Bishop Montgomery Wins AA Baseball Title, 6-1

Shortstop Danny Graham of Bishop Montgomery, who was later to be named "AA" division Player of the Year by the Helms All-Southern California Board of Athletics, sparked the Knights to their first CIF championship, 6-1, over Pomona on June 6.

Graham collected nine hits in four play-off games and hit .366 in 22 games during the season. He was drafted by the Boston Red Sox in the major league free agent draft.

Graham had earlier been awarded co-Player of the Year honors in football when he led his team to the AA division finals. He established a career all-time passing mark by throwing for more than 3700 yards in his three years of high school ball.

Pomona advanced to the finals with wins over Colton (6-2), Pomona (1-0) and South Hills (7-2) while Bishop Montgomery had kayoed San Clemente (3-1), St. Paul (10-6) and Hart (10-2).

Millikan Rallies in 6th for 2-1 Win Over Santa Ana Valley and CIF Title

Millikan High of Long Beach gave its retiring principal Eaton O. Bemis a going-away present he'll long remember - a CIF baseball champion-

The Rams parlayed four walks and a single into two runs in the bottom of the sixth to defeat Santa Ana Valley, 2-1, in the AAA division finals before an estimated 1800 fans at Blair Field on June 6.

Classy Craig Swan, fast - balling righthander who won three of the five play-off games for Millikan picked up the win, giving up just one hit and one walk in 41/3 innings of relief hurl-

Valley carried a 1-0 lead into the sixth, when starting pitcher Leon Filbeck, who allowed Millikan just two hits in going the route, had a temporary case of wildness. Filbeck walked Jim Seida and Rich Bailey with one out. Mike Liebeck drilled a base hit to score Seida with the tying run. Back to back walks so Jim Gmur and Gary Beresford, forcing the lead run, proved fatal for Valley's title chances.

In semi-final games Valley had topped La Puente, 8-5, and Millikan downed Thousand Oaks, 3-0.

Valley gained its berth in the semifinals when El Rancho forfeited a 1-0 win over Valley when it was discovered that the Dons had conducted practice on Memorial Day.

Lutheran Wins Third "A" Title In Four Years; Downs Bassett, 5-4; Meyer Hurls Lion Win

Lutheran High captured its third "A" division baseball crown in four years—the first for new coach Lyle Becher—when the Lions downed Bassett, 5-4, on June 6 at Welsh Park in Pomona.

Lutheran finished the season with a brilliant 20-3 record.

Lion righthander Jerry Meyer, selected as Player of the Year in the "A" division by the Helms All-Southern California Board of Athletics, picked up the win, allowing seven hits and two earned runs.

Meyer finished the season with a 14-3 won-loss record and an incredible 0.25 earned run average. In three years on the Lion varsity, Meyer won 32, lost 5. He struck out 172 batters in 107 innings this year.

Lutheran jumped off to a two run lead in the first inning when Pete Martinez opened with a single. Steve Petty singled, an infield out scored the first run and Meyer's fly ball scored the second.

Bassett came back in its half of the second to tie the count after playing long-ball with some of Meyer's servings. Pete Gomez blasted a home run to straight-away center. Pitcher John Jackson followed with a triple and scored on an error by Meyer.

Rich Wenzel's walk followed by Craig Bell's double and Greg Adams' single resulted in a Lutheran run in the fourth and the Lions added two more in the fifth on a Martinez infield hit, an error, a single by Jack Busch and a single by Wenzel.

Bassett rallied in the bottom of the seventh but came up one short. Art Perea singled, Bob Soto walked and Ralph Betancourt singled in a run. An infield out put runners at second and third and another ground ball scored the fourth Basset run and advanced Betancourt to third. Meyer then struck out Jackson with the tying run 90 feet away.

MINUTES OF CIF, SOUTHERN, SECTION, EXECUTIVE COMMITTEE MEETING — JUNE 17, 1967

The June meeting of the CIF, Southern Section, Executive Committee was called to order by Chairman Marion C. Hays, at 9 a.m. on Saturday, June 17, 1967 in Palm Springs.

The following members were in attendance: Chairman Hays, vice principal, Harvard School; Harry L. Bigger, principal, Fillmore HS; Arthur H. North, assistant superintendent, Azusa USD; Steve Miletich, vice principal, Beverly Hills HS; Richard H. Spaulding, principal, Buena Park HS; Alex Alexander, principal, Indio HS; Arthur T. Hobson, assistant superintendent, Whittier UHSD; Keith Gunn, principal, Victor Valley HS; Robert D. Ashton, assistant superintendent, Norwalk - La Mirada USD; Claud Hardesty, principal, Santa Barbara HS; Chester R. Shirk, principal, Anaheim HS; Rev. Alexander Manville, principal, Bishop Garcia Diego HS; Keith J. Lee, principal, Dominguez HS; and Commissioner J. Kenneth Fagans.

1. APPROVE MINUTES — It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of May 5, 1967 as published in the May, 1967, Monthly Bulletin.

2. APPLICATIONS FOR MEMBERSHIP — It was moved, seconded and carried to recommend to the Council that the following schools be admitted to associate membership in the CIF, Southern Section.

a. Coffman Junior High of Palm

b. Cree Junior High of Palm Springs

c. Paramount Junior High of the Paramount District d. Alondra Junior High of the

Paramount District

3. APPROVE EXTRA PLAY-OFF GAME IN 1968—Because the "AA" division for basketball play-offs next season includes 17 leagues, with the San Luis Obispo League entering only its champion, it will be necessary for two second place teams to play an extra play-off game in order to qualify one of the two teams for the final position in the draw of 32 teams.

At the May 6 Council meeting the Executive Committee was given the directive to select two leagues, whose teams finished league play on February 16, to have their second place teams play on Feb. 20 for the 32nd spot in the draw.

The Angelus and Santa Fe Leagues finish on Feb. 16 and because of their close proximity it was moved, seconded and carried that the Commissioner

notify the league representatives that the two second place teams of these leagues be prepared to open the play. offs on Feb. 20.

4. PIUS X REQUESTS MODIFI.
CATION OF PENALTY — Rev.
George J. Parnassus, principal of Pius
X HS, asked the Executive Committee
for a modification of the penalty recently imposed on his school as a result
of a recruiting violation because the
responsible person had been removed
from his position as football coach and
athletic director.

After a discussion of the matter it was the opinion of the committee that because the penalty had been modified at the May Council meeting nothing be done at this time. As it now stands, Pius HS is on strict probation for the coming school year, during which time no team representing the school may engage in competition beyond the league level.

5. WHITTIER DISTRICT GOLF REQUEST — It was moved, seconded and carried to approve the request of Santa Fe HS to begin the Whittier UHS district golf tournament at 1:00 p.m. instead of the prescribed 3:00 p.m. This deviation from our starting rule was granted because of the difficulty encountered by tournament managers in securing the use of golf courses on weekends.

6. REPORT ON COMPTON MORNINGSIDE DISTURBANCE—The committee heard a summary and recommendations dealing with the incidents surrounding the Compton and Morningside High Schools basket ball play-off game. After studying the report in detail the Commissioner was instructed to meet with Mr. Hobson for the purpose of making some edutorial changes and report back to the

committee in September.

7. SUIT FOR DAMAGES — The Commissioner reported that the CIF SS, the State CIF, the Compton and Inglewood schools districts were being sued for damages by a boy injured a result of the disturbance following the Compton vs. Morningside basking ball play-off game. The suit has beat turned over to our insurance agent for further handling.

8. USE OF SCHOOL UNIFORM DURING SUMMER LEAGUE COMPETITION — Several question have been referred to the Souther Section office regarding the school role in summer league basketball competition. Most frequently asked question is may the team wear its school uniform.

It was the opinion of the Executor Committee that no CIF, SS, rule

this time prohibits such, but that schools desiring to furnish uniforms for this purpose should contact their own league authority regarding possible liability. (A more detailed CIF statement on this subject will be forthcoming in a monthly bulletin "Commissioner's Corner.")

9. REPORT ON MOBLEY CASE - Commissioner Fagans reported on a suit filed against the CIF, SS, the Compton and Bellflower school districts, in behalf of Lester Mobley, a Compton High track athlete, who was injured in a CIF Preliminary Track Meet during the 1966 season. The matter has been turned over to the CIF, SS, attorney, who will report to the Commissioner on the matter. A special Executive Committee meeting may be called at a later date when the section will have to instruct the attorney as to how we wish to proceed in the case.

10. PASADENA DISTRICT RE-QUEST - The Pasadena School District, in an effort to comply with newly adopted State regulations regarding desegregation, would like permission for one year to adopt a policy on siblings. When a family has a student enrolled in grades 10 or 11 in a high school of the district and a ninth grade student enrolled in a junior high school, and when a redistricting policy is adopted by the Board which would require the ninth grade student to attend a high school different from the 10th or 11th grade student, then the following choice shall be available to the family: a) the 10th or 11th grade student may choose to change his school of attendance to the school where the ninth grade student is regularly assigned; or b) the ninth grade student may choose to attend the high school where the 10th or 11th grade student is assigned.

It was moved, seconded and carried to approve the plan for one year.

11. SWIM PRACTICE DATE—
The Commissioner recommended to the Committee that the opening date for swim practice in 1968 be advanced from February 1, to Monday, January 29, for one year only. This request is made in order to enable each school to complete its eight days of required practice and engage in one inter-scholastic practice meet before entering the CIF Swim Relays scheduled for February 13, 16, 1968. It was moved, seconded and carried to permit official swim practice to begin on Monday, January 29, 1968.

12. REVIEW POLICY ON SANC-TION EVENTS—It was moved, seconded and carried that the chairman appoint a two man committee to work with Commisioner Fagans and make recommendations back to the Executive Committee regarding policies on sanctioned events. The Committee will study all aspects of the sanctioned events and their administration and control. Rev. Alexander Manville and Alex Alexander were appointed to the committee.

13. COMMISSIONER TO ATTEND MEETINGS—It was moved, seconded and carried to authorize the Commissioner to attend the following meetings, with expenses paid, as the representative of the CIF, Southern Section: Cal Poly (San Luis Obispo) Workshop in August, 1967; National Federation Football Rules Meeting in Las Vegas in January, 1968; and National Federation Convention in Wisconsin in June, 1968.

14. RECOMMENDATIONS OF TRACK COMMITTEE — The Commissioner reported that he had met recently with members of a track coaches advisory committee for the purpose of making specific recommendations regarding the conduct of the Southern Section track program next year. The Commissioner and Track Committee make the following recommendations:

a. Order of Events A 120 yard high hurdles B 120 yard high hurdles

C 1320 yard run A 440 yard relay

A 880 yard run

C 100 yard dash B 100 yard dash

(Note — The varsity mile relay and 440 relay were adopted on the State CIF level and will be contested in next year's State Meet. Other changes include the B 120 high instead of 70 highs and the B 880 relay replacing the 660 relay.)

b. That in semi-final track competition, two heats be conducted in the two-mile run.

c. That the 220 yard run be conducted on a full curve in CIF, SS, meets.

d. That in seeding the 220 on the curve and the 440 yard run, the fastest man be placed in lane two, the next in three and on out to nine. The ninth

fastest boy would be placed in lane one.

It was moved, seconded and carried to adopt the recommendations of the Commissioner and Track Committee.

15. ELIGIBILITY CASES

a. St. Genevieve — It was moved, seconded and carried to deny a request for waiver of the transfer rule in the case of Tom Gemma at St. Genevieve High School.

b. Redondo—It was moved, seconded and carried to deny the request for eligibility of John Evarts, a student who will be attending the University of Southern California, although he will graduate from Redondo High in June of 1968.

16. CIF, SS, FURNISHING TRANSPORTATION TO STATE TRACK MEET — A letter was received from a member school seeking clarification of the CIF, SS, policy of paying for transportation of Southern Section athletes to the State CIF Track Finals.

It was pointed out that it is the policy of the Southern Section to pay for and arrange transportation when the State Meet is in the far northern parts of the State. The section has not handled transportation arrangements when the meet is scheduled for the Bakersfield, San Diego or Los Angeles areas as for many schools it would be easier to go directly to the site of the event rather than meet at a central location.

The Executive Committee announced that funds have been budgeted to transport all Southern Section State meet participants to the 1968 Meet which is scheduled for the San Francisco Bay area.

17. REVIÉW ELIGIBILITY RULES ADOPTED BY THE STATE— The State Federated Council, at its meeting June 3, adopted three of five proposed eligibility rules which the Southern Section Council had gone on record as favoring on May 6.

Two proposals adopted were regulations which a) provide that in order for a boy to be considered a 24 hour boarding school student, he must reside in the boarding school for a period of 50 school days prior to any transfer; and b) provide that each section may establish rules and procedures for waiving the requirements of days of attendance, number of passing units, and semesters of competition provided serious illness, travel, hardship has kept a boy out of school. A third proposal, adopted by the state but still subject to further action and study by the Southern Section, is one which provides that the section may more liberally interpret the transfer rule and establish provisions for such interpretation. Basically, the proposal, however, deals in areas where strict attendance boundaries are involked and since all of our schools do not have attendance boundaries certain clarification of the rule is necessary before it becomes effective.

All of these rules will be fully stated and interpreted in the 1967-68 edition of the Blue Book which will be delivered to all schools in early September. The above statements are merely summaries of the action taken and should not be used to interpret any rules at this time.

18. REPORT ON CATHOLIC ATHLETIC ASSOCIATION PRO-GRESS IN DISTRICTING - Rev. Alexander Manville, new Council President and principal of Bishop Garcia Diego High School in Santa Barbara, reported to the committee that the Executive Board of the CAA is considering certain districting plans, among which is one proposing strict geographical attendance boundaries for Catholic high schools in the Los Angeles Archdiocese. It is possible that a plan of this nature may be implemented on an area-basis first, starting in the Bay area. Rev. Manville also suggested that the Releaguing Committee study the possibilities of leaguing Catholic schools and public schools together in the future.

19. EFFECTIVE DATE FOR RULE GOVERNING NUMBER OF BASKETBALL TOURNAMENTS—
At its meeting on May 6, the Council passed a regulation which limited each school to participation in no more than three basketball tournaments (excluding CIF play-offs) in any one season.

The Executive Committee reaffirmed the fact that this regulation will not become effective until the 1968-69 season, due to the fact that most basketball schedules and tournament lineups had been completed at the time of

the Council action.

20. SUNSET LEAGUE FOOT-BALL PROPOSAL—Correspondence from the Sunset League sought clarification of Article XXXIX in reference to spring football practice and when it may be conducted. In line with this clarification, Commissioner Fagans pointed out that there was a need for a committee to study and revise, from the point of clarification, all sports regulations in the Blue Book. Keith Lee was appointed to work with the Commissioner and Director of Public Information in re-wording several of the regulations without changing the intent of the rule for inclusion in the new Blue Book.

21. CROSS COUNTRY COMMITTEE RECOMMENDATIONS — The Commissioner met recently with a committee of representative cross country

coaches for the purpose of planning CIF cross country activities for the 1968 season.

It was moved, seconded and carried to adopt the following recommendations of the Commissioner and cross country coaches:

a. That three divisions in cross country (instead of four) be conducted with leagues rather than individual schools assigned to divisions based on the average enrollment of boys in the upper three grades. Twelve leagues will compete in AAA division, 12 in the AA division and 11 in the A division.

b. Each league will be permitted to enter TWO teams in the cross country preliminary meets.

c. Two preliminary meets (instead of three) will be held to qualify five teams from each prelim in each division into the finals.

d. Outstanding individuals will still be permitted entry into the prelims.

22. CONSIDER PROBLEMS OF SMALL, PRIVATE SCHOOLS — The Commissioner reported that he met recently with administrators of schools in the Condor League relative to problems which concern primarily the small, private schools in the conduct of their athletic programs. Because of the nature of the schools — many transfers, many five-year students, the smallness of the classes — severe problems have arisen concerning ability to field teams in certain sports because of the number of technically ineligible students.

The league sought some sort of relief from certain regulations for competition on the league level. They agreed, fully, that all CIF regulations must be followed when entering playoff competition.

It was moved, seconded and carried that the Commissioner be directed to work with this league in attempting to establish certain proposals to be presented to the Committee at its next meeting allowing some departure from Blue Book regulations.

23. UNATTACHED COMPETITION — The Executive Committee heard a report of a state CIF committee assigned to study the problem of unattached athletes (high school boys) competing in indoor track meets.

The problem originally resulted when boys, wearing their high school uniform, were competing unattached, in indoor meets. It was pointed out that there had been some confusion in the past regarding the unattached rule because some indoor meets have actual high school sections in which the boys may, and do, wear their high school uniforms.

The Executive Committee reaffirmed its position that boys in violation of

Article XV of the Blue Book — Outside Competition — would be subject to the penalties for violation found in section five of the article, forfeiture of matches in which he competed, ineligibility for the remainder of the season, and the school in violation would be subject to suspension.

24. AWARD FOR SCHOOLS HOSTING CIF EVENTS—It was reported that schools which host CIF, SS, championship activities receive little recognition for their contribution other than in the form of a thank you letter from the Commissioner.

It was moved, seconded and carried that a "plaque of appreciation" be designed and awarded to all schools hosting championship CIF activities.

25. FINANCIAL REPORT—
Treasurer Lee informed the committee that although the fiscal year would not close until June 30, he was presenting a financial report showing estimated income and expenditures of the CIF, SS, for the 1966-67 school year, as compared with the budget for the same period.

The treasurer then presented a proposed budget for the 1967-68 fiscal year. After discussing each item in detail and making certain minor changes, it was moved, seconded and carried, to approve the financial report and adopt the revised budget for the 1967-68 fiscal year.

Upon completion of the report by our auditor, the Commissioner will prepare copies of the financial report and budget for distribution to all principals.

26. NEW EXECUTIVE COMMITTEE MEMBERS — Because newly elected Executive Committee member Walt Newland has been forced by illness to leave his principalship at Long Beach Poly he will be unable to fulfill his term on the committee.

In accordance with Article VII, Section 12, it was moved, seconded and carried that the committee appoint James Faul, principal of Workman High in La Puente to serve the term of Walt Newland.

Harry L. Bigger, retiring principal of Fillmore High School, announced that because of his retirement he would be unable to serve out his term on the State CIF Council. It was moved, seconded and carried to appoint Claud Hardesty, Bigger's successor on the Executive Committee, to serve the remaining time on the State Council.

Arthur H. North, assistant superintendent of the Azusa USD, announced that he was leaving that position to accept the assistant superintendent's post in Santa Barbara. He will be unable to serve out his term which has one year to run.

Monte Vista's Jack Spradlin Wins CIF Individual Golf Title

Junior Jack Spradlin of Monte Vista High in Whittier captured CIF Golfer of the Year honors when he defeated 109 other contestants in the 1967 CIF Individual Golf Tournament held on June 5 at La Quinta CC.

Spradlin toured the famed La Quinta course in two-over-par 74. Alan Tapie of Warren High in Downey finished second, one stroke behind Spradlin.

The Tournament was managed by Tom McCulla, golf coach at Indio High, the host school.

La Quinta CC had been the site of the Bob Hope Desert Classic finals last February and even the touring pros had trouble with the narrow, waterlined, well trapped course. They average 74.8 during the final round of the Classic.

Bruce Titus of Leuzinger, Bob Hamilton of Morningside, Carl Shibata of Indio and Tom Minor of Cantwell deadlocked at 76. Titus won the sudden-death play-off for third, Hamilton placed fourth and Shibata fifth.

Defending champion Fritz Naumentz, junior from Thousand Oaks, had 83.
