TENNIS DATES AND SITES ANNOUNCED
Some dates and times for the C.I.F., Southern Section Championship Tennis matches have been announced by William W. Russell, Commissioner of Athletics.

The Tennis Playoffs will begin May 10 with additional play scheduled for May 13, 17, and the finals on May 24. Each League may enter a team of eight boys, four of whom play singles and four of whom compete in doubles. No boy may play in both singles and doubles. The school winning its league championship will enter as its league representative. A round robin is held for singles, each boy playing one set against each singles player from the other school. In doubles, a round robin is played with each team playing two sets against each other doubles team from the opposing school. Each set won in singles scores one point; each set won in doubles scores one and one-half points. The 1951 Team Tennis Championship was won by Beverly Hills High School.

The Class B and Class C Tennis Tournaments will be held on April 19 and May 1, at the Santa Ana High School battery of courts. Last year 144 boys competed in this event, and we trust that the 1952 entry list will be of equal caliber and number.

The Class A Tennis Tournament will be held June 7 at the Long Beach City College courts. Each League may enter two singles players and two doubles teams. No boy may play in both singles and doubles. Mike Franks and Allan Call of Beverly Hills HS won the doubles title, while Santa Monica HS captured the singles crown last year.

Entrants blanks for these events will be issued at the appropriate time.

FIELD STRONGEST POSSIBLE TEAM IN RELAY EVENT
In C.I.F., Southern Section competition such as Track or Swimming, and where relay events are included on the program, it is permissible to substitute boys in order to strengthen a school entry.

If a relay team qualifies for the finals in a track meet, the Track Coach may substitute one or more boys if he wishes. He need not run the same boys who qualified in the Preliminaries.

On the other hand, for any such cases, each boy must comply with all rules regarding the number of events in which he, as an individual, may compete.

TUCSON ANNOUNCES WITHDRAWAL FROM ASOCIATE MEMBERSHIP
For several years the C.I.F., Southern Section has made possible an Associate Membership for high schools in Arizona and Nevada, to permit those schools to compete with our southern California schools. One of the factors which brought about this relationship was the relatively few high schools of comparable size in our neighbor states which made athletic scheduling problems difficult for Association Membership in the C.I.F. made it possible for the Arizona and Nevada schools to round out their schedules.

Tucson, Arizona HS, Mr. Andy Tobson, Principal, has recently withdrawn from Associate Membership, giving two main reasons for its action. (1) Tucson finds the expense of traveling to California or bringing California teams to Tucson a little too heavy to bear. (2) Recent growth in Arizona has brought about an increase in the number of larger schools in that state, and hence Tucson finds a greater opportunity for scheduling much closer to home.

Mr. Tobson states in his letter: "Be assured that our relationships with your organization have always been of the best and we have enjoyed our competition with southern California schools."

NORTHERN AND SOUTHERN GROUPS BASKETBALL CHAMPIONS DETERMINED
Chino High School defeated Chula Vista 34-32 to win the Southern Group Basketball Championship for 1952, and San Luis Obispo downed Barstow 49-46 to gain the Northern Group title recently. Congratulations to San Luis Obispo and Chino for their newly gained honors!

Semi-Finals: Chino 49 — 35 Newman
Chula Vista 42 — 37 Hermes
Finals: Chino 14 — 32 Chula Vista
GUEST EDITORIAL
The C.I.F. Office is fortunate to receive the various publications of many of the State High School Athletic Associations throughout the United States. The following editorial was recently published in the Ohio State High School Athletic, and was by Mr. H. W. Emsweller, Commissioner for the Ohio State High School Athletic Association.

QUO VADIS?
More than fifty years ago a Polish novelist gained world-wide fame when his masterpiece, "Quo Vadis" appeared. Quo Vadis? Wither goes thou?

More than four centuries ago a great Mogul emperor, Akbar, was born. He seems to have devoted himself to fairness, justice and tolerance. He was probably eminently worthy of the title bestowed upon him, "guardian of mankind." 1

Is significant in these three sentences are the words attributed to him—"I have lived a long time, but I have yet to see a man lost on a straight road."

Just a hundred years ago (1851) David Starr Jordan was born in New York state. He became president of the University of Indiana and then president of Leland Stanford. He accomplished much, wrote much, lectured much. Forty years ago (1931) he was made director of the world peace foundation and became notably active in opposing the World War. David Starr Jordan opened many of his lectures with, "All the world will stand aside for a man who knows where he is going."

Interscholastic Athletics, wither goes thou?

Just what activity in all America has greater opportunity for building stalwart citizenship than have you? Name that activity if you can. That's your go-to-

Citizenship. Some people call it character. Some break it down into compartments—loyalty, team work, honesty, fair play, scholarship, controlled emotions, physical fitness, mental alertness, respect for authority and so on, but add all together and you still have the highest expression of American citizenship. Anything that contributes to any phase of citizenship has no place in America and of all places, should show its ugly head near the playing field or in the American school. Interscholastic Athletics, we are talking to you and about you. There is not a coach nor a parent nor a booster Club member nor a sports writer nor a game official nor a fan who, in his quieter moments, will disagree with what we have said to you and about you. They all have said the same things. More than that the vast majority are just that way. Unfortunately and disgracefully, (according to student standards) you have been dealt some rotten, stinking, dirty blows below the belt by an occasional coach or parent or Booster Club member or sports writer or game official or fan on occasion. All this is because you were either emotionally unstrung or just plain drunk. These timid minorities can destroy you. Better ferrer them out. A few days of cooling off in a cell would at least serve to identify them. Our federal government has at last had to resort to such procedures. There's no excuse for handling with kid gloves those whose idiotic conduct smears you and infect others. Your program is a boy's program and only adults can ruin it.

Interscholastics, if you can wander down the by-paths and side roads of rabid bias and partisanship, gambling, commercialism, sexual leadership-off stuff and puppy foot administration. On the other hand, there's that "straight road" ahead on which you cannot go. It leads Young America to two fisted, hard hitting fair play and a far higher type of citizenship, (5) perfecting whether they win or whether they lose, than this world has ever known. You can rely on that "straight road" and "all the world will stand aside for you."

Quo Vadis?

ADDITIONAL APPROVED SANCTIONED EVENTS
The following applications for sanctioned events have been approved by the Commissioner of Athletics:

March 27, 28, 29—San Diego HS Invitational Baseball Tournament
June 4—Compton HS Distance Medley Relay event in Compton Invitational Track Meet
September 26, 1952—4th Annual Football Carnival for the San Diego City League

C.I.F., Southern Section schools may not compete in an invitational event in which schools from more than one league compete unless the event has the sanction of the C.I.F. Office.
SAN DIEGO HS SUCCESSFULLY DEFENDS WRESTLING TITLE

Coach Frank Crosby's San Diego High School Wrestling team narrowly averted the loss of the Wrestling Championship to a strong Redondo High School squad, when the San Diegans barely defeated the Sea Hawks 31-30 in the Finals of the C.I.F. Southern Section Tournament at Whitter High School Saturday, March 1, 1952.

San Diego thereby held on to its crown which it has won in 1952, 1951, and 1950. Central High School of El Centro won the title in 1949 and 1948.

Four Divisional Preliminary Tournaments were held in four areas to qualify boys for the Finals. Each Divisional qualified its two top boys in each weight classification.

ORDER CLASSIFICATION CARDS NOW!
The C.I.F. Southern Section Office will again print the athletic classification cards which many of our schools use to record the data and compare the performances for boys at the time of the weight class physical examination in early September.

Schools wishing to use the cards are requested to place their orders in writing. The cost of the classification cards will be 35c per hundred cards, which covers only the cost of the printing and mailing. PLEASE ORDER YOUR CARDS NOW.

CROSS COUNTRY DATES SET THE Cross Country Championship runs for 1952 will be held on the first and second Fridays in December, the usual dates for this competition.

The Group Championship races will be held on December 5, and the Final Championship race will be held on December 12.

Cross Country and Track Coaches are asked to make a note of these two dates for the athletic calendar.

REQUESTS FOR SANCTION OF INVITATIONAL EVENTS SHOULD BE FORWARDED TO COMMISSIONER

Principals of schools which are planning to sponsor athletic events during the 1952-53 school year, are requested to forward their applications for sanction to the C.I.F. Office, 8760 Venice Blvd., Los Angeles 34.

The State C.I.F. Federated Council has recently ruled that basketball tournaments may not be held which take boys away from the classroom more than one day; and further that no boy may play in more than one basketball game in a day. Unless the invitational basketball tournaments are held in vacation periods, the State ruling will keep the various entries more localized.

Mr. Wm. W. Russell

Absent: Mr. Harvey J. Holt
Dr. A. E. Konold

1. It was moved by Mr. Nelson and seconded by Mr. Corbin and carried, that the minutes of the February meeting of the Council be dispensed with since they were published in the Monthly Bulletin previously.

2. Mr. Russell presented the recommendations of the Track Committee to present holding an invitational track meet for 1953 only during the week of March 6-7, March 13, 14, March 27, 28, and Easter Vacation week (except Good Friday) and week of April 17, 18. After some discussion it was moved by Mr. Nelson and seconded by Mr. Smith to set the following dates for invitational track meets for 1953: March 13, 14, March 27, 28, Easter Vacation week (except Good Friday), and April 17, 18. A roll call vote was taken and the motion lost with a tie vote 9-9.

3. It was moved by Mr. Corbin, and seconded by Mr. McIntosh and carried, to reduce by one the number of dates for invitational track meets for 1953. The motion carried. The accepted calendar for invitational track meet dates will now be March 13, 14, 27, 28, and Easter Vacation week (except Good Friday).
