

CALIFORNIA INTERSCHOLASTIC FEDERATION SOUTHERN SECTION

CENTRAL JUNIOR HIGH SCHOOL
451 N. HILL STREET, LOS ANGELES, CALIFORNIA

JANUARY 1933 BULLETIN

Minutes of the meeting of the Council held December 22, 1932, in the Egyptian Room at the Los Angeles Athletic Club. The Council met at breakfast at 8:30 a.m.

Mr. Cyril S. Tipton, Mr. Nathan Newby and Mr. Charles Newby, attorneys in the Covina Case, were our guests.

The following schoolmen were present at the breakfast also:

John Brangan of Needles, James Carpenter of South Pasadena, Don Douglass of Whittier, Frank Holt of San Luis Obispo, Fred M. Johnson of Garfield, John Mangold of Woodrow Wilson, Verne Ross of Covina, R. E. Squire of Huntington Park and F. M. Eakin of Santa Paula.

At the conclusion of the breakfast our attorneys discussed at length the Covina case. Mr. Tipton pointed out the savings in money and effort if the case were to be dropped at this time. He pointed out that even though the judge in the case had given a verdict in favor of Covina, yet Covina had been kept out of regular football for the season, which was what had been the object of the suspension.

Mr. Nathan Newby spoke at length on the effect of the judge's decision on the future control of high school athletics in our State. In this case the judge had seen fit to substitute his interpretation of our rules and regulations for that of our Council. He pointed out that if this decision is allowed to stand that it practically destroys the Council's control over our own activities, and puts us at the mercy of the courts who have at best, a very meager understanding of our problems. He recommended very strongly that the appeal be carried through.

A number of questions were asked by members of the Council and answered by the attorneys.

At 9:45 a.m. the attorneys left for court and the Council was called to order for our regular business meeting by our President, Mr. John Alman.

Roll call showed the following members present:

Bay League—A. R. Veenker—Santa Monica
Citrus League—E. C. Cline—San Bernardino
Coast League
Desert League—John Nichols—Lancaster
Foothill League—John E. Alman, South Pasadena
Imperial League—J. L. House—El Centro

Ventura League—Harvey Holt—Santa Barbara
Ventura Minor League
Western League—Edwin F. Whedon—Washington
Harry J. Moore—State Representative
State Representative

S. F. Van Patten—Commissioner of Athletics

1. Minutes of the special meeting of October 8, 1932, approved as printed.

2. Moved by H. J. Moore, seconded by J. W. Means, that the attorneys for the C.I.F., Southern Section, be instructed to carry the appeal of the C.I.F., Southern Section, on the Covina decision to the Appellate Court.
Passed unanimously.

Moved by Kinter Hamilton, seconded by Harvey Hoit,

that no member of the C.I.F., S.S. shall play any team or group representing any High School or Preparatory School in California not a member of this Federation.

Lost.

Not passed unanimously, so declared lost since it would amend the Constitution. Mr. Hamilton gave notice that he would ask for another vote on the motion at the next regular meeting of the Council when a two-thirds vote in favor of the motion will carry it.

4. Moved by Moore, seconded by Thompson, that any school playing a school not a member of the C.I.F., Southern Section, without securing the permission of the Commissioner of Athletics shall be suspended from competition in that sport for the succeeding season, and shall forfeit to the C.I.F., Southern Section, all profits from this game. The offending school may be reinstated by action of the C.I.F., Southern Section, after making satisfactory explanation and restitution of funds.

Carried unanimously.

5. Moved by E. C. Cline, seconded by J. W. Means, that the divisional track meets be held this year as last year. That a uniform fee of 25c be charged for admission and an entry fee of 25c per man per event charged. These receipts to be delivered to the C.I.F., Southern Section, and that this money be used to pay traveling expenses of contestants to the All Southern Meet and if insufficient then such money be prorated among contestants who come from a distance of 50 miles or over. Any surplus to be added to balance of receipts of All-Southern meet to be used for general expenses of C.I.F., Southern Section.

Carried.

6. Moved by Mr. Veenker, seconded by Mr. McIntosh, that for the season of 1933 we create a light-weight division for water polo and swimming and that the exponent be not over 58 points according to our Four Point System and be based on second semester 1932-33 records.

Carried.

7. Moved by Mr. Thompson, seconded by Mr. Monroe, that the Commissioner of Athletics be authorized to arrange for a championship tennis tournament in Classes B and C, providing the tournament can be made financially self-supporting.

Carried.

8. Mr. F. M. Eakin, President of the Ventura Major League, and Mr. Harvey Holt, representing the league on the Council, reported that they had agreed on what they hoped would be a solution of Santa Barbara's relation to the League. The President suggested that they present the matter to the League and bring in a report of the League action at the next meeting of the Council. There being no objection he so ruled.

9. Mr. Charles Carver, Pacific Coast Representative of the Travelers Insurance Company came before the Council and discussed accident insurance for injured athletes. Many questions were asked by members of the Council. Mr. Carver said his company was ready to write a policy on football players at \$12.00 per boy for those actually practicing and playing. This fee would take care of all cases of injury up to a maximum of \$500.00 and cover the four months of September, October, November and December.

There being no action on the suggestions made by Mr. Carver, President Alman thanked him for the information presented and suggested that we continue our investigation of the subject. There being no further suggestion, he so ordered.

10. Mr. Harry Campbell, track coach of Los Angeles Junior College, exhibited a hard rubber discus that he has

perfected and patented. It was pointed out that it has numerous advantages (especially that of safety) over the wood and metal type. The cost is about one-half that of those that have been in use for years past. In that the discus throw as an event is to be discontinued in the Southern California Meet, no action was taken regarding Mr. Campbell's invention.

11. The action of the A.A.U. in adopting the Metric System of Measurements for track events was discussed.

Moved by Mr. Hamilton, seconded by Mr. Moore, that we recommend to the State Council the adoption of the Metric System for our 1934 State Track Meet. Carried.

12. Mr. Van Patten recommended that the time and place of holding the next regular meeting of the Council be left to the Executive Committee. There being no objection, the President so ruled.

13. In the absence of Mr. E. W. Oliver, our Treasurer, Mr. Van Patten read a financial report.

Moved by Mr. Moore, seconded by Mr. Monroe, that the report be accepted and printed in the minutes and that each Council member be furnished with a list of schools in his League that have not as yet paid the special Covina Case assessment and be asked to co-operate in getting payment at an early date. Carried.

14. Mr. Van Patten reported briefly on a visit he made to the Indiana High School Athletic Association headquarters while on his way to the A.A.U. National Convention.

The membership, the scope of the work, and the financial strength of the organization were the things that seemed most outstanding.

There are 800 public schools in Indiana, all members of the Association.

The scope of the work carried on is similar to our own in Southern California. Basketball is the most popular of their sports. All 800 schools enter a state-wide tournament. The first elimination is to 64. They are then regrouped and all but 16 eliminated. The final 16 are brought together at Indianapolis for a final two-day elimination tournament and a State champion determined.

The Association is very strong financially, owning one hundred thousand dollars (\$100,000) in bonds, which forms a permanent reserve fund. Basketball produces a large revenue. The gross for the whole State in 1932 was \$157,110.82, the Association's share of this being \$39,462.95. Each three years the Association divides any surplus above the permanent reserve fund of \$100,000.00 among the 800 member schools. In June, 1932, \$40,000.00 was so divided.

Indiana is evidently doing a great work.

15. At 11:45 a.m. the Council adjourned from the Los Angeles Athletic Club to the Los Angeles Y.M.C.A., due to the fact that all available rooms at the Club were engaged for luncheons. The meeting at the Y.M.C.A. continued until 1:30 p.m. when final adjournment was taken.

TREASURER'S REPORT

December 21, 1932.

California Interscholastic Federation,
Southern Section,
461 North Hill Street,
Los Angeles, California.

Gentlemen: In accordance with the duties of my office as Treasurer of the California Interscholastic Federation, Southern Section, I am submitting attached report on the financial operations of this organization for the period of July 1, 1932, which was the date of the last report submitted, to December 21, 1932.

The cash balance as of December 21, 1932, as shown by the statement of receipts and disbursements is \$741.17. This figure includes all revenues from all sources received by the Treasurer and also all expenditures to date with the exception of attorneys' fees in connection with the Covina case, which have as yet not been paid.

A list of all schools who have to date paid the special assessment levied for the purpose of defraying legal costs on the Covina case, and also a list of the receipts received from football playoffs are attached in this report.

Respectfully submitted,
E. W. OLIVER, Treasurer.
