CMR HS CAPTURES CIF GYMNASTICS TITLE

A well-balanced aggregation from Muir HS of Pasadena scored 29 points to win the team title in the CIF, SS Championship Gymnastics Meet, held in the new boy's gymnasium at Santa Paula HS on Friday, April 26, 1957. Coach Hollon's boys racked up points in every event except the Free Exercise and were in command all the way. Coach Howard Hunt's Marauders from San Gabriel HS were kept in contention by their great individual effort, but they failed to snatch second-runner-up honors with a total of 25 points.

This was the first event to be held in the new gymnasium, and Superintendent Max Forney of Santa Paula HS took advantage of the occasion to conduct a brief, but appropriate dedication ceremony. The beautiful structure which contains a resort-like arena was presented to the student body of Santa Paula HS by Mr. Thomas M. Riley, President of the Board of Trustees. The acceptance was made on behalf of the student body by their President, Don Williams.

To reach the finals in the championship meet boys must qualify in one of two sections, and Muir boys qualified in both sections, which were held on Friday, April 12, at Long Beach Poly and San Gabriel High Schools. Although a great many entries were accepted due to the outstanding job of management turned in by Coaches Howard Hunt, and Wayne Skill, the SS Office and all gymnastics coaches were indebted to these men for their untiring efforts in seeing that these meets were well staged.

The officials for the championship meet were brought north from Los Angeles, and were under the direction of Mr. Al Arps, one of the leading authorities on gymnastics in the southland. The meet itself was managed by Mr. Randall Bryden, gymnastics coach at Santa Paula High School. The facilities and equipment were outstanding and Mr. Bryden is to be congratulated for conducting one of the finest championship meets in the history of SS. A word of appreciation should also be extended to the former championship, Mr. Harry Biggers, Principal of Fillmore HS, who handled the microphone and kept the spectators informed and the meet moving along at a rapid pace.

DOWNEY GOLFER WINS INDIVIDUAL GOLF CHAMPIONSHIP

Bob Boughner, of Downey HS, former National Teed-off champion, shot a blistering par-breaking 68, to capture the CIF SS individual golf championship, on Monday, June 3, 1957, at the Montebello Municipal Golf Course. Scoring steady golf all day, Boughner was out in 33, and toured the back nine in a nitry 33, to nose out his nearest competition, Fred Clark of Wilson HS of Pasadena, who carded a 35-49-69 to take runner-up honors. Two Long Beach Wilson golfers, Pinky Stevenson and Verne Burnett, posted identical 70's to tie for third place.

On the basis of his victory in the individual tournament, and his four over all for the year, the Helms Athletic Foundation honored Bob Boughner for the second straight year by selecting him as the outstanding high school golfer in Southern California for the 1957 season. Other boys selected on the all-CIF Golf Team included Dick Dilson of Chula Vista's Paul Seaney of LB Wilson, Fred Clark of Wilson JHS, Pasadena, Dick Martinez of Laguna, and Dick Ferry of Chaffey HS.

Although the entries allowed from each school were reduced from 4 to 2, there were still 85 outstanding senior high school golfers entered in this year's tournament. In fact, it was unfortunate that on the day scheduled for the event it turned out to be extremely hot and smoggy, and 18 of the boys had to refer to play when they became ill. Fortunately none of them suffered any serious after effects, but it did work a hardship on those who had last managed by Mr. Randy Braden, gymnastics coach at Santa Paula High School. The facilities and equipment were outstanding and Mr. Bryden is to be congratulated for conducting one of the finest championship meets in the history of SS. A word of appreciation should also be extended to the former champion, Mr. Harry Biggers, Principal of Fillmore HS, who handled the microphone and kept the spectators informed and the meet moving along at a rapid pace.

RAIN HINDERS B & C TENNIS TOURNAMENT

Although rain interfered with the final day play, and caused postponement of the championship matches, the Class B & C tennis tournaments was brought to a successful conclusion under the able direction of Mr. Neil Machamer, on the courts of the Santa Ana HS. In the Class B division, La Jolla was the champ; the championship plaque by scoring 27 points to runner-up Santa Ana's 24. Chaffey and Whittier made creditable showings by scoring 17 and 12 points, respectively. Chaffey dominated the Class C division by amassing 23 points to lead all other schools for the race in team championships. Anaheim, El Monte, Santa Ana, and Riverside were all behind the leaders with 18, 17, 14, and 13 points, respectively.

The individual title matches were all hand fought, and in three of the four championship matches it was necessary to go three sets to determine the winner. Bill Bond of La Jolla took the measure of Guy Archambault of Santa Ana in a terrific 3 set battle 8-6, 4-6, 6-3, to capture the boys' number one championship. In the B doubles, Craig Joyner and Ronnie Sandys of La Jolla defeated Dick Carr and Terry Rhodes of Santa Ana 6-3, 6-2, to wrap up the doubles title and team platter for La Jolla.

In Class C singles competition Don Kline of Alhambra edged Frank Ripley of Palm Springs 6-4, 6-4, 6-3, and in the doubles an unusual occurrence took place when two teams from Angeles and and they eliminated all opposition and met in the championship match. After a dogged battle, Bill Anderson and Fred Tonnine came through with a hard-fought win over two friendly rivals, Don Brooks and George Taunton 6-4, 7-6, 6-4, to capture the championship and take possession of the C. I. F. medals.

CIF, SS COUNCIL MEETING MAY 25, 1957

MINUTES

The meeting was called to order by Chairman, Mr. B. L. Bergstrom, at Chaffey HS, Sat.

The regular meeting of the CIF, SS Council was called to order by President Frank E. Wil- liams, in the library of Chaffey HS, at 10:15 A.M., May 15, 1957. The delegates from all leagues were in attendance with the exception of Pasadena JHS, Riverside County, and San Bernardino County. It was the opinion of the majority that this matter was one that should be left up to the individual leagues to determine.

No boy shall measure less in height than the previous classification, or year, and a boy must advance a minimum of two (2) exponents each year.

It was moved, seconded, and carried unani- mously that the present proposal be referred to Section IV, paragraph 10 of the SS By- laws.

8. The Coast League requested that the SS Council set the starting dates for practice for all sports, as is now done in football. This item was thoroughly discussed, but it was the opinion of the majority that this matter was one that should be left up to the individual leagues to determine.

9. President Williamson announced a deviation from the Agenda for the purpose of mak- ing a special presentation. Mr. B. L. Bergstrom, Chairman of the Executive Committee, informed the Council of the retirement at the end of the current year, of Mr. Fred McEuen, Principal of Riverside Poly HS, after 41 years as a public school teacher and administrator. Dur- ing that time Mr. McEuen has served as league representative to the CIF on numerous occasions and has always been active in CIF activities. Under his direction Riverside HS has hosted a preliminary track and field meet for many years and always provided outstanding facilities available to the SS whenever and whenever needed. In addition to his teaching and outstanding service, Mr. Bergstrom presented Mr. McEuen with a CIF Gold Life Pass. Mr. McEuen graciously accepted the Life Pass as an honor, and he expressed the hope that he would be able to continue the fine association that he had formed over the years. The SS Council would make every effort not to lose touch with the CIF and the fine interscholastic athletic program they were administering.

8. The Secretary informed the Council that numerous complaints had been received from Principals of member schools regarding the action of PCC schools in promoting sophomores and juniors who had one and two years of el- igibility remaining in high school. It was agreed unanimously that this practice was extremely harmful to the League and it was recommended that the SS Council adopt a committee to study this problem and report back to the December meeting on their recommen- dations as to the position of the SS should take in this important matter. The Council appointed the following to serve on this committee: Dr. Elmer Erickson, Sr., Pasadena 145, Chair; Bert Lachow, Mr. R. A. Gabri- el HS; and Walter Pryz, La Habra HS.

9. The election of the SS Council Officers was the next item of business.

(a) In accordance with the CIF Constitution, the Parochial League will succeed to the Presi- dency for the 1957-58 school year. Mr. Frank E. Williams, Vice President, presented to the Council the meeting over to the incoming President, Reverend Lawrence Casey of St. Francis of Pimlidge High School.
TEAM TENNIS CHAMPIONSHIP
PLAYED ON L.A. TENNIS CLUB COURTS

In one day, with the organization of six new leagues in the SS for the 1973-78 school year, it appears that a reorganization of this tennis tournament will almost certainly limit this to a one-day tournament if it is to continue. The answer would probably be to reestablish and to allow entries from leagues in tennis which is not a popular, major sport.

The members of the SS, and the CIF Office are indebted to Mr. Walter Shuer, who is in charge of tennis for the LB Recreation Department, who did such an excellent job as tournament manager. Mr. Shuer had things under control, and kept the matches moving along so that the tournament could be completed in one day.

TEAM GOLF CHAMPIONSHIP HELD AT BERMUDA COVE GOLF COURSE

With ideal weather prevailing, 39 SS high schools, each represented by five-man teams, teed off in the 11th Annual CIF Team Championship, held at Bermuda Cove Golf Course, Pasadena, on Monday, May 27th, 1973. This represented the largest field of high school golfers ever assembled in Southern California, and Chula Vista high school’s outstanding foursome came in with an aggregate score of 371, to easily capture the CIF title.

We believe that it will be a long time before any team approaches the record score established by Chula Vista, because the 371 they recorded means that each of the five team members averaged a round of 74 over the course. Runner-up honors were hotly contested as Laguna Beach tied for second place with LB Poly, just one stroke behind the four-man team from LB Poly which posted a 395.

One hundred ninety-five golfers participated in the days competition, which was the largest total ever recorded for any CIF tournament. As appears that next year’s entries will have to be limited to the top two teams from each league, plus qualified free transfers. Medal honors were captured by Dick Dillon of Chula Vista, who scored a brilliant 67 on the difficult and long course.

We would like to express our appreciation to Mr. Halvorson, and the Bermuda Cove Golf Club for their diligent efforts in providing our schools with the opportunity to excel, and to Mr. Ed lawsuit, Athletic Director of Muir HS, who so kindly assisted with the management of the tour-

ney. The top teams scores are as follows:

Chula Vista 76-67-77-71-80 371
Laguna Beach 78-76-74-83 389

CHAFFEY HS HOSTS 1957 TRACK AND FIELD CHAMPIONSHIP MEET

With the boys running faster, and jumping \nhigher, in the previous years, the SS track and \nfield championship meet was brought to a successful conclusion on the lightgating fast track \nthat Chaffey HS, on the afternoon of Saturday, May 25, 1957. When all activity had ceased \n18 new CIF, SS record, which included 7 varsity, \n5 Class B, and 6 in the C division, went into the \nrecord book. The highlight of the meet occurred \nin the hurdles relay where it took \n1:36.8 seconds for the team to run the 450 yards, \ncareful study of the slow motion pictures of the \nfinish to finally determine that Presson Goof- \nthen of Centennial, and Rose❝ Cook of San Di- \nego had wound up in a dead heat in the remark- \nable time of 9.4 seconds. In the National \nstandard set by the incomparable Jesse Owens \nway back in 1933, and later tied by Jim Jack- \nson of Arizona State, in 1940.

Other varsity record breaking performances \nof note included a 1:53.3 half mile by Jim Cerveny of \nLong Beach Poly at 6:48.6 quarter mile \nby Norm Jutel of Chaffey HS; a 200 yard Low \nHurdle race by John Jumper at 20.34; a 130 yard \n160 yard hurdles by Charles Reek, a junior \nfrom Santa Barbara; a put of 67 5/7 by \nClayton Moore of Coronado; and a clocking \nof 1:27.4 by the Centennial HS 4-man relay \nteam, which erased the oldest mark in the books \nin the high hurdles. A new sprint sensation from \nArroyo HS by name of Tom Bowell set new \nClub B records of 9.3 and 20.8 in the 100 and \n200 yards dashes respectively. Rob Black of \nSt. Francis HS, won the 220 yard dash with \n30.5 seconds, while at 310 yard dash, Charlie \nScudder of Glendale won the title at 87.6. \n
