VOLUME 38
JUNE, 1975
No. 10

SPECIAL—With the 60th anniversary of the National Federation of State High Schools now being celebrated and the 1975 National Federation Meeting opening its successor this summer in San Diego.

The 56th annual meeting is being held for July 7-11 at the Sheraton Harbor Island in San Diego and attendance is open to those who are directly associated with the administration of athletic programs of senior and junior high schools.

Each year, the top personnel with expertise in the related fields of high school athletics convene on the annual site and the flow of information from all 50 states is a unique and worthwhile experience indeed.

This year's keynote speaker is Dr. Billy M. Jones, president of Memphis State University, a well-known figure on both the interscholastic and intercollegiate levels.

Highlights of this year's program will focus on the "Total Athletic Program," with the workshops geared to discussions on this theme.

Included in this year's agenda are State Championships, Athletic Coaches, Athletics, Intercollegiate Athletics, the School's association with the T.V. Media.

One unique feature of this year's meeting is that coaches workshops will be held this year to enable the maximum participation by those present.

Administrators, Athletic Directors and coaches from the CIF Southern Section desiring to attend, may register for the maximum number of 2.4 pm at the convention site.

STATE FEDERATED COUNCIL ADOPTS FEDERATION RULES FOR GIRLS, EFFECTIVE '76

SPECIAL—Acting upon the recommendation of the Girls' Advisory Committee, the State Federated Council of California approved the resolution recommending for the adoption of National Federation Rules, effective the 1976-77 school year.

The National Federation Rules will supersede the rules of the California Girls' Basketball Association, the California Girls' Swim League, and the California Girls' Track and Field Association.

Girls were not part of the proposal and the adoption of this sport is held separately by the Girls' Advisory Committee.

One note of interest came in the sport of basketball, where the California Girls' Basketball Federation Council approved a further recommendation of the Girls' Advisory Committee, calling for use of the 30-second clock in lieu of the 10-second backcourt rule.

Areas of concern in the sport of gymnastics center on "points given" and "compulsory routines" and these represent the major points under study.

The CIF Southern Section supported the adoption of the National Federation Rules as opposed to NAGWS in this sports, that motion coming after presentations at the Council meeting in May.

TRIO CLAIM FIRST-EVER BASEBALL TITLES
Fillmore (1A), Royal Oak (2A), Bishop Montgomery (3A) and Hoover (4A) high schools reign as the 1975 CIF Southern Section Baseball champions, after having claimed top honors in their respective divisions.

And though it was “old hat” to the likes of Bishop Montgomery, it proved to be the first-ever baseball titles in the other three camps. Bishop Montgomery liked its batting average two-for-two, having netted championship honors back in the 1967 season with its win over Pomona.

Fillmore, under the reins of Coach Tom Ecklund, won the 1A title with its 4-3 decision over Imperial—net
ing the Flashes an impressive 20-4 record on the campaign.

Royal Oak logged its feat the hard way as the Romans—runners up in the Hacienda League—won three playoff games by a single run and then blanked Bloomington in the 2A finale, 6-0.

Coach Doug Major’s club completed the season with a fine 19-6 mark.

Bishop Montgomery made its debut at Dodger Stadium an impressive one as the Knights pushed across a run in the top of the seventh inning for a 1-0 decision over Lynwood.

Coach Ernie Martinez’ entry, carding the Camino Real League banner, won three of its five playoff wins by shut

outs—ironically, all 1-0 decisions—and completed its 3A campaign with a fine 26-3 ledger.

In the second half of the Dodger Stadium atuation, all of the scoring was confined to the seventh and final inning again as Glendora Hoover posted a 2-1 win over Lakewood.

Hoover, co-champion of the Foot
 immediately, to the southpaws slants of Chuck McMahan as he scattered four hits to net the Toros disallowed.

Coach Dale Tauffer’s team posted a 23-5 mark for the year and matched the feats of another finalist as the Toros posted three of their five play-off credit signs via shutouts.

1A CHAMPION — Fillmore High School under Coach Tom Ecklund compiled 20-4 won-lost record on the campaign.

8 A TITLE — Royal Oak High School and Coach Doug Major posted fine 19-6 ledger to its initial title.

3A HONORS — Bishop Montgomery High School and Coach Ernie Martinez sported impressive 26-3 stute for year.

4 A WINNER — Hoover High School, under the reins of Coach Dale Tauffer, fashioned 23-5 log for season.
PUBLIC-PRIVATE INQUIRY COMMITTEE
IN INSIGHT TO ONE OF CIF-SSF WORKING BODIES

Over the course of the school year, the CIF Southern Section has a number of working committees at the "grassroots" level of administration and provide for a more meaningful and fluid input to the school system.

One such committee is the Public-Private School Inquiry Committee, which functions under the direction of the Executive Committee. And order that our members with additional insights to such committees, the following report has been filed by Dr. Handford Raine, chair of the Public-Private School Inquiry Committee, on one of its most recent agenda items.

"Upon hearing reports of a possible "undue influence" violation, the committee visited a member school and talked with the principal and the athletic director. Two Committee members went with the boy's family and the athletes. The Committee was warmly received and given equally warm and efficient cooperation, though voicing innocence of any of the reported situations."

It was emphasized that the Committee will not investigate, make charges or take action as a CIF-SSF body. The Committee will inquire about reports of recruiting violations in public and private schools. Recruiters and honesty should lead every coach and administrator to avoid repeating any action that might question the CIF-SSF's Blue Book.

The single issue of influence involving high schools by athletic is the source of the greatest strain on interscholastic relationships among principals. The committee believes in full cooperation of all principals to maintain a high standard of conduct. CIF-SSF's Blue Book will be "no need" if all schools act properly - will be "little need" if some run to rest with friendly telephone calls. There will be immediate recommendations to committee in information with substance enough to ask intelligent questions.

LAGUNA BEACH CLAIMS VOLLEYBALL CHAMPIONSHIP
Volleyball continued its surge as a CIF Southern Section sport over the 1975 season and Laguna Beach High School emerged as the class of the field.

Laguna Beach claimed the Boys' CIF-SSF title by defeating defending champion Santa Monica in its best-of-five game series, 3-1. Representing the South Coast League, Laguna Beach claimed its third-straight title, winning over its two opening opponents in the likes of Chadwick and Serra, and then defeated rival Corona del Mar, 3-1, in the semi-finals. SURPRISE IN SINGLES ACTION OF CIF-SS TENNIS CHAMPIONSHIPS

Corona del Mar High School's crack doubles team lived up to its advance billing, but there was a major upset in singles action at the 1975 CIF Southern Section Individual Tennis Tournament.

Playing at the Balboa Bay Racquet Club, Jim Curley and Jordan Osterweil of Corona del Mar combined talents to win the doubles championship.

The duo swept their initial two opponents in straight sets, but they had to battle back from an opening set, 4-6, loss to post 7-6 and 6-2 decisions in the finals.

However, the real surprise came in singles action where Jeff Jones of Santa Ana Valley netted top honors.

With the No. 1 and No. 2 seeds being ousted in the opening round, Jones defeated Lloyd Bourne of Brea (5-7, 7-5, 6-2) and Eric Sherbeck of El Dorado (7-6, 6-0) to reach the finals.

Ironically, Jones also lost his opening set, 4-6, then rallied to defeat Jim Harper of Murrieta, 6-3, 3-6, 6-0, for the No. 1 spot.

Others to reach the finals in singles were Alan Winkler of Palos Verdes, Mark Novillo of Webb, Robbye McPherson of Buena, and Dan Gokel of Corona del Mar.
