WHITTIER STOPS LOYOLA STREAK, WINS CIF TITLE, 21-14

HAIL THE CHAMPS—Whittier High Coach Vic Lopez (dark suit) gets congratulations from CIF Commissioner Kenneth Fagans after the Cardinals topped Loyola, 21-14, to capture the "AAAA" division football title. Whittier Principal Seabron Nolin holds the championship trophy at the left while tri-captains Tom Seminoff (31), George Buehler (center), and Paul Meister (12) clutch the Harry J. Moore perpetual trophy.

Cardinals Have Many Heroes As Cubs Bow in "AAAA" Finals Before 17,590 at the Coliseum

Whittier High mixed a superb passing attack with a hard-nosed defense and the combination jelled for a 21-14 win over Loyola and the first "AAAA" CIF football crown in Whittier's long history.

The championship game was played at the Los Angeles Coliseum on December 18 and a turnout of 17,590 was on hand for the thriller which saw Loyola's unprecedented 35 game winning streak come to an end.

Senior quarterback Tim Walker teamed up with halfback Paul Meister for two first period touchdowns—on plays covering two and 81 yards—to put the skids on the Loyola string of 35 victories and two consecutive CIF titles.

Walker, a better than 50 per cent passer all season, hit on nine of 17 attempts in the championship game

including five for five in the Cards' first touchdown drive. He completed strikes to tight end George Buehler for 16 and seven yards, to Bill Cornman for 15, to Dave Washburn for four, and capped the drive with a nifty two yard look-in shot to Meister. Steve Wittman kicked the first of three successful conversions and Whittier led 7-0 with 7:08 left in the first period.

Loyola punted for the second time in as many series immediately following the first Whittier touchdown and before the "ohs" and "ahs" commending the Cardinal defense had subsided, Walker and Meister connected on a "home run" for 81 yards and another touchdown. Wittman converted to make it 14-0 with 1:39 still to play in the first period.

A mid-second-period pass interception by Loyola's Pat Ward and a subsequent pass interference penalty set up the Cubs' first touchdown which came via the airplanes with 4:36 to play in the half. Mike Bergdahl lofted

the aerial and Bob Silvers was on the receiving end of the 35 yard scoring play. Bergdahl booted the conversion to cut the Whittier lead to 14-7.

Loyola mounted another scoring threat before halftime following another pass interception but this drive stalled on the three yard line when Bergdahl threw three straight incomplete passes and was stopped by linebacker Tom Seminoff when he attempted to scramble after finding his receivers covered just before the end of the half.

Wittman, the same guy who booted the three Whittier PATs, recovered a Bergdahl fumble midway in the third period which led ultimately to the deciding touchdown. The 62 yard drive culminated in 14 plays with quarterback Walker jolting into the end zone from the nine yard line (he shook off at least a half dozen tacklers en route) on what appeared to be a broken play.

Finding no one to pitch-out to (the

ETERNAL PROBLEM

(Guest Editorial)

Coaching ethics—an eternal problem!

It seems there is no end to the number of times it is necessary to remind coaches about established virtues.

There is a football coach who would rather take a chance on an injured player than take a chance on losing the big game, and there is the basketball coach who jumped and waded and yes—even incited—so long that the rules today virtually nail him to his seat.

And now there is the wrestling coach—a sort of Johnny-come-lately on the high school sports scene but with a strong grip already on the unethical lever as the record will show in the area of weight control and reduction.

Wrestling problems of our day are categorized under such headings as crash diets and dehydration and sweat boxes—but there's an all-inclusive word that describes the problems better: The word is "integrity."

It is alarming, but unfortunately no longer incredible, that a wrestling coach will circle around rules designed to preserve health and finally come up with one more devious method of separating a last sliver of saliva from the dried-up mouth of one of his boys.

More than any other sport, wrestling

challenges the code of ethics and the moral fibre of a coach. The spectator sees techniques and skills displayed on the mat, yet this is only part of the story. The other part came earlier in the week when the coach charted the weight course of his pupil, and at the weigh-in when he gave his blessing to whatever effort his pupil made to "make weight."

It is shameful that on the heels of a report indicating wrestling has grown ten times itself in the ten-year period since 1954 it is necessary to editorially comment on the corruptions creeping into the sport. Like every other sport, the violators are in the minority; but like every other sport, the violators are conspicuous enough to cause concern.

The only answer probably is a strong educational program—a program that will convince violators of the evils of over-emphasis in weight control and reduction. Yet an educational program may fall short of the aims for it cannot be overlooked. We are dealing with more than a wrestling problem. We are dealing with a social problem, a problem of our age, a problem of "integrity."

It may well be that the biggest contribution toward finding a solution will come from the ethical coach (and there are many) who dares to equate the problem in terms of the principles and purposes of high school athletics. The ethical coach—or call him better yet—the truly dedicated coach—knows how much to pay for sports. He knows that to sacrifice the body—and yes, the soul—of a boy is too high a price for athletics.

SOUTHERN SECTION NOTEBOOK

By Don H. Andersen

Sports Shorts . . .

Dwight High (Illinois) had to go through nine overtimes recently before finally posting a 76-72 win over neighboring Reddick High. The two teams were tied 62-62 at the end of regulation time. They then remained tied through the first seven overtimes.

* * * *

Bill McClellon, a 17 year old De Witt Clinton High School junior, broke his own national interscholastic indoor high jump record with a leap of 6 feet 9½ inches on December 12.

McClellon, competing in the Bishop Loughlin Games in New York where he had a 6-7 effort as a novice last year, also eclipsed his best outdoor mark of 6-8½. He set the previous indoor record in the New York City championships last February.

* * * *

Friendship College of Rock Hill, South Carolina, may change its name before next season. Either that or its football philosophy.

Reason: It's hard to be friendly when you lose a game 142-0.

Edward Waters College of Jacksonville, Fla., which has won 20 of its last 21 games, belted Friendship for a loop by that overwhelming total on the last weekend of the season.

* * * *

An incident occurred on the gridiron earlier this year when two high schools in New York were playing. It goes like this:

The visitors scored a touchdown with the linesmen signaling that the ball had broken the plane of the goal line. The home coach did not agree and made himself quite clear.

So clear, in fact, that he drew two 15-yard penalties. Under the present rules, the penalty is marched off on the ensuing kickoff.

As the extra point try was made one of the home players slugged a visiting player. Another 15-yard penalty was assessed.

In case you haven't been keeping track, the visitors were now kicking off from the home team's 15-yard line. The home coach again gave the officials a going-over, but now only a 7½-yard penalty could be assessed. So the ball was placed on the 7½ yard line for the kickoff.

Trying not to kick short and be p

MINUTES OF EXECUTIVE COMMITTEE MEETING—DECEMBER 18, 1964

The meeting of the CIF, SS, Executive Committee was called to order by Chairman Robert D. Ashton at 1:30 p.m. on December 18 in the CIF, SS, office. The following members were in attendance: Chairman Ashton, assistant superintendent, Excelsior School District; Frank O. Hopkins, superintendent, Brea-Olinda Unified School District; Harold Wetzler, principal, Hawthorne High School; Marion C. Hays, vice principal, Harvard School; Charles M. Ronin, vice principal, Redlands High School; Harry L. Bigger, principal, Fillmore High School; Clair Franklin, principal, Trona High School; Arthur H. North, assistant superintendent, Azusa Unified School District; Steve Miletich, vice principal, Beverly Hills High School; Winston Nelson, superintendent, Pomona Unified School District; and Commissioner of Athletics Kenneth Fagans.

1. APPROVE MINUTES—It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of November 5, 1964, as published in the December, 1964, Monthly Bulletin.

2. CONSIDER APPLICATIONS FOR MEMBERSHIP—It was moved, seconded and carried to recommend to the Council that the Desert Sun School of Idyllwild, California, be admitted to regular membership in the CIF, SS.

It was moved, seconded and carried to recommend to the Council that Apple Valley Junior High School and Lathrop Junior High School of Santa Ana be admitted to associate membership in the CIF, SS.

3. EVALUATE BASKETBALL SCHEDULES OF NEEDLES AND EAGLE MOUNTAIN HIGH SCHOOLS—After a review of the basketball schedule of Eagle Mountain High School, it was moved, seconded and carried that in order to qualify for the 1965 CIF, SS, basketball play-offs, Eagle Mountain may not lose more than two of the following six games: Dec. 1, Twin Pines; Dec. 8, Twin Pines; Dec. 12, Holtville; Jan. 30, Calipatria; Feb. 13, Calipatria; Feb. 20, Needles.

After a review of the basketball schedule of Needles High School, it was moved, seconded and carried that in order to qualify for the 1965 CIF, SS, basketball play-offs, Needles may not lose more than three of the following eight games: Jan. 9, Twentynine Palms; Jan. 15, Calipatria; Jan. 16,

Blythe; Jan. 19, Kingman; Jan. 23, Barstow; Jan. 26, Parker; Jan. 30, Twentynine Palms; Feb. 5, Basic.

4. EVALUATE BASEBALL SCHEDULES OF CHAMINADE PREP AND EAGLE MOUNTAIN HIGH SCHOOLS—After a review of the baseball schedule of Chaminade Prep, it was moved, seconded and carried that in order to qualify for the 1965 CIF, SS, baseball play-offs, Chaminade Prep must win 10 of the following 12 games: Feb. 27, Bell-Jeff; March 12, Brown Military; March 23, St. John Bosco; March 26, St. Genevieve; March 30, Valley Christian; April 2, Harvard; April 6, Bell-Jeff; April 9, Brown Military; April 27, Lutheran; April 30, St. John Bosco; May 4, St. Genevieve; and May 11, Harvard.

After a review of the baseball schedule of Eagle Mountain High School, it was moved, seconded and carried that in order to qualify for the 1965 CIF, SS, baseball play-offs, Eagle Mountain must win seven of the following eight games: March 2, Twin Pines; March 5, Twin Pines; March 6, Yuma JV; March 19, Needles; March 26, Holtville; April 3, Holtville; April 10, Calipatria; and April 24, Calipatria.

5. REQUEST FOR RESTORATION OF AMATEUR STATUS—It was moved, seconded and carried to restore the amateur standing of David Widauf of Boron High School. David participated in a bowling league where prize monies in violation of our amateur rule were given, and he was declared ineligible for one year, after which time he could seek reinstatement as an amateur. The one-year period expired on December 1.

6. REQUEST FOR OUT-OF-STATE COMPETITION—A communication was read from the principal of Santa Monica HS in which he requested permission for his school's baseball team to play a series of games in Mazatlan, Mexico, during the spring vacation.

It was moved, seconded and carried to deny permission for this series of games in that it would be in violation of National Federation, State CIF, and Southern Section rules which prohibit competition with non-member schools and where the one-way travel distance is greater than 300 miles.

7. FOOTBALL CARNIVALS IN LIEU OF INTER-SCHOOL SCRIMMAGES—Because of the change in

our By-Laws which permits interschool football scrimmages to be held after ten days of team practice, the Long Beach City Schools asked permission to hold their annual Milk Bowl Carnival in lieu of the interschool scrimmage. The matter was discussed and it was moved, seconded and carried that it be recommended to the Council that football carnivals be permitted in place of interschool scrimmages under specified regulated conditions. Many suggestions were made, and the Commissioner was directed to prepare a set of regulations for presentation to the Council which would govern both a football carnival and an inter-school football scrimmage.

8. LOS ANGELES TIMES INDOOR TRACK MEET—The committee was informed that invitations had been extended to four Southern Section schools to enter four-man sprint relay teams in the Sixth Annual Los Angeles Times Indoor Track and Field Meet, to be held at the Sports Arena on Saturday, February 13, 1965. The competition is to be of an exhibition nature only and will be limited to one race with all entries coming from our own section.

It was moved, seconded and carried to grant permission to Bolsa Grande HS, Aviation HS, Mayfair HS, and San Marino HS to enter four-man sprint relay teams in the Times Indoor Meet. Because this is an exhibition activity preceding the opening of the regular high school track season, participation by these schools will not count as one of the four invitational meets each boy is permitted to enter.

9. LONG BEACH INDOOR TRACK AND FIELD GAMES—The Committee was informed that the manager of the Long Beach Indoor Track and Field Games, to be held at the Long Beach Arena in March, would like to invite four Southern Section relay teams to compete. The Commissioner was authorized to select the teams from those applying and permit entry on the same basis as the Times Meet.

10. RELEAGUING COMMITTEE REPORT—Chairman Ashton reported that relegating was now completed for the coming year and a new committee should be appointed so that work can begin immediately on leaguings for the 1966-67 school year. He recommended that the following men be invited to serve on the Relegating Committee: Steve Miletich—Bay Area; Keith Gunn—Desert Area; Dick Spaulding—Orange County; Harry Bigger—

Northern Area; Alex Alexander—Desert Valley Area; Jack Jines—Southeast Area; Reverend Donald Montrose — Private schools; and Jim Faul—Citrus Belt Area.

Chairman Ashton also recommended that the Arrowhead League be placed in the Citrus Belt Area under Jim Faul and that the Foothill Area be added to the Southeast Area under Jack Jines.

It was moved, seconded and carried to direct the Commissioner to extend invitations to the above men to serve on the CIF, Southern Section, Releagu- ing Committee for the 1966-67 school year.

11. APPROVE BASKETBALL PLAY-OFF AND FINANCIAL REGULATIONS FOR THE 1965 PLAY-OFFS—The committee reviewed the basketball play-off and financial regulations which were in force for the 1964 play-offs. It was then moved, seconded and carried to continue these regulations with the following changes:

a. Increase the dinner allowance where approved from \$2.00 to \$3.00 per person.

b. Increase the lodging allowance where approved from \$2.50 to \$3.00 per person.

c. All mileage when figuring transportation allowances shall be based upon Auto Club figures from city to city.

d. A fee of \$25.00 will be charged for the right to broadcast the championship games to be played at the Long Beach Arena on March 12, 13, 1965.

e. Radio stations will have a right to broadcast any play-off basketball contest except the games at Long Beach upon payment of a \$15.00 fee to the home school.

f. Press credentials for the play-offs shall be the yellow press card and blue photographers pass, as issued by the CIF, SS, office. All play-off credential requests shall be referred to the CIF office.

g. Officiating fees have been established at \$20.00 for play-off games through the semi-finals in all divisions. The fee will be \$25.00 for the Championship game in all divisions.

h. No team will be permitted to practice in a neutral gym which has been designated as a site for a play-off contest.

i. All seats in the mezzanine section of the Long Beach Arena will be reserved and will sell for \$2.00. These reserved seats will be placed on sale in advance of the championship games.

j. The Commissioner, as manager of the CIF, Southern Section, play-offs,

has been given sole authority to determine the sites for all play-off basketball contests. (This change in procedure has been authorized to make certain that all games will be played in facilities large enough to handle the anticipated crowd and located most advantageously for the competing schools. Any decisions as to playing games on neutral floors will be made by the Commissioner after a review of the Play-off Facility survey and consultation with the schools involved.)

12. ELIGIBILITY CASES:

a. It was moved, seconded and carried to waive the previous semester rule to permit Garney Baumgardner to be immediately eligible at Morningside HS. Because of the eight semester rule, he will have no further eligibility after the end of the current semester.

b. It was moved, seconded and carried to deny a request for a waiver of the eight semester rule in the case of Mike Bielman of Western HS. Mike will complete his eight semesters of eligibility in June, 1965.

13. ANNUAL MEETING—A proposal to hold an annual meeting for one or more representatives of each school in the Southern Section was discussed by the committee. It was generally agreed that such a meeting held early in the school year would prove to be very beneficial to our member schools and the total program. The Commissioner was directed to prepare a sample Agenda for such a meeting and submit the idea to the Council for its consideration at the January meeting.

14. REPORT OF BUILDING COMMITTEE — Chairman Ashton reported that considerable progress is being made relative to the relocation of the Southern Section office on the Gahr HS site in the Excelsior Union High School District. After studying all phases of the problem, it was decided that a long term lease on the land would be in the best interests of both parties. Steps were taken to authorize the committee to proceed with negotiations with the Excelsior School District to arrange a long term lease on the property.

15. MONTVIEW LEAGUE SWIM REQUEST—Gary Knox, swim coach at Los Altos HS, representing the Montview League, met with the committee to discuss the request of his league that the Class B 400-yard free-style event be added to the Southern Section Swim program. After a review and discussion of the entire problem, it was moved, seconded and car-

ried to place this item on the Agenda of the May Council meeting. Mr. Knox assured the group that an evaluation would be made at the conclusion of the current swim season relative to the event, with a full report made available to all members of the Council.

16. RECRUITMENT OF OFFICIALS—It was moved, seconded and carried that a committee be formed to study problems connected with the recruitment and training of game officials. Council President Steve Mile-tich will appoint a five-man committee at the earliest possible time.

17. GOLDEN LEAGUE COMMUNICATION—A letter from the president of the Golden League was read in which the league requested that consideration be given to placing their league in the "AA" instead of the "AAA" football play-offs for 1965. The Commissioner pointed out that the Golden League was the 16th largest league in the CIF, SS, from the standpoint of enrollment and that in previous years Antelope Valley, a member of that league with an enrollment of over 3,000, had always competed in the "AAAA" division. In line with established policy, the teams representing each of our forty leagues in the football play-offs are placed in the classification where it is expected they will enjoy the most equitable competition.

18. GIRLS INTERSCHOLASTIC ATHLETICS—Recently the CIF office has received numerous calls and communications regarding girls athletics in high schools in California. Persons particularly interested in girls track and field competition have been attempting to promote such a program in Southern California and desire to hold girls track competition in connection with established league and invitational track and field meets. In discussing this situation, the Executive Committee expressed the opinion that if and when girls athletics are conducted on an interscholastic basis, the CIF, SS, would be the organization best qualified to control and administer such a program.

Winston Nelson reported that Olympic champion Mike Larrabee has been a speaker at the recent State Federated Council Meeting and at that time had encouraged California educators to promote more interscholastic competition for girls. Other sections of the CIF are reportedly planning such competition. The matter will be studied and discussed at a later date.

19. REPORT OF NOMINATING COMMITTEE — In accordance with

the Constitution, the Nominating Committee met recently for the purpose of proposing a slate of candidates to fill vacancies on the Executive Committee and the State Federated Council. Since the Southern Section representatives on the State CIF Federated Council have been increased from two to four representatives, changes in our Constitution are necessary in order to provide for the additional representatives.

It is proposed that Article VI be amended to provide that TWO representatives to the Federated Council be elected each year and that those eligible be school administrators who have served on either the Council OR the Executive Committee.

It was further proposed that Article VII, Section 7, be amended to provide that Southern Section representatives on the Federated Council be ex officio members of the Council instead of the Executive Committee. This change was recommended because at the present time the Executive Committee is composed of eight members elected from our member schools on a geographical basis. In addition, the President of the Council and the Treasurer are ex officio members. If the four State representatives were also ex officio members, it would make the Executive Committee unwieldy, as there would be fourteen members with only eight of them having a vote.

It was moved, seconded and unanimously carried to recommend to the Council that Articles VI and VII of the Constitution be amended, as proposed by the Nominating Committee.

There being no further business to come before the Committee, the meeting was adjourned at 5:00 p.m.

Respectfully submitted,
J. Kenneth Fagans
Commissioner of Athletics

Hacienda League Organizes With Four Member Schools

The CIF's newest league—bringing the total to 42—has now officially been named the Hacienda League and will begin operation in September.

Members of the Hacienda League are: Richard Gahr High School and William Neff High of the Excelsior School District, Royal Oak High School of the Charter Oak District, and Bassett High of the Bassett District.

The circuit will compete in football, cross country, basketball, baseball, track, tennis and wrestling.

PASS RECEPTION—Vic Pettric of Loyola is about to be tackled by Louis Santa Cruz of Whittier in fourth quarter of CIF finals. Pettric had just caught a pass from Mike Bergdahl.

(Continued from Page 1)

halfback slipped) on a sweep play, Walker tucked the ball barreled toward paydirt. One by one the tacklers bounced off and Whittier's lead swelled to 20-7. Wittman added the 21st point and the Cards took a 14 point advantage into the fourth period.

Bergdahl took to the air early in the stanza and completed four passes in a drive of 11 plays with "Iron Mike" bulling into the end zone from the five with just 4:29 gone in the quarter. Mike also kicked the PAT to cut the margin to 21-14, the eventual final score.

Loyola had the ball twice more in the period but clutch defensive efforts by Buehler, Seminoff, Louis Santa Cruz, Dan Denley, Marty Babjian and a host of others kept the Cubs off the scoreboard and out of the record books with that "hoped for" third straight title.

Most Whittier supporters disclaim the "Cinderella" label hung on the Cardinals by the Southland press, claiming that theirs was an underrated team all season. The Vic Lopez-coached Redbirds finished 10-1-2, tying Alhambra for the Pacific League crown although suffering their only loss of the season to the Alhambrians, 12-6. They also tied El Rancho, 0-0, in a non-league game.

In play-off action, Whittier tied Pasadena, 13-13, on the scoreboard but had a 13-10 advantage in first downs to narrowly clear the first hurdle, but then turned giant killer in whacking Santa Ana Valley, 14-7, and stunning Long Beach Poly, 27-12.

Loyola, too, had its share of close calls in the hotly contested play-offs. The Cubs dumped Pacific, 28-7, in the first round and then edged Santa Barbara, 14-13, and scrambled past Anaheim, 7-3, to earn the shot at the title.

Pole Vaulting Clinic Scheduled For January 23 at Warren High

If coach John Mitchell at Warren High has any secrets about developing pole vaulters they probably won't be secrets any longer after January 23.

That's the date Mitchell has picked for a pole vaulting clinic at Warren High in Downey during which a movie camera and photographer will get the toughest workout of the day.

Mitchell has called upon photographer Danny Ryan of Downey and the two have come up with a plan that should be attractive enough to entice pole vaulting enthusiasts from throughout the Southland to attend the clinic.

Each coach who attends the clinic, which will center entirely on the pole vault, will be invited to bring one of his school's pole vaulters with him. The boy will be filmed by Ryan as he demonstrates his vaulting techniques for the camera.

While the coaches and students discuss vaulting during the noontime and afternoon sessions, photographer Ryan will be processing the film taken during the morning and have it ready for delivery by the time the clinic adjourns.

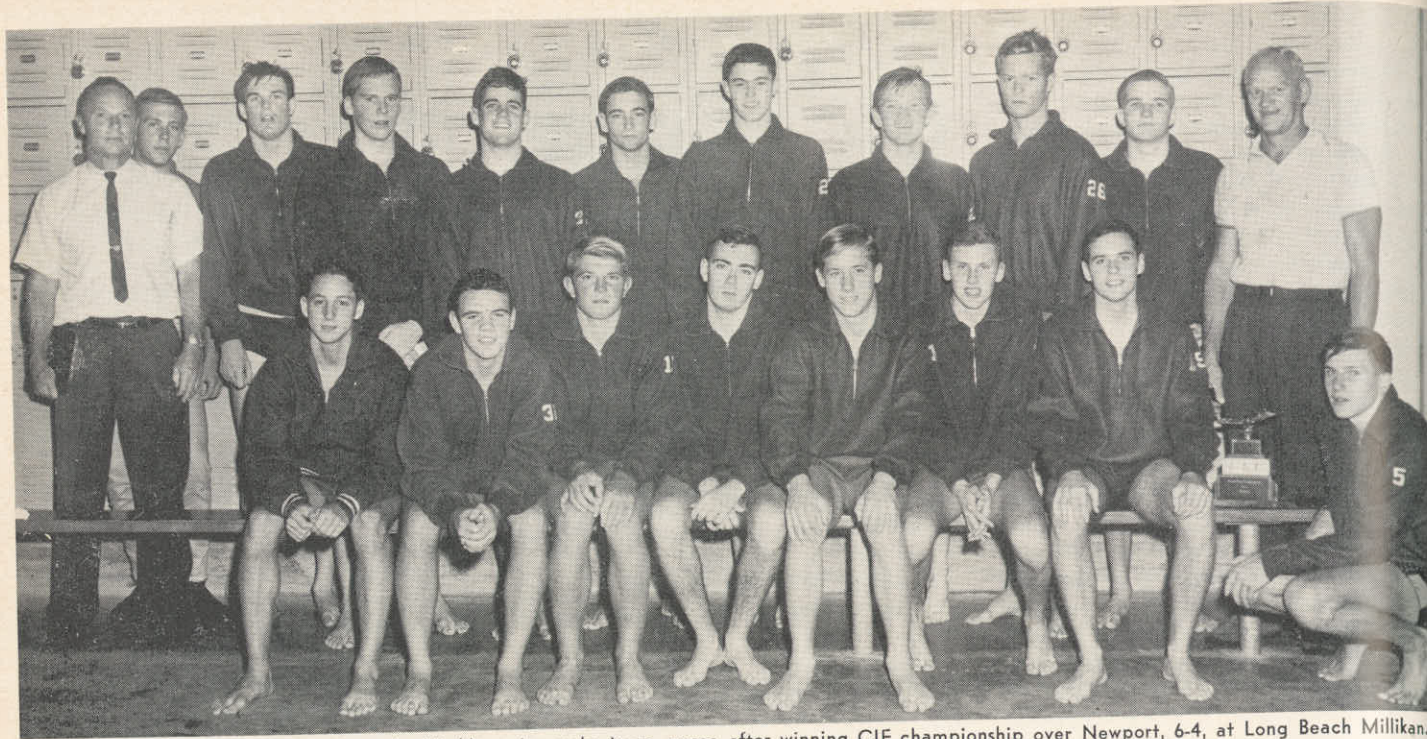

Another highlight of the clinic will be the showing of the film "Introduction to Pole Vaulting", a film put together by Ryan and Mitchell, showing vaulting techniques of Paul Wilson, Warren High senior who became the first high school student to clear 16-0.

Shooting in what Mitchell terms "super slow motion" Ryan has captured a vault of Wilson's which when shown on the screen takes more than three minutes to complete.

Coaches interested in attending the clinic are asked to contact Mitchell at Warren High by letter or telephone.

"AAAA" DIVISION SCORES

(First round)
Loyola 28, Pacific 7
Santa Barbara 0, Hawthorne 0
(Santa Barbara advances via first downs, 6-5)
Anaheim 21, Servite 13

Whittier 27, Long Beach Poly 12
(Finals)
Whittier 21, Loyola 14

WATER POLO CHAMPS—El Segundo High's water polo team poses after winning CIF championship over Newport, 6-4, at Long Beach Millikan. Coach Urho "Whitey" Saari, whose teams have won 12 CIF titles in 19 years is at the right.

El Segundo Captures Water Polo Crown; Eagles Down Newport, 6-4

With Olympian Bob Saari scoring four of his team's six goals, El Segundo High captured its 12th CIF water polo crown in 19 years when the Eagles trimmed Newport Harbor, 6-4, in the championship game on December 4 at Millikan High.

Fullerton edged Downey, 7-6, for third place.

The win marked the seventh time in the last nine years that Whitey Saari, two-time coach of the United States Olympic Water Polo team, has seen his club sweep to the CIF championship. However, it was tougher this year than in years gone by.

The Eagles stopped La Puente, 13-7, in the first round with Bob scoring nine of his teams goals but then had to go into overtime to down Sierra, 6-5, in the quarter-finals. In the semi-

finals El Segundo spotted Fullerton a 5-2 lead before coming back to win 9-8, again in overtime.

Newport, meanwhile, became the "Cinderella" team of the play-offs. The Sailors were runner-up to Fullerton in the tough Freeway League and one of two second place teams invited to compete in the play-offs. After knocking off Anaheim in the first round, 8-3, the Sailors stunned Whittier, 9-1, in the second round and completely shocked the "experts" with a 10-7 win over second-seeded Downey in the semi-finals.

In the championship game, though, El Segundo showed why it is defending champion. The Eagles jumped off to an early lead and increased it to 3-0 by halftime. It was 4-0 after three quarters before Newport's rally in the

final period fell short, 6-4.

Scores of all play-off games:

1964 PLAY-OFFS

(First round)

Fullerton 14, Redondo 1
Mira Costa 9, La Habra 8 (OT)
El Segundo 13, La Puente 7
Sierra 15, Riverside Poly 4
Whittier 13, Glendale 6
Newport 8, Anaheim 3
Corona del Mar 12, Oxnard 5
Downey 14, Santa Fe 5

(Quarter-finals)

Fullerton 17, Mira Costa 8
El Segundo 6, Sierra 5 (OT)
Newport 9, Whittier 1
Downey 12, Corona del Mar 4

(Semi-finals)

El Segundo 9, Fullerton 8 (OT)
Newport 10, Downey 7

(Third Place)

Fullerton 7, Downey 6

(Championship)

El Segundo 6, Newport 4

"First Base Play"

11 a.m. Roger Craig, former member World Champion St. Louis Cardinals "Pitching" (Craig is now with the Cincinnati Redlegs)

1 p.m. Pete Reiser, manager, Spokane Braves (Los Angeles Dodgers) "Hitting"
Jim Gilliam, coach, Los Angeles Dodgers "The Double Play"

2 p.m. Jim Piersall, Los Angeles Angels "Outfield Play"

3 p.m. Bob Bailey, Pittsburgh Pirates "Special Hitting Exhibition"

For more information on the clinic contact Coach Herbold at Long Beach Poly High.

Professional Stars to Highlight 4th Annual Poly Baseball Clinic

Professional baseball stars Roger Craig, Bob Bailey and Jim Piersall along with Pete Reiser and Jim Gilliam of the Dodger organization, Bob Wuesthoff of Long Beach State and Chuck Stevens of the Professional Baseball Players Assn. will headline the 4th annual Long Beach Poly baseball clinic on January 30, John Herbold, Poly baseball coach and chairman of the clinic, announced this week.

The clinic will be held at Long Beach City College, according to Herbold, and "will be conducted rain or

shine." The all day session is open to all coaches and high school varsity players in the Southland.

In past years the clinic has drawn such outstanding baseball personalities as Bill Rigney, Fred Haney, Rod De-deaux, Bob Lemon, Kenny Myers, Bobby Knoop, Dick Nen and Johnny Werhas. This year's lineup is just as imposing.

The clinic schedule:

9 a.m. Bob Wuesthoff, baseball coach, Long Beach State "The Running Game—Bunting, Signs, Steals"
10 a.m. Chuck Stevens, secretary, Professional Baseball Players Assn.

Burbank Wins AAA Cross Country Title; Colton, Aviation, Glenn, San Marino Also Capture CIF Titles

For the second straight year Bill Schabram of San Marcos High flashed across the finish line first in his division and with the best time of all 274 runners competing in the 1964 CIF Cross Country Championships at Long Beach State College on Thursday, December 3.

Schabram's 9:44 time establishes a course record for the two-mile Long Beach State course which was redesigned especially for the CIF finals.

Burbank High won the "AAA" division team honors for the first time with 47 points to 52 for runner-up Westminster, defending champion. Other divisional titles went to Colton (AA), Aviation (A) and Glenn and San Marino (co-champions of the Small Schools division.)

Coach Frank Kallem's Burbank crew earned the team title with good balance in that three of its first five finishers were in the top eight. Fred Ortega was third in 9:54, Joe Santa Cruz fifth in 10:02, and Victor Moon eighth in 10:12. Rounding out the Burbank squad were Jim Peabody (12th), Paul Nicholls (19th), Ralph Cranston (34th) and Mike Goudy (60th).

Right behind San Marcos' Schabram in the "AAA" race was teammate Dennis Savage (9:46) while Mike Soloman of Westminster finished fourth.

Colton High had to overcome a 1-2 finish by Tustin runners Al Sanford and Sam Francis to win the "AA" team championship. Ken Reed was the top Colton runner, (10:02) finishing fifth in the field of 66. Sanford's winning time was 9:49 and Francis was timed in 9:50 but no other Tustin runners could crack the top 25.

Members of Colton's winning team included: Reed, Rudy Reyes, Steve Sulivant, Bill Macias, Mark Suchil, Art Pardo and Richard Burns.

Lido Abillar of Santiago, the second place team, finished third in the individual competition in 9:58 while John McDonald of Glendale Hoover was fourth in 10:01.

In the "A" Division Aviation won the title with 61 points, 16 fewer than runner-up Buena. California was third.

Three Aviation runners—Jim Dillon, Greg Hall, Dough Pirkle—finished in the top ten to lead the Falcons to the win. Other members of the winning team: Tom Needham, Tom

THE VICTORS—On the victory stand are the first five finishers in the "AAA" division of the CIF cross country finals. From the left: Mike Soloman, Westminister (4th), Fred Ortega, Burbank (3rd), Bill Schabram, San Marcos (1st), Dennis Savage, San Marcos (2nd), and Joe Santa Cruz, Burbank (5th). The win was the second CIF individual title for Schabram, who set a new course record in the process.

Trumpler, Art Leigh, Tom Rockwood.

Craig Conaway of Artesia won individual honors in the "A" division with a clocking of 9:55.2 while Mike Kearns of Crespi was second in 10:01. Richard and Robert Gove of California were third and fourth in 10:02 and 10:03.

Defending "Small Schools" champion, San Marino, had to settle for a share of the 1964 title when Glenn High of Norwalk won the school's first-ever CIF championship.

Ken Hughes of San Marino won the individual competition in 10:06.7 well ahead of second place finisher Mike McCusker (10:23) of San Clemente. Joining Hughes on the winning San Marino team were Dave Yetter, Don Wilgus, Bill Kilpatrick, Roger Law, Bob Deines, and Tom Chappel. Chappel finished third in the "Small Schools" race.

Glenn High had the 4-5-6 finishers in the race — Earl Duncan, Gerald Duncan and Rick Hargis—timed in 10:38, 10:39, and 10:40. Gerald Brown,

Howard Bessette, Jim Fagundes and Frank Mendibles round out the championship Glenn team.

El Dorado, Burmuda Dunes Courses to Host CIF Team, Individual Golf Tournaments

Two of the most outstanding tests of golf in the Southland will be the sites of the CIF's annual Team and Individual Golf Championships on Monday, May 24, and Tuesday, June 1, respectively.

The Team Tournament will be held at the El Dorado Golf Club in Long Beach with Millikan High School acting as the host school on May 24.

Palm Springs' famous Burmuda Dunes is where the top individuals congregate for their tournament on June 1. Indio High will host that event.

The Individual Tournament will be held on Tuesday this year so as not to conflict with the May 31 Memorial Day holiday.

San Marcos High of Santa Barbara is the defending team titleholder while Eric Willhoft of Pacific High, San Bernardino, won the Individual Tourney last June. Wilhoft shot an even par 69 at Redlands Country Club for the crown.

San Marino Passing Attack Stops Thousand Oaks, 21-13 In "AA" Finals; Junior QB Throws Three TD Passes

San Marino High had to settle for a three-way tie for second place in the rugged, evenly balanced Rio Hondo League football chase, but the Titans would take no less than all the marbles in the "AA" division play-offs.

Taking their lead from junior quarterback Rich Haley the Titans swept to a 21-13 win over previously unbeaten Thousand Oaks High in the "AA" finals at Arcadia High on Dec. 11.

Haley, who put the game out of reach with a defensive gem in the closing minutes, was unstoppable on offense as he completed 16 of 28 passes for 286 yards and all three San Marino touchdowns.

It was the second CIF championship for the Titans who won the Northern Division crown, 14-0, over Paso Robles in 1955.

San Marino's first touchdown came on a six-yard tackle eligible pass play from Haley to Ed Schwartz. The big play in the 66 yard, seven play, scoring drive was a 55 yard pass-run play from Haley to his favorite receiver John Kinard. Jim Kruel kicked his first of three conversions and with less than three minutes gone, San Marino was on top 7-0.

Thousand Oaks, only in its third year of operation and with its first senior class, bounced back to tie things at 7-7. Ronnie Romans climaxed a 73 yard march with a 23 yard TD burst. Romans ran for the PAT, too.

The tie didn't stand for long, however, as San Marino rolled downfield on Haley pass completions covering 23, 19, and 14 yards before Kinard was on the receiving end of a six yard TD shot. Kruel's conversion made it 14-7 after one quarter. And it remained that way through the second period.

Haley's strong right arm and Kinard's sure-handed grabs accounted for another San Marino score in the third stanza. The scoring play covered 20 yards and just before the TD Haley and Bill Bonas teamed up on a 34 yard screen pass gain. Kruel's conversion made it 21-7.

With 3:42 to play, Haley intercepted a Lancer pass on his own three yard line and virtually put the game in the bag for San Marino. Thousand Oaks did come back to score with 23 seconds to play when Sterling Meade blasted in from less than a yard away.

While San Marino lost the Rio Hondo League title to La Canada on the last night of the regular season

the Titans did beat Duarte and Temple City, the other two teams tied for second place. League rules dictated that San Marino would be the play-off entrant if an invitation were extended to a second place finisher in the Rio Hondo League.

The Titans journeyed to El Centro and won 20-7 in the first round; then stopped Loara 14-13 before meeting Thousand Oaks. The Lancers blanked Paso Robles, 27-0, and edged La Canada, 13-10, to set up the title game.

"AA" DIVISION SCORES

(First round)
Thousand Oaks 27, Paso Robles 0
La Canada 14, El Segundo 0
San Marino 20, El Centro 7
Loara 18, Lawndale 14
(Semi-finals)
Thousand Oaks 13, La Canada 10
San Marino 14, Loara 13
(Finals)
San Marino 21, Thousand Oaks 13

State Federated Council Approves Two Mile Run

Beginning with the 1965 State Track and Field Meet at Bakersfield on June 4 and 5 the two mile run will be included as a regular event.

Action to add the two mile event (which was added to the Southern Section track program by Council action last May) was taken by the State Federated Council at its meeting in San Francisco in December.

In other developments on the State level, a proposal to divide the present North Coast Section into two smaller sections was approved. The present North Coast Section boundaries extend from Paso Robles (northern most point of our section) all the way to the Oregon border. The dividing line between the new sections is approximately San Francisco.

Reapportionment of State Federated Council representation also passed at this meeting and beginning next year the Southern Section will be allotted a total of four representatives on the Council. This will double our representation as we currently have two regular members on the Council. Keith Gunn, principal of Victor Valley High School and Frank Hopkins, superintendent of the Brea-Olinda High School District. (See item 19.)

Winston Nelson, superintendent of the Pomona Unified School District, an ex-officio member of the State Federated Council at this time because of the immediate past president of the body.

St. Francis Scores Late to Win "AAA" Championship, 14-0, Over Claremont; Winning Streak Extended to Twenty-One

St. Francis High of La Canada successfully defended its "AAA" division football crown when the Knights scored twice in the fourth quarter to down Claremont, 14-0, repeated as CIF champions and at the same time extended its winning streak to 21 straight.

The Knights threatened to score in the third period, but were stopped on the Claremont one by the strong Wolf-pack defensive unit which had held seven opponents scoreless during the regular season and first three rounds of the play-offs.

St. Francis took a 12-0 record into the finals, which were played before nearly 8,000 fans at Mt. San Antonio College Stadium, while Claremont was 11-0-1 going into the championship tilt.

What turned out to be the winning touchdown came with just 5:50 to play when halfback Terry Newlin sped four yards for the score. Joe Curtis converted.

The touchdown drive covered 87 yards and took 11 plays to culminate. Newlin carried the ball eight times on the drive, eating up most of the yardage.

Claremont was unable to sustain a drive following the ensuing kickoff. After taking over on the Claremont 41, St. Francis put the game out of reach scoring in six plays (aided by two personal foul penalties against Claremont) with quarterback Dennis Flagg passing to Willy Oliva for six yards and the second TD. Curtis again converted and with 1:12 to play St. Francis was "in", 14-0.

In the last six years St. Francis has compiled a record of 59-7-1 and two CIF championships and one runner-up finish. The Knights defeated La Mirada for the "AAA" title, 7-0, last season and lost to Bishop Amat, 28-13, with the "AA" crown up for grabs in 1961.

St. Francis advanced to the finals this year in much the same manner as last year—with a string of narrow victories. Garden Grove was the victim in the first round, 34-32; Pomona Catholic fell in the second round, 21-14, after leading at one time, 14-0. The semi-finals saw St. Francis score twice in the first minutes of play, then

hold on for a 20-12 decision over Santa Maria.

Claremont, meanwhile, ran roughshod over play-off opponents en route to the finals: 41-0 over Fontana, 27-12 over West Covina and 35-13 over Fullerton.

"AAA" DIVISION SCORES

(First round)
St. Francis 34, Garden Grove 32
Pomona Catholic 27, Leuzinger 0
Santa Maria 39, Crespi 12
Burroughs 26, St. Bernard 21
Fullerton 20, Santiago 6
Lasuen 21, La Mirada 14
Claremont 41, Fontana 0
West Covina 7, Glendora 0

(Quarter-finals)
St. Francis 21, Pomona Catholic 14
Santa Maria 26, Burroughs 19
Fullerton 20, Lasuen 7
Claremont 27, West Covina 12

(Semi-finals)
St. Francis 20, Santa Maria 12
Claremont 35, Fullerton 13

(Finals)
St. Francis 14, Claremont 0

Rim of the World Rallies In Second Half to Capture Small Schools Title, 13-7

After trailing 7-0 at the half, Rim of the World High rallied for two touchdowns in the final two periods to defeat Valley Christian, 13-7, and capture the 1964 CIF "Small Schools" football championship on December 11 at the University of California, Riverside.

A crowd of 4,250 rooters saw Larry Harper and Brian Kilpatrick score the two Rim touchdowns in the second half, Kilpatrick's coming with 2:30 to play in the fourth period to insure victory.

Valley Christian opened the scoring in the first period on an 85 yard drive in 10 plays. Quarterback Dennis Herrema tossed a 15 yard scoring pitch to end Tony Smits for the score. Dave Meekoff converted and the Crusaders from Artesia led, 7-0.

On the drive Herrema completed passes for 12 and nine yards to end Dean Duistermars, and Gary Oldenkamp picked up 13 and seven yards on two clutch plays.

Rim of the World threatened to score midway in the second period, moving to the Valley Christian 14 only to have a pass from Kilpatrick to end Bruce Baumann be completed

out of the end zone. In the third period Kilpatrick skirted right end for an apparent score from the nine only to see that one called back on a clipping violation.

Harper's touchdown came on a sensational 80 yard scamper early in the second half with Jim Cripe, Mike Rose and Jim Padore throwing the key blocks. Bob Burmeister added the conversion to tie the count at 7 all.

A Kilpatrick interception at his own 20 which he returned to midfield provided the spark in Rim's winning touchdown drive. The senior quarterback, who was an All-CIF selection last season, then engineered the winning touchdown drive, smashing seven yards for the score with just 2:30 to play.

Brian hit on eight of 17 passes for 124 yards in the championship tilt and rushed for 60 yards in 10 carries. Harper, with his 80 yarder helping, rushed for 144 in 14 carries.

Coach Ed Eaton commented after the game that "the turning point came in the second half when we hitched up our belts and went back to basic bread and butter plays. We underestimated Valley Christian. They were a fine team."

Rim's defensive unit, which held the Olympic League champs to 18 yards rushing in the second half also came in for its share of praise: "Alan Andrews, Earl Cordery, Bob Steele, Mike Rose and Jim Huskey played some real fine defensive ball," said Eaton, "along with Burmeister and Kilpatrick, of course."

Rim, one of the highest scoring teams in the CIF during the season, advanced to the finals with convincing wins over Mt. Empire (48-12) and Needles (47-21). Needles was undefeated going into the semi-final game.

Valley Christian stopped Aquinas, 32-18, and Webb, 21-12, enroute to the finals.

"SMALL SCHOOLS" DIVISION

(First round)
Needles 27, Bishop 25
Rim of the World 48, Mt. Empire 12
Webb 14, Tehachapi 2
Valley Christian 32, Aquinas 18

(Semi-finals)
Rim of the World 47, Needles 21
Valley Christian 21, Webb 12

(Finals)
Rim of the World 14, Valley Christian 7

First CIF Crown for Desert Valley— Coachella Rips Mission, 28-6, For "A" Division Championship

Superior depth combined with a bruising ground attack and a smooth aerial force spelled championship for Coachella High on Dec. 11 when the Arabs toppled San Luis Obispo Mission, 28-6, at Indio High to capture the CIF "A" division football crown.

The win marked the first CIF football championship for a school representing the Desert-Valley League. Last year Coachella advanced to the finals before bowing to Santa Clara, 19-14. Coachella finished the '64 campaign with a perfect 11 win, no loss record.

A safety early in the first period, following a Coachella drive that was stopped on the SLO Mission three yard line, gave an indication of things to come. On the third play after their drive stalled, Coachella defensive end Pat Custer pulled down Mission QB Ron Hortlien as he scrambled behind his own goal line.

That slim 2-0 lead, which held up through the first period, was increased to 15-0 by halftime. Early in the second frame Coachella quarterback John Dyer plunged in from the three to end a 54-yard Arab march. Steve Price booted the conversion and the score was 9-0.

Price scored the second Coachella touchdown less than a minute before the end of the first half when he hit paydirt from the four after a Dyer to Gary Cervantes pass covering 18 yards moved the ball into scoring position. Price's PAT attempt was blocked.

Mission quarterback Hortlien broke the Indians' scoring drought with a three yard dive early in the third period, cutting the margin to 15-6. Steve Gilmore's conversion kick was wide.

Dyer passed 12 yards to Ralph Gibbs at 5:27 of the third period to up the count to 21-6 and Rick Totten finished the touchdown parade when he slammed over from the one in the fourth quarter. Sal Alvarez added a PAT following Totten's score to make the final count 28-6.

Totten, himself, set up the touchdown when he was on the receiving end of a 43 yard pass from Dyer.

Coachella throwers Price and Dyer completed eight of 11 for 166 yards while Tom Roggero rushed for an even 100 yards in nine carries to lead the Arab attack.

Coachella advanced to the championship game with wins over Hemet, 25-14, ("our toughest game of the year," according to Coach Jerry Ush-

er) and Laguna Beach, 20-19. San Luis Mission toppled Santa Ynez, 19-7, reversing an early season loss to the same team, and then edged Lowell, 7-0, to make the finals.

"A" DIVISION SCORES

(First round)
Coachella 25, Hemet 14
Laguna Beach 26, Bloomington 0
San Luis Obispo Mission 19, Santa Ynez 7
Lowell 20, Banning 14
(Semi-finals)
Coachella 20, Laguna Beach 19
San Luis Obispo 7, Lowell 0
(Finals)
Coachella 28, San Luis Obispo Mission 6

NOTEBOOK

(Continued from Page 2)
alized and still avoid kicking the ball into the end zone so that the receivers could bring it out to the 20, the kicker tapped the ball with his toe. It went nowhere, so the penalty on the visiting team put it back on the 12½ yard line.

Well, anyway, there were two more five yard penalties, one each way, and finally a kickoff that bounded into the end zone for a touchback.

Figures it ought to be a record of some sort.
