JUNE — ANNUAL REPORT
No. 10

CROSSCOUNTRY
The annual C.I.F. Southern Section Crosscountry Meet was run around the golf grounds of the Long Beach Recreation Park. The race was run in three sections as there were fifteen schools that entered six man teams.
Maurice Lawhead of Point Loma won for the schools of less than 1200. His time was 9:33.9.
For the 1900 class Dan Guest of Santa Monica won in 9:55.9.
Frank Seriozess of Long Beach Poly won in the unlimited class with a time of 9:39.
The race was 1.8 miles in length.

BASKETBALL
The Executive Committee appointed Mr. Bergstrom, Mr. Hamilton, and Mr. Van Patten a committee to organize and conduct a basketball play-off. The committee decided to have a two day tournament with eight teams playing, on the 8th and 9th of March. Arrangements were made to hold the final tournament in the Whittier College gymnasium.

The eight field of league champions to eight, eight preliminary games were played. Santa Barbara beat Fillmore, South Pasadena beat Long Beach Poly, Santa Monica and Carpenters, San Bernardino and Bonite, El Monte beat Bishop, Hoover (San Diego) beat Brawley, Lovelock, Ivanhoe and Huntington Beach beat Tusin.

The eight team tournament at the Whittier College gymnasium was run off as follows:

Preliminary round:
El Monte, 34—Loyola, 32
Santa Monica, 28—San Isidro, 21
South Pasadena, 33—Hoover (S.D.), 23
Huntington Beach, 34—San Bernardino, 29

Final round:
South Pasadena, 33—Huntington Beach, 27

Consolation game:
El Monte, 48—Huntington Beach, 36

South Pasadena, 30—Santa Monica, 25

Every one of the eight teams in the final tournament played like a champion.

The coaches and players who took part in the tournament as Whitties all seemed to feel that they would like to see the final tournament for the championship further developed.

The net proceeds of the last C.I.F. Southern Section is indicated in the financial statement given below.

REPORT OF YEAR’S WORK
This June issue of the C.I.F. Southern Section Bulletin is given up largely to a report on our activities of the year 1945-1946.
We believe it to be a good plan at the end of the year, to review what we have done and see what progress, if any, we have made.
At the start of the school year in 1945, a great war had just been finished. We had had four years of restricted activities. Everybody was ready and anxious to expand our program and get back to normal just as soon as possible.
It was certain that the year would produce a full program of sports.

FOOTBALL
At its first meeting of the school year, the Executive Committee decided to return the play-off in football. The play-off had been abandoned in 1942 because of the tire and gasoline shortage.

The Executive Committee approved plans for a play-off among eight large leagues and left to a football committee any other play-off games that seemed desirable.

The eight large leagues were matched for games on December 1, December 8, and December 15. The matching was made on a geographical basis.

On December 1, Woodrow Wilson traveled to San Diego, Pomona to Santa Ana, Alhambra to Inglewood, and Loyola to Glendale. On December 8, Santa Ana traveled to Woodrow Wilson, and Alhambra to Glendale.

On December 15, Alhambra and Santa Ana, the two finalists, met in the Los Angeles Coliseum before a crowd of approximately 11,000. The game was brilliantly played and was worthy of a much larger audience.
Santa Ana won by a score of 33-21.

Throughout the league season an unusual number of close, hard-fought games had been played. In the seven play-off games among the big schools, every team performed like a real champion. Two of the play-off games—Alhambra vs Inglewood, and Glendale vs Loyola—ended in a tie and had to be decided on the basis of the first downs made by the contesting team.
The money income from the play-off was the best ever realized by the C.I.F., Southern Section. See financial report below.

Besides the play-off games listed above, Bonita,
It took a full three hours to run the meet. The next meet next year will be organized on such a basis that it can run in a much shorter time.

**SWIMMING**

The swimming season was inaugurated by a swimming relay carnival at Whitter High School on Thursday, February 21. Teams took part in the meet. The schools were represented by over three hundred boys. Fifteen events, all relays, were made up the program. Beverly Hills won the Class A with 42 points and the Class C with 44 points. Whittier won the Class B with 52 points.

On March 16 an invitational swimming meet was held at the Compton College. It was an all day affair. Preliminaries were run off in the morning and finals in the afternoon. Five hundred and twenty-one were handled in the forenoon. Fifteen schools took part. Fullerton won in Class A with 405 points.

In Class B Whittier was first with 553 points. Beverly Hills was first in Class C with 28 points.

**WRESTLING**

The wrestling tournament was held at the Central Union High School in El Centro on Saturday, March 16. A report on the activity has not been filed as yet (June 10). We have been informed that the San Diego High School was the winning school.

The outstanding feature of the tournament was the presence of so many entries that the matches were all not finished until 1:15 A.M., Sunday, March 17.

The wrestling set up will have to be overhauled and a two-day tournament provided for next year.

**GYMNASICS**

Wednesday, April 24, the gymnastics tournament was held at the Mark Keppel High School gymnasium. Eight schools made an even one hundred entrants. A list of the schools entered and the number of points won by each is given below:

- **Beverly Hills**: 32
- **Keped**: 23
- **B. Polly**: 21
- **Hoover (S.D.)**: 17 1/2
- **Pasadena**: 15
- **Santa Monica**: 8
- **Santa Paula**: 4
- **Eliot Jr. High**: 0

It was a complete sweep for the No. 1 team.

**BASEBALL**

All of the twenty leagues of the C. I. F., Southern Section played regular schedule of games. Santa Barbara played a schedule of fifteen free lance games.

The Executive Committee directed Mr. Van Patten to set up a play-off series of games for four league champions that wanted to participate in the play-off.

Twelve league champions were matched geographically. In the first round, Bonita beat San Bernardino, Exeter beat Garden Grove, Ingelwood beat Compton, San Diego beat El Centro, and Pasadena beat Ventura.

In the second round Exeter won from Bonita, Ingelwood won from Compton, San Diego won from Orange.

In the semi-finals Ingelwood won from Exeter and San Diego won from Pasadena.

The final game was played at Lane Field in San Diego on July 26. San Diego played a completely unusual game as San Diego won 18 to 0. The San Diego pitcher allowed but one hit, which was very much of a scratch variety.

Dewey J. (Mike) Morrow, Coach at San Diego, has coached a number of championship teams at San Diego High School. His 1946 edition seems to have been one of his best.

**TEAM TENNIS**

Only five teams took part in the team tennis play. They were Long Beach Poly, Long Beach Poly, South Pasadena, and Whittier.

South Pasadena eliminated Long Beach Poly and Whittier and Beverly Hills disposed of Loyola. This left Beverly Hills and South Pasadena for the finals. The matches were played on the courts of the Los Angeles Tennis Club and were won by Beverly Hills by a score of 16 to 12.

Hebert Flan of Beverly Hills and Hugh Stewart of South Pasadena were the outstanding players of the year in Southern California High School Tennis. They both graduate this June.

**GOLF**

An eighteen hole medal golf tournament was played on the links of the Montebello Golf Club on May 31. Forty-four boys entered. The winners were: Don Hunter of Santa Monica High School and Don Koith of Cathedral High School tied for first with a score of 72, which is par for the course.

The play-off was won by Hunter at the nineteenth hole. Beverly Hills High School won third place with a card of 74.
SPORTS FINANCES

Below is given the money returns from the different sports activities carried on by the C.I.F., Southern Section. The money returns include entry fees and the one-third of the net on championship events.

SANCTIONED EVENTS

The C. I. F., Southern Section has for years exaggerated by habit to sponsor athletic activities. During the War period, many of these events were discontinued. 1949-1946 saw most of these events reestablished.

Basketball
The Huntington Beach Tournament, the Chino Tournament, the Compton Tournament, and the Beverly Hills Tournament were successfully conducted this year.

Baseball
Pomona conducted her annual Baseball Tournament. Thirty-two schools took part. The tournament was won by Herbert Hoover High School of San Diego.

Track
On April 6, Laguna Beach held a track meet for schools under three hundred in enrollment. This meet was a real service to the small schools. The Lafayette schools were able to compete on even terms with over twenty schools.

On March 23 the Huntington Beach 24th Track Meet was held. This meet is a double header affair. They have a meet for the small schools and another for the large schools. About forty schools and nearly seven hundred boys took part.

The Chaffey Invitational Meet was held this year on April 27. The Chaffey Meet is a double header affair and Chaffey has a novice meet and a Varsity meet.

The Chaffey Meet and the Huntington Beach are a co-sponsored meet by the Southern California Divisional Meets.

These meets attracted the track athletes of Southern California schools a fine opportunity for competition under championship conditions. Many of our best track athletes have gone their start at Huntington Beach, Laguna Beach and at Chaffey.

C. I. F. SOUTHERN SECTION

MONTHLY BULLETIN

COLLEGE AND HIGH SCHOOL COOPERATION

OAKLAND PUBLIC SCHOOLS
Office of
Supervisor of Physical Education and Recreation

April 26, 1946
Mr. Harry Moore, Principal
Woodrow Wilson High School
Long Beach, California
Dear Mr. Moore:

At the recent C.I.F. meeting I spoke about the matter of the all-star games and other types of practices to be allowed with athletes outside of school. The jurisdiction of school authorities. At that time the C.I.F. took immediate steps to handle the high school athletic associations in states where there are member schools of the Pacific Coast Intercollegiate Conference, and all members of this conference agreed that the problem becomes a matter of joint discussion at the next meeting of the Pacific Coast Conference.

Report on the Mid-West Meeting
In attendance were all the athletic directors of the Big Ten, their commissioners, Mr. Wilson, state high school athletic association director of six states, and Mr. Porter of the National Federation.

They discussed the following four points:
1. Possibility of extending eligibility rules to cover the period of high school and college attendance.

2. Problems connected with the use of college facilities for contests which involve high school athletes, which are not sponsored by the state high school association.

3. Possibilities of cooperation with state organizations in distributing information concerning college eligibility.

4. Possible means of improving cooperation in an expanded baseball program.

The recommendation was summarized as follows:

"With respect to the conference, there was almost unanimous agreement that the welfare of both the high school and collegiate programs will be promoted by strong eligibility controls to prevent the all-star and post-season contests at the high school level. It was felt that certain modifications in present policies and some of these contests should be made before there is any adoption of a specific agreement along the proposed lines. The matter is to receive further study and will be given sympathetic attention with a view to ultimate action if the intermediated steps as adopted in connection with Item (2) should not prove to be adequate."

"It was agreed that another joint meeting will be held next December."

"The Western Conference directors voted to prepare a statement of the situation in conference with their sympathetic attitude toward the high school organizations in their attempts to exercise proper controls over all-all star and out-of-state contests. This statement will approve the principle that such contests are, in general, undesirable at either the high school or college level."

For Item 3, it was agreed that brief summary of major eligibility cases should be made up by the conference commissioner and that such summary will be distributed by the state group.

For Item 4, it was agreed to cooperate in formulating a basketball program as outlined. Baseball talent teams will be made up of men from Conference athletic departments to work with representatives of other groups to service the high school coaching clinic. Mutual assistance will be given in connection with the expanded athletic program. This opportunity to assist in the scoring of events, the distribution of baseball movie pictures, and baseball code program as outlined. Item 2 led to adoption of a general agreement.

Upon motion of Mr. Crisler of Michigan, seconded by Mr. Pipes of California, the following statement was adopted by the joint group, subject to any necessary reference to the governing authorities of the respective groups.

"Agreement on Athletic Contest Sanction Adopted by Athletic Directors of the Western Conference of Atlantic States and State High School Associations"

"A sanction agreement affecting all-star and out-of-season athletic contests has been worked out at a joint conference of the Athletic Directors of the Western Conference and of the State Executive Officers of those National Federation member states in the Western Conference area. "It is agreed that all-star and post-season programs and of participants in such programs will be promoted by control
