"Film Industry Served Warning"

CAMERA, LIGHTS . . . ACTION!

Make room in the film industry, the CIF Southern Section has entered the market!

Thanks to you the member schools, a helping hand from a couple of CIF-SS alumnus and another aggressive venture in the area of sports marketing and promotion, the "CIF-SS Story" is now on film.

The 10-month project had a rousing premier showing at the January meeting of the CIF-SS Council and is now available for use by member schools.

The 16mm film — 14 minutes in length and in color — provides an overview of the Southern Section's history and an in-depth look at its multi and versatile activities in action.

Originally, the project called for a slide presentation, but it was discovered that the slides could be transferred to film, thanks to the technical assistance of alumnus' Laurel Whitcomb (Orange High) and Lowell Offer (Glendale High).

The duo are part of the talented Walt Disney Inc. staff, but the focal point is the student-athletes of our 500 member schools.

Two films are available for loan and its hopeful schools will have success in providing a fresh and updated approach of communicating with their respective booster clubs, parent-teacher groups, service clubs in the communities and possible corporate sponsors.

The film is believed to be the only film of its kind developed for sports marketing and promotional use among high school associations in the United States.

Schools interested in utilizing the film are asked to contact Maggi Helms of the CIF-SS Office for reserved dates.

PRIPPS PLUSS JOINS CORPORATE SPONSORSHIP PROGRAM

In its quest to provide financial aid to member schools the CIF-Southern Section has been successfully exploring the concept of corporate sponsorships.

National companies such as Puma, TreeSweet, Dr. Pepper, Thrifty-Big Five, Wilson and AirCal form the team of corporate sponsors who are "going to bat for interscholastic athletics".

Another company joining this elite group of sponsors is "Pripps Pluss". Pripps Pluss is an electrolyte-energy drink developed in Sweden for that country's olympic teams. It is distributed by Penn Athletic Products in the United States, which is also known as a manufacturer of tennis balls throughout the world.

Details of the agreement between the CIF Southern Section and Pripps Pluss include advertisements in CIF-SS

BURRUD - JOINS EXECUTIVE COMMITTEE

Sheila Burrud, the Girls' Athletic Director from John Muir High School, is the newest addition to the Southern Section Executive Committee.

A native Californian, she has lived all her life in the Pasadena-Alhambra area. She was a student at John Muir High School, received her degree from USC, and completed her graduate work at Northwestern University and San Diego State. Eleven years after leaving John Muir, she returned as a member of the teaching staff. This seems to be a "family affair" as her son is a student there also! Sheila's previous teaching experience was at the junior high school level.

Burrud has been the Girls' Athletic Director for the past five years. She has coached Girls' volleyball, co-ed badminton, and has been involved for many years in local and state level track events. She has served three years as the Girls' League Coordinator for the Pacific League, and was selected this year as that league's representative to the Southern Section Council.

Sheila was appointed Girls' Athletic Director representative to replace Karen Hellyer who recently took a staff position in the CIF-SS Office. When asked about the appointment, Burrud said, "I am very excited and feel honored to be chosen."

JUST A FEW MINUTES

The most serious of violations?
Recently, a member of the Media raised the question as to what the CIF Southern Section Office considers to be the most serious of situations in dealing with member schools.

My immediate response was that the querie would draw a command performance if seeking the most positive aspects derived in working with our constituency of administrators and coaches.

However, that would be side-stepping the question.

When one considers the myriad of beneficial activities which take place on the 500 campuses each day, it's unfortunate that a mere sampling reaches the public of the respective communities served.

Needless to say, the sampling is critical in terms of accountability.

All-too-often, the majority are associated with the actions of just a few and as a result, the process of rebuilding the countless hours of dedicated service provided by those committed to the ideals of interscholastic athletics.

Without question, the most serious breach within the realm of our programs presents itself when an individual coach removes a team from the playing facility prior to the conclusion of a contest.

Ironically, the justification invariably lacks substance at a subsequent hearing — personal dissatisfaction with an official or the citing of dangerous conditions is the usual tenor of that thrust.

It is also paradoxical that such action is spawned by the individual coach on the short end of the score at the time.

How serious is such an action?
It has been the position of the CIF-SS Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season.

When one considers the focal point is to involve as many student-athletes

MEETING OF THE CALIFORNIA INTERSCHOLASTIC FEDERATION, SOUTHERN SECTION EXECUTIVE COMMITTEE

January 16, 1982

The meeting of the Executive Committee of the California Interscholastic Federation, Southern Section, was called to order by Chairman Dr. Robert Packer, at 8:30 a.m. at the Aliso Creek Inn in South Laguna. All members were present with the exception of Robert Paisola.

1. **APPROVAL OF MINUTES** - It was moved, seconded and passed to approve the minutes of the December 3, 1981 meeting of the CIF Southern Section Executive Committee as mailed.

2. **PRESIDENT'S UPDATE** - Dr. Robert Packer welcomed Sheila Burrud of Muir High School to the Executive Committee, filling the position of Girls' Athletic Directors' Representative.

3. **COMMISSIONER'S UPDATE** - Mr. Ray Plutko, commissioner, reviewed with the Committee the fall playoffs and eligibility appeals. In addition, the Commissioner apprised the Executive Committee relative to the upcoming 1982-83 budget preparations and plans being made by the Office relative to the winter playoffs and state regional basketball tournament, as well as plans for the spring sport season.

The Commissioner also reviewed the program being offered to member schools by the National Athletic Health Institute, recent sports marketing and promotion efforts, and the viewing of the new "CIF-SS Story" on film.

4. **BOYS' A.D. UPDATE** - Mr. Clyde Francisco reviewed with the Committee participation fees for athletics, concerns relative to walk-on coaches, recruitment of officials, and re-conditioning of athletic equipment.

5. **GIRLS' A.D. UPDATE** - Sheila Burrud reported on the successful aspects of the girls' athletic program from various regions of the Southern Section and the successful fall playoffs.

6. **SUPERINTENDENTS' UPDATE** - Dr. Maury Ross reported on the overall implementation of Senate Bill 19 and suggestions as to how districts can insure the positive on-going input at both the state and local levels.

7. **TREASURER'S REPORT** - Mr. Jim Faul provided an update of the working budget and a possible projected concern in the area of legal fees.

8. **STATE REPORT** - (a) **SECTION RELATIONS** - Dr. Packer reported on the upcoming meeting with the San Diego and the Los Angeles City Sections representatives, with a report being presented to the State Federated Council in February.

(b) **WAYS AND MEANS** - Mr. Bruce Keuning reviewed with the Committee the proposed State budget and dues structure for 1982-83. Following discussion, it was moved, seconded and passed to recommend to the State Federated Council that the State budget absorb the liability insurance program for 1981-82 in the amount of \$29,928, \$6,584.16 of which would be the Southern Section share.

(c) **LEGISLATIVE** - Barbara Wilson updated the Committee relative to planning for SB 19 and public relations efforts with state legislators.

(d) **MEDIA AND PROMOTIONS** - Mr. Tony Balsamo reviewed the time line for the proposed contract for TV rights to the State basketball championships for 1982.

Marie Upton

UPTON CHOSEN "COACH OF THE YEAR"

Marie Upton, Cypress High School, has been chosen the California Coaches' Association Girls' Basketball "COACH OF THE YEAR".

Upton began her basketball experience at Wayland University on a basketball scholarship. While there, she was selected All American for two years.

Upton's first teaching and coaching experience was at Meadow High School in Texas. She later moved to Loara High School in Anaheim where she continued coaching in the G.A.A. program. In 1973, Upton moved to Cypress High as athletic director where she organized the girls' athletic program which moved into CIF competition in 1975. Since that time, Upton's teams have amassed 114 wins and only 34 losses. In league play their league record is 50 wins with only 8 losses. They have reached CIF quarter-finals twice, semi-finals twice and won the league championship 5 out of 6 years.

When interviewed Upton said, "One of my greatest satisfactions has been watching girls' athletics grow from a G.A.A. program to what it is today. Girls' basketball has made great strides with more and more girls being able to get a college education with the help of athletic scholarships.

"At Cypress in the last 6 years we have had seven girls receive basketball scholarships to various colleges. We have had six more girls to play on the community college level.

"In the years that I have coached, I have had many girls become coaches themselves. This has been a personal satisfaction to me."

Upton's name as the California Coaches' Association "COACH OF THE YEAR" will be turned into the regional competition against those nominees from Nevada, Utah, Arizona, New Mexico and Hawaii. The NATIONAL COACH OF THE YEAR will be named in June.

CONGRATULATIONS MARIE, AND GOOD LUCK!

1981 GIRLS' VOLLEYBALL CHAMPS

Upsets were not the order of the day as the top seeded teams in all divisions but Small Schools went on to win their respective titles in girls' volleyball. More than 2,000 fans showed up for the title matches which were held at Orange Coast College on November 21, 1981.

In the 4A Division it was the outstanding playing of senior Kim Oden and her freshman sister Elaina which helped the Irvine Vaqueros defeat Santa Monica, 15-8, 15-3, 15-13. The win gave Irvine its first girls volleyball championship.

3A defending champion Louisville had their work cut out for them in a seesaw match which was described by many as the best contest of the day. Suzy Taylor of Louisville led her team to a 15-13, 15-11, 7-15, 12-15, 15-11 win over La Quinta.

Winner of the 2A Division crown, Cajon, had little trouble defeating Royal, 15-4, 15-11, 8-15, 15-0. The Cowboys were the 1980 2A runners-up.

An outstanding young Rim of the World team which has no seniors on its roster, managed to defeat Calabasas, 15-9, 17-15, 11-15, 15-2, and secure the 1A divisional title. The Scots look forward to having the whole team return next year.

In the Small Schools Division, an unseeded Linfield Christian with their powerful offense dominated Trona, 15-2, 15-6, 17-15, to secure that divisional title.

Congratulations to all the above teams, win or lose you are still champs!!!

Don't Be Caught Unprepared

CHECK THESE SAT TEST DATES

High School students participating in interscholastic activities often find conflicts between CIF-SS events and college test dates. Students can find a date which avoids interscholastic events if they arrange to take the test on those dates which do not conflict.

High school counselors and principals are urged to call the attention of high school students to test dates and schedules of CIF-SS events contained in the Southern Section Calendar so that test dates can be selected to avoid conflicts.

Marks these dates down:

1981 CIF-SOUTHERN CONFERENCE FOOTBALL WINNERS

It was a game which could have been compared with the David and Goliath saga, and a record crowd of almost 30,000 fans came to Anaheim Stadium to watch.

St. Paul High School's small, spunky Swordsmen gave it their best and were rewarded with a perfect 14-0-0 record and a CIF-Southern Section **Big Five Championship**. Their opponents, the Colton Yellowjackets, were completely neutralized of their sting on this night as they were held to only 9 points to the Swordsmen's 15 at the end of the first half of play.

The second half proved to be even more disastrous to the Yellowjackets as the Swordsmen came up with two more touchdowns and three extra points to make the score 30-9, which is how the game ended.

Two conference titles were decided the next night at an Anaheim Stadium doubleheader featuring the Coastal and Southern Conference finalists.

A combined crowd of 16,113 spectators were on hand to see the Santa Monica Vikings outplay the defending champs, LB Poly, 21-8 and capture the **Coastal Conference** crown. It was the first time Santa Monica had been in the finals in 23 years when they lost to the very same school, LB Poly, in 1958. Interesting to note is the fact that the present head coach of Santa Monica, Tebb Kusserow, was a member of that 1958 team.

In the following game, excitement was in the air as fans were treated to an electrifying three overtimes to decide the winner. The Foothill Knights prevailed and beat El Modena, 21-14, to gain the **Southern Conference** crown.

In **Northwestern Conference** action Antelope Valley defeated Burroughs of Burbank, 21-14, to gain that title.

In a close game, the **Southeastern Conference** Championship was decided by one point, as the Indio Rajahs defeated top-seeded Ganesha, 21-20.

It was Arlington all the way, as the Lions roared to a 23-8 victory over formerly unbeaten Rubidoux, thus gaining the **Eastern Conference** honors.

Orange Coast College was the site of the **Central Conference** and mighty Mission Viejo made it perfectly clear who should be declared the No. 1 team, by a 35-0 rout over Los Amigos.

LONGEST WIN STREAK IN WATER POLO BROKEN

Long Beach Wilson - 4A

A jubilant Wilson High of Long Beach water polo team managed to stop the perennial power Newport Harbor, 12-11, to win the 4A CIF-SS Water Polo crown for 1981.

While Wilson has been in the playoffs numerous times over the years, it is the first time that the Bruins have captured a CIF Southern Section championship.

The Bruins' victory ended a consecutive win streak for Newport Harbor which won the title in 1980, '79, '78 and '77 and also were the champs in '75, '70, '68 and '67.

In 3A action, Villa Park won its first-ever water polo championship by defeating Foothill 10-6. The Spartans were the runners-up last year.

A strong Crespi Celts team outscored the 2A defending champs, La Puente, 9-6 to earn the 2A title.

OUTSTANDING TEAM AND INDIVIDUAL

It was a great day to run the hilly and demanding course at Mt. San Antonio College as CIF Southern Section runners competed for team and individual cross country honors.

Earning titles in four boys' divisions were Crescenta Valley (4A), Mater Dei (3A), Barstow (2A) and La Salle (1A).

University High runners, considered by the experts to be the best in the nation, won the 4A girls' championship. Mira Costa (3A), Victor Valley (2A) and Sacred Heart (1A) were the winners in their respective divisions.

In the individual competition, Polly Plummer, University (4A), won her second straight title, as did Leslie White of Sonora (3A), and Lori Lopez, Sacred Heart (1A) did the same. But Tanya Fischer of Chaminade upset defending champion Vicki Cook to win the 2A title.

Boys' individual winners were Jeff Holyfield of Crescenta Valley (4A), Sean Nugent, Culver City (3A), Jimmy Ortiz, Barstow (2A) and Tom Grewe, Carpinteria (1A).

Ortiz is the first sophomore since 1973 to win a boys' CIF-SS championship.

Another Look at the Budget

FORESIGHT AND VOLUNTEER EXPERTISE REAL SAVINGS

(EDITOR'S NOTE: The following is the second in a series of feature articles by Commissioner Ray Plutko, dealing with the structure and various insights to the CIF Southern Section budget.)

Inflation and sources of income were two given factors when the initial CIF Southern Section budget was designed in 1915, but the year is 1982 and as with any organization, the major focal point is expenses.

"Just what am I getting for my dues?"

Not a bad question for openers and with that in mind, let's take an in-depth look at two areas listed under expenses of the current 1981-82 working budget.

Publications will account for \$34,100 and the area of Council another \$31,000. But what are the specifics to those billings?

For decades the Southern Section has prided itself in the overall appearance of its various publications, ever-so-conscious of rising costs, yet attempting to produce materials which are eye-appealing and conducive to reader retention.

The accountability to costs is more than evident in that Publications are DOWN \$560 over the previous year, while the appearances are even that much more appealing.

This aspect of the budget accounts for the printing and publication of 13,000 Blue Books, 7,000 Directories, the Press Guide and Record Book, the monthly Bulletin and one item often overlooked, the purchase and distribution of all National Federation Rule Books for each of the Boys' and Girls' sports.

The latter is a great savings in that the Southern Section Office orders same on a volume basis and as a courtesy, fills requests for various officials organizations at the rate price.

Some may question the large order for Blue Books, but since distributing one to the head coach of each Boys' and Girls' sport, the total number of violations and telephone calls to the CIF-SS Office have declined. Additionally, over the past two years, the office has managed to have the content placed on computer tape and thus, the only new costs are for changes in the updating of the tape.

But what about the Council . . . do their costs equate to \$31,000 at just four meetings a year?

Far from it. But this segment of the budget does cover expenses for all Council representatives, including those of the Girls' Coordinators — travel and meals.

In addition this area of the budget provides same for all members of the 25 Boys' and Girls' Coaches Advisory Committees; the 16 Administrative Committees (playoff groupings, re-leaguings, legislative, junior high, etc); Executive Committee; representatives to the National Federation meetings; and most recently, the popular symposiums (Athletic Administrators and Superintendent/Board Member).

When one considers the Southern Section is fortunate to have the expertise of its administrators and coaches on a volunteer basis and these ingredients have accounted for one of the top interscholastic organizations in the United States — 18 cents a mile for travel expenses and a meal hardly provide payment enough.

It's this latter sacrifice of time and talent which are the heart of this association and profitable budgetary items indeed.

Executive Committee Minutes . . .

(continued from page 2)

(e) **COMPETITION** - Commissioner Plutko reviewed the final recommendation of the Competition Committee that will be forwarded to the State Federated Council at their February meeting. These recommendations will set the rotation and sites for State regional and championship activities.

(f) **FEBRUARY STATE FEDERATED COUNCIL MEETING** - Commissioner Plutko outlined agenda items submitted by the Southern Section for the upcoming State Federated Council meeting. These include competition with CETYS, Yeshiva High School request, co-ed swimming experimentation, major league baseball telecasts in conflict with Friday night interscholastic football contests, all-star organization aspects, and State Constitution publication.

(g) **WRESTLING PROPOSAL** - It was moved, seconded and passed to direct the CIF Southern Section delegates to vote to table this proposal until the May meeting of the State Federated Council in order that

Sections may take the final proposal back to leagues for review.

9. **NATIONAL FEDERATION MID-WINTER MEETING** - Mr. Balsamo reported on activities at the National Federation Mid-winter meeting. The major items reviewed were the football rule changes for 1982.

10. **LEGAL UPDATE** - Mr. Andrew Patterson, attorney, reviewed with the Committee various litigation cases throughout the State and their relationship to the Southern Section.

11. **HARVARD SCHOOL REQUEST** - It was moved, seconded and passed to approve the request from Harvard School to allow its baseball team to utilize school equipment during a summer international program in Europe.

12. **GOLDENWEST CHRISTIAN ELIGIBILITY PROBLEM** - Commissioner Ray Plutko reviewed background information relative to Goldenwest Christian High School and the Committee directed an appeals hearing be scheduled.

13. **ROWLAND HIGH SCHOOL REQUEST** - It was moved, seconded and passed to allow Rowland High School to use student athletes for the purpose of demonstration during the dedication ceremony of the school's new gymnasium on March 14, 1982.

14. **APRIL MEETING DATE** - It was moved, seconded and passed to set the April meeting of the CIF Southern Section Executive Committee for Thursday, April 15, 1982.

There being no further business to come before the Executive Committee, the meeting was adjourned at 11:35 a.m.

DON'S WIN FOURTH CONSECUTIVE TITLE

This year's girls team tennis championships saw repeat victories in three of the four divisions. Santa Barbara High School won its fourth consecutive CIF-SS 4A championship when the Don's beat Palos Verdes 10-8 in the round robin match.

When asked about his team's unprecedented success over the years, coach Lloyd Garrison, who is planning to retire this year, replied, "I've had a lot of talent to work with and these girls have shown a real willingness to work hard and have been very cooperative."

In other divisional action Laguna Beach won the 3A championship for the second year by defeating Riverside Poly 14-4. These were the same two teams which met in last year's title match.

Calabasas followed the lead of Laguna Beach in defending their 2A championship title by a 16-2 victory over last year's opponents, La Serna.

In 1A action Westridge edged Pasadena Poly 10-8 to take top honors.

SPENCE CLAIMS SINGLES TITLE IN GIRLS TENNIS

The Racquet Club of Irvine was the setting for the 1981 CIF Southern Section Girls' Individual Tennis Tournament. The final match between Spence and LaFranchi represented a hard hitting, baseline game with Spence's service only being broken once throughout the entire match. Both young ladies played well, but Debbie Spence's sharp forehand cross-court angle shots and consistent play overcame Maria LaFranchi in straight sets, 6-2, 6-2.

Doubles was won by the sister team of Sue and Cathy O'Meara, Estancia High School. The O'Meara sisters played an extremely aggressive serve/volley game to overcome Ostrander/Patton 6-1, 6-4, whose impressive Australian doubles style play almost provided a comeback in the second set. Overall the Individual Tournament represented the finest players in over 480 high schools throughout the Southern Section.

JUNIOR HIGH NEWS

(Editor's Note: We hope to regularly bring you news of our junior high member schools by means of this column. As junior high teachers and administrators, we solicit your response and ask for your contributions. Special thanks this month goes to Mark La Forest.)

This month spotlights the Parkway League which is one of the largest junior high school leagues in the CIF Southern Section.

Formed in 1969, the league is comprised of seven participating schools. The member schools from the El Rancho School District are Mueller, North Park, Burke and Rivera. From the Arcadia Unified School District the member schools are Dana, First Avenue and Foothills junior high schools.

Varsity sport offerings for the boys include football, basketball, track and baseball. The girls compete in varsity volleyball, basketball, track and softball.

Our congratulations go to the following Parkway League fall sport co-champions: Rivera 5-1 and Foothills 5-1 for football; First Avenue 5-1 and Rivera 5-1 for volleyball.

Any schools wishing to form new leagues or join an existing league should contact the CIF-SS Office or any of the Junior High School Committee members listed below:

PLAYOFF GROUPINGS TO BE DECIDED

It's time once again for the CIF-Southern Section to issue its recommendations as to your league's divisional placement (4A, 3A, 2A, 1A, Small Schools) for next school year, 1982-83.

In case you've been curious as to the process used for assigning your league to a particular grouping, here's how it works: First, since leagues (not schools) are grouped into playoff divisions, a communication has been sent from the CIF-SS Office to your league to submit suggestions or ideas to the CIF-SS Office no later than March 1, 1982. The Southern Section then uses these recommendations to develop an overall grouping in each sport division as an office recommendation back to your league.

At this juncture, those leagues objecting to their divisional placement are given the opportunity to appeal in writing to the Playoff Groupings Committee. Note leagues are given the appeals option only if they **previously recommended changes** or if they **have been changed** from their present status.

Early in April, the final recommendations of the Playoff Groupings Committee will be mailed to League Representatives.

Final disposition in playoff groupings will take place at the last meeting of the CIF-SS Council in May. Leagues which appealed in April that are still dissatisfied may forward a written appeal to the Commissioner's Office asking for time on the Council agenda.

As a separate item, we bring to your attention a directive from the CIF-SS Executive Committee which will create an additional grouping in some sports in the Small Schools Division in order that leagues with very small enrollment should not be placed in a grouping with leagues of far greater enrollment.

Overall, placement for leagues in the Southern Section is based on both average enrollment and success within a playoff grouping, particularly if it appears that a given school or league might perpetuate dominance. Additionally, placement could change based upon movement of schools from one league to another, which may alter the overall strength of a league.

FEATURE ATHLETE OF THE MONTH

(EDITOR'S NOTE: In an effort to provide well-deserved recognition to Southern Section athletes, this is the third in a series featuring "all-around student-athletes".)

This month's spotlight dips down to the freshman level at John Glenn High School in Norwalk.

Scott Stacer is a versatile 15-year-old ninth grader who is wrestling on his school team. While the natural assumption would be that he is participating on the freshman or junior-varsity team, he is in fact a member of the varsity level and doing an excellent job at it. His record this season is 18 wins, 1 forfeit (due to injury) and 1 loss. The loss was to a senior from Channel Islands, who placed in last year's State Meet.

Scott has been wrestling since he was eight years old. He was formerly a member of a freestyle wrestling organization for kids 14 and under. In his last year of participation, his record was 44-2.

Besides wrestling, Scott has also found time to be involved in the art of Judo. This involvement has led to his being a five-time National Champion. Additionally, in 1978 he traveled to Puerto Rico for the Pan American Games and won a gold medal.

Scott runs every day and lifts weights. While not being able to fully participate in practice due to a cracked rib, he is keeping fit on a limited exercise program.

He loves all sports and would play football except for a knee injury sustained on a climb of Pikes Peak (the climb was part of the program at the Olympics Training Camp which he was invited to attend).

Plans for next year include going out for cross country in the fall and, of course, wrestling in the winter.

The CIF Southern Section staff salutes Scott. He is another fine example of the dedicated and versatile athletes involved in interscholastic activities — "THE OTHER HALF OF EDUCATION".

*** ATTENTION COACHES *** UPCOMING CLINICS

FEBRUARY 10, 1982 - Baseball Coaches Seminar on "Team Base Running" conducted by Harold S. "Stu" Southworth, at San Geronio High School. Fee, \$25.00 including copy of the book "MANUAL OF BASEBALL RUNNING PLAYS — TEAM RUNNING" authored by Mr. Southworth. For more information, please contact Mr. Southworth at 3897 North Golden Ave., San Bernardino, CA. Phone: (714) 886-3577.

FEBRUARY 27, 1982 - The Third Annual Softball Clinic for Players will be held at Cal State Fullerton on Saturday, February 27 (weather permitting) from 9 a.m. - 5:15 p.m. The clinic is for high school athletes and is both motivational and instructional.

The majority of the instruction will be outside so players must come dressed to participate with their own glove, bat, ball and catcher's gear.

Cost of the clinic is \$8.00 per player. There is a team rate of \$6 per player if 10 or more from the same school attend. Coaches accompanied by a player are admitted free.

If there is any question, you may confirm the date scheduled by calling any of the following: (714) 773-3495, (714) 773-3842 or (714) 773-2677.

For further information contact Judi Garman at (714) 773-3495.

In return for these considerations the company has agreed to a \$3500 contribution. This amount will directly reflect back to the schools by allowing the CIF-SS to keep the dues at a minimum. The Southern Section dues rate is the lowest among all other sections in the state and is among the lowest in the nation.

The Verbum Dei Eagles soared high in the sky as they handily defeated Miraleste, 29-13. The win earned them the **Desert-Mountain Conference** Championship, making it the first-time ever that the school has won a title in football.

Inland Conference action saw Desert break Tehachapi's perfect record by beating them 15-3 and at the same time earning themselves the championship trophy.

The **Eight-Man Conference** title was awarded to the Templeton Eagles after their win over Rio Hondo Prep, 54-26.
