J. Kenneth Fagans Retires January 31, 1975 *CIF-SS Commissioner Steps Down In 21st Year*

J. KENNETH FAGANS

The end of an era will be observed January 31, 1975, as J. Kenneth "Kenny" Fagans, 65, officially retires after nearly 21 years as Commissioner of the Southern Section of the California Interscholastic Federation. Nominated to succeed him is Thomas J. Byrnes, CIF-SS Administrative Assistant.

As the third Commissioner in the long 61-year history of the Southern Section, Fagans began his term of office in June of 1954, succeeding William W. Russell (present Executive Secretary of the State C.I.F.) who held the post from 1950-54. The "Founding Father" of the Southern Section was Seth F. Van Patten who served as its first Commissioner from 1914-1950.

Immediately preceding his appointment as the Southern Section's third Commissioner of Athletics, Ken Fagans served as an Assistant Principal at Centennial High School. His administrative background has also included a 12-year period as Commissioner of the California Collegiate Athletic Association and two years as Commissioner of the Pacific Coast Athletic Association. Another area of experience has been in the field of officiating where he has spent over 30 years at the high school and collegiate levels, ten of which were as a basketball official in the Pac 8 Conference.

During his 21 years of leadership, "Kenny" Fagans has guided an extensive expansion and development of an interscholastic athletic program that has grown from 218 schools in 1954 to 458 schools today. In that period,

Speaking Out . . .

SEPARATISM OR PROGRESS?

I am deeply concerned about a new movement in girls' athletics in California which emphasizes the concept of separatism. For every new cause, there are extremists. Girls' sports is no exception. Extremist agitations are sometimes beneficial and sometimes very harmful. Our state has its own band of women malcontents. Some of these women, using "women's rights" as a calling card, are now seriously impeding the orderly progress of girls' athletics within the California Interscholastic Federation, an organization actively gearing up to provide equal support and leadership to the girls' interscholastic athletic program.

This small circle of activists are demanding a "new model" or new organizational structure for high school girls' athletics. This demand implies that the C.I.F. will not allow for orderly change within its structure or its regulations in order to accommodate the fledgling girls' program. This is a falsehood. What is really meant by a "new model" is not another answer or direction for girl's athletics but another, **separate governing body** at the state level, providing an opportunity for the same old leadership to return to the helm.

I have listened too often to the weary tune of the "new model." Those who espouse its qualities and those who choose to follow are developing a philosophy of negativism towards athletics. They tell all who will listen that high level competitive experience will bring only ill effects. To illustrate their point, the boy's athletic program is severely criticized. Examples are given only of negative aspects that can be found in any activity or organization. The total picture, including the overwhelming predominance of positive values, is never portrayed. One wonders if these women have ever had a delightful or rewarding experience as a coach or athlete.

I believe that women **can** and **should** be directly involved in leadership positions in our high school sports programs. We are in a new era, and athletics has become more complex. Women can learn new roles in athletics, and we must be given the opportunity to learn. This statement is rapidly becoming a reality in the Southern Section; our constitution is now being re-examined in light of the need to include women in decision making positions. But change will never be fast enough for the separatist element in this state. Growth within the C.I.F. structure is neither their goal nor their desire.

I would urge those of you who have deep sentiment with the past not to let it override your good common sense. The doors have opened for girls' sports. The opportunity to be a part of this growth and change is yours. The channels of communication, organized for you throughout the C.I.F., are there to keep you informed and to assist you in informing others.

Separatism is not the answer. Only **together** can men and women come to a common understanding of the value of sports in the lives of both boys and girls.

Margaret Davis
CIF-SS Administrative Assistant

the number of sports has increased from 11 for boys only to 22 for both boys and girls. This dramatic growth pattern is but one of the several significant changes that Fagans has seen take place during his two-decade tenure. (See Commissioner's Corner, Page Two.)

J. Kenneth Fagans, a standout athlete himself at Huntington Park High School and at Oregon State University where he was selected as an All-Pacific Coast forward in basketball, gained

greater recognition in coaching. In a basketball coaching career he achieved an outstanding 92 percentage by winning 248 of 271 games. Included in his 7 years of coaching basketball were 53 consecutive victories at Compton HS from 1950-53, a mark that has been exceeded only once in the 60 year history of the CIF-SS. Fagans' 1951-52 team was 32-0.

The retiring Commissioner has not yet announced plans for his future but

(Continued on Page Six)

PAST, PRESENT, AND FUTURE

In this, my final "Commissioner's Corner," it is difficult to express all that runs through one's thoughts. Appreciation is one word that comes immediately to mind—appreciation for all the dedicated educators who have contributed so much time and effort to the CIF-Southern Section.

Special mention should be made of the outstanding men who have served as Executive Committee members during the last 21 years. I would like to pay tribute to these men, approximately 40 in number, who have been on the Committee from 1-16 years, attending 10-12 meetings annually, and have otherwise served without salary or compensation other than bare travel expenses. Rather than singling out individuals, perhaps it would be better to express my appreciation by saying that it has been a privilege to have had access to a million dollars worth of brains, talent, and experience. These men have been instrumental in the development of the Southern Section to the highly respected status it holds today.

Change is another word that is prominent. Elsewhere in this issue there is reference to the dramatic growth of our section. This, in turn, has created a larger demand for services. A greater volume of telephone calls, correspondence, inquiries, requests, paper work, etc., combined with the administration of a greater number of sports, has necessitated an increase in office staff. Where the Commissioner in 1954 had but one part-time secretary, he now heads an office of 9 full-time employees. The recent addition of the new Girls' Interscholastic Athletic Program has also made substantial but necessary demands upon the office work force.

In reviewing other marked changes that have occurred during this term of office, mention should be made of the involvement in practices, conditions, and attitudes. Where once local principals determined athletic eligibility to a significant degree, the jurisdiction has been shifted to the Section-wide Eligibility Committee whose decisions are consistent with established policy and are equitable for all.

The rise in the number of eligibility problems is closely related to the growing instability of our population. Broken homes, migration from the inner city, and employment relocations all have contributed to this increase.

The attitudinal change of a significant portion of our society has also been evident. People are not as willing to accept decisions as they once were. Today, it is not uncommon to read or hear about individuals, groups, or schools who challenge the decisions of

MINUTES OF SPECIAL EXECUTIVE COMMITTEE MEETING December 23, 1974

A special meeting of the CIF, Southern Section, Executive Committee was called to order by Vice President Lou Joseph at 9:30 a.m., Monday, December 23, 1974, at the Southern Section Office. All members were present except Tony Balsamo.

the bodies who govern their own organizations. The courtroom is sought as a podium for expression of displeasure. Litigation today is on the increase for the C.I.F. which is all the more unfortunate because our federation is a voluntary organization. Such self-destructive attacks by those who have pledged to abide by our state and section constitutions cannot help but continue to make inroads upon our strength, stability, and progress.

In assessing the present, I feel our Southern Section is in excellent hands. Members of the Council, Executive Committee, and Representatives to the State Federated Council are well qualified, conscientious, professional individuals, who are providing all of us with progressive leadership.

Mention should also be made of our CIF-SS Office staff. In my opinion, there has never been a time when the Southern Section has had such talented, knowledgeable, people working for them. Each of the men and women in our office has brought special abilities, which combined with their dedication and energy, has helped to produce a constantly improving athletic program for all our schools and athletes.

In looking ahead, perhaps a re-districting of the sections within the state might occur. An independent study could be made on a state-wide level, the purpose of which would be to determine a more realistic alignment of section size and boundaries. The present ten sections evolved primarily from geographic factors and travel restrictions that no longer are applicable. In growing "like Topsy," inequitable representation at the state level has been created.

It could be that the Southern Section is too large and/or other sections are too small. By re-districting on the basis of relatively comparable size, the state could be divided into 5 or 6 sections.

Whatever lies ahead, I am confident that the Southern Section will continue to grow and to prosper. My time is passing, but our organization was never designed to rely upon one individual. Ours is a combined effort that has met the challenges and dealt with the problems of the last six decades and will continue to do so as long as interscholastic athletics remains an integral part of the American way of life.

1. **APPROVAL OF MINUTES:** It was moved, seconded, and passed to approve the Minutes of the special Executive Committee meeting of November 25, 1974, as published in the December, 1974, "Monthly Bulletin."

2. **ELIGIBILITY CASES:** It was moved, seconded, and passed to approve the request to waive the Transfer Rule for Pam Padilla of Westminster High School, Doug South of Lowell High School, John Macias of Jordan High School, and Glynn Pennington of Walnut High School.

It was moved, seconded, and passed to DENY the request for waiver of the Transfer Rule for Billy Ray Dort of Dana Hills High School, Rocky Hawkins of Antelope Valley High School, and Don Lambert of Dos Pueblos High School.

3. **OFFICE BUILDING ADDITION:** With the employment of a full-time woman administrator, space in the Southern Section office is at a premium. At the present time Ms. Davis does not have an office. The committee discussed this problem, and it was the consensus of opinion that additional office space should be added to the Southern Section building. Some thought was given to using part of the current Conference Room for an office, with expansion providing for a larger conference room. It was moved, seconded, and passed to authorize an addition to the present building and to direct the Commissioner to obtain bids from an architect with detailed information to be prepared for the Executive Committee at its meeting scheduled for January 18, 1975.

4. **GIRLS' ATHLETICS:** Ms. Davis brought three important items concerning girls' athletics to the attention of the Committee.

She reported that she had met with the Girls' Track Committee and a representative from the Track Starters (Continued on Page Five)

SOUTH HILLS, SANTA ANA VALLEY, NEFF, PASO ROBLES, AMBASSADOR CHRISTIAN CROWNED 1974 FOOTBALL CHAMPIONS

A record total of 120 football teams participated in the 1974 CIF-SS Football Playoffs as 4A, 3A, 2A, 1A, and 8-Man championships were won by South Hills of Covina, Santa Ana Valley, Neff of La Mirada, Paso Robles, and Ambassador Christian of Downey. The expansion of the playoffs this year was made possible by the Southern Section Council who decided in September to provide opportunity for a larger number of schools to so participate.

South Hills HS, coached by Jim Jones, defeated St. John Bosco HS 20-12 for the 4A title in fog so thick at the L.A. Coliseum that the game was not visible from the stands in the second half. Opposing quarterbacks Rick Bethke and Dan Morovich, named 4A "Co-Players of the Year," accounted for two touchdowns apiece for the Huskies and Braves, respectively. It was the second straight year that a Sierra League team has beaten a Del Rey League team for the 4A Trophy, Los Altos having defeated Crespi 21-7 in 1973.

1973 & 1974 "3A Player of the Year" Myron White led his Santa Ana Valley HS team to a decisive victory over heretofore unbeaten Colton HS 47-14 at the Orange Show Stadium in San Bernardino. Averaging 15.7 yards on 13 carries for 204 yards and three

SOUTH HILLS VICTORY PARTY: Coach Jim Jones and his exultant Huskies whoop it up in locker room following 1974 4A Football Championship victory over St. John Bosco HS.

3A FOOTBALL CHAMPS: The 1974 Santa Ana Valley Football Squad pose in championship form with Coach Dick Hill (Top Left).

touchdowns, White was instrumental in helping Coach Dick Hill gain his third CIF-SS football title and second for the Falcons.

Coach Stan Thomas' Neff HS (La Mirada) squad climaxed a superlative seasonal comeback by overwhelming Burroughs HS of Ridgecrest 59-21 at Victorville for the 2A Championship. The Trojans had dropped their first three games before winning eleven in a row. "Player of the Year" Curt Oppendahl of Neff intercepted two passes to help his team set a new CIF-SS record of 43 for one season.

Paso Robles presented Coach Joe Zeno, Jr., with a perfect 13-0 season (only 11-man football team in CIF-SS to do so in 1974) by outscoring Twenty-nine Palms 43-6 on the latter's field. It was the Bearcats' fifth CIF crown and the second under Zeno.

The first 8-Man Football Championship Trophy in CIF-SS history went to

2A FOOTBALL TROPHY PRESENTATION: Neff HS Coach Stan Thomas (Right Front) holds CIF-SS 2A Championship trophy high as Executive Committeeman Tony Balsamo prepares to award perpetual trophy.

Coach Dave DeWoody's undefeated Ambassador Christian team as they conquered Big Pine 25-6 on the winner's field as they capped a 10-0 season. The 1973 season marked the end of the 6-man competition.

UNDEFEATED PASO ROBLES: 1A Football Champions finish season as only school in CIF-SS with undefeated 11-man football squad.

FIRST CIF-SS 8-MAN CHAMPIONS: Coaches William "Zeke" Zickuhr (L) and Dave DeWoody (R) flank proud Ambassador Christian HS squad that finished with 10-0 season.

PALOS VERDES, LOWELL, SAN MARINO, SHERMAN INDIAN WIN 1974 CROSS COUNTRY TITLES

Mt. San Antonio College was the site for the 1974 CIF-SS Cross Country Championships November 30, as Ralph Serna of Loara HS (Anaheim) successfully defended his 4A title with the fastest time of the day and team championships were captured by Palos Verdes, Lowell (Whittier), San Marino, Sherman Indian (Riverside) in the 4A, 3A, 2A, and 1A Divisions, respectively.

Jack Bradford of San Marino HS concluded his coaching career with his sixth cross country team title as his Titans proved to be the class of the 2A Division. Sherman Indian HS, coached by Dodson Talashoma, repeated its 1973 victory in the 1A Division with an outstanding score of 45 points.

SIXTH X-COUNTRY TITLE FOR JACK BRADFORD: San Marino squad gives retirement gift to Coach Bradford by winning 1974 2A championship, the sixth of his career.

Coach Bob Latham's Palos Verdes HS team claimed its second cross country trophy and first in the 4A division while Lowell HS, under the tutelage of Bob Palmer, made the cross country winner's circle for the first time in history.

SHERMAN INDIAN REPEATS: Coach Dodson Talashoma and his cross country team, winners of the last two 1A cross country titles.

PALOS VERDES HS: Coach Bob Latham and his championship 4A Cross Country Team.

LOWELL HS: The Patriots with Coach Bob Palmer and their 3A Cross Country Trophy.

1974 WATER POLO TROPHIES GO TO CORONA DEL MAR AND UNIVERSITY

CORONA DEL MAR HS: A happy Sea King water polo squad poses with 1974 CIF-SS 4A trophy held by Coach Cliff Hooper. Principal Dennis Evans and Athletic Director Ron Evans are L-R.

For the first time CIF-SS water polo competition was divided into divisions as Corona del Mar and University High Schools captured first place in the 1974 4A and 3A classifications, respectively. Number one-ranked University HS of Irvine scored a convincing 8-1 decision over Laguna Beach while Corona del Mar HS upset defending 1973 champion and number two-ranked Sunny Hills 5-4 in a semi-final contest and then number one-ranked Newport Harbor 5-4 in the championship game. Winning coaches were Cliff Hooper of Corona del Mar and Chuck Morris of University.

UNIVERSITY HS: 1974 3A water polo champions after their decisive victory at E.L.A.J.C. Shown with squad are Coach Chuck Morris (Left middle), Coach Ralph Rodheim (Right middle), and Principal Vic Sherreitt (Top Left).

BASKETBALL, SWIMMING, SOFTBALL GRANTED 10-DAY PERIODS FOR 1 TRYOUTS APPROVED BY CIF-SS EXECUTIVE COMMITTEE

In its continuing effort to remain flexible and receptive to the needs of the developing Girls' Interscholastic Athletic Program, the CIF-SS Executive Committee gave one-year approval to a request from Margaret Davis, Administrative Assistant, to establish a 10-day tryout period prior to the start of the season of girls' basketball, swimming, and softball.

DINNER MEETING SLATED FOR GIRLS' LEAGUE COORDINATORS

A special invitation to a dinner meeting has been sent to the 37 CIF-SS Girls' League Coordinators who have been acting in a liaison capacity for coaches in the girls' leagues of the Southern Section.

This dinner invitation combines both a "Thank you" from the CIF-SS and an opportunity to discuss new developments relating to girls' sports in this section.

The dinner meeting will be held Tuesday, January 21, 1975, at the "Plush Horse Restaurant" in Redondo Beach at 6:30 p.m.

DIRECTORY CHANGES

Has your girls' program had a change in coaching staff? Any new coaches or sports? If there have been such changes, then this information should be forwarded to the CIF-SS Office for three reasons.

1. Updating the "CIF-SS Directory of Member Schools."
2. Informing member schools monthly.
3. Ordering of addressograph plates for each coach of each sport of each school. (New policy instituted for better communication)

Please assist the CIF-SS Office in keeping all schools informed.

SPECIAL EXECUTIVE COMMITTEE MEETING

(Continued from Page Two)

Officials relative to starters' fees for the current year. It was proposed that a track starter be paid \$20.00 for starting a dual meet involving girls' track teams. After some discussion, it was moved, seconded, and carried to approve the fee of \$20.00 for track starters for girls' meets for the 1975 track season.

Because our girls' interscholastic athletic program is new, many coaches have requested permission for a ten day tryout period in specific sports for girls new to the program. After discussing this matter it was moved, seconded, and passed to permit a ten day

Tryouts are conducted for the purpose of trying out, not instructing, those students who have not previously tried out for, or played on, a high school varsity or JV team in the schools in which the students are enrolled. Those students who have previously played for the high school varsity-JV level will not be permitted to be in attendance with the newcomers during this tryout period.

SWIMMING & DIVING DATE CHANGES

The dates for the 1975 CIF-SS Prelims and Finals in Girls Swimming & Diving listed in the "Girls' Sports Regulations" for May 22 (Prelims) and May 27 (Finals) have been changed by the Girls' Swimming & Diving Committee to May 27 (Prelims) and May 31 (Finals). Coaches are advised to correct their copies.

This change was vital to the CIF-SS Office in order to provide an adequate amount of time for the processing of applications and subsequent seeding of teams and individuals prior to the commencement of playoff competition.

CHANGES IN GIRLS' SWIMMING EVENTS AND ORDER OF EVENTS

Requests for changes in events and order of events by numerous leagues and girls' swim coaches necessitated a complete review of the swim regulations by the CIF-SS Girls' Swimming & Diving Committee. Each league is required to follow the new order of events listed below. This order now officially replaces the lengthy 25 events listed on page 21 of the "Girls' Sports Regulations."

1. JV 100 or 200 yd. Medley Relay
2. V 200 yd. Medley Relay
3. JV 100 yd. Freestyle
4. V 200 yd. Freestyle
5. JV 100 yd. Individual Medley
6. V 200 yd. Individual Medley
7. JV 50 yd. Freestyle
8. V 50 yd. Freestyle
9. JV 50 yd. Butterfly
10. V 100 yd. Butterfly
11. V Diving
12. V 100 yd. Freestyle
13. V 500 yd. Freestyle
14. JV 50 yd. Backstroke
15. V 100 yd. Backstroke
16. JV 50 yd. Breaststroke
17. V 100 yd. Breaststroke
18. JV 200 yd. Freestyle Relay
19. V 400 yd. Freestyle Relay

tryout period for girls who had never previously completed on a high school team in the sports of basketball, swimming, and softball. Permission is for

BASKETBALL EXPANDS TO 4A and 3A DIVISIONS

In a move to keep pace with the rapid development of girls' basketball within the Southern Section, the 1975 Girls' Basketball Committee has made the following proposal for 4A and 3A Divisions:

4A LEAGUES

- | | |
|---------------------|----------------------|
| Airport League | Metro League |
| Bay League | Mission League |
| Beach Cities League | Ocean League |
| Century League | Orange-Fresno League |
| Channel League | Pacific League |
| Citrus Belt League | San Antonio League |
| Garden Grove League | San Gabriel League |
| Horizon League | Sierra League |
| Marmonte League | Sunrise League |

3A LEAGUES

- | | |
|----------------------------|----------------------------|
| Arrowhead League | Mission Valley League |
| De Anza League | Montview League |
| Delphic League | Northern-Los Padres League |
| Desert Valleys League | Olympic League |
| Foothill League | Pioneer League |
| GESP League | Rio Hondo League |
| Golden League | San Andreas League |
| Hacienda League | South Coast League |
| Ivy League | Suburban League |
| Frontier-Tri Valley League | |

Although conducting basketball playoffs in two divisions will be more expensive, it will offer an opportunity for more equitable competition as member schools compete in either 4A or 3A Divisions. The season will conclude with two CIF-SS Championships. The success of this new format will be evaluated at the conclusion of the playoffs.

The recommendations were made after a thorough study in which the following points were considered: (1) Enrollment of the largest school in each established girls' league. (2) Relative strength of each league. (3) Record made by representatives from each league in last year's CIF-SS basketball competition.

It should be noted that neither second-place teams nor free-lance teams are guaranteed a place in the draw. All such teams who wish to be considered for the 1975 Girls' Basketball Playoffs must have completed at least a six-game schedule and forwarded a petition for participation to reach the CIF-SS Office no later than **March 20, 1975.**

the current year only, and it is expected that with the adjustment of the seasons of sports for the 1975-76 school year, it will not be necessary to continue these try-outs.

The Los Padres League requested permission to conduct the discus event and the two-mile run in its girls' league track program. It was moved, seconded and passed to deny this request from the women coaches of the Los Padres League. Ms. Davis was directed to inform this group that its request could be re-submitted at a later date if it came as the result of official action by the Los Padres League.

5. INTERVIEWS FOR POSITION OF COMMISSIONER: The Executive Committee will conduct interviews for the position of Commissioner. (Continued on Page Six)

FREE-LANCE WRESTLING TOURNAMENT BEVERLY HILLS HS, FEBRUARY 15

Schools who are not members of wrestling leagues recognized by the CIF-SS and who have outstanding wrestlers may wish to enter them in the 1975 Free-Lance Wrestling Tournament, February 15, 1975, at Beverly Hills HS. This tournament provides the sole opportunity for such wrestlers to qualify for the CIF-SS Wrestling Prelims and Finals held on February 22 and March 1, 1975. Interested schools are advised to contact Jack Gifford at the host school prior to **February 10, 1975** in order to enter contestants. The champion in each of the weight classifications will qualify directly in the wrestling preliminaries.

SPECIAL EXECUTIVE COMMITTEE MINUTES

(Continued from Page Five)
The Executive Committee conducted oral interviews with the following three candidates for the position of Commissioner of Athletics for the CIF, Southern Section: Dr. Richard Cordano, Principal of Arcadia High School; Thomas E. Byrnes, Administrative Assistant for the CIF, SS; and Robert Packer, Principal of Costa Mesa High School.

After completion of the interviews, the papers of all three candidates were reviewed, and a full discussion then took place regarding each candidate's qualifications for the position.

Following a full discussion, it was moved, seconded, and passed to recommend to the Council that Thomas E. Byrnes be employed as Commissioner of the CIF, Southern Section, effective February 1, 1975. With approval of the Council, the Executive Committee would then work out the details of the contract for the employment of the new Commissioner.

There being no further business to come before the committee, the meeting was adjourned at 4:15 p.m.

Respectfully submitted,
J. Kenneth Fagans, Secretary
