MINUTES OF COUNCIL MEETING FEB. 7, 1953

The regular February Meeting of the C.I.F., Southern Section Council was called to order Saturday morning, Feb. 7, 1953 in the patio of the Helms Athletic Foundation Building, by Mr. H. S. Packwood, President.

1. Roll call was taken, with all leagues being represented with the exception of the following: Arrowhead, Foothill, Pasadena Junior High, Southern, and Tri-State.

2. It was moved by Mr. Gunn, 2nd by Mr. Bonnett, and carried to dispense with the reading of the December Minutes as they had been published in the Monthly Bulletin.

3. It was moved, seconded, and carried that the new California High School of the Whittier District be placed in the San Gabriel Valley League as of September 1953.

4. The Ventura League requested the Council to reconsider the dates set for 1953 football playoffs (start weekend of Nov. 27). It was moved, seconded, and carried to table the request of the Ventura League in this matter. The dates will stand.

5. Mr. Oliver Corbin of Covina HS reported for the Committee to Evaluate Playoffs in All Sports. Mr. Corbin reported 100% of the leagues replied to the questionnaire sent out by his committee. The Committee reports:

"Previous to its meeting, the Committee polled all the leagues in both the Large Schools and the Small Schools Divisions of the Southern Section.

"Returns from the small schools indicated an overwhelming preference in favor of continuing play-offs as conducted at present. The leagues in the Large Schools Division voted unanimously to continue play-offs according to the present plan.

"The leagues were also polled with regard to their attitude concerning State Championships in the various sports. A large majority of the leagues voted against State Championships in all sports. There was, however, scattered voting in favor of State Championships in various sports such as track and basketball.

"The Committee therefore recommends that:

1. Play-offs in all sports in the Southern Section continue as in the past.
2. The State Track Meet not be included

SAN DIEGO HS WINS FOURTH STRAIGHT WRESTLING CHAMPIONSHIP

It will probably be quite some time before one of the C.I.F., Southern Section schools matches San Diego High School's outstanding record of four consecutive wrestling titles, an achievement of which Coach Frank Crosby's boys can well be proud. As in 1952, Redondo High School won the runner-up position in the championship tourney held March 7, 1953 at the Hoover HS gym in San Diego.

Preliminary eliminations were held at San Diego and at Whittier on February 28, with the top four boys from each of these two meets going on to the final competition on March 7. Eighteen schools entered boys in the prelims.

1953 SWIMMING RELAYS SUCCESSFUL EVENT

The 1953 Whittier HS Swimming Relays will go down in the record book as one of the best held, since the weatherman cooperated in providing suitable temperatures for the outdoor pool and the competitors enjoyed themselves while establishing new records.

Twenty-two schools entered 172 relay teams with the result that 710 boys splashed into the pool during the afternoon. Wilson HS of Long Beach won the Class A title, while host Whittier garnered both the Class B and Class C championships.

Although swimming marks made in C.I.F., Southern Section events now compare favorably with those of any other section in the nation, 4 new records were written and 2 old records were tied in the two day event, February 24 and 27, 1953. Wilson's 4 man backstroke team set

a new mark of 2:48.6 in the prelims, and then broke that record with a 2:48.5 time in the finals. Whittier did the same when their Class C medley relay team set a new record of 59.4 in the prelims, only to lop off a full second in the finals with a superb 58.4 effort. Testimony to the continued improvement in swimming is the fact that only one record which was on the books in 1948 still stands, that being the Fullerton HS Class A 4 man breast stroke (4 x 200') mark of 2:54.4.
