Mr. Van Patten

Mr. McIntosh, the Treasurer of the C. I. F., Southern Section was also in attendance.

1. The Committee elected Mr. Hamilton President for the year 1941-42.
2. The Method of handling the funds of the C.I.F., Southern Section was discussed at considerable length. Mr. McIntosh pointed out that the actual time consumed in keeping books, writing checks, making reports, etc., was more than

he felt that he could give to the work. He did not feel that with the set-up he has in his office it would be satisfactory to try to have one of his office helpers paid for handling the work.

Moved by Mr. Fischer, seconded by Mr. Hayhurst that Mr. McIntosh be appointed Treasurer of the C.I.F., Southern Section; that Mr. Van Patten as Secretary to the Executive Committee keep the financial records of the C.I.F., Southern Section; that funds of the C.I.F., Southern Section be handled by the C.I.F. Office; that both Mr. McIntosh and Mr. Van Patten sign all checks for payments from C.I.F., Southern Section funds; that Mr. Van Patten prepare financial reports whenever requested for Mr. McIntosh to submit to the Executive Committee; that Mr. Van Patten be bonded for the sum of \$5,000.00 or more, if funds in excess of that amount are on deposit. Carried.

3. Mr. Van Patten reported that he had been contacted by the officers of the American Golf Association, by the Public Golf Course Managers' Association, and by the Golf Professionals' Association. All these organizations are anxious to do anything they can to promote golf among high school boys and high school girls in Southern California. What these Associations request is that the schools formulate a program and tell them how they may best assist in promoting high school golf. Moved by Mr. Fischer, seconded by Mr. Hayhurst that a committee be appointed to make the necessary surveys, and formulate plans to be submitted to the Executive Committee at its next meeting. Carried.

The President appointed Mr. H. J. Moore, Chairman of a golf committee, Mr. A. R. Veenker and Mr. Donald Douglass.

4. Mr. Van Patten reported that the C.I.F. Office and the Executive Committee in presenting facts to the United States Revenue Department regarding exemption from Federal taxes on our athletic activities had over a period of two years received counsel and assistance from Judge W. Cloyd Snyder of South Pasadena. Judge Snyder had presented a bill for fifty dollars.

Moved by Mr. Hayhurst, seconded by Mr. Fischer that the bill be approved and paid. Carried.

5. Mr. Van Patten called attention to the fact that the Orange County League and the Pomona Valley League had neither of them been represented at either of the Council meetings of the current school year.

Moved by Mr. Fischer, seconded by Mr. Hayhurst that the schools of these two leagues be notified that the leagues have become liable to suspension for a semester according to Article IV, Section 1, Page 6 of our Constitution. Carried.

6. Moved by Mr. Hayhurst, seconded by Mr. Fischer that Mr. McIntosh have his books audited by the head of his commercial department preparatory to inauguration of the new method of handling C.I.F., Southern Section funds on July 1, 1941. Carried.

The Committee adjourned to meet Saturday, October 4 if not called together at an earlier date by the President.
