## USE OF NON-CREDENTIALLED PERSONNEL FOR COACHING "WALK ON COACH" LEGISLATION PASSED BY STATE BOARD OF EDUCATION

Schools presently hiring "walk on coaches" may be able to breathe a partial sigh of relief because of State Board of Education action to modify Section 5531 of Title 5 as it applies to non-credit physical education programs and extra curricular activities.

Prior to issuance of this modification, all athletic activities of students when conducted under the name or auspices of a public school must be under the direct supervision of a *certificated employee*. In many schools this requirement meant that teacher A (credentialed) who worked with the junior varsity at a school was also responsible for the supervision of the varsity team which was "coached" by Mrs. B (non-credentialed) or that teacher C (credentialed) had responsibility for the varsity team although Mr. D (non-credentialed) was the "coach" of that team.

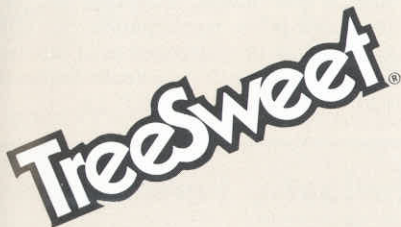

Amended 5531 requires several changes to be made in most school programs in order to qualify for its benefits. The major consideration requires that non-credentialed persons be certified knowledgeable and competent in first aid and emergency procedures, coaching techniques and adolescent psychology as it relates to sports participation. These competencies may be acquired through courses provided by community colleges, four-year colleges and universities or through in-service programs arranged by a school district. In addition, districts must certify that a thorough and annual search of the district's certificated employees has failed to fulfill the district's coaching needs.

Some school districts may wish to take advantage of the new ruling in the future particularly if the hiring of non-credentialed coaches continues to be a necessity. The practice of using "walk on coaches" has advantages and disadvantages. Some problems could be solved by using amended 5531, but the entire issue should be examined before making that decision. Pertinent questions as suggested by Mrs. Barbara Wilson, assistant principal at Beverly Hills High are:

1. Is the meeting of the criteria listed in 5531 (knowledgeable and competent in first aid, emergency procedures, etc.) adequate to substitute a noncredentialed employee for a credentialed teacher in the usual and unusual circumstances faced by a coach in the normal course of a sports season?

2. Can the problems of a part time employee which adversely affects the athletic program be adequately overcome by adjustments in school policy and practice?

### TREESWEET PRODUCTS SUPPORT ATHLETICS

"A first class glass of juice" is the promise made by the TreeSweet Products Company to its customers.

"To raise money from outside sources such as advertising and corporate underwriting" is the promise made by new CIF-Southern Section Commissioner Ray Plutko to member schools.

Other than the obvious benefit athletes derive from juice, you may wonder what

the connection is between the TreeSweet Products Company and the California Interscholastic Federation.

The answer came recently, in the form of an announcement from the CIF-SS Office that TreeSweet has agreed to contribute \$10,000 toward high school athletics. The money is to be used in conjunction with the 1981 Football Championships, to help defray expenses.

TreeSweet Products is a 45 year old Los Angeles based firm. While this is their first major undertaking in the field of high school athletics, they have sponsored other programs, such as Game Field, a mini obstacle course for youth competition, featuring O.J. Simpson.

A company spokesman, Mr. Gerry Foster, Brand Manager — Specialty Products, had this to say, "We at TreeSweet are very excited at being involved with

### PLAYOFF GROUPINGS TO BE DECIDED

It's time once again for the CIF-Southern Section to issue its recommendations as to your league's divisional placement (4A, 3A, 2A, 1A, Small Schools) for next school year, 1981-82.

In case you've been curious as to the process used for assigning your league to a particular grouping, here's how it works: First of all since leagues (not schools) are grouped into playoff divisions, a communication has been sent from the CIF-SS Office to your league representative asking your *league* to submit any suggestions or ideas to the CIF-SS Office no later than March 1, 1981. The Southern Section then uses these recommendations to develop an over-all grouping in each sport division as an office recommendation back to your league.

## COMMISSIONERS CORNER

Two weeks back a major television network contacted our Office and asked if I, as Commissioner, would provide personal reactions and insights relative to the subject of "high school recruiting."

The question was not unique to this Office, nor did it stimulate a panic state of affairs.

Rather, the questioning in the ensuing interview centered on the movement of families into a new high school attendance area, an action which is hardly to be associated with "recruitment" by a member school and/or its staff.

I inquired if the gentleman had specific information relative to a school or individual's action or for that matter, a parent and/or guardian, which fell into the realm of attempting to retain or secure a student.

The response was somewhat of a qualified no, yet the inference remained because the parents had moved this action was to be construed as recruitment for athletic purposes.

Those working in the area of athletic administration need not be reminded that thousands of parents with their children move their residence from one attendance area to another each year. The reasons are numerous, including such factors as a change in employment, more suitable housing, and desire for a different academic, activity or athletic program for their children.

The above examples do not create a violation of our rules.

Parents have the right to change their residence and though some may disagree with the values placed on the above, they are hardly examples germane to adjudication by this office.

Additionally, we are in an era of increased family separations and divorces, high interest rates leading towards other than traditional home purchasing and a greater degree of parent awareness in assessing program offerings in local high schools as schools reduce their list of offerings in light of today's economics.

However, this organization remains ever-mindful of its aims and responsibilities as our professional educators who are the CIF-SS, work to enhance the growth and ideals of interscholastic athletics.

No less than 30 legal cases involving eligibility questions have been handled by our Office in the last few years in an effort to support the rules, regulations and philosophy of athletics created by you, the building principals.

On two other occasions, cases specifically naming "undue influence" violations by coaches have been processed, and in each, the organization has systematically and effectively resolved same — resulting in strong disciplinary action whereby the individuals involved were removed from their coaching positions.

With respect to all cases which are contrary to CIF-SS rules, our procedure has been effective and our record is clear. Your organization is sound and the system does work. We would hope that you as members will join with us in rejecting any inference that the CIF-SS condones or glances the other way with respect to undue influence.

## MINUTES OF THE CIF-SOUTHERN SECTION EXECUTIVE COMMITTEE MEETING OF DECEMBER 4, 1980

The meeting of the Executive Committee of the California Interscholastic Federation Southern Section was called to order by Chairman Dr. Hanford Rants at 1:30 p.m. at the CIF-SS Office in Cerritos. All members were present with the exception of Mr. Jim Faul and Mr. Moe Chavez.

1. APPROVAL OF MINUTES — It was moved, seconded and passed to approve the Executive Committee minutes of the November 1, 1980 meeting as mailed to the CIF-SS Executive Committee.

2. BOY'S ATHLETIC DIRECTORS UPDATE — Mr. Clyde Francisco, Boys' athletic directors representative, reviewed concerns relative to the length of season in baseball, financial considerations for schools in the playoffs and possible future problems in athletics due to district policies on integration.

3. GIRLS' ATHLETIC DIRECTORS UPDATE — Mrs. Barbara Wilson, Girls' athletic directors representative, reported on the growth of Girls' cross country, the successful season of fall sport playoffs for Girls and the increasing availability of better officials in Girls' basketball for the upcoming season.

4. COMMISSIONER'S UPDATE — Mr. Ray Plutko, commissioner, updated the Executive Committee on his attendance at various league meetings and, in addition, reported that the "TreeSweet Company" has contributed \$10,000 towards the promotion of Southern Section high school sports. The CIF-SS corporate and advertising income to date now totals \$101,000.

5. ADMINISTRATIVE COMMITTEE REPORT — Dr. Hanford Rants, president, reported that the Executive Committee consider the employment of Mr. Larry Zucker from part time to full time as a specialist in sports promotion and marketing at the CIF-Southern Section Office. Following discussion, it was

moved, seconded and passed to employ Mr. Zucker as a sports promotion specialist effective March 1981 on a combined salary/commission basis.

6. THOUSAND OAKS-NEWBURY PARK HS SOFTBALL REVIEW — Ms. Margaret Davis, administrative assistant, gave a brief overview of the softball situation in which students from Thousand Oaks and Newbury Park competed for an outside team in a single game in numbers greater than four from each school. Following discussion, it was moved, seconded and passed that the students from both schools in violation of the CIF-SS Outside Competition rule be denied participation in their first regularly scheduled game of the 1981 season.

7. SADDLEBACK-SANTA ANA VALLEY HS WATER POLO REVIEW — Mr. Bill Clark, administrative assistant, apprised the committee of a situation that occurred in a water polo match between Saddleback HS and Santa Ana Valley HS in which coaches from both schools stopped the game prior to the conclusion of the contest.

After discussion, it was moved, seconded and passed to recommend to the respective schools that the coaches involved from both high schools not be permitted to coach or have contact with their team players for practice purposes until the date of their first league match in the 1981-82 season.

8. BELL-JEFF INELIGIBILITY REVIEW — Mr. Albert Borelli, principal, and St. Catherine O'Dwyer, assistant principal, appeared before the Executive Committee to provide information with regards to an ineligible football player and subsequent forfeitures. Following discussion, it was moved, seconded and passed that Bell-Jeff's participation in CIF-SS competition be suspended as of January 1, 1981 or until such time as the Superintendent

## SIXTEEN ADMINISTRATIVE COMMITTEES "AT WORK" IN SOUTHERN SECTION

Tackling some tough issues confronting schools and school personnel in the 1980's are some sixteen Southern Section Administrative Committees.

Reviewing and updating our Blue Book is an on-going task for the members of the CIF-SS Blue Book Committee. Facing new questions and finding new answers for the "burn out" problem of high school students and coaches is being reviewed by CIF-SS Coach/Student Association Committee. These standing administrative committees and others provide the solid base of administrative athletic expertise without which would severely limit the existing resources of the office staff. We are grateful for their willingness to serve and to share their experience, talent and knowledge in order that the Southern Section might keep full abreast in the days ahead.

dent of the Archdiocese of Los Angeles assures the Executive Committee that procedures have been taken to insure compliance with the CIF-SS Blue Book rules and regulations.

9. L.A. CITY SECTION VS. SOUTHERN SECTION FOOTBALL — It was moved, seconded and passed to deny approval of a request from L.A. City for a post-season football game between the two sections.

10. SMALL SCHOOL PLAYOFF GROUPINGS — Commissioner Plutko apprised the Committee of the need for a further breakdown in playoff groupings for some sports as it relates to schools with small enrollments. Following discussion, it was moved, seconded and passed to approve an additional division for our smaller schools in specific sports as needed.

11. CAMP MUNZ REQUEST FOR DUES WAIVER — A request was received from Camp Munz, seeking waiver of the dues requirement for 1980-81. It was moved, seconded and passed to deny the request.

12. TELEVISION PACKAGE REVIEW — Mr. Ray Plutko, commissioner, reviewed the possibility of television coverage for future CIF-SS events and suggested a thorough study of all bids prior to accepting any proposal.

13. JUNIOR HIGH WORKSHOP — Ms. Margaret Davis, administrative assistant, and the Commissioner requested the Executive Committee approve a workshop for our member junior high schools to be scheduled for spring 1981. Following discussion, it was moved, seconded and passed to approve the plans for a workshop as presented.

14. SOUTHERN SECTION HOSTS TWO STATE CHAMPIONSHIPS — Mr. Dean Crowley, administrative assistant, outlined plans for the CIF State Girls' Golf Championships to be hosted by the Southern Section at the El Niguel Golf Club on May 11, 1981, as well as the CIF State Track and Field Meet at Cerritos College on June 5-6, 1981.

15. MAMMOTH HIGH REQUEST — The Commissioner reviewed a request from Mammoth HS seeking permission to schedule football games on Saturday afternoons rather than Friday nights as it relates to those schools hosting a contest who do not have lighted fields. Following discussion, it was moved, seconded and passed to deny the request.

16. VALLEY CHRISTIAN REQUEST — Mr. Bruce Keuning, principal, asked the Executive Committee to review the amount of allowable travel expense for CIF-SS playoffs. The Commissioner was directed to bring back a recommendation as it relates to all playoff expenses.

## A BIT MORE CIF HISTORY

*Did you know that . . .*

- in 1920 . . .* The javelin was eliminated as a field event in the State CIF Track and Field meet.
- in 1924 . . .* The minutes of the State CIF noted that the sentiment of the Federated Council was unalterably opposed to sending teams or individuals to competitions outside the State of California.
- in 1927 . . .* The necessity of playing football so late in the semester in order to determine a State Championship placed a great strain on the schools and students involved; therefore the State CIF discontinued all future intersectional and State Championship football games.
- in 1932 . . .* The football pass for distance was added to the 1932 State Track & Field meet.
- in 1935 . . .* The city of Los Angeles becomes a CIF Section.
- in 1938 . . .* The maximum age for athletic competition was reduced from 20 years to 19 years, with the proviso that a student who has not passed their 19th birthday by September 1 of any school year be allowed to compete for that school year.

## \* \* \* THEY CALLED IT "ROCKY II" \* \* \*

Both teams were hoping for a "Knockout" as Edison and Fountain Valley High Schools met in a rematch at Anaheim Stadium for the CIF-SS BIG FIVE CONFERENCE game. The Barons (11-2), depending on quarterback Matt Stevens, who had passed for over 2,000 yards coming into the finals, completed just 12 of 39 passes for 151 yards and was intercepted four times as Edison won its second consecutive championship 14-0.

Coach Bill Workman's Edison Express (14-0) sailed to its 22nd straight victory over a two year period with an Anaheim Stadium crowd of 28,969 looking on, the fourth largest crowd ever to see a CIF-SS title game.

In other action at the Big A, Capistrano Valley HS came up with their first CIF-SS CENTRAL CONFERENCE football championship, upsetting previously unbeaten Esperanza 11-0. El Modena's Steve Ledesma was stopped at the 10-yard line in overtime as Lynwood (10-2) won the CIF-SS SOUTHERN CONFERENCE championship 14-13 before some 14,282 fans at Anaheim Stadium.

At Cerritos College, LB Poly settled for 35-7 romp over Santa Barbara HS winning the COASTAL CONFERENCE. Baldwin Park (12-0) ached Atascadero 20-13 for top honors in the DESERT-MOUNTAIN CONFERENCE.

Covina (8-5) opened up for a 13-6 victory over South Hills in EASTERN CONFERENCE action at Citrus College.

Big Bear and Tehachapi squared off in the INLAND CONFERENCE with Tehachapi (12-0) defeating Big Bear 42-20.

The NORTHWESTERN CONFERENCE title went to San Luis Obispo. The Tigers captured their conference by shutting out Lompoc 7-0 at Cal Poly San Luis Obispo.

The Spartans from Schurr HS met the Serra Cavaliers for the championship of the SOUTHEASTERN CONFERENCE at Los Altos High School. Schurr won that game 21-13.

In EIGHT-MAN action Modesto Christian (10-0) from the Tri-County League upset Templeton 14-7 at Paso Robles High School.

The CIF-Southern Section salutes all the athletes, coaches and officials involved in the 1980 playoffs. Whether to victory or defeat, the effort to do one's best is what it's all about. We hope the season will be a memorable one for each of you.

## OUTSTANDING TEAM AND INDIVIDUAL EFFORTS NOTED AT SADDLEBACK COLLEGE

The runners who were supposed to win did at the CIF Cross Country Championships at Saddleback College. But upsets were the order of the day when it came to handing out the team titles.

The biggest surprises came in the 4A and 3A boys' races where Thousand Oaks and Norco, two teams which didn't even win their preliminary heats nabbed division titles.

Thousand Oaks used outstanding grouping to edge Costa Mesa for 4A title, 112-115.

Hector Romero was the first Thousand Oaks runner across in 13th (15:46) His entire team crossed the line within the next 51 seconds, though, which proved too much for Costa Mesa to offset.

Norco, running its best race of the year, placed four boys in the top 20, including a third-place finish by Bruce McCormack scoring 84 points to win its first CIF cross country championship in the 3A division.

Barstow, as expected walked away with the 2A title while Sherman Indian easily won the 1A title.

In girls' competition, University, behind another strong performance from Polly Plumer, won the 4A title with 48 points while Sea View League rival Costa Mesa was second with 78. San Marino won the girls' 3A title with 60 points, with Laguna Beach a distant second with 111 points.

Agoura upset Alemany for the 2A title, 87-98, while Paraclete was a surprise winner in the 1A division.

There were few upsets in the races for the individual titles. Jon Butler of Edison completed a perfect season with a 14:56 clocking in the 4A race. Butler pulled away from defending champion Barasa Thomas of Santa Barbara on a downhill stretch two miles into the race, opening up a 60 yard lead at one time.

Butler struggled at the end, but Thomas was too far back to make up the distance, finishing in 15:05.

The girls' individual competition also went as expected. Plumer was a big winner in the 4A race in 11:11, bettering her own course record of 11:15 set in the prelims.

But neither time could hold up against a determined Vicki Cook of Alemany, who won the 2A race in 11:08, despite never being challenged over the last half of the races.

Leslie White of Sonora completed her season long goal, nabbing the 3A individuals title in 11:59.

## A FALSE CONCEPTION

We must remember that high school athletics never were intended to provide boys and girls with the one-in-a-million chance to make the grade in professional sports or gain a berth on an Olympic team. And equally important, we must strike out of our minds that high school athletics ever were intended to provide opportunities for boys and girls to receive scholarships to colleges even though most colleges and parents of most "star" athletes think so.

Louisville — 3A Champs

La Mirada — 2A Champs

## MIRA COSTA GIRLS WIN 4A VOLLEYBALL CHAMPIONSHIP

For the first time since 1975, the CIF-SS 4A girls' volleyball championship was won by a school from outside Orange County as Mira Costa lived up to its top billing. Led by all-around standout Tracy Sarring, the top seeded Mustangs defeated Laguna Beach 15-12, 15-10 before some 2,000 fans at Redondo Beach High.

In the 3A title game, Julie Sutton helped top-seeded Louisville finish unbeaten at 18-0. The Royals overcame a 12-6 deficit in the first game and never trailed again. Unseeded St. Bernard, Sunburst League champ, was led by April Chapple and Theresa Smith. Final 3A score — Louisville 15-13, 15-11.

In earlier championship matches the unbeatable Cajon team became the victims of unseeded La Mirada 15-8, 15-12, in the finals of the 2A playoffs. One reason for the loss was La Mirada's 5-9 senior Leslie Brewer. Brewer smashed 23 put-away hits and 5 dinks devastating the Cajon effort. However, the bottom line for Cajon Coach Naomi Ruderman is a six-year reign of 139 wins, 14 losses and one CIF-SS championship (in 1978). That doesn't sound so terrible, does it?

Santa Paula won a CIF-SS championship (a first in that school's history for either boys or girls) defeating number three seed Leuzinger in two straight sets to capture the 1A division, 15-12, 15-7; and Paraclete beat Holy Family 15-6, 15-5 to become the Small Schools champion.

## GIRLS ATHLETICS

## REMEMBER WHEN?

*Editors Note: This story is a reprint from a Connecticut Interscholastic Bulletin — October 1940.*

Girls from six towns joined together for a day of friendliness and fun October 5, 1940, at New Milford High School. Danbury, Woodbury, Washington, Ridgefield, Litchfield and New Milford were represented by from ten to eighteen girls each. There were eighty girls on the teams, but another twenty or so helped referee, score, serve refreshments, entertain and greet the guests. Miss Crane of Danbury was a great help in giving us ideas to start the enterprise.

Walt Disney provided the theme for the Day: on registering each girl was assigned to a team such as Mickey Mouse, Donald Duck, Pluto, Minnie Mouse, Clarabelle Cow, Horace Horsecollar, Porky Pig or Goofy. Two icebreakers, Ham and Eggs and a Paul Jones, made the girls acquainted.

Out into the beautiful October sun ran the girls for their games of volleyball, softball, and tennis. Every half-hour the teams changed games and opponents and by noon everyone was famished and glad to sit down. The girls had brought their own lunches, but many bought ice cream for dessert from our committee. While they ate, each team made up a song extolling its own prowess and thanking New Milford for the fun it provided.

After lunch there was group singing of popular songs following a pageant of *God Bless America*. Some comic tableaux taxed the guessing powers of the teams; then an impromptu amateur show excited such enthusiasm that it finally had to be stopped by announcement of the winner for the day. Members of the Clarabelle Cow team unwrapped the funny papers to find ten-cent Mickey pins and toys.

The "Surprise" of the indoor program was the introduction of that grand new game, Goal-Hi, which may someday replace basketball in popularity. The teachers present were as interested as the girls to see its possibilities.

The girls who could, stayed for another half hour of dancing with their new friends. Really, the weather was marvelous and all our girls had planned the details so carefully beforehand that everything went off very well.

## NEWPORT, MISSION VIEJO AND LA PUENTE WATER POLO CHAMPS

4A Champs — Newport Harbor High School

3A Champs — Mission Viejo High School

La Puente 2A Water Polo Champs

It's "once more to the victory stand" for veteran coach Bill Barnett and his Sailors as Newport Harbor for the eighth year clinched the 4A water polo championship. Newport defeated Sunny Hills for the second year in a row to gain the victory 17-13.

In 3A action, the Mission Viejo squad defeated Villa Park in overtime (10-8) to win that schools first water polo title.

La Puente's Warriors were just that as coach Darryl Vincent's team outscored La Canada 10-5 to clinch the 1980 2A Divisional Championship.

Congratulations on fine performances to all the players and coaches in this season's playoffs.

## MINUTES OF THE CIF-SS EXECUTIVE COMMITTEE MEETING OF JANUARY 10, 1981

The meeting of the Executive Committee of the California Interscholastic Federation Southern Section was called to order by Chairman Dr. Hanford Rants at 8 a.m. on Saturday, January 10, 1981 at Arcadia High School. All members were present.

1. APPROVAL OF MINUTES — It was moved, seconded and passed to approve the minutes of the December 4, 1980 meeting of the CIF-Southern Section Executive Committee.

2. CIF-SS PRESIDENT'S EXECUTIVE COMMITTEE VACANCY — Commissioner Ray Plutko outlined the recommendation of the CIF-SS Administrative Committee regarding the resignation of Dr. Hanford Rants from the ABC School District and the CIF-SS presidency. Approval was given to appoint the current President Elect of the CIF-SS, Dr. Robert Packer, to fill the remaining term of Dr. Rants effective September 1981 meeting of the Executive Committee.

3. COASTAL AREA REPRESENTATIVE ON THE EXECUTIVE COMMITTEE VACANCY — Commissioner Plutko reviewed the vacancy created in the

Coastal area due to the recent appointment of Mr. Don Hagen to the principalship at La Canada High School. Following the direction of the Administrative Committee, Mrs. Barbara Wilson was appointed to complete the term of office held by Mr. Hagen until the May Council elections. Mrs. Wilson will continue to serve in the capacity of Girls' Athletic Directors Representative until that time.

4. CONVERSE ALL-STAR BASKETBALL REQUEST — Mr. Dean Crowley, administrative assistant, spoke to the request from Converse Rubber Company to organize and state a post season All-Star basketball doubleheader for Boys and Girls graduating seniors during the month of April. Following discussion, it was moved, seconded and passed to deny the request.

5. SADDLEBACK-SANTA ANA VALLEY WATER POLO APPEAL — Mr. Ed Krass, principal of Saddleback High School and Mr. Ivan McKinney, principal at Santa Ana Valley High School, met with the CIF-SS Executive Committee with regards to a review of a water polo contest violation. Following

discussion, it was moved, seconded and passed to reaffirm the action of the December 4, 1980 meeting of the Executive Committee.

6. SOUTHEASTERN CONFERENCE FOOTBALL CHAMPIONSHIP REVIEW — CIF-SS Attorney Andrew Patterson and Commissioner Plutko presented an overview of the football situation involving Serra High School and Mary Star High School. Following discussion the CIF-SS Blue Book Committee was asked to review our present rules with specific regard for this case.

7. BELL-JEFF UPDATE — Dr. Bob Packer reviewed the past action of the Executive Committee with regards to the membership status of Bell-Jeff indicating the response to their action from Archdiocese of Los Angeles. Following discussion, Bell-Jeff was reaffirmed to its membership in the CIF-SS for the balance of the 1980-81 school year.

8. AREA PLACEMENT RELEAGUING APPEALS — Mr. Orbia Hanks, principal at Needles High School presented an appeal for placement from the Free Lance to the Citrus Belt area for 1982-83. Following discussion, it was

## GIRLS' TEAM TENNIS

## DONS PLACE ANOTHER TITLE IN THE BOOKS

Santa Barbara High girls' tennis Coach Lloyd Garrison is writing a history of tennis in Santa Barbara.

But the problem is, he doesn't want to go to the printer until he finds out how many consecutive CIF-SS 4A championships his Dons can win.

Santa Barbara won its third straight title at the Tennis Club of Santa Barbara, beating cross-town rival Dos Pueblos, 13-5, in the round robin match.

"The printer will have to wait," laughs Garrison.

So, too, will Dos Pueblos, which has now reached the finals twice and semifinals once in the past three years only to see Santa Barbara win the title.

"As proud as I am of my girls," said Garrison, "I think Dos Pueblos deserves a great deal of credit, Santa Barbara and Dos Pueblos have virtually 'been' the CIF-SS in tennis since they started team playoffs and I think it's a real credit to both schools."

But the Dons made it clear from the outset that they had no intention of relinquishing their roles as Godfather of the local rackets.

In other divisional action, Laguna Beach found no hardship in moving up to 3A (they were champs of the 2A in 1979) taking the laurels for the second straight year defeating Poly (Riv.) 10-8. The championship match between these two schools had to be postponed due to heavy smoke resulting from local brush fires in both locales earlier this fall.

Calabasas followed the lead of Laguna Beach in defending their championship title (Calabasas won the 1A Division in 1979) in defeating La Serna for the 1980 2A Divisional honors. While in 1A action Redondo High, apparently immune to pressure, edged Mayfair at Cerritos College 10-8. It was the third straight close victory for the Pioneer League champs who won their previous two matches on total games after finishing tied in sets.

### PLAYOFF GROUPINGS CONTINUED FROM PAGE 1

At this juncture, those leagues objecting to their divisional placement are given the opportunity to appeal in writing to the Playoff Groupings Committee. Note leagues are given the appeals option only if they previously recommended changes or if they have been changed from their present status.

Early in April, the final recommendations of the Playoff Groupings Committee will be mailed to league representatives.

Final disposition in playoff groupings will take place at the last meeting of the

## JONES CLAIMS SINGLES TITLE IN GIRLS TENNIS

Editors Note: The following is a Guest Article by Donna Smith, Student Journalist, University High (Irvine)

A very happy sixteen year old, Cheryl Jones of Beverly Hills High School, won the CIF-SS Girls' Individual Tennis title for 1980. The finals were held at the Racquet Club of Irvine, December 9 and 10, where Jones' careful concentration and intelligent use of a variety of shots led to the defeat of Leigh Ann Eldredge of Mayfield, 6-3, 6-3. Jones played the match with an attractive grace and good court-awareness, portraying exceptional sportsmanship throughout the entire tournament. Jones began her tennis career at age 10, having her first competitive situation at a City Novice Tennis Tourney where she was beaten badly by an awesome Tracy Austin. Before playing that first gruelling match, she looked at her father nearby and said "I'm going to beat that girl!" Although Jones must have been very disappointed, she has carried on with that same spirited drive that will surely take her into a very bright and promising tennis career.

Jones will play another year for Beverly Hills High, staying in shape out-of-season with running and a lot of tennis. Jones then hopes to play college tennis, and afterwards? "What else" — she exclaims "Professional".

Carolyn Dadian and Debbie Delgado (South Torrance) survived an extremely tough field to take the doubles championship at the Irvine Racquet Club defeating Courtney Gebhart and Heather Petty from Palm Springs 6-4, 6-2.

Dadian and Delgado teamed together in the 1979 tournament as well but this year as seniors the top honors go to these two fine tennis competitors.

CIF-SS Council in May. Leagues who appealed in April that are still dissatisfied may forward a written appeal to the Commissioner's office asking for time on the Council agenda.

As a separate item, we bring to your attention a directive from the CIF-SS Executive Committee which will create an additional grouping in some sports in the Small Schools Division in order that leagues with very small enrollment should not be placed in a grouping with leagues of far greater enrollment.

Overall, placement for leagues in the Southern Section is based on both average enrollment and success within a playoff grouping, particularly if it appears that a

given school or league might perpetuate dominance. Additionally, placement could change based upon movement of schools from one league to another, which may alter the overall strength of a league.

## JUNIOR HIGH NEWS

(Editor's Note: Each month we hope to bring news of unique value to our Junior High member schools by means of our Junior High column. As junior high teachers or administrators, we solicit your response and ask your contributions to this column.)

Please save March 31, 1981 on your calendar. We would like to have each junior high school be well represented at the CIF-SS Junior High School workshop scheduled for the evening of March 31, 1981 at the Buena Park Convention Center. It will be a great opportunity for coaches, athletic directors and administrators to share ideas, techniques, philosophies and common problems. We are especially interested in having non-member schools attend. Come to the workshop and find out why belonging to an organized CIF-SS Junior High League has many advantages and makes for a quality program.

Did you know that we have 48 junior high schools many of which are organized into established leagues in the CIF-SS? Any schools wishing to form new leagues or join an existing league should contact the CIF-SS Office or any of the Junior High School Committee members listed below.

800 students attend softball players clinic offered last year at Cal State Fullerton.

## SOFTBALL PLAYERS CLINIC ANNOUNCED

The Second Annual Softball Clinic for Players will be conducted at California State University Fullerton, Saturday, February 28, in Titan Gym from 9 a.m. to 5:15 p.m. The purpose of the clinic is to motivate, inspire and instruct. Last year over 800 players attended and found it was a great way to begin their season.

The clinic features an outstanding staff, including: Linda Spradley, All-American catcher; Judi Garman, CSUF Head Coach and 1979 Pan Am Coach; Jan Dunlap, CSUF outfield coach; John Campbell, CSUF pitching coach; Auggie Garrido, CSUF baseball coach and NCAA Coach of the Year JoAnn Zwanziger, Pasadena City College and 1978 California Softball Coach of the Year; Linda Shafar, L.A. Harbor Coach; Denise Yeomans, Mt. Sac. Coach; Lu Gecewicz, Pro outfielder; Dr. Ken Ravizza, Sport Psychologist. Additional clinicians are still to be added.

Players will hear lectures covering: Pressure and How to Handle It; How to Apply for Scholarships; Speed-Learn to Run Faster; Using your Head-Game is Mental; How to be a Winner; Fundamentals are the Key. Players will also actually participate in sessions of their choice, including Outfield, Infield, Catching, Pitching, First Base, Bunting, Batting.

Cost for the clinic is \$6.00 per player. Coaches with players admitted free. A team rate of \$5.00 per player will be given to teams coming as a group if there are 10 players or more. Coach must accompany the team and register for the group to be given group rates. Players must also bring their own equipment: balls, bats, gloves, catcher's gear. Make sure it is all clearly marked for easy identification. There will be a lunch break and participants will be able to purchase hot dogs, drinks and snacks or bring a sack lunch.

CSUF is located off the 57 Freeway. Exit on Yorba Linda or Chapman Avenue and go west to State College. Park in Lot B which is in front of the gym at State College and Gymnasium Campus Drive. For further information contact Judi Garman at (714) 773-3495 or the Sports Information Office (714) 773-3970.

moved, seconded and passed that Needles High School be placed in the Citrus Belt area for purposes of leaguings in football only and further that communication with Nevada and Arizona continue in an effort to form a Tri-State league for schools in those geographical areas.

Mr. Rick White representing Webb High School and Mr. John Rody, Lutheran (La Verne) High School presented appeals to move from the Citrus Belt to the Private area. Following discussion, it was moved, seconded and passed to support the Area Releaguings recommendations with regards to Webb and Lutheran La Verne.

Mr. Bob Dowding from Lutheran Orange presented an appeal for placement from the Private back to the Citrus Belt area. Following discussion, it was moved, seconded and passed to support the appeal and that Lutheran Orange be moved

from the Private to the Citrus Belt area for purposes of leaguings in 1982-83.

9. BASEBALL ALL-STAR WAIVER — Mr. Bill Clark, administrative assistant, reviewed a request from the California Baseball Coaches Association asking for a waiver of the All-Star rule in order that high school coaches might assist with a questionnaire prior to the allowable June 1 date in a baseball All-Star contest. Following discussion, it was moved, seconded and passed to waive this phase of the All-Star rule for the balance of the 1980-81 school term.

10. TRACK STARTER ADJUSTMENT — Mr. Dean Crowley, administrative assistant, presented an adjusted fee schedule for 1981 Boys' and Girls' track meets due to the addition of the 330 yard/300 meter low hurdle event for Girls. Following discussion, it was moved, seconded and passed to adopt the revised fee schedule listed below effective this 1981 season. Should member schools and leagues adopt this event, it will be

necessary to increase the starter's fee as shown.

	Current Fee	Adjusted Fee
1 Level Meet, Girls only	\$27.00	\$27.30
2 Level Meet, Girls only	30.00	30.60
3 Level Meet, 1 Boy, 2 Girls	37.00	37.60
3 Level Meet, 2 Boys, 2 Girls	37.00	37.30
4 Level Meet, 2 Boys, 2 Girls	46.00	46.60
5 Level Meet, 3 Boys, 2 Girls	55.00	55.60
5 Level Meet, 2 Boys, 3 Girls	55.00	55.90

For a league championship meet, add on an additional \$.90 for the Starter and \$.30 for the Recall Starter.

11. MARLBOROUGH HIGH SCHOOL VOLLEYBALL REQUEST — Ms. Margaret Davis, administrative assistant, presented a request from Marlborough High School relative to an international competition with Canada during spring vacation 1981. Following discussion, it was moved, seconded and passed to approve the request with the stipulation that all practice for such competition take place during the regular physical education period.

12. STATE COMMISSIONER'S REPORT — State CIF Commissioner Tom Byrnes addressed members of the Executive Committee updating the progress of Senate Bill 19, the Riles Commission and the State CIF Office's plans for addressing new areas for consideration through various State committees.

There being no further business to come before the Executive Committee, the meeting adjourned at 11:15 a.m.

## PLACE YOUR SCHOOL IN THE LIMELIGHT!

In keeping with one of our major objectives this year — that of extending our communication with the general public — the CIF Southern Section Office is currently developing a slide presentation of the "CIF-SS Story." The effort is being coordinated with Walt Disney Corporation and we would appreciate a helping hand on your part. We would like to receive quality color slides depicting student life on the high school campuses as it relates to extracurricular activities. Slides of pep rallies, interscholastic contests, school mascot and in particular, the school marquee with a few students nearby would indeed assist our efforts. We will be developing the show over the entire 1980-81 school year, with the initial presentation in the fall of 1981. Please forward your school's chapter to the "CIF-SS Story" as various activities develop.

# WHAT'S HAPPENIN' IN THE OTHER '49 STATES

(Editor's Note: This is another in a series of monthly articles covering items of interest throughout California and other State Associations in their administration of high school athletics).

## ITEM: "BE A SPORT" GIVEN EXTRA MEANING IN OKLAHOMA

COMMENT: A student who becomes disqualified by a game official because of a flagrant or unsportsmanlike foul or who is guilty of any unsportsmanlike conduct in connection with an interschool contest shall be ineligible until reinstatement by the principal and a written report filed with the Oklahoma Executive Secretary. This state also recommends that such a disqualified student forfeit the right to participate in at least one contest before reinstatement by the school administrator.

## ITEM: IT WAS A PEACEFUL WEEK IN KANSAS

COMMENT: A mid-year five day moratorium was declared in Kansas, December 24 through 28, 1980 as the Kansas Executive Board declared, "there shall be no school practice or interscholastic contests either on or outside school premises under supervision of school employees".

## ITEM: BASKETBALL CLINICS INCLUDE FANS

COMMENT: The Lakeland Officials Association from the State of Wisconsin figured the best way to help solve fan behavior problems was to invite them to their officiating clinics. Players and fans had an opportunity to ask questions and to become more knowledgeable in basketball rules. Quoting a person involved in the clinics, "An informed fan is a more understanding fan".

## ITEM: "ENERGY" CRUNCHES NUMBER OF CONTESTS

COMMENT: Responding to the energy crises of last year, Virginia's delegate assembly acted by cutting back significantly in the number of contests in all sports for 1980-81. The Virginia High School Association took the action because "unless systematic association directions were implemented, local school divisions would initiate local directions for sacrifices that were less or more demanding than those placed on schools in other divisions, thus creating possibilities for less than equal competition. An average of 2 to 4 games have been cut from all sports. Allowable number of contests, i.e. baseball's 20 contests is now 16, cross country's 12 is now 10.

## ITEM: "SHOUTING COACHES CONFUSE"

COMMENT: From the Texas Interscholastic Leaguer we quote:

A trend, prevalent in all sports, but especially in basketball and baseball is for coaches to yell from the bench or sidelines a constant stream of advice to players. In a recent article Coach John Sain of the Detroit Tigers noted that "continual, machine-gun like shouting from the bench by the high school coach in any sport is harmful, and ridiculous."

Continual advice from the bench hinders a boy and girl hampering their concentration on the play, and often leaves them not only confused, but helpless and scoreless. How can a student play their best when waiting for the coach to tell the player what to do each minute?

It is obvious that players have difficulty understanding or hearing what is being said, because of the noise of the crowds and also because of the tension and excitement of the game.

... One of the major objectives of sports is to develop confidence and to enable each boy or girl to make their own decisions. Constant coaching from the bench is contrary to this goal.

## ITEM: "INDEPENDENT CONTRACTORS"

COMMENT: Relative to the status of California officials who are injured while working interscholastic contests, under the provisions of Assembly Bill 2555 — Cline — and Section -352 of the Labor Code, officials have been defined as "independent contractors" and are not covered by worker's compensation. The Attorney General of California has also rendered an opinion that officials working interscholastic contests have no claims against schools or school districts in the event of injury sustained while working a contest.
