**2. ## WHAT'S HAPPENIN' IN THE OTHER 49 STATES

(EDITOR'S NOTE: This is a series of articles covering items of interest from throughout California and other State Associations in their administration of high school athletics.)

### CLASSIFYING ATHLETES BY MATURITY, NOT GRADE

Classifying students for athletic competition on the basis of physical maturity rather than age is an idea winning increased support in New York.

The New York State Public High School Athletic Association undertook the experiment to answer questions in two areas: Will classifying students by physical maturity rather than age reduce injuries, and will it increase participation?

NYSPHSAA Executive Secretary, **Alton B. Doyle**, is enthusiastically endorsing increased experimentation with the system in New York and he has submitted the plan to the Ad Hoc Committee on Eligibility of the National Federation of State High School Associations which is studying, among others, the age limitation policies of state associations.

Schools are participating voluntarily in the experiment in New York. Students of participating schools undergo a medical examination before participating in athletics. The examination evaluates both health status and physical maturity.

The medical examination of male athletes includes the physician's estimation of the degree of development of facial, axillary and pubic hair growth. For girls, maturation is estimated on the basis of time elapsed since first menstruation.

NYSPHSAA Director of Research and Safety, **J. Kenneth Hafner**, considers the experiment a success based on the consistency of injury statistics for each season since the selection/classification study was implemented in 1973.

### CIF WATER POLO CHAMPS FOR 1978

4A Winners — Newport Harbor High School

3A Titlist — El Dorado High School

2A Champs — San Marino High School

### Water Polo

For the sixth time in the history of CIF-Southern Section Water Polo Championship competition, Newport Harbor High School has taken the title as they barely defeated 1976 champion Sunny Hills 12-11 in the championship game December 2 held at the Belmont Plaza pool in Long Beach.

Newport Harbor took the water polo crown in 1967, '68, '70, '75 and '77. The Sea Kings win did have the ring of sweet revenge this year since they met up with Sunny Hills in 4A competition in 1976 and were defeated 12-10. The Newport Beach school has been runner-up for the title a total of five times, twice since the Divisional rankings were set up by CIF in 1974.

3A Division play resulted in the victory of El Dorado High School in the final playoffs over Riverside Poly, 18-13 in overtime.

2A Divisional competition named San Marino the reigning winners although it took three overtimes to determine San Marino's 14-13 win over Bell Gardens.

### PRESS CONFERENCE LUNCHEON BIG SUCCESS AT ANAHEIM STADIUM

Dick Bass and Jack Snow, football's finest as former All-Americans and veteran ex-pros, pointed out that for most young high school football players, their CIF championship football participation would be the highlight of their athletic careers, and possibly their lives. Bass and Snow were talking to the coaches and outstanding players from each of the teams appearing in the CIF Southern Section football finals being honored at a CIF-SS luncheon-press conference December 11 at the Big A's Stadium Club.

Lack of size and speed may signal the end of football play for many of the nine conference championship participants, said Bass and Snow.

"Not everyone is big enough or fast enough to go on to play football in college," said Snow, who had played

at St. Anthony in Long Beach in his high school days before he hit Notre Dame and the Rams.

But as pointed out Dave Hull, master of ceremonies, size and speed are God-given qualities, but spirit is of the athlete's own making. Hull is radio disc jockey for KMPC and also referees at prep football games.

In agreement with Hull was Bass, himself a small running back who had once played at Vallejo High and eventually with the Rams as a pro for 11 years. Bass told through a poem he wrote entitled "Me", what enabled him to continue in a sport which usually demands greater size. The poem said:

Most of you folks think 'cause of my size  
That I couldn't handle those bigger guys.

## MEDICAL

### COLD THERAPY

Robert J. Moore, Ph.D., ATC, RPT, of San Diego State University, told the 19th Conference on the Medical Aspects of Sports that cold therapy reduces pain by slowing nerve conduction in the pain effectors, reduces muscle spasm by raising the threshold of muscle excitability, stimulates circulation deep in the tissue by causing reflex vasodilation, reduces muscle fatigue by lowering its metabolism, and lowers intramuscular temperature, which apparently helps to minimize the effects of local trauma.

## CIF-SS VOLLEYBALL CHAMPS 'SET-UP' A GREAT 1978 FINALS

2A — Bishop Diego High School

### Volleyball

Corona del Mar, for the second year in a row has claimed the 4A Division Girls' Volleyball crown in the CIF Southern Section Volleyball playoff finals, held December 2 at Westminster High School, Westminster.

Corona, coached by Kathy Bulmar, claimed its title 13-15, 15-11, 15-9 from the clutches of Laguna Beach's excellent team, coached by George Carey, who had beaten Corona and had the championship for themselves in 1976. The 1976 game had found Laguna riding on scores of 15-17, 15-12, 15-8. The two sets of scores are almost identical in their lead spread and placement, only the 'minor point' of the leading team was switched from year to year.

Other championship results were 3A winner Gahr High School who beat Santa Ana 8-15, 15-2, 15-13; 2A is headed by Bishop Diego who took South Pasadena 10-15, 15-1, 15-10; 1A action put Cajon on top over Inglewood, 12-15, 15-5, 15-6 and Small School competition named Mayfield the champion in an upset over Buckely High School, 15-5, 15-9.

## CIF-SS PREP FOOTBALL TRIUMPHS FOR 1978

Big Five — Fountain Valley

Coastal — Compton

Southern — El Modena

Central — Mission Viejo

### Football results

Congratulations to Fountain Valley (Big Five Conference), Compton, (Coastal), El Modena (Southern), Mission Viejo (Central), Temple City (Eastern), Culver City (Northwestern), Colton (Southeastern), St. Genevieve (Desert-Mountain), Ontario Christian (Inland), and Coast Union (Eight-man) which are the Southern Section's Football Champions for the 1978 Season.

Fountain Valley, with line and backfield speed worth noting, defeated the Servite Friars, 34-14 in the CIF Big Five football championship game before 11,589 Friday night, December 15 at Anaheim Stadium.

This victory was Fountain Valley's first CIF championship appearance since the school first opened its doors in 1966. Their offense was led by the on-target passing of left-hander Gil Compton and the running of Kevin Romine. Compton completed eight of 15 passes for 138 yards and one touchdown. He ran for another touchdown under the Big A to help Fountain Valley, coached by Bruce Pickford, to its memorable victory.

Eastern — Temple City

Romine's efforts brought his rushing statistics to 230 yards in 30 carries at the end of the game, although he had been plagued by injuries most of the season. Romine, 6-0, 180 lbs. senior, also is a 10-flat sprinter in track and field and hits a high average as a center fielder in baseball.

The Barons, members of the Sunset League, ended their league season with a 12-1 record and their first place championship football trophy. Servite's season record is (9-4).

Saturday night, December 16, Anaheim Stadium saw a double header take place with Mission Viejo surprising El Dorado 21-6 in the first game to win the Central title crown before a crowd of 10,263. The El Modena Vanguards defeated Pacifica 20-6 during the second game Sat-

urday with light showers marking the Anaheim Stadium championship.

Mission Viejo came into the playoff rounds with a 5-4 record after finding themselves third in the South Coast League. But on their way to the title Mission Viejo had put to work the Diablos' mystic powers and defeated top-seeded Esperanza, fourth-seeded San Clemente and third-seeded El Dorado, taking advantage of seven turnovers in the championship game.

Against El Dorado (10-3) at Anaheim, the Diablos (9-4) had put together a 13-0 half-time lead with two long field goals by Stu Stebenne — 37 and 44 yards — and a 29-yard pass play as quarterback Craig Schmidt connected with end Lance Richardson for the scoring.

The senior Schmidt completed 14 of 24 passes for 178 yards and two touchdowns and as coach John Murio said, "Craig was the difference tonight. This was by far the best game of the year."

The second game at Anaheim saw Randy Bauer score two touchdowns and pass for another to cinch the Vanguard victory, Southern Conference. This 6-0, 175 lbs. senior carried the ball 25 times for 114 yards for his team

Northwestern — Culver City

which was left with a 12-1 league record this year, coached by Bob Lester. Pacifica was left at (11-1-1).

In the Northwestern Conference, Culver City (13-0), coached by Dick Billingsley, captured the championship by defeating Lompoc (10-3) by 14-7, as they battled it out at Santa Monica City College December 15.

Coach Billingsley has coached for 10 years with three years in the playoffs and seven at Culver City. His team hasn't had a losing season in over ten years with the most wins in his Conference this year.

Don Markham, head coach for Colton High, (10-3), took his team to a 23-8 win over La Sierra (12-1), in the Southeastern Conference, also the 15th at the University

of Redlands. Markham has had nine years in the coaching field with 6 of them at Colton, his teams reaching the playoffs 8 times. He won one championship title while at L.A. Baptist, and was appropriately named Coach of the Year in 1970.

In the Coastal Conference, Compton (12-1) defeated Arcadia High School (8-5), 21-14 when they played December 15 at Ramsar Field. Compton's head coach Ted Williams has lost only two games of his past 23 and during his 11 years of coaching has put his team into the playoffs three times.

Temple City (13-0) took the title in the Eastern Conference December 15 at Citrus College, as they downed Neff High School (12-1), 6-0. Bob Hitchcock, head coach at Temple City, is a 23 year veteran of high school coaching with 2 of those years spent at Temple City. He has been in the playoffs 12 times with championships in 1970, '71, '72, '73, '76 and '77. Tying the state record for the most wins in 1973 with 46 consecutive victories, Hitchcock has been the Coach of the Year six times in his career.

St. Genevieve 36 and Elsinore 12 was the final score in the Desert-Mountain championship playoff game held the 15th at Ramona High School. St. Genevieve (10-3) is

Linden has played for the Cardinals, Giants and Rams, named all-pro four times, and was an All-American at USC in 1953. Elsinore's league record for the season is (7-5-1).

The Inland Conference champion is Ontario Christian (11-2) as they beat Brethren (11-2) 28-12, Friday, December 15 at Chino High School. Laing Stevens, the Ontario Christian head coach, saw his team go undefeated last year for the first time in the history of the Olympic League team play. This team record was set during Laing's second year at Ontario Christian. This year Laing has seen his team break all previous school records in rushing and passing. This is his seventh year coaching football at the high school level.

Eight-Man play saw Coast Union trample Templeton High School 62-24 December 8 during CIF-SS championship play.

### WHAT'S HAPPENIN'

(Continued from Page Two)

Three resolutions were adopted by the Representative Assembly during the Second Annual Meeting of the National Interscholastic Athletic Administrators Association in Louisville, Kentucky, December 10-13, 1978.

The NIAAA, which consists of more than 1,000 individuals and all state athletic director organizations, conducted its meeting in conjunction with the Ninth National Conference of High School Directors of Athletics which was sponsored and conducted by the National Federation of State High School Associations at Louisville's Galt House and Commonwealth Convention Center.

Major League Baseball took the brunt of one resolution. Reeling from the damage to high school football attendance by Friday night telecasts of the American League Championships and World Series games, the NIAAA urged by resolution that Major League Baseball voluntarily adhere to the spirit of the federal statute which prohibits the National Football League from televising professional football games when and where high school games are scheduled. Specifically, the athletic directors are asking Major League Baseball to voluntarily curtail national telecasts of games on Friday evenings after August 15th.

TITLE IX and HEW were attacked by a resolution which asked that the federal government halt its intrusion into interscholastic athletic administration.

The Directors also resolved to discourage participation in high school all-star events scheduled during the academic year.

Carrying is in my heart as well as in my mind

And you'll all see in time.

Now, I've been this size most of my life

And what I've wanted to do I've never had to think twice.

It's easy for me to run straight through a guy

'Cause a game with me is do or die.

Well, the seasons come and the seasons go

But the desire in my heart continues to grow.

I've seen guys come for a while and really raise Hell

But their heart wasn't in it and this is the way they fell.

I've grown no bigger, so they say

But the desire in my heart gets bigger each day.

So, if you have a job that looks too big to start

It is not what's in the job, but what's in your heart. 1970

Each of the 18 coaches at the luncheon were introduced by Hull and given an opportunity to say a few words, introducing their team members and school administrators.

The luncheon ended with a chance for individual team members and coaches to meet and talk with the press before the Conference championships and the end of the 1978 CIF-SS football season.

## MINUTES OF THE CIF-SS EXECUTIVE COMMITTEE MEETING January 13, 1979

The Executive Committee meeting of the Southern Section of the California Interscholastic Federation was called to order by Chairman Tony Balsamo at 8:00 a.m. on Saturday, January 13, 1979 at Arcadia High School. All members were present including guests, William W. Russell, State CIF Commissioner, and John Klumb from the State Department of Education.

1. **GIRLS' VARSITY VOLLEYBALL PROPOSAL:** It was moved, seconded and passed that a recommendation increasing the girls' varsity volleyball matches to the best 3 out of 5 be sent to the CIF-SS Council for debate and action.

2. **MULTI-CAMPUS REQUEST:** It was moved, seconded and passed to recommend to the Council support of the multi-campus request between San Luis Obispo High School and Laguna Junior High School and San Luis Obispo Junior High School; and the request of Burroughs High School from Ridgecrest and Monroe Junior High School and Murray Junior High School and that said requests be sent to the State CIF for final approval, effective 1979-80 school year.

3. **FOOTBALL PLAYOFF OVERVIEW:** Commissioner Thomas E. Byrnes and Treasurer Jim Faul pre-

sented an overview of the just-concluded 1978 football playoffs, with a further report to be made to the Council.

4. **PROFESSIONAL TRYOUT VIOLATION:** It was moved, seconded and passed that student Nader Djebakksh of Canyon High School from Anaheim be reinstated for interscholastic eligibility effective the second round of league soccer play on the 1978-79 school year (said student became ineligible following a violation of Article XIII and his participation in a professional tryout without a proper clearance).

5. **RE-LEAGUING:** The Executive Committee entertained appeals from Needles and Rio Hondo High Schools relative to their area placement for the 1980-81 school year. Following presentations from their respective schools and discussion, it was moved, seconded and passed to uphold the appeal of Needles High School and that it be placed in the Desert area for leaguering for the 1980-81 school year. It was further moved, seconded and passed to uphold the appeal of Rio Hondo Prep High School and that it be placed in the Private School area for leaguering for the 1980-81 school year.

It was then moved, seconded and passed to accept the area re-leaguering report as amended for the 1980-81 school year.

6. **BALDWIN PARK PRESENTATION:** Representatives from Baldwin Park High School, including attorney John Wagner (retained by the City and District) appeared before the Committee relative to information of the events surrounding its failure to follow the procedures outlined for member schools regarding appeals. It was found that the action was initiated by the City and School District and the school was not a party to the action. No further action was therefore contemplated by the Committee at this time.

7. **STATE DEPARTMENT REPORT:** John Klumb, representative from the State Education Dept., apprised the Committee relative to pending legislation surrounding interscholastic athletics and items currently being discussed by the Department.

There being no further business to come before the Committee, the meeting was adjourned at 11:35 a.m.

Respectfully submitted,  
Ray Plutko
