CARL'S JR.: A COMMITMENT TO EXCELLENCE & A COMMITMENT TO THE CIF-SS

Carl's Jr. has become the latest corporation to join hands in supporting high school athletics in Southern California by signing a sponsorship contract with the CIF Southern Section. Carl's Jr., the Official Fast Food Restaurant of the CIF-SS, is currently co-sponsoring the Southern Section Basketball championships with the Puma Shoe Company (Official shoe of the CIF-SS). Carl's also has offered all fans attending the CIF Southern Section football and/or basketball playoff games a special price on their Famous Star hamburger by redeeming the Carl's Jr. coupon found on the back of all tickets in these two sports.

"Carl's Jr. is looking forward to the continued success of CIF Southern Section basketball and is happy to be a Co-sponsor of this year's championships," said Linda Larsen, Regional Marketing Manager for Carl Karcher Enterprises. Carl's Jr. currently operates over 380 restaurants in California, Nevada and Arizona and is currently expanding into the Texas market. The CIF Southern Section is proud to have Carl's Jr. join Dr. Pepper, the L.A. Express, Gatorade, Puma, The Finals, and Wilson as corporate sponsors of over 192,000 student-athletes from 500 high schools in Southern California.

CATHCART NAMED NEW CIF-SS SPORTS AND PUBLIC RELATIONS DIRECTOR

CERRITOS-- Scott Cathcart, formerly Assistant Sports Information Director at California State University, Long Beach, has been named Sports and Public Relations Director of the California Interscholastic Federation Southern Section.

Cathcart, 29, replaces Maggi Helms, who held the position for the past three years. He was assistant SID at Cal State Long Beach for a year and one-half before accepting his new post at the CIF-SS office.

While at CSULB, Cathcart played an active role in the publicity and staging of several Pacific Coast Athletic Association events in addition to the athletic program at Long Beach. These included the PCAA Football Media Day and basketball tournament as well as the championships of water polo, wrestling and track and field.

In addition, Cathcart has worked with NBC Sports in the coverage of NFL Football and as an intern sportswriter for the Orange County Edition of the Los Angeles Times.

Prior to his stint at Cal State Long Beach, Cathcart was an assistant football coach and football publicity director at Santa Barbara City College from 1977 through 1979. He left the athletic scene for a three-year period (1979-82) to enter into private business in Santa Barbara.

During his years at SBCC, Cathcart coached under Bob Dinaberg, handling the receivers and pass offense as the Vaqueros posted a three-year mark of 21-7. In 1979, SBCC won the Western State Conference Championship and went on to play in the Mission Bowl.

A 1977 graduate of Fresno State University, Cathcart was a scholarship athlete as a collegian, playing two seasons of football for the Bulldogs. He is originally from Santa Barbara, where he played football for his father, Sam Cathcart, who was the head coach at Santa Barbara High School for 19 years. Cathcart attended Santa Barbara City College before moving on to Fresno State.

WE'VE COME A LONG WAY, BABY!!!

The following article has been reprinted from the April 1940 Monthly Bulletin.

BISHOP SKI MEET

The First Annual Ski Meet put on by the Bishop High School March 29 and 30 was a complete success from every standpoint. Eight schools took part. There were twenty-nine entries.

The activities on Saturday, March 30, were carried on the slopes of Mammoth Mountain fifty miles northwest of Bishop at an elevation of about 9000 feet. A heavy snowstorm accompanied by a high wind added a little tang to the sport.

Some of our schools, in this metropolitan area, think they are being heroic when they go as much as twenty or twenty-five miles to take part in an athletic contest. Bishop had to go fifty miles to get to its own home snow field.

The Commissioner of Athletics has always admired the pluck and enthusiasm of our small outlying schools in battling adverse conditions in athletic competition. When we saw the boys and girls on skis do their stuff on March 30 it exemplified pluck and enthusiasm of a variety new to us.

We hope to see the Bishop Ski Meet grow into a great annual event.

CHECK THESE SAT & ACT TEST DATES

High School Students participating in interscholastic activities often find conflicts between CIF-SS events and college test dates. Students can find a date which avoids interscholastic events if they arrange to take the test on those dates which do not conflict.

High school counselors and principals are urged to call attention of high school students to test dates and schedules of CIF-SS events contained in the Southern Section Calendar so that test dates can be selected to avoid conflicts.

Mark these dates down:

PLAYOFF GROUPINGS TO BE DECIDED

It's time once again for the CIF-Southern Section to issue its recommendations as to your league's divisional placement (4A, 3A, 2A, 1A, Small Schools) for the 1984-86 school years.

In case you've been curious as to the process used for assigning your league to a particular grouping, here's how it works: First, since leagues (not schools) are grouped into playoff divisions, a communication was sent from the CIF-SS Office to your league to submit suggestions or ideas to the CIF-SS Office no later than March 1, 1984. The Southern Section then uses these recommendations to develop an overall grouping in each sport division as an office recommendation back to your league.

At this juncture, those leagues objecting to their divisional placement are given the opportunity to appeal in writing to the Playoff Groupings Committee. Note leagues are given the appeals option only if they previously recommended changes or if they have been changed from their present status.

Early in April, the final recommendations of the Playoff Groupings Committee will be mailed to League Representatives.

Final disposition in playoff groupings will take place at the last meeting of the CIF-SS Council in May. Leagues which appeared in April that are still dissatisfied may forward a written appeal to the Commissioner's Office asking for time on the Council agenda.

As a separate item, we bring to your attention a directive from the CIF-SS Executive Committee which will create an additional grouping in some sports in the Small Schools Division in order that leagues with very small enrollment should not be placed in a grouping with leagues of far greater enrollment.

Overall, placement for leagues in the Southern Section is based on both average enrollment and success within a playoff grouping, particularly if it appears that a given school or league might perpetuate dominance. Additionally, placement could change based upon movement of schools from one league to another, which may alter the overall strength of a league.

January 19, 1984

The general meeting of the CIF Southern Section Council was called to order by Dr. Robert Packer at 9:30 a.m. on Thursday, January 19, 1984 at the Saddleback Inn in Norwalk. All leagues were present, with the exception of the Junior High School Representative.

2. **PRESIDENT'S MESSAGE** -- Dr. Packer, President of the CIF Southern Section, commended those schools that participated in the 1983 fall playoff activities and extended his personal appreciation to Servite and Bishop Amat High Schools for their cooperation and efforts of the CIF-SS Office staff relative to moving the Big Five Championship football contest from Anaheim Stadium to Cerritos College on short notice due to the inclement weather.

3. **COMMISSIONER'S UPDATE** -- Commissioner Ray Plutko reviewed with the Council the fall football playoffs, stadium concerns for 1984, concerns relative to an increasing number of soccer incidents and the untimely death of a Newbury Park soccer player, the Hall of Fame recognition awards program, and a manual being published by National Federation of State High School Associations that will be forthcoming in the area of cable TV. Commissioner Plutko also announced that Scott Cathcart has been hired as the new Sports and Public Relations Director for the CIF Southern Section.

4. **TREASURER REPORT** -- Mr. Bruce Keuning, Treasurer, reviewed with the Council the financial report of the fall playoffs and an update of the current working budget. In addition, Mr. Keuning reviewed with the Council a recommendation relative to the purchase of an IBM word-processor and data-processor system. Council was presented two plans by which the system could be purchased. One plan calls for use of \$5,000 which has been set aside in the present 1983-84 working budget (office equipment) coupled with a one-time \$47 assessment to member schools. The second proposal would be to finance the contract with a \$5,000 deposit over a three-year period as part of the CIF-SS working budget. This item will be an action item at the March meeting of the Council.

5. **NATIONAL FEDERATION WINTER MEETING REPORT** -- Mr. Tony Balsamo reported on the National Federation Winter meetings held in Los Angeles. Specific areas covered were the composition of the Executive Committee at the National level, the development of governance guidelines by the national governing body, concerns relative to athletic eligibility of foreign exchange students, the development of a check and balance system as it relates to changing of National Federation playing rules and regulations. Additionally, the Council was updated on the 1984-85 football playing rules and regulations, with no major changes in the playing rules being evidenced.

6. **STATE FEDERATED COUNCIL REPORT** -- Mr. Tony Balsamo reviewed with the Council items for the upcoming State Federated Council meeting of February 3-4, 1984. Major discussion was held with respect to the section relations report. Following the discussion, it was moved, seconded and passed to direct the CIF Southern Section state delegates to vote for the approval of part one.

7. **CENTURY LEAGUE FOOTBALL CALENDAR** -- Mr. Stan Thomas, representing the Century League, introduced a proposal calling for a adjustment in the football calendar, effective with the 1985-86 school year. Following discussion, it was moved, seconded and passed to reactivate the Season of Sport Committee to report back to the Council on all implications of this proposal relative to overlapping of the fall and winter season. This item, with input from the Season of Sport Committee, will be referred back to leagues for discussion and will be voted upon at the March 22, 1984 meeting of the CIF-SS Council. (Please note, the Century League has asked that the vote be delayed until the May meeting in order that the Season of Sport Committee be provided the opportunity to make its report in March).

8. **BAY LEAGUE TRACK PROPOSAL** -- Mrs. Melvina Marble, representing the Bay League, introduced a proposal calling for passage and recommendation to the State CIF that all sections return to the two-day State Track Meet format in lieu of the present regional format. This item will be referred back to leagues for discussion and will be voted upon at the March 22, 1984 meeting of the CIF-SS Council.

12. **CENTURY LEAGUE WATER POLO PROPOSAL** -- Mr. Stan Thomas reviewed with the Council a proposal on behalf of the Century League calling for an amendment to Article 20, section 2008 of the Southern Section By-Laws which would allow a representative from the schools to be a coach or administrate a non-school sponsored team outside the season of sport with youngsters who have remaining eligibility at that school. Following discussion, the proposal was defeated by a 48-11 vote.

13. **COMMUNICATION FROM THE FLOOR** -- Mr. Dennis Evans, representing the Seaview League, addressed the Council with concerns relative to the equity of competition between public and non-public secondary schools. The Chair directed the Commissioner to form a committee to look into the inquiry and report back to the Council prior to the close of this school year.
