## DOWNEY GOLFER WINS INDIVIDUAL GOLF CHAMPIONSHIP

Bob Boughner, of Downey HS, former National Jr. Champion, shot a blistering par-breaking 68, to capture the CIF SS individual golf championship, on Monday, June 3, 1957, at the Montebello Municipal Golf Course. Shooting steady golf all day, Boughner was out in 35, and toured the back nine in a nifty 33, to nose out his nearest competitor, Fred Clark of Wilson JHS of Pasadena, who carded a 35-45-69 to take runner-up honors. Two Long Beach Wilson golfers, Pinky Stevenson and Verne Burnett, posted identical 70's to tie for third place.

On the basis of his victory in the individual tournament, and his fine over all record for the year, the Helms Athletic Foundation honored Bob Broughner for the second straight year by selecting him as the outstanding high school golfer in Southern California for the 1957 season. Other boys selected on the first All-CIF Golf Team included Dick Dillon of Chula Vista, Pinky Stevenson of LB Wilson, Fred Clark of Wilson JHS, Pasadena, Dick Martinez of Laguna, and Dick Ferry of Chaffey HS.

Although the entries allowed from each school were reduced from 4 to 2, there were still 85 outstanding high school golfers entered in this year's tournament. It was unfortunate that on the day scheduled for the event it turned out to be extremely hot and smoggy, and 18 of the boys had to retire from play when they became ill. Fortunately none of them suffered any serious after effects, but it did work a hardship on those who had late starting times.

The CIF, SS wishes to express its appreciation to the Montebello Golf Club for permitting our tourney the use of its outstanding facilities. The 12 low scorers are as follows:

- 68—Bob Boughner, Downey
- 69—Fred Clark, Wilson JHS, Pasadena
- 70—Pinky Stevenson, LB Wilson  
Verne Burnett, LB Wilson
- 71—Dick Serge, Montebello
- 72—Dick Dillon, Chula Vista  
Tom Weir, Arcadia
- 73—Bob Irwin, LB Poly  
Dick Martinez, Laguna Beach  
Nick Coussoulis, Pacific, San Bernardino  
Tom Thompson, Laguna Beach  
Al White, Oxnard

## RAIN HINDERS B & C TENNIS TOURNAMENT

Although rain interfered with the final days play, and caused postponement of the championship matches, the Class B & C tennis tournaments was brought to a successful conclusion under the able direction of Mr. Neil Machander, on the courts of the Santa Ana HS. In the Class B division La Jolla HS won the championship plaque by scoring 27 points to runner-up Santa Ana's 24. Chaffey and Whittier made creditable showings by scoring 17 and 12 points, respectively. Chaffey dominated the Class C division by amassing 25 points to lead all other schools for the race in team championships. Anaheim, El Monte, Santa Ana, and Riverside were all bunched behind the leader with 18, 17, 14, and 13 points, respectively.

The individual title matches were all hard fought, and in three of the four championship matches it was necessary to go three sets to determine the winner. Bill Bond of La Jolla took the measure of Guy Archambault of Santa Ana in a torrid 3 set battle 8-6, 4-6, 6-3, to capture the Class B singles championship. In the B doubles, Craig Joyner and Ronnie Sandys of La Jolla defeated Dick Carr and Terry Rhodes of Santa Ana 6-1, 6-2, to wrap up the doubles and team title for La Jolla.

In Class C singles competition Don Kliss of Anaheim edged Frank Ripley of Palm Springs 6-4, 4-6, 6-3, and in the doubles an unusual occurrence took place when two teams from Chaffey eliminated all opposition and met in the championship match. After a dogged battle, Bill Anderson and Fred Tauton defeated their friendly rivals, Don Brooks and George Taunton 6-4, 5-7, 6-4, to capture the championship and take possession of the CIF medals.

Complete team scoring follows:

## MINUTES OF EXECUTIVE COMMITTEE MEETING MAY 25, 1957

The meeting was called to order by Chair-  
man, Mr. B. L. Bergstrom, at Chaffey HS, Sat-  
urday, May 25, 1957. Those present were  
Messrs. B. L. Bergstrom, Supt of Schools, El  
Monte; Oliver Corbin, Principal, Covina HS;  
B. F. Jamison, Principal, Centennial HS; Keith  
Gunn, Principal, Victor Valley HS; Winston  
Nelson, Principal, Pomona HS; Doug White,  
Principal, Santa Barbara HS; and Ken Fagans,  
Commissioner of Athletics. Mr. Robert Ashton,  
V-P, Excelsior HS; Mr. Cleon Davies, Principal,  
Kearney HS; Mr. Frank Hopkins, Principal,  
Brea-Olinda HS; Mr. H. B. Uhls, V-P, Mira  
Costa HS; Harry Biggers, Principal, Fillmore  
HS and Mr. Phil Morrel, Principal, El Cajon  
HS; members of the 1958-59 relegating commit-  
tee were also in attendance.

1. It was moved, seconded, and carried that  
the Minutes of the Executive Committee meet-  
ing of May 6, 1957 be approved as published  
in the May, 1957 Monthly Bulletin.

2. It was moved, seconded and carried that  
the Executive Committee recommend to the SS  
Council that Western HS of Anaheim be ad-  
mitted into the SS.

3. After a review of the 1957 football sched-  
ule of Don Bosco Technical HS, it was moved,  
seconded and carried that in order to qualify  
for the 1957 football playoffs, Don Bosco HS  
must win all but one of the following six games  
on their 1957 schedule: Harvard, Black-Foxe,  
St. John Vianney, St. Agnes, Chaminade, and  
Bellarmine-Jefferson.

4. It was moved, seconded, and carried that  
in the case of an error on the part of the home  
management in not notifying the assigned offi-  
cials of a change of date, time, or location of  
a scheduled contest, which results in the official,  
or officials, missing out on working the games,  
or causes the official unnecessary travel expense,

the responsible school will pay each official the  
necessary mileage expense involved, and one  
half of the contracted officiating fee.

5. It was moved and seconded that no school  
be permitted to schedule a football game, other  
than a playoff contest, on, or after, the date of  
the first CIF, SS playoff contest. This matter  
was thoroughly discussed, and it was the opin-  
ion of the majority that this matter should prob-  
ably be settled on the league level. It was  
moved, seconded, and carried that the above  
mentioned motion be tabled for future study.

6. A request was presented from the Metro-  
politan League for the Council to consider  
changing the established opening date for the  
start of football practice in 1958, from Septem-  
ber 8 to the first Monday in September, which  
would be one week earlier. There was much dis-  
cussion concerning this matter, and it was  
brought out that because member schools in the  
SS represented private, public, and parochial  
schools, and because of the great geographical  
distribution of our member schools it would be  
deemed advisable to try and work out a better  
solution of the problem, than already exists.

It was moved, seconded, and carried that be-  
ginning with the 1958 football season, and con-  
tinuing until further notice the opening date  
allowed for the starting of football practice be  
established as not earlier than the Monday of  
the week prior to the first day of regular classes  
which are held for all students and for which  
attendance is counted. So that members of a  
respective league may begin practice on the same  
day, all schools in a league may start practice  
on the earliest date that has been established  
by the starting of classes in any member school  
of that league.

7. The Secretary informed the committee of  
an unusual situation involving Rio Hondo lea-  
gue's participation in the CIF Track Prelims  
held in San Diego. The Rio Hondo League  
participants were originally scheduled to take  
part in the preliminary meet at LB Wilson, but  
agreed to be transferred to the San Diego pre-  
liminary so that Arroyo HS, a member of  
their league, could host the semi-final meet for  
May 18, 1957. When rain caused postponement  
of the San Diego meet the Rio Hondo League  
was subjected to an additional expense in trans-  
porting their athletes to San Diego on two sep-  
arate dates. Because of this additional expense  
it was suggested that the SS might reimburse  
the Rio Hondo League for this added expense.  
After some discussion it was moved, seconded,  
and carried that the CIF, SS should not assist  
the Rio Hondo League financially, for extra ex-  
penses involved in sending their qualifiers on  
two different occasions to the preliminary track  
and field meet held in San Diego.

There being no further business to come be-  
fore the committee the meeting was officially  
adjourned at 10:14 A.M.

Respectfully submitted,

Ken Fagans, Secretary

## CIF, SS COUNCIL MEETING MAY 25, 1957 MINUTES

The regular meeting of the CIF, SS Council  
was called to order by President Frank E. Wil-  
liamson, in the library of Chaffey HS, at 10:15  
A.M., May 25, 1957. Representatives from all  
leagues were in attendance with the exception  
of Pasadena JHS, Riverside County, and San  
Bernardino City Leagues.

1. It was moved, seconded, and carried that  
the Minutes of the Council meeting of Febru-  
ary 7, 1957, be approved as published in the  
March, 1957, Monthly Bulletin.

2. Minutes of the following meetings of the  
Executive Committee were approved: March 18,  
1957, as published in the April, 1957, Monthly  
Bulletin; May 6, 1957, as published in the May,  
1957, Monthly Bulletin; May 25, 1957, as read  
by the secretary.

3. Mr. Corbin presented the revised proposal  
of the Committee on Secret Societies to change  
the present SS rule pertaining to eligibility of  
boys founds to be members of a secret fratern-  
ity. It was moved, seconded, and carried that  
Section IV, Paragraph H, of the Constitution  
and By-laws, be changed to read as follows:

In order to compete in interscholastic ath-  
letics, a boy must not have been, during the  
school year, a member of, or a pledge of, or  
attend meetings of a secret fraternity or club  
as defined by State Law (E.C. 16, 075).

(1) A boy who has violated Section IV,  
Paragraph H, will remain ineligible  
for the remainder of the school year.

NOTE: In this section a school year is con-  
sidered as beginning July 1, and end-  
ing the following June 30.

(2) Any subsequent violation of Section  
IV, Paragraph H, would cause the boy  
to become ineligible for any further  
interscholastic competition.

4. It was moved and seconded that the fol-  
lowing rule pertaining to the eligibility of intra-  
district transfers, be added to the By-laws of the  
SS:

When the transfer of a student, or students,  
is made between schools within the same  
school district, questions of residence eligibil-  
ity of the student affected, arising from the  
transfer, shall be determined by policies of  
the governing board of the district.

A roll call vote was taken and this motion was  
defeated by a 19 to 8 majority.

5. Mr. Harold Tonini, official representative  
of the Coast League, presented for considera-  
tion a proposal to change the existing SS rule  
pertaining to the increase in exponents from  
year to year for the classification of boys. The  
present rule in Section XII, paragraph 10, of  
the By-laws reads as follows:

When a boy reaches the maximum points for  
any classification, he must pass to the next  
classification the following year.

The Coast League proposal would add the fol-  
lowing sentence to the above rule:

No boy shall measure less in height than  
the previous classification, or year, and a boy  
must advance a minimum of two (2) expon-  
ents each year.

It was moved, seconded, and carried unani-  
mously that the Coast League proposal be add-  
ed to Section IV, paragraph 10 of the SS By-  
laws.

6. The Coast League requested that the SS  
Council set the starting dates of practice for  
all sports, as is now done in football. This  
item was thoroughly discussed, and it was the  
opinion of the majority that this matter was  
one that should be left up to the individual  
leagues to decide.

7. President Williamson announced a devia-  
tion from the Agenda for the purpose of mak-  
ing a special presentation. Mr. B. L. Bergstrom,  
Chairman of the Executive Committee, inform-  
ed the Council of the retirement at the end of  
the current year, of Mr. Fred McEuen, Princi-  
pal of Riverside Poly HS, after 41 years as a  
public school teacher and administrator. Dur-  
ing that time Mr. McEuen has served as league  
representative to the CIF on numerous occa-  
sions and has always been extremely interested  
in CIF activities. Under his direction Riverside  
HS has hosted a preliminary track and field  
meet for many years, and he has always made his  
outstanding facilities available to the SS when-  
ever a need arose. In recognition of his long  
and outstanding service, Mr. Bergstrom presen-  
ted Mr. McEuen with a CIF Gold Life Pass.  
Mr. McEuen thanked the group for this high  
honor, and he expressed the hope that he would  
be able to continue the fine association that he  
had formed over the past years, and he would  
make every effort not to lose touch with the  
CIF and the fine interscholastic athletic pro-  
gram they were administering.

8. The secretary informed the Council that  
numerous complaints had been received from  
principals of member schools concerning the ac-  
tion of PCC schools in proselyting sophomores  
and juniors who had one and two years of el-  
igibility remaining in high school. It was agreed  
unanimously that this practice was extremely  
harmful to the boys involved and it was moved,  
seconded and carried that the President appoint  
a committee to study this problem and report  
back to the December Council meeting the rec-  
ommendations as to the position of the SS  
should take in this important matter. The Pres-  
ident appointed the following men to serve on  
this committee: Dr. Elmer Erickson, So. Pasa-  
dena HS, Chairman; Art H. Kruger, San Gab-  
riel HS; and Walter Pray, La Habra HS.

9. The election of the SS Council Officers  
was the next item of business.

(a) In accordance with the CIF Constitution,  
the Parochial League will succeed to the Presi-  
dency for the 1957-58 school year. Mr. Frank  
E. Williamson, outgoing Council President turn-  
ed the meeting over to the incoming President,  
Reverend Lawrence Caruso of St. Francis of  
Flintridge High School.

(b) In similar manner the Pasadena JHS League representative, Mr. Vaughn Cummings, was announced as Vice-President of the Council for the 1957-58 year.

(c) It was moved, seconded, and unanimously carried that Mr. Winston Nelson, Principal of Pomona HS, be re-elected as Treasurer for the 1957-58 school year.

(d) It was moved, seconded, and carried that Mr. Oliver Corbin of Covina HS be re-elected for a term of two years as Southern Section Representative to the State CIF Federated Council.

(e) It was moved, seconded, and unanimously carried that Mr. Matt Korwin of San Dieguito HS, representing San Diego and Imperial Counties, be elected to a four year term as a member of the Executive Committee.

(f) It was moved, seconded, and carried that Mr. Keith Gunn of Victor Valley HS, representing San Bernardino, Inyo and Riverside Counties, be elected to a three year term as a member of the Executive Committee.

(g) It was moved, seconded, and carried that Mr. John Taylor of Nordhoff HS, representing San Luis Obispo, Ventura, and Santa Barbara Counties, be elected to a two year term on the Executive Committee.

(h) Los Angeles and Orange Counties schools are entitled to four representatives on the Executive Committee, and the following four men were nominated to fill these vacancies: Mr. George Phelps, Mr. B. L. Bergstrom, Mr. Frank O. Hopkins, and Mr. B. F. Jamison. It was moved, seconded, and carried that these men be unanimously elected. To determine the term of office of each candidate, straws were drawn and Mr. Hopkins drew the four-year term, Mr. Phelps the three-year term, Mr. Bergstrom the two-year term, and Mr. Jamison the one-year term.

10. It was moved, seconded, and carried that the SS Council give a rising vote of thanks and appreciation to Chairman Bergstrom, and the members of the releguing committee, who worked so diligently and performed such an outstanding job in the tremendous problem that faced them of releguing all of the schools of the SS of the CIF.

11. It was moved, seconded, and carried that the SS Council express its appreciation to outgoing President, Frank E. Williamson of Monrovia HS, for outstanding service during his past term of office.

12. The meeting was adjourned at 11:45 A.M. in time for a delicious luncheon served to the Council members at the Chaffey HS cafeteria. After the lunch the Council members enjoyed the 1957 CIF, SS Championship Track and Field Meet, held on the Chaffey HS athletic field.

Respectfully submitted,

Ken Fagans  
Secretary

## TEAM TENNIS CHAMPIONSHIP PLAYED ON L. A. TENNIS CLUB COURTS

With two of their star players declared ineligible just prior to the championship match, Beverly Hills' depleted tennis team proved no match for the well rounded aggregation from Santa Monica HS, and went down to a crushing 22½ to 5½ defeat in the CIF team championships held on the courts of the L. A. Tennis Club on Monday, June 3, 1957. The issue was never in doubt as Coach Bud Weber's boys swept all but one of the singles points, which assured their taking possession of the beautiful sterling silver loving cup donated by the tennis patrons association which is emblematic of the CIF, SS team championship.

In CIF team tennis, eight boys (4 singles and 2 doubles teams) make up the team. No boy may compete in both singles and doubles. Each singles participant plays one set with each of his four opponents; and each doubles team plays two sets with each of two opponent teams. Each set won in singles scores one point, and each doubles set won scores 1½ points. In event of a tie in scoring, the total number of games won by each school in the dual match would determine the winner.

Complete team results follows:

### FIRST ROUND

Chaffey 14½, Alhambra 13½  
Santa Ana 15½, Montebello 12½  
Notre Dame 16½, Glendale 11½

## LEAGUES SEND OUTSTANDING PLAYERS TO CIF TENNIS TOURNEY

With each league eligible to enter its two top singles players, and its two top doubles teams, competition was keen in the 13th Annual CIF, SS Individual Tennis Tournament, which was held on the LB City College Courts on Saturday, June 8, 1957. In the singles Bill Bond of La Jolla, winner of the Class B title at Santa Ana, upset top seeded George Conway of Santa Monica 6-2, 6-2, to become the interscholastic champion of the SS. In the doubles form prevailed, and the top seeded duo of Charles Earl and Dick Drake, of Santa Monica, easily defeated the second seeded team of Norm Slomann and Bob Eaton of LB Poly 6-0, 6-2, to be crowned as champions.

Play throughout the tournament was quite formful, as all of the seeded players reached the semi-finals. With a huge battery of 20 courts available, the tournament was concluded

in one day, but with the organization of six new leagues in the SS for the 1957-58 school year, it appears that a reorganization of this tournament is imperative. Being staged at the end of the school year in competition with crowded school calendars it is almost necessary to limit this to a one-day tournament if it is to continue. The answer would probably be to restrict the number of entries allowed from leagues in which tennis is not a popular, major sport.

The member schools of the SS, and the CIF Office are indebted to Mr. Walter Sheek, who is in charge of tennis for the LB Recreation Department, who did such an excellent job as tournament manager. Mr. Sheek had things under control, and kept the matches moving along so that the tournament could be completed in one day.

Complete results of this tournament follows:

## TEAM GOLF CHAMPIONSHIP HELD AT BROOKSIDE PARK COURSE

With ideal weather prevailing, 39 SS high schools, each represented by five-man teams, teed off in the 11th Annual CIF Team Championship Golf Tournament, at Brookside Park, Pasadena, on Monday, May 27th, 1957. This represented the largest and most select field of high school golfers ever assembled in Southern California, and Chula Vista high school's outstanding fivesome came in with an aggregate score of 371, to easily capture the CIF title.

We believe that it will be a long time before any team approaches the record score established by Chula Vista, because the 371 they recorded means that each of the five team members averaged a remarkable 74 on a par 72 course. Runner-up honors were hotly contested as Laguna Beach totaled 394 to nose out a fine team from Downey HS which posted a 395.

One hundred ninety-five golfers participated in the days competition, which was the largest total ever recorded for a CIF golf tournament. It appears that next year's entries will have to be limited to the top two teams from each league, plus qualified free lance teams. Medal honors were captured by Dick Dillon of Chula Vista, who scored a brilliant 67 on the difficult and long course.

We would like to express our appreciation to Mr. Halvorson, and the Brookside Golf Club for extending our high school golfers the use of their excellent facilities, and to Mr. Ed Laurenson, Athletic Director of Muir HS, who so ably assisted with the management of the tourney. The top team scores are as follows:

Chula Vista	76-67-77-71-80	371
Laguna Beach	76-78-84-73-83	394
Downey	70-84-79-76-86	395
LB Wilson	76-81-78-84-78	397
La Jolla	81-75-83-84-79	402
Pacific	80-77-75-86-87	405
Beverly Hills	81-89-77-80-78	405
Capistrano	80-84-83-88-90	425
Black Foxe	77-86-84-92-91	430
Pasadena	80-81-85-100-84	430

## MINUTES — SWIMMING AND WATER POLO COACHES

The annual meeting of the swimming and water polo coaches was held at the CIF Office on Wednesday, June 5, 1957, for the purpose of formulating plans for their respective activities for the 1957-58 school year. ## CHAFFEY HS HOSTS 1957 TRACK AND FIELD CHAMPIONSHIP MEET

With the boys running faster, and jumping farther, than in previous years, the SS track and field championship meet was brought to a successful conclusion on the lightning fast track at Chaffey HS, on the afternoon of Saturday, May 25, 1957. When all activity had ceased 18 new CIF, SS records, which included 7 varsity, 5 Class B, and 6 in the C division, went into the record book. The highlight of the meet occurred in the Varsity 100-yd dash, where it took careful study of the slow motion pictures of the finish to finally determine that Preston Griffen of Centennial, and Roscoe Cook of San Diego had wound up in a dead heat in the remarkable time of 9.4 seconds, which tied the National standard set by the incomparable Jesse Owens way back in 1933, and later tied by Jim Jackson of Alameda HS in Oakland, in 1954.

Other varsity record breaking performances of note included a 1:53.3 half mile by Jim Cerveny of Mission Bay HS; a 48.6 quarter mile by Norm Jehle of Chaffey HS; a 180 yd. Low Hurdle race by Jr. Woward of San Bernardino in 18.5; a vault of 13' 11" by Charles Breck, a junior from Santa Barbara; a put of 62' 5½" by Clark Branson of Pasadena; and a clocking of 1:27.1 by the Centennial HS 4-man relay team, which erased the oldest mark in the books in the 880-yd relay.

A new sprint sensation from Arcadia HS by name of Tom Boswell set new Class B records of 9.5 and 20.8 in the 100 yd and 220 yd dashes respectively. Bob Johnson of Glendale vaulted 13' 6¼"; Roger Beyer of Chaffey high jumped 6' 2⅞", and Wayne Sackett of Glendale was timed at 8.6 in the 70 yd High Hurdles to set new Class B standards.

Willie Williams of Compton set new Class C records of 9.8 and 17.3 in the 100 yd and 180 yd dashes respectively. Eddie Suber, another Compton boy, broke the record in the 120-yd Low Hurdles in this division with a 13.2, which means that Compton HS will be hard to beat next year when these boys move up in classification. Other C records included a tremendous vault of 12' 10½" by Joe Rose of Glendale Hoover, a leap of 5' 11⅞" by Mike Cleary of Orange HS in the high jump, and a time of 44.5 by El Monte and LB Poly in the 4-man 440-yd Relay.

The team title in the Varsity division went to Coach Bert Slater's Cavemen from San Diego HS when they came through in all events to score 19½ points to upset the pre-meet favorites Centennial HS, who ran into bad luck and had to settle for runner-up honors with 16½ points scored. In the Class B competition Glendale HS totals 20½ points to second place Arcadia's 15. The Class C trophy went to Compton HS when the charges of veteran coach Ernst Hartmann ran up 19 points with strength in the dashes and hurdles. Muir HS scored 13 points to take possession of the 2nd place trophy in this division.

The Ayers mile, one of the featured events of the afternoon's program was won in the excellent time of 4:23.4 by big Jim McGowan of Morningside HS. McGowan received a special medal and took possession of the Ayres Trophy which was presented by Mr. B. L. Bergstrom, Supt. of the El Monte School District and Chairman of the Executive Committee of the CIF, SS.

Rain interfered with the holding of the preliminary meets at San Diego and Riverside on May 11th, and it was necessary for these two meets to be re-scheduled for the following Tuesday. The LB Wilson, and Carpinteria meets were more fortunate and the rain held off and allowed the completion of these two preliminaries. On May 18th ideal weather prevailed and the semi-finals were held at Compton HS and in the new El Monte City Stadium, located at Arroyo HS, before capacity crowds.

Interest in track and field reached a high level this year, and the high schools of the SS and the CIF Office are indebted to the many officials who gave of their time and effort to assist in conducting the program. Particular tribute to the excellent work of the following meet managers is in order: Don Clarkson and Darrell Smith of San Diego; George Wrentmore and Bill Mumma of Riverside HS; Roberta Mace and Marvin Stout of Carpinteria HS; Vince Reel and Roland Davis of LB Wilson HS; Ernst Hartmann and Keith Lee of Compton HS; George Phelps, Jr. and Eugene Platz of Arroyo HS; and Truck Lindsey and Ernie Payne of Chaffey HS.
