BARRETT LEADS MIRALESTE TO WRESTLING TITLE

EL DORADO'S FLEMING TOPS STATE GRAPPLERS

Steve Barrett won the 130-pound class last year and Jon Jackson finished third in the 168-pound class in 1972. Miraleste finished fifth in team scoring at the wrestling finals.

This year Barrett captured the 141-pound title, Jackson took the same 168 crown and Bob Whitacre was second at 178. The 40 points they scored was enough to give the Marauders the CIF, Southern Section team championship, a point and a half better than Santa Maria. The Saints had a champion in footballer Mike Draper at 148 and two third place finishers.

Miraleste also swept the top individual honor, too, as Barrett was named "Outstanding wrestler" of the meet, based on the formula of selecting for this honor. His pin in the finals, achieved with just 11 seconds remaining put him over the top for the individual award. Barrett was ahead by just one point at the time of the fall.

Only other championship match pin also came with less than a minute left in the bout—at heavyweight, where Greg Metcalf of San Marcos triumphed.

Mike Fleming of El Dorado became a second-year champ breezing to a 16-2 win at 106 after winning at 98 a year ago. Gus Bendeck of Rancho Alamitos matched the feat, edging Joe Zeller 2-1 at 130 after he had won at 123 in 1972.

Close finishes in the finals, included the 115 match, in which Jim Mendoza, a non-champion in the sectionals, edged Antelope Valley's Ray Yocum in overtime 2-1 (reversing an earlier decision in the sectionals); and Jackson's win over West Covina grid star Bob Trudeau at 168 which was a 3-3 overtime match decided by the referees. Five of the other championship bouts were decided by a single point.

The meet was held at Fountain Valley before a capacity crowd of

ANAHEIM'S 'VAN' TO BE HONORED

John McKay, head coach of the national champion USC Trojans, will be the guest speaker when Southern California pays tribute to Anaheim High School's retiring head football coach, Clare Van Hoorebeke.

The testimonial dinner will be held April 1, beginning at 5:30 p.m. at the Anaheim Convention Center.

Van Hoorebeke is retiring from his football post after 23 years at Colonyville. During those years, his teams have won 190 games and lost only 49 games. His record includes 15 Sunset League championships, 17 trips to the CIF playoffs and two CIF crowns.

McKay, athletic director at Southern California, in addition to his football duties, took the Trojans to their third national title since he assumed the head coaching position. USC recorded a perfect 12-0 record in 1972 and topped the season with an impressive triumph over Ohio State in the Rose Bowl on New Year's Day.

Along with McKay, Westminster's head football coach, Bill Boswell, will speak, as well as several other noted dignitaries from the sports and business worlds.

NO FLAPS, NO PLAY

Baseball coaches, umpires and athletic directors are reminded of the National Federation rule and state CIF policy regarding head protectors.

It is now mandatory, by National Federation rules, that batters and baserunners wear head protectors covering both ears and temples. The State Federated Council has modified this rule for this season only, in allowing that existing equipment with but one ear flap be allowed but that two-flap protectors be the only type bought when replacing equipment.

All connected with baseball games are reminded that a game should not be played if either of the competing teams is not using protectors with either one or two flaps. Protectors without flaps constitute illegal equipment.

This is a highly important stipulation because of the liability involved should a mishap occur.

Athletic directors umpires and coaches are also reminded of the rainout procedures listed on page 44 of the Blue Book. Knowledge of this section will eliminate confusion of days of inclement weather.

3.9 MILLION FANS SAW CIF, SS, FOOTBALL IN '72

Football attendance for 1972 in the CIF, Southern Section took another drop from its all-time high of 4,175,000 in 1970, but the downward trend appears to be leveling off.

Last year, attendance plummeted by more than 200,000 from the previous season. This year's figure is only 75,000 fewer than in 1971, or about 50 persons per contest.

The 1972 figure is 3,898,828.

Lakewood was the top draw with 59,500 in six home dates, or a nearly 10,000 per game average. The Lancers play at 17,000-seat Veterans Stadium in Long Beach.

The CIF championship game and a quarterfinal between Western and Lakewood each attracted over 13,000, while 15,000 filed into the Anaheim Stadium for the Western-Anaheim playoff rematch in the semis. One of the biggest regular season draws was the Santa Barbara-San Marcos game at UCSB—14,000, while the Lakewood-Millikan tussle drew 15,500.

A high percentage of schools fielding football teams (a total of 282) responded to the annual survey. Attendance for those schools not responding was estimated by using averages of schools in comparable situations. Average season attendance for CIF, SS schools was 12,377. Playoff attendance figure was 278,534.

A glance at the 10 years of attendance surveys: 1963 (first survey): 2,819,228 (277 total senior high school members); 1969 4,095,000 (339 members). There are 351 regular members this year.

PAT YOURSELF ON THE BACK ONCE IN AWHILE, IT'S SENSIBLE

In troubled times, as these are for many, it's encouraging to take note of an occasional light in the tunnel, a pat on the back for often thankless tasks, under highly critical scrutiny, done well.

Recently two communications of this type have reached the CIF, SS office, praising the Executive Committee and Council for their work.

The first, from the superintendent of the Walnut Valley Unified School District, was a direct result of school board action.

Under a routine expense approval item, the Walnut Valley school board learned of the aims and objectives of "Know Your Blue Book Day," a conference held for athletic administrators last fall by the CIF, SS and Orange County Athletic Directors. Clifford B. Fagan, National Federation Executive Secretary was a guest at the session.

The "Day" was one of the most valuable meetings ever held for those involved in athletics. Nearly all basic rules involving eligibility, sports regulations, etc. were reviewed, picked apart, classified and interpreted at the meeting.

Noting the value of that type of session Dr. David L. Brown, the Walnut Valley superintendent writes: "We are aware of some of the difficulties school districts have had when either knowingly, but even more unfortunately when unknowingly, there are violations of rules which create problems for athletic programs and participation."

He added that the board wished to express appreciation to the CIF, SS "... for the leadership given in athletics throughout Southern California, and particularly for the assistance and leadership you are giving school districts."

WELCOME SUPPORT

The following letter was received recently at the CIF, SS office. It is reprinted here, with deep appreciation offered the sender by the CIF, SS. It is this type of attitude and support, that will perpetuate amateur athletics and the values it holds:

Mr. J. Kenneth Fagans
CIF, SS Commissioner
P.O. Box 488
Artesia, Calif.

Southern California
Babe Ruth League, Inc.
1974 W. 233rd St.
Torrance, Calif.

WHEREAS, the California Interscholastic Federation, Southern Section, and Commissioner J. Kenneth Fagans, and Southern California Babe Ruth League, Inc., and State Director Don H. Cook, are both engaged in administering a constructive, well-defined athletic program for teenage athletes, the Board of Directors of Southern California Babe Ruth League, Inc., does hereby support the CIF, SS, in pursuing its administration guaranteed under its constitution and bylaws.

WHEREAS, Monrovia High School has seen fit to flaunt CIF and Mission Valley League authority and has filed a \$150,000 lawsuit against both the CIF, SS, and Mission Valley League, we use this method to deplore Monrovia High School's and Coach Tom Paton's reckless action. Following a careful investigation, the Monrovia High School football team was ruled ineligible for the CIF playoffs and league championship last November because of engaging in alleged illegal football practices.

WHEREAS, Monrovia High School, as other high schools in the CIF, SS, has subscribed to CIF procedures as a condition of membership, we in Babe Ruth Baseball, a program for teenagers in the 13-18-year-old bracket, feel Monrovia High School should be satisfied to win its football laurels on the athletic field within the framework of CIF rules and regulations and not in a court of law.

BE IT RESOLVED, that Babe Ruth Baseball fully supports CIF, SS, as a defendant in this unfortunate lawsuit. Without democratically instituted rules and regulations for the benefit of all members involved, neither CIF, SS, nor Babe Ruth Baseball would be able to enforce youth athletic programs and the law of the jungle, permissiveness, chaos and anarchy would result. We urge all duly constituted amateur athletic organizations in Southern California to come to the moral defense of the CIF, SS.

DON H. COOK, State Director,
Southern California Babe
Ruth League, Inc.

By action of the Board of
Directors, Feb. 13, 1973.

WRESTLING

(Continued from Page 1)

3,000 and was capably handled by FV athletic director Ken Duddridge and his staff.

The top four finishers qualified for the first-ever state meet at Cal State Hayward the following weekend.

Five SS wrestlers brought home individual titles and Mike Fleming, the 106-pounder from El Dorado, was chosen the meet's "outstanding wrestler" after pinning three opponents and finally downing Kevin Smith of Los Amigos 6-1 in the finals, in a repeat of his SS championship bout victory.

Miraleste's Barrett (141), and Jackson (168) Bolsa Grande's Austin (157) each repeated their tournament victories for titles at Hayward, and Willard Grossi of Lompoc, third place finisher in the section meet, captured the 130 class this time around, highlighted by a 1-0 win over Redondo's Joe Zeller in the semifinals. Champ Gus Bendeck of Rancho Alamitos finished third.

Monte Vista High of San Diego won the team title with 41 points, despite having no individual champions. Clovis High (near Fresno) of the Central section had 38 and Miraleste had 33½. Bolsa Grande was fifth with 26 behind hosting Oak Grove High of San Jose (29). Santa Maria was eighth with 19 and El Dorado and Lompoc had 18 and 16 respectively.

A crowd totaling nearly 15,000 persons attended the two-day meet.
