MINUTES OF EXECUTIVE COUNCIL
MEETING — DECEMBER 5, 1953

League Representatives present:

Wm. Smith
Brother Augustin
G. Garn Haycock
Richard Cline
Keith Gunn
Art North
H. S. Packwood
Joseph Rindone, Jr.
Joe Bonet
Donald Jordan
George Burnett

Pat Dowd
D. G. Brumwell
Marvin Clark
Ted Gorrell
George Flanson
Ray Redding
Paul Demaree
Nelson Price
Alfred Snyder
John Taylor
George Harris

Ernest Jensen

Following leagues had no representatives present: Arrowhead, Parochial, Pasadena Jr. H.S.

The meeting of the Executive Council was called to order by Mr. Joseph Rindome, Jr., President, at Helms Hall, December 5, 1953, at 9:30 A.M. The following items were discussed and acted upon:

1. It was moved by Mr. Packwood, seconded by Mr. Burnett, and carried that the Council approve the minutes of the Executive Committee Meeting of June 22, 1953, as published in the September, 1953, Monthly Bulletin.

2. Mr. Arthur North, Foothill League representative, presented the following Resolution, at the request of his league: "Boys under 15 years of age shall not play football in any class." It was moved by Mr. North that the C.I.F., Southern Section adopt this resolution. The motion died for lack of second to motion.

3. It was moved by Mr. Price, seconded by Mr. Snyder, and unanimously carried that the C.I.F., Southern Section By-laws, as printed in the Blue Book, page 30, Section X, be amended by deleting the words "the work-out ends by 5:00 P.M.;" This deletion applies to the definition of a scrimmage as stated in the third paragraph of Section X.

4. It was moved by Mr. Nelson, seconded by Mr. Gunn, and carried that the Council approve the Minutes of the Executive Committee Meeting of November 6, 1953. (Minutes of this meeting are published elsewhere in the December Monthly Bulletin.)

5. Mr. Russell presented to the Council, the proposal to change the definition of "a season of sport." The Council had considered this matter at its May, 1953 meeting, but tabled the proposed amendment to be brought up at December 1953 meeting. It was moved by Mr. Burnett, seconded by Mr. Packwood to adopt the proposed amendment, as of February 1, 1954, of the Blue Book, Section IX, "Season of a Sport", page 18, by deleting paragraphs 1, 2, and 3, and inserting in place thereof, "the season of any sport is defined as that period which starts with the first contest of a school, (partice, league, or tournament), and ends with the last contest, (practice, league, tournament, or C.I.F. playoffs)." It was moved, seconded and lost on a roll call vote to table the proposal until the February, 1954 Council meeting. After discussion the proposed amendment to the Blue Book was adopted.

The "Season of a Sport" rule pertains to the time during which a boy may play on any team other than his high school team. Refer to page 44 of the Blue Book, paragraphs 6 and 7.

As stated in the motion, this change becomes effective February 1, 1954.

6. The Metropolitan League requested the Council to consider the possibility of increasing the maximum fee for officials from \$12 to \$15, and leave the decision to each league to establish their fee within the permitted maximum. The Council took no action on the request.

7. It was moved by Mr. Smith, seconded by Mr. Snyder, and carried to approve the Minutes of the Wrestling Coaches Meeting of November 7, 1953. (Minutes of the Wrestling Coaches Meeting are published elsewhere in this Bulletin.)

8. It was moved by Mr. Dowd, seconded by Mr. Smith, and carried to amend By-laws, Section XXII, "Swimming Regulations", by adding a Class B 75 yd. Individual Medley event as Event 19, preceding Class A Individual Medley; and further to change the order of events for diving so that Class B Diving will become Event 17 and Class A Diving event will become Event 18.

9. Mr. B. L. Bergstrom, Chairman, of the Council Releaguings Committee presented a comprehensive report on the problem of placing schools in leagues. After summarizing the situation in various areas of the C.I.F., Southern Section, Mr. Bergstrom led a discussion by the various league representatives so that some recommendation might be reached by the Council. Each of the recommendations were acted upon by the Council as follows:

a. It was moved, seconded, and carried that Santa Ynez High School be removed from the San Luis Obispo League and placed in the Tri-Valley League, effective December 5, 1953.

b. It was moved, seconded, and carried that Barstow High School may withdraw from the Desert Inyo League and be placed in the Tri-County League, as of September, 1954, if agreeable to the Tri-County League.

c. It was moved, seconded, and carried that So. Pasadena High School withdraw from the Foothill League and be placed in the Tri-County League as of September 1, 1954.

d. It was moved, seconded, and carried that the new San Gabriel High School of Alhambra be placed in the Pacific League, as of February 1, 1955.

e. It was moved, seconded, and carried that Santa Monica High School and Beverly Hills High School withdraw from the Bay League, and that Centennial H.S. and Paramount H.S. be placed in the Bay League, as of September 1, 1954.

f. It was moved, seconded, and carried that Beverly Hills High School be placed in the Pioneer League, as of September 1, 1954, and that Bellflower H.S. withdraw from the Pioneer League, as of September 1, 1954.

g. It was moved, seconded, and carried that Bellflower H.S. and Covina H.S. be placed in the San Gabriel Valley League as of September 1, 1954. Covina H.S. will accordingly withdraw from the Foothill League, as of September 1, 1954.

h. It was moved, seconded, and carried that the new La Habra High School of the Fullerton district be placed in free lance status unless they are invited by the Orange League to become a member of that league.

i. It was moved, seconded, and carried that Pacific H.S. of San Bernardino, and Fontana High School, now of free lance standing, be placed in the Citrus Belt League, as of September 1, 1954.

j. It was moved, seconded, and carried to

adopt the following placement of schools in leagues within the San Diego area:

Metropolitan League	San Diego City League
Chula Vista	Hoover
El Cajon	Keatney
Grossmont	La Jolla
Helix	Lincoln
Mar Vista	Mission Bay
Sweetwater	Point Loma
Avocado League	San Diego
Escondido	Southern League
Oceanside	Army & Navy Acad.
Coronado	Brown Military Acad.
San Diegoito	Julian
Vista	Mountain Empire
Vallecitos	Ramona
Fallbrook	

k. It was moved, seconded, and carried that the Releaguing Committee be authorized to work out a place in a league for Santa Monica H.S.

10. It was moved, seconded, and carried that the Council accept the application for membership in the C.I.F., Southern Section from Mojave H.S. and that Mojave H.S. be placed in the Desert-Invo League, as of September 1, 1954.
MEETING ADJOURNED AT 3:00 P. M.
Respectfully submitted,
WILLIAM W. RUSSELL

BELFLOWER NEW CIF CROSSCOUNTRY CHAMPION

Bellflower High School won its first C.I.F., Southern Section championship since it opened its classrooms three years ago, when it edged out the strong San Diego Hoover HS crosscountry team 60-64 in the finals held over the hilly Mt. San Antonio College course on Friday, December 11, 1953.

Forty-two schools entered the preliminaries on December 4, with six group races being held. Both individual and team winners in the prelims qualified for the finals; and in addition, both the two fastest second place boys and the two fastest second place teams qualified for the right to contest for the championship.

The closeness of the competition between Hoover and Bellflower is shown in the times and scores. In the prelims, the Hoover team turned in a total elapsed running time of 50 minutes, 36 seconds to Bellflower's 51:43. But in the championship run, Bellflower improved its time to 49:59, while Hoover was able to cut down only to 50:09, both excellent marks for the 1.8 miles (approximate) run over hilly terrain.

James Geyer of Grossmont HS won individual honor on both days, running 9:34 in the prelims and 9:29 in the finals. The latter mark will be recognized as the C.I.F. record for the course, as this was the first year the event has been held at Mt. San Antonio College. Previously the crosscountry run was held at Recreation Park in

Long Beach. A plan to alternate between the 2 locations every other year is being considered. Mr. Ernst Hartmann of Compton HS and Mr. Hilmer Lodge of Mt. San Antonio College served as managers of the event. Compton High School, crosscountry champions every year since 1950, failed to qualify for the final run as they ran fourth behind Riverside, Grossmont, and Whittier in their group prelim race.

All entries were grouped in six prelim races according to enrollment, with the smallest group in the first race. Enrollment in only the 10th, 11th, and 12th grades of a four year high school is counted unless a ninth grade boy should compete on the team, in which case the full four-year enrollment is counted. The first five boys in each prelim race were given engraved CIF medals, and the winning school was awarded a plaque. In the championship run, the first five boys were awarded medals, the boys on the winning team were awarded engraved with the championship plaque. HS was presented with the championship plaque.

SANTA MONICA, CHULA VISTA, AND PASO ROBLES WIN FOOTBALL PLAYOFFS
Powerful Santa Monica High School and Paso Robles High School successfully defended their 1952 football championships in the Central Group and Northern Group playoffs for 1953, while Chula Vista High upset defending champion Brawley in the Southern Group thus preventing a clean sweep by the former titleholders. In the fifth year since the plan was started, football playoffs were again held in the three groupings of leagues, with a spirited competition the result. In the Southern Group, six league champions entered along with freelance Pacific HS of San Bernardino. With the exception of

but one ga and evenly won until With the score was l score; and between Pac eventual ci from behi their first t each time quarter. T took a 12-4 a fine Brav game endi Chula Vist Paso Rot much for i where six honors. but one game, each playoff game was hard fought and evenly played so that the contest was not won until the game had actually been completed. With the lone exception, the average winning score was but four points higher than the losing score; and first downs decided the semi-final between Pacific and Brawley. Chula Vista, the eventual champion, seemed to be able to come from behind in the last few minutes of play in their first two games, scoring the winning marker each time as time was almost run out in the last quarter. Then in the final game, Chula Vista took a 12-6 half time lead, and twice fought off a fine Brawley team in the last quarter, with the game ending as Brawley had the ball on the Chula Vista eleven yard line.

Paso Robles' outstandingly strong team was too much for its opponents in the Northern Group, where six league champions contested for the honors. In a high scoring game that will long be remembered in Paso Robles, the Bearcats downed offensive minded Hawthorne in a battle of touchdowns, 47-34. After taking a 14-6 half time lead from Pomona Catholic in the championship game, they buried the Pomonans in the last half to win 34-12. Pomona gave their supporters a thrill when they went 76 yards on the first scrimmage play of the game to a touchdown.

Ten league champions and free-lance Santa Barbara, who earned the right to enter with a perfect season record prior to the playoffs, entered the Central Group eliminations, and Santa Monica High had won its second straight title when the competition was completed. Although hard pressed in its second round game by St. Anthony's HS 7-13, and fought on even terms in a great semi-final tilt by Anaheim 21-21, the Bay League champions gained the championship round through its narrow margin of first downs 15-14. In this game, Santa Monica jumped off to a lead in the first quarter, but Anaheim stormed back to tie it up 14-14 at half time. Santa Monica again went out in front early in the final period, only to have the Sunset League entry march back down field and then kick the conversion to knot the score at 21-21. At this point, Anaheim led in first downs 14-11, but the Vikings took the kickoff and marked up four consecutive first downs before they were held for downs in Anaheim's territory. Anaheim took over, but the clock ran out before they could get more than two plays in operation.

Whittier earned its right to contest for the crown by turning back Pomona HS 14-6, and then stopping Santa Barbara's string of victories with a 30-7 triumph. In the championship game, Santa Monica scored first to lead 7-0 at the quarter, but Whittier tallied twice to lead 12-7 at half-time. But Santa Monica ran up three quick touchdowns in the third quarter, and won going away 34-19.

Every playoff game in all three groups was played in good weather, with attendance somewhat increased as a result. The officials assigned by the C.I.F. Office performed their duties efficiently, so that the rating cards mailed in by the coaches indicated that not one man was unsatisfactory in any respect, and nearly every card was marked with preferred ratings for the officials. With the exception of a couple of cases where the football coaches could not agree on the use of the leather or rubber covered football, all details in arranging for the playoff games were handled in a friendly and cooperative attitude.

Congratulations to Chula Vista, to Paso Robles, and to Santa Monica, football champions for 1953!

1954 FOOTBALL PRACTICE MAY START SEPT. 6

Attention is invited to the Minutes of the Federated Council Meeting of May 1953, as published in the May 1953 MONTHLY BULLETIN, pertaining to the authorized dates for football practice this coming season. The Council voted that the authorized date on which schools may start football practice will be September 6 in 1954; and September 5 in 1955.

However, if a school starts classroom instruction be-

fore the two above dates, that school as well as every other school in that same league, may start football practice on the day it starts its classes.

With the rule providing for at least 14 days of practice before the first game, the earliest possible game in 1954 for most schools will be September 22. Football carnivals and games must not be set earlier than September 22, 1954, unless school starts earlier than September 6.

In 1955, the earliest date for the first game will be September 21.

TRACK CARDS NOW AVAILABLE

One of the many services available to member schools at no cost is fulfilling requests for head judge of finish cards, and field judge cards, which are used by officials in running track meets. The head judge of finish card is used for all track events. One card has been designed for use in the broad jump and shot put, while a third card is used for the high jump and pole vault.

A dual track meet in which the full CIF list of events is held for Classes A, B, and C requires 20 track event cards, 6 high jump and pole vault cards, and 6 broad jump and shot put cards.

The CIF Office is prepared to fill requests for these convenient record cards now. Order yours early!

COMMISSIONER NAMED TO NATIONAL PREP TRACK AND FIELD RULES COMMITTEE

Recognition of the C.I.F. Southern Section's outstanding track and field program and coaches was recently made by the National Federation of State High School Athletic Association when that body named William W. Russell, Commissioner of the C.I.F. Southern Section, as a member of the National Federation Track and Field Committee.

Mr. E. A. "Tommy" Thompson, Commissioner of Athletics for the high schools of the State of Kansas and a long time member of the National Track and Fields Rules Committee, is the chairman of the Federation track group. Other members are J. C. Harper of Alabama, W. J. McConnell of Ohio, and H. V. Porter of the National Federation Staff.

Russell stated that his function will be to serve as liaison between the Track Committee and the schools and coaches of this area. The National Track and Field Rules Committee is composed of men from both the college and high school field. E. A. Thomas represents the National Federation on the National Track and Field Committee, having been a member for many years. The collegiate edition and the federation edition of the track rule books are both sanctioned by the National Track and Field Committee; the same rules apply to both college and high school meets, but each edition emphasizes provisions which apply to the high school or the college event.

The Federation Track Committee is now considering a proposal to change the rule governing definition of a legal hurdle so that a hurdle might be constructed at less cost than at present and still provide the necessary safeguards, Russell stated. The Federation Track Committee usually meets twice a year, in January at the annual mid-winter meeting of the Federation in conjunction with the Football Rules Committee, and in June.

C.I.F. COUNCIL MEETING FEB. 6

The regular C.I.F., Southern Section Council meeting for February 1954 will be held Saturday morning the 6th at 10:30 in the covered patio of the Helms Athletic Foundation Building, 8760 Venice Blvd., Los Angeles.

While most of the relegating work was accomplished by the Council at their December meeting, some revisions are expected to be made. Further, it has been suggested that a calendar of C.I.F. activities for the 1954-55 year be adopted at the February meeting so leagues could proceed with drawing their schedules if they wished.

The Bay League has suggested the Executive Committee and Council consider enlarging the entries into the Central Group Football Playoffs without extending the dates required for the games, by permitting some second place teams to enter as is now permitted in the Central Group Basketball Playoffs. The Bay League suggests that second place teams be permitted to enter by filling up the first round byes so that a full bracket of 16 teams might be included in the competition.

The Executive Committee will meet at 8:30 Feb. 6, to review matters brought to their attention.

All school personnel are welcome at our Council Meetings. It is anticipated that the meeting will be concluded around noon.

DIRECTORY CORRECTION

In the C.I.F., Southern Section Directory, copies of which are at all high schools, Chino High School is listed with an ADA of 1023. This is in error, and the correct ADA according to Mr. Johnston Walker, Principal, should be 568.

This error caused Chino HS to be dropped from an invitational tournament which limited entries to schools of less than 1000 ADA. We regret that the CIF Office was misinformed when the information card was returned to us, but we are happy to correct and report the accurate number, 568. Schools may wish to change their Directories accordingly.

INVITATIONAL EVENTS APPROVED BY C.I.F. OFFICE

C.I.F. Rules provide that invitational meets and tournaments which are inter-league in scope must be approved by the Commissioner of Athletics before each of these events may be held.
