## TEAM GOLF CHAMPIONSHIP HELD AT BROOKSIDE PARK

For the third successive year five outstanding high school golfers from Chula Vista H. S. scored an aggregate total of 393 strokes to capture the CIF, SS team golf championship which was held at the Brookside Golf Course in Pasadena on Monday, May 25, 1959. With the fine caliber of golf that is played in our high schools it is indeed surprising for one school to win this coveted championship three years running. A great deal of credit should go to Vern Olinger, the Chula Vista golf coach.

There was a tie for 2nd place honors when teams from Chaffey and Beverly Hills both posted identical 403 scores. Duplicate trophies will be awarded to both schools. LB Poly with 404 strokes captured 4th place.

The battle for low medalist took place between Dennis Cook of Muir, and Allan Campbell of Chula Vista, who were playing in the same foursome. They both turned in a 37, one over par, and coming on to the 18th Green Cook was down with a fine 74. In order for Campbell to win it was necessary for him to sink a difficult 25-ft putt. Stroking the ball in a professional manner young Campbell sank his 25-ft putt for a total of 73, and a tie for low medal honors. Later in the day Dick Ferry of Chaffey also came in with a 73 to tie Campbell for top individual honors. Barney Fee of St. Francis scored an eagle on the Par 4, 14th hole.

A total of 160 boys, representing 32 schools, started teeing off at 8:00 A.M. The last foursome went out at 1:10 P.M. and all boys were off the course at 6:00 P.M. We are grateful to Mr. Ed Laurenson, former Athletic Director at Muir HS, for serving as starter for this tournament. Mr. Roundy of the CIF Office served in the capacity of scorer.

We would like to express our appreciation to Mr. Halverson and the Brookside Golf Club for extending our high school golfers the use of their excellent facilities. This fine course is centrally located for our tournament and we trust that we can return again in 1960.

The top team scores are as follows:

Chula Vista	73-77-81-83-79	393
Chaffey	73-76-81-87-86	403
Beverly Hills	82-79-81-77-84	403
LB Poly	81-81-80-83-79	404
Wilson	77-78-88-80-89	412
Point Loma	83-83-79-92-83	420
Pacific	76-93-79-84-89	421
North Torrance	86-81-86-81-89	423
Newport	79-84-85-88-88	424
Arcadia	82-87-89-81-85	424
St. Francis	85-83-86-88-83	425
Santa Barbara	80-87-88-84-86	425

## RELEAGUING COMMITTEE APPOINTED

With relegating for the 1959-60 school year just completed last week, the CIF, Southern Section must now begin the task of relegating our more than 300 schools for the 1960-61 school year. Recent action of the Council has advanced the date of our first Council meeting for the 1960-61 school year from the second Saturday in December to the Saturday preceding Thanksgiving. As this is the meeting when relegating plans are approved, it means that the committee will have approximately one month less in which to complete their thankless task of relegating.

Mr. Vaughn Cummings, President of the SS Council, announced that Mr. B. L. Bergstrom, Superintendent of Schools in El Monte, who has done such an outstanding job during the past few years as Chairman of the Relegating Committee, has graciously consented to accept the chairmanship of this most important committee for one more year.

Members of the committee, and the areas they will serve, are as follows: Orange County—Frank O. Hopkins, Brea-Olinda HS; San Diego County—Cleon Davies, Kearney HS and Phil Morell, El Cajon HS; Northern area—Harry Bigger, Fillmore HS; Desert Area—Keith Gunn, Victor Valley HS; Parochial schools—Rev. Lawrence Caruso, St. Francis HS; Bay area—Ray Charlson, Culver City HS; Citrus Belt area—James Faul, La Puente HS; and Metropolitan Los Angeles area—Art Krueger, San Gabriel HS and Bob Ashton, Excelsior District Office.

New schools desiring league membership and schools or leagues encountering difficulties in working out their leaguings problems are advised to contact the committee member responsible for relegating in their respective areas at the earliest possible date.

## LONG BEACH BASKETBALL TOURNEY SEEKING TEAMS

We have just been advised that the Long Beach Varsity Invitational Basketball Tournament, which is scheduled for December 8, 9, 10, and 11, 1959, has an opening for one more team. Any school wishing to enter their team in this outstanding tournament is advised to contact Mr. Bob Hunt, the varsity basketball coach at Millikan HS at the earliest possible date.

Matt Korwin, Principal, San Dieguito HS  
Geo. W. Phelps, Jr., Principal, Arroyo HS  
Vaughn Cummings, Pasadena City Schools

## MINUTES OF EXECUTIVE COMMITTEE MEETING OF MAY 22, 1959

The meeting was called to order by Mr. B. L. Bergstrom, Chairman, in Long Beach, at 8:00 P.M. on Friday, May 22, 1959. Those present were Messrs. B. L. Bergstrom, Vaughn Cummings, Frank O. Hopkins, Matt Korwin, Keith Gunn, Oliver Corbin, Winston Nelson, John Taylor, B. F. Jamison, and Ken Fagans.

1. It was moved, seconded, and carried that the Minutes of the April 2 meeting of the Executive Committee be approved as published in the April, 1959, Monthly Bulletin.

2. It was moved, seconded, and carried that the Executive Committee recommend to the SS Council that Rubidoux HS of Riverside and Morro Bay HS of the San Luis Obispo District be accepted for membership into the CIF, Southern Section.

3. The 1959 Football Schedules of Don Bosco Tech, Needles and Imperial High Schools were reviewed for possible entrance into the 1959 CIF, SS Football Playoffs. It was moved, seconded, and carried that all three schools be admitted to the 1959 CIF football playoffs provided they meet the following requirements: Needles HS must win all but one of the following games on their schedule — 29 Palms, Boulder City, Blythe, Overton, and Valencia; Don Bosco Tech must win all but one of the following games on their schedule—St. John Vianney, Artesia, Cantwell, Bishop Montgomery, Bishop Amat, and San Gabriel Mission; Imperial HS must win all but one of the following games—Mt. Empire, Campo, Holtville, Calipatria, and Ramona.

4. It was moved, seconded, and carried that the playoff grouping in all sports other than football and tennis be as follows:

Bay  
Catholic  
Channel  
Citrus Belt  
Coast  
Foothill  
Harry J. Moore  
Metropolitan

Avocado  
Camino Real  
De Anza  
Freeway  
Frontier  
Golden  
Imperial Valley

Arrowhead  
Desert-Inyo

San Luis Obispo  
Suburban  
Tri County

"A"  
Orange  
Preparatory  
San Luis Obispo (minor)  
Southern  
Tri-Valley

5. A financial report on the 1959 CIF, SS basketball playoffs was presented which indicated that the playoffs were successful and a net gain of \$2,000.00 over the 1958 basketball playoffs was accrued to the CIF, SS. It was moved, seconded, and carried to accept the report as presented.

6. An eligibility case involving a boy from Lincoln HS was presented to the Committee for a ruling. After a review of the case it was moved, seconded, and carried that the boy in question would have no further interscholastic athletic eligibility because he would reach his 19th birthday on August 31, 1959. A notarized statement cannot be used to supplant a birth certificate.

7. A request from the Coast League recommending that the Executive Committee change the date of the 1960 basketball playoffs from March 1 to February 23 was considered. It was moved, seconded, and carried that the request be disallowed because the majority of the leagues had already established their basketball schedules for next year and it would cause too much confusion to make a change at this late date.

8. The Channel League requested that consideration be given to transferring tennis and golf from a spring activity to a fall sport in an effort to relieve a crowded calendar of spring sports activities. After some discussion it was the majority opinion that it was too late in the year to consider such a change for the 1959-60 school year, but that the secretary place this item on the Agenda of the November Council Meeting.

9. The State CIF has now listed bowling as an approved sport. The Commissioner advised the Committee that according to Southern Section rules any boy competing on his high school athletic team cannot compete on an outside bowling team and retain his high school eligibility. This led to a discussion of our present SS rule in this regard and it was moved, seconded, and

carried to recommend to the Council that we change our rule relative to high school athletes competing on outside teams, to conform with the State rule.

10. The final meeting of the Executive Committee for the current school year was set for 9:30 A.M., Monday, June 22, 1959, at Nordhoff HS.

11. There being no further business to come before the committee the meeting was adjourned at 10:40 P.M.

Respectfully submitted,  
J. Kenneth Fagans,  
Secretary

## MINUTES OF THE CIF, SS COUNCIL MEETING — MAY 23, 1959

The last regular meeting for the 1958-59 school year of the CIF, SS Council was called to order by President Vaughn Cummings, in the Auditorium of Lakewood HS in Long Beach, at 9:30 A.M., May 23, 1959. Representatives from all leagues were in attendance with the exception of the San Bernardino City League.

1. It was moved, seconded, and carried that the Minutes of the Council meeting of February 7, 1959, be approved as published in the February, 1959, Monthly Bulletin.

2. It was moved, seconded, and carried that the Minutes of the Executive Committee meeting of April 2, 1959, be approved as published in the April, 1959, Monthly Bulletin.

3. It was moved, seconded, and carried that the Minutes of the Executive Committee meeting of May 22, 1959, be approved as read.

4. The Coast League representative, Mr. Harold Tonini, presented the proposal of his league that no CIF, SS sanctioned event be permitted to begin earlier than 3:00 P.M. on a school day without permission of the Executive Committee. This item was thoroughly discussed and it was moved, seconded, and carried that no CIF, SS sanctioned event can begin earlier than 3:00 P.M. on a school day without special authorization of the Executive Committee.

5. Mr. Charles Bowen of Muir HS informed the group that the Foothill League had gone on record as recommending to the Council that basketball games among SS schools be limited to the first semester. In discussing this matter it was brought out that although the majority of schools did not favor changing basketball to a first semester sport, it might be advantageous to consider changing some of our spring sports such as tennis and golf to the fall semester to relieve the heavy schedule of spring sports activities. It was moved, seconded, and carried that the President appoint a committee to review the present season of sports and report their recommendations back to the Council at the next meeting.

6. A proposal calling for the televising of certain high school football games during the 1959 season was brought up for consideration. It was moved, seconded, and unanimously carried

that the CIF, Southern Section not enter into any negotiations calling for the televising of high school football games at this time.

7. Mr. Winston Nelson reported that his committee recommended that individual awards, to be financed by entry fees from the competing schools, be awarded to members of championship and runner-up teams in CIF, SS playoffs in football, basketball, baseball, water polo and tennis. It was moved, seconded, and carried that the SS provide individual charms for members of championship and runner-up teams in CIF, SS playoffs in football, basketball, baseball, water polo and tennis—these awards to be financed by entry fees to be assessed the competing teams, and the number of awards to be given each team to be based upon SS regulations pertaining to the number of players permitted on travelling squads in these sports.

8. The question as to the number of innings that should constitute a high school baseball game was raised and a poll was taken to determine the number of leagues now playing seven or nine inning games. The poll showed that during the current season 34 leagues played seven inning games, two leagues played nine inning games, and one league divided their league schedule playing seven innings the first round and nine innings the second round. It was moved, seconded, and unanimously carried that effective with the opening of the 1960 baseball season, seven innings will constitute an official baseball game in the CIF, SS and schools will not be permitted to play a longer contest (practice, league, or tournament) unless the regular seven-inning game ends in a tie score.

9. Mr. Robert Schilling, Principal of Los Altos HS, and Chairman of the committee appointed to study the problem of summer basketball leagues involving high school boys, presented a questionnaire developed by his committee and recommended that it be sent to all superintendents and principals of SS schools. The matter was discussed and it was moved, seconded, and carried to direct the Commissioner to prepare copies of this questionnaire to be sent next September to all superintendents and principals of member schools and to tabulate the results of this questionnaire for presentation at the November Council meeting.

10. Because of the failure of some schools in the SS to fulfill athletic contracts the Council, at the December meeting, directed that the President appoint a committee to study this problem. Mr. Ben F. Jamison, Chairman of the Committee on Contractual Relations, reported that his committee recommended the inclusion of an Article in our Constitution or By-Laws regulating Athletic Contracts among member schools. It was moved, seconded, and carried that the following Article be made a part of the By-Laws of the CIF, SS:

## ATHLETIC CONTRACTS

Section 1. A contract is the mutual agreement of the parties concerned reduced to writing and signed by each of them. A league sched-

ule duly adopted and recorded in the League's minutes will be regarded as a contract.

Section 2. Where a written contract has been entered into, schools must carry out the provisions of the contract, subject to the conditions of the following rules:

Where either school finds it impossible to meet a scheduled contest, it must notify the other school in writing and send a copy to the Commissioner of Athletics prior to the scheduled contest. In case the other school does not agree to the cancellation of the contest, the Executive Committee shall make the final decision.

Section 3. Any expenses obligated by the offended school such as officials' fees, stadium rental, transportation, etc., shall be paid in full by the school breaching the contract.

When a school fails to engage in a contest agreed upon, without giving notice to the other school and securing an honorable release, they may be suspended from membership.

11. Dissatisfaction with the length of the CIF, SS football playoff season led to a study of the situation by the Commissioner in an effort to find a satisfactory method of conducting these playoffs so that they could be completed in a shorter amount of time. Statistics were presented which showed the schools competing in the 1958 playoffs and the relation of size of school to the success of the team. It was suggested that all playoffs in 1959 be limited to brackets of not more than eight teams, which would insure the completion of football playoffs in three weeks. After discussing the problem it was moved, seconded, and carried that the 1959 CIF, SS football playoffs be bracketed in playoff groupings of not more than eight leagues with the winner of each group to receive a championship trophy and the second place team a runner-up trophy. The President was directed to appoint a committee to assist the Commissioner in designating the leagues which are to make up each group.

12. The suggested opening dates for team practice and a limitation on the number of contests to be permitted in each sport was brought up for discussion. After some debate it was moved and seconded to adopt the majority vote on each item. It was then moved, seconded, and carried to table this motion.

13. With the publication of the new State CIF, Constitution and By-Laws in March, 1959, the SS finds that certain of its rules and regulations are not in conformity with State CIF rules. To bring them into conformity, the Commissioner proposed the following changes be made in our Blue Book:

- a. delete "or District adjacent to District B, providing legal authorities of District B approved the boy's transfer to adjacent district", from Article VIII, paragraph 3, page 18.
- b. Delete entire paragraph 4 of Article VIII on page 18.

c. Delete paragraph 2 of Article XI, page 20 of the Blue Book.

d. Delete paragraph 2 of Article VI, page 16.

e. Add "Enrollment and/or attendance for 6 days or over, or participation in one or more interschool athletic contests shall count as one of the above eight of six semesters."

It was moved, seconded, and unanimously carried to make the above changes in our Constitution and By-Laws.

14. It was brought to the attention of the Council that the deleting of paragraph 4 of Article VIII, page 18 of the Blue Book, would work a hardship on the private schools who are members of the CIF, SS. The point was raised that this rule was adopted by the SS three years ago to correct an evil that had existed and that the rule had worked very satisfactorily during the time it had been in force. It was moved, seconded, and carried that the SS representatives to the State Federated Council be directed to bring this matter to the attention of the State CIF Council in an effort to get permission for the SS to retain this rule in its by-laws.

15. Mr. Donald McIntosh, Principal of Colton HS, presented a proposal from the Citrus Belt League which would permit SS schools to hold football conditioning practice in gym suits and football shoes during the first week in September. It was moved, seconded, and carried to deny this request that SS rules be changed to permit the holding of team football conditioning practice during the first week in September.

16. The election of SS officers was the next item of business.

(a) It was moved, seconded, and carried to cast a unanimous ballot for the re-election of Winston Nelson as Treasurer of the CIF, SS for the 1959-60 school year.

(b) It was moved, seconded, and carried that Oliver Corbin of Covina HS be re-elected for a term of two years as SS representative to the State CIF Federated Council.

(c) Nominations were opened for a representative from Los Angeles County schools to serve out the one remaining year of Mr. George Phelps terms as a member of the Executive Committee. Mr. Verne Weybright, Principal of Burroughs HS of Burbank, and Mr. Robert Schilling, Principal of Los Altos HS, were nominated. A ballot was cast and Mr. Schilling was elected to fill out the unexpired term of one year on the Executive Committee.

(d) It was moved, seconded, and carried to cast a unanimous ballot for the re-election of Mr. B. L. Bergstrom for a term of four years as a member of the Executive Committee.

(e) It was moved, seconded, and carried to cast a unanimous ballot for the re-election of Mr. John R. Taylor, as the Northern representative on the Executive Committee for a term of four years.

(f) It was moved, seconded, and carried that Mr. Kenneth Fagans be re-elected as Commissioner of Athletics to serve from July 1, 1959 to June 30, 1963, with his salary to be set by the Executive Committee.

(g) In accordance with the CIF, SS Constitution the Pioneer League representative will succeed to the presidency for the 1959-60 school year. Mr. Vaughn Cummings, outgoing Council President turned the meeting over to Mr. Ray Charlson, official representative of the Pioneer League.

(h) In similar manner the Preparatory League representative, Mr. Joseph Chadwick of the Chadwick School, was announced as Vice-President of the Council for the 1959-60 school year.

17. It was moved, seconded, and carried unanimously that the SS Council express its appreciation to outgoing President, Vaughn Cummings of Pasadena City Schools, for outstanding service and leadership exhibited during the past year.

18. It was moved, seconded, and carried to thank Mr. Vernon Hinze of Lakewood HS for hosting this meeting of the Council.

19. The meeting was adjourned at 12:20 P.M. in time for a very delicious luncheon served in the Lakewood HS cafeteria. After the luncheon the Council members were invited to attend the CIF, SS track and field meet scheduled for 1:30 P.M. in the Veteran's Memorial Stadium in Long Beach.

Respectfully submitted,  
J. Kenneth Fagans,  
Secretary

#### CIF CLASS B & C TENNIS TOURNAMENT HELD AT SANTA ANA

The Southern Section Class B & C Tennis Tournament, under the able management of Coach Neal Machander of the host school, was successfully conducted on the courts at Santa Ana HS on May 2 and 9, 1959. For the first time in the long history of this fine tournament identical ties for the team title occurred in both divisions.

Teams from El Monte and Grossmont HS each scored 19 points to share top honors in the Class C division. In the B classification, squads from Chaffey and Santa Ana also wound up in a tie for team honors when they each scored 20 points. As is the custom in Southern Section athletic events, duplicate awards will be presented to each of the above teams.

Last year's Class C champion, Frank Ripley of Palm Springs, defeated Art Tilton of San Diego, in straight sets 6-3, 6-4, to annex the Class B singles championship. In the B doubles Taunton and Brooks of Chaffey won top honors when they swept to a 6-4, 6-3 victory over the Smith brothers, Grant and Larry, who were representing Montebello HS.

Top-seeded Bill Bethard of La Jolla came from behind to capture a hard fought match 4-6, 6-4, 6-3 from Gary Grossman of Palm Springs to

#### PRIVATE AND PAROCHIAL SCHOOLS TO HAVE BENEFIT OF CIF INSURANCE

The CIF Protection Fund will make its athletic insurance available to private and religious schools who are members of the CIF. At the request of many of the private and religious schools throughout the entire state, and after clearance with the Internal Revenue Service, the California Franchise Tax Board, the State Department of Education, and the State Department of Insurance, the CIF PF Board of Directors are now taking steps to amend the CIF PF Articles of Incorporation in order to open the doors to the private and religious schools.

It is planned that the private and religious schools' athletic insurance will operate separately and distinct from the public school insurance coverage. A separate private and religious schools' coverage will be operated by CIF PF with separate bookkeeping records for this group of schools. Each fund (public and private) will operate independently, both operating on a non-profit basis with the fees for insurance reflecting only the previous year's experience.

For further information, contact William W. "Bill" Russell, State CIF Office, 1521-A Shattuck Avenue, Berkeley 9, California.

win the Class C singles title. Neither of the top-seeded doubles duos in the Class C division reached the finals as Johnny Calderon and Ken Stuart from El Monte rallied to defeat Bob Dewing and Ron Bronk from Grossmont 8-6, 5-7, 6-4 to walk off with the CIF championship in doubles.

The number of entries for this tournament has shown a great increase during the past few years, which has caused many management problems. We plan on reviewing the tournament set-up with an aim toward limiting entries in an effort to facilitate the conducting of this event on the two weekends allotted without causing the participants to play an excessive number of matches. Santa Ana's fine facilities were taxed to the utmost for the first day's play and it was only through the able management of Neal Machander that things progressed smoothly and rapidly.

The CIF Office and our member schools are exceedingly grateful to both Mr. Machander and Santa Ana HS for the use of their facilities and for the excellent manner in which this tournament was conducted.

Complete tournament scoring follows:

				Class B			
Chaffey	20	Santa Monica	10	Downey	6	Villanova	4
Santa Ana	20	Pacific	9	Excelsior	6	Tustin	3
Montebello	15	Crawford	8	Grossmont	6	West Covina	2
San Marino	12	California	7	Morningside	6	Capistrano	2
Whittier	12	El Monte	7	San Diego	5	Saint Agnes	2

Montebello	10	San Marino	8	Santa Fe	6	Orangeview Jr. High	2
Morningside	10	Chaffey	7	Santa Ynez	6	Santa Ana	2

### PASADENA HS REPEATS AS CIF GYM CHAMPS

Before a capacity crowd in the spacious Pasadena HS gymnasium on Friday night, May 8, the host team scored heavily in five out of the eight events on the program to retain their CIF, SS gymnastics championship. Coach Jerry Todd's boys all turned in good performances to score 35 points and turn what had been predicted to be a three-way battle for the title into an easy team victory for the Bulldogs. El Rancho HS took possession of the 2nd place trophy, scoring 23½ points and were closely followed by Antelope Valley with 17.

Besides winning the team title Pasadena also boasted the outstanding performer of the evening in the person of Don Garcia. Taking a first in the High Bar and Parallel Bars and a third in the Long Horse, Garcia scored 13 points to win high point honors and take home the trophy emblematic of individual supremacy in CIF gymnastics competition.

To reach the finals in the championship meet boys had to qualify in one of three sectional meets which were held on Friday, May 1, at Lakewood, Montebello and Antelope Valley high schools. Schools were assigned to these

preliminaries in an attempt to balance the strength at the three meets and also take into account the geographical location of the schools involved. All of the preliminary meets were very successful and the credit should go to the following coaches who served as meet managers: Dick Flood at Lakewood HS, Larry Jones at Montebello HS; and Jerry Murnane at Antelope Valley HS.

The championship meet was excellently staged by meet manager Todd, who opened the evenings' activities by having the contestants march into the gymnasium alphabetically by schools, where they received an individual introduction to the spectators. The events were run off rapidly and Mr. Todd in his dual capacity as announcer kept the crowd well informed as the meet proceeded. AAU judges, appointed by the CIF Office, were in attendance and did their usual outstanding job. This meet demonstrated that the SS gymnastics program has come a long way in the past ten years, and our schools are now looking forward to competition with the Los Angeles City Section in the near future.

Results of the championship gymnastics meet follow:

ROPE CLIMB		SIDE HORSE		STILL RINGS	
1. Wilkes, S., Pasadena		1. Beernink, D., Muir		1. Buckner, G., Antelope Valley	
2. Driver, L., Santa Paula		2. White, B., Pasadena		2. Gerio, L., Lakewood

### CIF SWIM CHAMPIONSHIP MEET HELD AT BEVERLY HILLS HS

For the second consecutive year the CIF, SS Championship Swim Meet was held in the swim natatorium at Beverly Hills HS before a capacity crowd on Friday, May 1, 1959. Team honors were well divided and eight individual records were established in the grueling competition.

For the third straight year Coach Whitey Saari's varsity team from El Segundo captured the team title by scoring 41 points to runner-up Beverly Hills' 40. The outcome was in doubt right down to the Free Style Relay which was the last event on the program. In this race El Segundo edged out Beverly Hills by the narrowest of margins to give them first place and the coveted team championship. Poly with 28 points and Morningside with 23 made a fine showing, and the strength of the Pioneer League in swimming was evidenced by the fact that teams from this league captured three of the first four places. The Long Beach and Whittier schools' domination of SS swimming appears to be at an end.

Class B honors went to California with 40 points. Newport finished second with 37 points, and Lakewood and Glendale with 22 and 21 points, respectively, finished 3rd and 4th.

In the Class C division Glendale won their first CIF Swim Championship by amassing 40 points to runner-up Beverly Hills' 35. California was always in contention and wound up the evening's competition with a total of 28 points.

The highlight of the meet occurred in the 400-yd. Free Style which was the first event on the program. In this race 14 year old Roy Saari, son of the El Segundo mentor and a

freshman at El Segundo HS, raced to a new record in the varsity 400-yd. free style by negotiating the distance in 4:12.8. After outclassing a great field of swimmers in this distance race, we predict a bright future for Roy Saari, and it undoubtedly will not be long until he will be flirting with the National standing in this event.

Nick Schoenmann of Glendale broke the C-100 yd. Free Style record in the prelims and then bettered it in the semi-finals when he came up with a 54.2. Ken Doesburg of Newport HS in the B-100 yd. breast, Schoenmann in the C-50 yd. Free Style, Williams of Santa Monica in the C-50 yd. butterfly, and relay teams from Garden Grove, California, and Newport also set new CIF, SS records.

Preliminary meets were held at Upland and Santa Monica high schools with Jim Stewart and Knute Clark acting as managers for these two meets. Both meets were well organized and efficiently run off. We would also like to give credit to Mr. Frank Poucher of Whittier HS for staging our Free Lance Swim Meet which had a record entry of 21 schools.

The semi-finals and finals were held at Beverly Hills HS under the able direction of Mr. Walt Puffer with the assistance of John Marrow and Steve Miletich. Beverly Hills' outstanding facilities, coupled with the know how of the above three gentlemen, always results in an outstanding swimming meet and our championship affair was no exception. We trust that in future years we will again be privileged to hold one of our championship meets at Beverly Hills HS.
