No. 5

## COUNCIL MEETING

The Council of the California Interscholastic Federation, Southern Section, will hold its first regular meeting of the year on Saturday, February 1, at 9:30 A. M. at the South Pasadena High School.

The chief item of business for the meeting will be the arrangement of leagues for the year 1941-1942.

The Re-leaguering Committee elected at the last meeting of the Council will present its report. This committee has been working principally upon a set-up affecting the Bay, Coast, and Foothill Leagues, including a seventeen school major conference for Class A football.

Schools in any other league than the Bay, Coast, or Foothill, and wishing to change leagues, are asked to notify the Office at once. This also applies to Free Lance schools.

## AGENDA FOR COUNCIL MEETING

In order to expedite business at the Council Meeting on February 1, an official agenda for the day will be prepared prior to the meeting.

Council members, Principals, and others who want items of business presented to the Council on February 1, should notify the C.I.F. Office prior to January 30.

## C.I.F. ATHLETIC PROTECTION FUND REPORT

The financial report printed below was given out recently by Mr. A. B. Ingham, Secretary-Treasurer of the C.I.F.A.P.F.

The Board of Directors of the C.I.F.A.P.F. will meet February 8, 1941, in Mr. Ingham's office at Pacific Grove at which time payment for injuries in football games will be considered, allowances made, and checks approved for payment.

With a bank balance of nearly \$25,000.00, the organization seems to be in a sound financial condition.

### FOOTBALL PLAY-OFF GAMES

Only two of the five groups of leagues in the California Interscholastic Federation, Southern Section, undertook a series of play-off games in Class A football to determine the Group championship. A majority of the league champions in the Northern Group, the Eastern Group and the Southern Group, in each case decided not to continue beyond the league championship.

In the Central Group, Anaheim, winner of the Sunset League, Citrus, winner in the Tri County League, and Covina, winner in the San Gabriel League, entered the play-off.

Covina and Citrus met December 6 in the Rose Bowl, the score at the end of the regular period was Citrus 7, Covina 7. The first downs were Covina 13, Citrus 8. Covina was therefore awarded one point which gave that school the game by a score of 8 to 7.

On December 13, Anaheim met Covina on the latter's field. The score of this game was 18 to 0 in favor of Anaheim.

These two games were both well played and the three teams performed like real champions for their class.

In the Western Group of leagues, Beverly Hills won in the Bay League, Pomona in the Citrus Belt League, Long Beach Poly. in the Coast League, Whittier in the Foothill League, and Santa Barbara qualified in its Free Lance schedule.

On November 29, Beverly Hills and Santa Barbara met on the Santa Barbara field before a capacity crowd. Santa Barbara won by a score of 25 to 0. This indicated that Santa Barbara was to be a strong contender in the semi-final and final games.

On December 7, Santa Barbara went to Po-

mona and Long Beach Poly. to Whittier. In these two semi-final games, Whittier won from Long Beach, 12 to 0, and Santa Barbara won from Pomona, 34 to 6.

On December 14, Whittier and Santa Barbara met in the Los Angeles Coliseum before a crowd of 9600. The score of this final game, Santa Barbara 26, Whittier 0, indicated clearly that Santa Barbara had the best team in the Western group.

On November 16, Anaheim, the winner of the Championship of the Central Group, met Santa Barbara and was defeated 34 to 0.

By our rules, Santa Barbara may claim only the championship of the Western Group of Leagues. The score of 34 to 0 against Anaheim is evidence, however, that the Western Group Champion is the class of Southern California for the 1940 season.

### INTRA-MURAL BASKETBALL AT SANTA BARBARA

Mr. Sterling ("Skip") Winans, Coach in charge of intra-mural football at Santa Barbara High School, has an article in the October, 1940, Athletic Journal giving the details of the program he carried out in 1939. The same program was followed in the season just closed.

This program of six man football games cannot, of course, be given sole credit for the fine showing the Santa Barbara High School has made in its interscholastic games. It is reasonable to suppose, however, that it has aided in the development of material for the regular Class A teams of the school.

Those who wonder where Santa Barbara High School got the material for its championship team that made such a fine showing in the play-off games this season, will read Mr. Sterling's article with interest.

### BASKETBALL TOURNAMENTS

In the 11th Annual La Verne tournament, sponsored by the Bonita High School and held at the La Verne College gymnasium on December 12, 13 and 14, sixteen teams entered. These schools were divided into two groups of eight teams each. The division was made according to size of schools.

In the smaller school group, Hemet won the final game in the Championship round from Chino by a score of 34 to 20. The Consolation round was won by Citrus from Colton by a score of 28 to 23.

In the larger school group, Huntington Beach

won the Championship. The final game score was Huntington Beach 33, Montebello 27. In the Consolation Round, Burbank won the final game from San Bernardino by a score of 22 to 20.

The Huntington Beach tournament held December 19, 20 and 21, was organized the same as the La Verne tournament. As this is being written the results have not been reported to the C.I.F. Office.

Three tournaments are yet to be played. On January 2, 3 and 4, one tournament will be played at Chino and another at Santa Paula. On January 10 and 11, a tournament for eight teams will be played at Barstow High School.

### SANTA BARBARA'S BASKETBALL SCHEDULE

The following schedule of games in basketball has been filed with the C.I.F. Office by the Santa Barbara High School.

At its first meeting the Executive Committee will rule on the number of games Santa Barbara must win in order to qualify for the Western Group play-off.

December 27—Ventura—At Ventura  
January 3—Herbert Hoover (Glendale) at Santa Barbara  
January 8—Ventura—At Santa Barbara  
January 10—Santa Paula—At Santa Paula  
January 17—San Luis Obispo—At San Luis Obispo  
January 24—Taft—At Taft  
January 25—Lompoc—At Santa Barbara  
February 1—Taft—At Santa Barbara  
February 12—San Luis Obispo—At Santa Barbara  
February 20—Santa Maria—At Santa Barbara  
February 21—Santa Maria—At Santa Maria

### FLORIDA HAS HIGH SCHOOL ATHLETIC PROBLEMS

The December Bulletin of the Florida High School Athletic Association lists the following actions taken in maintaining discipline among its members:

A high school suspended for importing players from another state.

A high school suspended for contempt of the Executive Committee.

A high school fined ten dollars for play-

ing an ineligible boy.

A high school fined twenty dollars for playing two ineligible boys.

We are sorry that such measures are necessary in a sister state, but we congratulate the Florida authorities on having "intestinal fortitude" of the right sort when discipline is necessary.

We have had to take action in Southern California, too.

## NEW CLERK IN C.I.F. OFFICE

Mrs. Dorothy Thomas, who has served as Clerk in the C.I.F. Office for eleven years, is taking a leave of absence. Her place will be filled by Mrs. Inez Beebe.

## TRACK AND FIELD RECORD CARDS

A supply of 5x8 track and field record cards are available to schools that wish to use them. A general distribution of the cards will not be made as the cost of the cards and the postage does not warrant sending the cards out if they are not to be used.

If you wish to use these cards, let us know how many track and field meets you are to have and a supply of cards sufficient for the season will be mailed promptly.

## FULLERTON WATER POLO TOURNAMENT

The Third Annual Water Polo Tournament will be staged by the Fullerton High School, January 23, 24, and 25, 1941.

An elimination series will be run off for Classes A, B, and C. Preliminary games will start on January 23 and 24 at 2:00 P. M. The final games will be played Saturday, January 25, starting at 9:30 A. M.

Entries will close with James Smith, Fullerton High School, on January 10, 1941.

## KODACHROME FILMS AVAILABLE

The C.I.F. Office now has a considerable number of 16 millimeter kodachrome films that are available for use by schools of the C.I.F., Southern Section. The list includes track, baseball, tennis, swimming, golf, wrestling, boating and skiing. A football film prepared during the season just ended will be ready for circulation about January 15.

## HE CAME THROUGH IN THE PINCH

"One of our great Olympic Champions was Dr. L. C. "Bud" Houser. Bud won the shot put at the Paris Olympics in 1924, and won the discus throw at Paris in 1924 and again at Amsterdam in 1928, but it is not the winning of these events that is of the greatest interest and value. The way this great weight man came through in the pinch is what makes the winning of them so important.

Bud Houser was a born competitor who con-

sistently came from behind to win contests he was not figured to win. He was the perfect athlete in the tight places.

He was at the top of the pile among the shot putters and discus throwers for years. Not a large man as weight men go, his timing and coordination were perfect and he had the heart of a champion. He WAS a champion.

Houser won both the shot put and the discus throw in Paris, but that isn't all. He won the shot put for the United States on his last try, and he qualified for the finals in the discus throw on this last throw in the preliminaries. And at Amsterdam he did not qualify for the finals until his last throw in the preliminaries. He then went on to win.

When a man wins in competition with the best in the world, he has done something to be proud of; that is what Bud Houser did when he won the shot put and discus throw at Paris and discus throw at Amsterdam—a noteworthy achievement.

Winning any event on the last attempt shows the true colors of an athlete, but winning one Olympic Championship on the last throw and qualifying for the finals in two others on the last preliminary trial and then going on to win stamp that athlete as an ideal competitor. Bud Houser was all of that.

It seems almost unbelievable, yet it is the Olympic record of Bud Houser, a fine fellow who fought on and came through in the pinch."

From "Selling Is a Game"  
by Jack McCord.

Boys and coaches will find Mr. McCord's book both entertaining and inspiring.

## FOOTBALL RULES FOR 1941

No one needs to be told that the football rules situation in the C.I.F., Southern Section, was far from satisfactory during the season just closed.

This problem will be presented to the Council at its meeting on February 1:

Shall we use the Interscholastic Rules or shall we use a modification of the Intercollegiate Rules?

Every Council member should come to the meeting on February 1 prepared to speak for his league on this matter.

There is one point on which we have a very definite opinion in the C.I.F. Office and that is that there should be but one set of rules used in the C.I.F., Southern Section, and in the C.I.F., Los Angeles City Section.
