

# CIF-SS EYES NATIONAL FEDERATION MEETING

**SPECIAL** — It's been a number of years since the National Federation has staged its annual meeting in the immediate area of the Southern Section, but the opportunity to attend will be available to all CIF-SS members this time around when the 1975 National Federation Meeting sounds its opening gavel this summer in San Diego.

The 56th annual meeting is billed for July 7-11 at the Sheraton Harbor Island in San Diego and attendance is open to those who are directly associated with the administrative and athletic programs of senior and junior high schools.

Each year, the top personnel with expertise in the related fields of high school athletics converge on the annual site and the flow of information from all 50 states is a unique and worthwhile experience indeed.

This year's keynote speaker is Dr. Billy M. Jones,

president of Memphis State University, a well-known figure on both the interscholastic and intercollegiate levels.

Highlights of this year's program will focus on the "Total Athletic Program," and the vast number of workshops will gear their discussions to this theme.

Included on the workshop agenda are State Championships, Expanding State Association Service, Non-school Programs, Summer Competition, Girls' Athletics, Due Process, Publications, and the High School's association with the T.V. Media.

One unique feature of this year's meeting is that each workshop will be repeated twice, to enable the maximum participation by those present.

Administrators, Athletic Directors and coaches from the CIF Southern Section desiring to attend, may register for the annual meeting from 2-4 p.m. at the convention site.

## STATE RECORD BY HULST OF LAGUNA BEACH H.S. NETS CIF-SS CURTAIN CALL

Thanks to the likes of Eric Hulst from Laguna Beach High School, the CIF Southern Section logged a well-deserved curtain call at the 57th annual State Track and Field Championships.

Not only did Hulst win his two-mile specialty at San Diego's Balboa Stadium, but he worked his way into the State and National archives as well.

Just a junior, Hulst set a State record when he toured the eight laps in 8:44.9, breaking the old mark of 8:45.9 and accounting for the only new mark by a Southern Section entrant.

As for the National level, Hulst's effort was the fourth fastest two-mile ever recorded by a prepster and the National mark of 8:41.5 by the late Steve Prefontaine appears to be well in reach next year.

Three other CIF-SS entrants walked off with State titles in the Boys' division — Paul Wilson of Fontana H.S. winning the long jump at 24-8½; Dave Kurrasch of Newport Harbor in the shot put, 65-9½; and Keith Schimmel of Villa Park H.S. in the pole vault, 15-6.

Lone State title for the CIF-SS in Girls' competition was won by Muir H.S. in the 440-yard relay — a time of 48.0.

## STATE FEDERATED COUNCIL ADOPTS FEDERATION RULES FOR GIRLS, EFFECTIVE '76

**SPECIAL** — Acting upon the recommendation of the Girls' Advisory Committee, the State Federated Council has approved the resolution calling for the adoption of National Federation Rules, effective the 1976-77 school year.

The National Federation Rules will apply in the Girls' sports of volleyball, basketball, swimming and diving, and track and field.

Gymnastics was not part of the proposal and the adoption of this sport is still under study by the Girls' Advisory Committee.

One note of interest came in the sport of basketball, where the State Federated Council approved a further recommendation of the Girls' Advisory Committee calling for use of the 30-second clock in lieu of the 10-second backcourt ruling.

Areas of concern in the sport of gymnastics center on "points given" and "compulsory routines" and these represent the major points under study.

The CIF Southern Section supported the adoption of the National Federation Rules as opposed to NAGWS in the named sports, that action coming after presentations at the Council meeting in May.

## COMMISSIONER'S CORNER

TOM E. BYRNES

EVER  
WONDER  
WHY THE  
BUSY  
SIGNAL?

Have you ever experienced difficulty in contacting the CIF-SS Office? Then consider, for the moment, the number of sports offered by your school for boys and for girls. Consider next the number of coaches involved. Finally, consider the fact that there are over 450 schools in our Southern Section. You then can appreciate that direct communication between the CIF-SS Office and coaches or other school personnel is a monumental task and one with which we must deal continually.

Communication comes in various forms. Face-to-face communication may be desired but for our purposes, is necessarily restricted due to time and distance factors. The two largest vehicles of communication for us are the mail and the telephone. The volume of each is understandably great, especially during playoff periods. However, a significant percentage of our incoming telephone calls is unnecessary. Valuable time and effort is being wasted by both school and CIF-SS Office staff members because of unawareness and duplicate or premature calls.

We are a large organization, and we need to operate as efficiently as possible. In order to make the most efficient utilization of the time and talent of your employees (i.e., the commissioner and his administrative and secretarial staffs), the following recommendations are offered for your consideration:

1. Route all periodicals, bulletins, notices, and correspondence from the CIF-SS Office to all necessary, concerned, or otherwise interested members.

## NEXT 'MONTHLY BULLETIN'

As is customary, the CIF Southern Section will not publish a "Monthly Bulletin" for the months of July and August, but will resume its publication with the start of the new school term in September.

Included with the September mailing will be the Boys' and Girls' Sports Regulations, directory and master calendars.

## MINUTES OF THE CIF-SOUTHERN SECTION COUNCIL MEETING

May 1, 1975

The regular Spring Council Meeting of the Southern Section of the California Interscholastic Federation was held Thursday, May 1, 1975, at the Rodger Young Center in Los Angeles.

The meeting was called to order at 9:07 a.m. by Council President Dr. Richard Cordano, Principal of Arcadia High School. Representatives from all leagues, with the exception of Metro, Academy, Hi-Lo, and Delphic, were present.

1. **APPROVAL OF MINUTES:** It was moved, seconded, and passed to approve the minutes of the Council meeting of January 30, 1975, as published in the February, 1975, issue of the "Monthly Bulletin," the minutes of the Executive Committee Meeting of February 14, 1975, as published in the March 1975, issue of the "Monthly Bulletin," the minutes of the Executive Committee Meeting of April 18, 1975, as read to the Council; and the minutes of the Executive Committee Meeting of April 30, 1975, as read to the Council.

2. **LIFE PASS:** Roger Weeks, member of the Executive Committee, was presented a gold lifetime pass by the Life-Time Pass Committee for his years of service and dedication to the CIF-Southern Section.

3. **CROSS COUNTRY PROPOSAL:** Following a presentation by W. R. O'Rourke of the Bay League, it was moved, seconded, and passed to table until the September, 1975, Council Meeting to allow all CIF-SS leagues to conduct their cross country meets at a three-mile distance, if they so desire. Following further discussion, a motion to allow the Bay League to continue its pilot cross country program at the three-mile distance was defeated.

4. **FOOTBALL PLAYOFFS:** It was moved, seconded, and passed to change the starting date of football practice from September 7, 1976 to August 31, 1976 in order to complete the playoffs on a week earlier than Christmas.

5. **"DEAD PERIOD" IN FOOTBALL:** Following background information by Commissioner Thomas E. Byrnes, it was moved, seconded, and passed to eliminate the "dead period" in football, effective the 1975 season. It was further moved, seconded, and passed to table a proposal to eliminate the conditioning week in football.

6. **CONTACT WITH PRE-HIGH SCHOOL STUDENTS:** Following a discussion by Mr. Lou Joseph on conduct by representatives of the senior high school and pre-senior high school students, it was moved, seconded, and

passed that it be considered legal during the regular school day for the high school coach to give instruction in any sport but football for 7th and 8th grade elementary or 7th, 8th, and 9th grade junior high school students with the approval of the high school and the elementary and junior high school principal so long as that instruction is not with the high school team. It was further moved, seconded, and passed to restrict coaches from conducting clinics, open houses, or orientations for the aforementioned students at any time during the school year. Additionally it was further moved, seconded, and passed that outside the regular school day during the school year, the high school coach will not be permitted to associate with these students for the purpose of learning or practicing the skills of the sport which the coach instructs. This would include instructing such students for recreation or semi-recreational organizations such as AAU, YMCA, City Recreation Departments, or similar groups.

7. **SWIMMING RULE PROPOSAL:** Mr. Don Ames, Principal of Mission Viejo H.S., appeared before the Council, requesting that boys and girls be permitted to work out under a high school coach if he/she is an AAU coach outside the season of sport. Following discussion, the proposal was defeated.

8. **EIGHT-SEMESTER RULE:** Mr. Jack Williams appeared before the Council to appeal a decision of the Executive Committee and the eligibility ruling concerning his son, Jack Williams at Camarillo H.S., and asked for waiver of the eight-semester rule. Following discussion, it was moved, seconded, and passed to deny the appeal.

9. **ELSINORE APPEAL:** Mr. Thomas Maron, Vice Principal of

## TRIO CLAIM FIRST-EVER BASEBALL TITLES

Fillmore (1A), Royal Oak (2A), Bishop Montgomery (3A) and Hoover (4A) high schools reign as the 1975 CIF Southern Section Baseball champions, after having claimed top honors in their respective divisions.

And though it was "old hat" to the likes of Bishop Montgomery, it proved to be the first-ever baseball titles in the other three camps. Bishop Montgomery hiked its batting average to two-for-two, having netted championship honors back in the 1967 season with its win over Pomona.

Fillmore, under the reins of Coach Tom Ecklund, won the 1A title with its 4-3 decision over Imperial — net-

ting the Flashes an impressive 20-4 record on the campaign.

Royal Oak logged its feat the hard way as the Romans — runnerup in the Hacienda League — won three playoff games by a single run and then blanked Bloomington in the 2A finale, 6-0.

Coach Doug Major's club completed the season with a fine 19-6 mark.

Bishop Montgomery made its debut at Dodger Stadium an impressive one as the Knights pushed across a run in the top of the seventh inning for a 1-0 decision over Lynwood.

Coach Ernie Martinez' entry, carting the Camino Real League banner, won three of its five playoff wins by shut-

outs — ironically, all 1-0 decisions — and completed its 3A campaign with a fine 26-3 ledger.

In the second half of the Dodger Stadium attraction, all of the scoring was confined to the seventh and final inning again as Glendale Hoover posted a 2-1 win over Lakewood.

Hoover, co-champion of the Foot-hill League, rode the southpaw slants of Chuck McMichael as he scattered four hits to net the Tornados the title.

Coach Dale Taufer's team posted a 23-5 mark for the year and matched the feats of another finalist as the Tornados posted three of their five play-off credit signs via shutouts.

1A CHAMPION — Fillmore High School under Coach Tom Ecklund compiled 20-4 won-lost record on the campaign.

2A TITLIST — Royal Oak High School and Coach Doug Major posted fine 19-6 ledger to its initial title.

3A HONORS — Bishop Montgomery High School and Coach Ernie Martinez sported impressive 26-3 slate for year.

4A WINNER — Hoover High School, under the reins of Coach Dale Taufer, fashioned 23-5 log for season.

## COUNCIL MEETING MINUTES

(Continued from Page Two)

Elsinore H.S., appeared before the Council to appeal a decision of the Executive Committee on declaring an athlete scholastically ineligible under the variable credit system. Following discussion, and their being no motion, the denial of the Executive Committee was upheld.

**10. REPRESENTATION AT LEAGUE MEETINGS:** Ms. Barbara Wilson of Beverly Hills H.S. addressed the Council on equal representation of athletic directors at league meetings. Following discussion, it was resolved that the CIF-SS Council support the concept of equal womens' representation at league athletic meetings in which there are male athletic directors present.

**11. GIRLS' PLAYOFF CALENDAR FOR 1975-76:** Following discussion, it was moved, seconded, and passed to approve the Girls' Playoff Calendar for 1975-76 as submitted. It was further moved, seconded, and passed to deny a proposal that would limit the number of playoff games per week at two.

**12. FEDERATION VS. DGWS RULES:** Following presentations by Barbara Wilson (National Federation) and Nancy Hamilton (DGWS), it was moved, seconded, and passed to have the CIF-Southern Section direct its representatives to the State Federated Council to support the adoption of National Federation rules for women, effective the 1976-77 season.

**13. ELECTION OF CANDIDATES:** Following voting by secret ballot, Mr. Joe Deal, Principal of South Hills H.S., was elected to a four-year term from the Los Angeles Area to the Executive Committee; Mr. Ted Andrews, Assistant Principal of Crescenta Valley H.S., was elected to a two-year term from Los Angeles County to the Executive Committee; Mr. Gene Hartley, Principal of San Marcos H.S., was re-elected to a four-year term from the Northern Area to the Executive Committee; and Dr. Hanford Rants, Principal of Gahr H.S., was re-elected to a three-year term for the office of Treasurer for the CIF-Southern Section.

**14. MISSION VIEJO APPEAL:** Mr. James Okazaki appeared before the Council to appeal a decision of the Executive Committee on Swimming Rule VI, Section 2, of the 1974-75 Girls' Sports Regulations. Following discussion, it was moved, seconded, and passed to uphold the denial by the Executive Committee.

**15. BASKETBALL SEASON OF SPORT:** Mr. Kingston, Representative of the Pioneer League, appeared before the Council to propose a change in the starting date of the Boys' 1975-76

## PUBLIC-PRIVATE INQUIRY COMMITTEE INSIGHT TO ONE OF CIF-SS WORKING BODIES

Over the course of the school year, the CIF Southern Section has a number of working committees which assist at the "grass roots" level of administration and provide for a more meaningful and fluid direction for the member schools.

One such committee is the Public-Private School Inquiry Committee, which functions under the direction of the Executive Committee. And in order that our member schools might acquire additional insights to such committees, the following report has been filed by Dr. Hanford Rants, chairman of the Public-Private School Inquiry Committee, on one of its most recent agenda items:

"Upon hearing reports of a possible "undue influence" violation, the Committee visited a member school and talked with the principal and the athletic director. Two Committee members also met with the boy in question and his parents. The Committee was warmly received and was given equally warm and complete cooperation, though voicing innocence of any of the reported situations.

It was emphasized that this Committee will not investigate, make charges or take action as a CIF-SS body. The Committee will inquire about reports of recruiting violations in public and private schools. Respect and honesty should lead every coach and administrator to avoid repeating or reporting rumors. Our Committee will call on any school and inquire about any situation with some substance and with the consent of the principal. When violations are found, the principal will be asked to report to the Commissioner for action to proceed.

It is highly improper for any coach, administrator or parent to talk to a student (public and private) by way of encouraging him/her to attend any specific high school. This action constitutes undue influence even if the elementary or junior high is a natural feeder school for the high school. Proper procedure for orientation visits to schools by appropriate administrators is designed in the CIF-SS Blue Book.

The single issue of influence in selection of high schools by athletes is the source of the greatest strain on interschool relationships among Southern Section members. It is the responsibility of each principal to make his/her staff, students and parents aware of the rules and procedures. Parents must have freedom of selection of educational programs for their students, but they must get their information from the school principal without suggestion or urging from anyone with athletic interests in mind.

This Committee will function on an "as needed" basis. There will be "no need" if all schools act prudently. There will be "little need" if rumors are put to rest with friendly telephone calls. There will be immediate response by this Committee to information with substance enough to ask intelligent questions."

basketball season. Following discussion, a motion to change the starting date of the boys' 1975-76 basketball season from November 1 to November 15 was defeated.

**16. WATER POLO PLAYOFFS:** Mr. Dennis Evans, Principal of Corona Del Mar H.S. addressed the Council on expansion of the water polo playoffs. Following discussion, it was moved, seconded, and passed to expand the water polo playoff structure from 16 to 32 teams, effective the 1975-76 season.

**17. TREASURER'S REPORT:** Dr. Hanford Rants, Treasurer of the CIF-Southern Section, reported to the Council on his annual summary report, which reflected a positive growth in overall income for the Section.

**18. OFFICIALS' FEES:** Ted Gosard, Principal of Aviation H.S., addressed the Council on the status of

officials' fees and their parity with other Sections. Following discussion, it was moved, seconded, and passed to increase the Boys' officials' fees \$2.00 in all sports and to bring soccer and volleyball up to an equal par, effective the 1975-76 season.

**19. GIRLS' RELEAGUING:** Alex Alexander, Chairman of the Girls' Releaguering Committee addressed the Council on the Committee's findings and recommendations. Following discussion, it was moved, seconded, and passed to accept the Girls' Releaguering recommendations, as amended, effective the 1975-76 school year.

**20. TENNIS PLAYOFFS:** Mr. William O'Rourke, Bay League Representative, addressed the Council on a proposed expansion of the tennis playoffs. Following discussion, a motion to expand the 4A and 3A tennis play-

## DOWNEY CLAIMS GIRLS' SWIM CHAMPIONSHIP; SIX STANDARDS FALL

Surprising Downey High School laid claim to the team title and six records fell by the boards as well at the 1975 CIF Southern Section Girls' Swimming and Diving Championships.

It was the first-ever title for Downey and quite a feat in the fact all of its swimmers entered the prelims as free-lance entrants — the school not having an organized program and coach.

Downey logged 89 team points, with West Covina the runnerup at 77 and Simi Valley third with 70.

Records set were Diane Johnson (Walnut) in the 200-individual medley, 2:09.9; Mary Lou Ott (Tustin) in the 50 freestyle, 24.47; Nancy Bruney (Sinaloa J.H.S.) in diving, 383.35; Laurie Edwards (West Covina) in the 500 freestyle, 5:05.79; Phyllis Whitmarsh (Norwalk) in the 100 backstroke, 1:02.25; and Simi Valley's 400-freestyle relay team, 3:43.17.

**PERFECT SEASON** — Corona del Mar High School not only won the CIF-SS 4A Tennis Championship, but completed a perfect 25-0 season in the process. Members of the team are (left), Ron McNamara, Coach Dennis Trout, Dan Gerken, and Jordan Otterbein.

## SAN MARINO WINS 11TH TITLE

### CORONA DEL MAR JOINS ELITE NET GROUP

San Marino and Bishop Diego high schools were the veterans of the field, but Corona del Mar H.S. broke into the elite group in impressive fashion as trio claimed the 1975 CIF Southern Section Tennis Championships.

Corona del Mar won the 4A title on the strength of its 16½-11½ decision over Rolling Hills, but even more impressive is the fact the Sea Kings posted a perfect 25-0 record en route to their first-ever net honors.

San Marino continued its remarkable play — marking its 11th CIF-SS title in capturing 3A honors with a 14½-13½ with over University.

Bishop Diego netted 2A honors and defended its title with a 23-5 win over Central.

### 2A TEAM RESULTS

**FIRST ROUND:** Bishop Diego 27 Coast Union 1; Bishop, bye; Agoura 21½ Cate ½; Morro Bay 18 Thacher 10; Central 27 Hemet 1; Webb 14½ Elsinore 13½; Gladstone 21 L.A. Lutheran 4; Pasadena Poly 21½ Rim of World 6½.

**FINALS:** Corona del Mar 16½ Rolling Hills 11½.

## ASSOCIATION FORMED FOR VOLLEYBALL GROUP

With the sudden boom and interest in volleyball throughout the CIF Southern Section, a new officials' association is in formative stage.

It will be known as the "Southern California Volleyball Officials Association" and Gene Popko will serve as president of the group.

Marty Orner will be the girls' instructional chairman, C. R. Ignacio will serve as the boys' instructional chairman and Gene Smith is the secretary-treasurer.

Those interested are asked to contact Smith at (213) 429-8393 for details of the association.

**COVETED 3A TITLE:** Burbank High School claims 3A CIF-SS Softball title with season record of 15-2. Coach Gayle Runyan (back row, right) was at the helm.

## TWO DIVISIONS IN SOFTBALL FINALS BURBANK, WARREN NET GIRLS' CIF-SS CHAMPIONSHIPS

Two divisions highlighted this year's CIF Southern Section Girls' Softball Championships, with Burbank High School (3A) and Warren High School (4A) emerging the winners of their respective 32-team playoff fields.

It was the first-ever softball title for both schools, with Burbank claiming its championship on the strength of a 5-1 decision over Valley Christian.

However, not to be outdone, the 4A confrontation between Warren and Los Altos was quite an affair as neither club had surrendered a run in its four previous playoff outings.

Warren netted a 1-0 win, but the real story was that it came on the strength of a no-hitter by Jayne Guengerich, while Warren scored its only run via a wild pitch.

### GIRLS' 4A RESULTS

## RECORDS FALL IN CIF-SS TRACK AND FIELD CHAMPIONSHIPS

Pasadena (4A), Notre Dame of Sherman Oaks (3A) and Mission Viejo (2A) high schools accounted for the 1975 CIF Southern Section Boys' Track and Field Championships, while Royal High School duplicated the honors in this year's Girls' division.

Meet records were targets in all four divisions, with five marks being bettered and one equalled at the 4A level; two new efforts at the 3A level; five new standards in the 2A; and three in the Girls' finale.

Ironically, all three efforts in the Girls' division were also CIF-SS records as Leida Hunter of Centennial H.S. ran 11.2 in the 100 and 25.4 for the 220, while Jule Lendl of Royal H.S. cleared 5-5 $\frac{3}{4}$  in the high jump for the new records.

## DEFENDING KING VICTIM, 3-1

### LAGUNA BEACH CLAIMS VOLLEYBALL CHAMPIONSHIP

Volleyball continued its surge as a CIF Southern Section sport over the 1975 season and Laguna Beach High School emerged as the class of the field.

Laguna Beach claimed the Boys' CIF-SS team title by defeating defending champion Santa Monica in its best-of-five game series, 3-1.

Representing the South Coast League, Laguna Beach claimed 3-0 wins over its two opening opponents in the likes of Chadwick and Serra, and then defeated rival Corona del Mar, 3-1, in the semi-finals.

Third place honors went to suprising La Quinta, which toppled Corona del Mar, 3-1.

Laguna Beach went on to battle Los Angeles City League champion University, but dropped the best of that

five game set at Pepperdine College, 3-1.

#### PLAYOFF RESULTS

bers of your school's staffs. This alone could substantially reduce the number of questions asked of the CIF-SS Office on the telephone.

2. Inform all necessary, concerned, or interested members of your school's staff of communication from your school to the CIF-SS Office. This would help to avoid duplication of inquiries.

3. Designate one person, in addition to the principal, to contact the CIF-SS Office. It could be an assistant principal, athletic director, coach, etc. The importance would be two-fold: an avoidance of duplication of telephone calls and letters and the avoidance of unauthorized communication.

4. Check with the principal before writing or telephoning the CIF-SS Office. He may have information that will either obviate or modify your communication.

5. Check previous communication to prevent calling the CIF-SS Office for information before it is scheduled to be available.

Your CIF-SS Office staff exists to serve the needs of the Southern Section. By following these suggestions, you are helping us to help you.

## TRACK STARTER'S SERVICE FOR INLAND EMPIRE AREA

Athletic Directors of the Inland Empire (Riverside and San Bernardino) should take note of the expanded services being offered by the Southern California Track Starter's Association in the area.

Chet Nicholson of Norco High School is the Commissioner of the Area and Athletic Directors are asked to forward their requests for starters for the 1976 track and field season when possible.

**POINT SPREE:** Westminster H.S. claimed the 1975 CIF-SS Boys' Gymnastics Team title under head coach Leon Crawford (upper right) and assistant Fred Marquez (upper left) — posting 154.73 points in the finale.

**TOP HONORS:** Coach Liz Holey (center) and her Westminster H.S. team after capturing 1975 CIF-SS Girls' Gymnastics team title.

## WESTMINSTER DEPTH DIFFERENCE IN GYMNASTICS

Westminster High School, having a wealth of talent in the depth department, claimed top team honors in the 1975 CIF Southern Section Girls' Gymnastics Championships.

As for individual honors, Barb Millar of Agoura High School was crowned the all-around champion, compiling 30.55 points to edge Donna Harris of Westminster with 30.30.

Sonora High School placed second in the team title, another club displaying its depth as it failed to place an individual among the top three in any event, but still managed to compile 136.80 points.

**DUAL HONORS:** San Marcos H.S. claimed the CIF-SS and CIF-SCGA team golf titles, with Steve Raber (left), Mike Tanguay, Coach John Stoney, John Hughes, Mark Logan, and Richard Robino, while State Commissioner William W. Russell looks on.

## AGOURA'S COMMONS TOP INDIVIDUAL

# SAN MARCOS CLAIMS TWO GOLF TITLES

San Marcos High School made it a clean sweep and Ron Commons of Agoura made it "exciting" to highlight the 1975 CIF Southern Section Golf Championships.

San Marcos carved a four-stroke advantage at the Corona National Golf Course to claim the CIF-SS Team title as the Royals posted a 311 combined card to 315 by runnerup Hart.

One week later, San Marcos went on to win the CIF-SCGA title in Santa Barbara.

As for individual honors, Ron Commons of Agoura matched 73 cards by John Cook of Miraleste and John McComish of St. Joseph and then won a sudden-death playoff on the first hole for the honor as the CIF-SS No. 1 golfer.

Cook placed second and McComish third, while John Cummings of Crespi had to go four extra holes to break his 74 tie with Gary Olson of South Hills for fourth place.

### CIF-SS FINAL CARDS

## SURPRISE IN SINGLES ACTION OF CIF-SS TENNIS CHAMPIONSHIPS

Corona del Mar High School's crack doubles team lived up to its advance billing, but there was a major upset in singles action at the 1975 CIF Southern Section Individual Tennis Tournament.

Playing at the Balboa Bay Racquet Club, Jim Curley and Jordan Otterbein of Corona del Mar combined talents to win the doubles competition. The duo swept their initial two opponents in straight sets, but they had to battle back from an opening set, 4-6, loss to post 7-6 and 6-2 decisions in the finale.

However, the real surprise came in singles action where Jeff Jones of Santa Ana Valley netted top honors.

With the No. 1 and No. 2 seeds being ousted in the opening round, Jones defeated Lloyd Bourne of Blair (5-7, 7-5, 6-2) and Eric Sherbeck of El Dorado (7-6, 6-0) to reach the finals.

Ironically, Jones also lost his opening set, 3-6, then rallied to defeat Jim Harper of Muir, 6-3, 7-5, for the No. 1 spot.

Others to reach the finals in singles were Alan Winkler of Palos Verdes, Mark Novello of Webb, Robbie McPherson of Buena, and Dan Gerken of Corona del Mar.

Doubles teams advancing to the finals also included Goodyear-Foss of Riverside North, Myrick-Reed of Central, Cornelison-Mihaly of San Marino, Thomas-Roy of Newport Harbor, McMann-Clark of Beverly Hills, Nickloff-Polley of Arcadia and Peterson-Sanford of Dos Pueblos.

**TOP GOLFER:** Ron Commons of Agoura H.S. wins CIF-SS Individual honors in sudden death playoff.
