No. 9

NEW CIF, SS DIVING CHAMPION IN ACTION

A new CIF, Southern Section, diving champion was crowned at the finals of the Championship Swimming and Diving Meet held at Beverly Hills HS, Friday, May 4, when Larry Andreason of Garden Grove HS, dethroned the defending champion, Jack Furry of Mater Dei HS.

The capacity crowd was treated to a superb exhibition of diving as the six best prep divers in Southern California performed in a flawless manner. The two Orange County boys battled throughout the competition but Andreason had a perfect night and scored 391.80 points to his opponent's 362.40. They proved to be the best out of a field of nearly forty prep divers who began the competition at Beverly Hills on Wednesday, May 2.

During his rather brief career, the new CIF, SS Diving champion has accumulated many honors in competition with the best divers in the country. In 1961 he was fourth in the tower competition in the National AAU Diving Championships and sixth in the 3 meter springboard competition.

This year young Andreason captured the Garden Grove Interscholastic Diving title, won the Sunset League crown and took ninth place in the Senior National AAU Indoor Swimming and

MINUTES OF EXECUTIVE COMMITTEE MEETING — APRIL 9, 1962

The meeting was called to order by Mr. Keith Gunn, Chairman, at the CIF, Southern Section Office, at 1:30 P.M., on Monday, April 9, 1962. Members present included Messrs. Winston Nelson, Asst. Supt. of Schools of Pomona; Frank O. Hopkins, Superintendent of Schools at Brea; Marion Hays, Vice Principal of Harvard School; Harold Wetzler, Vice Principal of Hawthorne HS; Robert D. Ashton, Assistant Superintendent of Schools for the Excelsior District; John R. Taylor, Principal of Nordhoff HS; Arthur T. Hobson, Principal of California HS; Charles Ronin, Vice Principal of Redlands HS; and Kenneth Fagans, Commissioner of Athletics.

1. It was moved, seconded and carried that the Minutes of the January 12, 1962, Executive Committee meeting, be approved as published in the February, 1962, Monthly Bulletin.

2. It was moved, seconded and carried that the Executive Committee recommend to the Southern Section Council that Loara HS of Anaheim and the Marian Colbert School of Los Angeles be accepted as regular members of the CIF, Southern Section.

3. After a review of the baseball schedule of Needles HS, it was moved, seconded and carried that in order to qualify for the 1962 "A" baseball play-offs, Needles HS must win all but three of the following eight games on their schedule: March 23, Basic; March 31, Palo Verde; April 6, Rancho; April 7, Palo Verde; April 13, Boulder; April 14, Twentynine Palms; April 18, Gorman; and April 27, Barstow HS.

4. After a review of the baseball schedule of Savanna HS, it was moved, seconded and carried that in order to qualify for the 1962 "AA" baseball play-offs, Savanna HS must win all but three of the following eight games on their schedule: March 29, Elsinore HS; April 3, Servite HS; April 10, Elsinore HS; April 13, Mater Dei HS; April 17, Santiago HS; April 19, Magnolia HS; April 26, Mater Dei HS; and May 8, Servite HS.

5. An invitation for four SS Class A, B, and

Diving Championship at Bartlesville, Oklahoma. Only a junior, we look for Andreason to repeat again next year as CIF, SS champion and in two years he will be a distinct threat for top diving honors in the Olympic Games to be held in Tokyo, Japan.

Robert D. Ashton, Asst. Supt. Excelsior Dist.
Arthur T. Hobson, Principal, California HS

C relay teams to compete on Friday night, May 18, against teams from the Los Angeles City Section as a feature of the 22nd Annual Coliseum Relays was presented for consideration. It was moved, seconded and carried that approval be granted for twelve SS relay teams to participate in the Coliseum Relays provided that all members of the teams selected have completed their high school track competition for the current year. The teams to be selected by the Commissioner on the basis of geographic location and fastest times recorded in the league finals or CIF, SS preliminary meets. This will not count as one of the 4 meets permitted each boy as the participants have completed their high school track season.

6. Santa Monica HS, which is currently operating on a free lance basis in football, has been unable to schedule more than seven varsity games for the 1962 season. All possibilities for contests have been exhausted and because the lack of revenue from two games will drastically affect their athletic budget, Santa Monica HS requested automatic placement in the 1962 CIF, SS football play-offs. The committee was sympathetic to Santa Monica's request but felt that only league champions could be guaranteed automatic entrance into the playoffs.

It was moved, seconded and carried that in order to qualify for the 1962 CIF, SS football play-offs, Santa Monica HS cannot lose more than two of the following seven games on their schedule: Sept. 22, Centennial HS; Sept. 29, Muir HS; October 5, San Diego HS; October 12, L. B. Poly; October 19, Claremont HS; October 26, Las Vegas HS; and November 16, San Fernando HS. In the event Santa Monica HS loses more than two games, their season record will be reviewed by the football play-off committee for possible qualification as a second place team.

7. Arthur T. Hobson, President of the Council, announced that he had secured the acceptance of Robert Ashton to again serve as general chairman of the CIF, Southern Section, Releaguing Committee for the coming school year. In conjunction with Mr. Ashton and members of the Executive Committee, Mr. Hobson appointed the following administrators to serve on the Releaguing Committee: Mr. Dick Spaulding, Principal of Buena Park HS, Orange County Area; Harry Bigger, Principal of Fillmore HS, Northern Area; Steve Miletich, Vice Principal, Beverly Hills HS, Bay Area; Keith Gunn, Principal of Victor Valley HS, Desert Area; Alex Alexander, Principal of Indio HS, Valley Area; Jim Faul, Principal of La Puente HS, Citrus Area; Jack Jines, Principal of Pioneer HS, Southeast Area; Al Burnside, Vice Principal, Burroughs HS, Football Area; and Reverend Lawrence Caruso, Athletic Director of St. Francis HS, Private and Parochial schools.

8. For a number of years the CIF, Southern Section, provided at no cost a chartered bus to transport coaches and athletes to the California State High School Track meet when it was held in the central or northern part of the state. This policy was discontinued when the meet was scheduled in the extreme northern part of the state one year, because coaches preferred to fly their boys north rather than have them make the long bus trip. With the 1962 state meet scheduled for Modesto, the Commissioner recommended that this policy be reinstituted so that free transportation could be provided for those interested. It was moved, seconded and carried to authorize the Commissioner to arrange for adequate bus transportation to Modesto on June 1 for those coaches and athletes desiring to make the trip.

9. Information was presented to the committee showing the enrollment of all schools in the Southern Section, for the purpose of determining play-off groupings in basketball and baseball for the 1962-63 school year. Because of the difficulty in determining the advantage or disadvantage of a three over a four year high school of equal enrollment, it was decided that more information pertaining to school enrollment be secured. The Commissioner was directed to prepare a questionnaire to be sent to all member schools for the purpose of securing expected enrollment figures by classes for the coming school year.

10. A number of administrators have reported that when boys have enrolled in their schools from private schools, a great deal of difficulty has been experienced in securing information as to whether or not the transfer had successfully completed 20 semester units of work the preceding semester. In many cases the boy still owed money to the private school, so consequently the private school withheld the boy's transcript and would not even supply information sufficient to enable the second school to determine the boy's eligibility.

Public schools in the state of California are required by state law to forward a transcript of all students leaving their institution. There is no such requirement for private schools and it is the feeling of public school administrators that this is an unfair situation. They believe that they should at least be able to ascertain whether or not a boy passed in four subjects the previous semester. After considerable discussion it was moved, seconded and carried to recommend to the Council that our By-laws be amended to provide that the administration of a member school from which a boy is transferring shall verify the boy's athletic eligibility upon request of another school administrator.

11. Lone Pine HS in seeking sanction for the First Annual Lone Pine Golf Tournament requested permission to hold this event on a school day (Wednesday, May 9, 1962) and to begin the tournament at 1:00 P.M., which is two hours earlier than the prescribed time in our By-laws. It was moved, seconded and carried to approve the request of Lone Pine HS because it is impossible to secure golf courses on week-ends and the nature of the game prohibits its completion in one day if the starting time is held to 3:00 P.M.

12. The Commissioner reported that during the recent CIF, SS basketball play-offs there were many problems caused by the tremendous number of Courtesy Cards presented for admission to the play-offs. At the present time there are over 1,000 cards issued and the limited capacity of many of the facilities used for play-off contests poses serious problems.

At the finals of the "AAA" play-offs, over 500 persons were admitted on Courtesy Cards and when ticket sales were stopped because the gym was filled to capacity, many persons were outside the gym with Courtesy Cards demanding admittance. Many administrators reported similar problems and also mentioned that many Courtesy Cards were being presented for admission by high school students. Other organizations similar to the SS restrict the use of such cards to regular season events.

It was moved, seconded and carried that beginning with the 1962-63 school year Courtesy Cards will be honored at all athletic activities sponsored by our member schools except CIF, Southern Section play-offs.

13. With Courtesy Cards no longer good for admission to play-off activities, the point was raised that the participating schools should be allotted more comps for games in which their team participates. It was moved, seconded and carried that when the play-off regulations for each sport are approved, consideration be given to providing additional working passes for participating schools.

14. The Commissioner presented the Financial Report on the 1962 CIF, Southern Section basketball play-offs. Although not quite complete due to some outstanding expenses and income, it

indicated that the play-offs were financially successful and the SS would realize its anticipated income of \$11,000.00. It was moved, seconded and carried to accept the report and commend the Commissioner on a well conducted play-off.

15. The question was raised as to the feasibility of the CIF, SS acquiring a check writer to protect against possible loss by having the original amount on a check increased. It was the consensus of opinion that such a piece of equipment would be desirable and the Commissioner was directed to investigate the cost and type of such machines now on the market and report his findings to the Executive Committee at its next meeting.

16. Each year many boys have been declared ineligible because they have violated a CIF, SS regulation which prohibits participation by a high school boy on an outside team in the SAME sport during the SCHOOL SEASON of that sport. Misunderstanding has arisen as to what constitutes "the school season of a sport."

At the present time Article VI, Section 1, paragraph J, prohibits a boy from competing on any outside team in the same sport during the school season of that sport, but does not define the school season of a sport. To find this information, a person must refer to Article XI. For purposes of clarification, it would seem desirable to include a definition of the season of a sport in Article VI. It was moved, seconded and carried to recommend to the Council that a change be made in our By-laws to provide a definition of a season of a school sport in Article VI as well as in Article XI.

17. The San Gabriel Valley League took official action to recommend that the starting date for the 1963 CIF, SS baseball play-offs be set back one week from May 14 to May 21, 1963. The reasons advanced were to provide sufficient time for leagues to complete their schedules and play any rained-out games and to provide some activity for boys for an additional week each spring.

The entire problem was studied and it was pointed out that the calendar change each year kept advancing the play-off dates and most schools were now in operation until the middle of June. Many of our smaller schools, however, particularly those in the outlying areas were still winding up school around the first of June. It was moved, seconded and carried that the "AA" and "A" baseball play-off dates remain the same as published in the December, 1961, Monthly Bulletin, but that the 1963 play-off dates for the "AAA" division be changed as follows: first round May 21, second round May 24, third round May 28, semi-finals June 4, and Championship game on June 7, 1963.

18. The State Federated Council recently made a change in its residence rule which causes a conflict with present SS regulations covering this matter. It is now necessary that we amend our rule to bring it into alignment with the state rule.

It should be understood by all concerned that the SS rule pertaining to the penalty prescribed for a boy who transfers from one school to another without a change of residence on the part of his parents or legal guardian, or without a court order which makes such a transfer necessary, is more strict than the state rule. The state rule provides that a boy who violates the transfer rule be ineligible one semester, while the SS provides a penalty of one semester for a non-athlete and one year for a boy who has ever participated in an athletic contest.

The change by the state is in the interpretation of a semester. The state CIF and the SS rule provided that when a boy was ineligible for one semester he must have been in the new school at least ten weeks of the semester IMMEDIATELY PRECEDING before he became eligible. The change by the state now provides that a semester approximates 20 weeks. For example, a boy who violates the transfer rule and enrolls in the new school in the middle of May with five weeks remaining in the spring semester would become eligible in the new school after attending for fifteen weeks of the fall semester. This is in conflict with the present SS rule because in the same situation the SS rule would not permit the boy to become eligible until the beginning of the second semester, because he would have had to have been in the new school at least ten weeks of the semester immediately preceding.

To eliminate confusion it was moved, seconded and carried to recommend to the Council that the interpretation of the SS transfer rule be brought in line with the recently adopted state rule. This would provide that a boy who transfers from one school to another in violation of the transfer rule would be ineligible in the second school for twenty school weeks if not an athlete and for one calendar year if an athlete.

19. Mr. Don Carroll of the Holmes-Tuttle Ford Company appeared before the committee to explain details connected with the leasing of an automobile to be used by the Commissioner in carrying out Southern Section responsibilities. Because the CIF, Southern Section, is a non-profit corporation and therefore cannot benefit through tax exemption, it was Mr. Carroll's recommendation that our organization would find it more advantageous to purchase a car outright.

It was moved, seconded and carried that the Commissioner and Treasurer be authorized to purchase an automobile for the CIF, Southern Section, to be used by office personnel for official business.

20. Administrators in many of our member schools have asked that certain CIF, SS, regulations be studied and that additional rules on a Section level be adopted to resolve problems that consistently arise in our interscholastic athletic program. The problem areas are as follows: (1) Establish a time limit between games of basketball doubleheaders; (2) Establish a procedure for baseball games that are called because of

darkness or rain with the score tied; (3) The rule limiting a boy to participation in one classification during a calendar week; (4) The 15-year-old rule for varsity football; (5) Legality of a baseball coach using a "walkie-talkie" during baseball games; and (6) Procedure to be followed when a baseball coach has been ejected from the field because of unsportsmanlike conduct and there is no other adult present to take charge of the team.

It was moved, seconded and carried to refer the above problems to the Regulations Committee of the CIF, SS, for study and direct them to prepare recommendations to be presented to the Council for consideration at the May meeting.

21. Mr. Richard Cherry, Principal at Beaumont HS, appeared before the committee to request a review of an eligibility case involving a boy from his school who was recently declared ineligible because of participation in an exhibition of boxing not under the direct control of his school. Mr. Cherry presented information which indicated that the participation was spontaneous and the boy boxed for only one round as a substitute for a scheduled boxer who did not appear. The committee was sympathetic to the problem but because a state rule was involved, they explained they did not have the authority to make an exception to the rule. Mr. Cherry was advised to contact Mr. Russell for the purpose of placing the matter on the agenda of the next State Federated Council Meeting.

22. The National Federation recently adopted a new football rule which makes mandatory the wearing of a tooth-protector by all boys participating in football games during the 1962 season. The rules committee, however, did not set up any penalty for failure to obey the rules, nor did they adopt any procedures for implementing the rule. This was left to local areas.

Recently a meeting was held involving representatives from the three Southern California sections of the CIF, local officials association and football coaches association, for the purpose of formulating procedures to be used in implementing this new rule. The recommendations of this committee were reviewed and the Executive Committee approved all of them except the one pertaining to the penalty for failure to wear a tooth-protector. It was the consensus of opinion that a 15-yard penalty for failure to wear a protector was too severe and 5 yards would be more in keeping with the infraction. It was moved, seconded and carried to approve the recommendations of the committee provided the penalty for failure to wear a tooth-protector be reduced from 15 to 5 yards.

There being no further business to come before the committee, the meeting was adjourned at 5:30 P.M.

Respectfully submitted,
J. Kenneth Fagans
Commissioner of Athletics

TOP HONORS DIVIDED IN CLASS B & C TENNIS TOURNNEY

Team and individual honors were spread among a great many schools as the 1962 CIF, Southern Section Class B and C Tennis Tournament was brought to a successful conclusion at Santa Ana HS on May 5 and 12, 1962.

In the Class B division the host school took top honors with a total of 22 points. In the C division Sunny Hills, Chaffey, and Loyola ended a hot battle in a three-way tie. All three amassed a total of 14 points. The runner-up in the B division was Chaffey with a total of 18 points, with Santa Monica third at 16 points.

Bob Lutz (3rd ranked in Southern California) of Mater Dei HS took the B singles crown by defeating Ed Grubb of Santa Monica HS in a 14-12, 6-3 marathon match. Bob reached the finals by defeating Richard White of Santa Ana 6-0, 6-2. Grubb downed highly rated Harvey Bottleson of San Marcos 6-1, 6-3, in the semis.

In the C singles top seeded Jim Hobson (2nd ranked in Southern California) of Sunny Hills captured the title by defeating Terry Ehlers of Mira Costa 9-7, 6-0. In the semi-finals Hobson beat Howard Levin of Mark Keppel 6-3, 6-0, while Ehlers defeated Mike Howard of Loyola 6-3, 9-7.

In the B doubles Chuck Rapp and Tom Carr of Santa Ana defeated Jacques and Taunton of Chaffey 6-4, 6-3. In the semi-finals Rapp and Carr had to fight off Redlands' Shoen and Stryker's

bid, winning 6-4, 6-8, 6-4. Jacques-Taunton defeated Hamilton and Crawford of Mark Keppel 7-5, 6-4 in the other half.

In the C doubles Mike Talmadge and Douglas Dey of Lincoln Jr. High in Santa Monica were extended to three sets before defeating Cavallo and Cooper of Chaffey 1-6, 8-6, 6-4. Talmadge and Dey beat Picon and Peterson of Montebello 6-3, 6-4 while Cavallo and Cooper edged Wright and Parrott of Loyola 6-3, 6-4. The C doubles semis and finals were all close and hard-fought.

Ranked players entering the well-managed two-day tournament were Bob Lutz, Jim Hobson, Ed Grubb, Doug Dey, and Harvey Bottleson. A record number of 320 players participated in this year's tournament with 207 matches being played on the first day. The weather was pleasant despite heavy winds on the second Saturday. Our thanks go to tournament manager Neil Machander, assistant manager Larry West, and the SASHS tennis team who helped handle much of the miscellaneous work of the tournament. The new rule requiring white clothing helped make this year's events more successful. According to Mr. Machander the players were most enthusiastic, best behaved, and most sportsmanlike in a number of years. These participants were a credit to interscholastic athletics in Southern California.

Complete team results are below:

RECORDS SMASHED IN CIF, SS CHAMPIONSHIP SWIM MEET

With CIF and National Swim records falling like tenpins, the CIF, Southern Section Swimming and Diving Championships were conducted before a turn-away crowd at the beautiful Beverly Hills HS Natatorium on Friday night, May 4, 1962. During the course of the evening's competition, three National records and nine Southern Section records were set by the fantastic crop of prep swimmers developed by our fine high school coaches.

Individual performances completely overshadowed the battle for team honors. In the first event of the evening, Roy Saari of El Segundo set the pace for the night's activities as he sped to a clocking of 3:53.9 in the Varsity 400-yard Freestyle to lower the old record of 3:56.2, which was set by Roy earlier in the season. It was a fabulous performance and clearly showed why Roy Saari is one of the outstanding swimmers in the world at the longer distances.

A new National record was also established by the 200-yd. Medley Relay team from Glendale Hoover HS, as they recorded a 1:40.7 to better the time set by a team from New Trier HS in Illinois in 1961. The Hoover team was composed of Bill Craig in the Breaststroke; Rich McGeagh, Backstroke, Rick Russ, Butterfly; Gerry Main, Freestyle. Rich McGeagh, who was a member of the record-breaking Medley Relay team, also established a new National standard in the 100-yd Backstroke as he lowered the mark of 54.8 formerly held by Goettsche of New Trier HS, to 54.5. McGeagh won this event for the third straight year in CIF, SS competition, recording times of 57.3, 57.0 and 54.5.

A total of thirteen new CIF, Southern Section, records were written into the books as a result of the keen competition. Seven were set in the varsity division, four in Class B competition and two in the Class C events.

Hoover HS of Glendale captured team honors in the Varsity division by scoring 45 points, for the highest total recorded by a winning team in many years. They captured first place in the Backstroke, Breaststroke, 50-yd Freestyle and Medley Relay, while also scoring in the Butterfly and Individual Medley. El Segundo took runner-up honors by scoring 38½ points followed by

CLASS A

| | | | | | |
|---------------|-----|-------------|----|-----------------|---|
| Hoover | 45 | Newport | 9 | Fullerton | 3 |
| El Segundo | 38½ | Burbank | 7 | Santa Barbara | 3 |
| Garden Grove | 33 | Western | 7 | Anaheim | 2 |
| Downey | 23 | Lakewood | 5 | Montebello | 2 |
| Beverly Hills | 18 | Millikan | 5 | Riverside Poly | 2 |
| Notre Dame | 13½ | Mater Dei | 5 | Rancho Alamitos | 2 |
| Arcadia | 13 | Wilson | 4 | Whittier | 2 |
| St. Francis | 12 | St. Monica | 4 | Oxnard | 1 |
| Glendora | 10 | Santa Maria | 3½ | Upland | 1 |
| Morningside | 9½ | Chadwick | 3 | Westminster | 1 |
| | | Fontana | 3 | | |

Garden Grove with 33 points. Twenty-nine other schools also broke into the scoring column.

In the Class B division, a well rounded Newport Harbor team ran up 35 points to upset Oxnard, the defending champions, who were only able to record 28½ points. Santa Monica HS with 21 points took third-place honors.

Chadwick School won its first CIF, Southern Section, championship when their fine group of swimmers scored 39 points to easily win the title in the Class C division. Lynwood HS took second-place honors with Fullerton and Mira Costa tying for third place.

Preliminary meets were held at Montebello, El Segundo and Santa Monica City College, with Buck Jarnagan, Whitey Saari and Knute Clark serving as respective meet managers. The El Segundo meet was scheduled at night, with the other two being afternoon activities and all three were well staged.

A Free Lance Meet, for the purpose of qualifying boys into the three preliminaries, was held at Claremont College under the direction of Coach John Lepp. With most of our schools now in leagues, this was one of the smallest Free Lance Meets ever held. It is hoped that next year a different method of qualifying can be worked out to eliminate this costly and time-consuming Free Lance Swimming Meet.

The Championship Meet at Beverly Hills High School was managed by Coach Walt Puffer of the host school and it was one of the finest swimming meets ever staged any place in the United States. The events ran off like clockwork. The awards were presented promptly and the announcer contributed greatly because of his excellent knowledge of the background of the participants. There is no question but that the Beverly Hills Natatorium is the finest place in Southern California to hold such a meet, and we trust that we can utilize their facilities in the near future for the holding of our Championship Swim Meet.

The complete team and individual results with National and CIF, Southern Section, records follow:
