## WINSTON NELSON, 'PRIME MOVER' IN MODERN CIF. SS, RETIRES; AWARDED GOLD LIFE PASS

"One of a select number of high thool administrators who should be seen much of the credit for the development of the present CIF, Southern — Winston Nelson — has resed as superintendent of the Pomona antified Schools.

Commissioner of Athletics Ken Fans presented Nelson with a CIF, Gold Life Pass at a retirement mer held in his honor June 16.

Nelson's service to the CIF spanned period of 20 years, including 10 years a state federated council member one-year terms as that ormization's president.

After two years as Citrus Belt League president, Winston Nelson was chosen president of the CIF, SS, council for the 1948-49 school year. He had previously been in Oceanside for seven years, the last two as Carlsbad HS principal, and joined the Pomona School District in 1944 as a director of Pomona Junior College. Two years later he became Pomona HS principal.

Mr. Nelson was elected to the executive committee in 1951, one of seven members. He took over the position held at the time by Mr. Kinter Hamilton, who was retiring. Two years later,

Charles Jackson, versatile track athlete from Lompoc carried his Braves team to titles in both the Southern Section and state meets with double victories in the hurdles each time out.

It capped a fine athletic year for the coastal school located in a town of about 25,000 north of Santa Barbara. Lompoc won the AAA division in cross county, reached the finals in AAA football, the finals in AAA baseball and captured both section and state track meets.

Jackson scored 15 points in the raindelayed Sectional meet with two hurdles victories and a third place finish in the long jump. His 13.6 win in the semifinals high hurdles was not accepted as a record because of excessive aiding wind.

Jackson went on to clock a legitimate 13.6 for a state meet record, however.

Lompoc's deciding points were garnered by sophomore Terry Williams an individual champion in cross country, who finished third in the next-to-last event, the two mile, at 9:01.5. He trailed Upland junior Gordon Innes, who set the only mark of the night, running 8:59.9 to win the eight-lapper.

The only other record set or tied this year was the Santa Ana C Relay team's (Continued on Page 5)

## NORTH WALLOPS CHAFFEY IN BASEBALL FINALE

Paced by the junior battery of pitcher Denny Martindale and All-CIF Player of the Year Dennis Little-john, North Torrance's Saxons rolled to their first ever CIF championship, capturing the AAAA baseball crown from Chaffey 9-0 at Anaheim Stadium June 2.

Littlejohn, who hit .382 and had only three runners steal a base on him during the season was chosen the AAAA division's top performer by the United Savings Helms Athletic Foundation Board.

Martindale wound up with a 14-3 season and had all five North victories in the playoffs. He limited the Citrus Belt League co-champion Tigers to four hits.

Neither team could come up with a base hit through the first three frames, with each catcher throwing a man out attempting to steal during that time.

Then in the fourth, most of the 6,493 who came to watch the twi-night doubleheader, saw the underdog Saxons take charge and jump on Gregg Baughman (7-4). Robbie Schmitz' infield hit, a fielder's choice with a throwing error set up Ken Mitchell's double, his first of three hits, for a run. A double by Littlejohn and Mark Windell's sacrifice fly scored two more.

It was all North needed, but in the next frame, off reliever Bill Davidson, Mitchell's single scored Martindale and Schmitz, who had singled and

#### FOUR-SECTION GOLF TOURNAMENT SUCCESS

For the second year in a row, the CIF, SS team golf championship was decided by a single stroke.

The quintet from Pasadena High toured the California Country Club par-72 layout in Whittier with a total of 398, just one less than Beverly Hills' total.

And for the second year in a row, Claremont and San Clemente finished third and fourth. They had scores of 403 and 404. Dos Pueblos (410), Eisenhower and Righetti (each 414) and Sunny Hills (428) trailed as other teams which had qualified from sectional events at Canyon Crest CC in Riverside and Mission Viejo.

Ron Scurr led Pasadena with a 75, but Beverly Hills' Bob Klein took the day's medalist honors with a 38-35—73. That one-over mark was also the best score posted on the day. The individual tournament was conducted concurrently with the team finals.

Marc Melendez, Dos Pueblos; Randy Larson, Claremont; Kim Porter, Righetti; and Richard Bernard, San Clemente, each paced their teams with 76s.

Roger Calvin of Los Amigos and Joe Gerard of Bishop Montgomery shared top honors at 74 and Estancia's Steve Ryan was right behind at 75. Estancia and Los Amigos each had golfers at 76, but neither had qualified for the team finals.

Pasadena's team (which included Jim Jones, 78; Rick Mallicoat, 78; Brad Finn, 82 and Mike Conroy, 85) qualified for the landmark intersectional golf tourney. So did the top 40 finishers in the SS individual finals (scores down to 80, as it turned out.)

Southern Section golfers, however took a back seat to those from the LA City Section and San Diego Section in the first four-section team and individual tournament, sponsored by the state CIF and organized by the Southern California Golf Association.

Craig Stadler of La Jolla finished on top of the heap, beating the field of more than 100 over 36 holes by three strokes. Stadler fired a 73 and came back in the afternoon with a round of 68 over the challenging par-71 course at Virginia Country Club, Long Beach. Later Stadler won the San Diego city tournament for amateurs over 72 holes.

Palisades High, the L.A. City Section champ, rolled to the team title with a 369. Doug Ruland and Mac Hunter, Jr., who finished in a tie for second in the individual competition, had 72 and 71 respectively, and teammates Tony Sills and Mike Hemphil matched those scores. Paul Reker came in at 83.

Ruland went on to capture the second place trophy. He and Hunter finished at 144, then Ruland slapped in a 12-foot birdie putt on the first playoff hole to break the tie. Mark De Grazier of Patrick Henry, San Diego, was fourth at 147 and Sills fifth at 150. Marc Melendez, of Dos

## EL SEGUNDO GAINS REVENGE VS. LOMPOC

El Segundo and coach John Stevenson tasted sweet revenge in the AAA thampionship baseball game at Anaheim Stadium June 2, as the Eagles stopped lompoc 5-3 and captured their third CIF baseball championship in six years. El Segundo had been beaten by the powerful Braves 8-5 in last year's title iff, so the return victory was garnished by the "get-it-back" factor.

The heroes for the Eagles were the familiar ones of the entire 33-2 season. eadoff hitter Kirk Allison a .435 hitter on the year went three for four and trove in four runs and CIF AAA Player of the Year Scott McGregor, a junior, murled the complete game, allowing five hits to the Braves, who had lost but me game previously in the 1971 season and had come into the game with a 1.9 three-year mark.

El Segundo was also facing Roy Thomas, the big righthander, who had but thrice in 35 games during his three-year career. However, Thomas as weary from a 13-inning dual with Savanna the previous Saturday and it howed, as the Eagles winged it for 11 hits, with Tim Glotz, also collecting three. Early, Lompoc appeared ready to repeat last year's title feat. A passed ball forced a run in the first and another advanced a runner before Dave Stegman's

ES came back in the fourth to go ahead to stay. After an error, a walk at a bunt loaded the bases, Allison's double cleared the sacks, but he was out the stretch his hit. Allison's sixth inning single scored another after and Bob Schaeffer had hit safely and the Eagles got insurance in the wenth when Glotz' single drove home a run.

McGregor, all-CIF as a sophomore, and 18-1 this season, had seven strikeand walked only one in spacing five hits, two of them by Lompoc's standout third baseman Roy Howell.

## SIX STATE RECORDS FALL

## HOST SS DOMINATES AT UCLA

With Charles Jackson's one man how capturing the state team track ad field title for Southern Section ampion Lompoc—three days after meet was over as a result of the review-one could think state words might have taken a back seat.

Not so, as six records of the 15 were token and a national interscholastic mrk in addition, fell.

Jackson, appropriately, had a share the record harvest, as he raced to 13.6 in the high hurdles trials Friday, ettering by a tenth, the mark shared four previous champs.

Hamilton of Los Angeles had a ott-lived record Friday, too in the orelay with a 41.2, but El Cerrito, thored by big Sam Burns, ran a 41.1 the Saturday finals for the mark. Gaines, Mel Watson and Don nith preceded Burns on the team. milton finished second in the team andings with 11.

Dale Fleet of San Diego Clairemont aded a fine two-mile field, which saw top three finishers all break the evious mark. Fleet had an 8:53.8 Juniors Jose Amaya of L.A. Wiland Gordon Innes of Upland each d 8:54.4, with Innes awarded second. ewport Harbor's Mark Stevens unthed a throw of 67-21/4, bettering old mark by more than three hes. And Castlemont (Oakland)

had its relay team reel off a 3:13.2 topping the old mark by more than a second. John Roberts, Gerald Morgan, Jerrold Curry and Adrian Rodgers composed the team.

After tying the state record Friday with a leap of 7-01/4 (which also equalled his personal best) Glendale's Dwight Stones took the Saturday spotlight with a 7-01/2 effort for a state mark, followed by a 7-11/2, which bettered the national record.

Although the 440-dash did not produce a record (Garden Grove's Tony Krzyzosiak won it in 46.7, best time in the nation for 1971) it was described generally by track buffs as the finest high school quarter mile ever run. Ninth place was timed in 47.5 with four of the competitors juniors.

The hosting Southern Section dominated the meet with six first places and six seconds.

Two juniors, Innes and Newport Harbor's Terry Albritton (65-5 in the shot) established national all-time bests in their specialties for 11th graders.

Hamilton had been awarded the state championship trophy on the basis of having tentatively scored 13 points. However film reviewed changed finishes in five races and dropped Hamilton's total to 11 at the same time elevating Lompoc to 13.

SOUTHERN SECTION TRACK (Continued from Page 1)

effort in the semis equalling Millikan's seven year old mark of 43.7.

Despite the meet being held Monday evening on the holiday weekend, a crowd of 10,230 turned out. Rain the previous Friday turned the Cerritos College clay track into a quagmire, necessitating the postponement.

It was one of the closest meets in years. Dominguez High of Compton, getting wins in the mile relay and from pole vaulter Michael White, ended up with 17 after a film reviewed moved them from unplaced to second in the 440 relay. Garden Grove had 16, 13 of them from amazing Tony Krzyzosiak, who won the 440 for the second year in a row, was second in the long jump and third in the 220. Centennial followed with 15, with Alfred Jackson winning the 220 and the 440 relay team coming home victorious.

Notre Dame of Sherman Oaks edged Compton for the B title with 16 points to 14. Art Shafer was a winner in the long jump and Frank Klein and Charles Eulo also scored. Estancia, led by speedy sophomore Bruce Girasole, swept the C class meet with 221/2 points, outdistancing Santa Ana and Santa Barbara by 101/2. Girasole won both sprints and the long jump, and anchored the second place relay team for 19 points alone.

### WINSTON NELSON RETIRES

(Continued from Page 1)

Nelson was elected treasurer of the CIF, SS, and served in that capacity for 13 years.

It was during this time, according to Commissioner of Athletics Ken Fagans, that Nelson emerged as one of the prime movers of the modern CIF, SS. Through his foresight, planning and management, the CIF, SS, was able in the spring of 1959 to complete an office building (on Washington Blvd. in Los Angeles) with the money having been accumulated for the project before work started.

With the able assistance of Nelson, among others, the CIF moved later into larger headquarters (the present building) and began to further expand its services. It was through Winston Nelson's aid that the CIF was able to secure land on a high school campus (Gahr), and become involved in a situation unique in the nation, as regards high school athletic association facilities.

"Winston Nelson ranks with Harry I. Moore and Seth Van Patten, from the early era, and with B. L. Bergstrom and Steve Miletich in more recent times, as a vital force in the CIF, SS's growth and success," Commissioner Fagans noted.

He was elected by the Southern Section Council to the State Federated Council in 1956 and served five consecutive two-year terms. He was the state council president from 1959 to

His career in high school administration is as distinguished as his service to the CIF. After 12 years as Pomona HS principal, he served as principal at the new Ganesha HS for a year before being elevated to assistant superintendent for the Pomona Unified District. In 1964 he was named superintendent.

Mr. Nelson did his undergraduate work in South Dakota and took his Master's Degree from USC. The Nelsons have two daughters, Karen, 25, and Elyse, 22. Mrs. Nelson has been a teacher at Covina High School.

The CIF, SS, Council, Executive Committee and office staff extended sincere best wishes to the Nelsons for an enjoyable future.

## OGLE OF NEWPORT SINGLES CHAMP, DOUBLES TO MARGOLIN-DIETRICH

Robert Ogle of Newport Harbor completed a sweep of Southern Section AAAA tennis June 5 with a victory in the 16-man singles CIF championship.

Ogle had led his Newport team to a championship over Santa Monica 151/4-123/4 a week earlier at UCLA by knocking off each of his four opponents without surrendering a game.

Then at the Balboa Bay Racquet Club, Ogle pranced to three easy wins, including a semifinals 6-0, 6-1 stunner over top-seeded Joe Edles of Long Beach Poly, 1970 runner-up. He captured the championship 6-4, 6-3 from Rand Evett of Miraleste.

Evett had defeated opponents from Santa Barbara, Estancia, and Long Beach Wilson to reach the finals.

The Mike Margolin-Timothy Dietrich team from Beverly Hills won a three-setter with Scott Carnahan and Dan Conger from Sunny Hills, 6-4, 4-6, 6-4 for the doubles championship. The Beverly Hills pair took straight set wins from teams representing Harvard, Newport Harbor and Rolling Hills. Margolin and Dietrich had been runners-up in 1970.

# SECOND CIF TITLE OF SCHOOL YEAR FOR NOTRE DAME

Notre Dame High School in River side completed an outstanding athletic year with its second CIF, SS champion ship, this one in A baseball action.

Notre Dame, led by Marvin Cobb subdued Olympic League champion Pater Noster 7-4 in the A title game as Pater Noster committed four error and the Titans scored all seven of their runs in the first two innings to coast home.

For Cobb, Arrowhead League MVP in three sports, it completed a banner year for both him and Notre Dame Cobb singled twice, stole two bases and scored a run in the victory. Latry Turner held Pater Noster scoreless on two hits until the seventh. Dave Montan singled in two tallies (his third his of the day) to highlight that four-run Eagle rally.

Cobb joined the Titans as a double winner so to speak. He was named Player of the Year in baseball, to go along with honors he received as co-Player of the year in football. In each of those sports, Notre Dame was divisional champion and Cobb played large parts in the success of each team. Notre Dame had been co-champion

with Webb in the Arrowhead League for baseball. ND was 22-7 for the year,

## ELIGIBILITY COMMISSION SERVICES VALUABLE

Glover (left) receives Gold Life Pass Dick Ryan.

## Glover Retires After 40 Years of Service: Life Pass Given

After 40 years with the Anaheim Inion High School district, Dick lover, a coach at Anaheim High or 25 years and innovative athletic force at the administrative level has

He recently received his CIF, SS old Life Pass at a retirement party. Glover coached the 1940 Anaeim HS CIF lower division champions to an 18-0 win in the chamsionship game over Covina. Glovs overall football coaching record 97 wins, 29 losses and six ties league competition. The gridders on 11 titles.

Glover also coached track, baseall and basketball teams to league hampionships and at one time menored tennis, water polo and swiming teams.

He was a four-letterman at Santa arbara HS and later at Occidental llege.

Glover was the Anaheim Disfict's first curriculum consultant, eginning in 1957. He's given much tedit for development of the adap-P.E. program and for the junior gh athletic system to their present atus as well as the eligibility comussion. Three district schools have ceived national physical fitness cognition.

After receiving his Master's detee and administrative and Supersor's credential from USC, Glover tved 33 months as a navy lieutent in World War II. He has been we in numerous physical fitness ups and service clubs and is an aheim Stadium Commissioner.

One of the most valuable services rendered by the Anaheim Union High School District and an idea that could well be copied by districts throughout the section is its Athletic Eligibility Commission.

As commissioner Dick Glover explained, the commission has been in existence since February of 1969 and has handled many cases, mostly those involving residence changes and situations, during that time. Glover, who retires this year as district chairman of physical education, has served as the commission's non-voting head man since its inception. The commission is made up of six district administrators - two junior high athletic directors, two senior high ADs and a principal from one junior and one senior high school. Those positions have rotated among the 23 schools in the district.

Anaheim has eight high schools in three different leagues and 15 junior highs (all CIF members) so the cases are many and varied.

The greatest value of the commission is that it provides an agency to which parents in the district can bring their questions and cases for prompt action. "Actually, we can give three of every four persons an answer almost right away," Glover explains.

In cases that are brought before the group, Glover explains that the first step is to inform the petitioner of the rules, both district and CIF, which apply to the given case. If it's an exception that's desired, the next step is to go to the counselors, viceprincipals and others involved for documentation to be used in the presentation. Once the case is prepared, the parent may appear before the commission to state his case.

The commission decides how to handle the case; and whenever the situation involves CIF rules the commission has made a recommendation to the CIF office. "Nearly all of our recommendations have been accepted by the CIF," Glover adds.

Although the commission is a good buffer zone for all requests in the line of athletic eligibility, it doesn't have the final say. Those dissatisfied with the commission's decision may appeal to the district superintendent, who has "veto" power over commission rulings.

"Mr. Glover and the commission have performed a valuable service, not only to the people of the Anaheim district, but to the CIF office. We

### ARMSTRONG GETS STATE. DISTRICT COACHING HONORS

Bill Armstrong, former coach at Compton High, was named District 8 basketball "Coach of the Year" by the National High School Athletic Coaches Association. Armstrong recently left Compton, a school he had coached to four CIF championships in 12 years, including one string of 66 games (1968-70) without a defeat.

Armstrong has also been chosen recipient of the Rockwell Memorial Award, named in honor of the late California Coaches Association organizer, and former National Association president Bill Rockwell.

That award was to be presented at the North-South All Star basketball game at the Oakland Coliseum July 1.

The District 8 honor (District 8 includes California, Oregon, Washington, Nevada, and Alaska) makes Armstrong eligible for national honors.

Armstrong recently accepted the position as head basketball coach at Palm Springs High School.

## KNOW YOUR BLUE BOOK:

QUESTION: Is a foreign exchange student eligible for CIF, SS, competition?

ANSWER: A foreign exchange student who is officially sponsored by the American Field Service organization has residence eligibility at any CIF, SS, school according to Article XI of the Blue Book. However, a student from a foreign country who is attending a CIF, SS, school, but who is not sponsored by the AFS. would NOT be eligible for interscholastic athletic competition. Such a foreign student might appeal to the Executive Committee for a waiver of this rule under unusual circumstances.

always encourage schools, districts and leagues to attempt to solve their own problems when it comes to adhering to eligibility rules, both their own and the CIF's. This is an excellent medium for keeping communication and understanding along these lines on a local level. Certainly districts throughout the section would find a similar system desirable," CIF SS Commissioner Ken Fagans commented.

## CIF, SS OFFICE WILL ASSUME MORE ACTIVE ROLE IN SOCCER ADMINSTRATION

The CIF, Southern Section has taken on a more extensive role in the administration of high school soccest played among its member schools.

Since 1964, when only four schools in the CIF, SS, played soccer most decisions involving the sport, its schedules, rules, playoffs, etc., have been handled by the CIF Soccer Association. At the Association's annual covention April 17 at Pater Noster High School, CIF, SS Administrative Assistant Tom Morgan explained the role the Southern Section office would take with regard to soccer.

Morgan told the group, which represented about 20 schools, that in view of the growth in both popularity and participation in high school soccer, and in the wake of eligibility problems which rocked last season's playoff, the CIF is ready to assume greater responsibility for the conducting of the sport.

One of the first duties to be undertaken by the CIF, SS, was releaguing of the soccer teams. With as many as 20 schools making some form of tentative plans to field soccer teams next season for the first time (24 teams played this season) extensive releaguing has been necessary.

Following the official dissolution of the Soccer Association and its reorganization as the CIF Soccer Coaches Association, committees were formed to promote referee development and to effect reorganization of the group with its new purposes. Morgan asked that the group be active in making suggestions and recommendations to the CIF, SS, to help in operating the soccer program.

Elected president of the coaches group was Roger Bryant of South Torrance High School, who had served as CIFSA president for 1970-71. Vicepresident Pete Mathews of Bosco Tech and secretary Tom Becker of Pater Noster were also returned to office.

The coaches association will also be active in operating clinics, cooperating with regard to assignment of game officials, aiding in publicizing CIF, SS soccer and selecting the all-CIF soccer team.

Eligibility questions and playoffs will be handled directly by the CIF, SS office, as in all other sports.
