GARDEN GROVE GIRLS WIN FIRST FIELD HOCKEY CROWN

Garden Grove High won their first CIF-SS championship when the field hockey team defeated defending champion Sonora, 1-0 at Golden West College. The Argonauts got a second-half goal from Kathy West with an assist from Kathy O'Reilly.

It was enough for star goalie Kathy Morask. Morask, who has allowed only nine goals this season, stepped 15 Sonora shots as Garden Grove recorded its 16th shutout of the season.

Coach Elie Minor's team, which finished with a 16-4-1 mark, has won the Garden Grove League title five straight seasons making it first past-fourth competition once — in 1976.

It was only the second loss of the season for the Ginny Dottl coached Raiders. Sonora, which also won the CIF-SS title in 1978, won 18 games and tied one.

SANTA FE WINS
1979 WRESTLING TITLE
Santa Fe High School under coach Rick Sowers won their first ever CIF-Southern Section title capturing the 1979 wrestling championships held at Westminster High School. The title was decided in the final match of the evening when Losara’s Doug Rubino defeated Ron Barker of West Torrance. A win by Barker would have given West the team title.

The Chiefs gained valuable points from Ruben Romero placing second at 98 pounds, Mike Faulstine, fifth place in the 115 pound div, Mitchell Pagano a fifth place finisher at 130 pounds, and heavy weight Don Eck another fifth place winner.

The Most Outstanding Wrestler award in the lower weight classes went to Bruce Terry (98) of La Reina while Dennis Cottle (168) of West Torrance was named the most outstanding performer in the upper weights. Terry went on to become the State Champion in his weight class.

Marty Kistler of Notre Dame (Riv) a winner at 98 pounds last year won the 115 pound title while brother Lindly was victorious at 123 pounds.

1979 COMBINED BOYS & GIRLS BASKETBALL SEASONS AS TEN CIF-SS CHAMPIONS CROWNED

Verbum Dei High School scored a convincing 62-47 over Long Beach Poly to take the CIF-SS 4A Division Boys’ Basketball title. The action took place before a crowd of 11,763, the largest evening attendance since 1965.

The combined attendance for the aftersession and evening session was 15,346 which was the largest combined attendance figure the CIF-SS has ever recorded at the Long Beach arena.

Winning gave life once again to the Verbum Dei Basketball dominance as it took the CIF-SS title for the fifth time since 1969. Previously, the Eagles had taken both a 2A and 3A championship in CIF basketball competition.

After a three year wait, the Eagles returned to the final round in 1979 but Padua High School took the title away, 70-68.

This year the strong Verbum Dei team, under coach Eli Hawthorne, proved itself anew.

In Girls’ Basketball action, Buena High School won its first CIF-SS 4A title as they trounced the Downey High Chargers 44-25. The finals were held at Cal Poly Pomona, and over 2,000 fans were present for an exciting evening of basketball.

The champion Buena Bulldogs, coached by Joe Vaughan finished the season with a 25-1 record.

Last year the Bulldogs hopes were crushed in the finals when they lost to Huntington Beach High School 50-41.

In the 3A Boys’ Division, Downey High School won the title, dropping Riverside North 67-55 in overtime. The crowd went wild as the Vikings, under the direction of Dean Ackland, took the championship trophy for the first time ever.

Riverside Poly, defeated Alfa Loma High School 57-44 in 3A Girls’ Basketball competition. The Ivy League champions were coached by Ray Halle. Alfa Loma, last year’s 2A Division champions, proved itself capable of the challenge of being moved up to the 3A with their run-up record.

The Cabrillo Conquistadors were the 2A Boys’ champions as they defeated Moreno Valley 69-64. This is the first time either team has reached the finals in boys’ basketball competition.

2A Girls’ action saw Gahr High School Gladiators prove its basketball strength in a close game against Brawley High School. The San Gabriel Valley League champions battled Gahr for the title, 70-60.

A cliffhanger decided the 1A Girls’ title as Culver City defeated Ontario Christian 40-39. The Ocean League Centaurs were coached by Warren Flanagan.

Defending champion, Pasadena Poly defeated Chadbuck 46-44 to take home the laurels in the Boys’ Small School finals. The win gave Pasadena the Small School Division championship trophy for the second year. Tom Bradbury coached the Panthers to an over-all 22-7 record.

Shandon has the honor of being the first to capture the Girls’ Small School Division title. The Outlaws, under the direction of coach Jane Peck, defeated Orange Lutheran 41-33.

“Fastbreak” Film Star Scores for California but she’s CIF-SS All the Way!

Bobby James cooly moves to the arena area and begins to warm up with the other team members for the night’s game. Known as “Swish” to fans and friends, the 5-11 wiz kid is a mystery to many and an irritation to opponents. And no wonder, because “Bobby” is actually a woman basketball player recruited by Gabe Kaplan to play in male disguise on a college team in the Columbia Pictures production of “Fastbreak.”

Cute character, right? But beyond even this frame by frame cinema surprise is a real publicist’s triumph. The woman playing “Swish” in the film is not a veteran filmmaker, camp follower nor aspiring actress. The Hollywood-hyped basketball star is actually a dedicated and down to earth CIF Euphoria.

SOUTHERN Section coach at Rubidoux High School in Riverside, Mary Washington is famous for her publicity stunts.

“I thought it was a joke,” said Washington when first approached by Columbia representatives during summer league play at Cal State L.A. “Although all the film’s players had actual basketball experience, “I had no film experience, she said. But that didn’t stop Washington from giving convincing performances as a New York woman basketball-adjunct who would go to the extreme of hiding her sex to play ball. “She wanted to play that bad,” said the coach. And the determination of the character seems right in line with Washington’s own drive.

Having happily coached now at Rubidoux for three years, Washington said things were a lot different during her ninth grade athletic career beginnings. “I wasn’t coached like kids now,” she said. As an example, “There were no camps. I didn’t know what those were,” she said.

In high school, Washington participated in many sports including softball, track, badminton, volleyball and basketball. Track was her forte as a sophomore when she ran in the long jump during her senior year. She had the 1972 Olympics sighted as she entered college, but UC Riverside provided no track team for women at that time, and she had graduated from the GAA era of “play days”, so the GAA competitive atmosphere never went with her. Track was soon forgotten for volleyball.

Washington attended UCR for a Sociology major and a physical education minor as she incurred into becoming a probation officer. Doing volunteer work at Riverside’s juvenile hall, she taught volleyball there and seemed to find what she was looking for in coaching.

“Teaching and coaching is what I like most,” she said. (Continued on Page Four)

DATE CHANGE

All-CIF Invades Magic Mountain

Citizens Savings has just named this year’s date for the All-CIF Awards Ceremonies at Magic Mountain in the girls’ sports of volleyball, basketball, field hockey and softball.

The date had been set for June 16, but due to conflicts with another special event which would involve many athletes, thus preventing their attendance at the Magic Mountain Ceremonies, the date for this event has been changed from Saturday, June 16 to SATURDAY, JUNE 23 at 10:30 A.M.

Please verify that your athletes have been selected to membership on the All-CIF Teams — and congratulations!
