3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed CIF State Budget 2016-2017 - There was a motion and a second to approve STATE 528. Discussion: None. The proposed budget is balanced and does not include any COLA. Operating costs are projected to increase slightly due to step only adjustments to qualified employees. Note that legal and liability costs will increase by \$0.05 per student (from \$0.63 to \$0.68) by closing the gap on legal costs incurred by the organization. Motion Passed: 75 – 0 – 4.

2. Proposed Revision of Bylaws 201, 204, 207 & 208 - There was a motion and a second to approve STATE 528. Discussion: None. The proposal and revisions will better define and clarify "days of enrollment". Motion Passed: 77 – 2 – 0.

3. Proposed Revision of Bylaw 1901.B - There was a motion and a second to approve STATE 531. Discussion: None. This proposal prohibits "full contact" football camps outside the season of sport for all CIF sections. Team camps and other off-season activities are allowable with the following equipment only: footballs, bags, blocking sleds and football shoes. Motion Passed: 74 – 2 – 3.

4. Proposed Revision of Bylaw 3103 - There was a motion and a second to approve STATE 532. Discussion: None. This proposed revision of Bylaw 3103 does not remove the current requirements and mandates of the wrestling weight management program. It moves the current standards, processes, appeals and penalties to the "Blue Policy" pages to coincide with all other CIF sports. Motion Passed: 74 – 0 – 5

5. Proposed Revision of Bylaws 2401, 700, 2701, 2903, & 2904 - There was a motion and a second to approve STATE 535. Discussion: Clarification of when other CIF sections held soccer season of sport. Rob pointed out that other CIF sections would be moving their season of sport to the Winter to match the Southern Section. This change will allow greater flexibility in placement of section entries into the Regional Championships in Soccer, Tennis, and Boys Volleyball. The object is to reduce travel time for teams participating in these regionals. Motion Passed: 76 – 2 – 1.

6. CIF Federated Council Election President-Elect 2016-17 - The following candidates have been nominated and agreed to have their names placed for consideration: Marci Cranford (Teacher, Coach), Central Section. Peter Efstathiou (Principal), Sac-Joaquin Section. Jim Perry (District Athletic Director), CAHPERD. It was moved and seconded to support the candidacy of Jim Perry for the position of President-Elect. Motion Passed: 79 – 0 – 0.

7. CIF State Executive Committee Nominations - -It

was moved and seconded to support the candidacies of Monica Colunga and Jim Perry and to go uninstructed otherwise for elevation to the CIF State Executive Board. Discussion: None. Motion Passed: 79 – 0 – 0. The following candidates have been nominated and agreed to have their names placed for consideration (five to be selected): Duane Coleman (Superintendent), San Diego Section. Monica Colunga (Principal), Southern Section. David Contreras (Teacher, Coach), Northern Section. Peter Efstathiou (Principal), Sac-Joaquin Section. Douglas Kaelin (Superintendent), Northern Section. Sara Wetteland (Assistant Principal), Sac-Joaquin Section

B. SOUTHERN SECTION ACTION ITEMS

- CIF Southern Section Executive Committee Nominations - It was moved and seconded to forward proposal SS526. This proposal lists the candidates for the Southern Section Executive Committee for the 2016-2017 school year. Hand ballot voting took place and collected by CIF-SS staff. The elected officials and the length of service are below: President-Elect - Monica Colunga, Principal, Irvine High School (2-year term - 2016-2018). Coast Area Representative - 3 of the 4 Coast Area leagues were not present for today's meeting. The vote was postponed until discussion with CIF legal counsel to determine what the next step(s) will be regarding this position for 2016-2017. The candidates are: Paula Hart Rodas, Principal, Lawndale High School. Nicole Wesley, Principal, Redondo Union High School. Desert Area Representative - Rob Kostopoulos, Athletic Director, Boron High School (4-year term - 2016-2020). Activities Director Representative - Todd Arrowsmith, Activities Director, West Ranch High School (4-year term - 2016-2020). Boys Athletic Director Representative - Chris

Calderwood, Athletic Director, Rancho Mirage High School (4-year term 2016-2020). Girls Athletic Director Representative - Jill Matyuch, Athletic Director, Brea Olinda High School (4-year term - 2016-2020).

1. Proposed CIF Southern Section Budget 2016-2017 - There was a motion and a second to approve SS527. The proposed 2016-2017 budget is balanced and does not include a COLA increase but does include normal step and longevity increases. Discussion: Mark Anderson from Yucaipa HS thanked the CIF-SS for returning money to the schools last school year. Motion Passed: 78 – 0 – 1

2. Proposal from Officials Fees/Relations Committee - Brice Sunderland, Chairman, Officials Fees and Relations Committee presented SS533. The proposal is for a three-year agreement starting with the 2016-2017 school year. The proposal requests a \$3 increase in 2016-2017, a \$3 increase for 2017-2018 and a \$2 increase in 2018-2019 across the board in all sports. Additional changes in specific sports are also included. There was a motion and a second to approve SS533. Discussion: None. Motion Failed: 35 – 38 – 6. Mr. Monico announced that the Official's Fees Committee will need to meet again to review the proposal. That committee will report to the Executive Committee in May with an update. Mr. Wigod stated that we can't move forward into the 2016-2017 school year without an official's agreement in place. Follow up discussion ensued as to why the proposal failed. Comments ranged from too large an increase in wrestling dual meets, schools didn't want to increase ticket prices to cover the higher cost of officials, \$3, \$3 and \$2 was too much and finally the officials are not doing enough to recruit, retain and improve the quality of officiating.

5. REPORT SESSION

A. President's Report - Jim Monico, Past President - Mr. Monico offered his congratulations to those who were able to win a Southern Section Championship this past Winter season; specifically mentioned were the efforts of Chino Hills in Boys Basketball; he also noted that the Girls Wrestling event has increased in popularity. Mr. Monico attended several section finals and State Regional events and was impressed by all the athletes and the work of the playoff committees hosting the events.

B. Treasurer's Report - Jeff Jordan - Mr. Jordan noted that as of April 4, 2016 income was approximately \$670,000 and that our CFO Mitch Carty is expecting a \$100,000 net after all is finalized after the Spring sport playoffs. Final figures for football show a net of about \$110,000. All sports fees have now been paid by member schools. Expenses are where they were expected to be and we will have a balanced budget by the end of the year. Approximately \$1,000,000 has been returned to our schools. The Friends of Golf have donated \$47,000 to our golf programs.

C. Commissioner's Report - Rob Wigod - Mr. Wigod thanked Reggie Thompkins for his efforts with us and with the State CIF (Reggie has resigned his position with the Southern Section as he has accepted a Deputy Superintendent position in the San Diego Section); Jim Monico for providing the steady hand needed as he steps into the President's chair; CIF-SS Staff and the CIF-SS the Council for their leadership. He also commented on his pride in the new MVP AD program. 5. NEW BUSINESS (This item was moved to the beginning of the agenda)

A. Grace Brethren High School Appeal - John Hynes, Principal, Grace Brethren High School - Hearing was called to order by Past-President Jim Monico at 1:07 p.m. and concluded at 2:13 p.m. There was a motion and a second to grant the appeal and the motion failed by a vote of 0-18-1.

Break at 2:14 p.m.

Reconvened at 2:27 p.m.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed CIF State Budget 2016-2017 - Carter Paysinger reviewed the CIF State Budget. There is an overall 4% increase in revenue and expenses. There will be an increase in legal/liability fees of \$0.05 per student. There was a motion to support and a second. Monica Colunga asked for clarification of the retirement medical benefit for after retirement, if it was lifelong. It used to be lifelong, but no longer is, yet there are still some retirees that fall under the lifelong benefit. The motion carried 18-0-1.

2. Proposed Revision of Bylaws 201, 204, 207 & 208 - Carter Paysinger reviewed the proposal. There was a motion to support and second. Dick Billingsley asked for clarification of being in a class. If a student is still rearranging a schedule and misses the first couple of days because of the changes in their schedule, does that constitute sitting in class? In order for a school to receive ADA, the student must be sitting in class, even if it is only one class. The motion carried 19-0-0.

3. Proposed Revision of Bylaw 1901.B - Carter Paysinger reviewed the proposal. There was a motion to support and a second. Chris Calderwood asked if this was referring to football camps. Monica Colunga stated it was not applicable to individual students who attend these camps, only team camps. The motion carried 19-0.

4. Proposed Revision of Bylaw 3103 - Carter Paysinger reviewed the proposal. There was a motion to support and second. The motion carried 19-0.

5. Proposed Revision of Bylaws 2401, 700, 2701, 2903, & 2904 - Carter Paysinger reviewed the proposal. Since this was not available for a first read, more detail was reviewed before a motion was requested. The proposal is to change the language so section affiliation is not always a factor in State Regional playoffs. This would allow schools to be placed in either the NorCal Regionals or the SoCal Regionals based on geography instead of section affiliation. There was a motion to support the proposal and a second. Rob Wigod explained in more detail the bylaw changes and that NorCal and SoCal lines would be able to be crossed. However, if our schools are moved from the Central Section to the Northern Regional, then more teams would be needed from the remaining sections for the Southern Regional. Rainer Wulf explained that Tennis is a set bracket and if one of our teams goes north, how do you work that out in a predetermined bracket? It can be worked through, but some details needed to be brought to our attention. This is an option, not a mandate, in order to help alleviate travel and it is only for those sports that do not go on to a State Championship. Chris Calderwood stated that if it is better for a school in our section, then we should do it. If it is not workable and details have not been worked out, then vote to not support. Jim Perry said that this was going to affect a small number of schools and to try to keep the Central Section schools from traveling to San Diego. There are still details to be worked out. The motion carried 19-0.

6. CIF Federated Council Election President-Elect 2016-17 - Carter Paysinger reviewed the proposal. Dave Reid made a motion to support the candidacy of Jim Perry and there was a second. The motion carried 19-0.

7. CIF State Executive Committee Nominations - Carter Paysinger reviewed the proposal. He asked for support Jim Perry and Monica Colunga for election to the State Executive Committee and to go uninstructed on all others. There was a first

and a second to support those instructions. The motion carried 19-0.

B. SOUTHERN SECTION ACTION ITEMS

1. CIF Southern Section Executive Committee Nominations - Jim Monico reviewed the proposal and asked for a motion to move the slate of candidates forward to tomorrow's Council meeting. There was a motion and a second. The motion carried 19-0.

2. Proposed CIF Southern Section Budget 2016-2017 - Jim Monico reviewed the proposal. Rob Wigod talked about the budget in Mitch Carty's absence. There are no sport fees increases for the 2016-17 school year, the budget is balanced and the organization is solvent. Mike West asked about a possible increase again in ticket prices and noted a net decrease in income. Rob Wigod discussed the football surplus, Fall Sports did well, and Winter Sports numbers still coming in. We are projecting a slight decrease overall. John Costello attributed the decrease to match ups and location. Tickets prices are higher at Azusa Pacific University and the Honda Center as the facility charges higher fees. Pricing not the problem, it is mostly matchups. Thom Simmons reminded the Executive Committee that in the Fall we lost the gate on the Grace Brethren football game and in the Winter we lost the gate on the Girls Division 6 Soccer Final. However, the Boys Open Division Basketball Final had the sixth largest attendance in Basketball Championship history. Next year, with the new Playoff Groupings system, we could increase ticket sales with new teams entering the playoffs. There was a motion to support and a second. The motion carried 19-0.

3. Proposal from Officials Fees/Relations Committee - Jim Monico reviewed the proposal. Glenn Martinez stated that there has only been a \$2 increase in the last six years. The Officials Fees Committee came up with this proposal and with some editorial changes, felt the \$3, \$3, \$2 over the next three years is fair. Sandy Gahring stated that her area is short of officials and are changing days to play in order to have enough officials for all games. How can a 3-person crew be recommended when we can't get enough 2-person crews. What is the accountability system of the officials? Glenn Martinez explained who meets - the President's Council is made up of the Presidents of the officials' associations and the Officials Fees Committee is made up of persons representing Principals, Athletic Directors, Superintendents and officials. One point of emphasis made with both committees (and perhaps they should meet together in one room) is what are you doing to retain, recruit, instill professionalism and train the officials. There was a motion to approve and a second. Chris Calderwood voiced a concern asking why are 3-person crews encouraged in Basketball, but not anywhere else? Jeff Jordan stated that they are asking for a raise just like any of us would and that we tend to forget about the professional and good officials since we only hear about the bad ones. Mike West stated that the Wrestling increase is too fast and what about the doubleheader Wrestling fee? This increase would cost a minimum of a \$2,000 increase for his district. Dave Reid stated he did not support this proposal as it was asking for too much money. Thom Simmons gave some great insight from the official's point-of-view, as a former official for Baseball. Why don't I officiate anymore? Because I was tired of a 0-22 coach telling me how bad I was at my job. We need to take into account what the officials put up with. Carter Paysinger noted we are losing great officials to other sections. The Los Angeles City Section just approved a rather substantial increase of \$3, \$2, \$2. We need to hold the units more accountable, but we need to give them a raise. The motion carried 14-4-1. 3:27 Reggie Thompkins, former President, joined the meeting.

Break at 3:34 p.m.

Reconvened at 3:45 p.m.

Rob Wigod made a special presentation to Reggie Thompkins, as outgoing President of the Council. Reggie Thompkins was presented with a plaque and watch and was thanked by the entire Executive Committee.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed NorCal Regional Soccer - Carter Paysinger reviewed the proposal. The idea is to mirror our SoCal Soccer Regionals in the North beginning in the 2017-18 school year. Chris Calderwood asked if this was a precursor to a CIF State Soccer Championship. Concern was voiced regarding season of sport but it appears the northern area schools are all moving their soccer seasons to the Winter season of sport.

2. Proposed Regional Water Polo Championships - Carter Paysinger reviewed the proposal. Kristine Palle stated that the Water Polo Advisory Committee is not in favor of this proposal. Most of our schools already play San Diego schools. The coaches do not want to extend the Girls season as it takes away swimmers from the swimming season. The section has already tried a Masters Tournament and schools did not want to participate in that either. Jim Perry thinks Water Polo is on the list of sports to have State Championships in the near future.

B. SOUTHERN SECTION NON-ACTION ITEMS - There are no Southern Section Non-Action Items at this time.

5. NEW BUSINESS (This item was moved to the beginning of the agenda)

A. Grace Brethren High School Appeal - John Hynes, Principal, Grace Brethren High School.

5. NEW BUSINESS (Cont.)

B. Financial Report - Rob Wigod/Jeff Jordan - Rob Wigod gave the report in the absence of Mitch Carty and Jackie Gibson was able to project the updated numbers for the Executive Committee to review. Some of the highlights are that we are \$600,000 above income over expenses. The forecast right now is that we are behind the 2014-15 school year but we are still waiting for Spring Sports and we are ahead of two years ago. We had a healthy Football season and are still working on the numbers for Winter as reports are still coming in, as well as State Marketing revenue. Television and web rights fees are doing well. On the expense side, Rob Wigod commended John Costello, Jackie Gibson, Mitch Carty and Erin Crenshaw for the savings on ticket stock ordered, issued, returned and recycled. The Southern Section has returned almost \$1 million in playoff revenue to member schools so far this year. We mailed checks last week to 144 schools under the Friends of Golf program, returning almost \$41,000 to our schools' golf programs. Thank you to Sharon Hodge for all her work on that program.

6. OLD BUSINESS

A. CIF Bylaw 510 Interpretation Discussion - Rob Wigod/Rainer Wulf - Rob Wigod reminded the Executive Committee of what has been done since we last met in January. There have been several meetings with many advisory committees who have had great discussions regarding updating interpretations of Bylaw 510. When we meet again on May 11, we will come to a consensus on what we are going to do, if anything. Rainer Wulf gave feedback on meetings he was involved with. The Athletic Administrators and the Public/Private Committees met and had excellent discussions. Perhaps those two committee should have met together to share ideas across the board. They are taking a look at the 510 Chart in the Blue Book and recommending updates. The goal is not to lessen Bylaw 510, but to update and clarify it. There needs to be some cleaning up of conflicts with the variety of social media sites and websites in general. There was talk about creating a "tar and feathers" page, as no one hears about schools being penalized for not adhering to our rules but our legal counsel has stated we cannot publicize sanctions due to privacy issues with minors. Both committees agree that at no time should coaches be returning phone calls, answering emails, etc. Chris Calderwood said that our administration decided that as long as we are not targeting specific kids, schools should be allowed to advertise what they are doing. The talk continued about the balance between targeting a particular audience versus a general audience. Terry Orabona stated the differences in public/private schools, specifically that public schools know who their kids are and they will matriculate through the grades on their school district. You have areas that only have one high school and you know the middle school students are going to matriculate to that high school. Dick Billingsley said he was sorry he missed the Public/Private Committee meeting but seems the concern is knowing that Bylaw 510 is being enforced. The new guard doesn't know about those things. Rob Wigod thanked those that participated on these committees and in these discussions. So how do we keep moving forward and tackle these issues? By next meeting, bring your ideas so we can arrive at things we can do. Terry Barnum is hopeful that there is going to be some adjustments made which Rob Wigod concurred with, however, we may say this is fine and there may not be changes. High school athletics is a competitive market place. We need to find ways for schools to market their schools, be proud of what your schools do and still be within the parameters of Bylaw 510. Debi Weiss stated how the MVP AD Exam was a huge topic of conversation at the Athletic Administrators Summit and how much there is to learn in those positions. Rob Wigod talked about the MVP AD make-up exam offered on Friday, April 15, at the CIF-SS Office and at the CSADA Conference in San Diego.

7. CLOSED SESSION

A. Commissioner's Evaluation - At 4:18 p.m. the Executive Committee went into Closed Session. The meeting returned to Open Session at 4:31 p.m. The Executive Committee accepted the updated report, provided by the Commissioner, in response to the 2015-16 Commissioner's Goals.

8. REPORT SESSION

A. President's Report - Jim Monico, Past President - Jim Monico reported that he got to see many of the Basketball Championships and what he saw was great. He congratulated all the teams that made it to State Regionals and State Championships and especially to State Champion Chino Hills High School for such an outstanding year.

B. Treasurer's Report - Jeff Jordan - Jeff Jordan stated that he gave his full report during the Financial Report under New Business.

(See EX. COMM. MINUTES next page)

Exciting to have State Champion Chino Hills number one in the nation. Title IX is a really big issue for the State and they are coming after schools not in compliance. Los Padres league is thinking of moving to the Central Section in 2018-19. Coast Area Representative - Paula Hart Rodas – Great to hear both the public and private areas talking about 510 rules. We need to move forward with the discussions and allowing the online presence. There needs to be more training for new people and for keeping people up to date with information. Athletic Directors need professional development, maybe during each season of sport. Activities Directors Representative - Debi Weiss – Stated she was elected the new CADA Vice-President for the next four years and is very excited about the opportunity. Had her team advance to State Championships in Boys Basketball and the was very exciting also. Loves being a part of this organization and thank you. CSADA Representative - Sandy Gahrng – Talked about gearing up for the CSADA conference in San Diego in two weeks. Helped put on the Girls Got Game Women in Sports Conference that was very successful in the Foothill/Citrus Area. Boys' Athletic Director Representative – Chris Calderwood – Enjoyed chairing the Athletic Administrators Committee meeting and it was more productive this time with the candid discussion of the Bylaw 510. With it being Spring Break, many were missing from the meeting but all the Assistant Commissioners and Thom Simmons were in attendance. CSADA Representative - Dave Reid – Enjoyed attending the State Basketball Championship tournament. CSBA Representative - John Norman – Grateful to be here. He had to skip two other meetings to be here. It was an interesting day with the hearing. CAPHERD Representative - Jim Perry – We are getting closer to competitive equity and getting away from the public/private divide. Appreciates the leadership of this group and we should be proud that we are the model of what goes on in the state. Assistant Commissioner - Kristine Palle – Is glad Winter season is over. A special thanks to Rob Wigod as he was there when the championship soccer game was cancelled. Is working on rule revisions with aquatics through the NFHS and starting the updating of our Blue Book for the new year. Assistant Commissioner - Rainer Wulf – Thanked the Executive Committee for their part in this organization and for their guidance. Kristine Trost did a great job with her first year in the basketball department and is a great learner. Thank you Sharon Hodge, for helping her go through it. Appreciates Jim Perry's comments about competitive equity and that it will test the section's patience. Assistant Commissioner - Mike Middlebrook – Thanked Chris Calderwood for hosting a soccer championship game at his school. The Fall numbers for competitive equity are getting closer to being complete and we should be getting them out shortly. Assistant Commissioner - Glenn Martinez – 18 Wrestling Championships were just completed and thank you to those of you that attended. There was a good showing at the CIF Girls Wrestling Championships. The Ontario Arena is a great venue for our Masters Meet as it is similar to the State venue. We are

beginning the prep work on the next Athletic Administrators Summit. If you have ideas for topics or wish to be a presenter, let us know. Steve Martin as agreed to help us out again this coming year. Also working on the Football competitive equity divisions. Director of Communications - Thom Simmons – Was State CIF Southern Regional Basketball Tournament Director this past season. Has been working the Regional Finals for 17 years and this was the first time the venue was not big enough for the anticipated crowd and we had to dump and refill the venue. The Pyramid at Cal State Long Beach was sold out in addition to 350 SRO tickets sold. Everyone did a great job helping us put on this great event. We had 12 Southern Section schools in the State Regional Championships. Six of those went on to the State Finals with three of them being public schools and three of them being private schools. Director of Marketing - John Costello – The Marketing Department is about more than just the funds. Our social media is incredible and posting all the time. We sent out over 75,000 emails in the Winter season alone in that effort. Our support from our partnership with Fox has been phenomenal. He appreciates everything Jackie Gibson is doing for his department. Citrus Belt Area Representative - Mike West – He is taking great pride in the Chino Hills Basketball Championship. Martin Luther King had a great experience in the Water Polo Finals at the Woollett Aquatics Center. That is a great facility that works very well for that event with two 50-meter pools. CAPSO Representative - Terry Barnum – Thank you to everyone. He enjoys serving on the Executive Committee and has learned a lot. The Council seemed to indicate that things went well with State Finals on Easter Weekend and the adjustments that were made. Very proud moment for him to be at the Honda Center with 12,000 people in the building for a high school basketball game. CADA Representative - Todd Arrowsmith – The Section's social media is amazing. He was able to know everything that was going on in all the final games on the big weekend. Debi Weiss being elected Vice- President of CADA is a big deal. Thanks Rob Wigod for letting us be here. Orange County Area Representative - Monica Colunga – Thank you for opportunity to serve. The Sections runs a first class event at the Honda Center and it was an honor to be presenting awards. All the championships are first class. Loren Kleinrock – Thanks for the t-shirt. This is a group of people that understand high school athletics and the value of athletics and how to make it better. If adults cannot do it right, how can we ask the kids to do it right?. Desert Area Representative - Rob Kostopoulos – The appeal was very personal to his area and his school as they lost to Grace Brethren during the season, which was why he remained quiet throughout the proceedings. There are thirteen small public schools that you have gained respect of and this group has sent a clear message. Thank you. Girls' Athletic Director Representative - Terry Orabona – She apologized for being late. She always feels this conversation is so rich and gives her a real opportunity for growth. Excited about being invited to the NFHS meeting in Reno this summer. It will be great

to see how things are looked at on a national level. Former President – Reggie Thompkins – Competitive equity happened under my watch and will be perfected under Carter Paysinger's watch. Treasurer/Mt. SAC Area Representative - Jeff Jordan – Thanks for the t-shirt. Thanks Reggie Thompkins for all you have done. The review of the past five years that Rob Wigod did is the new CIF Southern Section and it is a plan that is looking forward. He is proud to be a part of this and seeing the growth taking place. A shout out to Chris Calderwood as Jeff's district does a mini university that attracted 1,500 people, similar to a one-day conference, which pulls in coaches along with administrators and Chris Calderwood was a speaker at that event. Thank you. President-Elect - Carter Paysinger – This is a tremendous group to be a part of and he has a lot of respect for everyone in the room. The appeal today made it clear to him that there are administrators out there that do not understand their part in high school athletics. Is there more we can do to inform our administrators of their role? He feels lucky to sit by Jim Monaco and Reggie Thompkins and to be learning from them. Executive Assistant - Sharon Hodge – Today marks her 27th year with the organization. She has been spearheading the computer migration in the office for the past few weeks. She informed the Executive Committee regarding the status of nominations for all awards. Preparation for the Champions for Character Golf Tournament are well under way as it the prep for the Boys Golf season.
