1. HERald THE CHAMP’S — Whittier High Coach Vic Lopez (dark suit) gets congratulations from CIF Commissioner Kenneth Fagans after the Cardinals’ 23-13 win over Loyola and the first “AAA” CIF football crown in Whittier’s long history.

The championship game was played at the Los Angeles Coliseum on December 19 and was a rout of 17-50 as the Warhawks took it ease. Cardinal star quarterback Tom Pitts’ touchdown pass on the last play of the game clinched the title for Whittier.

The most outstanding feature of the game was the Cardinal defense, which shut out Loyola 17-0. The Cardinals’ defense was led by Tom Pitts, who scored on a 23-yard run, and by fullback Stan Leach, who scored on a 2-yard run.

The Whittier defense was excellent, allowing Loyola only 100 yards of total offense. The Whittier defense was led by end John Brown, who had 14 tackles, and tackle John Johnson, who had 12 tackles.

El Segundo Captures Water Polo Crown; Eagles Down Newport, 6-4

With Olympian Bob Saur scoring four of his team's six goals, El Segundo High captured its 12th CIF water polo crown in 19 years when the Eagles trimmed Newport Harbor, 8-4, in the championship game on December 4 at Millikan High.

Fullerston edged Downey, 7-4, for third place.

The win marked the seventh time in the last nine years that Whitey Saur, two-time coach of the United States Olympic Water Polo team, has seen his club sweep to the CIF championship. However, it was tougher this year than in years quite by.

The Eagles stopped La Puente, 13-7, in the first round with Bob scoring nine of his team goals but then had to go into overtime to defeat Sierra, 6-5, in the quarter-finals. In the semi-finals El Segundo spotted Fullerston a 3-2 lead before coming back to win, 9-8, again in overtime.

Newport, meanwhile, became the "Cinderella" team of the playoffs. The Sailors were runner-up to Fullerston in the tough Freeway League and one of two second place teams invited to compete in the playoffs. After knocking off Anaheim in the first round, 8-3, the Sailors stunned Whittier, 9-1, in the second round and completely shocked the "experts" with a 10-7 win over second seeded Downey in the semi-finals.

In the championship game, though, El Segundo showed why it is defending champion. The Eagles jumped out to an early lead and increased it to 3-0 by halftime. It was 4-0 after three quarters before Newport's rally in the final period fell short, 6-4. Scores of all play-off games:

First CIF Crown for Desert Valley—Coachella Rips Mission, 28-8, For "A" Division Championship

Superior depth combined with a bruisirng ground attack and a smooth aerial offense spelled championship for Coachella High on Dec. 11 when the Arabs toppled San Luis Obispo Mission, 28-8, at Indio High. The win captured the CIF "A" division football crown.

The win marked the first CIF football championship for the school representing the Desert-Valley League. Last year Coachella advanced to the finals before bowing to Santa Clara, 19-14. Coachella finished the '64 campaign with a perfect 11-0, no loss record.

A safety early in the first period, following a Coachella drive that was stopped on the SLO Mission three-yard line, gave an indication of things to come. On the third play after their drive stalled, Coachella defensive end Pat Canfer pulled down Mission QB Ron Horthen as he scrambled behind his own goal line.

That slim 2-0 lead, which held up throughout the first period, was increased to 15-0 by halftime. Early in the second frame Coachella quarterback John Dyre plunged in from the three to end a 44-yard Arab march. Steve Price booted the conversion and the score was 9-0.

Price scored the second Coachella touchdown less than a minute before the end of the first half when he hit paydirt from the four after a Dyer to Gary Cavanaugh pass covering 18 yards moved the ball into scoring position. Price's PAT attempt was blocked.

Mission quarterback Bob Horrell broke the Indians' scoring drought with a three-yard dive early in the third period, cutting the margin to 15-6. Steve Gilmore's conversion kick was wide.

Dyer passed 12 yards to Ralph Gibbs at 5:27 of the third period to up the count to 21-6 and Rick Totten finished the touchdown parade when he slammed over from one and a half yards to give Coachella a 21-9 lead. Sal Alvarez added a PAT following Totten's score to make the final count 28-6.

Totten, himself, set up the touchdown when he was on the receiving end of a 43-yard pass from Dyer. Coachella thrower Price and Dyer combined for eight of 11 for 166 yards, while Tom Roggero rushed for an even 100 yards in nine carries to lead the Arab attack.

Coachella advanced to the championship game with wins over Hemet, 25-14, "(our toughest game of the year," according to Coach Jerry Uhr-er) and Laguna Beach, 20-19. San Luis Mission toppled Santa Ynez, 19-7, reversing an early-season loss to the Hawkeyes and then edged Lowell, 7-0, to make the finals.

allied and still avoid kicking the ball into the end zone so that the receiver could bring it out to the 20, the kick
shaped the ball with his toe. It was nowhere, so the penalty on the wrong team put it back on the 12½ yard line.

Well, anyway, there were two players fiveyard penalties, one each way, that finally kicked off that composed into the end zone for a touchback.

It figures it ought to be a record some sort.

AA A Division Basketball Playoffs to Open February 26; AAA Division Starts March 2

Basketball playoffs in the "AA" and "A" divisions will get a head start on "AAA" division teams when two groups of smaller schools open post-season play with first round games on Friday, February 26.

The "AAA" teams tip-off on March 2 and all three championship games will be played on Saturday, March 13, at the Long Beach Sports Arena. "AA" and "A" division play is scheduled for February 26, March 2, 3, 9, 13 and 14 while the "AAA" teams have their semi-finals on March 12 after starting on the 2nd.

Long Beach Poly is the defending "AAA" champion while La Costa High of San Pedro and Santa Clara of Oxnard won the "AA" and "A" crowns last year. All three have teams this year that are in contention for their respective league championships.

The Executive Committee has stipulated, however, that should Santa Clara's record indicate exceptional strength, the Saints would be elevated to the "AA" division for the playoffs. Santa Clara has won the "A" title five of the last six years and finished second once.

Poly, which has won more basketball titles than any other team in the CIF's history—has three starters returning from last year's team which won 12 while dropping only one. Chuck Maugham, Tense Goyins and Gene Washington all return while Mac Calvin and Phil Muckelroy (6-7) round out the starting five.

Redondo, Montaraia and Burbank are given the best shots at keeping the Jackets from repeating while West Valley, Poinona, Alta Loma and Bishop's look like contenders for Losara's "AA" title.

This year, by order of the Executive Committee, the Commissioner of Athletics must approve the sites of all play-off games. All quarter-final games in the "AAA" and semi-finals in the "AA" will be played in Friday night games in addition to the games at Long Beach at the Arena.

In approving sites the Commissioner will take into consideration 1) size of playing court, 2) lighting, 3) seating capacity as it relates to the game, 4) parking, 5) availability of neutral courts in the area, and 6) the Basketball Facility Survey completed earlier in the year.
