SUNNY HILLS COPS ANNUAL SWIM RELAYS

Sunny Hills High pulled a mild upset, capturing the annual CIF, SS, swim relays at Belmont Plaza Pool in Long Beach Feb. 10.

The Lancers, an established aquatics power school on the basis of their triumph in the CIF water polo championships, had qualifiers in six of the seven varsity events, making each of them count for either a first or second place. Hank Vellekamp and Jim Sprague's swimmers have now taken C, B and varsity titles in consecutive years.

Premeet favorite and defending champion Foothill faltered in the only two events in which they did not have the top qualifying time. The Knights were also entered in six of seven finals.

The Lancers' Craig Schwartz took a lead on Bruce Furniss on the first leg of the evening's final event, the 4x50 medley relay, and the lead held up for a record tying 1:42.0. The two teams had gone into the final event tied at 58.

Four other varsity records and one each in the Class B and C meets were broken, two each by the swim powers, and by Costa Mesa (B breaststroke, breaking their two-day-old record from the prelims) and Muir in the C 4 x 50 medley (snapping their own 1971 record).

Sunny Hills had new records in the 4x50 freestyle relay and the 4x50 breaststroke; Foothill in the 4x100 freestyle and 4x50 butterfly.

The only varsity event neither Sunny Hills nor Foothill won was the 4x50

CORONA DEL MAR WINS WRESTLING TITLE

Corona del Mar got the most from its four sectional champions to capture the CIF, SS, wrestling championships March 4 at Arcadia HS. The Sea Kings totaled 46 points and got a championship from 168-pounder Gary Casey. John Blanpied (136) and Rick Galantine (157) were runners-up and Wally Clark took third at 148.

Pacific's Mike Cauley, who beat Galantine 11-2 in the finals, was chosen the meet's outstanding performer.

In the team race it was a real battle for second, with Calexico, which tied for second a year ago, edging Rancho Alamitos 32 points to 31½. Pacific was right there, too, with 30.

Other champions included Mike Fleming of El Dorado (98); Ernie Del Rio of Santa Maria (106); Richard Oquendo of Pacific (115); Gus Bendeck of Rancho Alamitos (123); Steve Barrett of Miraleste (130); Jim Sweeney of Edison (136); Dan Naritoku of Rancho Alamitos (141); Art Navarro of Calexico (148); Emery Adair of Quartz Hill (178); Robert Ramirez of Calexico (194) and Ron Hansen of

Tustin (heavyweight).

The Sea King grapplers are coached by Dick Morris. The four scorers had taken their respective weight class first places at the previous week's sectional meet, but other schools, with more qualifiers were given a chance in the pre-meet figuring. However CDM wrapped it up when Casey, tied 1-1 at the end of regulation time, stopped Torrance's John Gillette 3-0 in the extra period for the 168 title.

There were other thrillers. Richard Oquendo, of a long-respected San Bernardino (Pacific High) wrestling family was awarded the 115 title on a referee's decision after tying with Baldwin Park's Terry Martin 1-1 and 2-2. Jim Sweeney of Edison edged CDM's John Blanpied 3-2 at 136.

The two top weight classes produced falls for the champions in the final match. Robert Ramirez (Calexico) stopped El Rancho's Jim Samaduroff at 4:35 for the 194 crown; and Ron Hansen of Tustin pinned Joe Botello of Norwalk at 1:38.

GIRLS DIVISION MEMBERSHIP REACHES 141

SCHOLAR-ATHLETES HONORED BY FOOTBALL FOUNDATION

Neftali Cortez, Excelsior quarterback, Bill O'Brien, Cantwell end; Fred Kennifer, LB Wilson; Darrell Kreitz, Rolling Hills back; John Sullivan, Crespi quarterback; Frank Michiels, Murphy defensive end; Phil Poirier, Alemany quarterback; and Bob Shields, Harvard guard were honored by the Los Angeles chapter of the National Football Foundation Hall of Fame recently.

The eight were saluted as scholar-athletes for the past football season and were joined by five players from Los Angeles City Schools.

It was the ninth year in which the L.A. chapter has honored scholar athletes from CIF, SS schools.

Orange County's second banquet was also held, and seven prep gridders from that area were similarly honored, including Henry Bauer (Magnolia), Jeff Buenafe (Rancho Alamitos), Bob Blum (Sonora), Mark Davenport (El Dorado), Larry Drazba (Mater Dei); Jim Holland (Westminster); Randy Hutcherson (Fullerton) and Jay Ledbetter (Santiago).

The Pasadena-San Gabriel Chapter's banquet is slated March 24.

To be honored on that date are Tom Hamilton, Pasadena quarterback; Kevin Bruce, St. Francis; Gerald Church, Edgewood; Andy Roundtree, Temple City linebacker John Sciarra, Bishop Amat quarterback; Joe Baumgaertner, Damien fullback; Grant Cooper Upland; Ruben Elizalde, Pioneer quarterback and Ken LaVigne, Santa Fe.

Computerized Stat Service Explained to CIF, SS, Officials

A new computerized statistical service, Sport/Stat Service, has been brought to the attention of the CIF, SS office by one of its operators, M.D. Sanderson of Santa Monica.

Mr. Sanderson explained that for a reasonable cost (approximately \$1.25 per game) complete statistics would be made available to subscribing teams. Currently, the system is designed for recreational softball and youth baseball programs, but could easily be adapted to high school baseball.

Sanderson added that information brochures would be mailed to CIF schools and league officials. He explained that the service would become more valuable as its scope widened to entire leagues, etc. He also stated the value of a reliable individual statistical report for young men moving into college and professional athletics.

The infant program for girls athletics as organized by the CIF, SS, is moving along at a snappy clip.

The total to date of schools signifying intent to join the Girls Division of the CIF, SS has swelled to 141, including high schools from every area of the section.

And at the most recent meeting of the Girls Interscholastic Advisory Board (GIAB) two more dates were set for kickoff tournaments in an additional two sports.

Beverly Hills High School, site of an unofficial high school girls' championship meet the last two years, will host the first CIF, SS girls championship meet June 2. And on June 3 and 10, the first CIF, SS girls badminton tournament will be held at Ontario HS. Members of the Girls Division will soon be sent information regarding these two events.

According to CIF, SS commissioner Ken Fagans, all-girls schools in the Southland will soon be mailed invitations to join the Girls Division, enabling them to enter the swim championships or badminton tournament if they wish.

Here are the schools who have notified the CIF, SS office with their intent of joining the Girls Division:

backstroke which El Segundo, anchored by Gordon Clevenger, took in a ballot decision over the Lancers. The breaststroke mark was the oldest to fall (and the oldest on the books), having been set by Fullerton seven years ago.

Palos Verdes captured three of the seven events to take the B championship with Indio second. Miraleste edged Muir 44-42 for the C championship. El Dorado lost a chance for a trophy after the final B event when a team member entered the water before the completion of the race. El Dorado had won the race, which would have placed them second in the team standings.

Steve Wheeler, Larry Wahl and Mike Figueroa each swam on two of SH's winning teams. Foothill star Rod Strachan had a part in each of his mates' three firsts.
