## Basketball Coaches Assn. To Honor Barnett, Walton, Green at Playoff Banquet

Three former coaches who amassed a total of 89 years in basketball coaching ranks, will be honored for their services by the Southern California Interscholastic Basketball Coaches Association with merit awards at the coaches' "Play-off Banquet" on Saturday, March 7, at the Lafayette Hotel in Long Beach.

The coaches — Bill Barnett of Loyola, C. Merrill Green of South Pasadena and Albion "Weary" Walton of Muir — will be guests of honor at the annual banquet held just prior to the CIF, SS, championships.

All three are now "retired" from coaching, although Barnett is still director of athletics at Loyola and Walton and Green still maintain close association with the programs at their respective schools.

"Each of the three coaches being honored with Merit Awards has contributed greatly to the game as we know it today," said Chuck Clustka of Harvard School and chairman of the Merit Awards program. "The three have been a credit to the profession and richly deserve our recognition."

Barnett was head basketball coach at Loyola for 31 years, from 1927 through 1958. His record was 591-150 and included 11 Catholic League championships and one CIF title. His most outstanding season was 1953 when the Cubs broke Compton's 53-game winning streak in the Compton Tournament Finals, then came back to win the CIF title by stopping a 17-game Tarbabe streak in the finals. It was the only two losses suffered by Compton during the season and kept the Tarbabes from a third straight CIF title.

C. Merrill Green came to California in 1927, after starting his coaching career in Iowa in 1922. He joined the staff at South Pasadena in '27 and was head basketball coach from then until his retirement in 1958. His record was 416-197 and included nine league championships and the CIF crown in 1946.

"Weary" Walton's career was split between Muir High ('24-'41), Pasadena City College ('41-'46), and Muir

## CALENDAR OF EVENTS

March 6—Basketball Play-offs, Long Beach Arena, 7:30 and 9:00 ("AAA" Semi-Finals)

March 7—Executive Committee Meeting, Pacific Coast Club, 10:00 a.m.  
—Basketball Play-offs, Long Beach Arena

1:30—"AAA" Consolation

3:00—"A" Championship

7:30—"AA" Championship

9:00—"AAA" Championship

—Coaches "Play-off Banquet"

5:00—Lafayette Hotel, Long Beach

## Kudos to Dominguez' Lou Joseph for Treatment of Cage Officials

Carbon copies of two highly complimentary letters were received during recent weeks by Commissioner of Athletics Kenneth Fagans.

The original copies of the letters had been directed to Louis Joseph, Assistant Principal and Athletic Director of Dominguez High, and Mr. Rae Cargille, Superintendent of Compton Schools, pertaining to the "gracious hospitality" and "courteous attitude" afforded basketball officials who had been assigned to work games on the Dominguez campus.

Both letters, which came from veteran officials, praised the Dominguez policy of sending out personal letters to each official assigned to Dominguez games, reminding them of time and site of game, along with the greeting of officials by a Dominguez representative upon arrival and the follow-up letter thanking each official for his efforts.

In acknowledging receipt of the letters, the Commissioner noted that these were not the first ones received regarding the Dominguez policy. He also points out that more and more schools are undertaking similar programs which are most certainly welcomed by the officials and their association, as well as by organizations such as the CIF which many times hear only the "beefs" about the relationship between officials and schools.

College ('46-'51). His 17-year record at Muir High was 291-99 and his prize pupil during this tenure was Jackie Robinson.

## Salesian Wins Soccer Crown; League Expands Next Season

Salesian High of Los Angeles may have had a rough year in basketball, finishing last in the Angelus League standings, but the Mustangs certainly can't "kick" about their successes on the soccer field.

In its first year of operation a newly-formed CIF High Schools' Soccer League, founded by Fr. John Malloy, Principal of St. John Bosco in Bellflower, 1) began its season with four members, 2) conducted a post-season exhibition series with five additional schools and 3) has indicated that when soccer season rolls around in the fall, 13 schools will be participating.

Rev. John Jakub, secretary of the league and coach at St. John Bosco, tells the CIF office that a six-game schedule for each of the four teams was completed in mid-December with Salesian copping top honors.

A 43-inch perpetual trophy has been purchased by the league and was officially presented to Salesian representative Bro. Rudy Bertagnolli, S.D.B. at a league meeting on February 19.

### Final Standings

	W	L	T
Salesian .....	5	0	1
Elsinore N & M .....	3	2	1
St. John Bosco .....	2	2	2
S. G. Mission .....	0	6	0

Following completion of the regular season, Inglewood, St. Bernard, Pater Noster, Pomona Catholic and Hart High Schools joined the original four for a series of exhibition games to get a taste of the competition.

Rev. Jakub reports that since the conclusion of the exhibition season in mid-January St. John Vianney, Palos Verdes, La Salle and Pius X have all expressed interest in becoming active members of the league.

Currently under discussion by league members are such topics as play-offs, eligibility, availability of officials, and starting dates for the 1964-65 season. It is quite possible that the season would be delayed until late November to allow boys who play football the opportunity to also compete in the soccer program.

League members have expressed

**Football and Basketballs Both Take Funny Bounces**

They say that footballs take funny bounces, but it seems as though the round ball also took some crazy hops during the just-completed season. Take, for example, the second game between Compton and Dominguez when the Coast League title was at stake.

Dominguez led 1-0 before the opening tip-off. It seems that Compton's jerseys matched the uniform numbers, both white, with a thin blue border around the numerals. The rule book says that jerseys and numbers must be of "contrasting" colors. Thus, the Tarbabes were stuck with a technical foul which Dominguez converted into a 1-0 lead before the clock ever started.

\* \* \* \*

Then, there was the game back in the mid-west that may cause the officials' case book to be rewritten. Team A became so upset with the officiating during the course of the game that it began intentionally contributing baskets to team B. The final score was something like 145-29 in favor of team B with team A chalking up 56 points on behalf of team B.

\* \* \* \*

Monrovia has played the role of "spoiler" in the Pacific League during the past season, so it's obvious that the Wildcats have had their ups-and-downs. But one fellow on the club

has attracted more attention around the Southland than all of his teammates. His name: Fair Hooker. And, he is. Hooker is a junior who scored 24 points in a recent Wildcat game and his coach, Anthony Stillson, says he will be a key man in the Monrovia attack next season.

\* \* \* \*

Don Liebhart, who has had much success in his eight-year tenure at Anaheim's basketball helm is moving to the new John F. Kennedy High School in Anaheim next year as athletic director. He'll also coach basketball.

Also moving from Anaheim to Kennedy is John Hangartner. John has been an assistant football coach under Clare Van Hoorebeke for four years and will assume the duties of building a football program at Kennedy. Hangartner was CIF, SS, Player of the Year in 1954 when he led Glendale Hoover High to the CIF second-place title.

\* \* \* \*

Coach Jack McCracken of Lebanon High School in Lebanon, Kansas, is attempting to learn whether or not his team set a record for consecutive free throws scored when, in a recent games, the Broncos scored 24 straight.

Lebanon finished with 25 for 28 and kept its record unblemished with a 73-46 win over Woodston High. He didn't say how many straight he'd won.

Drop a note to Don Andersen at the CIF office if you are aware of a record in the consecutive free throw department.

\* \* \* \*

Santa Clara must hold some sort of Southern Section record for consecutive games won in league play. Coach Lou Cvijanovich's Saints finished this season with a 12-0 record in the Tri-Valley League and are currently working on a 70-game league streak. They haven't been beaten in the last seven years in league play and have won the "A" Division title in four of the last five. In 1962, the Saints were defeated by Laguna Beach, 58-54, in the finals. Guards Andy Herrera and Mike O'Brien each scored 26 points in last season's championship win over Chadwick and both are as sharp as ever this year.

\* \* \* \*

Chino has gone two consecutive years without defeat in the Tri-County League, a streak which now covers 28 games. Coach Vic Paulson's Cowboys copped 14 straight each season.

**Southern Section Track Finals Set May 29 at Cerritos College**

Sites have now been confirmed for the 1964 Southern Section track and field prelims, semi-finals and finals, it was announced recently by Commissioner of Athletics, Kenneth Fagans.

The four preliminary meets will be held on Saturday, May 16, at Camarillo HS, Fontana HS, Westminster HS, and Arcadia HS with the pole vault event beginning at 11:30 a.m. and other field events at noon. Running events get underway at 12:30 p.m.

Six men from each preliminary meet in each event will qualify for entry into the semi-finals which will be held this year at Compton and Chaffey. The Compton semi-final will be held on Friday night, May 22, with pole vault commencing at 5:30, field events at 6:00 and running events at 7:00.

An afternoon semi-final will be held at Chaffey on Saturday, May 23, with pole vault starting at 12:30 p.m., other field events at 1:00 p.m. and track events at 1:30 p.m.

Four qualifiers from each semi-final will advance to the Southern Section finals which will be held on Friday night, May 29, at Cerritos College. Activities start with the pole vault at 6:00 followed by other field events at 6:30 and running events at 7:30.

Under a new provision, recently approved by the State Federated Council, five Southern Section boys in each event will qualify for the State Meet which, this year, is being hosted by the Southern Section.

The State Meet will be held on Friday and Saturday, June 5 and 6. Three trial heats in each running event will be run on Friday with the first three finishers in each qualifying for the Saturday finals.

Assignments as to which leagues will compete in which preliminary meets will be made at a later date, according to the Commissioner.

Muir High of Pasadena is the defending team champion in the Varsity Division, while Centennial and Notre Dame won B and C titles in 1963. Long Beach Poly had originally been awarded the "A" title only to have the official films show that four points had been awarded to Poly that should have been awarded elsewhere.

Edison High of Fresno is defending State team titleholder. Muir finished second in the Berkeley meet.

**MINUTES OF CIF, SS, COUNCIL MEETING — FEBRUARY 8, 1964**

The second regular meeting of the CIF, SS, Council for the 1963-64 school year was held on Saturday, February 8, 1964, at Gladstone High School in Azusa. The meeting was called to order by President Dr. Nelson Price, assistant superintendent of the Azusa School District, with representatives of all but the Arrowhead, Hi-Lo and Mountain-Desert Leagues in attendance.

The following guests who were in attendance were introduced: Frank Starnes, principal, Gladstone HS; Buck Smith, Inglewood HS, president of the Southern California Interscholastic Basketball Coaches Assn.; Frank Serrao Redlands HS, representing the Southern California Interscholastic Football Coaches Assn.; John Seixas, athletic director of San Gabriel HS, representing "Off-Season Practice" committee; Dick Robinson, assistant principal, Mayfair HS; Dick Coury, athletic director, Mater Dei HS; and Bob Woods, baseball coach, Mater Dei HS.

1. MINUTES APPROVED — It was moved, seconded and carried that the minutes of the Council meeting held on November 23, 1963, be approved as published in the December, 1963, Monthly Bulletin.

It was moved, seconded and carried that the minutes of the Special Executive Committee held on December 2, 1963, be approved as published in the January, 1964, Monthly Bulletin.

It was moved, seconded and carried that the minutes of the Executive Committee meeting held on January 17, 1964, be approved as read by the Chairman.

2. REPORT OF NOMINATING COMMITTEE — The President read the report of the Nominating Committee. For the position of SS representative to the State Federated Council for a term of two years, the following men were nominated: Keith Gunn, principal of Victor Valley HS and Winston Nelson, assistant superintendent of the Pomona Unified School District. There being no further nominations from the floor, it was moved, seconded and carried to close the nominations.

Clair Franklin, principal of Trona HS, and Monroe Pederson, principal of Antelope Valley HS, were nominated for the four-year term as the Desert Area's representative on the Executive Committee. There being no further nominations from the floor it was moved, seconded and carried that

the nominations be closed.

Three men, Art Hobson, principal of California HS; Jack Jines, principal of Pioneer HS; and Art North, principal of Arcadia HS, were nominated for a four-year term as a Los Angeles County representative on the Executive Committee. There were no further nominations from the floor and it was then moved, seconded and carried that the nominations be closed.

Dr. Price informed the Council that, in accordance with Article VIII of the Constitution, sample ballots, noting each man's experience in CIF, SS, work, would be mailed to each league representative for discussion within his league. The final election will be held at the May Council meeting scheduled for the Harvard School on Saturday, May 9, 1964.

3. FOOTHILL LEAGUE PROPOSAL RE: ASSIGNMENT OF BASKETBALL TOURNAMENT OFFICIALS — Dick Cordano, vice-principal of Muir HS, informed the Council that it was the feeling of the Foothill League that the CIF, SS, office assume the responsibility, in the interest of consistent officiating, of assigning basketball officials for all pre-league tournaments and that area commissioners in Orange County, Ventura County and the Inland Assn. do likewise for tournaments in their respective areas.

It was moved by the Moore League and seconded that the Foothill League recommendation be adopted. After a period of discussion, during which a majority of comments were not in favor of the recommendation, the question was called for and the motion was defeated.

4. PROPOSAL TO INCREASE EXPONENT MAXIMUMS — Commissioner Fagans explained a proposal that has been discussed by the State Federated Council to raise the exponent maximums in all classifications. It was moved by the Golden League and seconded that exponents be left as they are. After sufficient discussion, the motion was carried unanimously.

5. BASKETBALL OFFICIALS' REQUEST FOR RAISE IN FEES — A proposal from the Basketball Officials Assn. requesting a \$3.00 across-the-board raise in fees was presented to the Council by the Commissioner. It was pointed out that with the new rule, by which 12 to 15 minutes are added to each game, basketball officials are now working approximately three hours when assigned a doubleheader. By the same token, it was pointed out, football officials work one game (one hour, 50

minutes) for as much or more remuneration than that made by basketball officials.

It was moved by the Sky League that fees for varsity and junior varsity games be raised as requested by the Officials Assn. and that fees for other games be retained as they are now. After discussion the Sky League representative withdrew his motion in favor of a motion, also by the Sky League, to refer the matter to a committee for consideration. The motion was seconded and carried.

It was suggested that officials as well as CIF representatives be appointed to the committee and that the committee be appointed as soon as possible and instructed to submit its recommendations prior to the May Council meeting.

6. ELIGIBILITY CASES — Because the Executive Committee does not meet until March 7 and just three eligibility cases had been called to the attention of the Commissioner, all involving boys seeking eligibility for spring sports, it was decided to put the following items on the Council agenda:

(a) Chet Shirk, Sunset League representative and Principal of Anaheim HS, informed the Council of a case involving a boy from Kenya who, when he enrolled at Anaheim last year, was not sure of his birth date, thus confusing the issue of his eligibility for interscholastic athletics. After a review of his case, in which it was pointed out that the boy's parents have notified the Anaheim people of the date of birth, even though no birth certificate is available, either in this country or Kenya, it was moved, seconded, and unanimously carried that the boy be made eligible to compete during the current semester.

At this point the Commissioner asked all representatives to clarify at their next league meeting the rule pertaining to the status of ineligible boys. SS rules provide that ineligible boys may practice with a team but they may NOT suit up or be on the bench during an interscholastic athletic contest. In individual sports an ineligible boy may NOT be placed in an outside lane in a meet with another school even though it is stipulated that he is running unattached and his points will not count.

(b) Commissioner Fagans presented a situation which exists at Temple City HS, in which a student from Guaymas, Mexico, is in this country attending school while his parents still reside in Mexico. It was moved by the Rio Hondo League and seconded that the transfer rule be waived

in this case and that the boy be made eligible for interscholastic athletics pending approval by the Commissioner following his investigation of the case. Following a period of discussion, during which the representative of the Desert Valley League pointed out the fact that this situation exists at several schools in the lower Desert area, the question was called and the motion was denied.

(c) It was moved by the Bay League and seconded that the residence rule be waived and that Mike Vander Sommen be made eligible for interscholastic athletics at Aviation HS. Representative Ted Gossard informed the Council that Vander Sommen had transferred from La Serna HS to the Redondo HS attendance area, but due to the fact that a particular course of study was not offered at Redondo, the district superintendent recommended that the boy attend Aviation HS. The motion was carried.

7. PROPOSED CHANGE IN WEIGH-IN PROCEDURES — Commissioner Fagans presented a proposal by the new Inland Valley League that Article XXVII, Section 1, of the CIF, SS, Constitution and By-Laws be changed to provide that each member school be permitted to weigh, measure and classify its own athletes. It was moved by the representative of the Freeway League that the above section of the Blue Book be amended to provide that the principal of each member school be responsible for classifying athletes at his own school. The motion was seconded and following considerable discussion a roll call vote was called for. The motion was defeated by a vote of 21 to 15.

It was then moved by the Suburban League representative and seconded that this matter be referred back to the leagues for study and that it be placed on the agenda of the May Council meeting.

8. MONTVIEW CROSS COUNTRY REQUEST — An item appeared on the agenda from the Montview League requesting reconsideration of their request to permit cross country practice to begin on the same date as that established for the start of football practice. No motion was made when called for by the Chairman so the matter was dropped.

9. PROGRESS REPORT BY "OFF-SEASON PRACTICE" COMMITTEE — John Seixas, athletic director at San Gabriel HS, explained recommendations of his committee pertaining to the control of "off-season practice" in SS sports. Following the report, it was pointed out that the proposed changes were important and

should be referred back to the leagues for study. The Commissioner was directed to prepare copies of the committee's report and mail a copy to each principal of a member school.

10. ASSIGNMENT OF SWIMMING AND WATER POLO OFFICIALS — Carl Fisher, Bay League representative, read a communication from the Southern California Swimming and Water Polo Coaches and Officials Association, whereby the Association was recommending that the CIF, SS, office and commissioners of officials in outlying areas assign officials and starters for all water polo and swimming contest. They pointed out that it would provide better and more consistent officiating in these sports, because under the present policy many schools were employing officials who were not even qualified to handle high school swimming and water polo contests. It was moved, seconded and carried that beginning with the 1964-65 school year all officials for both practice and league contests in swimming and water polo will be appointed by the Commissioner's office.

11. STATE FEDERATED COUNCIL REPRESENTATION — Dick Cordano, vice principal of Muir HS and representative of the Foothill League, presented a recommendation of his league asking that action be taken to recommend to the State Federated Council that consideration be given to reapportioning the state as far as representation on the State Federated Council is concerned. It was pointed out, for example, that the Southern Section has two representatives on the State Council, representing the 338 member schools in the Southern Section. At the same time, San Francisco and Oakland Sections each have one representative on the State Council, representing the six schools in the Oakland Section and seven schools in the San Francisco Section.

It was moved, seconded and unanimously carried to direct Mr. Hopkins and Mr. Nelson to bring this matter to the attention of the State Federated Council at its next meeting scheduled for San Francisco on March 22, 1964.

12. RELOCATION OF CIF, SS, OFFICE — The Commissioner reported that five districts had responded to the announcement at the November Council meeting that it was advisable for the CIF, SS, to consider relocation of its office and that perhaps a site on the campus of a high school to be constructed in the near future would be worthy of study. One of the sites recommended has a very favorable location and contacts have

been made with district administrators in an effort to determine the legal aspects of such an undertaking. A further report will be made at the May Council meeting.

13. TRACK CLARIFICATION — Alex Alexander, representative of the Desert Valley League, asked for a clarification of the rule pertaining to the number of track meets permitted during a season. He specifically inquired as to whether or not time trials with neighboring schools counted as one of the nine permitted dual or triangular meets.

The Commissioner informed the Council that time trials or any type of interschool competition would count as one of the nine permitted meets.

14. RELEAGUING REPORT — Robert D. Ashton, chairman of the Releaguings Committee, reported that the new Releaguings Committee had been appointed and confirmed, and they were planning to start work on releaguings problems for the 1965-66 school year in the very near future.

There being no further business to come before the Council, the meeting was adjourned at 12:15 p.m.

Respectfully submitted,  
J. Kenneth Fagans  
Commissioner of Athletics

## Water Polo, Swimming Group to Publish Case Book

Verne Kelsey, Secretary of the Southern California High School Water Polo and Swimming Coaches and Officials Assn., has announced that the organization has made plans to publish a Water Polo Case Book similar to those published by basketball, baseball, and football organizations.

Kelsey is attempting to collect material for the publication and will welcome any interpretation questions or situations from coaches and officials. Direct such items to Kelsey at 1291 Hermosa Ave., Hermosa Beach.

Also, swim coaches have been asked to forward any suggested swimming rule changes to Buzz Thayer at UCLA. Thayer will present any such items to the convention of National Swimming Coaches this Spring.

## SALESIAN WINS CROWN

(Continued from page 1)

hopes that more schools will take up the sport and that eventually several freelance leagues could be organized so that the season could be concluded with play-offs conducted by the Southern Section.

Rev. Jakub can be reached at St. John Bosco for those schools seeking more information on the league.

VARSITY CHAMPS—Glendora's Varsity Swim Relay Team relaxes following its victory in the 1964 CIF, SS, Swim Relays. The Tartans scored three firsts in the seven-event card to trim Chadwick 66-56 for the Varsity title. The Glendora C Team finished second in the Relays, held this year at El Segundo. The Tartan coach is Kane Waggoner (lower right).

## GLENDDORA, ARCADIA, WHITTIER CAPTURE TOP HONORS IN CIF, SS, SWIM RELAYS; TEN RECORDS SHATTERED

Record-setting performances in 10 of the 21 events highlighted the annual CIF, SS, Swim Relay Championships held on February 21 at El Segundo HS before a standing-room-only crowd.

Glendora's Varsity team, backed by as much student support as many basketball teams receive, captured three first places in six events entered as the Tartans of Coach Kane Waggoner tallied 66 points to top Chadwick for championship honors. Chadwick was second with 56 points followed, far back, by Oxnard and Fullerton with 28.

Glendora also added a second, a third, and a fourth in amassing its 66 points.

In the B competition that saw a total of 20 different schools with teams qualifying for the finals from the four prelims, Arcadia stroked to two first and a third in three events to annex the title with 36 points. Jordan followed with 30 while Harvard had 28, Palos Verdes 26 and Whittier 24.

It was in the C events that records

fell like ten-pins. Six meet records on the seven-event card were shattered with Whittier, Servite, and Glendora each accounting for two record performances. Whittier, with 66 points, captured the team title, nosing out Glendora (62) to keep the Tartans from repeating the championship they earned last year.

Whittier managed two first, a second, three thirds, and a fifth in the seven races for which it qualified.

Tied 46-46 with Chadwick after five of the seven varsity events, Glendora took a six-point lead with a fourth-place finish in the 4x100 freestyle, and set the stage for the deciding head-to-head dual with Chadwick in the final event.

Glendora's four-man 50-yard medley relay team was up to the challenge and captured the event (Chadwick was second) to put the wraps on the varsity title. Glendora set a meet record in the 4-man, 50-yard butterfly event with a clocking of 1:42.6, while Chadwick earned a record in the 4-man, 100-yard individual medley. Oxnard copped the third varsity record in the 6x50 freestyle in 2:22.0.

Among the C records, the winning Whittier team set standards in the 6x50 freestyle (2:31.0) and the 4x100 freestyle (3:43.7). A four-man team from Servite made a strong showing and was in contention for the title right down to the final stroke. The Friar's foursome — Dan Stunkard, Mike Woods, Jim Wallace and Jim Stickler — set records in two of the first three races on the card . . . the 4x100 individual medley (4:15.9) and the 4x50 breaststroke (2:10.0). A second-place finish to Glendora in the final event, the 4x50 medley relay, was also attained in record time (1:54.1). However, Glendora's 1:53.9 was even better. The old mark was 1:54.3.

Glendora's 4x50 backstroke (1:55.2) and 4x50 medley relay (1:53.9) added two records to the Class C books, giving the combination of all three Tartan teams a total of three new records.

"Whitey" Saari, veteran swimming coach at El Segundo, served as director of the championship meet.

Harvard School's 4x50 backstroke team covered the distance in (1:54.8), setting a new Class B record and winning the race by more than three full seconds.

Preliminary meets, which also produced a bevy of records, some of which were subsequently broken in the finals, were held at Long Beach Poly, El Segundo California, and Corona del Mar HS and served to qualify teams for the finals.

Four records were shattered in the preliminary meets, all in the C class, and all four were lowered in the finals by the same teams which had set them in the prelims . . . Servite in both the 4x100 individual medley and 4x50 breaststroke, Whittier in the 6x50 freestyle, and Glendora in the 4x50 medley relay.

Servite's record in the 4x100 individual medley was perhaps the most outstanding single performance of the 1964 relays. The event record was 4:26.8 set by Chadwick in 1962. In the prelims, the Friar foursome lowered the standard to 4:21.2, a margin of 5.6 seconds. Then, in the finals, the same group chopped 5.3 seconds off its own newly-acquired mark and lowered the original record by 10.9 seconds to 4:15.9.

The complete results of the 1964 Swim Relays appear on the following page.

# C. I. F. SWIM RELAY CHAMPIONSHIPS

## A 4x100 Ind. Medley

1. Chadwick
  2. Notre Dame
  3. Fullerton
  4. El Segundo
  5. Downey
  6. Redlands
- winning time: 4:00.3  
new meet record

## A 6x50 Freestyle

1. Oxnard
  2. Glendora
  3. Downey
  4. Millikan
  5. Redlands
  6. Corona del Mar
- winning time: 2:22.0  
new meet record

## A 4x50 Breaststroke

1. Chadwick
  2. Corona del Mar
  3. Glendora
  4. Burbank
  5. Notre Dame
  6. Los Altos
- winning time: 2:02.4

## A 4x50 Butterfly

1. Glendora
  2. Chadwick
  3. Fullerton
  4. Santa Ana
  5. Notre Dame
  6. Redlands (disqualified)
- winning time: 1:42.6  
new meet record

## A 4x50 Backstroke

1. Glendora
  2. El Segundo
  3. Chadwick
  4. Garden Grove
  5. Redlands
  6. Fullerton
- winning time: 1:49.1

## A 4x10 Freestyle

1. Oxnard
  2. Fullerton
  3. Downey
  4. Glendora
  5. Corona del Mar
  6. Covina
- winning time: 3:28.5

## A 4x50 Medley Relay

1. Glendora
  2. Chadwick
  3. El Segundo
  4. Garden Grove
  5. Pasadena
  6. Downey (disqualified)
- winning time: 1:46.3

## Team Totals—A

1. Glendora 66
2. Chadwick 56
3. Oxnard 28
4. Fullerton 28
5. El Segundo 24
6. Downey 20
7. Notre Dame 18
8. Corona del Mar 16
9. Garden Grove 12
10. Redlands 10
11. Millikan 6
12. Santa Ana 6
13. Burbank 6
14. Pasadena 4
15. Covina 2
16. Los Altos 2

## B 4x100 Ind. Medley

1. Arcadia
  2. Santa Fe
  3. Sierra
  4. Whittier
  5. Fullerton
  6. Oxnard (disqualified)
- winning time: 4:15.5

## B 6x50 Freestyle

1. Harvard
  2. Palos Verdes
  3. L.B. Poly (tie)
  4. Downey (tie)
  5. Newport
  6. Sierra
- winning time: 2:29.4

## B 4x50 Breaststroke

1. Jordan
  2. Whittier
