JUNE, 1935

BULLETIN

The newly elected Executive Committee met in the C.I.F., Southern Section Office at 3:30 P.M. Thursday, June 6. Members present were -- Mr. Alman

Mr. Hamilton
Mr. McIntosh
Mr. Moore

Mr. Fischer was unable to attend because of graduation exercises at his high school that day.

The Committee drew lots to determine the length of term to be served by each of its members. Mr. Alman drew the one year term, Mr. McIntosh the two year term, Mr. Hamilton the three year term, Mr. Moore the four year term and Mr. Fischer the five year term.

The Committee agreed informally that the Chairman for each year should be the member whose term was to expire at the end of the year, thus making Mr. Alman Chairman for the year 1935-36.

Mr. Ross of the Covina High School submitted the following question. A seven semester boy at Covina (Maurice Mistad) had sufficient credit to graduate this June. If he chooses to remain in school and not graduate until next February, at the end of his eighth semester, will he be eligible next fall?

Ruling: A boy is eligible until the close of his eighth semester, even though he has sufficient credits to graduate before that time provided he has not accepted his diploma. Section IV, Rule D of By-Laws, 1930. (Unanimous decision Executive Committee).

Mr. Van Patten reported on communications that he had had with the Brawley High School since the meeting of the Council on May 18. The following action was taken by the Committee.

Moved by Mr. Hamilton, seconded by Mr. McIntosh that the Brawley High School be notified that when the 1934 football trophy has been delivered to the rightful champion of the League for 1934, that the Executive Committee will be glad to entertain a request from the Brawley High School for reinstatement. It being understood that such a request shall have the approval of the Principal of the High School as well as the High School Board of Education. Carried.

There seems to have been some lack of definiteness in regard to the subject of appointment of Officials for Leagues being served by the Southern California Football, Basketball and

Baseball Official's Association. The Executive Committee wants it made very definite that all appointments are to be made by the Commissioner of Athletics of the C.I.F., Southern Section. Where Leagues are served by other Officials' Associations that have been recognized by the C.I.F., Southern Section, the appointments may be made by local Commissioners. The Official's Associations that have been recognized by the C.I.F., Southern Section are the Orange County, the one in San Diego County, the one in the Citrus Belt area and the one for Santa Barbara and Ventura Counties.

The Exponents for Classes A, B, C, and D under the new classification system were agreed upon and are as follows:

- Class A - 88 and above
- Class B - 82 to 87 inclusive
- Class C - 78 to 81 inclusive
- Class D - 77 and below

A revision of the Constitution was gone over and agreed upon and Mr. Van Patten was instructed to prepare mimeographed copies and to mail at least three copies to every school prior to the opening of the new term in September.

This revision of the Constitution will contain full date and instructions relative to the new three-point system of classification.
