And that they were . . .

Forfeiture of a week’s pay, non-contact with the team over that same period and a daily, three-hour orientation of the entire “Blue Book” for a one-week span accounted for the specifics.

Interestingly enough, none of this sampling had come to the attention of the CIF-SS Bulletin offices. They could have easily been lost in the shuffle.

Actually, the latter was never a consideration—they were all professionals.

UPTON CHOSEN “COACH OF THE YEAR”

Marie Upton, Cypress High School, has been chosen the California Coaches’ Association Girls’ Basketball “COACH OF THE YEAR”.

Upton began her basketball experience at Wayland University on a basketball scholarship. While there, she was selected All American for two years.

Upton’s first teaching and coaching experience was at Meadow High School in Texas. She later moved to Loza High School in Anaheim where she continued coaching in the C.A.A. program. In 1973, Upton moved to Cypress High as athletic director where she organized the girls’ athletic program which moved into CIF competition in 1975. Since that time, Upton’s team have amassed 118 wins and only 34 losses. In league play their league record is 50 wins with only 8 losses. They have reached CIF quarter-finals twice, semi-finals twice and won the league championship 3 out of 6 years.

When interviewed Upton said, “One of my greatest satisfactions has been watching girls’ athletics grow from a G.A.A. program to what it is today. Girls’ basketball has made great strides with more and more girls being able to get a college education with the help of athletic scholarships.”

“...At Cypress in the last 6 years we have had 7 girls receive basketball scholarships to various colleges. We have had six more girls to play on the community college level.

“In the years that I have coached, I have had many girls become coaches themselves. This has been a personal satisfaction to me.

Upton’s name as the California Coaches’ Association “COACH OF THE YEAR” will be turned into the regional competition against those nominees from Nevada, Utah, Arizona, New Mexico and Hawaii. The NATIONAL COACH OF THE YEAR will be named in June.

CONGRATULATIONS, MARIE, AND GOOD LUCK!

1981 GIRLS' VOLLEYBALL CHAMPIONSHIP RESULTS

Upsets were not the order of the day as the top seeded teams in all divisions but Small Schools won went on to their respective titles in girls' volleyball. Most of the 2,000 fans showed up for the title matches which were held at Orange Coast College on November 21, 1981.

In the 4A Division it was the outstanding play of senior Kim Oden and her fresher sister Elma Elma which helped the Irvine Vaqueros defeat Santa Monica, 15-8, 15-3, 15-13. The win gave Irvine its first girls volleyball championship.

3A defending champion Louisvile had their work cut out for them in a scrawny match which was described by many as the best contest of the day. Stasy Taylor of Louisville led her team to a 15-13, 11-7, 12-15, 15-11 win over La Quemada.

Winner of the 2A Division crown, Cajon, had little trouble defeating Royal, 15-4, 11-13, 8-15, 15-0. The Cowboys were the 1980 2A runners-up. An outstanding young Rim of the World team which has a deep roster, managed to defeat Calabasas, 15-9, 17-15, 11-15, 15-2, and secure the 2A divisional title. The Scots look forward to having the whole team return next year.

In the Small Schools Division, an unseeded Linfield Christian with their powerful offensive dominated Trona, 15-2, 15-6, 17-15, to secure that divisional title.

Congratulations to all the above teams, win or lose you are still champs!!!

1981 CIF-SOUTHERN CONFERENCE FOOTBALL WINNERS

It was a game which could have been compared with the David and Goliath saga, and a record crowd of almost 30,000 fans came to Anaheim Stadium to watch.

St. Paul High School's small, spunky Swordsmen gave it their best and were rewarded with a perfect 14-0-0 record and a CIF-Southern Section Big Five Championship. Their opponents, the Cotton Yellowjackets, were completely neutralized of their sting on this night as they were held to only 9 points to the Swordsmen's 15 at the end of the first half of play.

The second half proved to be even more disastrous to the Yellowjackets as the Swordsmen came up with two more touchdowns and three extra points to make the score 30-9, which is how the game ended.

Two conference titles were decided the next night at an Anaheim Stadium doubleheader featuring the Coastal and Southern Conference finals.

A combined crowd of 16,113 spectators were on hand to see the Santa Monica Vikings outplay the defending champs, LB Poly, 21-8 and capture the Coastal Conference crown. It was the first time Santa Monica had been in the finals in 23 years when they lost to the very same school, LB Poly, in 1958. Interesting to note is the fact that the present head coach of Santa Monica, Tebb Kussorov, was a member of that 1958 team.

In the following game, excitement was in the air as fans were treated to an electrifying three overtimes to decide the winner. The Foothill Knights prevailed and beat El Modena, 21-14, to gain the Southern Conference crown.

In Northwestern Conference action Antelope Valley defeated Burroughs of Burbank, 21-14, to gain that title.

In a close game, the Southeastern Conference Championship was decided by one point, as the Indy Rajahs defeated top-seeded Ganesha, 21-20.

It was Arlington all the way, as the Lions roared to a 23-8 victory over formerly unbeaten Rubidoux, thus gaining the Eastern Conference honors.

Orange Coast College was the site of the Central Conference and mighty Mission Viejo made it perfectly clear who should be declared the No. 1 team, by a 35-0 rout over Los Amigos.

LONGEST WIN STREAK IN WATER POLO BROKEN

A splendid Wilson High of Long Beach water polo team managed to stop the perennial power Newport Harbor, 12-11, to win the 4A CIF-SS Water Polo crown for 1981.

While Wilson has been in the playoffs numerous times over the years, it is the first time that the Bruins have captured a CIF Southern Section championship.

The Bruins victory ended a consecutive win streak for Newport Harbor which won the title in 1990, ’79, ’78 and ’77 and also were the champs in ’75, ’70, ’68 and ’67.

In 4A action, Villa Park won its first-ever water polo championship by defeating Foothill 10-6. The Spartans were the runners-up last year.

A strong Crespi Celis team outscored the 2A defending champs, La Puente, 9-6 to earn the 2A title.

In the individual competition, Polly Plummer, University (4A), won her second straight title, as did Leslie White of Sonora (3A), and Lori Lopez, Sacred Heart (1A) did the same. But Tanya Fischer of Chaminade upset defending champion Vicki Cook to win the 2A title.

Another Look at the Budget

FORESIGHT AND VOLUNTEER EXPERTISE REAL SAVINGS

(EDITOR'S NOTE: The following is the second in a series of feature articles by Commissioner Ray Plutko, dealing with the structure and various insights to the CIF Southern Section budget.)

Inflation and sources of income were two given factors when the initial CIF Southern Section budget was designed in 1975, but inflation is now 1982 and as with any organization, the major focal point is expenses.

"Just what am I getting for my dues?"

Not a bad question for openers and with that in mind, let's take an in-depth look at two areas listed under expenses of the current 1982-83 working budget.

Publications will account for $34,100 and the area of Council another $31,000. But what are the specifics to those budgets?

For decades the Southern Section has prided itself in the overall appearance of its various publications, ever-so-conscious of rising costs, yet attempting to produce materials which are eye-appealing and conducive to reader retention.

The accountability to costs is more than evident in that Publications are DOWN $3,600 over the previous year, while the appearances are even that much more appealing.

This aspect of the budget accounts for the printing and publication of 13,000 Blue Books, 7,000 Directories, the Press Guide and Record Book, the monthly Bulletin and one item often overlooked, the purchase and distribution of all National Federation Rule Books for each of the Boys' and Girls' sports.

The latter is a great saving in that the Southern Section Office orders same on a volume basis and as a courtesy, files requests for various official organizations at the rate price.

Some may question the large order for Blue Books, but since distributing one to the head coach of each Boys' and Girls' sport, the total number of violations and telephone calls to the CIF-SS Office have declined. Additionally, over the past two years, the office has managed to have the content placed on computer tape and thus, the only new costs are for changes in the updating of the tape.

But what about the Council -- do their costs equate to $31,000 at just four meetings a year?

Far from it. But this segment of the budget does cover expenses for all Council representatives, including those of the Girls' Coordinators -- travel and meals.

In addition this area of the budget provides some for all members of the 25 Boys' and Girls' Coaches Advisory Committees; the 16 Administrative Committees (playoff groupings, re-leauging, legislative, junior high, etc); Executive Committee representatives to the National Federation meetings, and most recently, the popular symposiums (Athletic Administrators and Superintendent/Board Member).

When one considers the Southern Section is fortunate to have the expertise of its administrators and coaches on a voluntary basis, these ingredients have accounted for one of the top prosperous organizations in the United States -- it's a then sacrifice of time and talent which are the heart of this association and profitable budgetary items indeed.

Executive Committee Minutes . . .

(Continued from page 2)

COMMITTEE -- Commissioner Plutko reviewed the final recommendation of the Boys' Basketball committee which will be forwarded to the State Federated Council at their February meeting. These recommendations include the adoption of criteria for State regional and championship activities.

FEBRUARY STATE FEDERATED COUNCIL MEETING -- Commissioner Plutko outlined agenda items submitted by the Southern Section for the upcoming State Federated Council meeting. These include competition with CETYS, Trevista High School swimming competition, major league baseball telecasts in conflict with Friday night interscholastic football contests, ethics, organization aspects, and State Constitution publication.

WRESTLING -- Proposing was moved, seconded and passed to direct the CIF Southern Section delegates to vote to table this matter until the May meeting of the State Federated Council in order that Sections may take the final proposal back to leagues for review.

NATIONAL FEDERATION MID-WINTER MEETING - Mr. Balsamo reported to the National Federation Board at the Mid-Winter meeting. The major items reviewed were the football rule changes for 1982.

LEGAL UPDATE -- Mr. Andrew Patterson, attorney, reviewed with the Committee various litigation cases throughout the Southern Section and their relationship to the Southern Section.

HARVARD SCHOOL REQUEST -- It was moved, seconded and passed to approve the request from Harvard School to allow its baseball team to utilize school equipment during a summer instructional program in Europe.

GOLDENWEST CHRISTIAN ELIGIBILITY PROBLEM -- Commissioner Plutko reviewed background information relative to GoldenWest Christian High School and the Committee directed an appeal hearing be scheduled.

ROWLAND HIGH SCHOOL REQUEST -- It was moved, seconded and passed to allow Rowland High School to use student athletes for the purpose of demonstration during the dedication ceremony of the school's new gymnasium on March 14, 1982.

APRIL MEETING DATE -- It was moved, seconded and passed to set the April meeting of the CIF Southern Section Executive Committee for Thursday, April 13, 1982.

There being no further business to come before the Executive Committee, the meeting was adjourned at 11:35 a.m.

DON'S WIN FOURTH CONSECUTIVE TITLE

This year's girls team tennis championships saw victories in three of the four divisions. Santa Barbara High School won its fourth consecutive CIF-SS AA championship when the Don's beat Palos Verdes 10-8 in the round robin match. When asked about his team's unprecedented success over the years, coach Lloyd Garrison, who is planning to retire this year, replied, "I've had a lot of talent to work with and these girls have shown a real willingness to work hard and have been very cooperative."

In other divisional action Laguna Beach won the 3A championship for the second year by defeating Riverside Poly 14-4. These were the same two teams which met in last year's title match.

Calabasas followed the lead of Laguna Beach in defending their 2A championship by a 16-2 victory over last year's opponents, La Serna.

In 1AA action Westridge edged Pasadena Poly 10-8 to take top honors.

SPENCE CLAIMS SINGLES TITLE IN GIRLS TENNIS

The Racquet Club of Irvine was the setting for the 1981 CIF Southern Section Girls' Individual Tennis Tournament. The final match between Spence and LaFranchi represented a hard hitting, baseline game with Spence's service only being broken once throughout the entire match. Both young ladies played well, but DeWitt's overhead crosscourt shot and consistent play overcame Maria LaFranchi in straight sets, 6-2, 6-2. "It was the finest match I've seen all year," said Interactive's Fred Lurie, "and I always thought the best style of tennis was the old-fashioned, 'man against man.'"

"I doubt that," replied Charles Wixson, "but DeWitt's overhead shots really does it for me."

 Doubles was won by the sister team of Sue and Cathy O'Mara, Estancia High School. The O'Mara sisters played an extremely aggressive serve/volley game to overcome Outrider/Paton 6-1, 6-4, whose impressive Australian doubles style play almost provided a comeback in the second set. Overall the Individual Tournament represented the finest players in over 480 high schools throughout the Southern Section.

Mr. and Mrs. Finn, Assistant Principals

Scott runs every day and lifts weights. While not being able to fully participate in practice due to a cracked rib, he is keeping fit on a limited exercise program. He loves all sports and would play football except for a knee injury sustained on a climb of Pikes Peak (the climb was part of the program at the Olympics Training Camp which he was invited to attend).

Plans for next year include going out for cross country in the fall and, of course, wrestling in the winter.

The CIF Southern Section staff values Scott. He is another fine example of the dedicated and versatile athletes involved in interscholastic activities — “THE OTHER HALF OF EDUCATION.”

in our programs as possible, we lack accountability to those considered the heart of our organization — not to mention the officials, the entire student body, the district and the community.
Each individual contest, regardless of the sport, lasts but a few minutes. The damaging results from such an occurrence are timeless.
Administrators are urged to review this aspect and the potential consequences with their staffs at the start of each sport season . . .

championship programs and the directory of member schools. The company will also provide its product to be utilized by the teams participating in the championship basketball, track and field and baseball events.
In return for these considerations the company has agreed to a $3,500 contribution. This amount will directly reflect back to the schools by allowing the CIF-SS to keep the dues at a minimum. The Southern Section dues rate is the lowest among all other sections in the state and is among the lowest in the nation.

1981 Conference . . .
The Verbum Dei Eagles soared high in the sky as they handily defeated Miraleste, 29-13. The win earned them the 'Mountains League Conference Championship, making it the first time ever that the school has won a title in football.
Inland Conference action saw Desert break Tehachapi’s perfect record by beating them 15-3 and at the same time earning themselves the championship trophy.
The Eight-Man Conference title was awarded to the Temecula Eagles after their win over Rio Hondo Prep, 34-26.

BASKETBALL
TWO ACTION PACKED WEEKS
March looks to be a very exciting month for basketball fans. It will begin with an entire week of championship basketball at its best, the CIF Southern Section/Thrifty/Big 5 Basketball Tournament of Champions. The lineup for this weekend event will feature the finest boys' and girls' prep basketball teams as they vie for nine respective championships. This championship tournament, sponsored by the CIF Southern Section, Thrifty Drugs and Big 5 Sporting Goods begins Tuesday, March 2 and culminates Saturday, March 6 at the Long Beach Arena. A reserved "Tournament Week" pass is being made available for only $22.50. With this pass, fans will be assured of a guaranteed seat and best of all, no waiting in line.
The excitement will build as the Southern Section Championship Week is followed by the first-ever State Regional Championships. Under a new format adopted earlier this year, there will be a Southern and Northern Championship with the winners from each qualifying to compete in the State CIF Basketball Finals. The Southern Regional Championships, hosted by the CIF Southern Section are scheduled to run daily from Tuesday, March 9 through Saturday, March 13 also at the Long Beach Arena. The format for the competition divides the tournament into two divisions. Division I will consist of these eight boys' teams and eight girls' teams: 1A Champions from: Central Section, Los Angeles Section, and Southern Section; 4A Champions from: Los Angeles Section, Southern Section; and one At-Large selection. Division II will consist of seven boys' and four girls' teams: 2A Champions from the Central Section and Southern Section; 1A Champions from the Southern Section; and one At-Large selection.

AMERICAN INTERNATIONAL SPORTS
NEWEST CORPORATE SPONSOR

American International Sports (AIS) is the newest company to demonstrate its support for high school athletics through a corporate agreement with the CIF Southern Section.
This Orange County based firm is the largest U.S. manufacturer and distributor of soccer uniforms and equipment. While in operation for only five years, the company boasts an exceptional growth rate, as they have doubled in size each year. Youth soccer leagues have contributed greatly to the success of the firm thus far, however, the push in the future will be high school soccer programs. To aid in this endeavor a "Sample Showroom on wheels" is in the planning stages.
AIS will be co-sponsoring the 1982 CIF-Southern Section Boys and Girls Soccer Championships by underwriting $5,000 to co-sponsor the event with Puma Inc. Rick Harris, president of AIS, expressed his feelings regarding the company's association with the CIF by stating: "Due to my love of soccer, it's delightful to find the sport successful on the high school level. I'm excited to see soccer take hold and want very much to be a part of it!"

PLUTKO: TO BE KEYNOTE SPEAKER

The National Federation of State High School Associations recently in¬
nounced Ray Plutko, CIF-SS Commissioner to give the keynote address before the General Assembly. The National Meeting will be held this summer in Florida, June 28 - July 2.
Plutko will speak on sports marketing and how our Association has used this very successful technique in keeping our dues among the lowest in the nation. When asked about this invitation the Commissioner said:
"It's an honor to be extended the invitation, but I'm pleased just to have the oppor-
tunity to share our experience with others throughout the United States.
"Discussion of this nature lends itself to additional ideas and that's what we are always in search of for the Southern Section. In fact, I plan on showing our new CIF-SS film as part of the presentation."
