one; however the CIF-SS is working to eliminate back end restrictions that existed in past contracts.

C. Treasurer’s Report - Jim Monico - There are still outstanding basketball reports from winter. Please get those in ASAP. T-Shirt sales are down. Fall sports revenue was up from last year (except girls’ volleyball). Winter sport revenue was up from last year. Over \$880k has gone out to schools for revenue sharing in the sports of football, basketball and girls’ volleyball to date.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING

APRIL 22, 2009

This meeting of the CIF Southern Section Executive Committee was called to order at 1:15 p.m. by President Sr. Cheryl Milner. All members were present with the exception of Wendy Doty and Jim Monico.

1. OPENING BUSINESS

E. Adopt Agenda – It was moved, seconded and approved with the following adjustments: Bill Dabbs will review the process for the Commissioner's review under item 6B.

F. Approval of Minutes – It was moved and seconded to approved the minutes of the January 17, 2009 Executive Committee meeting. The motion was approved.

G. Communications – Jim Staunton described the letter from Bob Kladifko regarding the upcoming legislative bills. Bob is a member of ACSA. Bill Dabbs also stated the superintendents of Ventura County met and stated they will not support Audra Strickland's bills regarding eligibility.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. STATE 351 – Master Plan for the Addition of State and Regional Championships - Bill Dabbs explained the reason for the listing of Championship State and Regional dates.

Earl Haugen said the State proposed the matter of adding sport championships but removed the dates for implementation. A problem exists because all of the sports are not played at the same time throughout the state. The goal is to have a State championship in all team sports. We need to review this proposal and determine which part, if all of this proposal, we want to support. We also need to decide if money should be spent during these economic times.

2. STATE 352 – Bylaw 600, Competition on an Outside Team Revision - Bill Dabbs outlined this proposal. There was a mixed reaction to the proposal as it was written. It was felt a compromise should be made within the rule by revising it.

3. STATE 353 – Bylaw 32 Allied Organization Membership Revision - Gary Smidderks gave a background on this proposal.

4. STATE 354 - Bylaw 310, Contact Time Limitations (Proposed New Bylaw) - Jim Staunton stated this proposal may be postponed until all feedback is received from the Sections and can be discussed. Ray Moore stated the State did not give the Section enough time to discuss this proposal. Feels what it is proposing is more of a club sports issue and that this should be a policy statement before it is a rule. Gary Smidderks stated this proposal came from the Sports Medicine Committee and not from constituents or a more wide-ranging committee.

5. STATE 355 – Bylaw 3101, Wrestling 40 Match Rule Revision - Bill Dabbs gave an overview of this item. Rob Wigod stated there were two students who went over their match limit so it was felt there needed to be a rule limiting the number of matches. Rob supports this proposal.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. SS357 – Proposal from Badminton Advisory Committee on Bylaw 1404 Maximum Team Contests - Kristine Palle explained this proposal.

5. NEW BUSINESS

A. Governance Task Force - Gary Smidderks stated some of the concerns of the task force were: Large versus small Section playoffs; Inequities in Championship Access; Imbalance in Sections.

It was decided to look at structure. The State Executive Committee created this committee. There are two representatives from each Section. The Southern Section representatives are Sue Kuwabara and Ray Johnson, Principal, Banning High School.

This committee wants to hear what the problems are in CIF. They want to determine if there is a better way for CIF to organize itself. Sue Kuwabara stated the Southern Section is very different from the other Sections. The committee was told that we need to educate people about CIF. They want to make communication better for every Section in the State.

Earl Haugen stated we need to find a way to have the State office have communication as a priority. Sr. Cheryl stated in the last 5 or 6 years, there have been a lot of struggles with autonomy throughout the state. If we are doing state rules, it is a shift in governance. She felt recent statewide proposals don't look at the big picture.

B. Report on Status of Releaguings Appeals - At this time, Glendora, Claremont and South Hills will be appealing. Susie Arce stated schools from her league (Tri-County Athletic Association) would be appealing as well. April 29th is the deadline for appeal requests. The Releaguings Chair will sit on the panel, will not vote, but will contribute information on how the releaguings was done.

C. Proposed Southern Section Meeting Dates 2010-2011 - It was moved, seconded and approved.

D. Considerations of the Following Schools for Member Status for the 2009-2010 School Year:

6. CLOSED SESSION

The closed session began at 3:55 p.m. and concluded at 4:12 p.m. The Executive Committee reviewed the process for the Commissioner's annual review, as well as for progress on his goals. There was no action taken during the closed session. They agreed on a new process for the Commissioner's review.

7. REPORT SESSION

A. President's Report – There was no further business to report.

B. Treasurer's Report – Bill Dabbs read the report.

C. Commissioner's Report – Jim Staunton discussed the idea of Manzanar High School receiving an honorary membership in CIF Southern Section. This school has a notable history during World War II. It was moved that Manzanar High School be recognized as an honorary member from 1942 – 1945. It was seconded and approved. Dr. Staunton also recognized the assistant commissioners for all of their hard work this past year.

D. Executive Committee Member Reports
Earl Haugen attended many of the basketball and soccer regional tournaments and congratulated Sr. Cheryl Milner, Jerry Halpin, Reggie Thompkins and Steve Miller for their schools' successes.

Gary Smidderks – reviewed responses of the Governance Task Force.

Susie Arce – has been involved in releaguings. She also reported they had to remove a coach because he had not gone through the coach's training.

Barrett Luketic – has also been involved in releaguings for the first time and stated Mark Edgemon and Eleanor Dykstra did an excellent job.

Jerry Halpin – asked if anyone has been approached with a request for cheer to become a sport. He stated that Wisconsin has approved cheerleading as a sport. He was also approached about Title IX violations.

Ray Moore – congratulated Reggie on the releaguings process in his area. It was his first time going through the process.

Carter Paysinger – stated losing the association rule has created many problems. Feels we have to be careful about how freely we allow the students to play even on Sundays. His school adopted the association rules but his walk-on coaches are being asked to participate (See EXEC. MINUTES page 23)

LOYOLA AND CORONA DEL MAR CLAIM TITLES IN 18TH ANNUAL COMMISSIONER'S CUP

The CIF Southern Section is pleased to announce the top ten girls and boys athletic programs in the 18th Annual Commissioner's Cup.

On the girl's side, Corona del Mar took top honors in scoring 16.5 points on the strength of four runner-up finishes and one title. The Sea Queens claimed their fifth title in six years. Corona del Mar finished the year with a title in the sport of Cross Country and added runner-up trophies in tennis, volleyball, water polo and a tie for second in track and field. The Sea Queens five titles is tops all time with their nearest competitor, Harvard-Westlake, has three.

Saugus finished second with 13 points thanks to titles in soccer and cross-country. The Centurions also added a runner-up plaque in track and field.

Rounding out the top three is Chadwick with 11 points. The Dolphins made the top-three with a championship in cross-country. Chadwick added to their total with a third-place finish in basketball, water polo and volleyball.

On the boy's side, Loyola claimed their third Commissioner Cup title in the past five years with two sports championships, three runner-up trophies and a third-place finish. The Cubs scored 21 points, winning CIF-SS titles in track and field and volleyball. Loyola also finished as runner-ups in basketball, cross-country and swimming and diving. The Cubs three titles tie them for the

most of any boy's champions with Oaks Christian, Long Beach Poly and Santa Margarita.

Thousand Oaks finished with 17 points and claimed the second-place spot. The Lancers won titles in basketball, cross country and tennis. Adding to that total was a semifinal finish in volleyball. With 16 points was perennial cup challenger, Mater Dei. The Monarchs claimed a title in water polo and had runner-up finishes in basketball and volleyball as well as third-place finishes in baseball and tennis.

The CIF-SS developed this recognition program based upon comprehensive excellence in interscholastic competition. The purpose of this program is to enhance the spirit of competition, sportsmanship, and goodwill among the student athletes and member schools.

The winners are determined by a point system that provides: five points for a divisional championship; three points for a divisional runner-up finish; two points for advancing to the semifinal round or a third place finish in a team-place finish sport (i.e. cross country, golf, swimming and diving, track and field); and one point for a fourth place finish in a team-place finish sport. In cases where a tie occurs the top ten schools were determined by several tie-breaker methods.

"The CIF-SS would like to congratulate these outstanding programs for their championship performances," said Dr. Jim Staunton, Commissioner of Athletics. "They all have a lot to be proud of

SAC, Northern, Orange County and Small School Areas. All procedures were followed. This agenda item was included for information purposes only, no action was necessary.

6. NEWBUSINESS

B. Releaguings Appeals – Mt. SAC Area, Northern Area, Orange County Area and Small Schools Area – Sr. Cheryl Milner explained the procedure of the process today. Presenters will have five minutes and responses will have two minutes. The Executive Committee will only recommend new proposals.

1. Northern Area

Oaks Christian High School – Jan Hethcock, athletic director, stated their concerns were with enrollment and competitive equity. They are a school of 760 students and enrollment of schools in the Marmonte League averages about two and a half times larger and Oaks Christian. Oaks Christian requests being placed in the Marmonte League for football only. Calabasas could switch with them for football only.

Westlake High School – Jim Benkert, athletic director, stated they oppose the proposal of Oaks Christian. The Marmonte League does not want to be fractioned into a football league only; they want Oaks Christian to come into the league for all sports.

Oak Park High School – Dick Billingsley, Tri-County Athletic Association president, stated they voted unanimously for Oaks Christian to go to the Marmonte League.

Calabasas High School – C.J. Foss, principal, stated they wanted to appeal the decision of May 6th placing Calabasas in the Tri-County Athletic Association for all sports. They want to be in the Marmonte League based on enrollment, competitive equity and geography. They want to be placed in the Marmonte League for all sports except football. They support the Oaks Christian proposal to switch league for football only.

Moorpark High School – Rob Dearborn, athletic director and Marmonte League president, stated Calabasas has not done well in the

Marmonte League. The league is in favor of the two schools switching in all sports. The girls water polo coach, athletic director and parents of Calabasas High School also spoke of their desire to stay in the Marmonte League.

Channel League Member Schools – Val Wyatt, Ventura High School principal, stated she represented six high schools in the Channel League. These schools asked that St. Bonaventure not be placed in the Channel League based on their won-loss scores. They support Proposal A. Dick Billingsley, Rob Dearborn and David Hess all stated they do not want St. Bonaventure in the Channel League because of competitive equity.

It was moved to create a Proposal C that includes Oaks Christian's and Calabasas' proposal to switch leagues for football only and includes Saint Bonaventure going to the Tri-County Athletic Association for all sports. The motion was seconded. The motion was amended to remove the Saint Bonaventure portion from this proposal. Proposal C adapts Proposal B to have Oaks Christian and Calabasas switch leagues for football only. The motion was approved: 13 ayes, 3 nays, 2 abstentions.

It was moved to place Saint Bonaventure in the Channel League for all sports. Calabasas would go to the TCAA for football only and Oaks Christian would go to the Marmonte League in all sports. The motion was seconded and approved, with 11 ayes, 5 nays and 2 abstentions.

2. Mt. SAC Area

Rowland High School – Robbie Robinson, principal, stated they are appealing their placement based on competitive equity and declining enrollment. They did not win a contest in any sport against any member of the San Antonio League. They would like to move to the Valle Vista League.

Diamond Ranch High School – Monica Principe, principal, requested the Executive Committee uphold the original proposal voted on by the area. They support Proposal A.

South Hills High School – Judy North, principal, stated the economic impact was not considered during releaguings and all of the cuts done in the districts. Travel affects what sports they offer and what they ask students to do. She supported Proposal B.

Walnut High School – Dave Schmidt, interim principal, stated his school would not be very successful with South Hills in his league. They are requesting relief from Proposal B and to move to the Valle Vista League for all sports.

It was moved to move Rowland High School from the San Antonio League to the Valle Vista League from Proposal B. The motion was seconded and approved with 13 ayes, 1 nay and 4 abstentions.

3. Small Schools Area

Riverside Christian – Dave DeWoody, athletic director, stated they wish to be removed from the Warrior League and placed in the Arrowhead League based on travel distance. There are also many sports that they field that the Warrior League does not. They fit well by enrollment and would have to cross league in the Warrior League and not in the Arrowhead League.

Arrowhead League – Lynsey Mikhail, league representative, stated Riverside Christian was moved to the Big Sky League due to geography and competitive equity. They have a middle school program and the schools in the Arrowhead League do not. It will not be equitable in that sense.

Animo Leadership Charter High School – Sergio Medrano, athletic Director, stated Animo would like to move from the Harbor League to the Gold Coast Athletic Conference (GCAC). The Harbor League is a four-school league. Shalhevet would join the Harbor League in order to remain a four-school league. The Harbor League supports their request. Shalhevet will move from the Mulholland League to the Harbor League. The Mulholland League also supports the move of Shalhevet to go to the Harbor League.

It was moved to have Animo Leadership move from the Harbor League to the GCAC and to move Shalhevet from the Mulholland League to the Harbor League. It was seconded and approved with 13 ayes, 1 nay and 3 abstentions. (Wendy Doty had left the meeting prior to this motion.)

4. Orange County Area

Sunny Hills High School – Ed Atkinson, principal, stated they wanted to challenge the appeal of Brea Olinda High School because it violated appeal procedures and the Brown Act and felt it should be reconsidered.

Buena Park High School I – Ben Wolf, principal, felt adding Brea Olinda to the Freeway League would disrupt the competitive equity.

Sunny Hills High School – Ralph Trigsted, athletic director, stated the releaguings process was well done and the original proposal was voted 56-16.

Laguna Hills High School – Sean Boulton, principal, stated he was appealing due to competitive equity. They are a declining enrollment district. They would like to be moved to the Pacific Coast League along with San Juan Hills.

It was moved to have the Southern Section office investigate the allegation made by Sunny Hills High School and was seconded. After discussion, the motion was amended to have the Southern Section office investigate the alleged violations of the Blue Book under the first paragraph of the Releaguings Procedures. The motion was seconded and approved.

It was moved from Proposal A to have Laguna Hills High School and San Juan Hills High School go to the Pacific Coast League and move Western High School from the Empire League to the Orange League. The motion was seconded and approved with 11 ayes, 2 nays and 2 abstentions. (Sue Kuwabara had left the meeting prior to this motion.) This will be Proposal C.

It was moved to move Western High School from the Empire League to the Orange League from Proposal A. It was seconded and approved, 11 ayes, 3 nays and 2 abstentions. This will be Proposal D.

CIFSS/DODGERS CELEBRATE 26TH ANNUAL KENNETH FAGANS TOYOTA "SHAKE FOR SPORTSMANSHIP" AWARDS PROGRAM

The CIF Southern Section and Los Angeles City Section, once again, teamed up with the Los Angeles Dodgers and Toyota to present the 27th Annual Kenneth Fagans "Shake for Sportsmanship" Awards. The awards ceremonies will take place prior to the Dodgers-Arizona Diamondbacks game on Monday, May 4.

Award recipients are determined by the members of their respective leagues. Although participating leagues may establish their own criteria, the CIF-SS offers the following guidelines for the selection process: participation, enthusiasm, behavior at home and away games, treatment of opponents and treatment of the contest officials. Judging is based not only on the student-athletes'

conduct, but also on the conduct of the school band members, drill teams, pep squads, cheerleaders and student-rooting sections.

The awards program also includes the Los Angeles City Section, which will announce 13 conference winners. In all, the program will encompass nearly 700 CIF-member high schools in southern and central California.

"We are very proud of this most important program," said Dr. Jim Staunton, CIF-SS Commissioner of Athletics. "Schools receiving this award are to be commended for the direction provided by their administrative and coaching staffs, and especially for the positive action of their

student body memberships. Shake for Sportsmanship goes hand-in-hand with our Victory with Honor and Character Counts programs and we are extremely proud to be a part of it."

Each of the honored schools will be presented with an attractive commemorative plaque, supplied by Toyota, for permanent display on campus.

"Speaking on behalf of both the Southern and L.A. City Sections, we wish to thank the Dodgers and Toyota for their continued efforts in promoting the spirit of good sportsmanship in high school athletics," added Staunton.

in clubs.

Janet Berardi – stated her school is breaking ground for new softball fields.

Reggie Thompkins – stated his school is getting a new turf field and that he appreciates being involved with CIF.

Mark Rose – commended Tony Diaz for his work during relegating. He did a great job.

Larry Satterfield – stated the Desert Area relegating was challenging.

Guy Roubian – stated they finished relegating on April 21 and thanked Denis Paul for hosting the meetings. Everyone was very professional.

Sue Kuwabara – stated most of the schools in Orange County will be bringing their kids back to their districts because of the economy. They are on Basic Aid meaning they are only getting tax money. If students are transferred because of the Basic Aid, it would be considered a hardship.

Steve Miller – his school was fortunate to get to the State playoffs. It was a tough act to follow after Southern Section playoffs. He applauds the staff for their playoffs and thanked them.

Bill Dabbs – his school hosted the wrestling meet that, because of the perceived actions of a score keeper, the wrong team won. One of the coaches looked at all of the paperwork and found many errors. He reminded everyone to have due diligence. He also thanked the staff for their help in this matter.

There being no further items for discussion, the meeting adjourned at 4:35 p.m.

RULE REVIEW

(Continued from page 4)

(register at www.ScheduleStar.com). This is an excellent rate for a program that can assist in everything an administrative team, athletic director, athletic secretary, and coach does in terms of managing your school's athletic department.

What does Schedule Star Do?

Schedule Star assists with league schedules, team schedules, online ticketing, rosters, team stats, eligibility, scheduling of officials, athletic contracts, scheduling of facilities and transportation, schedule change notifications, and interfaces with HighSchoolSports.net to maintain a web page and parent communication. This is a time saving program to organize all scheduling information, housed in a central location, allowing all support staff to stay ahead of the game in the office, on the field and in the bleachers.

If you have questions regarding the minimum requirements of the CIF-SS Platform account (free to schools) or regarding a complete Schedule Star membership, please contact the CIF office. For a complete rundown of its vast capabilities visit the Schedule Star website at www.ScheduleStar.com or call them at 800-258-8550.

COMMISSIONER

(Continued from page 3)

may vote upon the area proposal. NOTE: Only leagues currently in existence are entitled to a vote."

After the vote on proposals by area league representatives, and assuming a proposal is adopted, schools that still feel aggrieved by the configuration can appeal to the full Council. Under sub point 5, Article 32, "Any member school dissatisfied with the adoption will have the right to appeal to the full Council."

At this point in the process, appeals are to be directed to process only. Schools who appeal should address the three criteria in their appeal before the full Council. Voting shall be done by the full membership of Council.

Re-leaguings is an arduous process often involving days of meetings. The Southern Section successfully placed 560 schools (97% of the membership) with no objection by those schools. This is a remarkable achievement. We will complete the process next October.
