### APPEALS PROCEDURE CAN SOLVE PROBLEMS

Article XX, Section 3, Page 39 of the By-Laws of this organization says the following:

"Any student, teacher, coach or administrator in a member school shall have the right to appeal any decision of a school or league which pertains to the interscholastic athletic program. It would be expected in order to promote an environment conducive to resolving serious matters, that the petitioner as well as other parties to the appeal would restrict all comments on the question to the appropriate deliberating bodies until the appeals procedure within those governing bodies, within the league and Section have been completed."

The purpose of the last part of this section is to ask, at the very minimum, that professional people; extend the courtesy to their own organization to use the system for resolving differences before resorting to a direct appeal through outside organizations and particularly, the Media.

This is not to say any real or imagined grievance should be shoved under the rug. The purpose here, is to allow fellow professionals the opportunity to deal with their own problems, in an atmosphere conducive to deliberating on serious questions.

Recently, several alleged comments have appeared in Southern Section newspapers quoting some coaches negative remarks about the procedures within their leagues or the Section. In every instance, the coach had not used his right to seek redress through the procedures of this organization.

It is the opinion of this Office that such an unprofessional approach is inconsistent with the general philosophy of the great majority of our coaches, which is to play within the rules.

The above quoted Section, in addition to being a part of the Blue Book, in the opinion of this Office, in some form or another, should be a part of the Constitution of every league within the CIF Southern Section.

Put simply, if a professional has a concern, why not give his own organization and his own rules an opportunity to solve them.

Number one! — Garden Grove HS Field Hockey team with Coach Ellie Minor

## GARDEN GROVE GIRLS WIN FIRST FIELD HOCKEY CROWN

Garden Grove High won their first CIF-SS championship when the field hockey team defeated defending champion Sonora, 1-0 at Golden West College.

The Argonauts got a second-half goal from Kathy West with an assist from Kathy O'Reilly.

It was enough for star goalie Kathy Morask. Morask, who has allowed only nine goals this season, stopped 15 Sonora shots as Garden Grove recorded its 16th shutout of the season.

Coach Ellie Minor's team, which finished with a 16-4-1 mark, has won the Garden Grove League title five straight seasons making it past first-round competition once — in 1976.

It was only the second loss of the season for the Ginny Dotti coached Raiders. Sonora, which also won the CIF-SS title in 1978, won 18 games and tied one.

## COACHES HONOR FIVE MEN WITH MERIT AWARDS

Each year the Southern California Interscholastic Basketball Coaches Association gives merit awards to men who have made outstanding contributions to high school basketball. Five men who have helped make Southern California a leader in basketball were honored at the CIF-SS Basketball finals held at the Long Beach Arena.

## COMBINED BOYS & GIRLS BASKETBALL SEASON ENDS AS TEN CIF-SS CHAMPIONS CROWNED

Verbum Dei High School scored a convincing 62-47 over Long Beach Poly to take the CIF-SS 4A Division Boys' Basketball title. The action took place before a crowd of 11,763, the largest evening attendance since 1965.

The combined attendance for the afternoon and evening session was 15,346 which was the largest combined attendance figure the CIF-SS has ever recorded at the Long Beach Arena.

Winning gave life once again to the Verbum Dei basketball dominance as it took the 4A trophy for the fifth time since 1969. Previously, the Eagles had taken both a 2A and 3A championship in CIF basketball competition.

After a three year wait, the Eagles returned to the final round in 1979 but Pasadena High School took the title away, 70-68.

This year the strong Verbum Dei team, under coach Eli Hawthorne, proved itself anew.

In Girls' Basketball action, Buena High School won its first CIF-SS 4A title as they trounced the Dos Pueblos Chargers 44-25. The finals were held at Cal Poly Pomona, and over 2400 fans were present for an exciting evening of basketball.

The champion Buena Bulldogs, coached by Joe Vaughan finished the season with a 25-1 record.

Last year the Bulldogs hopes were crushed in the finals when they lost to Huntington Beach High School 50-41.

In the 3A Boys' division, Downey High School won the title, dropping Riverside North 67-56 in overtime. The crowd went wild as the Vikings, under the direction of Dean Ackland, took the championship trophy for the first time ever.

Riverside Poly, defeated Alta Loma High School 57-44 in 3A Girls' Basketball competition. The Ivy League champs were coached by Ray Halle. Alta Loma, last year's 2A Division champions, proved itself capable of the challenge of being moved up to the 3A Division with their runner-up trophy.

The Cabrillo Conquistadors were the 2A Boys' champions as they defeated Moreno Valley 69-64. This is the first time either team has reached the finals in boys' basketball competition.

2A Girls' action saw Gahr High School Gladiators prove its basketball strength in a close game against Brawley High School. The San Gabriel Val-

ley League champions defeated Brawley 50-48 and won the 2A girls' crown. This was the first time Gahr, coached by Tom Pryor, has won a basketball title. Gahr finished the campaign with a 26-2 season record. Brawley was a runner-up in 1976 and 1977.

In the Boys' 1A Basketball finals, St. Monica took the title as they defeated St. Joseph 70-65. The Mariners, under coach Chris Corliss, were the Santa Fe League runner-up team and finished the season with a record of 26-3.

A cliff hanger decided the 1A Girls' title as Culver City defeated Ontario Christian 40-39. The Ocean League Centaurs were coached by Warren Flanagan.

Defending champion, Pasadena Poly defeated Chadwick 46-44 to take home the laurels in the Boys' Small School finals. The win gave Pasadena the Small School Division championship trophy for the second year. Tom Bradbury coached the Panthers to an overall 22-7 record.

Shandon has the honor of being the first to capture the Girls' Small School Division title. The Outlaws, under the direction of coach Jane Peck, defeated Orange Lutheran 41-33.

## BOYS' BASKETBALL TOURNAMENT MOST OUTSTANDING PLAYERS NAMED BY PRESS

Boys' Basketball Tournament Most Outstanding Player awards were presented to York Gross (second from left) of Cabrillo, the 2A champion, along with Mike Chavez (second from right) of Downey, the 3A winner. Selections were made by a committee of working members of the press at the Saturday finals.

### COACH'S EJECTION HEADS LIST OF REVISIONS FOR 1979 FOOTBALL RULES

The ejection of a coach after his second unsportsmanlike conduct foul heads a list of several changes made by the National Federation's Football Rules Committee at its annual meeting held in Tampa, Florida. The Committee oversees the playing rules for more than one million participants for the most popular activity in the high school sports spectrum.

"Some coaches make a travesty of the game and incite unfavorable crowd reaction by their unsportsmanlike actions directed at the game officials," explained Thomas E. Fredrick, Associate Executive Director and National Federation liaison to the Committee. "Many state associations already had a policy of ejecting coaches for flagrant or unsportsmanlike conduct. This rule now provides a mandatory and standard procedure for all states to follow." The rule states "a second unsportsmanlike foul by the same member of the coaching staff will cause that coach to be ejected from the stadium area."

Other significant changes included the stipulation that the home team will wear its dark colored jerseys and the visiting team its light color. This was adopted to minimize the possibility of the respective teams not wearing jerseys providing a sufficient contrast in colors. Another rule was adopted to restrict all team personnel not involved in the pre-game coin toss to their respective box areas on the sideline.

The Committee includes a voting member from each state which uses the rules formulated by the Committee, presently 48 states and the District of Columbia. Ray C. Ball, Commissioner of the Colorado High School Activities Association chairs the prestigious body.

### ATHLETIC TRAINERS SEEK TO AID MEMBER HIGH SCHOOLS

The American Athletic Trainers Association and Certification Board is a non-profit organization dedicated to maintaining and achieving excellence in the field of athletic training. It is an educational organization designed to both help schools maintain and upgrade their athletic training programs, and to prepare students for the field of athletic training.

It is the goal of the AATA to see a competent, efficient athletic training program for both young men and women in the sports programs of every high school, junior college and college in Southern California, the state and nation. Membership fees are kept to a minimum and dues are deliberately kept low to make it possible for every

student who has a sincere desire to enter the field of athletic training to join.

The ATAA is an association that certifies young people to become efficient, effective trainers in their own schools program. It also stands ready to assist those athletic directors, athletic trainers, teacher trainers, nurse trainers, coach trainers and team physicians desiring to upgrade and improve their programs.

Further information about the association, membership and its program can be obtained by contacting Joe Borland, Pacific League Athletic Trainer and member of the CIF-SS Injury Committee at 638 W. Duarte Road, Arcadia, 91006 (213-445-1978).

### SOCCER COMMITTEE CHANGING RULE BOOK FORMAT

Ending a two-year recodification effort to make the rules more direct in language and more clear in structure, the National Federation Soccer Rules Committee climaxed its annual meeting January 17-18 at the National Federation headquarters office by developing plans for case book and officiating sections to the soccer rules publication for 1980-81.

Most of the major rule revisions made by the nine-member committee for inclusion in the 1979-80 edition of the **Soccer Rule Book** were for the purpose of clarifying the rules to help the officials better administrate the game, according to Pam Erwin, editor of the publication and National Federation liaison to the Committee. The revisions will directly affect almost 160,000 high school soccer players throughout the country.

Over the past eight years boys' soccer has gained over 60,000 participants, up more than 79 percent. Soccer ranks second only to tennis in participant growth among boys since 1970. In the last two years, soccer has increased 25.1 percent in boys' participation, tops among all sports.

### SOCCER MAJOR RULES REVISIONS FOR 1979-80

1. Requires soccer goals to be painted. (1-4-1)
1. Specifies that the goalkeeper **may** be one of the eleven players. (3-1-3)
3. Requires numbers on striped shirts to be placed on a patch which contrasts with both the jersey and the number. (4-1-1-b)
4. Recommends that the team captain wear an upper arm band of contrasting color. (4-1-2)
5. Clarifies use of one referee and two line judges. (5-1-2, 3)
6. Requires two line judges when only one referee is administering the game. (6-1-1)

### KABC TELEVISION TO HONOR PREP ATHLETES

Popular Channel 7 sportscaster Ted Dawson is finalizing plans to honor the outstanding high school athletes in the Southland with an evening awards banquet and entertainment to be held at the Los Angeles Sports Arena on Tuesday evening, May 15, 1979.

Each school in the Southern Section and L.A. City Section will be extended an invitation to send their two most outstanding male and female athletes to the affair along with a representative of the school. Parents, friends and boosters wishing to attend this gala affair may purchase tickets.

Highlight of the evening will be the naming of Southern California's Most Outstanding male and female athlete in the team sports and the Most Outstanding male and female performer in the individual sports.

Principals should be on the lookout for information that will be mailed directly to them within the next few weeks spelling out the details, as Fiske Enterprises, a Los Angeles promotion firm in conjunction with KABC-TV is handling the organizational chores of this event and communications are now being finalized.

7. Specifies the official time shall be kept by the home school. (6-3-1)

8. Specifies that encroachment by the attacking team on an unsuccessful penalty kick will be penalized by an indirect free kick on the spot of the encroachment. (14-1-2 Penalty)

9. Requires the players feet on the throw-in to be on the ground **outside** the touch line. (15-1-3)

In addition, Rules 8, 9 and 11 through 17 have been entirely re-written. These changes are part of a two-year effort to recodify the rules so they are more direct in language and more clear in structure and thus more easily used by soccer coaches, officials and players.

### SEMINARS OFFERED TO MEMBER SCHOOLS

The CIF-SS Injury Committee has prepared one to three-hour presentations and half-day seminars for interested schools on establishing and maintaining a quality athletic training program.

Presentations include the "Basic Dozen" for establishing a high school athletic program for boys' and girls' sports, procedures to be followed for the care and treatment of injuries, demonstrations and practical exercise in the prevention and care of injuries.

The programs, which can be presented to from 10 to 100 people, are available on an initial trial basis to the first 10 requests. Those wishing to schedule a presentation or obtain further information may contact Joe Borland, member of the CIF-SS Injury Committee, at 638 W. Duarte Road, Arcadia, 91006 (213-445-1978).
