MINUTES APPROVED

The minutes of the Council meeting of February 5, 1944 were approved as printed in the February Bulletin. The minutes of the Executive Committee meeting on March 22, 1944, and printed in the April, 1944, Bulletin were approved as printed.

FINANCIAL REPORT

The financial report given below was presented by Mr. Van Patten. It was moved by Mr. Moore, and seconded by Mr. Buxton that the report be accepted and printed in the June Bulletin. Carried.

MEMBERSHIP DUES FOR 1944-1945

The Executive Committee, at its meeting on March 22, 1944, passed a motion recommending that the membership dues for each school for the school year 1944-1945 be 5c per pupil in A.D.A., based on the Principal's report for this year, and that the minimum dues for any school be ten dollars (\$10.00) for the school year 1944-1945.

Moved by Mr. Moore and seconded by Mr. Hamilton that the recommendation be approved. Carried unanimously.

BUDGET FOR THE SCHOOL YEAR 1944-1945

It was moved by Mr. Moore and seconded by Mr. Hartman that the Executive Committee prepare a budget for the year 1944-1945, and mail copies to each member of the Council for consideration and approval. Carried unanimously.

STATE COUNCIL AND C.I.F. ATHLETIC PROTECTION FUND REPORT

Mr. Moore, President of the State Council, reported at some length on the State Council meeting held in Fresno on May 6, 1944.

His report dealt chiefly with the C.I.F. Athletic Protection Fund and the C.I.F. Pupil Protection Fund.

The C.I.F., Athletic Protection Fund has been operating since September, 1939. The organization has been so successful that it is able to reduce the cost of protection to our athletes to the extent of practically 20 per cent, starting next school year.

The C.I.F. Pupil Protection Fund is in its first year of operation. The experience to date seems to indicate that the cost per pupil (50c per year) can be very materially reduced when the Fund is permanently established.

A communication from Mr. Ingham, of Pacific Grove, received May 27, indicates that two copies of the proceeding of May 6 have been sent to each school of the C.I.F., Southern Section.

PHYSICAL FITNESS PENTATHLON REPORT

Mr. Van Patten presented the facts given below in regard to the Physical Fitness Pentathlon work carried on among our member schools this year.

Dr. Earl Thompson urged all members of the Council to emphasize the Physical Fitness Pentathlon work to the schools of their leagues. He pointed out that now, more than ever before, physical fitness is an absolute necessity. Interscholastic athletics are doing much to develop physical fitness, but there is much to be done if our boys are to be physically fit in the highest sense, that athletic sports cannot accomplish.

It is Dr. Thompson's opinion that every high school in California should have a definite physical fitness program and report its experiences to the C.I.F. authorities, so that all schools may be informed and benefit from the plans and accomplishments of other high schools.

THANK YOU LETTERS

Mr. Hamilton pointed out that in these difficult times we should be especially alert to give recognition for all favors in the work of the C.I.F., Southern Section. A note of appreciation for any courtesy, favor, or assistance is always in good taste and always appreciated. A file of such notes is a great satisfaction to the receiver.

ELECTION OF OFFICERS

Mr. H. A. Berlin, who has represented the Ventura League on the C.I.F. Southern Section, Council for about twenty years, was elected President of the Council for next year. The election of Mr. Berlin followed the usual practice of rotating the Presidency among the League Representatives.

By the same rotation the Vice-Presidency goes to the Ventura Minor League if that league wants it, otherwise the office goes to the Victory League.

Mr. Van Patten was nominated for Commissioner of Athletics for another year. Moved by Mr. Chase, and seconded by Mr. Buxton that the nominations be closed, and the vote of the Council recorded in favor of the nominee. Carried.

Mr. Harry J. Moore was nominated for a two year term as State Representative. Several seconds were made to the nomination. Mr. Moore was unanimously elected.

Mr. S. Chester McIntosh was nominated for Treasurer by Mr. Moore. Mr. Smith seconded the nomination. There being no further nominations, Mr. McIntosh was declared unanimously elected.

It was moved by Mr. Berlin and seconded by Mr. Buxton that the five present members of the Executive Committee be continued in office for another year. (The present members of the Executive Committee are: Mr. Bergstrom, Mr. Fischer, Mr. Hamilton, Mr. Hayhurst, and Mr. Veenker.) There being no further nominations the vote on Mr. Berlin's motion was unanimous.

The election of officers finished the formal business of the meeting.

TRIBUTE TO RETIRING PRESIDENT

In a few well chosen comments Mr. Hamilton paid tribute to Dr. Earl Thompson, District Superintendent of Schools, at Claremont, for the fair, friendly, and efficient way in which the duties of the office of President had been discharged during the year just closing. Mr. Hamilton pointed out that due to the World crisis, the past year had been a difficult and confusing one for the C.I.F., Southern Section and that in this crisis, Dr. Thompson had proved to be a splendid balance wheel.

Dr. Thompson in his closing remarks stated that he had considered it a pleasure and a privilege to serve the schools of Southern California as head of their interscholastic athletic organization.

TRACK MEET TICKETS AND PROGRAMS

At 11:20 A. M., Mr. Arnold Eddy, General Manager of the Associated Students of the University of Southern California, came into the meeting and presented reserved seat tickets, and a program, for the afternoon track meet to each Council Member. Mr. Eddy stated it was a pleasure for officials of the University to cooperate with the C.I.F., Southern Section, in its work for interscholastic athletics.

ADJOURNMENT AND LUNCH

At 11:30 A. M. the Council meeting was adjourned and the Council members proceeded to the dining room of the Students' Union Building,

where a fine lunch was served. Mr. George Moore, genial manager of the Student Union Grill, had set up a special table for the Council, and despite ration points, manpower shortage, and other handicaps, a fine substantial meal was enjoyed by the men present.

NERVE WRECKING FINISH

Glendale and Santa Monica High Schools met in the finals of the team tennis play-off on the courts of the Los Angeles Tennis Club, on May 29.

When the match was all finished but one set of doubles, the score was: Santa Monica 13, Glendale 13½. The set of doubles was 1½ points. The match and the championship for the year was at stake. Both teams were aware of the importance of winning the set. The crowd and the players were soon very tense. The set was finally won by Glendale after an hour of suspense, by a score of 11 to 9.

The players for Glendale were Bill Kinsel and Dick Haynes; and for Santa Monica, Roy McLaughlin and Bob Swartzell.

OPEN FOOTBALL DATE

The Santa Monica High School has an open date in its football schedule on November 17. Contact Mr. Floyd Mishler by letter or by phone—Santa Monica 5-3204.

NIGHT FOOTBALL POPULAR

Group 4 (Burbank, Glendale, Hoover, Pasadena and South Pasadena) has scheduled all its Class A football games for 8:00 P. M. during the 1944 season.

Glendale and South Pasadena have lighted fields. A number of the games will be played in the Rose Bowl. The football minded public likes the night games, and large crowds are always in attendance

NEW TRACK AND FIELD RECORDS

Del Smith, of Glendale High School, set a new C. I. F., Southern Section pole vault record in the Hoover Divisional Meet on May 20. The old record of 13' 3¾" was made by Bill Sefton of Los Angeles Poly, in 1932. It was the oldest record on the C.I.F., Southern Section calendar. Smith's new mark is 13' 5¾".

Paul Kirklen, of Long Beach Poly, set a new record of 1:26.2 in the Class C 660 yard run. The old record was held by Egelson, of Elsinore, at 1:26.6.

Smith and Kirklen will be awarded a gold track shoe each in recognition of their achievements.

TICKET TAX REGULATIONS

The C. I. F. Office has the promise of Mr. Louis J. Manion, Deputy Internal Revenue Collector, of the Los Angeles office, to work out a summary of ticket tax regulations for the special benefit of C. I. F., Southern Section schools. The summary will be printed in the September Bulletin. We hope the report will be so brief, plain, and concise, that it may save time for every high school business office.

ETON FIELDS DOWN TO DATE

The Duke of Wellington said more than a hundred years ago that the Battle of Waterloo was won on the playing fields of Eton. He might have said that participation in vigorous athletic sports helped produce superior soldiers. What was true of the fields of Eton prior to 1815 is equally true of American high school and college athletic fields of today.
